

A World 851

Chapter 851: Weak Girl

“Girl?”

This pretty girl in red has a hint of aloofness in her eyes. But the strange thing is that her coldness does not make people feel that she is aggressive, but it is taken for granted; it seems that she should be cold in the first place.

Seeing his aura, Xu Ming couldn't help but secretly said, “This girl seems to have some background!”

Some background?

More than a few backings!

If this girl revealed her identity, she would probably scare Xu Ming to death!

“It seems that today, I'm going to destroy the flowers!”

Xu Ming is actually a bit macho, and doesn't like to fight with female-style people.

However, the virtual world is only a world of consciousness constructed with the help of the “Great Array of Intentions”. The battle in the virtual world is only a battle between conscious bodies; even if one side loses and dies, there will be no damage.

Therefore, in a place like this, Xu Ming would not have any psychological burden to abuse the girl in red.

In other words, to enter the virtual world is to compete with masters from all sides of the god's domain to improve one's own understanding. If anyone releases water, his opponent will definitely be very unhappy!

“Offend!” Xu Ming held a long spear and cupped his hands.

The fiery red hem of the girl’s clothes fluttered in the wind; in her expression, she was very calm:
“Go ahead!”

“Huh?” Xu Ming couldn’t help but startled, and said solemnly, “Why am I so embarrassed to shoot first!?”

“You shoot!” The girl in red said again, “As soon as I shoot, you will have no chance!”

“So arrogant...” Xu Ming was speechless.

However, at the same time, Xu Ming was also a little irritated.

“To be despised by a female class!” Xu Ming was secretly unhappy, “If that’s the case, then show her some great looks!”

“Look at the gun!”

swoosh—

Before he finished speaking, Xu Ming’s spear slid across the void and arrived in front of the girl in red.

Destruction mood and vitality meet into a single point at the tip of the gun.

The face of the girl in red suddenly changed slightly: “There is actually some ability! – Not bad! It’s interesting!”

call out-

The fiery red sword light flashed, and Xu Ming’s spear was split open; and Xu Ming was also split several dozen feet back.

“This sword...” Xu Ming suddenly put away his contempt, “My power and her power are both limited to the level of a star god, and she can force me back with a single sword... This shows that her use of power The skills are very high!”

To put it simply: this girl’s secret swordsmanship is probably very powerful.

“Good swordsmanship!” Xu Ming roared excitedly – he entered the virtual world to sharpen his secret skills; now that he met a formidable opponent, of course Xu Ming was excited!

Moreover, under the fiery red sword light just now, Xu Ming seemed to have caught a hint of inspiration.

“As I said, as soon as I make a move, you will have no chance!” The girl spread her wings and flew towards Xu Ming like a proud phoenix.

Boom!

The fire-red sword glow flashed again.

But this time, with the passing of Jianmang, a sea of fire that flew down three thousand feet, actually blasted towards Xu Ming.

“What!?” Xu Ming was horrified – he understood that the girl’s first strike just now, I am afraid he has already shown mercy! This second sword, only came up with some real skills!

“Humph!” Xu Ming’s arrogance was aroused.

“Isn’t it just a little girl? I can’t, I can’t beat her!”

rumbling...

The destructive artistic conception and vitality on the spear actually exudes an aura similar to the “reincarnation black hole”; but it is different from the reincarnation black hole – the reincarnation black hole contains two auras of “crushing” and “devouring” at the same time, while Now this shot contains “crushing” and “cracking”.

Extreme power, extremely domineering shot!

“The feeling of this shot...” Xu Mingfu knew the name of the first type of spear, “Just call it... Tianbeng!”

The spear intent that crushed and shattered everything instantly met the monstrous sea of fire that flew down three thousand feet!

Although the strength of the two sides is limited to one-star gods, the power of this collision is obviously more than ten times more than the “one-star” level!

Even a two-star deity would be hard-pressed to take this move from both sides!

boom! !

Under the head-on collision, Xu Ming was...repulsed!

“What!?” Xu Ming was shocked and couldn’t believe it.

You must know that although Xu Ming just realized this style of “collapse of the sky”, it is already the ultimate power that Xu Ming can exert!

But even with the ultimate strength, the pretty girl in red was still blasted away mercilessly! One can imagine the horror this caused to Xu Ming!

“The same physical strength, but the extreme power that this ‘weak woman’ in front of me burst out is obviously better than mine!” Xu Ming was secretly shocked, “When I was outside the virtual world, I heard that there are masters in the virtual world. Yunji, I didn’t believe it at first... Now it looks like it’s really a master Yunji!”

is not that right!

Any “weak woman” will crush Xu Ming! This is Xu Ming, how can he not be shocked! ?

However...

The shock in the heart of the pretty “weak woman” in red is far greater than that of Xu Ming!

“He actually blocked my sword!?” The girl in red felt incredulous, “How is this possible!?”

What a status she is! ?

Xu Ming didn’t know her, but her prestige shocked the entire Yanyan Continent, and even the entire Divine Realm!

Her name is as loud as the Yanyan Continent! Because, she is... God Emperor Yan Yan!

That’s right!

God Emperor Yanyan!

The “Yanyan God Emperor” in the name of “Yanyan Continent”!

Even the Palace Master of “Red Lie Mansion” would show weakness when he saw her!

As for the City Lord of Golden Crow City... In front of God Emperor Yan Yan, he is not even qualified to be a pug!

One can imagine what kind of identity the Yanyan God Emperor is!

And now, the blow of God Emperor Yan Yan was actually blocked by Xu Ming?

“This ‘Flying Stream goes down three thousand feet’, although I have only just begun to create it, it is also the prototype of an emperor-level secret technique!” The red-clothed girl “God Emperor Yanyan” was extremely shocked, “However, he actually blocked it?”

What made Emperor Yanyan unacceptable was that She could clearly see that Xu Ming's secret marksmanship skills just now seemed to have just been created!

“Doesn't that mean that his marksmanship has also reached the threshold of an emperor-level secret skill? If not, he would never have blocked my sword!”

You must know that emperor-level secret skills can only be created by the existence of “proclaimed emperor” – such as God Emperor Yanyan, who is a very great emperor-level almighty!

And the existence of the “king” level can create emperor-level secret skills, and the entire God's Domain does not exceed the number of five fingers!

“Could it be that he is also an emperor-level existence? Or is he a heaven-defying figure in the existence of the ‘Feng Wang’?” God Emperor Yan Yan couldn't help but think, “Impossible! – No matter whether he is a ‘Feng Wang’ or a ‘Feng Wang’ The existence of the emperor will not fail to recognize me!”

There are more than “Feng Wang” in the entire God Realm, and I am afraid that there is really no one who does not know God Emperor Yan Yan!

But obviously, Xu Ming didn't know God Emperor Yan Yan!

Otherwise, Xu Ming probably wouldn't think that the girl in red before him was a “weak woman”!

Chapter 852: Comprehend In Battle

“I still don't believe it!”

Two consecutive fights were at a disadvantage, which really angered Xu Ming.

“If you don't hang up, if you can't even win a little girl from the God's Domain, then I'll be a jerk! – Come again!”

Whoosh!

Xu Ming once again killed the girl in red “God Emperor Yan Yan”.

However, Xu Ming realized that in terms of strength, he was indeed inferior to the opponent; therefore, Xu Ming changed his routine very clearly, and his marksmanship became strange and erratic.

call out! call out! call out! ...

Xu Ming’s spear, like a poisonous snake spitting out letters, left countless spear shadows in the void.

These countless gun shadows are unpredictable; but they are all fake, and it is possible that several gun shadows are real.

“This style, let’s call it ‘taking a photo’!” Xu Ming once again had an epiphany in his heart.

Taking pictures, although the focus is on weirdness and speed, it is still based on “destruction and life”; therefore, the power should not be underestimated.

“Death!” Xu Ming’s eyes were also as cold as a poisonous snake – he couldn’t bear it, with the same physical strength, he would lose to a female class!

This battle, for Xu Ming, has a faint taste of “fighting for dignity”!

“Huh?” Divine Emperor Yan Yan’s beautiful eyes narrowed slightly, “This style...”

From God Emperor Yanyan’s eyes, it is not difficult to see that the artistic conception of this style of spear is not inferior to the powerful shot just now; similarly, it has reached the threshold of “Emperor-level Secret Skill”!

“I’m really becoming more and more curious about this person!” God Emperor Yan Yan secretly said.

Xu Ming has two completely different styles of gun moves, “Tian Beng” and “Take a Photo”, and of course God Emperor Yan Yan also has it!

After all, a perfect set of secret skills, whether it is marksmanship or swordsmanship, requires first —no obvious flaws!

What does it mean to have no obvious flaws?

That is, in terms of strength, speed, defense... and so on, he is relatively good at it. In this way, it will not be easily caught by the opponent.

As an “Emperor-level existence”, God Emperor Yanyan, of course, did everything he could without leaving any flaws when he created his secret skills.

“Then try my sword!”

call out! call out! call out! ...

The sword light was like a twinkling star, constantly colliding with Xu Ming’s gun shadow.

boom! boom! boom!

The extremely dense and earth-shattering collision sound, like rumbling thunder, oppresses the entire consciousness space.

suddenly!

call out-

A sword light slid through the gap of the gun shadow.

“Not good!” Xu Ming quickly retreated.

However, Jianguang still wiped Xu Ming’s face, leaving a striking bloodstain an inch below his right eye.

“Humph!” The red-clothed girl hummed proudly, as if she was saying—Boy, you know how good I am!

But immediately, the girl in red felt that she was very unwilling, and she secretly despised herself: “Who am I? I am God Emperor Yan Yan! – Just hurt a little-known boy? Is it necessary? Are you so proud?”

Obviously, no need!

Xu Ming reached out and wiped the blood on his face: “My handsome face...”

Although Xu Ming was very reluctant to admit it, he had to accept that his strength was indeed slightly inferior to that of the girl in red!

“However... I’ve only just started to create secret skills! As long as I improve the secret skills a little bit during the battle, it’s unclear who will win and who will lose in this battle!” Xu Ming still had such confidence!

“Come again!”

Xu Ming didn’t feel at all that it was so frustrating to be at a disadvantage, on the contrary, the more he fought, the more excited he became!

“Kill!” Xu Ming was aggressive and charged up.

“Kill!” There was also a glint of excitement in the sly eyes of the red-clothed girl, “I just started to create a new emperor-level secret skill, so I entered ‘Yixingtian’; I never imagined that I would encounter such an opponent!”

God Emperor Yan Yan often entered the virtual world. Of course, in most cases, she was in the “Ten Xingtian”; it was only now that she came to the “One Xingtian” in order to ponder secret skills.

You must know that an opponent like Xu Ming is difficult to meet even in “Ten Xingtian”. Now it’s unbelievable to meet it in “One Star”!

“This kind of opponent is exactly what I want!” For God Emperor Yanyan, having an opponent like Xu Ming to “spar with him” is a great benefit for her to create emperor-level secret skills!

Of course, on the other hand, if Xu Ming could have God Emperor Yanyan as his opponent, how could it be no good?

call out! call out! call out! ...

Xu Ming’s performance is still the “take a photo” style.

But this time, there were some changes in his style. When the spear approached God Emperor Yanyan, the spear suddenly became extremely fierce.

Bah!

God Emperor Yan Yan was inattentive, and the long sword in his hand was blasted away; the tip of the spear brushed away, and a scar was left on her jade arm.

You hurt me with a sword, and I hurt you with a shot! —Xu Ming and God Emperor Yanyan are evenly matched!

“This style is called ‘residual blood’!”

Heaven collapsed!

Take a photo!

Residual blood!

Inspired by a powerful opponent, Xu Ming went so far as to create a three-style gun move.

However, Xu Ming felt that the secret marksmanship skills he wanted to create, only three moves were far from enough!

“I’m still missing something...” Xu Ming pondered.

“You...” God Emperor Yan Yan looked at Xu Ming in disbelief, “You actually hurt me!?”

God Emperor Yan Yan was so shocked!

You must know that even in the existence of the emperor, she is standing at the top!

In God’s Domain, even if they are at the same level as emperors, it is difficult for them to hurt her!

In the “Yixingtian” of the virtual world, although God Emperor Yanyan was limited in terms of power and the way of heaven, no matter how big the restrictions were, she was still a genuine God Emperor!

However, this **** emperor was actually injured by the two-star **** Xu Ming?

How big is the gap between the two-star gods and **** emperors?

Incredibly huge!

You must know that there are eight levels between the two-star gods and ten-star gods! Between each level, the difference in strength is ten times; the difference in strength between the eight levels is completely incalculable!

On top of the ten-star gods, there are also “Silver Moon” level gods.

Above the silver moon level, there is also the existence of “king” among the gods!

Above the king is the emperor-level almighty who “calls the emperor”!

The two-star gods can be said to be the lowest level of the Divine Realm; while the God Emperor has already stood at the top of the Divine Realm! – But it is the gap between the “bottom level” and the “peak”, but it can’t stop Xu Ming from hurting God Emperor Yan Yan!

Fortunately, God Emperor Yanyan didn't know that Xu Ming was only a two-star god; otherwise, her thinking at the moment must have been – find a brick to beat herself to death!

However, God Emperor Yan Yan was also enraged by Xu Ming's shot.

“You try my sword again – it is suspected that the Milky Way is falling for nine days!”

boom boom boom boom...

Xu Ming saw that the entire void was full of sword shadows, rolling towards him like a tide.

“This...” Xu Ming suddenly had the illusion that there was no way to prevent it, but at the same time, there was a hint of enlightenment in his heart – his fourth type of spear move, he realized it was a matter of course!

The efficiency that Xu Ming realized during the battle was truly terrifying!

Chapter 853: Reincarnation 5

Hu-hu-

Xu Ming spun his spear like a huge grinding wheel.

boom! boom! boom! boom! ...

Hundreds of millions of sword shadows blasted towards Xu Ming, but they were all blocked by the grinding disc.

Xu Ming was bombarded to keep retreating, but he was only retreating.

“This fourth form is called the ‘grinding plate’!” Xu Ming chose a random name.

“Huh?” Divine Emperor Yan Yan was even more shocked, “I couldn’t defeat him with this attack...”

The more shocked the Emperor Yanyan was, the more excited he became!

The opponent is hard to find!

“Kill!” Divine Emperor Yan Yan wields a fiery red long sword with his light-white jade tender arm; his eyes are full of fighting intent!

How many years!

God Emperor Yan Yan has not had such an excited fighting spirit for many years!

“Kill!” Xu Ming was also very excited, and couldn’t help thinking, “The virtual world is indeed a place where experts gather, and its name is well-deserved, and its name is well-deserved! – The sacred stone here is the true value of flowers!”

Xu Ming also thought that the girl in red in front of her was considered an “ordinary level” in the virtual world. How could he have thought that his opponent’s true identity was an “Emperor-level power”!

Anyway, Xu Ming only knows one thing, and that is—take advantage of the present opportunity to quickly comprehend the secret skills of marksmanship!

boom! boom! boom! boom! ...

The two sides kept colliding.

Xu Ming constantly changed his gun moves, sometimes he was crushing with great force, sometimes he was erratic and strange sneak attacks, and sometimes he was extremely fierce...

Heaven Blitz, Photograph, Residual Blood, Grinding Plate... These four types of spear moves that have entered the threshold of imperial secret skills are alternately displayed.

Of course, Xu Ming didn't know that he accidentally created an "imperial-level marksmanship secret". He thought that his marksmanship was just a little bit more powerful than the previous god-level secret technique "Reincarnation Disruption"...

boom! boom! boom! boom! ...

In the collisions again and again, Xu Ming was clearly at a disadvantage; however, he held on firmly. For a while, it was impossible for God Emperor Yan Yan to defeat Xu Ming!

What shocked God Emperor Yanyan even more was: "His marksmanship is increasing rapidly!"

Yes!

God Emperor Yanyan was not mistaken, Xu Ming's strength is indeed increasing rapidly!

Every time he played against each other, Xu Ming's understanding of the new secret skills became deeper and deeper; the next time he used it, it would be even more perfect.

Xu Ming's strength is also rapidly changing!

The speed of transformation was so fast that God Emperor Yanyan felt a lot of pressure!

Of course, God Emperor Yan Yan didn't show his true ability at all! – She is also creating new secret skills now! If she uses the mature emperor-level secret skills, I am afraid that she will be able to defeat Xu Ming in an instant!

But so what?

Just imagine, looking at the entire Divine Realm, apart from Xu Ming, which other two-star gods can make God Emperor Yanyan feel so much pressure?

Not to mention the two-star gods! Even a ten-star ***** can't do it!

and...

God Emperor Yan Yan didn't show his real ability, could it be that... Xu Ming showed his real ability?

Don't forget, Xu Ming didn't hang up at all!

If Xu Ming was not trying to create secret skills, but just to defeat God Emperor Yan Yan, then it would not be too easy! – As soon as the plug-in is turned on, you can easily crush God Emperor Yanyan with absolute power!

However, Xu Ming would not do that. Because there's no point in doing that!

Xu Ming entered the virtual world in order to find an evenly matched opponent and create and sharpen the secret skills of marksmanship! And now, Xu Ming has found such an opponent!

“Happy! Happy!”

Although Xu Ming was at a disadvantage, the more he fought, the happier he was.

“I have a hunch that the secret skills I will create are incredible!”

Xu Ming's hunch was right! – Of course it's amazing! After all, what he is creating now is an emperor-level secret skill!

“Heaven collapses!”

“Take a photo!”

“Residual blood!”

“Wheel!”

Xu Ming used these four spear moves alternately, and he couldn't find any flaws in both attack and defense.

but...

Xu Ming always felt that there was something missing in these four-style gun moves.

“What is it?” Xu Ming continued to think about it through the battle.

Xu Ming has made rapid progress, and his opponent, God Emperor Yan Yan, has not gained a huge amount of money?

The emperor-level secret skills newly created by God Emperor Yan Yan were constantly being perfected during the battle and verification with Xu Ming.

Even God Emperor Yanyan faintly felt that the emperor-level secret skills she was going to create this time were stronger than the secret skills she created in the endless years before!

“Great harvest!” At the realm of God Emperor Yan Yan, even if the strength can improve even a little bit, it is a great harvest that cannot be bought by a thousand dollars!

After countless clashes...

Suddenly, Xu Ming’s eyes flashed.

rumbling...

The destructive mood and rich vitality contained in the spear suddenly merged together!

“This shot...” Xu Ming didn’t think much about it, and following the hint of inspiration in his heart, he fired a shot.

Endless destructive artistic conception and rich vitality, completely erupted!

“What!?” God Emperor Yan Yan was shocked.

boom!

God Emperor Yanyan didn't think that Xu Ming would suddenly explode; in addition, she was also attracted by the perfect and extreme artistic conception contained in Xu Ming's gun!

From God Emperor Yanyan's point of view, Xu Ming's shot is extremely colorful and beautiful! It seems that all the good things in the world are gathered at the tip of the gun!

However, this shot is so terrifying!

boom!

God Emperor Yan Yan lost his mind and was directly killed by this shot!

At the moment of defeat, there was a smile on the corner of Emperor Yanyan's mouth: "So beautiful..."

"Win!?" Xu Ming couldn't believe it.

The power that burst out from that shot just now is too powerful! It was so powerful that Xu Ming couldn't believe that his attack was so strong!

Even, because the attack was too strong, the shock from the gun barrel caused Xu Ming's divine body to be seriously injured! – Fortunately, Xu Ming here is just a conscious body; even if he dies, there will be no damage.

"This shot is too powerful. It's a move that can injure the enemy by one thousand and lose eight hundred! If you are really fighting for life and death, use it with caution!" Xu Ming secretly said.

And the creation of this gun Xu Ming also feels that his secret skills are already perfect!

A set of perfect marksmanship secret skills, no matter how many more styles, it is superfluous!

“The collapse of the sky, taking pictures, residual blood, grinding discs, birth and death...” Xu Ming pondered, “This whole set of secret marksmanship skills is called... The Five Forms of Reincarnation!”

Each of the five types of marksmanship has its own strengths and weaknesses.

However, the five styles of marksmanship are integrated, and Xu Ming’s marksmanship can’t find any flaws!

“Reincarnation Five Forms!”

At the same time, Xu Ming’s conscious body slowly faded out of “Yixingtian” and returned to Xu Ming in the virtual world.

“The harvest is really big!” Xu Ming couldn’t help but sigh, “Also, the opponents in the virtual world are so formidable, to enter once, only need to spend 10,000 God Stones, it is simply too cheap!”

How did Xu Ming know that the beauty **** emperor “sparring”, not everyone who entered the virtual world, has the treatment!

Chapter 854: Addicted!

Yanyan Sacred Mountain is an extremely prosperous mountain range.

In terms of prosperity, even the Chile Mansion is far from it!

Moreover, Yanyan Sacred Mountain is also the holy place for refining weapons in the Yanyan Continent and even the entire God Realm!

Countless top refining masters gather here! Countless top-level artifacts flow from here to the entire Divine Realm.

On the Yanyan Divine Mountain, there is a virtual world; moreover, it is much larger than the virtual world of Chile Mansion!

At this time, in the virtual world of Yanyan Sacred Mountain, the face of God Emperor Yanyan, the girl in red, was shocked.

“I actually... lost in ‘One Star’?”

Not only God Emperor Yan Yan himself could not believe this kind of thing, but even if he said it, no one would believe it!

God Emperor Yanyan!

What a character!

What a status!

Don’t say it’s in “One Star”, even in “Ten Star”, it still exists sideways!

This is a real figure at the top! – Even among the emperor-level powers, they are the top!

But now...

God Emperor Yan Yan really lost in “One Star”!

Although, there are many reasons for this defeat – she did not show her true strength at all! She was amazed by the shot just now...

But, no matter what the reason, defeat is defeat!

The dignified ***** emperor, lost in “One Star”!

“Before endless years ago, when I was a one-star deity, I never lost in the ‘one-star sky’!” God Emperor Yan Yan slightly parted his lips, biting his teeth, “But now, I have Planted in ‘One Star’?”

What is a gutter capsize?

This is a textbook gutter capsize!

God Emperor Yan Yan now feels like a “strongest king”, excitedly running to the rookie room, wanting to abuse the bird. As a result, the bird abuse failed, but was abused by a bronze five!

“However, the shot just now was really amazing...” God Emperor Yan Yan couldn’t help but praise again.

At the same time, countless inspirations flashed through God Emperor Yan Yan’s mind. Obviously, Xu Ming’s last shot, “Life and Death”, touched her greatly!

“No, I want to win him back!” God Emperor Yan Yan secretly said.

If this tone doesn’t come back, God Emperor Yan Yan will not be reconciled!

“Spirit formation!” God Emperor Yan Yan shouted in the virtual world.

“God Emperor!” The surrounding formations immediately echoed.

“Help me invite the person who fought against me just now to enter my ‘Xutian Island’!” God Emperor Yan Yan has extremely high authority in the virtual world. Of course, the magic circle around her is not as simple as Xu Ming’s. .

At this time, God Emperor Yan Yan was on a floating island in the virtual world. The entire “Xutian Island” is full of splendid flowers, which is extremely dreamy.

Invite others to enter your “Xutian Island”, which is commonly known as: adding friends in the virtual world.

“Yes!” Zhenling replied.

call out...

After a strange wave, Xu Ming appeared directly on the illusory island of God Emperor Yanyan – of course, what came here was just a conscious body of Xu Ming.

“Huh!?” Xu Ming couldn’t help but stunned.

He was reminiscing about his last shot, “Life and Destruction”, but inexplicably, he realized that he had come to this place.

“What’s going on?” Xu Ming knew very little about the virtual world; at this time, he was of course at a loss.

Immediately, Xu Ming saw the girl in red who had just been defeated by him.

“I’m afraid the identity of this girl in red is not simple!” Xu Ming is not stupid. He looked at the surrounding Xutian Island thoughtfully.

However, no matter how rich Xu Ming’s imagination is, it is impossible to think that the “defeated general” in front of him is an emperor-level existence!

“Uh...” Xu Ming thought for a while, then thought about his words, “Girl, why did you bring me here...?”

“Humph!” God Emperor Yan Yan snorted angrily, “Fight with me again!”

Xu Ming was slightly taken aback: “Okay!”

One more fight, Xu Ming is of course willing!

After all, Xu Ming had gained a lot from the battle just now, but he was still a little unfulfilled. Now, the opponent offered to fight again, and Xu Ming was naturally eager.

Whoa!

After paying the divine stone, Xu Ming saw that the scene around him was changing rapidly. In the blink of an eye, he and the girl in red, God Emperor Yan Yan, both appeared in the exact same battle scene as before.

“This virtual world is amazing!” Xu Ming couldn’t help but exclaimed in his heart.

In his opinion, the virtual world is somewhat similar to the “network” in scientific and technological civilization. It can make people who are in two different places in the realm of God come together in an instant.

“I don’t know, which super existence invented this virtual world!” Xu Ming secretly said, “It’s really a powerful technique!”

After a little sigh in his heart, Xu Ming focused his attention on the girl in red on the opposite side: “Battle?”

“Humph!” The red-clothed girl, God Emperor Yan Yan, was obviously a little unhappy. With an angry snort, he directly killed Xu Ming.

“This petty temper!” Xu Ming sighed secretly in his heart, and greeted him with a gun.

As the saying goes, once you are born twice, you will never be wrong three times with your eyes closed!

This is the second time Xu Ming and God Emperor Yanyan have fought each other! Before the two “acquaintances”, there was not much nonsense, and as soon as they came up, they hit each other.

“Flying down 3,000 feet, it is suspected that the Milky Way is falling into the nine heavens!” The secret technique that God Emperor Yan Yan was newly creating was both majestic and shocking, but also had hidden murderous intentions.

“Her secret skills seem to be stronger!” Xu Ming secretly said.

This is normal!

After all, when Xu Ming created the “birth and death” formula just now, God Emperor Yan Yan was also quite touched.

With the strength and understanding of God Emperor Yanyan, he felt the touch, and of course he would soon be able to integrate into his secret skills. Her secret skills are naturally stronger than before!

However, God Emperor Yan Yan was not the only one who became stronger. Our brother Ming has also become stronger!

“Heaven collapses!”

“Take a photo!”

“Residual blood!”

“Wheel!”

Xu Ming continued to perform the newly created “Five Forms of Reincarnation”. Of course, he would not use the “Life and Destruction” moves to kill one thousand enemies and self-destruct eight hundred.

This kind of move must only break out at a critical moment! Just like Ultraman’s rays, they are always used at “critical moments”.

boom! boom! boom! boom! ...

In this virtual battle scene, the two sides fought torn apart!

I have to say that God Emperor Yanyan has made great progress!

but!

Brother Ming has made even greater progress!

boom-

Suddenly, a dazzling ultimate move “Life and Destruction” suddenly erupted! Divine Emperor Yan Yan was unable to resist, and was severely injured in an instant.

“While you are sick, I will kill you!”

Xu Ming is rude Keeping up is another trick of “life and death”. The poor God Emperor Yanyan was once again killed by Xu Ming in the virtual world.

“I...” On the Yanyan Mountain, God Emperor Yanyan was so angry that he was so mad, “I am God Emperor Yanyan! I lost two consecutive times in the ‘One Star Heaven’?”

Dissatisfied!

God Emperor Yanyan was extremely dissatisfied!

“The other party is obviously not an emperor-level existence, otherwise, I would definitely recognize it!” God Emperor Yan Yan secretly said, “It’s not an emperor-level existence, but you have won me twice in a row?”

God Emperor Yan Yan was very rude and “invited” Xu Ming to his own virtual island.

“Fight again!” God Emperor Yan Yan shouted aggressively, his voice very nice.

“Uh... Then come on!” Xu Ming said indifferently.

You know, bird abuse is also addictive! And the two consecutive battles just now made Xu Ming a little addicted to abuse!

Chapter 855: Honestly No One Believes

The third fight!

Xu Ming undoubtedly has a deeper understanding of “The Five Forms of Reincarnation”.

Heavenly collapse, taking pictures, residual blood, grinding discs, birth and death...these five-style marksmanship secret skills become more and more proficient. As for strength, there has been an earth-shaking jump.

But what surprised Xu Ming was that his opponent, the girl in red, had also made great progress.

boom! boom! boom! boom! ...

The fight between the two broke the battle scene of “One Star”.

“The genius of God’s Domain is really not to be underestimated!” Xu Ming couldn’t help but sigh as he fought, “If you meet any opponent in the virtual world, you can be on par with me. Even if I make great progress, I can’t beat her. throw away...”

How could Xu Ming think that his opponent would be a real God Emperor! If he knew the identity of his opponent, I don’t know how he would feel.

“Kill! Kill!” Divine Emperor Yan Yan shouted angrily, the sword light was sharp and intertwined into a river of sword energy.

“Life and Destruction!!” When Xu Ming was almost at the end of the fight, he once again used this ultimate move to kill one thousand enemies and lose eight hundred.

One trick is fresh, eat all over the sky!

In addition, Xu Ming grasped the timing of “birth and death” very well. Even if God Emperor Yanyan knew that Xu Ming was going to “magnify his moves”, he couldn’t resist it at all—unless she used other unique moves.

However, God Emperor Yanyan entered the virtual world to create new emperor-level secret skills. If you use those secret skills in the past, even if you win, what’s the point?

and...

“I was forced to use my old trick by an unknown pawn? I can’t afford to lose this person!”

God Emperor Yanyan has dignity and principles!

Rather lose than win by chance!

boom! !

So... God Emperor Yan Yan’s consciousness was once again blasted into nothingness by Xu Ming’s spear.

“Three-game losing streak!”

Divine Emperor Yan Yan’s expression was incomparably splendid, ranging from anger, to shock, and also to a hint of “enlightened” joy.

In fact, at the level of God Emperor Yanyan, it is already very difficult to defeat a battle; after all, there are too few opponents at the same level!

Now that he has lost three games in a row, although God Emperor Yanyan is angry, he is also happy to meet his opponent! -Two evenly matched opponents learn from each other, and both sides will benefit a lot!

“Humph! I don’t believe it. The emperor-level secret skills I created will not be as good as the other side’s nameless pawn!” God Emperor Yan Yan was secretly annoyed.

Whoa!

She once again forcibly “invited” Xu Ming to her own virtual island.

“Uh... Are you still fighting?” Xu Ming asked as soon as they met.

“Wait first!” God Emperor Yan Yan said, “I have gained a lot of insights from the three consecutive battles just now, I must digest it first!”

“That’s what I mean too!” Xu Ming said.

Fighting without thinking—obviously doesn’t work!

“Then you are on this Xutian Island, digest and understand with me!” God Emperor Yan Yan said, “In this way, we can communicate and verify with each other!”

“Okay!” Two people discussing together, of course, is better than one person working behind closed doors.

...

In the days that followed, Xu Ming and God Emperor Yan Yan were both immersed in the cultivation of secret skills.

Cultivation has no years, and the cold does not know the year.

The two of them spent most of their time comprehending secret skills—after all, now, whether Xu Ming or God Emperor Yanyan, the secret skills they created were just a prototype of emperor-level secret skills! If you want to create a complete emperor-level secret skill, you need to continue to delve into it.

Of course, every once in a while, Xu Ming and God Emperor Yanyan would also have a discussion with each other to verify whether the direction of enlightenment was correct.

However, God Emperor Yanyan is still quite sad! Because no matter how many times she competes, her record is...defeat!

“My dignified God Emperor Yanyan was abused like this...” God Emperor Yanyan’s mood was undoubtedly messy!

However, it is not enough to doubt life. After all, the “Tao Heart” and “Will” who can achieve God Emperor must be extremely tough, and they will not easily doubt themselves.

Time flies, it is half a year!

In the past half a year, Xu Ming and God Emperor Yanyan have discussed each other no less than a hundred times!

The results of the discussions are all – Xu Mingsheng!

At first, God Emperor Yanyan was still unconvinced; every time they competed, he wanted to win against Xu Ming.

However, as the number of defeats increased, God Emperor Yan Yan also obeyed!

Completely served!

Abused by Xu Ming!

“What a monster!” God Emperor Yan Yan exclaimed in his heart many times.

“By the way, Xu Ming, you really don’t know me?” Suddenly, God Emperor Yan Yan asked.

“You?—Aren’t you ‘Lu Qing’?” Xu Ming wondered.

God Emperor Yan Yan did not tell Xu Ming his “name”, but reported his real name. Of course, very few people outside knew her real name.

“Uh, okay...” God Emperor Yan Yan affirmed that Xu Ming really didn’t know him, he wasn’t pretending!

God Emperor Yan Yan couldn’t help thinking in his heart: “The existence of a king and an emperor are generally people who know me! It seems... Xu Ming’s strength should not have reached the level of being a king!”

The Emperor Yanyan is very famous in the entire Yanyan Continent, and even the entire Divine Realm.

“I’m not even a ‘Feng Wang’, but I can create such a powerful emperor-level secret skill... perverted!” God Emperor Yan Yan couldn’t help thinking.

“Xu Ming, what kind of strength are you?” God Emperor Yan Yan couldn’t help but ask again.

From God Emperor Yanyan’s point of view, Xu Ming’s weakest should also be at the Silver Moon level! – After all, Yinyue-level can create emperor-level secret skills. In the endless and long history of the entire God’s Domain, there have been one or two!

As for the ten-star gods who created emperor-level secret skills, this is unheard of!

“If Xu Ming is really a ten-star god, then the fact that he created an emperor-level secret technique would probably shock the entire God Realm!” God Emperor Yan Yan thought to himself.

“Strength?” Xu Ming said speechlessly, “Didn’t I tell you several times? Two-star gods!”

Xu Ming wondered why “Lu Qing” was so interested in his own strength. Like him, he has no interest in Lu Qing’s strength at all.

“Two-star gods?” God Emperor Yan Yan couldn’t help but glance at Xu Ming, “You’re not telling the truth!”

Xu Ming was really wronged in his heart! -Why doesn’t anyone believe the truth?

“I’m so tired...” Xu Ming shook his head secretly.

He just wanted to say – what about trust between people? Where have they all gone?

In fact, it really can’t be blamed for God Emperor Yan Yan’s unwillingness to believe it! To blame, I can only blame Xu Ming for being too perverted!

Two-star gods, but created an emperor-level secret skill! – It is impossible to believe whoever it is!

God Emperor Yanyan gave Xu Ming another look: “If you don’t want to tell the truth, forget it! Then which city are you living in seclusion in, can you tell me?”

In seclusion?

Xu Ming is speechless – I’m just a two-star ***** who has just come to God’s Domain I’m living in seclusion!

However, Xu Ming still said the truth: “Golden Crow City!”

Golden Crow City?

God Emperor Yanyan asked again, “The Golden Crow City of Chile Mansion?”

“Yes!” Xu Ming said casually.

God Emperor Yan Yan didn’t say much, but he sighed in his heart: “I can’t believe that there is such a pervert hidden in the Golden Crow City...”

“Let’s go, let’s have another fight?” God Emperor Yan Yan said again.

“Okay!” Xu Ming also happened to have a lot of insights that needed to be verified.

But at this moment, God Emperor Yan Yan’s expression changed slightly: “Wait a moment, I’m going out to deal with something, come back soon!”

Swish!

God Emperor Yanyan flashed and disappeared on the Xutian Island. Obviously, there is something urgent, and temporarily left the virtual world.

Chapter 856: Don'T Deserve To See Me

Yanyan Mountain.

Inside the palace of Emperor Yanyan.

“Yuexin, what’s the matter?” God Emperor Yan Yan looked at the woman in Tsing Yi beside him, “Didn’t I say, there is nothing particularly important, don’t you want to look for me?”

God Emperor Yan Yan was immersed in the study of secret skills, but was interrupted by a sound transmission, of course he was not happy.

“God Emperor, the messenger of the Holy Emperor City is here, and I want to invite you to the Holy Emperor City!” Yue Xin said.

“Holy Emperor City?” God Emperor Yan Yan was slightly moved.

Holy Emperor City, but the superpower of God’s Domain. Even the Yanyan Sacred Mountain is obviously inferior to the Holy Emperor City.

The Holy Emperor City sent messengers to invite the emperor-level powers very formally; generally speaking, the ***** emperors would go there to give face.

But now, God Emperor Yan Yan has no interest in going to the Holy Emperor City; after all, she is at the critical stage of comprehending secret skills.

and...

God Emperor Yanyan and Xu Ming had fought so many times, only defeats, no victories. If she didn’t win a game, how could she be willing? Where did she put her dignified face of God Emperor Yanyan? —So now, she is really not interested in letting God Emperor Yanyan do other things!

“Holy Emperor City, I won’t go! Yuexin, please help me to decline!” God Emperor Yan Yan said without any hesitation.

“But the God Emperor...” Yue Xin continued, “Your relationship with the ‘Sanctuary’ has become quite stiff! If you have a bad relationship with the Holy Emperor City, I’m afraid it will be detrimental to you in the God’s Domain. Stand up!”

God Emperor Yan Yan sneered: “I am based in God’s Domain, not by relationship, but by strength!”

It does!

The cruelty of God’s Domain is far beyond the dust world! Forces without sufficient strength have long been eliminated.

And like the Yanyan Sacred Mountain, the reason why it can stand on the Yanyan Continent is entirely due to the tyrannical strength of the Yanyan God Emperor!

With strength, there is “relationship”!

Without strength, who would talk to you about “relationship”?

“Having said that, but God Emperor...” Yue Xin said again.

“Needless to say!” God Emperor Yan Yan said.

Yue Xin could not persuade her, so she had to say, “God Emperor, why don’t you go meet the messenger of the Holy Emperor City?”

God Emperor Yan Yan thought for a while: “This time, who is the messenger sent by the Holy Emperor City?”

“Li Xiujie!” Yue Xin said.

“Oh...it turns out to be that yellow-haired boy!” God Emperor Yan Yan sneered disdainfully, “Just him, he doesn’t deserve to see me! – Just go and send him off for me!”

“But God Emperor...” Yue Xin couldn’t help expressing her worries, “You haven’t shown your face for a long time! There are rumors in the outside world that you were seriously injured, so you didn’t dare to show your face; God Emperor, why don’t you take advantage of this? Here’s a chance to meet Li Xiujie... In this way, there will be no more rumors about your injury from the outside world!”

God Emperor Yan Yan said indifferently: “Rumors are just rumors after all, whoever likes to spread it, let them spread it!”

“But in this case, I’m afraid there will be some forces that are eager to move our Yanyan Mountain...” Yue Xin expressed her concerns.

“It’s okay! I just took this opportunity to see, who would dare to attack our Yanyan Sacred Mountain’s idea!” A sharp light flashed in the eyes of the Yanyan God Emperor.

At the same time, an icy murderous aura radiated from God Emperor Yan Yan—she, God Emperor Yan Yan, was not as harmless to humans and animals as she looked. Just like at the beginning, from the **** slaughter, it quickly rose to the realm of the gods!

“It’s been a long time since I made a move. It seems that many people have forgotten how terrible my God Emperor Yan Yan is...” God Emperor Yan Yan sneered in his heart.

“By the way, Yuexin!” God Emperor Yan Yan suddenly said, “Go to the Golden Crow City to help me check to see if there are any newly emerging Yinyue-level or king-level powers living in seclusion there?”

God Emperor Yan Yan’s investigation was not malicious, but purely out of curiosity about Xu Ming.

She really wanted to know what the true strength of Xu Ming’s “unwilling to say” was! -Silver Moon class? King level?

However, God Emperor Yan Yan really thought too much, Xu Ming was really a two-star god—Xu Ming had already told the truth, but God Emperor Yan Yan didn’t believe it!

“Yes, God Emperor!”

“I went back to the virtual world and went to retreat!” God Emperor Yan Yan said, “For the outside world, you can declare that I have retreated!”

...

“Fight again!” As soon as he returned to the Xutian Island in the Xutian Realm, God Emperor Yanyan shouted at Xu Ming.

“Okay, let’s fight!”

I’m afraid no one would have thought that Emperor Yan Yan rushed back to the virtual world to meet a two-star god.

Moreover, this two-star ***** has something to do with Li Xiujie! It’s just that Li Xiujie didn’t take this two-star ***** in his eyes at all, as an opponent!

The world is messing with people!

Now, Li Xiujie came to Yanyan Mountain as the “Messenger of the Holy Emperor City” to ask to see the Yanyan God Emperor. However, God Emperor Yan Yan didn’t even see him at all, and immediately went to the virtual world to find Xu Ming.

boom! boom! boom! boom! ...

God Emperor Yanyan challenged Xu Ming again and again, but was defeated again and again. Never once has been able to win.

However, the more he lost, the more fighting spirit Emperor Yanyan became! – She has a strong desire in her heart to create a new emperor-level secret skill and defeat Xu Ming!

“Fight again!”

“Fight again!”

“Fight again!”

God Emperor Yanyan was always losing.

Suddenly, after God Emperor Yanyan was defeated and returned to Xutian Island, he did not see Xu Ming appearing on Xutian Island.

“Huh? Where is the person?” God Emperor Yan Yan even forcibly invited Xu Ming, but the formation spirit of the virtual world told him that Xu Ming should have left the virtual world!

“Leaving the False Heaven Realm?” God Emperor Yan Yan was a little puzzled. “Since he is leaving the False Heaven Realm, why didn’t he even say hello? – Could it be that there was an emergency and it was too late to say hello?”

But from God Emperor Yanyan’s point of view, even if it is an emergency situation, the time to say hello can always be squeezed out, right?

God Emperor Yan Yan couldn’t help but secretly annoyed: “In the virtual world, we have been discussing with each other for almost a year; when we left, he didn’t even say hello! – Not enough friends!”

What made Emperor Yanyan even more depressed was that she hadn’t defeated Xu Ming yet!

She was abused by Xu Ming more than a hundred times, if she didn’t win it back once, I’m afraid it would be a thorn in her heart for the rest of her life!

But in fact, Xu Ming didn’t mean to leave without saying goodbye, but... he ran out of divine stones and was forcibly kicked out by the virtual world!

You must know that in the virtual world, whether you enter the battle scene or stay in the virtual island of others, you need to pay the **** stone! – When the **** stone is gone, the virtual world will immediately “turn over and not recognize people”.

Of course, God Emperor Yan Yan would not have thought that a “master” like Xu Ming would not be able to afford even this little divine stone soaked in the virtual world.

“Fuck me? You’ve run out of divine stones!?” Xu Ming was speechless—there were more than one million divine stones! Unconsciously, it was all spent in the virtual world!

But it’s normal to think about it. To enter “One Star Sky” once, it will consume 10,000 God Stones. And Xu Ming, but God Emperor Yan Yan, fought over a hundred times in “One Star”!

Chapter 857: Charcoal In The Snow

“This Xu Ming is really hateful!”

God Emperor Yan Yan angrily left the virtual world and quietly returned to his residence.

“God Emperor, why are you so angry?” Yue Xin couldn’t help but asked curiously.

“It’s okay.” God Emperor Yan Yan said angrily.

fine?

Yue Xin can’t believe it! —After all, God Emperor Yanyan doesn’t seem to be okay at all!

“The **** emperor just came back from the virtual world. Could it be that... in the virtual world, he encountered some powerful opponent and couldn’t beat the opponent, so he was so angry?” Yue Xin couldn’t help guessing, “But... even the **** emperor can’t beat it. There shouldn’t be many opponents!”

Yue Xin was a little confused.

Of course she couldn’t guess that God Emperor Yan Yan had lost more than 100 games in a row in the virtual world. Moreover, the opponent who abused her left the virtual world without saying hello, and stopped playing with her.

God Emperor Yan Yan has been in the Divine Realm for hundreds of millions of years, why has he ever felt so aggrieved? Now, it’s no wonder she has a good face!

“By the way, Yuexin, how did the investigation go when I asked you to go to Golden Crow City last time?” God Emperor Yan Yan asked.

Yue Xin said: “God Emperor, in the Golden Crow City, there is no Silver Moon-level or King-level existence at all! The strongest are only ten-star gods!”

“Ten-star gods?” God Emperor Yan Yan was startled—could it be that Xu Ming was really only a ten-star ***** and started to create emperor-level secret skills?

“Among the ten-star gods, is there someone named ‘Xu Ming’?” God Emperor Yan Yan asked again.

“No!” Yue Xin said with great certainty.

“No...” Divine Emperor Yan Yan frowned slightly, “Could it be that Xu Ming gave me a false name? Or is he not in the Golden Crow City at all?”

Anyway, God Emperor Yanyan was very angry!

“Xu Ming, I remember you... don’t let me catch you!” God Emperor Yan Yan clenched his fists tightly.

In this pair of pink fists, there is the power of destroying the sky and destroying the earth! Destroying a divine city with one punch is absolutely nothing!

Obviously, Xu Ming was already thinking of God Emperor Yan Yan.

And being cared about by a woman is definitely the most troublesome thing in the world!

none of them!

“By the way, God Emperor, during your retreat in the virtual world, a lot of things happened!” Yue Xin said, “There are several forces, all of which are eyeing our Yanyan Sacred Mountain...”

God Emperor Yan Yan's expression turned cold: "Tell me about it specifically!"

...

Golden Crow City, near the virtual world.

There are three figures, who have been here, secretly guarding for nearly a year.

The three of them are all three-star gods, and two of them, Xu Ming must have some impressions – it was the gray robe **** and the moustache **** that he met at the gate when he first entered the virtual world a year ago.

There is another person, wearing black armor, is a Golden Crow Guard!

"I said Lao Cao, Lao Hu, are you kidding me?" The mighty Golden Crow Guard said with a displeased expression, "We've all been squatting here for almost a year, and we haven't seen it yet. Come out to the person you mentioned!"

For the gods with endless lifespans, let alone a year or two, even if it is a hundred years and a thousand years, it is actually just a flick of a finger.

However, standing at the door stupidly, waiting for almost a year, but not even a hair; no one will be happy.

"Lord Wang, how dare we tease you!" said Lao Hu Lian, the goddess of moustache, "from the moment that person entered the virtual world, we have been staring here! I am very sure that he has been in for a year, and he will never come out!"

The gray-robed **** Lao Cao also said: "Yes! That kid is only a two-star god, but after staying in the virtual world for so long, we know that it must be a piece of 'big meat'! Of course we can't forget such a big piece of meat. Honor you, Lord Wang!"

The Golden Crow Guard, known as “Lord Wang”, is actually just a small soldier in the Golden Crow Guard. However, who would care if the flower sedan chair carried people and called them nicely?

Lord Wang snorted coldly and said with a half-smile, “I see, you are afraid that this piece of meat is too big to eat, so you called me here, right?”

Lord Wang’s guess was absolutely correct!

At first, the gray-robed deity and the mustache deity didn’t even want to find this Lord Wang to “eat meat” together; however, when they squatted at the door for ten days and did not see Xu Ming come out, they became a little scared. ! – I’m afraid of being crushed to death by this piece of “meat”!

After thinking about it, the two found Mr. Wang, who has an “official background”, to eat meat together!

“How many **** stones does this kid have, and he stayed in the virtual world for so long...” Mr. Wang looked distressed.

Yes, it hurts!

Staying in the virtual world, every minute and every second, you need divine stones! Staying for a year is the most economical, I am afraid that it will cost hundreds of thousands of divine stones!

You must know that Mr. Wang has already regarded Xu Ming’s divine stone as his own! In his opinion, Xu Ming’s “splurge” in the virtual world is wasting the divine stone that belongs to him!

“This kid, he actually spent so many divine stones on me... When he comes out, I’ll have to kill him!” When Lord Wang thought that “his divine stone” was spent indiscriminately, he felt very bad.

at this time-

“Lord Wang, look, it’s that kid!” The eight-character beard spirit shouted.

“Yes, it’s him!” The gray-robed **** also said, “This kid, he actually stayed in the virtual world for a year before he came out...”

“That’s him?” Lord Wang narrowed his eyes to a gap full of murderous intent.

“right!”

“right!”

The gray-robed gods and the mustache gods all said with great certainty.

“Fuck! Since it’s him, why are you still standing there? Come on!” Lord Wang shouted.

...

“More than one million divine stones are spent like this...” When Xu Ming walked out of the virtual world, he had a feeling of “returning to before liberation overnight”, “However, spending the divine stones in exchange for strength is worth it!”

No matter how many gods there are, they are only foreign objects; only strength is true!

“Even if I don’t hang up now, I can still fight for the ‘two stars’!” Xu Ming secretly said.

Xu Ming’s current cultivation level is equivalent to “two-star medium”; by using the secret skill “Reincarnation Five Forms”, he can fight over two-star and rival a four-star medium god!

If he hangs up, six-star and seven-star gods, Xu Ming can easily kill them.

But now... Xu Ming seems to have nothing to hang up on anymore...

“We have to find a way to earn some divine stones!” Xu Ming pondered secretly.

suddenly-

Whoosh! Whoosh! Whoosh!

Three figures stopped in front of Xu Ming.

“Huh?” Xu Ming couldn’t help but startled – the visitor was not good.

Among them, the gray-robed deity and the eight-character beard deity were instantly recognized by Xu Ming’s memory! – Exactly a year ago, when he entered the virtual world, he mocked his two three-star gods.

Xu Ming immediately understood: “Unexpectedly, they were eyeing them!”

“Boy!” The Eight-character Beard Spirit shouted, “This is Lord Wang of the Golden Crow Guard. If you have any questions, please come with us obediently!”

Jinwuwei?

Of course Xu Ming had seen this “Master Wang” long ago! -Compared to the Golden Crow Guards that Xu Ming had killed before, the strength of this Lord Wang is obviously much weaker, and he should be just an ordinary soldier among the Golden Crow Guards.

“Come with you?” Of course Xu Ming could see the intentions of the three of them; in the depths of his eyes, a sly color flashed – he was worried that there were no gods! It’s a real charcoal in the snow!

Chapter 858: Worst Thing Ever

Although the Golden Crow City is only a low-level divine city in the divine realm, it also has a radius of millions of miles.

Such a huge city of gods has prosperous places, and naturally there are also remote places. Like the black jungle in front of Xu Ming at this time, it is a dangerous place where “everyone cannot enter”.

“Where are you taking me...” Xu Ming deliberately made a look of fear.

The Eight-character Beard Spirit immediately reprimanded: “Ask what you should ask, don’t ask if you shouldn’t!—Master Wang of the Golden Crow Guard has something to do with you, you just need to follow along honestly!”

“If you dare to talk nonsense again, I want you to look good!” The gray-robed ***** also threatened.

“Yes! Yes!” Xu Ming pretended to be even more afraid, but there was a hint of cunning and anger deep in his eyes – those who dare to talk to Brother Ming like this are basically no longer alive!

“Want me to look good?” Xu Ming sneered in his heart, “When you enter this dark jungle, you will know who wants to look good!”

At this moment, Xu Ming saw that three gods came out of the black jungle.

Of these three gods, two are tall and strong, with strong flesh and blood, and their strength has reached the level of two-star gods. The other deity looked like a creamy boy, with thin arms and legs, and only one star deity in strength.

At this time, the two tall and strong gods were proudly holding a dog’s tail grass, and they looked very leisurely.

The other thin ***** was full of grievances and flushed; his thin hands subconsciously covered the chrysanthemum from time to time; obviously, in this black jungle, he experienced some terrible but unspeakable things!

These three gods passed by Xu Ming and the others.

The two tall and strong gods glanced at Lord Golden Crow Guard with dread, but a meaningful smile flashed across their eyes. From their point of view, what else could happen when the four big men entered the black jungle in a group? —Isn’t that the kind of shameful thing?

“Uh...” Xu Ming’s goosebumps fell from the eyes of these two tall gods.

At the same time, Xu Ming’s killing intent towards the three beard spirits became more intense.

“Damn it, if you want to rob me, forget about it, but you brought me to a place like this to rob me!” Xu Ming’s heart boiled with murderous intent, “Fortunately, I don’t have any acquaintances in God’s Domain! Where will my face go?”

However, when thinking about the lives of these three people, there is only one stick of incense left; Xu Ming also has a large number of adults, and he is reluctant not to be angry with them!

Soon, Xu Ming and his party walked into the depths of the jungle.

“Just here!” Lord Wang sneered and waved a barrier. The fake disguise was finally removed from his face, revealing a ferocious look.

“Humph!”

“Humph!”

The gray-robed gods and the eight-character beard gods also grinned.

“You guys...” Acting in a full set, Xu Ming showed a look of sudden realization, as if he suddenly realized something, and looked extremely terrified.

“Hahahaha...” Seeing Xu Ming’s terrified appearance, the Goddess Beard became more and more arrogant, “Is it wrong now? It’s too late! Hahahaha...”

“You...what do you want to do!?” Xu Ming’s expression was just right, with panic and anger at the same time.

“What do we want to do?” The eight-character mustache spirit smiled sullenly, “Boy, you are a mere two-star deity, and you stay in the virtual world for a year! – You have a lot of divine stones...”

The gray-robed ***** followed with a loud shout: “Quick! Hand over all your treasures!”

Xu Ming pretended to be terrified: “You guys... are you going to rob me?”

“Hahahaha...” Lord Golden Crow Guard King couldn’t help laughing, “You don’t know it until you know?”

Xu Ming continued to act: “This...this is the Golden Crow City, you dare to mess around?”

“Hahahaha...” The moustache goddess also gave a smirk, “Golden Crow City? Don’t you look, where is this dense forest! Do you think that something happened to you here, will anyone know?”

“If you dare to kill me, the Golden Crow Guard will definitely find out!” Xu Ming said again.

“Golden Crow Guards? Are you talking about me?” Lord Wang grinned, “I’m sorry, our Golden Crow Guards are very busy, so we don’t have time to investigate this trivial matter! – Okay, stop talking nonsense, quickly take the divine stone and body All the treasures, hand them over!”

Xu Ming continued: “I don’t have a divine stone!”

“No ***** stone?” Lord Wang sneered, “Without ***** stone, can you stay in the virtual world for so long?”

Xu Ming said “innocently”: “It’s because I spent almost a year in the virtual world and spent all the more than 1.2 million divine stones on my body, so there are no divine stones left!”

“what!?”

“what!?”

“What did you say!?”

Lord Wang and other three gods were extremely angry: “You said, you have spent more than 1.2 million ***** stones?”

“Yeah...” Xu Ming spread out his hands with a mean expression, as if to say – you bite me!

“You...” The three gods were furious, “Hurry up and hand over your world ring and show it to us!”

“No!” Xu Ming suddenly became stiff.

“Don’t pay!?” Lord Wang’s face sank, “You are playing with me? You must have a lot of divine stones and treasures on you!”

“Dare to play with us?” The gray-robed **** shouted angrily, “Don’t talk nonsense, kill him first! – Anyway, after killing him, all his treasures will fall into our hands!”

The Goddess Beard thought for a while and said, “Before slaughtering, why don’t you take him first?”

“Quack quack...” The three gods all laughed tacitly.

Xu Ming felt a chill: “What do you want to do?”

“Why?” The Eight-character Beard Spirit smiled lewdly, “You’ll know right away! Jie Jie Jie Jie...”

With a smile, the Goddess of Beards was the first to pounce on Xu Ming.

“Damn it!” Xu Ming dared to say, this is definitely the most disgusting thing he has ever encountered in his life!

“die!!”

Whoosh!

In the face of the moustache spirit who rushed up, Xu Ming shot without hesitation. Moreover, the first shot is the extremely lethal “residual blood” in “Reincarnation Five Forms”!

A **** light is fleeting.

Although Xu Ming is only a 2-star middle-level god, but he casts this gun, even a 4-star god, I am afraid it is difficult to resist! And the moustache ***** in front of him is just a very common one among the three-star gods, how can it be blocked! ?

call out!

The endless and fierce killing intent contained in the spear instantly penetrated into every particle of the moustache god, and all were annihilated.

Bang!

In an instant, the moustache spirit completely lost its vitality.

“This...”

“This...”

The gray-robed deity, as well as Lord Golden Crow Guard, were stunned by the sudden change in front of him.

“Go to hell!” The gray-robed ***** took advantage of Xu Ming’s back to him, and with a ruthless heart, he killed Xu Ming from behind.

Chapter 859: If Anyone Offends Me, They Will Surely Die!

“Looking for death!” Xu Ming sneered.

In an instant, dozens of spear shadows stabbed the gray-robed deity at the same time.

Reincarnation of the Five Forms of the photo!

The power of “taking pictures” is naturally far inferior to “residual blood”.

However, the speed of “taking pictures” is too fast. Dozens of guns were fired almost at the same time, so dozens of gun shadows were left behind.

Bang!

The gray-robed gods were also completely annihilated at the particle level, losing their vitality.

Between lightning and flint, behead two three-star gods!

“Reincarnation Five Forms, it’s really powerful! If I hadn’t created this secret marksmanship skill, if I didn’t hang up, I’m afraid I couldn’t beat any of the three. But now, it’s two seconds in an instant!”

Xu Ming couldn’t help pondering, what level of secret skills should be regarded as his secret skills.

Of course, God Emperor Yanyan knew that what Xu Ming created was an “Emperor-level Secret Skill”; however, she didn’t specifically tell Xu Ming that you created an Emperor-level Secret Skill! – God Emperor Yanyan thought that Xu Ming must know what level of secret skills he created!

After all, how could someone create an emperor-level secret skill without knowing that it was an emperor-level secret skill?

However, in fact, Xu Ming really didn’t know that he accidentally created an emperor-level secret skill!

“You...you...” Lord Wang looked at Xu Ming with a look of horror—two three-star gods whose strength was not inferior to him, they were instantly killed so easily!

Is this really a two-star god?

“Robber me? Do you still want to kill me?” Xu Ming sneered disdainfully, and was not in a hurry to kill him – after all, this weak Lord Wang couldn’t find any waves in his palm.

Swish! Swish!

With a wave of Xu Ming’s hand, he accepted the world rings of the gray-robed ***** and the mustache god.

After refining, I looked at it: “Damn it! So poor?”

The two people’s **** stones combined are less than a thousand; as for the other treasures, they are not worth much.

“So poor, how dare you come out to rob?” Xu Ming was very displeased.

Then, Xu Ming’s eyes fell on Lord Wang: “I hope you can give me some surprises!”

“I... I am the Golden Crow Guard! You... If you dare to do something to me, you will never walk out of the Golden Crow City alive!” Lord Wang said sternly.

“Really?” Xu Ming raised his hand and slapped him with a slap, “Then I did something to you, who knows? – Don’t think about the communication, the surrounding space has been blocked by me. !”

Although in God’s Domain, the space suppression is extremely strong, and it is difficult to communicate; but to be on the safe side, Xu Ming secretly blocked the surrounding space.

Now, Lord Wang is really telling Tiantian not to call the earth dead!

“You...” Lord Wang’s face changed suddenly, but he still said, “We are in command, but we have just invited back a ‘Master of Karma’; if you dare to kill me, you will definitely be detected by that Master of Karma!”

Xu Ming was startled: “Master of Karma?”

Seeing Xu Ming in a daze, Lord Wang thought he was afraid, and said, “You hand over the treasure immediately and let me go! I’ll assume that what happened here has never happened!”

“Ha!” Xu Ming smiled, “Hand over the treasure? Let you go?”

“That’s right!” Lord Wang stiffened his back, seeming to be very confident.

Snapped!

Xu Ming raised his hand and slapped again: “Silly X!”

“You...” Mr. Wang was embarrassed and angry, but he didn’t dare to fight back – Xu Ming killed two three-star gods just now, and he showed his strength, but he saw it in his eyes! He also knew that he was no match for Xu Ming at all!

“Tell me, what happened to the Master of Karma you just mentioned!” Xu Ming asked.

Lord Wang said with flickering eyes: “That master of karma is very powerful! – If something happens to me, he can immediately find out that you are the murderer!”

Snapped! !

Another slap.

“I didn’t let you say this!” Xu Ming said domineeringly, “I’m asking you, you commander, why did you invite Master Karma to come! Besides...you are in the Golden Crow Guard, you’re just a little soldier, don’t take yourself too seriously! Even if you die, your leaders will not care at all; it is even more impossible for you to ask Master Karma to investigate the truth!”

“This...” Lord Wang wanted to refute, but he understood that Xu Ming was telling the truth, “If I tell you why our commander invited Master Karma, will you let me go?”

There was a smile on Xu Ming’s mouth: “You can think about it!”

“You have to count what you say!” Lord Wang thought for a while, and then said the truth, “Our commander’s son ‘Cheng Yu’, I don’t know who was killed. Our commander invited Master Karma just to detect the murderer!”

Cheng Yu?

Xu Ming was stunned for a moment – wasn’t the group of Cheng Yu killed by him?

At the same time, Xu Ming's heart tightened slightly and asked, "What kind of master of karma, what kind of strength? Can you really find out who the murderer is?"

"Master Karma, the weakest are Silver Moon-level masters that surpass ten stars, and their strength is stronger than our commander!" Mr. Wang was slapped a few times, but he was honest and answered any questions, "As long as the murderer's strength is less than silver. At the moon level, you will definitely not be able to escape the investigation of Master Karma!"

"Then, has the murderer been found?" Xu Ming asked deliberately.

"I haven't started looking for it yet!" Lord Wang said, "Master of Karma needs to set up a causal formation first if he wants to investigate karma! I heard that there seems to be a few materials less to set up a causal formation..."

"So that's how it is..." Xu Ming thought to himself, "Whether that Master of Karma really has the ability to detect me, I'd better be careful!"

Xu Ming thought for a while: "After I sell the artifacts on my body, I'll leave the Golden Crow City early!"

Xu Ming felt that the farther he was from the Golden Crow City, the harder it would be for a master of karma to find out about him!

Moreover, even if it was detected, at that time, Xu Ming had already sold the divine artifact, and there should be a lot of divine stones, which could be exchanged for a lot of hanging points! – As long as there are enough hanging points, Xu Ming is not necessarily afraid of the Golden Crow Guard Commander and the Master of Karma.

"I... can I go now?" After answering the question, Lord Wang said cautiously.

"You..." A fierce light flashed in Xu Ming's eyes, "I can't!"

Lord Wang looked horrified: "Your words don't count!"

you lied?

Xu Ming sneered: “I didn’t say let you go, I just said ‘think about it’. Now that I’ve thought about it, I think it’s safer to kill you!”

“I’m the Golden Crow Guard, you dare to kill me!?” Lord Wang regained his serenity.

“Golden Crow Guards, can’t you kill them?” Xu Ming smiled indifferently, “I have killed more than a dozen Golden Crow Guards, and every one of them is better than you!”

“You killed more than a dozen Golden Crow Guards...” Upon hearing this, Lord Wang seemed to think of something, “Young Master Yu was killed by you...”

boom!

Xu Ming’s spear suddenly exploded.

“No—” Lord Wang was about to run away, but countless gunshots had already overwhelmed him.

“You know too much!” Xu Ming showed a cruel smile.

In fact, since this Lord Wang wanted to rob him, Xu Ming never planned to keep him alive. As for “you know too much”, it’s just that Xu Ming made a random excuse to kill!

God’s Domain is bloody!

Xu Ming is very clear that being kind to the enemy is cruel to himself!

“If you want to kill me, you must pay with your life!”

It’s not that Xu Ming is cold, but someone else is forcing Xu Ming to be cruel!

Of course, Xu Ming’s murder is also based on principles – people don’t offend me, I don’t offend anyone! If anyone offends me, they will surely die!

Immediately, Xu Ming received Lord Wang's world ring and cleaned up the traces at the scene.

"I hope... in this world ring, you can give me some surprises!"

Chapter 860: Ready To Run

"I hope... in this world ring, you can give me some surprises!"

Xu Ming instantly refined the world ring, opened it, and his eyes lit up: "Very good! It didn't disappoint me!"

In this world ring of Lord Wang, there are more than 200,000 divine stones lying quietly!

"Surprising!"

For Xu Ming, although more than 200,000 gods were not a huge number, it was beyond Xu Ming's expectation that more than 200,000 gods could be exploded after killing a three-star god.

"It seems that Lord Wang has made a lot of money in the Golden Crow City by virtue of his status as the Golden Crow Guard!"

Generally, those one-star and two-star gods were robbed by the Golden Crow Guards, so how could they dare to resist?

In addition, the Golden Crow Guards do not need to pay any divine stones in the Golden Crow City; over time, they can naturally save a lot of money.

These more than 200,000 divine stones are the wealth accumulated by Lord Wang over hundreds of millions of years; but now, Xu Ming has taken it all in one pot.

"Get out of here and now!"

Xu Ming went out from the other direction of the black jungle and left quickly.

...

Back to Lan Ting Xuan.

Sisi has been in seclusion in the room, not going out.

Seeing Xu Ming coming back, Sisi felt a little aggrieved: "Brother Ming, where have you been for so long? I thought you forgot me..."

Divine Realm communication was difficult, although Sisi wanted to know where Xu Ming went; however, she had nowhere to go to find Xu Ming.

Sisi was really worried that Xu Ming had forgotten about her; in this way, Sisi would be living in the realm of the gods again, without any support!

If someone like Sisi is born with great luck, if there is no strong person to protect her, then her days in the realm of the gods will be very dangerous!

Xu Ming felt a little apologetic: "I'm sorry, I retreated in the virtual world, and I forgot the time accidentally!"

"Brother Ming, don't say that! It's Sisi's honor and blessing to be able to follow you around!" Sisi said, "Also, cultivation has no time, so it's normal to forget the time!"

If you are truly immersed in cultivation, let alone a year or two, thousands of years are just a blink of an eye.

"Stop talking about this!" Xu Ming said, "Get ready, we are leaving Golden Crow City!"

"Leaving Golden Crow City? So fast?" Sisi was startled.

"Yes! Leave the Golden Crow City!" Xu Ming said, "Among the dozen or so Golden Crow guards I killed in Mohe Village, one of them was not the son of the Golden Crow Guard commander?"

“Yes!” Of course Sisi remembered this.

“I just learned that the commander of the Golden Crow Guard has hired Master Karma, and wants to find the murderer through karma investigation!” Xu Ming said.

“Ah!?” Sisi was startled and frightened.

In her eyes, even an ordinary Golden Crow Guard is very tall and needs to be looked up to. As for the commander of the Golden Crow Guard, she is not even qualified to look up!

And now, Xu Ming has been targeted by the Golden Crow Guard Commander—although he hasn’t found out that Xu Ming is the murderer, it has already made Sisi extremely frightened.

“Brother Ming, I heard that the Golden Crow Guards are in command and control thousands of Golden Crow Guards!” Sisi’s eyes showed horror, “In the Golden Crow Guard army, the three-star gods are just ordinary soldiers, and the four-star gods are just elite soldiers! The five-star gods are only centurions, the six-star gods are only thousand captains, and the seven-star gods are only ten thousand captains! Eight-star and nine-star gods are the generals of the Golden Crow Guard; and it is said that the Golden Crow Guard is a super master of eight and nine stars. , not a few!”

Sisi is telling the truth!

Jinwuweili, a ten-star god, although there is only one leader. But there are dozens of nine-star gods, hundreds of eight-star gods, and thousands of seven-star gods!

“Brother Ming, let’s leave the Golden Crow City right now!” Sisi was a little scared.

“Don’t worry!” Xu Ming said, “Before I leave, I have to go to Wanwan Pavilion to sell something!”

“Ah?” Sisi opened her mouth wide, “Brother Ming, what are you selling now! Let’s leave the Golden Crow City quickly, the farther we can escape, the better!”

“No!” Xu Ming shook his head with a smile, “Wan Wan Pavilion, I have to go!”

Xu Ming now only has more than 200,000 Divine Stones on his body, that is, more than 200,000 level 9 hanging points.

With such a point, there is no way to give Xu Ming any sense of security! If Xu Ming left the Golden Crow City and was still detected by Karma, then he wouldn't have much hanging points to use for battle!

Therefore, Xu Ming must gather as many divine stones as possible before leaving the Golden Crow City!

In this way, even if he is detected by cause and effect in the future, Xu Ming will still have a hang-up point and can use it in a battle!

"Sisi!" Xu Ming said with a smile, "If you follow me in the future, I'm afraid it will be very dangerous! Otherwise, I will give you a divine stone, and from now on, you will live in the Golden Crow City, don't continue to follow me! "

"No!" Sisi said without hesitation, "Sisi's life was saved by Brother Ming; Sisi is willing to follow Brother Ming to the death!"

"Haha!" Xu Ming laughed happily.

In fact, just now, Xu Ming deliberately played a trick; he wanted to test how loyal Sisi was to him!

So far, the loyalty is still very reliable!

"Then let's go to Wanwan Pavilion!" Xu Ming said, "Also, we also have our Star Medal! It's been a year, I don't know if it's finished!"

"Oh, yes!" Sisi just remembered, she hasn't gone to the Holy Emperor's Hall to get the Star Medal!

...

I ran to the Pavilion of All Things with great interest.

Soon after, Xu Ming and Sisi walked out of the Pavilion of Everything.

“After half a month, the Yibao Conference will be held in the Wanwan Pavilion! After the Yibao Conference, there will be an auction conference!” Xu Ming’s mind moved, “At the Yibao Conference, these treasures in my hand, Can definitely sell for a higher price...”

It’s not easy to earn some gems!

In order to sell the treasure at a higher price; Xu Ming felt that it was worth waiting for for half a month!

As for the auction conference, Xu Ming has no interest! – Xu Ming really needs any treasure, just buy it directly in the artifact store, there is no need to participate in the auction!

“Sisi, let’s wait for the Yibao Conference before leaving the Golden Crow City!” Xu Ming said.

“Sisi listens to Brother Ming!” Sisi said without hesitation.

Seeing that Sisi did not hesitate and trust him so much, Xu Ming couldn’t help but be moved – Sisi’s words are simple to say, but in fact, he has already entrusted his life to Xu Ming!

Xu Ming thought to himself, “When I have the ability, I will help Sisi find her sister no matter what!”

Xu Ming is still very affectionate! -Sisi is willing to entrust his life to him, and he will repay Sisi’s trust with his actions!

“Anyway, there’s still half a month left, Sisi, go eat all the delicious food in Golden Crow City with me!”

After coming to God’s Domain, Xu Ming has been busy cultivating and fighting, so he didn’t have the chance to have a good meal!
