

A World 471

Chapter 471: , I Am Here

“I have a way!”

A figure of Junyi carrying a long sword appeared at the door. The light outside the door pulled the shadow of this figure into an extremely stalwart; it made the disciples of the Purple Moon Holy Land feel as if a hero was coming in despair!

Which hero will it be?

All the disciples looked at it with hope.

But when they saw who this figure was, all of a sudden, hope turned into despair again.

“Lin Chen...?”

This “hero” is Lin Chen.

“Lin Chen, what can you do?” Yang Wei straightened the green hat on his head and gave Lin Chen a dissatisfied look, “What can you do?”

Lin Chen looked at Yang Wei with a weird look in his eyes – after all, he was married to Yang Wei’s wife, and seeing Yang Wei would inevitably be a little unnatural.

Lin Chen said, “I gave Xu Ming’s warship to him!”

“What!?” Yang Wei immediately stood up, “The battleship you gave him? Why did you give him the battleship!?”

“This...this...” Lin Chen felt a little guilty.

He can't always tell the truth: because the selfie I took with your wife fell into Xu Ming's hands; I want to take the battleship and redeem the selfie.

"This..." Lin Chen hesitated for a while, then suddenly had an idea and said, "I moved my hands and feet on that battleship!"

"Oh?" Yang Wei listened.

"It's like this—" Lin Chen continued, "Although Xu Ming refined the battleship, the real control of the battleship is still in my hands! As long as I encounter Xu Ming hiding in the battleship, I can control the battleship and lock him inside; in this way, he will never get out – and this is exactly how I deal with Xu Ming!"

"Forehead..."

Yang Wei was silent for a long time before he said, "Your method is really..."

Lin Chen looked at Yang Wei expectantly, waiting for him to praise himself for being smart, thoughtful, imaginative, and resourceful...

But he waited and waited, but waited until he said, "Your method is really... superfluous and stupid!"

"This..." Lin Chen was stunned for a while, a little unconvinced, "Isn't this method a good idea?"

"It's good? Hahahaha..." Yang Wei was almost laughed at, "How dare you say it's good?"

"Why don't you dare!?" Lin Chen directly contradicted.

Although Yang Wei is the number one expert in the Holy Land of the Purple Moon in the Kingdom of God, Lin Chen is a genius of "10,000-year-old"! —Although Lin Chen is not as good as Yang Wei in terms of strength, but in the Purple Moon Holy Land, he is actually higher than Yang Wei!

After all, Lin Chen has a high probability of becoming a Taoist master in the future!

“Why don’t you dare!?” Yang Wei was so angry that his eyes were bloodshot.

Finally, he couldn’t bear it any longer, and threw his hand—

Snapped!

There was a bright red palm print on Lin Chen’s face.

“Yang Wei!” Lin Chen glared angrily, “You dare to beat me!?”

“Humph!” Yang Wei snorted coldly, “What’s the matter with you? Don’t think that you are talented enough to have your nostrils turned upside down! – This slap, I slapped it for dozens of brothers who were crippled by Xu Ming’s bombing. !”

Long Yiping, Zhang Feng, Kang Hongyuan and other dozens of disciples who were disabled by the bombing, although they took the healing medicine, their faces were still very pale. One by one, their faces were pale; looking at Lin Chen, their eyes were full of violence.

Lin Chen was frightened by this murderous aura, and his neck could not help shrinking.

However, Lin Chen thought viciously in his heart: “Humph! Yang Wei, how dare you beat me! – I am much more talented than you, and I will probably become a Taoist and leave the kingdom of God earlier than you. , see if I don’t **** your wife!”

Under normal circumstances, once you become a Taoist, you must leave the kingdom of God and cannot stay any longer. Because of this, the geniuses in the kingdom of God, the most powerful, have only passed the tenth floor of the Tongtian Tower.

As for Lin Chen, when he thought that he could go back and bully Yang Wei’s wife, the anger in his heart became much smoother.

Of course, Yang Wei didn’t know what Lin Chen was thinking, and he continued to scolded: “If you hadn’t been smart enough to send Xu Ming a Venerable-class battleship, we would have crippled Xu Ming long ago! How could it be the other way around? Was maimed by Xu Ming?”

“That’s right!” Long Yiping hated Lin Chen so much, “If Xu Ming doesn’t have a battleship, then even if he has a lot of Dao Talismans, under our siege, he can’t hit a few times, and he will be killed. We captured it! But... Xu Ming has a battleship, then the situation is completely different!”

“Yeah...” Another expert who was crippled by bombing while besieging Xu Ming also said with lingering fears, “Battleship, let him be invincible; and he has a lot of Taoist talismans, he can bomb us as he wants to. ...”

“It’s because of the battleship you sent that Xu Ming can be so reckless!” Yang Wei pointed at Lin Chen’s nose and scolded, “And our Purple Moon Holy Land will be fully mobilized by Xu Ming with his own power. Ban!—You idiot!”

“You idiot!”

“idiot!”

...

The other disciples couldn’t help but curse.

Lin Chen was furious when he heard it: “Come on, scolding!—Isn’t that just Xu Ming? I’m going to clean him up now, or it’ll be over!”

“Humph!” Yang Wei smiled noncommittally, “You can clean up your mess, that’s the best!”

“Don’t worry about it!” Lin Chen sneered, and then greeted the disciples who were still healthy, “Come with me to find Xu Ming—I go alone, he won’t necessarily hide in the battleship; that way, I can’t handle him!”

Lin Chen was about to set off when suddenly Yang Wei shouted, “You don’t have to look for it!”

“No need to look for it? Why?” Lin Chen was puzzled.

“Xu Ming... has come!” Yang Wei said solemnly.

The palace where everyone is now is Yang Wei's palace. As the owner of the palace, Yang Wei's perception of the outside world is naturally the most acute.

"Xu Ming is here!?"

The geniuses of the Purple Moon Holy Land were all shocked and angry.

"Xu Ming, you dare to kill me?"

"That ***** must be trying to block the door of our Purple Moon Holy Land and humiliate us!"

"He has a battleship and a Taoist talisman! I'm afraid that as soon as we step out, he will throw the Taoist talisman and blow us up!"

...

"Everyone, don't panic!" Lin Chenniu said coaxingly I can deal with Xu Ming! "

"you?"

Although Lin Chen confidently said that he had left hands and feet on Xu Ming's battleship, everyone still didn't believe him. After all, everyone's impression of Lin Chen is that his work is unreliable!

But right now, apart from trusting Lin Chen for the time being, there seems to be no other way.

Lin Chen walked to the balcony, leaning on the railing, looking at the sky.

I saw at the end of the sky, a battleship, draped in the clouds, came at high speed, and finally stopped firmly on top of his head.

Xu Ming pushed open a window of the battleship, looked down, and sneered: "Oh, so many people are hiding here? – No wonder I searched all over the kingdom of God, but couldn't find your people from the Purple Moon Holy Land. !"

“Xu Ming!” At this moment, an angry shout sounded, and it was Lin Chen, “With me here, don’t be too arrogant!”

Chapter 472: , Stole Your Wife

“Xu Ming, with me here, don’t be too arrogant!”

Lin Chen’s domineering roar echoed under the sky.

Xu Ming was speechless for a moment – this Lin Chen is truly a mysterious self-confidence!

“I’m so stupid, Lin Chen, I’m afraid I still don’t know that the little tricks he left on the battleship have been erased by me!” Of course, Xu Ming can’t imagine where Lin Chen’s self-confidence came from.

“Trick him!”

“Also... He stole Yang Wei’s wife, this matter, it’s time to throw it out and play! Quack quack...”

Xu Ming suddenly became playful, and smiled inwardly. His only goal is to kill Lin Chen!

As soon as he said it, Xu Ming immediately entered the “performance mode”.

“You?” Xu Ming glanced at Lin Chen disdainfully, “Which green onion are you? I’m just arrogant, what can you do?”

“Hahaha...” Lin Chen suddenly raised his head and laughed.

Then, he took out a jade slip and held it high in the palm of his hand; looking at Xu Ming, his eyes were quite threatening: “Xu Ming, do you know what this is!?”

Xu Ming cooperated with a curious and surprised look, and said, “I don’t know!”

“Hahahaha...” The stupid Lin Chen laughed proudly again, “I don’t know, then I’ll tell you! – This jade slip can control your battleship!”

“What!?” Xu Ming’s acting skills were very exaggerated and his eyes were frightened. He shook his head and shouted in disbelief, “Impossible! Impossible! – This battleship has been refined by me, and you can’t control it!”

“Humph!” Lin Chen just pretended to sneer.

“Could it be...” The “horror” in Xu Ming’s eyes was even stronger, “Could it be that you did something on the battleship?”

“Hahahaha...” Lin Chen was so proud of the clouds, “Aren’t you stupid! You guessed it so quickly! – Yes, I left a little trick on the battleship; the supreme control of this battleship, In my hands; as long as I inspire the jade slip, the battleship will no longer be under your command, but will be controlled by me! Hahahaha... I didn’t expect it, Xu Ming!”

“You...you...” Xu Ming’s acting skills became more and more exaggerated, his fingers pointing at Lin Chen were trembling.

“Hahahaha...” Lin Chen laughed again complacently.

Yang Wei and other Ziyue Holy Land masters couldn’t help showing a relaxed smile when they saw Lin Chen’s winning ticket and Xu Ming’s panic – they were bullied by Xu Ming in Ziyue Holy Land, and now they can finally turn over and become masters!

Yang Wei couldn’t help but patted Lin Chen’s shoulder and sighed: “Your way of dealing with Xu Ming, although it’s superfluous, also caused the reputation of Ziyue Holy Land to be greatly damaged; but fortunately, the result is not too great. Damn! – Quickly take control of the battleship, and then trap Xu Ming in the battleship for ten or eight years!”

“Okay!” Lin Chen’s eyes widened.

Xu Ming in the battleship, seeing Yang Wei wearing a green hat, hanging his shoulders with Lin Chen, looking very intimate, it was funny how he looked at it.

“This green hat is very suitable for Yang Wei!” Xu Ming laughed secretly, “But, wait a moment, what will Yang Wei’s expression look like when he finds out that Lin Chen is married to his wife? Quack quack...”

“Xu Ming!” At this moment, Lin Chen shouted in arrogance, holding the jade slip in both hands, ready to inspire, “Now, I’ll let you know what happens if you offend me!”

“Wait! Wait!” Xu Ming shouted.

Lin Chen slowed down the movements in his hands, with a playful look on his face: “How? Are you afraid? – It’s useless if you’re afraid! Today, you are destined to fall into my hands!”

Acting in a full set, Xu Ming pretended to be frightened, and sent a voice transmission to Lin Chen: “Lin Chen, if you do something to me, I will take you up on Yang Wei’s wife and tell it on the spot!”

Lin Chen sounded disdainfully: “You said it!”

“You... you’re not afraid!?”

“Haha...” Lin Chen laughed, “I’m talking about evidence! – The jade slip that recorded the bad things I did has been taken back by me! You have no evidence, who would believe you?”

“Then...then...” Xu Ming used his exaggerated acting skills to show a look of surprise, “Then I really said it!”

“Say it!” Lin Chen not only was not afraid, but provocatively said through voice transmission.

Even, he specially stopped to stimulate the jade slip, as if he wanted to give Xu Ming the time to speak.

“You forced me!” Xu Ming said with a “ferocious” voice.

Then, Xu Ming looked at Yang Wei with a “resolute” face, and said, “Yang Wei, there is something about you that is very important to you, I decided to tell you!”

“Oh?” Yang Wei was a little surprised, “What’s the matter!?”

“You should already know that this battleship of mine was sent by Lin Chen, right?” Xu Ming said, “Then do you know why Lin Chen sent me this battleship!?”

“Send you a battleship, please enter the urn!” Yang Wei thought about it and said.

“Ha!” Xu Ming smiled and said, “Yang Wei, let me ask you – if you want to deal with me, will you give me your battleship first?”

Yang Wei frowned and thought for a while: “It seems... no!”

“Then do you think Lin Chen will meet?” Xu Ming asked rhetorically.

Before giving Yang Wei time to answer, Xu Ming said again: “Lin Chen, the reason why he wants to send me the battleship is because he has the handle in my hands!”

“The handle?” Yang Wei was a little confused, “He has the handle in your hands, why is this important to me?”

“Because...” Xu Ming smiled slyly, and suddenly the conversation changed, “Yang Wei, let me ask you, is your wife called ‘Yan Yuxing’?”

“Huh?” Yang Wei was even more puzzled, “How did you know?”

“Not only do I know what your wife’s name is, but I also know...”

Speaking of this, Xu Ming paused slightly, and at the same time transmitted a voice to Lin Chen at lightning speed: “I really want to say it!”

Lin Chen was very disdainful: “Say it! If there is no evidence, Yang Wei will not believe you!”

No evidence?

Xu Ming copied a piece of “AV jade slip”! However, Xu Ming is not in a hurry to reveal this trump card – since he wants to play Lin Chen to the death, of course, he has to play slowly and have fun!

“Humph!” Xu Ming pretended to be angrily and shouted through voice transmission, “This is what you asked for!”

The two sides completed the voice transmission exchange in an instant. Xu Ming continued what he just said, and continued to say to Yang Wei: “I not only know what your wife’s name is, but also know... Lin Chen stole your wife!”

Lin Chen stole your wife!

As soon as Xu Ming said these words, the entire audience was silent, and even a needle dropped on the ground could be heard clearly.

Lin Chen stole Yang Wei’s wife?

In an instant, the eyes of the audience were all focused on Lin Chen and Yang Wei.

“You...” Lin Chen first pretended to be surprised. After the consternation, he shouted in a very righteous manner: “You spit out your blood! Soaring discord! – I, Lin Chen, are bright and clear, and the world can learn from the world, how can I do such a dirty thing!?”

Yang Wei looked at Xu Ming with cold eyes: “What did you say!? What evidence do you have for saying such a thing!?”

Chapter 473: , Motionless

evidence?

Of course Xu Ming has!

However, Xu Ming was in no hurry to bring out the evidence.

“Yang Wei, don’t you believe it?” Xu Ming’s eyes fell on Yang Wei’s green hat, and he couldn’t help but smile.

Yang Wei’s face was cold for a while before he said, “I only believe in evidence!”

“Xu Ming!” At this time, Lin Chen shouted in a righteous manner, “Don’t think that with such a clumsy means of instigating discord, you can escape in the chaos! – I will not give you a chance to escape!”

Lin Chen said, turned to Yang Wei again, and said, “Senior Brother Yang Wei, I will control the battleship first, capture Xu Ming, and then deal with him slowly!”

“Yeah!” Yang Wei nodded with a gloomy face, “This Xu Ming, who ruined the battle of Taoism before, prevented Yu Xing from coming to the kingdom of God. Now, he even spread rumors and slandered my purest Yu Xing... Humph! Catch him first! I must make him regret coming to this world!”

pure...

In Yang Wei’s eyes, Yan Yuxing is not only the most important person in his life, but also very clean and undefiled...

“Pure?” Lin Chen couldn’t help but chuckle in his heart, “Well...it’s really ‘pure’!”

After laughing inwardly, Lin Chen shouted solemnly, “Xu Ming, how dare you slander my personality! Now, I will let you know what will happen if you dare to slander my personality indiscriminately!”

“Personality?”

Xu Ming was stunned – you gave other people’s wives, and you still have the face to mention “personality” so confidently?

Xu Ming couldn't help sneering: "Do you have a personality?"

"Xu Ming, you insulted me too much, now, I will make you pay the price!" Lin Chen angrily took out the jade slip.

"Really?" Xu Ming smiled lightly.

The play was almost done, so there was no need for Xu Ming to continue to pretend to be frightened.

"Huh?" Lin Chen's heart flickered with an unpleasant feeling – this Xu Ming is about to face a great disaster, why is he still so calm? Hmm...must be trying to calm down!

"Force pretend to be calm? Just pretend! Let's see how long you can pretend!"

Lin Chen's expression froze, his mental power was instilled into the jade slip, and he frantically moved.

call out-

A golden laser suddenly shot out from the jade slip and hit Xu Ming's battleship instantly.

Only on the golden laser as thick as a pinky finger, dense and intricate patterns of formations flickered. These formation patterns are the key to forcibly controlling the battleship.

Lin Chen's expression gradually turned hideous: "Hahahaha...Xu Ming, you have no chance to escape!"

Lin Chen clearly remembered that when Luo Sheng gave the battleship to himself, he said that once the jade slip was activated, he could immediately forcibly seize control of the battleship.

"Escape?" Xu Ming sneered, "Why should I escape?"

“Don’t be stubborn! Now, if you want to escape, you can’t escape!” Lin Chen snorted coldly, “Your battleship is no longer under your control, but under my control!”

Xu Ming smiled playfully: “Then try to control it!”

“Humph!”

Lin Chen used a secret technique to urge Yu Jian to try to “remote” Xu Ming’s battleship.

“Come here for me!”

Lin Chen used the jade slip to issue a “remote control command”.

However...

The battleship remained motionless.

“Huh?” Lin Chen was stunned – what’s the situation?

“Again!—Come here for me!”

Lin Chen gave the order again.

However...

The battleship remained motionless.

“Uh...” Lin Chen was a little dumbfounded – the development of the plot was somewhat unexpected. The situation in front of him was something he didn’t expect.

“Lin Chen?” Yang Wei’s face suddenly became extremely gloomy, “Isn’t this the battleship you sent out? You said you have a way to control it!”

“This...this...” Lin Chen couldn’t figure out what was wrong for a while, he kept saying, “I’ll try again! I’ll try again!”

“Come here!” Lin Chen gave an order for the third time.

However, this inferior warship, which he personally gave to Xu Ming, didn’t give him any face at all—it didn’t move, it didn’t move at all!

“Hahaha...” Xu Ming finally couldn’t help but burst into laughter, “Lin Chen, you idiot!”

“Huh!?” In Lin Chen’s heart, an extremely unpleasant feeling flashed in an instant, “You...”

“Ahahaha... Didn’t you just do something on the battleship, really thought I couldn’t find it?” Xu Ming laughed happily, “I discovered and erased your little tricks long ago! – You can control it. Battleship? You control it! Try to control it! Ahahaha...”

Xu Ming was extremely proud.

He played with Lin Chen for so long, didn’t he just want to see Lin Chen’s wonderful face?

Now, Lin Chen’s face was blue and red, embarrassed, angry, frightened, powerless, unbelievable... All kinds of emotions were mixed together, and it was extremely exciting. It was exactly what Xu Ming wanted to see.

Lin Chen reluctantly tried several times, and tried all the “remote commands”, but all were unsuccessful. In the end, he had to give up.

“Xu Ming...” Lin Chen gritted his teeth, “How serious are you?”

Xu Ming smiled disdainfully: “With just your means, it’s still a long way to cheat me! And...”

Xu Ming’s expression suddenly became extremely sly: “And... this is called a serious scheming? You haven’t seen my true scheming!”

Really serious scheming...

If Xu Ming took out the “AV jade slip” that he secretly copied, the scene on the field would definitely be more exciting!

“Would you like to take it out?”

Xu Ming couldn’t help but glanced at Lin Chen and Yang Wei with pity.

Once the “AV Jade Slip” was taken out, Yang Wei’s image of his wife Bing Qing Yu Jie was absolutely shattered in an instant, and there was no **** left...

And Lin Chen...it’s no wonder he wasn’t beaten to death by Yang Wei!

Snapped!

Just as Xu Ming hesitated, a crisp slap resounded throughout the audience.

“Oh?” Xu Ming looked in surprise.

It turned out that Yang Wei couldn’t contain the anger in his heart, and gave Lin Chen a slap in the face: “Damn it! Lin Chen! You idiot! – This is how you deal with Xu Ming? Xu Ming sent a low-grade Zunqi-class battleship? I rely on it! I rely on it!”

Yang Wei shouted angrily – he was really so stupid by Lin Chen!

Lin Chen said that he was suffering – after all he did something wrong, and the evidence that he got into Yang Wei’s wife fell into Xu Ming’s hands, so he was blackmailed to take a battleship. And he couldn’t tell the truth, he could only make up a stupid lie, saying that sending Xu Ming’s battleship was a way to deal with Xu Ming...

Around, the other geniuses in Ziyue Holy Land also looked at Lin Chen with contempt—not afraid of god-like opponents, but of pig-like teammates!

The battleship sent by Lin Chen directly smashed the entire Purple Moon Holy Land!

Snapped!

Yang Wei was so angry that he slapped again: “Idiot! A brainless thing like you, no matter how talented it is, what’s the use!?”

Lin Chen was taken aback for a while, but he couldn’t refute it.

...

Inside the battleship, Xu Ming hesitantly took out an “AV jade slip”.

Chapter 474: , Why Should I Give You Face?

“Would you like to give this jade slip to Yang Wei for viewing?”

Just as Xu Ming was hesitating, a fiery red figure came out of the sky at high speed.

“It’s Dao Zun!” Xu Ming’s expression faltered, and he was slightly wary.

However, Xu Ming is not very worried. After all, the Dao Zun of the Asking Palace cannot casually attack the geniuses in the kingdom of God.

swoosh—

In the blink of an eye, the Dao Venerable Master came to the area where Xu Ming was.

On his fiery red robe, a phoenix reborn from Nirvana is dancing in the sea of fire. However, his eyes were not hot, but cold.

“Dan Zun! You are here!” Yang Weilian shouted excitedly.

“Hmm!” The person snorted coldly.

“Dan Zun” Yao Yu is highly accomplished in the field of alchemy; there is even a rumor in the ethnic group that he is likely to become the successor of Elder Maple Leaf.

The reason why Yao Yu came here was actually to help the disciples of the Purple Moon Holy Land to heal their wounds.

Yao Yu glanced at Xu Ming coldly, and then walked directly into Yang Wei’s residence. Looking at the “crippled people” in the room, he couldn’t help frowning: “How many of you have been maimed?”

The disciples of the Purple Moon Holy Land all surrounded them respectfully.

Yang Wei even complained bitterly: “Dan Zun, that Xu Ming outside is too arrogant! He relied on a lot of Taoist talismans to blow up dozens of our disciples... And now, he is still blocking our door to provoke, really It’s irritating! – I also ask Dan Zun to take action and help to preside over justice!”

Yao Yu said with an expressionless face, “Daoist Palace has its rules, I can’t help to deal with Xu Ming; otherwise, I would be breaking the rules!”

“Alas...” Although Yang Wei and the others had long expected that Yao Yu would answer like this, they couldn’t help but feel disappointed.

“But...” Yao Yu said again, “Since your senior officials in the Purple Moon Holy Land have entrusted me to take care of you in the Kingdom of God, then I naturally can’t stand by and watch this matter... Well, I’ll help you heal first; Later, I will come forward to make peace with you!”

Talk and...

The disciples of the Purple Moon Holy Land were naturally not very satisfied with this result. However, they couldn’t help Xu Ming at all; making peace might be their only solution!

Moreover, it is better for Dan Zun to take the initiative to make peace for them. They ask Dan Zun to come forward and help make peace?

“Just make peace...” Yang Wei sighed.

Who made their strength and means inferior to Xu Ming!

“Come on, let’s heal first!”

Yao Yu is known as the Dan Zun, and he is also very accomplished in terms of healing.

He threw out a bunch of medicinal pills, and performed a series of secret skills. After a while, it was done.

“Okay, after a few days of recuperation, you will be able to fully recover!” Yao Yu said, “Now, I will help you make peace!”

Saying that, Yao Yu walked directly outside, looked at Xu Ming coldly, and said in a tone that couldn’t resist: “Xu Ming, for my sake, let’s end your holiday with Ziyue Holy Land! Both of you, Let it go!”

The faces of the disciples of the Purple Moon Holy Land showed humiliation. In their view, making peace with Xu Ming is undoubtedly a very humiliating thing.

Xu Ming looked at the Dan Zun Yao Yu, and then looked at the people in the Purple Moon Holy Land. After being silent for a while, he looked at Dan Zun with a puzzled face: “Who are you...?”

Who are you?

Yao Yu was taken aback – you don’t even know me?

Yang Wei and other disciples of the Purple Moon Holy Land were also stunned. Yang Wei hurriedly jumped out and scolded: “Presumptuous! Xu Ming, you are really blind; you don’t even know Yao Yu, the dignified alchemist!”

“‘Dan Zun’ Yao Yu?” There was a hint of doubt in Xu Ming’s voice, “I’ve never heard of it!”

Xu Ming had really never heard of it!

“You...” Yao Yu’s face turned blue with anger, “You haven’t heard of me!?”

“I haven’t heard of you, is it strange?” Xu Ming said with disapproval, “I have only heard of one great alchemist in alchemy, and that is the first alchemist of our human race—Elder Maple Leaf!”

Yao Yu is a disciple of Elder Maple Leaf. Since Xu Ming raised the name of Elder Maple Leaf, he naturally couldn’t say much; otherwise, he would be disrespectful to his master!

Actually, Xu Ming didn’t deliberately raise the name of Elder Maple Leaf, but...he really only heard of Elder Maple Leaf!

Honestly, is it wrong?

Yao Yu suppressed his anger and snorted coldly, “Xu Ming, I don’t care if you have heard of me or not; anyway, from now on, you and Ziyue Holy Land will shake hands and make peace—Isn’t there any opinion?”

“Well... a bit of an opinion!” Xu Ming said with a disdainful smile, “I didn’t want to shake hands with the Purple Moon Holy Land! After all... Now I’m unilaterally ravaging them, why should I shake hands and make peace?”

Shaking hands and making peace is something that will only happen when the two sides have equal strength!

But now, Xu Ming is steadily crushing and ravaging, why should he shake hands and make peace? Even if it is a truce, the Purple Moon Holy Land should pay enough price, and then ask Xu Ming to raise your hand and let them go!

“You don’t give me face!?” Yao Yu’s eyes became colder.

“That...” Xu Ming smiled, “I haven’t even heard of who you are, why should I give you face!?”

That's right, Xu Ming just didn't plan to give face to this Dan Zun.

Dan Zun?

Is it awesome?

What the hell! He even dared to show off his might in front of Xu Ming!

Xu Ming clearly remembered that none of those who dared to show off their might in front of him had a good end so far!

"You...you..." Yao Yu was anxious.

Xu Ming didn't bother to kill him at all.

Although Yao Yu is a powerful Taoist, he should be able to break through his own battleship; however, in the kingdom of God, Taoist can't do anything casually, and Xu Ming naturally doesn't have to be afraid at all.

"Good! Very good! Xu Ming!" Yao Yu snorted coldly "You dare to provoke me! "

"Provocation?" Xu Ming couldn't help being laughed at, "You and I don't know each other, so you come to point fingers, why should I give you face? – If I don't give you face, it's just provocation?"

"Arrogant! It's so arrogant!" Yao Yu said angrily, "Did you think that I wouldn't dare to do anything to you in the kingdom of God, so you can be arrogant and arrogant? – Since you don't eat toast, then you will be punished by the bar! "

After Yao Yu finished speaking, he walked into Yang Wei's residence again, took out a few bottles of medicinal pills, and threw them away.

"This is...?" Yang Wei took the medicine pill and wondered.

“It’s all about breaking the limit! After taking it, you can perform an attack far beyond your own strength!”

Yang Wei was overjoyed: “Thank you Dan Zun! Many thanks Dan Zun!”

At the same time, Yang Wei couldn’t help sneering at Xu Ming in his heart: “Dan Zun gave him a chance to make peace, but he didn’t cherish it; now it’s good, it’s annoyed Dan Zun, isn’t this courting death? – Breaking the Limit Dan! I After taking it, you can completely break through the low-grade exalted weapon-class battleship!”

Chapter 475: , Choose Suicide

Yao Yu dropped a bottle of Limit Breaking Pill and walked away.

And Yang Wei and other disciples of the Purple Moon Holy Land, with the breaking limit pill in hand, suddenly their self-confidence skyrocketed countless times!

“Senior brothers!” Yang Wei held the pill bottle and shouted, “This bottle contains 300 pills, and everyone has two pills!”

With that said, the pills in the pill bottle flew out one by one, as if they were lined up, and fell precisely into the hands of each disciple. Two pills per person, but Lin Chen didn’t have it.

“Senior Brother Yang Wei!” Lin Chen continued, “Why didn’t I get the medicine pill?”

“You?” Yang Wei scoffed disdainfully, “I don’t want to waste such a precious limit-breaking pill on the pig teammates!”

“I...” Lin Chen was in a hurry, but was unable to refute.

“Humph! Stupid X!” Yang Wei snorted coldly, and then shouted to the other senior brothers, “Everyone, everyone, you must know the effect of the breaking limit pill, right? – Every time you take one pill, you can display a first-time Dao Zun. Hierarchical attack! With so many of us attacking together, it would be absolutely easy to break through this low-grade Exalted Item-class battleship!”

The limit-breaking pill can only support one attack.

However, compared to the Soul Burning Stone, the biggest advantage of the Limit Breaking Pill is that it has almost no burden on the body!

Unlike the Soul Burning Stone, it burns your own soul and leaves permanent damage.

“Now, let’s all take a Limit Breaking Pill together, and blast the battleship that Lin Chen, a fool, sent out!!” Yang Wei shouted.

“it is good!”

Hundreds of Ziyue Holy Land disciples, in unison, swallowed a Limit Breaking Pill.

“kill!”

“Kill!!”

Yang Wei took the lead, and hundreds of masters rushed out of the palace.

“Huh?” In the sky, Xu Ming couldn’t help but startled, “Yang Wei, how dare you come out? Aren’t you afraid of being bombed by me?”

Xu Ming didn’t know that Yang Wei and the others got the Limit-breaking Pill.

“Xu Ming!” Yang Wei shouted violently, “Your arrogance is over!—The humiliation you brought us to the Purple Moon Holy Land, from now on, we will ‘repay’ you tenfold and a hundredfold!”

“Really?” Xu Ming hid in the battleship and smiled, “Tell me, where did you get your confidence from? – Was it that Yao Yu who gave you some treasures before leaving?”

“When death is imminent, how dare you be arrogant!?” Yang Wei snorted heavily, and a reddish mist came out of his breath, “All brothers and sisters, let’s all—Boom!!”

shhhhhhhhhh...

Hundreds of streamers streak across the sky, and each streamer is an attack at the level of a first-time Daoist. All the streamers rushed towards Xu Ming's battleship.

"Damn it!" Xu Ming stared, "Such a strong attack!? Did you take medicine?"

While Xu Ming was still stunned, hundreds of streamers hit the battleship.

boom! !

The poor, low-grade Zunqi-class battleship, although not directly smashed into slag, has already begun to shatter.

"Uh..." Xu Ming was stunned, "My battleship..."

at this time-

"kill!!"

"Kill!!"

"Capture Xu Ming! Stole his ring! Mutilate him!"

"It's not enough to ***** him once! Continue to block him completely! As soon as he comes out, ***** him!"

"Kill!"

Hundreds of masters rushed towards Xu Ming overwhelmingly and screaming.

They were really bullied by Xu Ming too hard, and now... they want revenge! They counterattack! They want to beat Xu Ming, trample on Xu Ming, and ravage Xu Ming! !

“So many people!” The battleship was already abolished, and Xu Ming ran away without saying a word.

“Chase!” The chase sounded.

“Don’t let this kid slip away!”

“He can’t escape, kill him!”

...

It’s just that the geniuses who were immersed in chasing did not notice that there was a seemingly non-existent playful smile at the corner of Xu Ming’s mouth.

“These turtles are finally willing to come out!” As Xu Ming fled, observing the situation behind him, he laughed secretly in his heart.

I’m not afraid of them coming out, I’m afraid they won’t come out – Xu Ming doesn’t have that much time to block the Purple Moon Holy Land for a long time.

swoosh—

While fleeing, a Taoist talisman appeared in Xu Ming’s hand.

“Go!” Xu Ming identified his target and threw it away.

boom!

Blast one!

The other chasing people were slightly startled, but they continued to rush towards Xu Ming in a rage.

“Kill!”

“kill!!”

“Don’t let Xu Ming run away...”

...

Xu Ming was at the front, smashing the Taoist talisman happily while fleeing.

Blast two...

Three leftovers...

Blast four...

...

Finally, when Xu Ming bombed and maimed ten disciples of the Purple Moon Holy Land, he was surrounded by circles.

“Run!” Yang Wei was very arrogant, “You run again!”

At this time, Xu Ming was surrounded by experts from the Purple Moon Holy Land.

“Why didn’t you run away?” Yang Wei sneered.

“Run?” A strange, thick smile suddenly appeared on Xu Ming’s mouth, “Why should I run?”

“Huh!?” Yang Wei was startled suddenly, an extremely unpleasant feeling rose in his heart inexplicably. But then, Yang Wei laughed at himself, “I have too much heart! Can’t Xu Ming resist in such a situation?”

“Xu Ming!” Yang Wei shouted violently, “Quickly surrender, maybe we will be a little more merciful to you!”

“Really?” Xu Ming smiled strangely, “Yang Wei, I will return the original words to you too – surrender quickly, maybe I will be a little more merciful to you guys!”

“Hahahaha...” Yang Wei couldn’t help laughing, “Xu Ming, don’t you have a clear view of the situation in front of you? – Even if you have a lot of Dao Talismans, but you won’t be able to inspire a few times at all, you will be swarmed by us and subdued! ”

“Really?” Xu Ming smiled meaningfully, “You try!”

“Huh?” Yang Wei’s face suddenly sank, “Xu Ming, since you are stubborn, don’t worry, after I capture you, I will definitely give you the most gracious hospitality!”

Yang Wei hinted around.

“kill!”

The mental power of hundreds of masters, almost simultaneously transformed hundreds of pairs of palms and captured Xu Ming.

Xu Ming will at most use one or two more Dao Talismans, and he will be captured!

But at this time, Xu Ming smiled.

Very calm smile!

“A bunch of idiots!”

Swish!

Xu Ming took out a Taoist talisman without haste, and directly stimulated it.

But the difference is that this time, Xu Ming didn't smash at any master in the Purple Moon Holy Land, but at... himself!

Yes... smash yourself!

“Smashing himself with the Daoist Talisman?” Yang Wei was stunned, “Could it be that this Xu Ming would be humiliated by us not far from his death? So, he chose to commit suicide when he saw that he was about to be captured by us? – This is also Too strong, isn't it!”

Yang Wei really didn't expect such a scene to happen.

Chapter 476: , What Is “Hao”?

Does Xu Ming want to commit suicide?

Of course not!

boom!

A large amount of Dao Talisman in Xu Ming's hand was ignited directly; it turned into a raging flame several feet high, burning in the palm of his hand.

Xu Ming smashed the large amount of flames at himself, and in an instant, his body was covered with layers of flame shields.

“This is...” Yang Wei's eyes widened, “Defense Daoist Talisman!?”

If there is an attacking talisman, there will naturally be a defensive talisman!

Although the defensive talisman was more precious than the attacking talisman, it was also piled up like a hill in Xu Ming's collection ring.

Xu Ming has dozens of defensive talismans; he has dozens of layers of defensive shields on his body!

And each layer of defensive shields is enough to withstand a full-strength blow from an ordinary half-step Taoist!

"That's right, it's the defensive talisman!" Xu Ming sneered.

"Unexpectedly, you not only have a lot of attacking talismans, but you also have defensive talismans... It seems that you must have had some great opportunities!" Yang Wei's eyes were cold, "However, with such a small number of defensive talismans, Do you want to block our attack?"

"So much?" Xu Ming couldn't help sneering, "Who told you that's all?"

"Don't you... have?" Yang Wei was surprised.

Defending Dao Talismans is extremely difficult to refine, much more difficult than attacking Dao Talismans! So, to be able to take out dozens of sheets at a time is already very impressive!

"There's still 'a little'!" Xu Ming said modestly.

"One point?" Yang Wei suddenly relaxed, "If it's just one point, then you'll be free..."

Yang Wei was about to let Xu Ming go out of his way to let Xu Ming be captured; but as he spoke, he realized that something was not right – at that time, Xu Ming's attacking talisman was also "a little bit more"; as a result, he brought out several baskets of attacking talismans.

"Shouldn't he... also bring out a few baskets of defensive talismans?" Thinking of this, Yang Wei was horrified.

And Xu Ming did not disappoint Yang Wei!

Before Yang Wei could finish speaking, Xu Ming brought out a basket of Taoist Talismans from the collection ring! – A basket full of defensive talismans!

Without saying a word, Xu Ming grabbed a few large bundles and smashed them on himself, fearing that there were thousands of them.

The flame shield formed by the activation of the defensive talisman is as thin as paper.

but!

Thousands of “papers”, that is also very thick!

Wearing thousands of layers of protective shields, Xu Ming felt a sense of security.

“Come on, come and besiege me!” Xu Ming said very cheaply.

“This... Nima!”

The disciples of the Purple Moon Holy Land felt pain in an instant—Xu Ming is so cheap!

What makes them even more painful is that they are not as cheap as Xu Ming!

Thousands of layers of protective shields of the half-step rank! – Even if the hundreds of geniuses in the Purple Moon Holy Land join forces to attack, it will not be broken in a while!

Moreover, Xu Ming also carried a basket of defensive talismans in his hand, and he could turn “thousands of sheets of paper” into “tens of thousands of sheets of paper” at any time!

“I rely on!”

“Pervert!”

...

The geniuses of the Purple Moon Holy Land covered their faces and sighed in succession. In their lifetime, I am afraid they will never encounter a pervert more perverted than Xu Ming!

If you don't agree, you put thousands of layers of defensive talismans on your body... Brother Ming, have you ever thought about how your opponent feels?

"Huh? Aren't you going to beat me?" Xu Ming begged for a beating more and more cheaply.

beat?

The geniuses of the Purple Moon Holy Land just want to say—fuck it!

Thousands of layers of defensive shields, plus a basket of unused defensive talismans, the disciples of the Purple Moon Holy Land... despair!

"Don't you fight? – Since you don't want to beat me, I'll have to beat you!"

Xu Ming smiled cheaply, waved his hand, and another basket of attacking Taoist talismans appeared beside him.

A basket on the left is attacking the Dao Talisman!

On the right is a basket of defensive talismans!

"I rely on!"

Xu Ming's posture made Yang Wei's eyes pop out in shock. He shouted repeatedly: "Withdraw! Everyone, quickly withdraw!"

What is the use of reminding about running away?

The disciples of the Purple Moon Holy Land, when they saw Xu Ming carrying out a large basket of attacking Dao Talismans, didn't need to remind them, they just ran away on a conditioned reflex!

only...

“escape?”

Xu Ming sneered: “After finally waiting for you guys to come out, do you still want to escape back?”

Xu Ming, who had been prepared for a long time, threw his hands into the sky.

Immediately, an overwhelming “instant” array flew out of Xu Ming’s acceptance ring! —It’s all half-step Dao-level trapped arrays, densely packed, with hundreds of pieces!

boom! boom! boom! boom! ...

The overwhelming formation plate exploded directly in mid-air.

Hundreds of layers of half-foot-level trapped formations!

come!

Bang! Bang! Bang! ...

Many disciples of the Purple Moon Holy Land, because they escaped too quickly, one of them didn’t pay attention, slammed into the wall of the trapped formation, and then bounced back with a confused look.

“Sleepy... Trapped...” The disciples of the Purple Moon Holy Land were completely stunned by Xu Ming’s wave after wave of “entrenchment” actions.

Trapped, not so scary!

but...

Hundreds of layers of trapped formations would be terrifying!

Even if the disciples of the Purple Moon Holy Land were allowed to break through there, they would probably have to burst into tears...

What's more, Xu Ming wouldn't let them break through the formation comfortably!

"Flee! If you have the ability, you can escape!" Xu Ming's expression was completely cheap to the core!

Terribly cheap!

escape?

The disciples of the Purple Moon Holy Land just want to cry—Big Brother, you have already set up hundreds of layers of traps, how can you tell us to escape! ?

"Don't run away?" Xu Ming sneered "kindly".

In the eyes of the disciples of the Purple Moon Holy Land, his smile was like a messenger from hell.

"Since there is no escape, then honestly line up and wait for me to blow up one by one!" Xu Mingjian smiled.

The disciples of the Purple Moon Holy Land were shaking all over, and they didn't know if they were angry or scared.

"Xu Ming!" Yang Wei shouted angrily, "Don't deceive people too much!"

"Too much bullying? – Humph! You all forgot when you wanted to bully me? It's just that your fists are not as hard as mine, and I bullied them in turn... Now you say the words 'too much bullying', isn't it too ridiculous?" Xu Ming sneered disdainfully, "Besides, I'm just bullying people too much, just bullying you, so what!?"

“You...you...” Yang Wei was furious to the extreme, “Fellow brothers, fight with him! Even if he is bombed, he will waste a little more Taoist talisman!”

“Yes! Fight!”

“If you want to blow us up, you have to make him pay the price!”

“Kill!”

...

The disciples of the Purple Moon Holy Land The goal now is not to crippling Xu Ming, but to consume as many talismans as possible from Xu Ming before being crippled by Xu Ming...

“Want me to consume more Dao Talisman?” Xu Ming sneered, “Do I care about this Dao Talisman?”

Without saying a word, Xu Ming picked up the whole basket of defensive talismans and smashed it on him.

His body was covered with tens of thousands of layers of flame shields at once!

Then, Xu Ming bought a small bench of the best Taoist level from the artifact store, sat down leisurely, crossed Erlang’s legs, and said, “Come on! You can play for half an hour first! – Wait until you are tired. Come on, be honest, I’ll blow you up one by one!”

The disciples of the Purple Moon Holy Land were immediately speechless when they looked at the tens of thousands of layers of flame shields on Xu Ming’s body that were thicker than the wall...

What is a “groove”?

It’s called “groove”!

Don't you want to consume my Dao Talisman? —Come on, just consume it, Brother Ming, I am a lot of Taoist symbols!

Chapter 477: , It Is Necessary For You To Take A Look

Fight or not?

The disciples of the Purple Moon Holy Land are really in pain.

The enemy is begging to fight in front of them, but they do not fight, nor do they fight...

“Still...” Yang Wei hesitated for a while, and finally decided, “Let's break through and escape!”

Hundreds of layers of trapped formations are better than tens of thousands of layers of defensive shields, right?

“Breaking the formation?” Xu Ming disdainfully moved out a large basket of formation plates—all of them were “instant-type” trapped formation plates.

“Break it, I'm here to watch!” Xu Ming said leisurely with Erlang's legs crossed.

Yang Wei's face sank – Xu Ming was just kidding them!

The disciples of the Purple Moon Holy Land were also completely desperate.

Break the formation? -Xu Ming has a big basket of arrays and is playing with them.

Besieging Xu Ming? -Xu Ming has tens of thousands of layers of defensive talismans on his body, and he may not be able to break through it for half an hour.

For a time, the disciples of the Purple Moon Holy Land were all stunned, not knowing what to do.

“You guys don’t know what to do?” Xu Ming sneered, “Since that’s the case, then it’s my turn to take action!”

Xu Ming picked up the basket full of attacking talismans and stood up leisurely.

He smiled brightly and cruelly: “Separation!”

“Ming...Brother Ming!” At this moment, in the Purple Moon Holy Land, a soft-headed disciple smiled flatteringly, “Go...can you be a little lighter?”

“Take it easy?” Xu Ming glanced at the soft head. He probably had the strength to break through the eighth floor of the Tongtian Tower.

Seeing his sincere attitude of begging for mercy, Xu Ming was also magnanimous.

Xu Ming took out ten Dao Talismans and smashed them.

boom!

This cartilaginous head was blown up like a flower.

After being bombed, not only was he not annoyed, but he continued with a flattering smile: “Thank you Brother Ming for your mercy! Thank you Brother Ming for your mercy!”

A hard-boned disciple next to the soft head sneered disdainfully: “The cowardly rat!”

Then...

This tough guy also softened instantly, looking at Xu Ming eagerly: “Brother Ming, can you be gentle with me too?”

boom!

This hard-bone was also bombed with brilliant flowers.

“Aren’t you very hard-hearted?” The soft head said contemptuously.

“What do you know!?” Hard boned voice transmission shouted, “I am called a man, a man who can stretch and bend!”

“Eh...” The head was speechless.

“Humph!” Hard bone continued, “Did you see that now, isn’t my waist straight again? Didn’t I get stiff again?”

“Okay... If you’re tough, I’ll take it!”

...

Xu Ming carried the basket and walked all the way, bombing all the way; according to the strength of his strength, this one bombed him with ten Taoist Talismans, and the other bombed him with twenty Taoist Talismans.

After a while, the hundreds of disciples in the Purple Moon Holy Land were all crippled by bombing.

Xu Ming put away the “bomb” with satisfaction, and sneered: “Everyone in the Purple Moon Holy Land, now, do you know that Brother Ming is so powerful? Will you dare to provoke Brother Ming and me in the future?”

“No... I don’t dare!” Many disciples of the Purple Moon Holy Land agreed.

The entire Purple Moon Holy Land has completely succumbed to Xu Ming’s lewd power!

Oh no, how can it be called prostitution? It should be... Divine Might!

Yes, God!

“Just don’t dare!” Xu Ming thought about it and said, “Since I’ve bombed all of you, then I’m too lazy to continue playing with you! – After all, Brother Ming, I’m very busy, and I still have to. Cultivation, but I don’t have time to really stare at you and block!”

“Um?”

When the disciples of the Purple Moon Holy Land heard the words, they were slightly startled at first, and then they were all overjoyed.

“Ming... Brother Ming? What do you mean, we won’t be blocked in the future?” Roantou said in surprise.

“Brother Ming, I’m not so free!” Xu Ming said angrily, “However, I also advise you – don’t mess with me again! Otherwise, I won’t be as easy to talk as this time!”

good talk?

The disciples of the Purple Moon Holy Land are all silently smiling bitterly – you have blown up all of us and maimed us. If it’s not good to speak...

“Then this time, let’s do it! The grievances between our two sides will end here!—Is there any opinion?” Xu Ming glanced at everyone.

Wherever the eyes passed, no one dared to look at him, and all lowered their heads in awe.

“It’s okay if you don’t have any comments, that’s good!” Xu Ming sneered, waved his hand to remove the trapped formation, and was ready to leave.

The hundred geniuses in the Ziyue Holy Land watched Xu Ming, the killing god, leave with awe.

but...

Xu Ming didn’t take a few steps before he stopped again.

“Um!?”

Hundreds of geniuses in the Purple Moon Holy Land couldn't help trembling all over, thinking to themselves, “What does this killing ***** want to do? Is it going to... hit us in the face?”

Everyone suddenly remembered that Xu Ming was known as the “God of Palms”; hitting people without hitting the face was not his style!

And this time, the palm ***** only hit the person, but forgot to hit the face!

Thinking that they might be slapped in the face, many geniuses covered their faces in horror.

“Hey...” Xu Ming couldn't help sneering—look at the frightening of these poor children!

Xu Ming was not bored, so he deliberately turned around and slapped them in the face.

Besides, if “Palm God” really wants to slap them, can covering his face help? – No matter how tightly you cover it, the palm of your hand can make you slap it!

In the terrified eyes of the geniuses, Xu Ming turned his attention to Yang Wei.

“Yang Wei...” Xu Ming looked at Yang Wei, who was crippled by the bombing, and then at the green hat on his head, “I think there is something, I still need to show it to you!”

“Huh?” Yang Wei couldn't help but wonder, “What?”

Xu Ming smiled mysteriously, and a jade slip appeared in his hand: “It's this thing!”

“Jade slip?” Yang Wei wondered.

“Yu Jian!?” Lin Chen who was not far away suddenly thought of something, and couldn't help but turn pale.

“Xu Ming!” Lin Chen continued, “Didn’t you return the jade slip to me? Why do you still have it!?”

Xu Ming smiled disdainfully: “It’s a bit troublesome to copy a jade slip of a water curtain image, but it’s not impossible!”

“You...” Lin Chen was stunned, “You are so shameless! I gave you the battleship, yet you are still playing such tricks on me!”

“Haha!” Xu Ming laughed, “I’m shameless? – I didn’t intend to take out this jade slip! However, you dare to do anything on the battleship, so... don’t blame me for being rude!”

“You...” Lin Chen was speechless.

Yang Wei was at a loss – what are these two people talking about?

Xu Ming threw the jade slip directly to Yang Wei, and said with a meaningful smile: “Enjoy it!”

“Eh?” Yang Wei took the jade slip in doubt.

“Okay, it’s alright, I’m really leaving now!” Xu Ming laughed and walked away.

The disciples of the Purple Moon Holy Land all breathed a sigh of relief—it would be good if they weren’t slapped in the face!

However, a few years later, when Xu Ming became the supreme existence of the entire human race, the geniuses who are glad that they were not beaten in the face are all regretful!

And those who have been slapped by Xu Ming are all complacent – “Palm God” Xu Ming’s slap, can you get it if you want to? In this life, being able to endure one is a great luck!

All the disciples breathed a sigh of relief in unison, but there was only one person who was so nervous that his heart was in his throat.

He is Lin Chen!

Lin Chen walked up to Yang Wei with a guilty conscience, and said with a haha, “Brother Yang Wei, this jade slip is nothing to look at, why don’t you destroy it...”

Chapter 478: , Slightly Bigger Than You!

“Senior Brother Yang Wei, this jade slip isn’t anything to look at, it’s better to destroy it...”

As Lin Chen spoke, he stretched out his hand impatiently, wanting to take away the jade slip from Yang Wei’s hand.

“Huh!?” Yang Wei blocked the jade slip, and at the same time, puzzled but dissatisfied, he snorted heavily, “What are you doing!?”

Lin Chen shyly withdrew his hand.

Yang Wei glanced at him dissatisfiedly: “What is it? You don’t want me to see it?”

With that said, his mental power began to seep into the jade slip.

What is recorded in the jade slip is a water curtain image. The mountains are vast, and a man and a woman cuddle with each other, like a couple of gods.

“Huh? This is...” Yang Wei’s expression changed immediately.

Isn’t the female cultivator in the picture the wife Yan Yuxing he has been thinking about day and night?

“Yuxing, actually snuggling with Lin Chen?” Yang Wei’s face was extremely ugly!

He is not stupid, and seeing this, he naturally understands something.

“Lin Chen!!”

Yang Wei’s eyes spit fire, and he continued to watch with gritted teeth.

In the picture, the pair of “fairy lovers” soon began to undress, and soft cries began to sound; then, there was a “hand-to-hand fight” between the men and women for a breathing time!

“This...” Yang Wei was completely dumbfounded.

“No...it’s impossible!”

“It can’t be true...”

“Yuxing, she is so pure and clean, how could she do such a thing?”

...

Yang Wei couldn’t believe that Yan Yuxing, who was the purest in his heart, would have an affair with Lin Chen... behind his back!

In his heart, he screamed wildly: “Impossible! Impossible! Impossible!”

“Yu Xing absolutely can’t be this kind of slut!”

“This water curtain image is absolutely fake!”

“It must be fake!”

“It must be Xu Ming who deliberately created this fake water curtain image to provoke the relationship within our Purple Moon Holy Land...”

“Yes, it must be so!”

Thinking of this, Yang Wei's eyes flashed, as if he had caught a life-saving straw: "Fake! Fake!"

Then, with a grim expression, he looked at the water curtain image again: "Fake!"

After watching it for the second time, he watched it for the third time: "It's fake!!"

Lin Chen was on the side, not daring to say a word at all.

He looked at Yang Wei's face with trepidation, it changed from time to time, and kept praying in his heart: "No... It's not easy to copy the jade slip, Xu Ming probably didn't copy my jade slip! So... Yang Wei's hand The jade slips in it must be fake! I must calm down, and I can't mess up, lest Yang Wei see the clues!"

Thinking of this, Lin Chen forced a calm look, as if he had never done anything wrong.

At this time, Yang Wei's hideous face also became calm.

Calm like a dead man.

"Lin Chen!" Yang Wei threw the jade slip directly to Lin Chen, his tone was flat like water, "Look, the image of the water curtain in this jade slip should be fake, right?"

"Oh?" Lin Chen took it curiously and looked at it.

Just as his mental strength penetrated into the jade slip, he saw the vast mountains in the image of the water curtain; his hands could not help but tremble slightly—the "art work" he took, of course, he was familiar with the scene inside.

Immediately after that, it was the scene of Lin Chen and Yan Yuxing, the "fairy couple", leaning against each other on the top of the mountains...

"Hey—" Lin Chen couldn't help but tremble in his heart, but on the surface, he still forced his composure, pretended to be surprised, and continued to watch.

At this time, Yang Wei's plain and watery voice sounded again: "How is it, is it fake?"

fake?

Lin Chen's heart trembled again, of course it was... Really!

But at this time, Lin Chen definitely couldn't say it was "true"; he repeatedly said, "It must be false!"

"Well..." Yang Wei had a murderous look in his eyes, and hummed, "Then Xu Ming, using such a low-level despicable method to provoke our relationship! It's ridiculous..."

"That's right!" Lin Chen also said with righteous indignation and justice, "How could I do such a cowardly thing!"

Yang Wei hummed secretly.

Then, his tears could not help falling.

"Senior Brother Yang Wei?" Lin Chen asked "concernedly", "What's wrong with you? Are you okay? – Is it Xu Ming's despicable tactics that made you cry?"

The other disciples also surrounded him: "Then Xu Ming, what despicable means did he use to make Senior Brother Yang Wei cry!?"

Angrily crying a half-step Taoist who broke through the tenth floor of the Tongtian Tower, this is even harder than killing him! After all, how firm and terrifying the willpower of the Half-step Dao Venerable is, how can it be so easy to cry in anger?

"Lin Chen, show us the jade slip, what exactly is inside?" The other disciples asked curiously.

"Show you...?" Lin Chen's mouth trembled – Nima, can this kind of thing be widely circulated?

Lin Chen couldn't help but turn his attention to Yang Wei.

“Look at the fart!” Yang Wei scolded, while continuing to look cold and tearful.

fake?

How much Yang Wei hopes, this is true and false...

However, Yang Wei couldn't deceive himself!

Of course, Yang Wei wasn't familiar with Lin Chen's body, and he didn't want to know what it looked like. But... Yan Yuxing's body, as well as some features of her private parts, doesn't he know about Yang Wei?

Of course Yang Wei knew it all!

Moreover, it should be the only one who knows!

But!

Yang Wei looked at the image of the water curtain in the jade slip and was certain—the person in the image was definitely his wife, Yan Yuxing!

Afraid that he would get confused and read it wrong, Yang Wei had to read it three times in a row in disbelief.

After watching it three times, I also confirmed it three times—it was Yan Yuxing, no doubt!

So, here comes the question – if it is Xu Ming's forged water curtain image, then why can he fake all the private parts of Yan Yuxing's body so well?

Therefore, the answer is about to come out – this water curtain image is not fake, but...

real!

It can't be more true!

Even if Yang Wei shouted madly and weakly – it's fake! is fake! Can't hide the truth.

It's real, it's real, it can't be fake!

At the same time, some other answers also surfaced—Lin Chen, why did he give Xu Ming a low-grade Zunqi-class warship?

Obviously, Xu Ming must have obtained this jade slip from Lin Chen; Lin Chen reluctantly gave away a battleship in order to redeem the jade slip!

Yang Wei remembered again, when the younger brother reported to him, he did mention that when Lin Chen was robbed by Xu Ming he refused to hand over his treasure, and even wanted to destroy it. Drop a piece of jade slip.

It seems that the jade slip that Lin Chen wanted to destroy at that time recorded this water curtain image!

In addition, just now, when Lin Chen and Xu Ming were talking, he blurted out a sentence – didn't you return the jade slip to me? Why are you still there! ?

The "Jade Slip" that Lin Chen was referring to was undoubtedly recorded in this water curtain image.

All the evidence points to – the water curtain image recorded in this jade slip is absolutely true!

Yang Wei couldn't describe what kind of mood he was in right now.

Sad to die?

Angry?

Gloomy despair?

...

Can't even tell!

Yang Wei only felt that his life was bleak! There is no interest in the road of martial arts.

“Does life still have meaning?”

Yang Wei even had such a thought, and this thought kept circling and magnifying in the depths of his mind!

Cultivation to become stronger, for what? – Not for the one you love!

But now, the loved one, betrayed!

So...

Cultivation, does it have any meaning?

Does the road of martial arts still have any meaning?

Is there any meaning to living?

No!

Yang Wei's murderous eyes suddenly became extremely calm – so quiet that it was suffocating.

“Lin Chen.” Yang Wei suddenly shouted, his tone was very gentle.

“Senior Brother Yang Wei?” Lin Chen looked puzzled.

Unexpectedly, Yang Wei actually praised Lin Chen's "embroidery needle": "Your bottom is quite big!"

Hearing such a compliment, a man will get carried away.

Lin Chen even laughed and said, "Slightly older than you!"

Chapter 479: , Seeds!

"Slightly older than you!" Lin Chen smiled complacently, "Ha, ha ha, ha..."

However, smiling and laughing, he realized that something was wrong in the atmosphere. At this time, Yang Wei's face was completely cold, like a zombie; he looked at Lin Chen as if he was looking at a dead person.

"Slightly bigger than me?" Yang Wei's voice was so cold that he felt heartbroken, "How do you know how big my bottom is?"

"This...this..." Lin Chen was suddenly dumbfounded.

He can't say that it was your wife who told me!

"Lin Chen..." Yang Wei's aura was also icy cold.

Lin Chen couldn't help trembling heavily, and quickly said, "Senior Brother Yang Wei, there must be a misunderstanding! There must be some misunderstanding in this one!"

"Misunderstanding?" Yang Wei smiled grimly – do you really think he is a fool?

Seeing that the situation was not good, Lin Chen hurriedly said, "Senior Brother Yang Wei, listen to me explain to you..."

"explain?"

Need an explanation?

The more Yang Wei thought about it, the more angry he became.

Anger arises from the heart, and evil grows towards courage.

“Lin Chen!!”

Suddenly, Yang Wei burst out without warning.

boom! !

An extremely furious sword slammed into Lin Chen’s head directly.

In an instant, Lin Chen’s head burst like a watermelon, and he couldn’t die any longer!

The surrounding disciples were stunned!

They never thought that Yang Wei would suddenly explode and kill Lin Chen directly.

“Senior Brother Yang Wei, you are...”

All the disciples took a few steps back in fear and looked at Yang Wei with horror.

Yang Wei’s face was expressionless, there was no joy after revenge, and no fear after murder. He only felt that life was bleak and hopeless, and he no longer cared about everything around him, even his own life and death.

th!

Like a walking corpse, Yang Wei took off the Na ring in Lin Chen’s hand, refining it in an instant, and then found the original “AV Jade Slip” inside. His spiritual power penetrated in, and when he

saw the image of the water curtain inside, he became more and more certain that Lin Chen had **** with his wife.

“Hehe, sure enough, there was no mistake in killing!” Yang Wei sneered softly.

At this moment, a vision suddenly appeared in the sky of the kingdom of God.

rumbling...

The dark clouds that contained the terrifying coercion of the Heavenly Dao were rolling in and out. Countless golden powers of the Heavenly Dao Law shuttled through the dark clouds.

“Yang Wei!”

A majestic voice that was as heavy as a dull thunder without any emotion resounded under the sky.

“You should be severely punished for killing other geniuses in the kingdom of God!”

clap la la...

A golden chain condensed by the power of Heavenly Dao hangs down from the endless dark cloud and binds to Yang Wei.

“Ha, haha...” Yang Wei laughed frantically, with tears in his laughter, without resisting at all.

He knew that this golden chain was not something he could avoid. Don’t talk about him, even if the Dao Master is almighty, he can’t escape!

If you can’t dodge it, then you can catch it!

clap la la...

The golden chains wrapped around Yang Wei and dragged him directly back into the dark cloud.

The geniuses of the Purple Moon Holy Land were all stunned by the sudden changes that followed.

“what’s the situation?”

They didn’t know what happened between Yang Wei and Lin Chen. How to say they turned their faces and turned their faces... Suddenly, Lin Chen died on the first day of Ziyue Holy Land; Yang Wei, the first master, was killed. grab.

“Senior Brother Yang Wei, it seems that he went crazy after seeing the jade slip that Xu Ming gave him...”

Everyone is curious, what secrets are hidden in this jade slip?

Suddenly, everyone picked up the jade slip on the ground and looked at it.

...

“Yang Wei killed Lin Chen!”

This heavy news spread like wildfire in the kingdom of God.

“What? Yang Wei killed Lin Chen?”

Many people were in disbelief when they first heard the news.

“Isn’t Lin Chen the first genius of the Purple Moon Holy Land? Yang Wei is also from the Purple Moon Holy Land, why did you kill him?”

“Yes! Is Yang Wei crazy!?”

“This time, Ziyue Holy Land is really going to cry to death! – Lin Chen is a genius of the entire human race once in 10,000 years. Ziyue Holy Land may not produce such a genius in hundreds of thousands of years! Just die like this. Is it too wrong?”

“Ziyue Holy Land will definitely cry to death! With Lin Chen’s talent, the hope of becoming a Taoist master in the future is very, very great; killing Lin Chen by Yang Wei is equivalent to killing a future Taoist master!”

“It’s more than that! You know, Yang Wei’s own talent is not weak, and there is some hope of becoming a Taoist master; even if it is not good, it is definitely the top existence among Taoists! – In other words, Yang Wei’s impulse to kill , Ziyue Holy Land has lost at least one Taoist master and one top Taoist priest; even, there may be two Taoist masters lost...”

“Impulse, it really is the devil...”

“That’s not right! – Isn’t Yang Wei always calm, why is he so impulsive this time?”

When the news spread, everyone was very confused.

“It seems to be related to Xu Ming!”

“Xu Ming? – Is that the one who made trouble in the battle of Taoism?”

“That’s right, it’s him!”

“But...it has something to do with Xu Ming, then, why didn’t Yang Wei kill Xu Ming, but Lin Chen instead?”

Everyone is more and more puzzled I know the inside story! “Suddenly, a proud voice sounded.

Immediately, many curious experts gathered around this proud voice and urged them one by one: “What’s the inside story? Tell me now!”

“Yes! Tell me now! What the **** is going on?”

“This matter is a long story! I’ll start with Lin Chen going to Xu Ming’s residence to find something...”

This proud voice spoke eloquently about the cause and effect.

When everyone heard it, they felt like they were listening to a book!

“What? Lin Chen actually messed with Yang Wei’s wife?”

“Did you take a picture of the water curtain?”

“The jade slip that recorded the image of the water curtain was snatched by Xu Ming?”

“Xu Ming also copied a jade slip?”

“Finally, did Xu Ming show the jade slip to Yang Wei?”

...

After listening to it before and after, the onlookers of the good thing sighed with emotion: “Lin Chen, it’s not wrong to die...”

“It’s not wrong! – He killed himself, too good at playing!”

“On the top of the mountains, playing with other people’s wives, and taking pictures of water curtains... Tsk tsk, it sounds exciting!”

Lin Chen’s death was directly regarded as a joke, and it was widely spread throughout the kingdom of God.

Suddenly, some onlookers had an idea, and their eyes lit up: “What, who has the water curtain video of Lin Chen playing with Yang Wei’s wife?”

Immediately afterwards, many people responded.

“Yeah, who has that water curtain image, share it and see!”

“Lele alone is not as good as everyone, please share it, watch and learn together!”

“Please share!”

“Ask for seeds!”

“Kneeling and begging for the seeds of the gun on the top of Lin Chen’s mountain!”

“Tearfully kneel and beg Teacher Lin Yujian!”

...

Chapter 480: , 6 Steps Road Gentleman

Lin Chen’s death was widely spread throughout the kingdom of God.

However, Xu Ming, who directed this “big drama”, did not listen to things outside the window, hid his merits and fame, and continued to cultivate silently.

Lin Chen? Yang Wei? – But it’s just two little dragons that Xu Ming encountered on the road of martial arts, not enough to make Xu Ming take it to heart.

...

Xu Ming’s realm has already reached the five-step Taoist master.

After comprehending the chaotic stone carvings for a few days and rushing to the Tongtian Tower for a few days, his understanding of the way of heaven has logically entered the six-step Taoist master!

“Six-step Daoist so soon...”

The speed of Xu Ming's improvement is simply appalling!

“It is said that in the kingdom of God, the speed of cultivation is ten or a hundred times that of the outside world, and it is true!”

Six-step Daoist...

If Xu Ming goes a step further, he will be a half-step Daoist!

However, Xu Ming found that after reaching the Six-step Daoist Monarch, it would be many times more difficult for the realm to continue to improve!

“The road of martial arts, as expected, the further back you go, the harder it will be to walk!”

Even with the help of a plug-in, Xu Ming felt the difficulty of the martial arts road!

However, hard times are normal!

The road of martial arts is an extremely difficult one; only the geniuses with the most monstrous innate intellect and the strongest will of martial arts can keep going until... they become gods! Immortal!

“Actually... Stepping into the Daojun level is just the first time you have come into contact with martial arts!” Xu Ming couldn't help expressing such emotion.

really.

Before Daojun, the understanding of martial arts was extremely superficial. Until I stepped into Daojun, I just started to come into contact with the essence of the operation of heaven and earth, that is, the essence of martial arts.

The road of martial arts is endless; the laws of heaven are like a sea of smoke. Although Xu Ming has reached the six-step Taoist master, in fact, to put it bluntly, he is only groping on the fur of martial arts.

However, with Xu Ming's talent and speed of improvement, he can definitely break through the essence of martial arts and become a god!

"Continue to comprehend the Chaos Stone Carving!"

After a few days of consolidating the retreat, Xu Ming entered the Chaos Hall again!

"The treatment of 'Million Year' geniuses is really cool!"

The more times he comprehends the Chaos Stone Carvings, the more Xu Ming realizes how precious the Chaos Stone Carvings are!

"If I were like other geniuses, in ten years, I could only comprehend the chaotic stone carvings for one or two days; then, my speed of improvement would never be so fast!" Xu Ming sighed with emotion, "In ten years, I can comprehend chaos. A hundred days in stone—that's ***** cool!"

In the kingdom of God, for the geniuses of the Daojun level, the most precious thing is undoubtedly the time for enlightenment of the chaotic stone carvings! – After all, every extra time of comprehension is an extra comprehension of Heavenly Dao!

By the time Xu Ming came out of the Chaos Hall again, his enlightenment time had taken twelve days in total!

"It's only been half a year since I came to the Kingdom of God... It took me twelve days!" Xu Ming felt a little distressed.

Although he has 100 days to comprehend, this is the share of 10 years; if he runs out, he will have no comprehension in these 10 years!

If you can't comprehend the chaotic stone carvings, it is conceivable that even Xu Ming's cultivation speed will definitely decline seriously.

"I heard that during the qualifying battle, if you are ranked higher, you can also reward a lot of enlightenment time!"

In order to understand the time, Xu Ming felt that in the qualifying battle in five years, he had to perform well no matter what!

“Go, keep climbing the tower!”

What Xu Ming wants to climb is the seventh floor of the Tongtian Tower!

As for the sixth floor, as early as when he had just reached the sixth-step Daojun, he rushed through it!

Outside the Tongtian Tower, Xu Ming met Yun Fan, an old acquaintance.

“Xu...Xu Ming!” Yun Fan looked at Xu Ming in fear.

Today, Xu Ming’s fierce reputation has spread far and wide in the kingdom of God. As long as Xu Ming is mentioned, people will immediately think of—

madman!

Absolute lunatic!

If you disagree with each other, you will hit someone with a Dao Talisman! Blow people up!

Really crazy, and even hit himself with the Dao Talisman!

In addition to smashing the Dao Talisman, it will also smash the array plate! It’s all crazy! Brainless smash!

In two words – crazy! trench!

Therefore, no matter who sees Xu Ming, they dare not act too arrogant; for fear of accidentally angering Xu Ming, a lunatic!

As for a cat and a dog like Yun Fan, who had just entered the kingdom of God, when he met Xu Ming, he was even more frightened! Even, even speaking, it is not very neat!

This is Brother Ming's deterrent power!

"Isn't this Yun Fan?" Xu Ming glanced at him casually, but did not give him a good look.

After all, Yun Fan once helped Lin Chen and dealt with himself. For the enemy, Xu Ming naturally did not need to give a good face.

"Where is Chuangtongtian Tower?" Xu Ming asked casually.

He also wanted to know how much improvement this genius, second only to Lin Chen, had entered the Kingdom of God for half a year.

"Not bad!" Yun Fan tried his best to be neither humble nor arrogant.

"How many floors have you broken through?" Xu Ming asked again.

"I've already passed the fourth floor!" Yun Fan couldn't help but proudly said.

"Fourth floor..." Xu Ming remembered that the last time he met Yun Fan, he had only crossed the third floor.

However, Yun Fan was originally a four-step Daoist, and it was not surprising that he passed the fourth floor; on the contrary, it was a shame that he failed to pass the fourth floor last time.

Therefore, Xu Ming was very curious, where did this Yun Fan come from?

"How many floors did you pass through?" Yun Fan couldn't help asking.

In his opinion, the only thing he can do better than Xu Ming is climbing the tower!

“I...” Xu Ming smiled and didn’t answer.

Xu Ming has already passed the sixth floor, this time, he is here to attack the seventh floor!

However, Xu Ming took into account that if the news of his passing through the sixth floor was spread, it would be too shocking; and the point was that even if he said it, others would not believe him, but would think he was bragging!

And lying about the number of layers is meaningless, so Xu Ming chose to laugh and not answer.

Xu Ming didn’t say it Yun Fan naturally thought that Xu Ming had not crossed a few floors, so he was ashamed to say it.

“Didn’t you just pass through the first floor?” Yun Fan’s words were not without contempt.

However, Yun Fan didn’t dare to despise it too obviously; after all, if he annoyed Brother Ming, it would definitely be himself!

Xu Ming was too lazy to explain anything to a cat and a dog, and with an intriguing smile, he turned around and entered the Tower of the Wind.

Seeing Xu Ming entering the Tongtian Tower, Yun Fan couldn’t help sneering at the air: “I’m too embarrassed to say it, it must have been a few floors! – I’ll say it, like this kind of people who use special means to improve their strength. , After entering the Tongtian Tower, the original shape is revealed!”

Thinking of this, Yun Fan couldn’t help but scorn for a while: “The understanding of the Tao of Heaven is the foundation; other means are all sideways—this Xu Ming is only a sidewalk, and on the road of martial arts, it is destined to not go far! I’m behind him now, but it’s only temporary; in the future, I’ll definitely be the one he looks up to!”

However, how did Yun Fan know that the reason why Xu Ming didn’t say it was not because he was ashamed to say it, but because he climbed too high, and Yun Fan wouldn’t believe it when he said it, so he simply didn’t say it.
