

A World 421

Chapter 421: , What Level

“not good!!”

Of course Lin Chen realized how dangerous his situation was!

“This is a ‘disillusionment’ type of spiritual attack that combines illusion and killing!” Lin Chen was shocked, “This Xu Ming can actually use such a secret spiritual attack!”

Between the lightning and flint, Lin Chen had no time to think about it.

His spiritual power spread wildly to Najie: “The letter talisman! The letter talisman!”

At this moment, Lin Chen didn’t dare to take any chances! His only thought was to use his mental power to crush the letter talisman immediately to save his life!

As for the battle of fate?

Go to his dao fate battle, you are going to lose your life and fight a fart!

hiss-

Lin Chen’s spiritual power quickly infiltrated into the ring and found the letter.

“That’s great!” Lin Chen was overjoyed.

But at this moment-

boom!

Lin Chen felt – his face hurts!

He immediately understood that Xu Ming's stout fist had probably hit him in the face!

“Escape!” Lin Chen was worried, if he slowed down a little, the next moment, the spear might have pierced through his head!

Click!

Without hesitation, Lin Chen directly crushed the letter talisman.

hum—

In an instant, the protective energy contained in the letter talisman enveloped Lin Chen's body.

Immediately, the boundless darkness that Lin Chen was immersed in quickly faded away; and he, too, saw the surrounding scene again—Xu Ming's second punch was hitting his face. And Xu Ming's other hand had already grabbed the end of the gun, ready to draw out the spear.

The big iron fist quickly enlarged in Lin Chen's pupils!

Bang!

Xu Ming punched the strange light that enveloped Lin Chen's body, but failed to cause any damage to him.

“Hahahaha...” Lin Chen couldn't help laughing complacently, “Isn't there anything wrong with this? Ahahaha...”

Xu Ming rolled his eyes with incomparable disdain: “Isn't it just escaping fast? Do you need to be so nervous?”

Lin Chen's face suddenly turned black – yes! Are you too unmotivated yourself? He was so happy because he succeeded in escaping from Xu Ming's hands...

However, if you run away, you still have to let go of harsh words!

“Xu Ming! Don’t think that if you beat me here, I won’t be able to go to the Divine Kingdom of the Human Race!” Lin Chen sternly shouted, “When the time comes, we will see you in the Divine Kingdom!”

Xu Ming rolled his eyes again: “Isn’t it just buying a place to enter the kingdom of God? It seems that there is no need to be shy?”

Lin Chen’s face darkened again, he hummed: “Now you can be arrogant, and when the kingdom of God is reached, I will let you know how powerful it is!”

Xu Ming rolled his eyes again: “Isn’t it just that there are a few helpers in the kingdom of gods? You have to be shy? If you have the ability, when you arrive in the kingdom of gods, you will fight with me again! – Do you have the courage?”

“Humph! Having a helper is also a kind of strength!”

“Uh...” Xu Ming was really defeated by Lin Chen’s face!

Lin Chen, after all, is also the first genius of the human race in name, to say such shameless words, Xu Ming is also convinced!

The great powers of the Purple Moon Holy Land were also blushing when they heard this—Lin Chen’s words are too embarrassing!

At this time, the strange energy finally launched the transmission, directly wrapped Lin Chen, and took it away from the landscape world.

Xu Ming waved away Lin Chen’s treasures, full of disdain in his heart: “Lin Chen... an opponent who has been completely defeated by his fighting spirit, don’t take it to heart!”

As Lin Chen was crushed and defeated, the geniuses who were rushing up to besiege Xu Ming suddenly stopped their steps in fright, not daring to take another half step forward.

“Ha!” Xu Ming smiled contemptuously – Lin Chen was not in his eyes yet, let alone this group of rabble?

“Li Guijie!”

Xu Ming’s eyes fell on Li Guijie again.

“You... what do you want?”

Li Guijie went to communicate with the letter in the ring in horror. However, at this moment, his consciousness suddenly sank into the boundless darkness; Xu Ming’s cold and stern eyes instantly magnified infinitely in his field of vision!

“No—” Li Guijie shouted in panic.

After Xu Ming cast a glance, he turned around and left without looking at whether he was alive or dead.

Anyway, if Li Guijie can survive this type of disillusionment attack, he will be lucky! And if you can’t even catch a look, then you can’t blame others if you die – who told you to be so arrogant!

Where Xu Ming passed, the geniuses hurriedly made way.

No one dared to challenge Xu Ming’s power again!

“This is... the momentum a real genius should have!” Many great experts were amazed.

Such a arrogant genius field is really rare to see in millions of years!

“Palace Master!” Tie Ning looked at Palace Master Soul Tian.

“Um?”

“I want to ask, what level does the palace master plan to set Xu Ming’s genius level at?”

The old man Xuanqing said: “Currently it is a ‘once in ten thousand years’ level!”

“It’s impossible to set it in the ten thousandth grade, right?” Tie Ning pointed at Lin Chen, who was embarrassed, and said, “The genius of ten thousand grades, in front of Xu Ming, looks like this! If Xu Ming is also set in ten thousand grades, this is too unreasonable, isn’t it?”

“This...?” Elder Xuanqing can only be rated as “10,000 grade” at the highest, and the higher genius level will be determined by the palace masters.

Palace Master Soul Tian fell into deep thought: “Xu Ming’s strength~www.readwn.com~ is really strong, so strong that even I can’t see through it! Even a genius of 100,000 years, or even a million-year-old, twenty-year-old Back then, it wasn’t that strong!”

Tie Ning’s face showed surprise: “Then it’s a million grade! It’s a million grade!”

On top of the “million grades”, there are actually “tens of millions grades”.

However, being designated as “ten million grades” means that when you grow up, you will almost certainly be able to step into a “demi-god”!

This level of genius is no longer qualified by Palace Master Soul Tian; at least three or more Palace Masters need to discuss it before they can be determined!

“But...” Palace Master Soul Tian said again, “Although his strength is strong, his realm is too low; he’s just a step in the road! – You must know that the strength improved by external forces is only temporary; only realm can be fundamental!”

Realm is the most important thing, everything else is empty – this principle, Tie Ning and other great masters of course understand!

Palace Master Soul Tian continued: “There has never been a step-dao monarch who has been designated as a hundred thousand or even a million grade!”

His implication is that Xu Ming's realm is too low, and he is not qualified!

“Palace Master!” Elder Tie Ning, Elder Maple Leaf, and Elder Mo Zixuan were all anxious.

“But...” Palace Master Soul Tian pondered again, “This Xu Ming, who is only twenty years old, is stronger than the ordinary half-step Dao Zun! If he is only classified as ‘10,000 grade’, it seems a bit inappropriate! ”

The eyes of Tie Ning and the other three Array Dao Great Experts suddenly lit up: “Yes, yes, yes! Very inappropriate!”

“Then it's set... 100,000 grades!” Palace Master Soul Tian pondered, and finally said.

The 100,000-year-old is already a very high level of genius; however, the three of Tie Ning are still not satisfied.

“Palace Master, don't forget, in addition to his strength, Xu Ming is also a monster!”

Chapter 422: , Contenders

“Palace Master, don't forget, in addition to his strength, Xu Ming is also a monster!”

When Tie Ning said these words, there was actually a lot of anger and resentment in his heart.

because...

Array geniuses often don't get the attention of the Taoist Palace!

Those fighting geniuses will be divided into 50th grade, 100th grade, 1000th grade...etc.

However, the genius of the formation path does not have any grades!

If there is no grading, it means that you will not be able to enjoy the training resources of the Taoist Palace—this is too unfair for the geniuses of the Tao!

However, it is not to be blamed that the palace is eccentric. After all, the human race doesn't need to cultivate too many formation talents.

For example, the artifact refiner—the foundation of artifact refining is the formation path.

And for a craftsman at the level of Tie Ning, only one can meet the equipment supply of all the top powers of the entire human race; even there is a surplus to pass on to the next generation!

This is also true for top alchemists, inscription masters, and formation masters!

The top powers in these “unpopular occupations”, the entire human race, at the same time, only one is enough. Even if a fault occurs occasionally, it doesn't matter if there is no new weapon refiner, alchemy master, etc. – there are a lot of stocks in the ethnic treasure house, equipment, medicine pills, etc.!

Because of this, the Taoist Palace is not very keen on the cultivation of Taoist geniuses.

And fighting genius is different!

Combat genius, this is definitely the more the better!

You must know that the battle between the human race and the demon race is all about the number of top powers!

If the top power of the human race far exceeds that of the demon race, then they can take advantage of the situation to completely destroy the demon race and occupy the entire endless continent!

Similarly, in turn, the human race may also be completely destroyed by the demon race! So from now on, the Endless Continent will be completely reduced to the domain of the demon race; humans will be kept in captivity as food.

Tie Ning, Maple Leaf, and Mo Zixuan, the three great powers, although they knew this truth, but every time they saw that the ethnic group was unwilling to work hard to cultivate the genius of formation, it would inevitably feel unbalanced in their hearts.

Now, Xu Ming was born. Not only is his strength against the sky, but he is also a monster in the formation that has been rarely seen in millions of years; and the Palace Master Soul Tian is reluctant to designate Xu Ming as a “million-level” genius, which naturally makes Tie Ningsan people are dissatisfied.

Palace Master Soul Tian fell into deep contemplation. After a long time, he said: “Everyone knows that ethnic resources are limited, and every resource must be used with reason! And Xu Ming’s realm is indeed too low...”

The expressions of the three of Tie Ning changed – Palace Master Soul Tian, still don’t want to make Xu Ming a “Million Year”?

“However...” Palace Master Soul Tian said again, “Xu Ming’s talent for formation is indeed incomparable! If such talent is buried, it will also be a huge loss for the human race!”

“Huh? There’s a show!” Tie Ning’s eyes lit up.

“Well, let’s tentatively assign Xu Ming to the ‘Million Year’!” Palace Master Soul Tian finally made a decision, “If he can pass the sixth floor of the ‘Tongtian Tower’ within 30 years, it will prove that he is qualified to truly It is designated as a ‘Million-level’ genius; if it fails, it only means that the talent is limited, so it will be downgraded to a ‘100,000-level’!”

Tentative?

Tentatively it’s good too!

“On the sixth floor of the Tongtian Pagoda, you need to understand the laws of the origin of the Dao of Heaven, and only when you reach the six-step Daojun level can you pass!” Tie Ning pondered secretly, “Cultivation in the Kingdom of God is much more efficient than cultivation in the outside world. !—With Xu Ming’s talent, I have a great hope of breaking through the sixth floor of the Tongtian Tower within 30 years!”

In other words, Xu Ming's hope of being officially designated as a "million-year-old" genius is very high.

Thinking of this, Tie Ning was instantly relieved: "Haha, I didn't expect that I, Tie Ning, would also accept a genius disciple of the 'Million Year'! Ah ha ha ha... There are successors! There are successors!"

The surrounding top experts all looked at Tie Ning with strange eyes.

Elder Maple Leaf even sneered: "When did Xu Ming take you as his teacher? Why don't I know? – I think, Xu Ming should be more willing to be my apprentice!"

"Both of you got it!" Elder Mo Zixuan sneered, "I accept this disciple Xu Ming! No matter how much you fight, it's useless!"

"Yo! It's just you, Mo Zixuan?" Tie Ning and Feng Ye both laughed.

"Don't talk nonsense! When Xu Ming comes out, let's show our means and see whose disciple he wants to be!"

"Haha! Then it's up to you!"

...

After Xu Ming returned to the Illusory Array, he first let Chi Xue leave through the portal, and then he held the chair steadily and continued to collect the toll.

The geniuses in the landscape world, after seeing Xu Ming's tyrannical and unparalleled strength, all realized that if they want to win the battle of Taoism, the only way is to honestly obey the rules of the game formulated by Xu Ming!

Therefore, the geniuses outside the magic circle no longer pointed at the magic circle and scolded, but seriously thought about how to quickly collect treasures worth 10,000 low-grade Dao stones and dedicate them to Ming brother~www.readwn.com~ The geniuses became obedient, and for a while, Xu Ming's efficiency in collecting tolls was also greatly improved.

It didn't take long for Xu Ming to release 999 geniuses in total!

And there are only 1,000 winners in the Dao Fate Battle. Of course, Xu Ming has to keep the last one for himself.

"It's time to call it quits!"

Xu Ming smiled in satisfaction, took back the "Wanhua Illusory Sea" array plate, and rushed towards the portal.

"Let's go!"

The moment Xu Ming rushed into the portal, the surrounding "Illusory Sea of Flowers" phantom also disappeared.

At the same time, this session of the Dao Fate War is over!

wow—

After passing through the portal, Xu Ming appeared in a secret room.

"Please exchange your nine-colored stone!" A mechanical voice sounded in the secret room.

The nine-colored stone is a pure quest item and has no other use.

Xu Ming directly poured out the hundreds of thousands of nine-colored stones in the ring, and piled them up into a hill—some of the nine-colored stones were dug by Xu Ming himself, and more were collected by tolls. of.

hum—

A strange formation fluctuation instantly moved away the hill made of nine-colored stones, and brought in a "Dao Stone Hill".

On the top of the stone hill, there is still a suspension ring that Xu Ming had deposited before.

Xu Ming took back the Na Ring, and with a wave of his hand, he had collected all the Dao Stone Hills—the mere hundreds of thousands of low-grade Dao Stones, and Xu Ming didn't even bother to count them.

You must know that the treasures that Xu Ming collects from tolls are the real big ones, worth seven or eight million low-grade Dao stones!

“Walk!”

A beam of teleportation light directly teleported Xu Ming to the central area of the banquet.

In this area, there are many top human beings, as well as other 999 geniuses who have won the battle of Taoism.

The arrival of Xu Ming instantly attracted the attention of the audience.

Chapter 423: , Who Is The Teacher?

“Um!?”

As soon as Xu Ming teleported over, he was taken aback by the surrounding situation.

He found that he was not teleported back to his original position, but was teleported directly to the central area of the banquet. The most important thing is that Xu Ming saw that the top powers such as Palace Master Soul Tian, Elder Xuan Qing, General Jing Yu, etc. on the first main seat were all staring at him badly.

“What's the situation?” Xu Ming couldn't help but be a little puzzled – he had never offended these great powers!

“What!” At this time, the old man Xuanqing snorted heavily, “You know what's wrong!?”

“Wrong?” Xu Ming was confused, “Did I do something wrong?”

“Hmph! How dare you be stubborn!” With this angry shout, the old man Xuanqing even brought a trace of mental coercion, “You set up an illusion at the exit of Shanshui World, wantonly destroying the order of the Taoist battle, and you dare to say that you did nothing wrong. what!?”

Disrupt order?

Xu Ming argued with reason: “I haven’t heard of any order that stipulates that this can’t be done…”

“How dare you make excuses!” Elder Xuanqing oppressed him with a burst of mental pressure.

Palace Master Soul Tian, General Jingyu…even Elder Tie Ning, Elder Maple Leaf, etc., all put pressure on Xu Ming with bad eyes.

Xu Ming was oppressed by this wave of mental coercion, and he was a little breathless; but he still did not change his face, and did not mean to admit his mistake.

admit wrong?

Did not do wrong, admit what is wrong?

“Don’t admit wrong?”

Elder Xuanqing waited, staring at Xu Ming with more and more bad eyes.

Xu Ming, on the other hand, looked at the great powers without showing weakness, and his eyes did not flicker at all.

suddenly-

“Ha ha ha ha…”

All the experts in the first main seat burst into laughter in unison.

“Haha, Palace Master, I’ll just say this kid is something that can be made! That’s right?” Elder Tie Ning said with a dancing smile.

The other elders of the Asking Palace also immediately put away their bad eyes and replaced them with approving smiles.

“Eh?” Xu Ming was confused now.

He blinked his big, dazed eyes, and was at a loss for a moment.

It took a while for Xu Ming to react – these powerful people seem to be testing themselves!

“Xu Ming!” Soul Tian Palace Master shouted.

“Palace Master!” Xu Ming raised his head and respectfully looked at Palace Master Soul Tian with the two horns above his head.

The stature of the Palace Master Soul Heaven is too burly! He is more than 20 feet long (7 meters), even sitting there, Xu Ming needs to look up.

“It’s really good that you can maintain such a level of concentration under the mental pressure of the great powers!” Palace Master Potian nodded approvingly.

Concentration has nothing to do with talent.

However, the importance of concentration cannot be overemphasized.

The stronger the concentration, the more calm you will be in the face of danger; even if you are in danger, you can deal with it calmly.

The top powers of the Asking Palace place great importance on the determination of genius.

After all, no matter how good the talent is, if the concentration is not enough, it is very likely that if you encounter any small danger, you will die! – Cultivating this kind of genius is simply a waste of ethnic resources!

Now, Palace Master Potian saw that Xu Ming's concentration was very good, and he couldn't help being a little more satisfied with Xu Ming.

“Thank you Palace Master for your appreciation!” Xu Ming still respects these top human beings.

After all, if it wasn't for them to sit in the ethnic group, then it would be difficult for the human race to have the peace it is now. Besides, the master is the teacher and the strong is respected; the weak respect the strong, which is normal.

Palace Master Soul Tian pointed at the three of Tie Ning again, and said loudly, “Do you recognize these three?”

Xu Ming showed a confused look – he didn't know much about the top powers of the human race.

The voice transmission of the inspector Yi Tianxing sounded in Xu Ming's ear: “The one with strong muscles is Tie Ning, the first alchemist of the ethnic group! The one next to him is the first alchemist of the ethnic group, Maple Leaf. The other one, is Mo Zixuan, the first inscription master of the ethnic group!”

The No. 1 Refiner of the Clan! ?

The first alchemist of the tribe! ?

The first inscription master of the tribe! ?

Xu Ming was stunned when he heard it—this is really big enough! There was a hint of awe in the eyes he looked at the three of them involuntarily.

Of course, Palace Master Soul Tian could see that Xu Ming had already understood the identities of the three, so he continued: “Your talent in formation is very impressive! The three elders, Tie Ning,

Feng Ye, and Mo Zixuan, are all interested in accepting them. You are a direct disciple! Think carefully and choose a teacher!”

When Palace Master Soul Tian spoke, the three of Tie Ning’s expressions were straight, and they were full of coldness!

In the eyes of the three of them, the colder they behave, the more masterful they will be, and the more they will attract Xu Ming to apprentice.

“What!? Elder Tie Ning and the others, want to accept Xu Ming as a direct disciple?”

Immediately, the great experts at the banquet were all shocked!

Although they knew that the three elders, Tie Ning, Fengye, and Mo Zixuan, were very optimistic about Xu Ming, but they did not expect that the three elders actually planned to accept Xu Ming as a direct disciple—and they still accepted Xu Ming as they wished. Pick a master!

You know, this is a direct disciple!

Personal disciples, in a lifetime, will only accept one or two! It is definitely not something that those named disciples and entrants can compare to!

And what does it mean to be a direct disciple of the elders of the Asking Palace?

It means that as long as Xu Ming apprentices, he will immediately step into the top circle of the entire human race! The status is much higher than that of an inspector like Yi Tianxing!

and!

His master will definitely try his best to train him so that he can become a Taoist master!

Immediately, the countless eyes around Xu Ming were all frantic!

Really crazy!

“Damn it! Why don’t I have the same luck as Xu Ming!?” A genius who won the battle of Taoism, his eyes were red with jealousy; he could not wait to kick Xu Ming away and replace him.

Just, is it really a matter of luck?

of course not!

It’s a matter of strength! Talent question! – If he could show the “Myriad Flowers and Illusory Sea”, the three elders Tie Ning would still be rushing to accept apprentices.

“The direct disciple of the elders of the Gospel Palace... What a respected identity! With this identity, in the 3,600 territory, you can almost walk sideways; even the leader of the Holy Land will give him some face!”

“I remember that usually a genius of the ‘100,000 grade’ can become an elder! Isn’t this Xu Ming an ordinary ‘10,000 grade’, why is he so valued!?”

Xu Ming was tentatively designated as a “million-grade” genius. This was a secret, and only the great masters in the first main seat knew about it at this time; the other great powers only thought that Xu Ming was a “million-grade”.

After all, a “million-year-old” genius has a lot to do with it! Once leaked, it is easy to be assassinated by aliens.

“I rely on it! I rely on it! I rely on it!” Yun Fan, the “millennium-level” genius in the Lotus Holy Land, was shocked and angry, and cursed in his heart.

Yun Fan, in fact, also has a certain talent in the formation path; otherwise, when Lin Chen invited him to deal with Xu Ming~www.readwn.com~ he would not have asked him to help set up the formation.

Yun Fan once wanted to worship under the door of Elder Mo Zixuan and become a named disciple; however, Elder Mo Zixuan did not even bother him.

And now, when Yun Fan saw that the three elders wanted to accept Xu Ming as a direct disciple, how could he not be angry?

My ***** lungs are going to explode!

However, even if he really blows up his lungs, no one will ignore him.

“Damn it?” Inspector Yi Tianxing also cursed inwardly—but this “Damn it” didn’t contain any malicious intent, just pure shock, “Xu Ming actually... Xu Ming actually...”

“Hiccup...” Immortal Bai Yu next to Yi Tianxing gave a shocked “hiccup”.

That’s right, it’s fullness.

Before, when Xu Ming first met Lin Chen in Shanshui World, Immortal Bai Yu made a bet with Yi Tianxing, saying that if Xu Ming could escape from Lin Chen, he would eat ten tables! Then, Xu Ming beat Lin Chen away...

At this questioning banquet, the other great masters were eating all kinds of rare treasures, but Immortal White Feather had been eating the table there... Up to now, only ten tables have been eaten. Immediately, he heard that the three elders, Ning, Fengye, and Mo Zixuan, wanted to accept Xu Ming as a direct disciple, and he couldn’t help but burp in shock.

“Brother Xu Ming... he’s really amazing!” Chi Xue has been living in the prefecture-level forces for the past few years, and he has naturally heard of it. He asked the elders of the palace to pass it on personally.

The expression of Xing Li, the owner of the island in the heart of the lake, is very exciting – he has a grudge against Xu Ming! Once Xu Ming became the elder’s direct disciple, it would be like playing around with him!

Suddenly, Xu Ming became the absolute focus of the audience, all kinds of shock, jealousy, and admiration, as if countless lasers were shot at him.

At the same time, everyone couldn’t help but guess curiously – Xu Ming, who would he choose to be his teacher?

Chapter 424: , The Mystery Of Becoming A God

Xu Ming, who will he choose to be his teacher?

All the experts and experts are all guessing.

“If I were Xu Ming, I would definitely choose Elder Maple Leaf to be the master!” said a gray-robed Taoist Venerable in a certain holy land, “Elder Maple Leaf is the number one alchemist of the human race, and when he is his direct disciple, there is definitely not enough to be eaten. The best medicine pill! Raising your cultivation base and realm is as simple as drinking water!”

“I see, it’s better to choose Elder Mo Zixuan!” Someone immediately retorted, “It’s better to teach him how to fish than to teach him how to fish. The level of Elder Mo Zixuan’s teaching disciples is absolutely obvious to all! Many top geniuses have I want to worship under the sect of Elder Mo Zixuan and become a named disciple!”

“That’s right...” The gray-robed Taoist Venerable who spoke earlier was also convinced, “Most of the named disciples and disciples that Elder Mo Zixuan taught casually have achieved extraordinary achievements! If it is a direct disciple who has been trained with all his strength, then it is not bad. !?”

“I feel that it is better to choose Elder Tie Ning!” Another green-haired Dao Zun expressed his opinion.

“Choose Elder Tie Ning?” The two who had just had a conversation cast a suspicious look, “Elder Maple Leaf has an endless supply of medicinal pills, and Elder Mo Zixuan is good at teaching disciples—Elder Tie Ning, compared to them, it seems like nothing. advantage?”

“Elder Tie Ning has no advantage?” Dao Zun Qingfa seemed to be shocked by the ignorance of the two, and couldn’t help but stare and said, “Elder Tie Ning’s advantage is simply not too much!”

“Oh?” Gray-robed Taoist Venerable and another Taoist Venerable both listened to their opinions.

Qingfa Dao respectfully talked: “First of all, the first point, Elder Tie Ning is notorious for protecting his shortcomings! – If Xu Ming is his direct disciple, I am afraid that he is even the

inspector of the Taoist Palace. Don't dare to show Xu Ming's face casually; even if you ask the elders of the palace, you must give Xu Ming some face!"

Inspectors are all powerful at the Daoist level!

"Second point, ask the elders of the palace, who has the most treasures?"

Who has the most treasures? —It goes without saying, of course, it is Tie Ning, the number one craftsman of the human race!

"With the treasure, are you afraid that you won't be able to change the medicine pill?"

The green-haired Taoist continued.

"The third point is also the most important point! In the Asking Palace, apart from the twelve palace masters, General Jingyu, and Elder Zhan Wuwei, the one who knows the most about the Eternal Demon Pit is probably Elder Tie Ning!"

The Eternal Demon Pit is the most mysterious place in the entire endless continent!

There are many crises inside, but there are endless opportunities! There are even...

The mystery of becoming a god!

Legend has it that the great existence who created the "human kingdom of gods" broke through to become a "god" because of a certain opportunity in the eternal magic pit!

Not a demigod, but a real god! -With a snap of your fingers, you can kill the terrifying existence of demigods!

"Elder Tie Ning is not good at teaching disciples, but... the real power is great power, is it taught? No! It is learned from life and death!" The blue-haired Taoist became more and more excited, as if he wanted to worship Tie. Elder Ning is like a teacher, "So – Elder Tie Ning, is the best choice!"

“Ah! Indeed! Why didn’t we think of that...”

Of the real powers of the human race, who hasn’t entered the Eternal Demon Pit? In this way, it is true that Elder Tie Ning is the best choice for apprenticeship!

...

Ask the experts and experts at the banquet, and there are many discussions in private.

The three elders, Tie Ning, Maple Leaf, and Mo Zixuan in the first main seat, although they are extremely cold on the surface, they are all in their hearts!

“If Xu Ming doesn’t choose me, I’ll just pile up a hill with top-quality medicinal pills!” Elder Maple Leaf thought confidently, “I see, will Xu Ming choose me at that time!”

“If Xu Ming chooses these two idiots, my group of named disciples and entrants will definitely jump out collectively, and come up with all kinds of arguments!” Elder Mo Zixuan, why isn’t he determined to win?

You must know that among the named disciples and room-entry disciples that Elder Mo Zixuan taught in the past, Dao Zun is a powerful person, and it is counted by “beating”! One dozen, two dozen, three dozen... Even the Dao Master, there are several!

Just imagine, at that time, dozens of Dao Zun and several Dao masters will surround Xu Ming, saying “Hello, Junior Brother Xu Ming”, “Junior Brother Xu Ming, this is the greeting gift from Senior Brother” and “Xu Ming.” Junior Brother Ming, are you free, let’s go with the big sword”...

Elder Mo Zixuan laughed heartily: “So, didn’t Xu Ming make the ‘right choice’ in minutes? Quack, ah ha ha ha ha...”

Elder Tie Ning’s thoughts were the craziest: “Nima! If Xu Ming chooses these two, I will directly summon a half-artifact-class battleship and take Xu Ming away first! – At that time, even if it is the Palace Master Soul Tian Can’t stop me! I’ll see how they fight with me!”

The reason why Elder Tie Ning is so crazy is because he knows how terrifying Xu Ming's array talent is! He almost dared to say that in his lifetime, he would never have encountered a formation talent more perverted than Xu Ming!

Such an evildoer of the formation path, even if his mother grabs it, he will grab it and become a disciple!

"Nothing to say!" Elder Tie Ning's eyes were deep, with a ruthless expression hidden in his eyes, "If he chooses Maple Leaf or Mo Zixuan, I'll grab it directly!"

What else can be more simple, rude and effective than grabbing?

...

Countless eyes are looking forward to Xu Ming's choice~www.readwn.com~Xu Ming! "Monitor Yi Tianxing couldn't help sound transmission.

"Monitor Yi?" Xu Ming glanced in the direction of Yi Tianxing suspiciously.

"Don't, don't, don't!" Yi Tianxing said hurriedly, "You will soon be the disciple of the elders, I can't afford to be called by you! You should just call me by my name..."

"Uh..." Xu Ming was speechless for a moment – no matter where he was, he would pay attention to "identity"...

Yi Tianxing said again: "Are you hesitant now and don't know who to choose?"

"Uh..." Xu Ming actually wanted to say – he didn't hesitate.

"If you don't know who to choose, I'll give you some advice!" Yi Tianxing was very enthusiastic—of course he was! After all, Xu Ming is destined to be a successful person. If you don't make emotional investments now, when are you going to wait?

“Elder Maple Leaf can make your cultivation the easiest, and Elder Mo Zixuan can give you the best guidance! But I strongly recommend that you choose...” Yi Tianxing said his suggestion, “Elder Tie Ning!”

“Oh?” Although Xu Ming had nothing to hesitate, he was a little curious when he heard Yi Tianxing say so confidently, “Why?”

“Because... Elder Tie Ning knows the Eternal Demon Pit best!” Yi Tianxing said.

“Eternal Demon Pit?” Xu Ming had heard of this place, but he knew little about it other than the name.

Yi Tianxing continued his voice transmission: “That is the most mysterious place in the Endless Continent. I can’t explain it to you in a few words, but you will definitely go there in the future! – Anyway, it is absolutely not wrong to choose Elder Tie Ning!”

Do you choose Elder Tie Ning?

Xu Ming frowned slightly.

“Xu Ming!” Soul Tian Palace Master said solemnly, “Have you made a decision yet?”

“Think about it!” Xu Ming stretched his brows and his eyes were firm, “My decision is...”

Chapter 425: ,Not Interested In

“My decision is...”

Xu Ming uttered a decision that shocked the audience: “Don’t be a teacher!”

“What!?” Many great experts couldn’t help but wonder if there was something wrong with their ears?

However, how could there be a problem with the ears of Dao Zun and Daozhu?

“Don’t be a teacher?” Palace Master Soul Tian was stunned for a “moment”.

You must know that there are very few things that can make Palace Master Soul Tian dazed! Moreover, “an instant” is long enough to kill some Taoist masters who are not very strong for the power of this level of Palace Master Soul Tian!

It was a miracle that Xu Ming was able to make the Palace Master Soul Tian froze for a “moment”!

“What? No apprenticeship?” The expressions of the three elders, Tie Ning, Fengye, and Mo Zixuan, were so wonderful that they could be made into three “expression packs”.

The three of them were all pretending to be cold and cold, but they were thinking about how to “snatch” Xu Ming if Xu Ming didn’t choose him.

As a result, Xu Ming resolutely said three words not to be a teacher!

Not to be a teacher, that is, to choose none of them!

The three of Tie Ning were instantly stunned. What happened? The story shouldn’t be like this!

wow

After a brief period of dead silence, the scene of the banquet suddenly became noisy, like a market place.

Mostly sarcastic voices:

“Damn it! This Xu Ming, there is definitely something wrong with his brain!”

“Qiao Gong elders intend to accept him as a direct disciple, but he is not willing! What does he want? Do you want to worship a palace master as a master?”

“Too conceited!”

“This Xu Ming’s talent is actually mediocre! If he missed this big opportunity, his achievements in this life are destined to be limited!”

...

“Xu Ming, do you know what you’re talking about!?” Palace Master Soul Tian’s eyes shrank with the secret patterns of the infinite laws of the heavens, as if the whole world was enraged, “I miss you when you are young and ignorant. For my sake, I’ll give you another chance! Now, kneel down immediately and sincerely apologize to the three elders! As for whether the three elders are willing to accept you as a personal biography, it depends on their mood!”

The Palace Master Soul Heaven grunted heavily.

Xu Ming was very “stubborn” and said: “I really decided not to be a teacher!”

“You...” Palace Master Soul Tian was really angry.

He has seen a lot of arrogant geniuses; but no matter how arrogant he is, once he hears that the elders of the Taoist Palace intend to accept him as a direct disciple, he will be extremely excited! And arrogant and arrogant like Xu Ming, this is the first time he has seen him!

“Xu Ming!” Elder Tie Ning’s face was very ugly, “Tell me, why did you make such a decision?”

Xu Ming thought about it for a while, and said tactfully, “I heard that Elder Tie Ning, you are the No. 1 Alchemist of the tribe; Elder Maple Leaf is the No. 1 Alchemist of the tribe, and Elder Mo Zixuan is the No. 1 Inscription Master of the tribe. The direction of Tao’s enlightenment is different; but in their respective fields, they are all reaching the pinnacle of existence!”

Item refining, alchemy, and inscriptions are all based on the formation path, but they are different.

Item refining, studying how to use the power of the formation to temper treasures.

Alchemy relies more on the formation method to filter, purify, and refine medicinal materials and medicinal herbs...

Inscriptions are the use of micro-arrays and ultra-micro-arrays.

“Humph!” Elder Tie Ning hummed noncommittally, thinking that he was right, the three of us are all outstanding beings in our respective fields; but why are you unwilling to worship any one of them as your teacher?

Xu Ming continued: “But... I don’t have much interest in fighting Dao. I’m even less interested in weapon refining, alchemy, and inscriptions...”

The reason given by Xu Ming is very simple because I... have no interest!

Immediately, the masters in the audience were once again stunned by Xu Ming.

Not interested in?

You must know that Xu Ming’s talent for formation is so strong that the three elders, Tie Ning, Maple Leaf, and Mo Zixuan, are all vying to accept him as a personal heir! But with such a perverted talent for formation, he actually said that I was not interested in fighting Dao...

I rely on!

No interest, your Array Dao talent and Array Dao attainments have already become like this! If you are interested, why not go to heaven?

“Not interested!?” The three of Tie Ning never imagined that Xu Ming’s reason would be this, and the reason for almost spitting blood was too self-willed and too arrogant...

Actually, Xu Ming didn’t deliberately pretend to be x, nor was he willful and arrogant; it was...he really wasn’t interested!

Because... as long as Xu Ming’s cultivation level is raised, he has opened a high-level artifact store, then, what treasures can’t be bought?

Refiner? Alchemy? Refining inscriptions? What is there to practice, isn't it a waste of time? Just buy it directly in the artifact store!

Buy what you want!

Of course, it was impossible for Xu Ming to say such a thing.

"I'm not interested..." Palace Master Soul Tian was also very speechless, such a perverted monster, but said that he was not interested in fighting against the Dao...

It's as if a scholarly tyrant said to the teacher and classmates very contemptuously: Alas, I really have no interest in learning at all; I don't know why, but I'm getting full marks in every school... Alas, I'm so distressed!

"Xu Ming!" Yi Tianxing voiced anxiously, "How can you not be interested in playing against Dao!?"

"Eh..." Xu Ming was ashamed, "No interest is no interest... Obviously not interested, do you still have to force yourself to be interested?"

"Yes!" Unexpectedly, UU Reading www.uukanshu.com Yi Tianxing said directly, "Even if it is forced, you have to force yourself to be interested!"

"How can you force this thing out of interest..."

"If you can't force it, then..." Yi Tianxing thought for a while and said, "Even if you pretend, you have to pretend that you are interested!"

"Pretend?" Xu Ming became more and more ashamed.

"That's right!" Yi Tianxing said, "Xu Ming, you are still young, so maybe you don't understand very well, what kind of opportunity you are facing right now! This is an opportunity to become an elder's direct disciple... I can tell you with certainty that you missed it. If you take this opportunity, you will regret it for the rest of your life! So don't say that you are not interested! In any case, first apprentice! First apprentice! First apprentice!"

Yi Tianxing said it three times in a row, and was more excited every time.

“Xu Ming...” Elder Tie Ning said earnestly, “Your formation path talent is incomparably monstrous, you must not let down such talent! Even if you are not interested in formation path temporarily, it doesn’t matter; It can be cultivated slowly! Well, you worship me as your teacher first, and I will slowly cultivate your interest!”

“What!?”

“I rely on!”

“I wipe!”

The experts and experts at the banquet simply felt that they were here to be “scared” this time.

All the great powers stared at Tie Ning blankly, as if they didn’t know him anymore. Generally, I would say Elder Tie Ning, you are also the number one craftsman of the human race. Array genius? I said, can we not be so “cheeky”? Take out your usual high-cold attitude! ...Look at the two next to you, Elder Maple Leaf and Elder Mo Zixuan, they are all cold.

When everyone thought that only Elder Tie Ning was the only one who was “being cheap”, they were shocked to find that... the elder Maple Leaf, who was tall and cold, seemed to be starting to be cheap!

Chapter 426: , Competing To Be “Cheeky”

Swish!

I saw Elder Maple Leaf wave casually, and a golden hill of medicinal pills appeared directly in front of Xu Ming.

“His” asked the feast, and there were sounds of breathing cold air everywhere.

As long as you have a little vision, you can see how precious these medicinal herbs are!

“It’s Bailian Asking Pill!”

“Bai Lian Asking Pill, any one is more valuable than a top-quality Taoist weapon! And there are tens of thousands of them in this pile, right?”

“Tens of thousands, isn’t that more valuable than tens of thousands of top-grade Taoist artifacts?”

“Elder Maple Leaf is worthy of being the number one alchemist of the human race! If Xu Ming worshipped him as his teacher, he would be able to eat the best medicine pills as candy!”

“Xu Ming!” At this moment, Elder Maple Leaf said with a proud look: “Isn’t much interested in playing against Dao? It doesn’t matter, whether you are interested or not, you will take me as your teacher first, and try my medicinal herbs!”

Although Elder Maple Leaf looks very proud, the surrounding powers, no matter how they look at it, feel that he is “feeling cheap”!

is not that right?

If it’s not being cheap, then why, obviously Xu Ming has said that he is not interested in playing against the Dao; but the elders of Maple Leaf still want to come together and lure Xu Ming to worship him as a teacher?

“Uh...” Even Xu Ming was shocked by some hills piled up with medicinal pills; he almost couldn’t hold it anymore, and asked Elder Maple Leaf to be his teacher.

“Don’t hesitate, let’s go to the teacher!” Elder Maple Leaf said with a “proud” smile.

The surrounding powers all looked at and shook their heads secretly. I said Elder Maple Leaf, why are you as unpromising as Elder Tie Ning? Is it worth it to practice yourself like this, to be so humble, just for a genius? Both of you should learn from Elder Mo Zixuan; look at how steady and cold he is!

Elder Mo Zixuan is indeed very stable.

Steady as a dog.

but

At this moment, at the banquet, dozens of great experts suddenly stood up from their seats in unison, and rushed to Xu Ming's side like a swarm.

Of these powers, the weakest are Dao Zun, and there are even individual Dao Masters.

“What's the situation?” Surrounded by a group of great experts, Xu Ming couldn't help but be at a loss.

“Junior Brother Xu Ming!”

“Junior Brother Xu Ming!”

At this moment, these powerful people, “Junior Brother Xu Ming” one by one, shouted happily!

“Who are you...?” Xu Ming asked in confusion.

“We are all disciples of Elder Mo Zixuan!” The masters said in unison.

“Junior Brother Xu Ming, you must be careful about choosing a master!” A child with a gourd on his head said earnestly.

Don't look at this baby, he looks like a gourd doll; but he is the famous “gourd master” of the entire human race!

“That's right! What Senior Brother Hulu said is extremely true!” Immediately, other disciples echoed, “If among the elders of the Asking Palace, which elder is the best at teaching disciples, then our master, Elder Mo Zixuan, is definitely one of the best! ”

“Having a good master can avoid many detours!”

“If you go to the wrong teacher and accept the wrong guidance... then the already difficult path of cultivation will become even more difficult...”

...

The disciples of Elder Mo Zixuan have already expressed such a meaning very bluntly. The only way out is to worship our elder Mo Zixuan as a teacher!

“Xu Ming, now you know how to choose!”

“Xu Ming, hurry up and make the most correct choice in your life!”

A group of powerful people surrounded Xu Ming, chatting and talking without caring about his image.

During this period, although Elder Mo Zixuan didn’t say a word, he sat upright with a cold expression on his face; but... If it wasn’t that Elder Mo Zixuan was commanding behind the scenes, I’m afraid no one would believe it!

The powerful people at the banquet could only secretly sigh with emotion that Elder Mo Zixuan was also “cheating”!

It’s just that the way of “criminal” is different.

Seeing that the three elders of the Asking Palace, in order to let Xu Ming choose himself as the master, competed with each other to “come cheap” one by one; all the powerful people present were speechless.

Even the Palace Master Soul Heaven couldn’t stand it any longer.

He waved his hand: “It’s all gone, it’s noisy, what’s it like!”

Mo Zixuan’s named disciples and disciples, who dared to disobey Palace Master Soul Heaven’s will, all hurriedly dispersed.

And the elders of Maple Leaf also put away the medicinal pill hill; the three elders of them also temporarily stopped “snocking”.

Palace Master Soul Tian looked at Xu Ming sternly, but did not speak, but said through a voice: “Xu Ming, there is one thing I want to tell you!”

“Huh?” Xu Ming was surprised by what happened, so it was worth so solemnly that Palace Master Soul Tian took such a serious matter?

“Listen, but don’t spread it!” Only Xu Ming and several elder-level experts could hear the voice transmission of Palace Master Soul Tian, “Your current genius level is tentatively set to be the ‘million level’!”

Million grades! ?

Xu Ming is not very clear, what this means; but no doubt, it is very good!

You must know that even Lin Chen’s perverted talent is only positioned as “10,000-year-old”!

Ten thousand grades, million grades are simply the difference between clouds and mud!

“However...” Palace Master Soul Tian continued, “I gave you the ‘Million Grade’, not because of your talent, but because of Tie Ning, Feng Ye, Mo Zixuan, and the others, for you!”

“Uh...” Xu Ming was speechless.

Listening to this, why does it feel a little wrong!

It’s not obvious... Do you look down on people?

However, Xu Ming did not refute anything in words, which is powerless; to refute, use strength!

“Of course, your formation path talent is indeed very strong! It is because of your formation path talent~www.readwn.com~ and also because of Tie Ning and their struggles; therefore, I made an exception and tentatively designated you as a ‘millionth grader’. ‘!’” Palace Master Soul Tian said again, “However, if you insist on not going all the way to the ‘Array Dao’, then I can only lower you back to the ‘100,000 grade’!”

One hundred thousand grades?

To be honest, Xu Ming really doesn’t have a concept of 100,000 grades, and it sounds like he’s pretty cool!

At this time, Zhan Wuwei said through a small-scale voice transmission: “Xu Ming! Although you and I don’t know each other, I would like to advise you!”

Xu Minglian looked at Zhan Wuwei and listened carefully.

“The ‘100,000-grade’ talent, and the ‘million-grade’ talent, enjoy a tenfold difference in resource treatment!” Zhan Wuwei said, “This is an extremely rare opportunity on the road of your martial arts! It is very likely that you will live in your lifetime. , I can’t come across a bigger opportunity than this! As someone who has come here, I really advise you to make a decision after careful consideration!”

General Jingyu also rarely said: “Don’t say that you are not interested in the battle path! It is the best interest to make your strength quickly become stronger! If your talent in the formation path is squandered, it’s a pity!”

The old man Xuanqing also said: “I would like to apologize to the three elders, Tie Ning, Fengye, and Mo Zixuan, and then choose a teacher carefully!”

Xu Ming was persuaded to be very depressed.

Of course he knows that these top powers are for their own good.

But...

Xu Ming has a plug-in in hand!

Xu Ming just wants to say that I know very well what path I want to take! And the road I want to walk, these three elders, can't guide me at all; I will only waste time by taking them as teachers and learning the knowledge they impart!

After careful consideration, Xu Ming looked directly at the three of Tie Ning without fear: "Elder Tie Ning, Elder Maple Leaf, and Elder Mo Zixuan, I would like to know, if I learn the formation from you, in ten years, you will be able to make What level has my formation comprehension raised to!?"

Chapter 427: , Bright Blind People

"In ten years, what level can you make my formation comprehension rise to!?"

When Xu Ming said these words, he naturally showed a sense of confidence and arrogance; he seemed to be provoking the three elders, what skills do you have to teach me?

The three elders, Tie Ning, Maple Leaf, and Mo Zixuan, are all at the peak of their respective fields, and they all have profound attainments in the formation path. Xu Ming's slightly provocative words certainly aroused their arrogance.

"Xu Ming!" Elder Maple Leaf was the first to speak, "You can't set up the 'Wanhua Illusory Sea' phantom array without the help of an array plate?"

"It can't be arranged." Xu Ming didn't hide it, "My understanding of the illusion array now is almost the level of Daojun's limit!"

"Well, it's the same as what I estimated!" Elder Maple Leaf nodded slightly, "With your talent, let me take you for ten years, as long as you are willing to pay attention; then, your formation Dao comprehension can reach the Dao Venerable level, no problem!"

The comprehension of the formation path at the Daoist level is enough to set up the "Myriad Flowers Illusory Sea" without the aid of a formation plate.

"Moreover," Elder Maple Leaf said again, "I can also allow you to independently refine the best Taoist pill!"

“Dao Dan” generally refers to the medicinal pills at the Taoist level.

As soon as Elder Maple Leaf finished speaking, Elder Mo Zixuan continued: “I can make you comprehend the formation of Dao and reach a higher level of Dao Zun! Moreover, I can also let you independently refine the inscription of ‘Zun-level low-grade’! ”

Elder Mo Zixuan was the best at teaching disciples among the three.

Elder Tie Ning also said: “I can make your formation Dao comprehend and reach the level of Dao Venerable; at the same time, you can independently refine the best Dao weapons!”

The conversations between Xu Ming and the three elders were all conducted through sound transmission in a small area, and only Xu Ming, Palace Master Soul Tian, and several elder-level figures from the Asking Palace could hear them.

Fortunately, it is only a small-scale sound transmission. If it can be heard by other masters, I am afraid that it will take another ten years to set off a big shock, so that Xu Ming’s formation comprehension can be raised to a higher level of Taoism? This increase in speed is a bit nonsense, right?

You must know that the road of martial arts, the further you go, the harder it is to walk!

Many Dao monarchs have never been able to break through to Dao Zun in their entire lives.

The comprehension of the formation is also the same as the comprehension of the formation of the Daojun level. It is also extremely difficult to be promoted to the Daoist level!

And now, the three elders have all spoken out, saying that in ten years, Xu Ming can be improved!

“Hmph, since Xu Ming understands the way of formation, he should know how difficult it is to raise his understanding of the way of formation to the level of a Taoist!” The three of Tie Ning looked at Xu Ming smugly, wanting to learn from him. On his face, he saw a shocked expression.

However, after waiting for a long time, they did not wait for Xu Ming's shocked expression, but waited for Xu Ming's provocation again.

“Palace Master, the three elders, I want to make a bet with you, okay!?” Xu Ming said very boldly.

“Bet with us?” Palace Master Soul Tian, as well as the elders such as Tie Ning, looked at Xu Ming in astonishment.

Xu Ming, a 20-year-old hairy boy, dared to bet with a few top human beings, this is really unheard of!

Palace Master Soul Tian couldn't help but smile, looked at Xu Ming with interest, and said, “Tell me, how do you want to bet!”

Xu Ming looked directly at Palace Master Soul Tian, his eyes did not flicker, and said, “I want to bet that I will teach myself the formation of Dao, and within ten years, I will be able to reach the ultimate level of Dao Zun!”

what! ?

Within ten years, the formation path will reach the ultimate level of Dao Zun?

Isn't this outrageous talk! ?

Palace Master Soul Heaven and several other top Human Race experts stared at Xu Ming in disbelief, looking up and down, as if to see where Xu Ming got his confidence!

In just ten years...

You must know that even Elder Mo Zixuan, who is best at teaching disciples, can only say that he helped Xu Ming to comprehend the formation path and improve it to a higher level of Taoism. The speed of this improvement is already very incredible.

As for Xu Ming, he dared to speak madly, saying that after 10 years of self-study, the understanding of formation and Dao can reach the limit of Dao Zun...

How arrogant and ignorant this is!

“Humph!” Elder Mo Zixuan’s face sank immediately, and he hummed dissatisfiedly, “For a genius, self-confidence, or even arrogance, is not a bad thing; but being too arrogant is a joke!”

Elder Mo Zixuan chose to tolerate Xu Ming’s “arrogance” again and again because he wanted to accept Xu Ming as a disciple.

However, his tolerance is not endless!

At this moment, Elder Mo Zixuan was finally angry!

“Ten years, the comprehension of the formation has reached the limit of the Taoist? Hmph, do you know what the limit of the Taoist is? Let alone ten years, even a hundred years, you can’t reach it!”

Elder Maple Leaf also had a gloomy expression on his face: “You take yourself too seriously! For a genius like you, no matter how talented you are, your future achievements are destined to be limited!”

Elder Tie Ning didn’t speak, just shook his head in a very sad way, and couldn’t help but sigh in his heart what a talent! Array talent, cultivation talent, fighting talent, concentration, etc., everything is good; it’s just this character, too impetuous and self-righteous! This kind of heart is hard to achieve! Pity! It’s a pity...

“Palace Master!” Elder Mo Zixuan said privately, “This Xu Ming is not qualified to be designated as ‘Million-level’, even ‘100,000-level’ is too reluctant! I suggest that he be directly designated as ‘10,000 grades’!”

The Master of Soul Heaven Palace replied in private with a blank expression: “The genius level has its own set of criteria for determining it. It’s not how you want to set it, it’s just how you set it!”

The Palace Master Soul Heaven is a very principled person.

“Humph!” Elder Mo Zixuan snorted in dissatisfaction.

Palace Master Soul Tian looked at Xu Ming with a helpless expression of “hate iron is not steel”. Too arrogant! Too arrogant!

Unexpectedly, Xu Ming continued to ask arrogantly and ignorantly, “Are you gambling, Palace Master?”

“Ha!” Palace Master Soul Tian sneered slightly, “What are you betting on?”

“Didn’t the palace lord tentatively designate me as a ‘Million-level’ genius? Then ~www.readwn.com~ please ask the palace lord to let me enjoy the ten-year ‘Million-level’ treatment!” Xu Ming had obviously planned for a long time Alright, “Ten years later, if my formation comprehension does not reach the limit of Dao Venerable, then I don’t want all genius levels; ‘100,000 grade’, ‘10,000 grade’, nothing! But if, after ten years, My comprehension of the formation path has really reached the limit of Dao Zun, and I also ask the palace master to remove the word ‘tentative’ and officially designate me as a ‘million grade’!”

This is Xu Ming’s bet!

ten years?

Palace Master Soul Tian hesitated slightly.

“Palace Master, promise him!” Elder Tie Ning was still reluctant to give up Xu Ming, “Just give him ten years and let him see the reality clearly! If it takes ten years, he can wake up in time and stop being arrogant. Ignorance; at that time, it will still be a piece of material to build!”

The Palace Master Soul Tian pondered for a while.

“Tie Ning, you really worked so hard!” Soul Tian Palace Master said privately.

“It’s not easy to appear a monster in the formation! I really don’t want to see this Xu Ming sinking! Sigh...give him another chance!” Elder Tie Ning said privately, “After ten years, he will understand us. It’s hard work!”

“It’s a pity that the most precious cultivation time of ten years was wasted!”

The younger you are, the faster you can cultivate, and the time will naturally be more precious!

And with age, time will slowly “depreciate”.

It is precisely because of this that the great powers such as Palace Master Soul Tian are heartbroken and even furious because Xu Ming wants to “waste” the best time of the decade.

In the final analysis, the great powers are actually thinking of Xu Ming!

But, is Xu Ming really wasting the best time?

not necessarily!

It won’t take long for Xu Ming to use his own strength to make the masses of great powers brighter!

Chapter 428: , What Are You Hesitating About?

Under the dissatisfied gazes of the top experts, Xu Ming stood with the other nine hundred and ninety-nine winning geniuses.

“Xu Ming, who do you worship as your teacher?”

“Xu Ming, why do I feel that the palace lord and the elders don’t look at you very kindly?”

“Xu Ming, what level of genius are you rated at?”

...

A lot of geniuses sent their voices to Xu Ming and asked.

After all, the conversations between Xu Ming and several powerful people, including the Palace Master Soul Tian, were all conducted by means of small-scale sound transmission; ‘, of course unaware.

“Are you arrogant and ignorant?” Xu Ming didn’t think so.

Xu Ming has his own ideas; he knows very well how his future martial arts path should go! Now that it is very clear, naturally there is no need to ask a master to dictate the path of his own martial arts.

Besides, Xu Ming often relies on cheating to improve his cultivation strength. If he worships a master, he will be fine once or twice; but if he has opened more times, it will be easy to be found abnormal. At that time, Xu Ming would be troublesome to explain!

In order to avoid these troubles, Xu Ming had to be “arrogant” once.

As for whether Xu Ming is really arrogant, this can only be answered by “time”.

...

“Brother Xu Ming, what’s the matter, what happened?” Chi Xue couldn’t help but asked through voice transmission with concern.

“It’s okay.” Xu Ming replied casually.

It’s better not to let anyone know about his bet with Palace Master Soul Tian.

“The geniuses who have conquered the fate of the Tao!” At this time, the old man Xuanqing stood up slowly, obviously wanting to announce something.

There are many areas of the banquet, and there are dissatisfied comments in private:

“Can anyone who wins this session be called a genius?”

“The real genius has been buried! The ones who won were those cats and dogs!”

“That’s right! This year’s Dao Fate War is simply a joke!”

“If I were asking the top of the Palace, I would definitely ask the Dao Fate Battle to be played again!”

The three geniuses, Lin Chen, Yun Fan, and Qin Ke, are most anxious to know that they were originally considered to be the top three in strength, but now, they are all out!

What an irony this is!

However, the three of Lin Chen could only silently accept this reality.

“Lin Chen, Qin Ke, don’t be too depressed!” The demon blade elder of the Ziyue Holy Land comforted the two geniuses, “Even if you fail to win the battle, the Holy Land will definitely buy it for you. Entering the place in the kingdom of God!”

Buy a place?

Lin Chen and Qin Ke became more and more depressed after hearing this!

Elder Yaoblade is not comforting, he is clearly rubbing salt on the wound!

As soon as they want to enter the kingdom of God, they still need to buy a quota. Both Lin Chen and Lin Chen feel extremely ashamed!

One of them is a “10,000-year-old”, and the other is a “millennium-level”. It is really miserable to mix up like this.

And the other geniuses in the Purple Moon Holy Land are probably even more depressed than Lin Chen and Qin Ke! Because the “Divine Kingdom quota” is too expensive, it is impossible for the Holy Land to help them buy the quota.

...

The eyes of the old man Xuanqing swept over every genius who won the battle of dao fate. When his eyes fell on Xu Ming, he couldn't help but pause for a moment, and there was a hint of regret in his eyes.

Of course, this regret is only fleeting.

Immediately, the old man Xuanqing said again: "You thousand of you will enter the 'God Kingdom' to practice! After entering the Divine Kingdom, you will be unable to return to the Endless Continent for a long time; therefore, I will give you half a year, After dealing with trivial matters for half a year, ask the palace to gather and go to the kingdom of God together!"

"Yes!" A thousand geniuses responded in unison.

"Okay, let's go, let's go back to your respective areas!" Elder Xuanqing said.

...

Xu Ming and Chi Xue walked together to the area where the six major territories were located.

Before they approached, there was a large wave of masters, and they greeted them in a hurry.

Among the masters, the first five people are the leaders of the five top prefecture-level forces, the Sect Master Ouyang Xie Xi, the City Master Tang Chengxue, the Cult Master Tian Qizi, the Palace Master Liu Junxi, and the Ye Family Master Ye. son return.

Of the six top prefecture-level forces, only Huxin Island did not stand up to greet them.

"Brother Xu Ming is really hidden!" Ouyang Xie Xi, the head of the Sacred Fire Gate, did not have the usual viciousness at all. Instead, he smiled at Xu Ming with a flattering face, keeping his posture extremely low.

"Sure enough, a hero is a boy!" Liu Junxi, the palace master of Qianyang Palace, was also greatly impressed.

“Brother Xu Ming, I admire it! At the age of 20, the strength is no less than that of me. In a few years, we will definitely leave us old ghosts far away!” Tian Qizi’s horse Fart, it’s very real; because everything he said is true, Xu Ming’s current strength is indeed not inferior to a few half-step Dao Zun; and in a few years, Xu Ming will definitely dump them. No shadow!

Regarding the flattery like Tianxizi, Xu Ming just wanted to tell the truth!

Seeing Tian Qizi, Xu Ming couldn’t help but think of the Demon Realm of Seeking Dao.

The Demon Realm of Seeking Dao was once occupied by the six major forces.

And a few years ago, during the time when the waning moon sect was in control of the Demon Sect, Xu Ming “accidentally” collapsed the Demon Realm of Seeking Dao...

The other five major forces, including the Sacred Fire Gate, could not find Xu Ming as the murderer, so they could only spread the fire on the waning moon teacher. The leader of the waning moon sect, Tian Xizi, inexplicably helped Xu Ming take the blame.

Moreover, it is said that Tian Qizi also suspected that it was the people from the Thousand Changes who destroyed the Demon Realm of Seeking Dao. He even looked for Qianbianmen for this, but was slapped in the face by the owner of Qianbianmen; until now, both sides are still torn apart.

“Heavenly Weeping Son is really pitiful!” Xu Ming couldn’t help but glanced at Tian Weizi with sympathy. After all, he was making trouble in the Demon Realm of Seeking Dao. For the Crescent Moon Sect~www.readwn.com~ it was a disaster. what!

“As long as I don’t tell them, then, if the waning moon teaches them the six major forces, it is very likely that they will never know the truth!” Xu Ming thought badly.

When Xu Ming was wandering in the Demon Realm of Seeking Dao, in fact, he had always been disguised. After all, if you fool around outside and don’t disguise a little, you will easily be followed by the enemy.

As for the Eighteen Axes of Montenegro and the Blood Thunder Gate that Xu Ming brought back from the Demon Realm, they were all more or less disguised when they were in the Demon Realm.

After moving to the Wilderness Sect, they all removed their disguise and changed their names slightly, which was considered a whitewash.

“Of course... With my current strength and potential, even if I tell the truth, the six major forces will never dare to trouble me!”

However, Xu Ming will not tell the truth; it is better to have less than one thing!

As for the poor Tianxizi... let him continue to fight with Qianhuamen in a foolish way!

If Tianqizi was killed by Qianbianmen, then Xu Ming would laugh at his servant, Mo Shang Daojun, the deputy leader of the waning moon sect, and he would be in power over the waning moon sect!

Of course, Xu Ming doesn't force this kind of thing; after all, there are already too many sites in the Wilderness Sect! In a short period of time, the Wilderness Sect does not need more territory, so the waning moon sect, just leave it alone! And Xu Ming's previous conflict with the Waning Moon Sect in the Demon Realm of Seeking Dao was put on hold.

...

Behind the five and a half-step Dao Venerables such as Tian Qizi, are the elders of the five top prefecture-level forces, as well as the leaders and elders of other small prefecture-level forces.

The owner of the island in the heart of the lake, Xing Li, never came forward; instead, he secretly looked at Xu Ming with incomparable hatred.

In his heart, he has been pondering, the message he received not long ago: “The way, I have already pointed it to you; I can give you the opportunity, what are you still hesitating about?”

Chapter 429: , 1 Must Not Be Easy, Right?

&xiaoshuo “The way, I have already pointed it to you; I can give you the opportunity too—what are you still hesitating about?” A bewitching voice sounded in Xing Li's mind, “This Xu Ming's You can also see the speed of strength improvement! Now, with my help, you can easily kill

him; if it takes another half a year, when he enters the kingdom of God, you will never have a chance to kill him again!”

Xing Li’s eyebrows were tightly closed, obviously struggling fiercely in his heart.

Of course he knew that when Xu Ming entered the kingdom of God, he would have no chance to kill Xu Ming at all—because he didn’t even have the qualifications to enter the kingdom of God! Can’t get in, how to kill?

The persuasive voice continued to sound: “Based on the grudge between you and Xu Ming, if you don’t kill him, he will kill you too! Think about it, when Xu Ming comes out of the kingdom of God, is it like a game to kill you? ”

“But...” Xing Li was still hesitating, “If I kill Xu Ming, I will definitely be detected by Wentian Mingjing! At that time, I will definitely be punished by the palace!”

“Punishment?” There was a hint of disdain in the bewitching voice, “Punishment for what?—This is a normal vendetta between you and Xu Ming. Even if Xu Ming dies, he can only blame himself for his lack of strength!”

It is fair to ask the palace.

To all the compatriots of the ethnic group, the Daoist Palace treats them all equally! I won’t look down on you because of your high talent and strong strength; nor will I look down on you because of your low talent and weak strength!

As long as it is a vendetta within the normal range, then even if a person with poor talent kills a person with high talent, or a person with weak strength kills a person with strong strength, the Asking Palace will not bother.

It’s a skill to be able to kill!

To be killed is a lack of strength!

have nothing to say.

“Think about it yourself! Whether to sit still and wait for Xu Ming to kill you in the future, or take the initiative to kill Xu Ming in the cradle – it’s up to you to decide!”

Xing Li’s eyes gradually became firm and cold: “Genius? – A dead genius is nothing!”

...

After the Dao Fate War officially ended, the banquet lasted for a few more days before it finally ended.

During the period, many masters and experts took the initiative to toast Xu Ming and chat with Xu Ming. As for Xu Ming, he also met a lot of great powers during the intertwining of Gongchou. Although it is only a glass of wine friendship for the time being, it is better to know each other than not to know each other. There are many ways to have many friends!

Even the Taoist Master Chenxing of the Holy Land of Stars took the initiative to offer a glass of wine to Xu Ming, expressing his gratitude to Xu Ming for taking care of them in the Holy Land of Stars during the battle of Taoism.

“Okay everyone! Let’s end this year’s questioning banquet!” Elder Xuanqing presided over, “I’ll wait... 50 years to meet again!”

“OK!”

“Fifty years later, one more drink!”

Supervisor Yi Tianxing came to Xu Ming and said, “I have something to do in the Palace, so I won’t accompany you back; be careful on your way!”

“Yeah! Don’t worry!” Xu Ming was naturally very confident about saving his life.

With absolute stealth, it is difficult for anyone to threaten him.

“After half a year, remember to come to the Palace on time, don’t miss it!” Yi Tianxing reminded again.

“I see!”

The two sides hugged each other and said goodbye.

...

The territory of the island in the heart of the lake, the wild sect.

Today’s Wilderness Sect, every day, is more prosperous than yesterday.

The rise of the sect is fast and violent. It stands to reason that the sect master Gu Kongshan should be entangled in various affairs and be very busy. But in fact, the Sect Master of Gu Kongshan is getting more and more relaxed.

Gu Kongshan drank tea leisurely and thought to himself: “The Wilderness Sect can have such a grand situation, it is not because of how well my Sect Master is governed, but purely because of Xu Ming’s personal deterrent power!”

With Xu Ming’s deterrent power, the Wilderness Sect can develop comfortably. Without Xu Ming’s deterrent power, no matter how well-governed Gu Kongshan was, the Wild Wilderness Sect would not have developed as smoothly as it is now.

“Father!” Gu Hanmo came over.

“Why, are you worried about Xu Ming again?” Gu Kongshan laughed.

“Well... Xu Ming went to ask the banquet to participate in the Dao Fate War, and I don’t know what’s going on now...” Gu Hanmo looked worried, “I heard that in the Dao Fate War, the geniuses from the entire human race’s 3,600 territories gathered, Xu Ming. Is he in danger?”

You must know that even the current Wilderness Sect is only in the smallest territory, accounting for less than 10% of the small territory! And in the three thousand six hundred territory, how many amazing geniuses are there!

Gu Hanmo, how could he not be worried about Xu Ming?

Gu Kongshan comforted: “Xu Ming’s strength, even among the top geniuses who participated in the Dao Fate Battle, is considered to be in the middle! I dare not say that he can win the Dao Fate Battle, but saving his life is definitely not a problem!”

“Well...” Although Gu Hanmo also knew that Xu Ming’s strength was good, he was still worried about one thing and another in his heart.

“Don’t worry!” Gu Kongshan said again, “I told Xu Ming sternly and told him not to take any risks. The next Dao Fate Battle in fifty years will be the stage where he will truly shine! Xu Ming is not reckless. People~www.readwn.com~ He must know the sense of proportion, don’t worry!”

Although Gu Kongshan repeatedly persuaded Gu Hanmo to “be at ease”, it was not revealed that he was also worried in his heart.

actually...

Gu Kongshan and Gu Hanmo’s worries were completely unnecessary!

Worried about Xu Ming?

What does Xu Ming have to worry about? What they should be more worried about is Xu Ming’s opponent!

suddenly-

In the distance in the sky, a figure quickly broke through the sky.

“That’s...?” Gu Kongshan and Gu Hanmo, of course, immediately discovered this undisguised figure.

The figure was far away, and the voice came first.

“Sect Master, Han Mo, I’m back!”

“It’s Xu Ming!” Gu Kongshan and Gu Hanmo were extremely happy.

Xu Ming is back!

Xu Ming’s strength is now breaking through, and the speed is so fast. In just a few blinks, it has descended from the distant sky to the Wilderness Sect.

“Xu Ming!” Gu Hanmo couldn’t help but pounced on him.

Gu Kongshan also nodded his head in relief—although he didn’t know the outcome of the Dao Fate War, it was a good thing that Xu Ming had returned safely!

After a long time, Gu Hanmo came out of Xu Ming’s embrace.

At this time, Gu Kongshan asked with a smile, “How is the battle of Daoyuan?”

Xu Ming’s very simple and straightforward two words: “Win!”

Gu Kongshan’s eyes suddenly lit up: “Good! Good!”

Although Gu Kongshan always said, let Xu Ming’s safety come first and don’t care too much about winning or losing! But in fact, how could Gu Kongshan not want Xu Ming to win the battle of Taoism?

“Winning” was something he wanted to hear from Xu Ming’s mouth in his dreams!

And now, the dream has come true!

“Very good! Very good!” Gu Kongshan couldn’t help admiring, “How about it, winning the battle of Taoism must be very difficult, right?”

Chapter 430: , Startled And Numb

It must be difficult, right?

Xu Ming thought for a while: “Well, it’s not easy!”

Although Gu Kongshan and Gu Hanmo already knew the result of Xu Ming’s victory, they couldn’t help but sound nervous when they heard Xu Ming say “it’s not easy”.

“I encountered a lot of battles in the Daoyuan battle...” Xu Ming said, “Not long after the beginning, the enemy’s road was narrow, and I encountered an enemy whose strength was close to the second step Daojun...”

“Second Step Daojun!?” Gu Kongshan and Gu Hanmo couldn’t help exclaiming.

They don’t know what level of strength Xu Ming can reach after he hangs up; anyway, in their opinion, Second Step Daojun is already a very powerful existence!

And at the very beginning, Xu Ming met such a strong opponent?

“Then what?” Gu Kongshan hurriedly asked.

“And then...” Xu Ming said, “That kid, he actually dared to be arrogant in front of me! I slapped him wildly, so he admitted defeat and lost!”

“Forehead...”

“Forehead...”

Gu Kongshan and Gu Hanmo were both stunned.

Crazy slap! ?

and many more! There seems to be something wrong with the plot!

Daojun Erbu, isn't he a very strong opponent? Why was Xu Ming slapped wildly?

Slowly, both Gu Kongshan and Gu Hanmo realized that they had underestimated Xu Ming's strength!

Xu Ming continued: "Then, not long after, I met the four geniuses of the Purple Moon Holy Land!"

Holy Land Genius! ?

Four at once! ?

Gu Kongshan and Gu Hanmo both guessed that this battle, Xu Ming should be very difficult!

"Those four are very treacherous..." Xu Ming said.

"Tricky?" Gu Hanmo's heart raised the suspicion that his opponent was treacherous, so Xu Ming's situation must be very dangerous! ?

"Damn, those four are so treacherous! They don't have the demeanor that I imagined a Holy Land disciple should have!" Xu Ming said angrily, "When the four of them escaped, they ran away separately! How treacherous!"

"Uh? Run away separately?" Gu Han was speechless, "When you say treacherous, do you mean this?"

"That's right!" Xu Ming said solemnly, "You don't know, the four of them escaped in four ways! It took me a lot of effort to catch up with all four and send them all out of the battle!"

Gu Kongshan and Gu Hanmo were both speechless.

but!

Does the shock end here?

how is this possible!

Xu Ming said again: “Then, I met Lin Chen, the first genius of this era of the entire human race!”

Gu Kongshan took a deep breath: “The first genius of this era?”

There are countless geniuses in the 3,600 territories; how amazing is the first genius of this era!

“How did you escape?” Gu Hanmo asked subconsciously.

“Escape?” Xu Ming said, “I didn’t escape, he escaped!”

“What!?” Gu Kongshan and Gu Hanmo were stunned and the first genius of this era of the entire human race, fled in front of Xu Ming...?

“That ***** escaped too fast, I couldn’t catch up, let him slip away!” Xu Ming said angrily, “What annoys me the most is that he brought a helper back to trouble me for two ‘once in a thousand years’ Level geniuses, two ‘once in a hundred years’ level geniuses...”

Pfft!

Gu Kongshan’s chair didn’t sit firmly, and he fell to the ground with a “pop”.

“Father, what’s the matter with you?” Gu Hanmo quickly helped Gu Kongshan up, “Why do you fall down while sitting on a chair?”

“Cough cough...” Gu Kongshan sat back on the chair as to why he fell to the ground, needless to say, he was too shocked!

“You said that Lin Chen, who escaped, found two more ‘once in a thousand years’ and two ‘once in a hundred years’ geniuses?” Gu Kongshan asked incredulously.

“Yup!”

“The ‘once-in-a-thousand-year’-level genius, the entire human race will only produce one in a thousand years! Is Lin Chen more genius than them?”

“Well, Lin Chen is a ‘once in ten thousand years’ class!” Xu Ming said calmly.

Gu Kongshan almost didn’t sit still and fell again: “Wan... once in ten thousand years?”

Gu Hanmo also heard Lin Chen’s unusual: “‘Once in ten thousand years’ level, does the entire human race only have one in ten thousand years?”

“It’s almost like this!” Gu Kongshan said, and at the same time he looked at Xu Ming as if he was looking at a monster, but Xu Ming killed all the “once-in-a-million-year” geniuses!

“What happened later?” Gu Kongshan kept his composure and asked.

“Later...” Xu Ming said calmly, “The five of them, while I was in retreat, set up a trap and besieged me!”

Gu Hanmo asked subconsciously again, “A trapped formation? Then how did you escape?”

“Uh... Han Mo, do I seem to be so easy to bully?” Xu Ming said speechlessly.

“Could it be that they escaped again?” Gu Hanmo was so shocked that he couldn’t help it.

“That’s not true!” Xu Ming said.

“I’ll just say it...” Gu Hanmo didn’t know what to do, but he let out a sigh of relief, “How could you kill all five of them by yourself!?”

Xu Ming glanced at Gu Hanmo with a strange expression, and told what happened: “They set up a trapped formation, which is like a cocoon! Those two ‘once in a thousand years’ and two ‘once in a hundred years’ were killed by me on the spot. Defeat! As for Lin Chen... Damn, after my strength breakthrough, my speed was no slower than his; I didn’t expect that he used a forbidden technique and ran away!”

“Er...” Gu Kongshan and Gu Hanmo looked at each other, and they were so shocked by Xu Ming that they were numb.

“However,” Xu Ming said again, “Want to escape in my hands? How is that possible!”

“Could it be that you caught up with that Lin Chen’s forbidden technique?” Gu Kongshan asked in shock.

“That’s not true!” Xu Ming said, “So what, didn’t I get an array plate during the Dao Fate War? I took the array plate directly, ran to the exit of the Dao Fate War, and set up an illusion. Block the exit! Then Lin Chen, if he can’t pass the exit, he won’t be able to win the battle! Haha!”

“Cough cough...” Gu Kongshan coughed twice ~www.readwn.com~ weakly and asked, “You blocked the exit? How do the other geniuses get out?”

“Other geniuses? Without my permission, none of them can get out!” Xu Ming said proudly.

“What level of formation did you set up?” Gu Kongshan’s numb face had a look of horror.

“The Taoist-level formation! It was only arranged with the help of the formation plate!” Xu Ming said, “Those geniuses were blocked by me at the exit, and then I began to collect tolls from them...”

“...” Gu Kongshan and Gu Hanmo really didn’t know what to say, but they still blocked other geniuses to collect tolls... This is the “very easy” journey of the battle of Taoism in Xu Ming’s mouth?

If Xu Ming is considered “not easy”, what about other geniuses? How to describe the journey of other geniuses? difficult? Nightmare? fear? ...

“Han Mo...” Gu Kongshan looked at his daughter, “I’ll just say it, it’s completely unnecessary for you to worry about Xu Ming...”

“Well...” Gu Hanmo pondered, the next time Xu Ming goes out, she doesn’t seem to need to worry about Xu Ming, but should worry about Xu Ming’s opponent!

Xu Ming originally wanted to go on and talk about how the number one alchemist, the number one alchemist, and the number one inscription master of the human race scrambled to accept himself as a direct disciple; and how he resolutely refused. got them...

However, considering that Gu Kongshan and Gu Hanmo might have difficulty accepting such a bizarre and twisted story for a while, Xu Ming decided not to talk about it for the time being.

You still have to take care of your family’s mental health, don’t scare them off!

So, Xu Ming changed the subject: “In half a year, I will enter the ‘God Kingdom’ to practice, and I may have to stay there for a long time!”
