Chapter 431: , Prohibition Breaking

phone-reading

Stay for a long time?

Gu Hanmo's first reaction was: "How long?"

"It is said that...the longest stay will be a thousand years!" Xu Ming said, "Of course, if your strength improves quickly, you can come back from the Kingdom of God in advance! – I will try to come back as soon as possible!"

Up to a thousand years...

After Gu Han listened, he was silent for a long time.

Cultivation has no time!

However, Xu Ming and Gu Hanmo are still very young; for them, let alone a thousand years, even three or five years is a very long concept!

After a long time, Gu Hanmo suddenly raised his head and looked at Xu Ming, his eyes full of determination: "Xu Ming!"

"Han Mo?" Xu Ming also looked at her.

"Recently, I have also seen information about the 'Kingdom of God' in the classics left by the ancestors of the wild sect; I know that it is a place where countless top geniuses want to enter but cannot! It is ten or twenty times faster than cultivating in the outside world!" Gu Hanmo's expression was extremely firm, "After you arrive in the 'God Kingdom', don't always think about coming back; if you can stay there as long as possible, stay as long as possible! – As for me, I will

concentrate on my cultivation and wait for you to come back! Even if it is a thousand years, it doesn't matter!"

"Han Mo..." Xu Ming's heart trembled.

Gu Hanmo firmly said: "If the two loves last for a long time, how can they be in the morning and evening!"

A partner on the road of martial arts is different from a partner among ordinary people! Companions on the martial arts will not be fettered by each other, but will only help each other!

Just like now, when Gu Hanmo sees that Xu Ming can go to the "Human Kingdom", she will not pester Xu Ming like a little girl, but tell Xu Ming very open-mindedly – you can go! The longer you stay, the better!

Xu Ming's eyes were complicated, and he said, "The kingdom of God, the world created by the legendary gods! I will definitely not be reconciled if I don't go to see and see! – But, Han Mo! Ten years, give me ten years, I will definitely back!"

Other geniuses can take up to a thousand years to emerge from the "God Kingdom"; but Xu Ming is confident that it only takes ten years for himself!

"Don't be so sad!" Gu Kongshan laughed and laughed, "It's a great thing to be able to enter the kingdom of God! Xiao Ming, when you go to the kingdom of God, you must devote yourself to cultivation without any distractions, and take good care of cultivating in the kingdom of God. Opportunity!"

"Yes!" Facing his father-in-law, Xu Ming was naturally very respectful.

Although, this father-in-law was just shocked by himself and fell to the floor, and his image was completely lost.

"Let's talk about it..." Gu Kongshan said again, "Isn't going to the 'God Kingdom' in half a year, it's still too early! In the past six months, you guys will stay awake, ha..."

"Uh..." Xu Ming was slightly speechless.

...

A few days later, in the control room of the Wuyu ship.

“...Xiao Huang, this is all my experience in the battle of Taoism!”

The yellow-haired giant ape was dumbfounded, its eyes widened and it looked at Xu Ming:
“Brother Ming, you are... perverted!”

“Forehead...”

“Brother Ming, what is your current genius level...?”

“It’s tentatively set to be the ‘Million Grade’!”

“Really perverted...” Xiao Huang sighed again, “However, I have to admire that the old master’s eyes are vicious, and he has waited for a life-and-death friend like you!”

“Uh...” Xu Ming said, “In half a year, I’m going to the ‘God Kingdom’, and I’m going to stay there for a long time!”

Xiao Huang said: “‘The Kingdom of God’, but the biggest treasure of our human race, you must go!”

“What’s so special about the Kingdom of God?” Xu Ming asked curiously.

“The special features of the ‘Kingdom of God’... There are many!” Xiao Huang said, “Let’s not mention anything else, just comprehending the way of heaven, comprehending in the ‘Kingdom of God’ is much easier than comprehending it in the outside world!”

“Is there such a thing?” Xu Ming exclaimed.

It is much easier to understand the way of heaven, this is definitely a good place!

“But...” Xiao Huang said again, “Remember, the most important treasure in the ‘Kingdom of God’ is the ‘Chaos Stone Carving’!”

“Chaos Stone Carving?” Xu Ming obviously hadn’t heard of it, “What is that?”

“The chaotic stone carvings contain the complete heavenly way!” Xiao Huang said, “Brother Ming, you are now tentatively rated as a ‘million year’ level, so there must be many opportunities to comprehend the chaotic stone carvings! Be sure to make good use of the opportunities for comprehension. , a lot of comprehension!”

“Oh...” Xu Ming remembered.

“By the way, Xiao Huang, take out the old man’s acceptance ring!”

The ring of the Kuduan old man collected all the treasures of the Kuduan old man.

However, because of the three prohibitions on the ring, Xu Ming could not open it before, so it was temporarily stored in Xiao Huang.

And now, Xu Ming has truly stepped into the Daojun level, and he can break the first prohibition!

“Yes!” Xiao Huang stretched out his furry “hand”, and in the palm of his hand was a Na ring.

Xu Ming had already refined Najie, and he directly infiltrated his spiritual power to find the first prohibition.

Just when Xu Ming was pondering how to break the restriction; the first restriction started to disintegrate automatically.

“what?”

Soon, the first prohibition dissipated invisible.

“What treasures will there be in this first part?”

Xu Ming couldn't wait to dive into his spiritual power.

“This this...”

Xu Ming was stunned by the sight in Na Jie.

The space in the first part of the ring is as large as several miles.

In this space...

Low-grade Dao stones, piled up into hills...

All kinds of Taoist pills are piled up into hills...

All kinds of inscriptions, piled up into hills...

All kinds of Taoist tools, array plates and other treasures are also piled up into hills...

Xu Ming was stunned for a long time before he could react: “A lot of treasures...”

If these treasures are converted into hanging points, they will definitely be in units of “billions”! As for whether it is billions or tens of billions, you have to exchange it to know...

“Sure enough!” Xu Ming's face showed ecstasy, “I knew that the treasures left by the old man~www.readwn.com~ could not be less!”

Why didn't Xu Ming learn to be a teacher? Why can you resolutely reject the various inducements of the three powers? -Is it because Xu Ming really “can't be promiscuous”?

Do not!

It was Xu Ming who didn't like that petty profit!

You must know that the short-lived old man was also the elder of the palace at the beginning, and he was an extremely powerful existence among the elders! All his treasures were left to Xu Ming!

And Xu Ming, even if he became a direct disciple of the three of Tie Ning, how many treasures would he get? – It is impossible for a living master to give Xu Ming a lot of treasures!

When asked at the banquet, Xu Ming knew very well that the only advantage of his apprenticeship was to have a good backer. In addition, there is no advantage, but a lot of disadvantages and troubles!

backing? Xu Ming didn't need it.

Therefore... Xu Ming is resolutely unwilling to be a teacher!

Seeing so many treasures left by the short-lived old man now, Xu Ming felt more and more that it was a very wise decision not to be a teacher!

“Xiao Huang, is it safe in the Kingdom of God?”

Xiao Huang smiled and said, “It's very safe! It's just... geniuses often compete with each other!”

“Competition?” Xu Ming is not afraid of competing with other geniuses. His slap is used to draw geniuses!

“Then when I go to the ‘Kingdom of God’, I will take the old man's ring with me!” Xu Ming thought for a while.

The reason why he did this was that if he broke through to the Daoist level in the “Kingdom of God”, then, with the treasures sealed in the second restriction, he would not be useless.

“Okay.” Xiao Huang naturally had no objection to any decision made by Xu Ming.

“But Brother Ming, I have something to remind you!” Xiao Huang said, “Since you have entered the Daojun level, it is time to learn to create your own secret skills...”

Chapter 432: , Soulstone

“Create your own secret skills?”

“Yes!” Xiao Huang said, “Those heaven-level secret skills, demigod-level secret skills, and even god-level secret skills, although very powerful, were created by others after all! Only the secret skills created by yourself are the most suitable for you!”

“Well...” Of course Xu Ming understood this.

But... Create your own secret skills, plug-ins can't help, you can only rely on yourself; this makes Xu Ming, who is accustomed to open-hook, feel a little challenge.

But it's fun to have a challenge, isn't it?

...

In the next six months, Xu Ming did not practice much, but spent almost all of his time with Gu Hanmo. After all, after Xu Ming went to the Kingdom of God, he didn't know how long it would take to return.

Xu Ming's “off-hook” hanging up automatically stopped after raising Xu Ming's cultivation base to the limit of one step.

One step and two steps, the most essential is not the gap in cultivation, but the gap in realm!

Xu Ming's current realm has not reached the level of “Second Step Daoist”, so it is naturally impossible to mention the second step Daojun in any way – no matter how “offline hang up”, no matter how “forced leveling”, it is ” Of course they do not slaughter!”

and...

Xu Ming actually didn't want to see his cultivation level improve at all!

Because – the “theoretical hanging point” when opening the hanging is closely related to the cultivation base! Simply put, the higher the cultivation base, the more money the plug-in will burn!

At the Daojun level, the influence of cultivation on strength is already minimal; realm is the most important factor affecting strength!

And precisely, the realm and the hanging points consumed when opening and hanging have nothing to do – that is to say, if Xu Ming raises the realm to the level of the six-step Daojun, he can suppress the cultivation base to the one-step Daojun; then, he is open and hanging. , you can get a strong combat power without consuming many hanging points!

Xu Ming's next step is to suppress his cultivation – until his realm reaches the “Daoist level”, Xu Ming will always close the “offline hang-up”, and from now on, he will only understand the realm and not improve his cultivation! When will you break through Dao Zun, and then directly forcibly level up to Dao Zun!

...

Half a year is about to pass in a blink of an eye.

Xu Ming said goodbye to each of his relatives and friends, and asked Xiao Huang to protect the Wilderness Sect, and then, in the eyes of Gu Hanmo's reluctance, he left.

“Humble!”

At the end of the sky, Xu Ming said, “Wait for me to come back!”

Gu Hanmo is not only Xu Ming's concern in this world, but also the driving force for Xu Ming to work hard to become stronger – only when he becomes stronger can he give the best protection to the person he loves the most!

Xu Ming longed that one day, Gu Hanmo would be able to be with him...

Achieve the gods!

Immortal!

To realize this desire, Xu Ming needs to open the way! And “God Kingdom” is the next stop for Xu Ming to improve his strength!

In order to have a “long-lasting” relationship between the two, Xu Ming gave up the “morning and twilight” in front of him.

...

swoosh—

Xu Ming accelerated to the extreme, soaring rapidly in the sky, a hundred miles in an instant!

When Xu Ming was about 200,000 miles away from the Great Territory Teleportation Array, a figure stopped him.

“Xing Li!?” Xu Ming narrowed his eyes slightly.

In front of him, the owner of the island in the heart of the lake, Xing Li, is standing proudly in the void.

“Xu Ming, you’re finally here!” Xing Li had already made up his mind, and Xu Ming would pass by here.

“Xing Li, what do you mean? You dare to stop me?” Xu Ming was a little surprised – in his opinion, with the strength he showed in the Dao Fate Battle, Xing Li should not have the courage to provoke him!

After all, Xu Ming’s strength is considered to be relatively strong among the half-step Taoist priests; and Xing Li is only a very ordinary half-step Taoist priest.

Xing Li stopped himself?

Looking for abuse?

“Xu Ming, it’s time to settle the grievances between you and me! Today is your day of death!” Xing Li suddenly crushed an oval stone, and the aura on his body rose sharply...

Ordinary Half-foot Daozun...

Half-step Dao Zun peak...

Half-step Dao Zun limit...

boom!

Xing Li’s aura has directly entered the real Daoist level!

“What kind of treasure is that oval stone?” Xu Ming could of course see that the reason why Xing Li was so strong was that the oval stone was playing tricks.

“Xu Ming—” Xing Li’s face was ferocious, and the whole person’s aura was like a raging flame, “I paid a huge price to kill you! I’m afraid I will become weaker after using this Soul Burning Stone. It will take ten years to recover; even Shouyuan will be greatly reduced – so, give me death!”

boom! !

Xing Li rolled over in a mighty manner.

“Damn it!” Xu Ming didn’t dare to underestimate the enemy at all, holding the real dragon spear, the plug-in was instantly activated, and his strength soared to the extreme.

The long spear turned into an angry dragon and greeted Xingli aggressively – the real dragon spear has the potential to be upgraded. With Xu Ming’s large amount of resources, it has grown into a top-quality Taoist weapon!

boom!

Under the terrifying collision, Xu Ming was directly... blown away without any resistance!

“This...” Xu Ming had panic in his eyes, and his mouth was uncontrollably spurting several meters of black blood, “This is the strength of Dao Zun!?”

You must know that Xing Li was only temporarily promoted to Dao Zun by special means~www.readwn.com~ to have such a strong strength! So, how strong should the real Taoist be?

“Stop struggling, Xu Ming!” Xing Li rushed forward like lightning, “The power of the Daoist level is not something you can resist!”

boom! !

Xing Li's second blow is even more powerful!

“Damn it!” Xu Ming knew that if he blocked this blow, the price would be enormous!

but...

Xu Ming didn't plan to take it hard at all.

Swish!

As soon as Xu Ming's hand changed, he turned into an attacking talisman.

“That's... Dao Talisman?” Xing Li was slightly startled, but he didn't pay much attention to it, “Che, how powerful is Xu Ming's Dao Talisman?”

Xu Ming's Dao Talisman is indeed not very powerful, it is only a Daoist Talisman at the half-step Daoist level. But... Xu Ming has dozens of them, right?

“Go to me!”

Xu Ming directly smashed the entire Taoist Talisman at Xing Li.

rumbling...

Suddenly, an incomparably gorgeous firework bloomed in mid-air.

Xing Li was immediately stunned!

Although he relied on the Soul Burning Stone to forcibly raise his strength to the Daoist level, but at the same time dozens of half-step Daoist-level attacking Dao Talismans smashed over him, he couldn't stand it!

Although this Dao Talisman did not kill him, it was enough for him to suffer!

“You...” Xing Li was so angry, “I didn't expect you to hide such a large amount of attacking talismans that even I was overshadowed by you! – Now, the talisman is gone, I want to take a look, What other means do you have!”

Xu Ming smiled strangely, making Xing Li horrified: “Is the Taoist talisman gone?”

In the old man's holding ring, there are still several hills piled up there with attacking talismans like this!

Chapter 433: , Throw Money

“why are you laughing!?”

Xing Li's scalp was numb from Xu Ming's laugh, and he couldn't help shouting.

“Hehe!” Xu Ming stretched out his hand, and another attacking talisman appeared in his hand.

“So there are Dao Talismans...” Xing Li sneered disdainfully, “If this is what you rely on, then you will be disappointed! – This level of Dao Talisman can threaten me, but if you want to kill me... it’s not enough. Far!”

“Really?” Xu Ming smiled slightly.

“Hmph! Just keep being arrogant! When you finish throwing this Taoist charm, I see how arrogant you are!” Xing Li sneered and killed him again, obviously trying to force Xu Ming to throw the Taoist charm.

boom!

How terrifying the momentum of the Daoist level!

This time, Xing Li was even more imposing; Xu Ming felt that it was as if the whole world was oppressing him—this was the pressure of Dao Zun!

“Either throw out the Dao Talisman, or... just die!” Xing Li was very confident!

His whole body was full of ferocious blood.

“Uh...” Xu Ming thought to himself – how cheap! He even begged me to hit him with a Dao Talisman...

“Since you are looking for a lottery, then I will satisfy you!”

Whoosh!

Xu Ming was not stingy, and smashed another Dao Talisman!

Each of the half-step Taoist-level attack talismans is equivalent to the full-strength strike of an ordinary half-step Taoist! A handful of dozens of them are smashed together, and the power is superimposed, enough to threaten the real Dao Zun!

rumbling...

Another gorgeous fireworks bloom.

This time, even though Xing Li was prepared, he was still unkempt and had no mastery at all.

“You...” Xing Li was slightly surprised, “You actually threw out all the Dao Talismans? – Haha, now, I see what tricks you can do! Die with peace of mind!!”

Xu Ming felt that Xing Li’s smug look was very similar to Wang Zhan who deceived his opponent when he was “fighting the landlord”.

“What is that?” Xu Ming raised his brows and sneered, “Who told you that I threw out all the Taoist Talismans?”

“Huh?” Xing Li was startled, “Don’t you still have!?”

“And... a little bit!” Xu Ming smiled sinisterly.

“A little bit?” Xing Li couldn’t help but smile easily, with an expression of “it’s true”, “I’ll just say, the half-step Dao Venerable attack talisman is extremely precious, how could you have a lot of it! It’s just that’ A little bit’, then, is far from enough to save your life!”

“Well...” Xu Ming smiled noncommittally, “Maybe...”

Xu Ming said a little bit, but it’s true... There are many “points”!

“Come on! Throw out all your little Dao Talismans!” Xing Li once again pounced with his teeth and claws.

“Throw it all out?”

If you really want to throw them all out, don't just blow up Xing Li to the point where not even the **** is left! Moreover, Xu Ming certainly couldn't waste too many attacking talismans on mere Xing Li!

"I'll smash it one by one!" Xu Mingjian laughed.

"Smash it! Smash it!" Xing Lihao said angrily.

"Hey... I really don't know whether to live or die..." Xu Ming looked at the "Dao Talisman Mountains" in the Najie, and then looked at Xing Li, who was arrogant, silently, took out another Dao Talisman and smashed it.

boom! !

Xing Li was bombed to the point of being ragged and extremely embarrassed.

But Xing Li was still there laughing: "Hahahaha... Is it gone now? If it is gone, you will die!"

"Wait!" Xu Ming shouted, "I'm sorry, there's more!"

boom! boom! boom! ...

This time, Xu Ming smashed five Dao Talismans one after another!

Gorgeous fireworks bloomed one after another in mid-air.

"Pfft!" Xing Li was blasted to the point of vomiting blood, and he looked at Xu Ming with a bewildered expression, "Is this what you said and 'a little bit'?"

"No!" Xu Ming said, "Of course it's not 'a little bit' here! It's... a little bit of a little bit!"

"Pfft!" Xing Li vomited blood again and rushed towards Xu Ming desperately – he found that Xu Ming could not continue to smash like this.

If you continue to smash it, even if you have the strength of Dao Zun temporarily, I am afraid that you will be seriously injured by being smashed alive.

“Death!” Xing Li decided that this time, even if he carried a few Taoist Talismans, he would approach Xu Ming and kill Xu Ming!

"I'm relying on it? The momentum is so fierce?" Xu Ming was slightly surprised.

However, was Xu Ming frightened?

swoosh—

While Xu Ming flew back, he smashed out another Dao Talisman.

boom!

This dao talisman hit Xing Li's face, and smashed Xing Li... very splendid!

“Humph!” Xing Li was furious, took the shot, and continued to advance.

“Yo? You’re still excited!” Xu Ming was stunned for a moment, then sneered, “I want to see if it’s your skin that is solid, or my talisman!”

Xu Ming was enraged, and suddenly—

[illegible]

“I... shit!!” The Dao Talisman hadn’t been hit yet, but Xing Li was so frightened that he was stunned, “Nima! How can someone smash Dao Talisman like this?—a dozen! Hundreds of Dao Talismans! Just like you don’t want money, you just smashed it over here!?”

Even Xing Li felt distressed for these Dao Talismans smashed over! He felt that Xu Ming was not throwing Dao Talismans, but... throwing money!

“I’m going!”

Hundreds of Dao Talismans at a time, Xing Li certainly did not dare to carry it without thinking! He was so frightened that he quickly stopped his body and tried his best to resist this wave of Dao Talisman!

But...

Hundreds of Dao Talismans can be easily blocked?

boom! boom! boom! boom! boom! ...

After a large wave of gorgeous fireworks, Xing Li’s whole body was blown up.

“You...” At this moment, how could Xing Li still be so arrogant?

Xing Li, who was in a mess, looked at Xu Ming in a daze: “Is your Taoist talisman free of money?”

“Humph!” Xu Ming smiled arrogantly, “Brother Ming, I have a lot of Taoism and self-willedness, what’s wrong?”

“You...” Xing Li felt provoked and humiliated, and immediately shouted furiously, “I don’t believe it, how many Taoist Talismans do you still have! – Die!!”

boom!

On Xing Li, the tyrannical and unparalleled Dao Zun aura once again surged! In this momentum, there is even more murderous intent!

“Oh, how dare you come up!?” Xu Ming smiled disdainfully, his palm facing upwards.

Immediately, in his palm, a few feet high... attack talisman was stacked on it!

It is estimated that there must be a hundred of this big Dao Talisman!

A hundred?

Thousands of Dao Talismans?

Xing Li was so shocked that a pair of eyeballs bulged out – if this hit him, would it still be great?

“Nima, don’t play like this!”

Xing Li didn’t have time to think, where did Xu Ming get so many Taoist talismans; he quickly stopped, turned around and ran away!

escape?

Xu Ming couldn’t help sneering—wasn’t he arrogant just now? Why did so many Dao Talisman scare you away?

and...

Brother Ming, do you come here if you want to, and run away if you want to?

“Humph!” Xu Ming casually looked into Na Jie, and found a “snapshot” one-time array plate from the hill where the array plates were piled up.

“go!”

Xu Ming directly crushed the formation plate, and suddenly, a half-step Daoist-level trapped formation came instantly!

“Hey—” Xing Li’s face was ashen, “Why do you have an instant formation?”

Of course, it was not difficult for Xing Li to break through the half-step-level entourage. But the problem is... before he can break through the trap, Xu Ming can smash him into a dog with thousands of Dao Talismans in his hands!

“Flee! Keep running!” Xu Ming smiled wickedly, and he weighed the big Dao Talisman in his hand. la

Chapter 434: , Note Jade

&xiaoshuo “Ming... Brother Ming...” Xing Li exclaimed flatteringly.

Xu Ming smiled: “Now you know it’s called ‘brother’? It’s too late! Let’s taste this Taoist talisman first!”

“Don’t! Don’t! Don’t!” Xing Li shouted in horror, and hurried to break the formation.

Xu Ming ignored his begging for mercy, without saying a word, he directly smashed the whole pile of thousands of Taoist talismans.

Don’t ask Xu Ming why he is so extravagant – rich and willful!

There are several “Dao Fu Mountains” piled up in the ring, just take out a few bundles and play with it, what’s the matter?

For Xu Ming, it was really just playing around; but for Xing Li, it was a life-threatening situation!

At this time, Xing Li’s mood is really ***** up! – Damn it, how can anyone throw Daoist Talismans like this? Even if you are really rich, you can’t play like this!

boom!

Under Xing Li’s desperate efforts, almost instantly, he broke through the trapping formation of the half-step Dao rank. Only at this moment... Xu Ming’s large stack of Dao Talismans also smashed over...

“No—” Xing Li’s eyes widened in horror.

Then, watching helplessly, thousands of Dao Talismans smashed into him, and...detonated in an instant!

boom! ! !

An incomparably gorgeous super-large “firework” that blooms instantly!

Small but dense black cracks even exploded in the central area of the “fireworks”; every black crack exudes a ferocious and terrifying aura, as if it can devour everything! —Space... was blasted!

And these tiny black cracks are the “cracks in space”!

However, the space of the Endless Continent is very stable; the space crack only flashed for a very short moment, and the space naturally recovered and healed.

Even the space was blasted, so, of course, Xing Li, who was at the center of the explosion, would not feel well.

“puff...”

Xing Li spurted blood again and again, and his whole body suddenly weakened, and there was no more blood on his face.

“You...” Xing Li looked at Xu Ming with fear and anger.

He really, never met such a... rogue opponent. Doesn’t this make it clear that he is bullying others by relying on his own Taoism?

bully?

right! Brother Ming is just bullying you, what’s wrong?

“Where did you get so many Dao Talismans?” Xing Li asked in shock and fear.

Xu Ming just smiled lightly: “Do you serve it?”

So arrogant!

Xing Li couldn’t bear it anymore, and said with a ruthless expression: “Now, you don’t have a Taoist Talisman, right? And I, although seriously injured, is more than enough to deal with you! – So, don’t care how arrogant and arrogant you are... Now, it’s you It’s time to die!”

“Wait!” Xu Ming shouted.

“What? Do you still want to say your last words?” Xing Li sneered.

“Last words? No, no, no!” Xu Ming smiled playfully, and said in deep thought, “I’m just curious about one thing...”

Strange thing?

Xing Li was startled: “What’s the matter?”

“That’s it...” Xu Ming jokingly smiled, “Why do you always think that I don’t have a Taoist Talisman anymore!?”

“Huh!?” Xing Li’s expression changed, “Could it be that you...”

“That’s right! A little more!”

“It’s okay, it’s just ‘a little bit’...” Xing Li was about to breathe a sigh of relief when he suddenly thought – oh, I’m going, that’s not right! Just now, Xu Ming seemed to say “there’s still a little bit”, but he moved out a big pile...

“Is it possible...” Xing Li’s face gradually became extremely terrified, “Can he still take out a big pile?”

If that's the case, Xing Li might be smashed to death by the Dao Talisman!

“Impossible! He can never have so many Dao Talismans!”

And then... in Xing Li's unbelievable, infinitely frightened eyes...

Swish!

Xu Ming directly took out the top ten stacks—that is, tens of thousands of Dao Talismans!

Each one is a half-step Taoist-level attacking talisman!

“...” Xing Li was speechless.

He didn't know how to use words to express his feelings at this time.

Xu Ming let these ten stacks of attacking talismans float beside him; it was as if a local tyrant was full of white bills.

At this time, Xu Ming snorted and slammed the world, “Wait until the top ten piles are smashed, and... a little bit!”

“Damn it!” Xing Li no longer had the courage to fight against Xu Ming, so he ran straight away.

“Run?” If Xu Ming didn't have the confidence to keep Xing Li, I'm afraid he wouldn't be so arrogant!

Swish!

Next to Xu Ming, another stack of treasures appeared – this time, it was not a Taoist talisman, but... a trapped array!

Snapped!

Xu Ming directly crushed a formation plate, and a half-step Taoist-level trapped formation came down again in an instant.

“Instant formation, you actually have a stack!?” Although Xing Li had long been stunned, but now, he has become a stunned fighting force!

You must know that a half-step Taoist-level instant-type array plate, even if it is a real Daoist almighty, will not have a few pieces in his hand... But Xu Ming seems to be wholesale array plates, as soon as he takes it out, is a large stack.

Looking at this large stack of formation plates, Xing Li lost the heart to break the formation – what a shit, Xu Ming is obviously abusing him to play with...

“Ming...Brother Ming!” In order to survive, Xing Li lowered his noble head, “I...I obeyed! I really obeyed! I also ask Brother Ming to raise your hand and spare my life! From now on, I, Lake Heart Island, Will Weiming brother follow his lead!”

“I found out that I couldn’t beat me, so I begged for mercy?” Xu Ming smiled wickedly~www.readwn.com~ like a messenger from hell, “I’m sorry...I don’t want to leave you as a hidden danger!”

Xing Li was in a hurry: “No! Brother Ming, don’t kill me! Don’t kill me! – I’d like to give you the entire Lake Heart Island! This is a top prefecture-level force!”

“I’m not interested!” Xu Ming snorted coldly, “Besides, after you die, it will be more convenient for me to control Huxin Island! Your son will be extremely loyal to help me take care of everything!”

“My son?” Xing Li seemed to have thought of something, and his face suddenly became mad and ferocious.

However, at this time, Xu Ming’s ten stacks of Taoist Talismans had already costed money!

“Did you enslave my son...” Xing Li roared in anger and panic when he was dying;

boom! !

This time, the fireworks were gorgeous and perfect, with cruel blood. The cracks in the space that were blasted out also became thicker and more hideous!

The owner of the island in the heart of the lake, Xing Li, died and disappeared!

“Humph!” There was no pity in Xu Ming’s eyes – this Xing Li, in order to kill himself, even used the “Soul Burning Stone” at any cost; Xu Ming, how could he be soft on him! ?

There is more than enough to die!

As soon as Xu Ming waved his hand, he took Xing Li’s acceptance ring into his hand.

In an instant, Xu Ming refined Najie and looked at it – although Xu Ming’s current net worth might not be able to see Xing Li’s little fortune; but, no matter how small a mosquito is, it’s still meat, isn’t it?

And, what if there is a surprise?

It’s a pity that Xing Li’s collection ring is full of ordinary things; Xu Ming searched it over and over, but he didn’t find any treasures that would surprise him.

“Small hanging, turn it all into hanging points!” Xu Ming said casually.

But at this time, Xiaohang said: “I found a jade slip of notes, and the causal fluctuations between it and the host are extremely strong, I strongly recommend reading it!”

Chapter 435: , Purple Moon Holy Land Secret Order

“The Jade Slip, a chronicle with strong causal fluctuations between me?”

Xu Ming was surprised.

The fluctuation of cause and effect is extremely strong, which means that the content recorded in the jade slip is very important to Xu Ming.

“Could it be that Xing Li recorded something about me in the jade slip?”

Xu Ming quickly found the simple and simple jade slip from the ring.

hum—

His spiritual power penetrated directly into the jade slip; but immediately, he was blocked by a layer of special energy.

“I’m going, this memoir jade slip has a ‘password’ on it!”

This layer of special energy is not strong, and Xu Ming can easily break it open; but Xu Ming knows that if it is broken, then the content recorded in the jade slip will also be destroyed.

“Xiaohang, help me untie the jade slip!”

“Need to hang up...”

“untie!”

hang up?

Stupid little hanging, even mentioning “hanging point” to Brother Ming? Don’t you know that what Brother Ming lacks most now is hanging points?

Bang!

It’s easy to break a “password” when the little hang out. The special energy inside the jade slip instantly shattered like a bubble; Xu Ming’s spiritual power drove straight in without any barriers.

“Xing Li seems to have recorded important events in his martial arts career in this journal jade slip... Is there anything about me in it?”

Xu Ming casually looked at:

“September 18, XX year: Master praised my martial arts talent is very good, there is no small possibility to step into the spiritual realm in the future, no matter how bad it is, I can still have a condensed pill realm... Hmph! All the people in the family who have bullied me will one day, I will step on your face!”

“December 3rd, XX year: Miao Zihan, you actually broke the marriage contract between us and went to marry someone else... You will regret what you did, for sure!”

“The fifth day of March in XX year: I won the championship in the clan meeting, and the senior clan members were all shocked. However, stupid clansmen, I will no longer have any interaction with you mortals. Immediately, I will join Huxin Island. ,Ha ha ha ha...”

Keep watching, it's all Xing Li's amazing performance on the island in the heart of the lake, crushing other geniuses all the way, making great progress, marrying Bai Fumei, reaching the pinnacle of life, and then revenge and slap in the face, bang bang bang...

“The sixth day of the sixth month of the XX year: what a good day, I broke through to Daojun...”

“August 22nd, XX: The deadline for the owner of the island is approaching, and I will take over as the new owner of the island in the heart of the lake, and tell me a secret...”

Seeing this, Xu Ming was shocked; he saw that the next content was about... How the Wilderness Sect went to decline...

He continued watching:

“...The Wilderness Sect, under the secret targeting of the Ziyue Holy Land, has quietly become an ordinary prefecture-level force, and has flowed into the territory of my Lake Heart Island... The Purple Moon Holy Land has secret orders, and the previous island owners of the Lake Heart Island

must secretly suppress the Wilderness. Sect, we can't give the Savage Sect a chance to re-emerge..."

In the secret order of the Purple Moon Holy Land, it is very clear: just suppress, do not destroy the door.

After all, the Wild Wilderness Sect was once a holy place, and if it were really destroyed, I am afraid that the Asking Palace would be outraged. And if it declines, there is still a line of inheritance left.

"Huh!?" The more Xu Ming looked, the more angry he became. "No wonder the Wilderness Sect has never been able to rise. It turns out that the previous island owners of Huxin Island would secretly suppress the Wilderness Sect..."

What made Xu Ming even more angry was the Purple Moon Holy Land!

Why does Huxin Island suppress the Wilderness Sect? It was because of the secret order of the Purple Moon Holy Land!

Xu Ming continued to scroll down:

"July 23rd, XX year: The genius of the Wilderness Sect, Xu Ming, has risen rapidly and must be suppressed! I heard that he was getting married on the eighth day of the eighth month, and I sent Xing Tianyun to make trouble..."

"What!?" Xu Ming was shocked.

It turned out that the real intention of Xing Li sending Xing Tianyun was to suppress himself! Even Xing Tianyun didn't know about this.

Soon, Xu Ming saw the end of the Jade Slip:

"...Xu Ming's performance in the Dao Fate Battle was so unbelievable that he even disturbed the dark guards in the Purple Moon Holy Land! The dark guards gave me the Soul Burning Stone to kill Xu Ming..."

...

After reading this jade slip of notes, Xu Ming suddenly understood a lot of things – there is no doubt that the reason why the Wild Wilderness Sect has fallen from the former holy land to a yellow-level force; all of this is because the Ziyue Holy Land is behind the trouble.

“Why does the Purple Moon Holy Land keep targeting the Wilderness Sect in secret?” Xu Ming couldn’t help thinking.

It stands to reason that since the Purple Moon Holy Land has replaced the Wilderness Sect and become the new Holy Land, there is no need to continue targeting the Wilderness Sect! But in fact, Ziyue Holy Land has been making small moves in private.

Moreover, Xu Ming also speculated that the small movements of the Purple Moon Holy Land were carried out very secretly! It’s so secretive...even the elders of the Purple Moon Holy Land may not know about it; only the “Dark Guard” and the previous island owners of Huxin Island know about it.

Purple Moon Holy Land, why do you do this? What’s the benefit of doing this?

Xu Ming couldn’t figure it out for a while.

but!

However, Xu Ming remembered the “care” of Ziyue Holy Land for the Wilderness Sect!

“Purple Moon Holy Land...” Xu Ming had no fear, but his eyes burned with fighting intent.

For the current Xu Ming, the Purple Moon Holy Land is indeed an unshakable behemoth!

Not to mention the leader of the Purple Moon Holy Land, he is very close to the existence of the 12th Palace Master of the Asking Palace; even the bunch of elders in the Holy Land are all Daoist-level masters!

Compared with the Purple Moon Holy Land, Xu Ming is simply a weak little ant!

but...

Even if it is an ant, it is an ant that is open and hanging!

With other geniuses, facing such a behemoth as the Ziyue Holy Land, I am afraid that I will be desperate, and I will not have the courage to fight against it... But Xu Ming is very firm!

“Purple Moon Holy Land... just wait! One day~www.readwn.com~ I will come to find out the truth and take revenge! Besides, this day will not be too far away...”

In Xu Ming’s heart, the Wilderness Sect was his home in this world!

And the Purple Moon Holy Land dared to harm his family, could Xu Ming bear it?

Can’t stand it!

“I don’t know... Does the sect master know that the Purple Moon Holy Land is behind the scenes...” Xu Ming pondered secretly, “Forget it, I should not mention this matter to the sect master for the time being! After all, even if I mention it, it can only be added to him. It’s just troubles... Purple Moon Holy Land is not something we can deal with at this stage!”

“It’s better to improve your strength as soon as possible!”

Xu Ming looked for the direction of the Territory Teleportation Array, and went straight away.

...

Soon after Xu Ming left.

Just near the place where he fought just now, a little golden mouse stuck out a small head from the soil.

This golden-devouring rat with six-step Daoist cultivation base rolled his eyes: “I didn’t expect that I was lurking here, and I happened to see such a wonderful battle! I didn’t expect that Xu Ming had so many treasures. , smashed Xing Li to death!”

“This Xu Ming’s talent is really good! It’s just that he is too arrogant... He refused to worship Tie Ning and them as teachers!”

The Golden Rat did not know how to find out what happened at the banquet.

“But... count his fate! It was his arrogance that saved his life!” The Golden Rat said secretly, “If he is not arrogant, but is a direct disciple of Tie Ning and others, then I am sure At all costs, use ‘sacrifice’ to kill him!”

“As for now... an arrogant genius, it’s not worth sacrificing myself!” The Golden Rat spent a lot of money to sneak into the territory of the human race. Its life is very precious!

Chapter 436: , Destined To Go Not Far

The Asking Palace, which is more than one million zhang tall, is a behemoth standing between heaven and earth. novel

There are countless rays of light, like countless snakes, wandering around the outer wall of the majestic palace.

The “Swimming Snake” is divided into nine colors, representing nine different laws of heaven. The golden way of heaven, the red way of fire, the way of purple thunder...

These “travelling snakes” seem to be very small; but in fact, this is because... the Asking Palace is so magnificent!

In comparison next to the million-zhang palace, everything will appear insignificant! In fact, each “swimming snake” is tens, hundreds or even thousands of zhang long; the smallest “swimming snake” is comparable to a train!

The long and thick rays of light condensed by the Heavenly Dao can be imagined! Even if it is only the weakest of them, it is probably more powerful than the tens of thousands of attacking talismans thrown by Xu Ming!

At this time, more than a thousand figures gathered at the huge gate, which seemed particularly insignificant.

These more than 1,000 people are the geniuses who are preparing to go to the “Kingdom of God”, as well as great powers such as Zhan Wuwei.

“Humph!” A dissatisfied voice resounded in the crowd, “That Xu Ming is really big enough to call us more than 1,000 people, standing here stupidly waiting for him!”

The one who spoke was the genius “He Xing” from the Holy Land of Evil Underworld.

His senior brother “Yan Hao” also snorted coldly: “That’s right, this Xu Ming is too arrogant! – We people, wait for him to forget it; but doesn’t he know that there are also all the leaders of the Taoist Palace? Can we wait for him together?”

The Evil Underworld Holy Land and the Purple Moon Holy Land have always had a close relationship. The two deliberately amplified their voices to say that Xu Ming was not, and it was nothing more than to arouse Zhan Wuwei and other great powers and dissatisfaction with Xu Ming.

Zhan Wuwei and other great powers did not show any emotion on his face.

However, the inspector Yi Tianxing present was a little displeased: “Isn’t the time to leave yet? Why are you two less patient than us? – We can all wait, can’t you wait? ?”

He Xing and Yan Hao were reprimanded by Yi Tianxing, but they did not dare to speak again.

At this time, Zhan Wuwei’s eyes suddenly shot into the distance: “Here!”

Sure enough, not long after, Xu Ming flew over quickly.

“Brother Xu Ming is here!” Chi Xue was surprised. She is the only one in Piaoxuecheng who has won the battle of Daoism.

“Xu Ming.” Yi Tianxing shouted from a distance, “Why did you arrive? Did something delay happen?”

Xu Ming replied casually: “Well... I was intercepted by Xing Li on the way!”

“Xingli dares to kill you!?” Yi Tianxing glared angrily, “Did he forget my warning to him? – Fortunately, you escaped, otherwise, our human race will lose a genius!”

Lin Chen sneered and said, “Oh, you’re good at escaping! Next time you go out, remember to be like me and ask the experts from the sect to come with you; this way, it will be safer and won’t delay your trip...”

As he spoke, Lin Chen suddenly screamed: “Oh, I almost forgot, your Wilderness Sect doesn’t have any masters at all! You kid, are you the number one master?”

Lin Chen’s remarks were actually mocking the Wild Wilderness Sect, who had no masters, but was just a small force that didn’t make it into the mainstream.

Yi Tianxing frowned slightly when he heard it, but he couldn’t scold him like he just did. After all, Lin Chen is a “ten thousand grade” genius, and his identity is not inferior to him.

“Hey—isn’t this Lin Chen?” Xu Ming stretched out his voice deliberately, as if he had just seen Lin Chen, and said with a weird smile, “Didn’t you lose in the battle of Taoism, why are you here? — Hey? Are you here to see us off? How polite!”

Of course Xu Ming knew that Lin Chen must have bought a place to go to the “God Kingdom”. However, Xu Ming pretended not to know, and said this with a strange smile on purpose.

Lin Chen’s face immediately turned dark.

Losing in the battle of ties had already hurt Lin Chen very much; but now, Xu Ming specially sprinkled salt on his wound.

Lin Chen only felt a pain in the **** – why should I have nothing to do and mock Xu Ming? Isn't this putting his face up and begging Xu Ming to humiliate himself?

And Xu Ming is also very generous – since Lin Chen has put his face together, Xu Ming certainly does not hesitate to humiliate!

“Oh – I remembered it!” Xu Ming continued to shout strangely, “You bought the quota, right? – It's really rich! How much did you pay for it? I heard that the quota to go to the ‘Kingdom of God’ is expensive. Very good!”

Lin Chen's face became darker and gloomier – why did he fall to the point where he wanted to buy a quota? Wasn't Xu Ming's fault?

“Huh?” Xu Ming seemed to have discovered a new continent again, “Why are you and Qin Ke only here in the Purple Moon Holy Land? What about the other geniuses? Why don't you buy them a place?”

Lin Chen's face was so cold that it almost dripped with water!

Why don't you buy places for other geniuses?

I rely on, is the quota so easy to buy?

There are only two places, and it has already made Ziyue Holy Land distressed to death! Even the other two “hundred-year-level” geniuses – Gu Bowen, Yan Xue, and Ziyue Holy Land were unwilling to pay a large price to buy a place.

“Tsk tsk!” Xu Ming shook his head and sighed, “Ziyue Holy Land, it's really good to you, I bought a quota and escorted me all the way! I don't have such a good fate as you... I went to the ‘God Kingdom’ I have to fight for the quota by myself; I have to walk the way to the palace from home, and there is no one to **** me... Alas, people are more mad than people!”

Although Xu Ming sighed that “people are more popular than dead people”, but everyone heard the meaning – Lin Chen, you are a waste!

Moreover, Lin Chen couldn't refute Xu Ming's words at all – isn't everything Xu Ming said the truth?

“Haha!” Yi Tianxing couldn't help laughing, “Being escorted, how proud you are!”

There are also other greats who shook their heads and smiled: “Let others escort, this is what the weak do! The road of the strong can only be done by yourself!”

“Ha ha ha ha...”

“Humph!” Lin Chen snorted angrily, “Xu Ming, even if I am escorted, it's better than running away in a panic!”

“Fleeing in embarrassment?” Xu Ming was slightly startled, “Who fled in embarrassment?”

“Oh, you're still stubborn!” Lin Chen sneered, “As far as I know, Xing Li's strength is relatively strong among the Half-step Dao Zun! And you ~www.readwn.com~ are also defensive. That's all! – Oh, you must have relied on your own defense to escape from Xing Li's men!”

“Sorry for disappointing you, you... guessed wrong!” Xu Ming smiled lightly, “On the Endless Continent, there will no longer be a character like Xing Li!”

what! ?

The great powers and geniuses around were all stunned.

What Xu Ming meant was... Xing Li, dead?

But... Isn't Xu Ming better at defense? In terms of attack, it seems to be at the level of six-step Daojun, not half-step Daoist yet, right? —Xing Li is an old-fashioned half-step Taoist! Even if you can't beat Xu Ming, you can't even escape, right?

Everyone is very strange, how did Xu Ming kill Xing Li?

Of course they couldn't imagine that the killed Xing Li also used the Soul Burning Stone to raise his strength to the real Daoist level!

"Oh?" Zhan Wuwei gave Xu Ming a slightly surprised look, and said to himself, "It seems that this kid has some hidden cards! His strength is probably much stronger than I imagined!"

Lin Chen was stunned for a long time before staring at Xu Ming angrily: "Humph! I admit, your strength is indeed very strong! However, you are only using some special means to temporarily improve your strength! – Relying on means to improve your strength, this is just a narrow path on the road of martial arts; a true genius is disdainful!"

Lin Chen arrogantly said: "Real geniuses will be obsessed with understanding the Tao of Heaven! – Only by improving the perception of the Tao of Heaven is the road to the road of martial arts!"

"And you—" Lin Chen snorted disdainfully, with a strong sense of pointing the country, "You have strength, but you only have the understanding of Heavenly Dao! This shows that your understanding is very limited! You are on the road of martial arts, It is also destined to not go far!"

Chapter 437: , Tear The Void

"Forehead..."

Xu Ming looked at Lin Chen in astonishment, and thought to himself: Where did this stupid X come from?

You must know that Lin Chen's genius level is only "10,000 years" level; while Xu Ming is tentatively designated as "million years"!

A genius of "10,000-grade", pointing to a "million-grade" genius – your understanding is limited! You have no future!

This picture is really weird how you look at it!

Zhan Wuwei couldn't take it any longer, he was really shocked by Lin Chen's stupidity – after all, he was the only one who knew Xu Ming's genius level among so many people present. Please search () to see the most complete! fastest updated novel

However, Xu Ming's genius level is a secret, and it is inconvenient for Zhan Wuwei to say it directly, so he can only change the subject: "Cough! Now that everyone has arrived, let's go!"

"Humph!" Lin Chen snorted stupidly, "Look, although I'm not as strong as you now, but my realm is higher than yours and my understanding is stronger than yours! Soon, my strength will catch up with you, and even left you far behind! – I want you to know that Tiandao's understanding of this noble avenue is not something that you can compare with the crooked and evil way you use special means to improve your strength!"

Xu Ming glanced at Lin Chen, and suddenly smiled brightly – so cute and silly!

However, of course Xu Ming would not argue with a foolish X; he would only use his strength to shut up the other party and blind the other party's eyes.

At this time, Zhan Wuwei suddenly flew into the air: "The Kingdom of God, you can't go there by teleportation, so everyone, let's go on my boat..."

"By boat?"

I saw Zhan Wuwei wave his hand—

boom!

A battleship as long as a hundred feet appeared out of thin air in mid-air.

"This is...?" Many geniuses were surprised.

"Hey hey! High-end, high-end warships, right?" Zhan Wuwei said ostentatiously.

He is this kind of bright and showy character, and he didn't ask about the majesty that the elders of the palace should have. Every time he takes people to the kingdom of God, he always has to show off his battleship.

These more than 1,000 geniuses have never seen such a high-end treasure, and they are all amazed.

“Exalted weapon? Or a battleship?”

“hiss-”

“It’s harder to make a top-grade exalted weapon than a hundred other top-grade exalted weapons!”

“Isn’t this nonsense! After all, the volume has already been placed here, and the materials used are also many times more than those used to refine other noble weapons!”

“The value of the top-grade venerable-class warships is comparable to that of other semi-artifacts, right?”

“I’m afraid it won’t stop!”

Even some great powers have envy in their eyes.

“If I had a battleship like this, it would be much safer in the Eternal Demon Pit!”

Immediately, another great expert sighed: “Yeah! It’s because I don’t have the highest-quality exalted warship, I dare not go to many places in the Eternal Demon Pit!”

Zhan Wuwei was very satisfied with everyone’s amazed expressions, this was exactly what he wanted to see!

However, Zhan Wuwei still said very “humbly”: “This superb warship is a coincidence, and I got it in the Eternal Demon Pit! It’s a pity... It’s a pity that it is not a semi-artifact-level warship, otherwise, it will be in Eternal Demon Pit. , I can really walk sideways!”

Above the Taoist artifact is the Venerable Artifact, above the Venerable Artifact is the Semi-God Artifact, and above the Semi Artifact... is the Legendary Artifact!

“A semi-artifact battleship?” Xu Ming thought indifferently – I have one, parked at home!

Of course, Xu Ming will not be as “low-end dazzling” like Zhan Wuwei.

“Come up!” After showing off, Zhan Wuwei shouted at the geniuses below.

Whoosh! Whoosh! Whoosh! Whoosh! ...

Suddenly, more than a thousand figures rose into the sky and stood on the deck of the ship.

“Okay, let’s go!” Zhan Wuwei laughed loudly.

Geniuses such as Xu Ming were all curious about where the “Kingdom of God” would be? Can’t pass by teleportation array, but can pass by boat?

Just when the geniuses were curious and doubtful, Zhan Wuwei walked to the front of the battleship. With a single palm in the shape of a knife, he gently stroked the void in front of him.

hiss-

I saw the calm void a hundred miles ahead, like a piece of cloth cut by scissors, and a pitch-black crack that was dozens of miles long was torn out.

wow—

A ferocious and terrifying aura instantly swept over and oppressed.

“That’s...” The geniuses were stunned, “Space cracks!?”

Dozens of miles of space cracks?

Xu Ming was also shocked.

You know, he used thousands of half-step Dao Venerable Dao Talismans to blast together, and only blasted out a space crack as small as a spider web.

As for Zhan Wuwei, with just a single stroke, the entire void was torn apart without any resistance!

The strength of Zhan Wuwei's strength can be imagined!

and...

The crack in the space that Xu Ming blasted with the Dao Talisman healed in an instant. And the tens of miles of space crack in front of me, trying to close, seems to be supported by an invisible force and cannot be closed – needless to say, it must be another means of Zhan Wuwei!

Space, in Zhan Wuwei's hands, can only be kneaded!

“Is this the power of the Taoist master?” Xu Ming was horrified.

The gap is too big... so big that he can't even see how big the gap is between himself and Zhan Wuwei!

“The location of the ‘God Kingdom’~www.readwn.com~ is located in the deepest part of the space crack, and it can only be reached by tearing the space!” Zhan Wuwei said, “I’m about to drive into the space crack, so hurry up and hide in the cabin. !”

The geniuses hurriedly hid in the cabin.

rumbling—

The battleship started to accelerate slowly, rolled over the void, and rushed towards the space crack.

Zhan Wuwei stood proudly at the forefront of the battleship; the terrifying space crack, to him, was like a breeze blowing across his face.

Suddenly, a teasing smile flashed on Zhan Wuwei's face; his voice sounded directly in the hearts of every genius: “By the way, I forgot to remind you that after entering the space crack, it may be more uncomfortable, you have to support a little bit. !”

Might be more uncomfortable?

All the geniuses were startled—what do you mean?

Can't see the outside world in the cabin, suddenly—

boom! !

An invisible pressure as heavy as a mountain suddenly pressed down.

“This is...!?”

This coercion directly suppresses and bombards the soul.

Some geniuses with weak strength and weak willpower were directly stunned by the bombardment, and immediately fell to the ground.

“This is called ‘it may be uncomfortable’!?” Almost all geniuses changed their faces suddenly.

Xu Ming's expression changed slightly, but for him, this pressure was not too hard to bear, it was nothing more than feeling a little tight in his chest.

“It seems that the ship should have entered the space crack!”

Xu Ming guessed right, the ship has indeed entered the space crack. And the coercion under this sudden oppression is the terrifying power of the space crack.

Outside the cabin, there was a smile on Zhan Wuwei's mouth: “The pressure of the crack in space is more than that simple! I don't know if anyone can stand to the end!”

Chapter 438: , Terrible Willpower

Inside the space crack, it is completely dark, without a trace of light.

Here, vision has lost its function, and only mental power can be used to perceive the outside world.

rumbling...

The battleship is crushing and marching domineeringly... The space debris, space wind blades, etc. in the space crack cannot cause any hindrance.

However, the invisible coercion that belonged to the cracks in space came from wave after wave of oppression.

In the cabin, many geniuses are struggling to support.

“what-”

“It feels so uncomfortable!”

The weak-willed genius has already fallen to the ground.

Chi Xue, who was beside Xu Ming, had an unsightly expression on her face, and even the slightest sweat oozing out of her forehead—her strength, after all, was too weak! It’s not easy to keep going!

Xu Ming was relieved.

He sighed, and a spiritual force spread over, covering Chi Xue and blocking the coercion above her head.

“Brother Xu Ming...” Chi Xue was a little surprised.

It is not easy to help people resist coercion, because then you will have to bear double the coercion!

“Humph! It’s just such a bit of coercion, what’s there to show off!” Lin Chen snorted disdainfully.

But at this moment-

boom!

Another wave of coercion!

And... this wave of coercion is directly superimposed with the previous wave of coercion!

Originally, these geniuses seemed to be pressing one mountain; but now, they seem to be pressing two mountains!

Twice the coercion!

Bang! Bang! Bang! Bang! ...

Suddenly, many geniuses couldn't hold it anymore and fell to the ground.

Xu Ming only felt a slight shock on the top of his head, and the pressure on his body suddenly increased a lot! – You know, he is under twice the coercion of others!

“Humph!”

Lin Chen groaned softly, and then his face returned to normal.

He couldn't help looking at Xu Ming, but he saw that Xu Ming was carrying the pressure of the two people, and he didn't even snort, obviously it was very relaxed.

“Huh?” Lin Chen couldn't help but be surprised, “What a strong willpower!”

after awhile...

boom!

The third wave of coercion strikes!

Pfft! Pfft! Pfft! ...

More geniuses fell to the ground, but this time, the sound of the ***** hitting the floor was significantly louder.

The pressure of the three mountains is over!

Even Lin Chen felt some pressure. Of course, the pressure is not too great.

Lin Chen looked at Xu Ming, but saw that Xu Ming still didn't change his face, he couldn't help but be even more shocked: "How can he be so relaxed under the pressure of the six mountains? – Impossible! He must be gritting his teeth and pretending to be relaxed. appearance!"

Pack?

Does Brother Ming need to dress up?

It's just six mountains, it's really easy!

Wave after wave of coercion pressed down...

Fourth wave...

The fifth wave...

The sixth wave...

By the time of the seventh wave, Lin Chen's complexion had already begun to change – he could no longer pretend to be calm!

During the tenth wave, there were only three people standing in the cabin—Xu Ming, Lin Chen, and Chi Xue.

Lin Chen gritted his teeth, his whole body trembled slightly, but he still held on! In his heart, there was actually a voice persuading him: “Sit down... Sit down, it will be much more comfortable!”

sit down?

Lin Chen wants to sit too!

However, as soon as he saw Xu Ming pressing down twenty mountains, he still stood still; Even if you want to sit... Xu Ming has to sit first!

“Perver! Perver!” Lin Chen wanted to scold out loud, but the terrifying coercion was so overwhelming that he couldn’t even speak!

“Twenty seats...” Xu Ming also had a hard time supporting him – there was twice as much pressure on his body!

The most relaxed in the audience was undoubtedly Chi Xue—Xu Ming helped her bear all the pressure, and she had no sense of oppression at all.

On the deck of the ship, Zhan Wuwei was bathed in coercion, like a spring breeze.

The pressure that Zhan Wuwei endured was much greater than that of Xu Ming! After all, Xu Ming was hiding in the cabin and was sheltered by a warship; while Zhan Wu Dreadnought was standing directly on the deck!

“Ten waves of coercion have all been crushed!” Zhan Wuwei secretly said.

At this point, the battleship has already driven into the very depths of the space crack; from here, the pressure will not continue to increase.

“Let me see if there is anyone standing in the cabin!”

Zhan Wuwei's mental power instantly covered the cabin.

"Huh? There are actually three standing!?" This was really beyond Zhan Wuwei's expectations.

"Who's standing?" He looked quickly.

"Lin Chen..." This was expected.

"Xu Ming..." This was also expected.

"Huh? What? Chi Xue!?" Zhan Wuwei's eyes almost popped out – Chi Xue, how could he still be standing now! ? And... looking at her appearance, it's very relaxed!

"This..."

At this time, Zhan Wuwei realized that there was no coercion on Chi Xue... The coercion that should have been borne by Chi Xue was actually carried by Xu Ming!

"What!?" This time, Zhan Wuwei's eyes really stared straight out, "One person, bear the pressure of two people!?"

"How could it be possible..." He stared blankly at Xu Ming~www.readwn.com~ such a perverted willpower..."

Even when Zhan Wuwei entered the space crack for the first time, although he could face the coercion calmly, he couldn't help others bear the coercion like Xu Ming did!

"In terms of willpower, comparing Lin Chen and Xu Ming, they are simply... scum!"

Of course, it's not that Lin Chen is too scumbag, but Xu Ming... too perverted!

"Such a strong willpower will enable him to face the difficulties in the future, no matter what kind of difficulties he encounters on the road of martial arts in the future..." Zhan Wuwei had to admire Xu Ming's strong willpower! Or, yes... Jealousy!

Yes, even Zhan Wuwei, who had almost stood at the top of the entire human race, couldn't help but feel jealous of Xu Ming.

In jealousy, there is even a trace of dissatisfaction!

“How could the willpower be stronger than I was at the beginning!”

But the facts were in front of him, and he couldn't accept it!

Suddenly, Zhan Wuwei's eyes lit up. He “sees” that a turbulent wave of space is coming; the coercion contained in this wave of space is enough to add three waves to the ten waves of coercion!

“Huh? Or...” Zhan Wuwei thought badly.

In the past, when he took the geniuses to the “Kingdom of God”, Zhan Wuwei would intentionally avoid the space wave; but this time, he went up to the space wave instead.

“I don't believe that I can't crush you!” Zhan Wuwei thought unconvincingly.

He directly controlled the battleship and crashed against the wave of space.

boom! !

The battleship crashed against the wave of space like a puddle of truck tires running over the ground.

The battleship was not affected at all, and continued to advance in a mighty manner. However, the pressure on the space wave was oppressed by rumbling.

Chapter 439: , Epiphany

Inside the cabin...

Lin Chen gradually got used to the intensity of ten waves of coercion.

“Huh...huh...” He gasped heavily, “Come on!”

Lin Chen looked at Xu Ming in disbelief: “He was able to hold on under twice the pressure of mine, he must have resorted to some special means! His own willpower can never be so strong!”

Anyway, Lin Chen wanted to compare with Xu Ming everywhere, but he couldn’t compare with Xu Ming everywhere. And once it can’t be compared, he will always say something – it must be with the help of special means, what kind of skill!

Now, Lin Chen’s only pride is probably his understanding of the way of heaven!

However, there is no doubt that his little pride will soon be completely defeated by Xu Ming!

“Humph!” Lin Chen thought angrily, “Trash that only uses special means!”

And just then-

boom! !

Another wave of coercion rolled down!

Moreover, the coercion this time is much stronger than before!

“Why?” Lin Chen’s face changed suddenly, “Isn’t there only ten waves of coercion in total? Why are there still?”

However, he didn’t have time to think about it at all!

Lin Chen had almost reached the limit of willpower, and even a little bit of coercion could become the last straw that broke the camel’s back; what’s more, this wave of coercion was worth the three previous waves!

Pfft!

Lin Chen no longer had any possibility of struggling, and fell to his knees! – That’s right, kneeling!

When others fell, they all leaned back and sat on the ground; but Lin Chen leaned forward and knelt directly on the ground.

“I...” Lin Chen was humiliated, but still stubbornly looked in Xu Ming’s direction; he wanted to see that Xu Ming couldn’t support himself and fell to his knees!

But...is this realistic?

Not realistic!

boom!

The terrifying power was oppressed, and Xu Ming couldn’t help but soften his legs and almost fell.

But, almost in an instant, he resisted firmly!

Yes, Xu Ming withstood!

A full twenty-six coercion, Xu Ming still carried it!

Chi Xue on the side only felt that at this moment, Xu Ming’s figure was so tall and stalwart...

“What!?” Lin Chen knelt down and fell to the ground.

“What!?” Zhan Wuwei outside the cabin was stunned for a long time; finally, he accepted...

Really served!

Xu Ming was able to bear it, but there were a total of twenty-six pressures!

This is already the willpower of the Taoist level!

“This son, if he can get rid of his arrogance and arrogance, his future achievements are really limitless, and he may even surpass me!” Zhan Wuwei couldn’t help but sigh.

Worst of all, there are other geniuses.

They had already sat on the ground and bowed their heads to the terrifying coercion, but they never expected that there would be a wave of stronger coercion.

Suddenly, the tears and snot of many geniuses were oppressed.

Inside the cabin, there was a mess.

Fortunately, this last wave of coercion was fierce, and it retreated quickly; unlike the previous ten waves of coercion, it was always pressing on the body.

Soon, the coercion receded.

However, Lin Chen, who was already kneeling on the ground, no longer had the will to stand up.

“Huh...” Xu Ming felt that his whole body was relieved all of a sudden; it seemed that he was no longer struggling with the pressure of twenty seats!

“Hey—” Xu Ming was pleasantly surprised, “My willpower seems to have... transformed!”

Baojianfeng is self-honed!

Xu Ming’s willpower has become more and more solid after experiencing this tempering!

...

rumbling...

The battleship is rolling forward at a high speed every moment, and I don't know how far it has flown in the space crack.

Suddenly, Zhan Wuwei's vast spiritual power detected a huge piece of land.

"It's finally here!"

The battleship directly smashed into the sky above the land, pushed aside the threads of the law of heaven that were intertwined in the sky, and drove in domineeringly.

At the same time, all the geniuses in the cabin suddenly felt light.

"The Kingdom of God has arrived!"

Zhan Wuwei's voice sounded in the cabin, and at the same time, the cabin door slammed open.

"Divine Kingdom!?" Xu Ming was full of anticipation, and walked out first; Chi Xue followed closely.

As for the other geniuses...

They have to get up from the ground first.

"Hahaha..." At this moment, a arrogant and decisive laughter came, "Zhan Wuwei, I heard that the geniuses of this Dao Fate Battle are very good, let me see what kind of heroes they are!"

"Uh... Ye Tianhun..." Zhan Wuwei was startled.

Look at what kind of handsome they are? – What does this look like, in the cabin, there were tears all over the place...

Zhan Wuwei was about to stop him, but he was still a step behind. Ye Tianhun's spiritual power had already enveloped him.

"Uh..." Ye Tianhun was stunned, "Zhan Wuwei, are you sure you didn't pick up the wrong person? Why don't you just shuttle through the cracks in the space, why is the entire cabin full of tears and snot?"

"Well..." Zhan Wuwei smiled awkwardly, "I made a wave..."

surf?

"What's the situation?" Ye Tianhun became more and more confused.

"I just bumped into the space wave..." Zhan Wuwei whispered.

"You..." Ye Tianhun was speechless, "The pressure of the space wave is so strong that you bumped into it? Didn't you mean to play tricks on them?"

But as he spoke, Ye Tianhun was surprised: "You hit the space wave, and there are still two people who are safe and sound?"

"Cough, it's a..." Zhan Wuwei corrected.

"Aren't there two?" Ye Tianhun pointed at Xu Ming and Chi Xue who were walking out of the cabin, and said, "One man and one woman!"

"Cough, what, this man, help this woman, bear all the coercion..."

"What!?" Ye Tianhun was suddenly stunned; he cleared his ears and said, "I didn't hear clearly just now, you say it again..."

It's not that he didn't hear it clearly, but he couldn't believe it!

"It's a long story..." Zhan Wuwei used lightning-like speech to voice the whole thing, "...Do you understand?"

"Uh..." Ye Tianhun's eyes widened, staring at Xu Ming and refusing to move away, "Zhan Wuwei, you mean, he alone carried twenty-six pressures...?"

"Yeah!" Zhan Wuwei replied in an unbelievable but very sure tone.

"What is this pervert called?" Ye Tianhun could only use the word "pervert" to describe it.

"Xu Ming!"

"He is the Xu Ming that Old Ghost Tie Ning and the others call him?" Ye Tianhun said in surprise, "As expected of a pervert... To even refuse to be the direct disciple of Old Ghost Tie Ning and the others, such a thing can only be done by perverts! "

...

Xu Ming walked out of the cabin~www.readwn.com~ His eyes were immediately attracted by the dense cobweb-like crystal threads in the sky.

"This is..."

These threads are the materialized laws of the origin of the Dao of Heaven!

Just one glance, Xu Ming immediately immersed himself in it, unable to extricate himself.

Zhan Wuwei and Ye Tianhun, the two rough men, looked at each other dumbly.

"Have an epiphany?"

“Looks like an epiphany...”

“It’s not like, it’s true...”

“It’s really perverted! Just glanced at the thread of the Heavenly Dao, and I had an epiphany...”

In the face of a pervert like Xu Ming, even top powers like Zhan Wuwei and Ye Tianhun would doubt life.

Chapter 440: , 9 Yu Shenguo

The silk thread condensed by the law of the origin of the Dao of Heaven is more dazzling and moving than anything, but it is complicated, tangled and infinitely changing.

Xu Ming only glanced at it, and was immersed in an epiphany.

This kind of epiphany is the touch and fit between the soul and the way of heaven; it is completely different from the “sudden realization” that Xu Ming usually opens.

Xu Ming was intoxicated.

“These crystal threads are based on the Golden Heavenly Dao, and the other eight Heavenly Dao linger around...”

Xu Ming’s gaze, however, completely fell on the Heavenly Dao of Fire.

His perception of the mood of fire was the fastest. But later, Lin Chen learned a lot of insights from the wind of heaven, so he first planted the “Dao seed” of wind.

At this moment, he suddenly saw the thread of the Heavenly Dao of Fire; the small flame in Xu Ming’s heart was instantly ignited.

At this time, Lin Chen finally climbed up from the ground, dragged his embarrassed body, and walked out of the cabin third.

“Is he Lin Chen?” Ye Tianhun frowned slightly, “A genius of ‘10,000 grade’?”

People are more dead than people, and goods are thrown away.

If Lin Chen is not compared with Xu Ming, then he is indeed the best of heaven. When Ke Yi and Xu Ming were put together, a judgment was immediately made!

Xu Ming alone carried the coercion of two people, came to the kingdom of God, walked out of the cabin, and directly entered the state of epiphany.

As for Lin Chen, he couldn’t bear the pressure by himself, and was crushed to the ground; up to now, he is still in a state of despair and embarrassment.

Lin Chen hunched his body, looked up at Xu Ming, and suddenly felt a burning pain on his face – when he asked about the entrance of the palace, he also laughed at Xu Ming, saying that Xu Ming’s understanding was limited, and he was destined to go not far on the road of martial arts!

But now?

Xu Ming had an epiphany at every turn, it was all about using his strength to slap Lin Chen in the face!

If such comprehension is called “limited comprehension”, isn’t Lin Chen even worse than a scumbag?

hum—

Suddenly, an extremely obscure and strange wave appeared in Xu Ming’s body.

The “Tao Seed” of fire, condensed!

Zhan Wuwei glanced at Xu Ming in surprise and asked, “Have you broken through the Second Step Daojun?”

Xu Ming shook his head: “Not yet.”

Xu Ming’s current situation is indeed not a second-step Taoist, but a “two one-step Taoist”. Because his understanding of the Heavenly Dao of Wind and the Heavenly Dao of Fire is only one step Daojun level.

“When you have time later, plant the ‘Dao Seed’ of fire.” Xu Ming secretly said.

Zhan Wuwei smiled and said, “It’s okay if you don’t break through the second step! You can fall into an epiphany as soon as you enter the kingdom of God, which shows how high your understanding is! – Cultivate well in the kingdom of God, and soon, you will break through!”

“Yes!” Xu Ming replied in a low-key manner.

Regarding his condensed second “Dao Seed”, Xu Ming felt that this kind of thing is rather strange, and it is better not to expose it.

After all, Xu Ming had never heard of anyone who could condense two different Dao species.

“Hahahaha...” At this moment, Ye Tianhun, who had been silent all this time, smiled heartily and said in appreciation, “Xu Ming? Not bad! Not bad! Very good!”

“This is...?” Xu Ming didn’t recognize Ye Tianhun.

“This is Elder Ye Tianhun!” Zhan Wuwei introduced.

“I have seen Elder Ye!” Xu Ming continued.

“Yeah!” Ye Tianhun nodded slightly, saying hello, “Xu Ming, you have an epiphany when you first came to the kingdom of God; this kind of understanding is really rare! – If you have any questions in your future cultivation, you can come here. Please teach me!”

Lin Chen on the side heard this, and his eyes were red with jealousy – this Ye Tianhun, but the elder of the Daoist Palace, is the most powerful being among the Dao Masters! He was willing to point Xu Ming...

Xu Ming was not too excited.

No one can point out his martial arts path.

After all, looking at the great power of the human race, who can have two eggs? – Oh no, that's wrong! Who can have two different "Dao species"?

no one!

Moreover, if Xu Ming really needed guidance, he would directly worship Tie Ning as his teacher.

However, Xu Ming still thanked: "Thank you Elder Ye!"

Ye Tianhun waved his hand, indicating that there is no need to be more polite.

"Elder Ye." Lin Chen interrupted suddenly.

"Huh?" Ye Tianhun's face flashed a hint of dissatisfaction – what a respected identity he is, when did someone dare to interrupt him casually when he was talking?

Lin Chen continued: "I'm thinking, this Xu Ming may be pretending to be an epiphany on purpose, but in fact, he didn't realize anything at all! – Elder Ye, don't be fooled by him!"

Because Lin Chen was jealous of Xu Ming, he thought about it and came up with such a bad move; I hope that Ye Tianhun will no longer be willing to point Xu Ming after listening to his "loyal advice".

"Oh? Really?" Ye Tianhun glanced at Lin Chen.

"Yes! Yes!" Lin Chen continued, feeling even more secretly happy – there is a drama!

But suddenly—

Snapped!

A flaming palm print was branded directly on Lin Chen's face.

The owner of the slap is not the palm ***** Xu Ming, but... Elder Ye Tianhun.

Lin Chen covered his face in grievance: "Ye... Elder Ye, how can you beat someone..."

"Humph!" Ye Tianhun snorted heavily, "Is Xu Ming a real epiphany or a fake epiphany, can't I see it? – What do you mean, make it clear that I am blind?"

"Dare to say that Ye Tianhun is blind? – Lin Chen's slap is not wrong." Zhan Wuwei secretly said.

"Be careful when you speak next time!" Ye Tianhun hummed, "No one in your Purple Moon Holy Land dares to talk to me like that!"

Ye Tianhun's words are not bragging. You must know that he is one of the top powerhouses in the entire human race; even compared with the leader of the Purple Moon Holy Land, it is indistinguishable!

"Zhan Wuwei, I'll go back first!" Ye Tianhun flew away, "Come to me for a drink when you're done!"

...

Zhan Wuwei controlled the battleship and slowly landed in the kingdom of God.

The geniuses also wiped away their tears and snot, sorted out their appearance, and stood on the deck of the battleship.

“This is the first time for everyone to come to the Kingdom of God~www.readwn.com~ Let me introduce you to you!” Zhan Wuwei said, “The full name of this Kingdom of God is actually the ‘Kingdom of Jiuyu’, which is our human race. It was created by the ‘True God Jiuyu’ born years ago!”

True God Jiuyu?

Xu Ming remembered the name: “It turns out that this ***** in the history of our human race is named ‘Jiu Yu’!”

Zhan Wuwei continued: “It is said that when True God Jiuyu was present, he swept across the endless continent and was absolutely invincible! There is no demigod of alien races who is the enemy of True God Jiuyu’s unity!”

“In that era, the Endless Continent was the absolute territory of our human race! Aliens could only hide in the folds of darkness and survive! It’s a pity...” Having said this, Zhan Wuwei sighed, “Later, True God Jiuyu was born because of For some reason, they left the Endless Continent... At that time, although the Demon Race and many other alien races had been wiped out; however, the Demon Race got a chance in the Eternal Demon Pit and re-emerged... and even now stands against our Human Race!”

The history of the human race is full of ups and downs.

“Let’s go, I’ll take you to get acquainted with the Kingdom of God first!” Zhan Wuwei waved his hand and put away the battleship.
