

A World 921

Chapter 921: You Pervert!

The marksmanship “collapsed”, and the river of sword energy collided strongly.

“Tian Beng” is more powerful and unstoppable; and the river of sword energy, although slightly inferior in ferocity, is better than endless. The two sides collided head-on, and they were indistinguishable for a while!

“What!?” Lu Qing couldn’t believe it. “In the past few years, my new secret skills have improved a lot, but I still can’t suppress him?”

boom!

In the lightning-like confrontation, the two sides changed their moves again.

“Sword Lotus Flower!”

Countless needle-like sword qi surrounded Lu Qing, forming a sword qi lotus. And Lu Qing was at the very center of the sword energy lotus, like a stamen waiting to be released.

This sword move is mainly for defense!

“The Five Forms of Reincarnation – Birth and Destruction!”

Endless destruction and endless vitality are combined together. This gun is extremely gorgeous and beautiful, but it also contains the ultimate killing intent!

call out!

The spear flashed, the sword qi petals shattered, and Lu Qingxiang died.

too fast!

So fierce!

“I...” Before Lu Qing could say the words “I don’t agree”, his consciousness was kicked out of the sky.

She is defeated!

And Xu Ming’s body of consciousness is also not lightly injured – birth and death, it is a move that kills a thousand enemies and damages eight hundred; if it is not in an illusory environment like the virtual world, it will definitely not be used easily.

Swish!

Immediately, Xu Ming’s consciousness also withdrew from “Yixingtian”.

“You...” In the virtual world, Lu Qing looked at Xu Ming with a very exciting expression, “In the past few years, I have been studying secret skills every day; but you, you have never studied secret skills! Why... I still lost to you?”

lose? – Lu Qing is not afraid! After all, Lu Qing had already lost to Xu Ming many times, and he didn’t care about losing again!

However, Lu Qing was dissatisfied with the loss!

Three years ago, when Lu Qing and Xu Ming played against each other for the last time, she had already defeated Xu Ming. Now, three years later, why did Lu Qing, who studies secret skills every day, lose to Xu Ming, who never studies secret skills?

It’s weird to lose!

Suddenly, Lu Qing’s expression became a little serious: “Xu Ming, I ask you a question, you must answer me honestly!”

“Oh? Good!” Xu Ming said directly without thinking too much.

Lu Qing stared at Xu Ming with bright eyes: “Three years ago, when you lost to me, did you let the water out on purpose?”

Lu Qing thought of this possibility! —Only in this way can we explain why she was able to win against Xu Ming three years ago, but lost today.

“Uh...” Xu Ming was startled, and even more secretly said in his heart – a woman’s sixth sense is really terrifying! I put the water so secretly, but she still guessed it!

However, Xu Ming was of course hesitant to answer this kind of question. After all, Lu Qing was also a **** emperor; if she knew that the reason why she could win against her was really because she let go of water, then What a blow to Lu Qing’s self-esteem!

Seeing Xu Ming’s eyes flickering, Lu Qing couldn’t help but consolidate his guesses, and said softly, “Tell the truth!”

“Uh...” Seeing that Xu Ming couldn’t keep up his camouflage, he could only say, “It’s true... I put a little water on it!”

“You...” At this moment, Lu Qing was almost forced to suffer from internal injuries – put a little water on it, is that water?

In her heart, she even scolded Xu Ming like a dog:

“Damn Xu Ming!”

“How dare you pour water on me!”

“My dignified **** emperor, need you a seven-star **** to release water? Oh, no, three years ago, you were only a four-star god!”

“me...”

“If this is spread, my God Emperor Yan Yan will not immediately become a big joke in the God Realm?”

“I...”

But unfortunately, these words, Lu Qing can only curse in his heart.

As for why he didn't scold him out loud... You know, the dignified God Emperor Yanyan was already very shameful to be thrown into the water; do you want Lu Qing to repeat this shame in words?

However, although Lu Qing did not speak, her eyes had already killed Xu Ming thousands of times!

Xu Ming looked a little hairy: “That's what, I didn't do it on purpose...”

“Did you call this on purpose?” Lu Qingxiu stared.

Is it possible to divide water release into “intentional” and “unintentional”?

“Cough cough...” Xu Ming was speechless, so he could only comfort him, “Lu Qing, don't worry, I won't tell you about this!”

“I...” Lu Qing almost vomited blood when he heard it, “Xu Ming, come into ‘Yixingtian’ and see that I won't torture you to death! – I just used the newly created secret skills, not the ones that were created before. Perfect secret skills, that's why I lose to you! If I don't hide my strength, defeat you, one move is enough!”

“Yes! Yes! Yes!” Of course Xu Ming did not dare to refute, and he echoed.

“I...” Lu Qing said, and felt that something was wrong – she is a ***** emperor, and she has a way to defeat a seven-star god, is it honorable?

It doesn't seem honorable at all!

And... she uses a newly created emperor-level secret skill, isn't it Xu Ming?

Xu Ming's emperor-level secret skills were also newly created and not yet perfected!

In any case, there is a fact in front of Lu Qing – she is a dignified ***** emperor, and the newly created emperor-level secret skills are not as good as a star-level god. Moreover, in the virtual world, he was abused countless times by the other party! Moreover, in order to let her win, the other party also released water!

“This is definitely an indelible shame on the road of my martial arts!” Lu Qing thought through gritted teeth.

Immediately afterwards, Lu Qing thought of another question: “You said... Three years ago, you just put a little water in?”

“Uh... yes!” Xu Ming said without hesitation.

Lu Qing said again: “In the past three years, my new secret skills are much stronger than three years ago! If three years ago, you only put a little water; then how can you beat me now!?”

Speaking of this, Lu Qing's expression became even more exciting: “Three years ago, did you put a lot of water in?”

Her dignified ***** emperor was not only drained of water, but also a lot of water... This made Lu Qing very unacceptable!

“Not a lot, really just put a little water!” Xu Ming said.

“Impossible!” Lu Qing said firmly, “I know very well how much stronger my new secret skills have become in the past three years! You didn't just put a little water, you put... a lot of water!”

“But...” Xu Ming said, “You're not the only one making progress! I'm making progress too!”

“You practice exercises every day and improve your cultivation base, and you don't have time to study secret skills! How can you improve your secret skills? – And the battle in the virtual world

only depends on the strength of secret skills, and has nothing to do with your cultivation!” Lu Qing analyzed it rationally.

“No... My secret skills are really improving!” Xu Ming said, “You know, I’m currently majoring in the ancient cultivator school!”

“Yes!” Lu Qing nodded slightly.

Xu Ming continued: “The ancient cultivator school is different from the Heavenly Dao school! Our ancient cultivator school, when cultivating, needs to constantly break down and stand up, and constantly recast our divine body from the particle level!”

“I know this So what?” Lu Qing still had a cold face.

Xu Ming said: “Every time I recast the divine body from the particle level, I find that this feeling of breaking and standing is very wonderful!”

“It’s natural!” Lu Qing hummed.

“So, I deeply felt this wonderful feeling of ‘breaking and standing’ again and again! Then, for some unknown reason, every time I felt this feeling, my secret power seemed to increase a little! – At first, only When I realized it once or twice, the improvement in the power of marksmanship was not very obvious; but after I realized it hundreds of thousands of times, the improvement of the power of marksmanship was very terrifying!”

“What did you say!?” After Lu Qing heard this, his eyes suddenly became round again.

Xu Ming was taken aback: “What’s wrong, Lu Qing? Is there any problem?”

Seeing Lu Qing’s appearance, Xu Ming thought it was his own cultivation, something went wrong and he took a wrong path.

Lu Qing didn’t answer Xu Ming, but jumped out three words word by word from the gap between his teeth: “You pervert!”

Chapter 922: 4 Major Orders

abnormal?

“I...” Xu Ming was scolded at a loss, “Why am I perverted?”

Of course Lu Qing knew that Xu Ming had only come to God’s Domain not long ago, so he didn’t understand many things; but Lu Qing couldn’t help but say, “You did such a perverted thing, and you still don’t know it!?”

“I...” Xu Ming looked bewildered, “I really don’t know, where am I perverted...”

Brother Ming, although I can’t say that he is a gentleman, he definitely has nothing to do with perverts!

“If you don’t know, then I’ll tell you!” Lu Qing said, “When you recast your divine body, you realized that you’re ‘breaking and standing’, and the power of your secret skills has been greatly improved as a result?”

“Yeah!” Xu Ming said, “What’s wrong with this?”

Lu Qing stared deeply at Xu Ming, looked at it for a long time, and finally said faintly: “It seems that you really don’t understand at all! I really can’t imagine, you don’t understand at all, why did you cultivate so perverted...”

“Uh...” Xu Ming listened silently.

Lu Qing continued: “Do you know how the road from the ‘Ten Star Gods’ to the ‘Silver Moon Grade’ is taken?”

The road from the ten-star gods to the silver moon level?

Xu Ming really didn’t think about it.

Xu Ming only knew the road from “one-star deity” to “ten-star deity”!

For cultivators of the Heavenly Dao school, going from one-star deity to ten-star deity is nothing more than constantly comprehending, integrating, and using the way of heaven. The deeper the understanding of the Tao of Heaven, the deeper the integration, the more skillful the application, the stronger the strength will naturally be! – For example, the nine-star gods completely comprehend and integrate the nine heavenly ways; the ten-star gods, in the use of the heavenly ways, are much better than the nine-star gods!

For the cultivators of the ancient cultivator school, this path is even simpler. In short, it is to continuously recast the divine body to make their divine body stronger!

“The path from the ten-star gods to the silver moon level, different cultivation schools have different ways!” Lu Qing continued, “Even if you are only a cultivator of the Heavenly Dao school, there are two ways: one is To control the order, the second is to break the law with force!”

control the order?

Break the law with force?

Xu Ming was a little confused – his time in God’s Domain was too short, and most of his time was spent on cultivation; he knew very little about many things in God’s Domain, even common sense of cultivation.

“Do you know what the order of operations between heaven and earth is?” Lu Qing asked.

“Uh...I don’t know!” Xu Ming asked three questions completely.

Lu Qing had expected Xu Ming to answer this, and shook his head and said, “There are four major operating orders between heaven and earth, namely: time and space, cause and effect, reincarnation, and destiny! These four operating orders determine the most fundamental of the operation of heaven and earth. law!”

The four operating orders?

Xu Ming immediately remembered one thing – when he was in the Endless Continent, in order to kill True God Erke, Xu Ming forcibly exchanged eight artifacts into 9-level hanging points, which violated the order of the world and was almost “banned”. Fortunately, Xiaohang entered the hibernation state in time and escaped the detection of the order of heaven and earth, allowing Xu Ming to escape.

At that time, what Xu Ming violated was the order of “reincarnation”!

You must know that all creatures in the world, even as small as ants, bacteria, and artifact spirits, must follow the order of “reincarnation”.

Born, the essence of heaven and earth condenses into life; extinction is the return of life to the essence of heaven and earth! – This is a small part of the “reincarnation” order.

Lu Qing continued: “Gold, wood, water, fire, earth, wind, thunder, yin, and yang, these nine fundamental sources of matter, the Heavenly Dao, have evolved into all things in the universe and billions of beings under the control of the order of the four heavens and the earth! Simply put, the Four Great Orders and the Nine Heavenly Dao make up everything between heaven and earth! – No matter what treasure it is, no matter how powerful it is, in the final analysis, it is formed by the derivation of the Four Great Orders and the Nine Great Heavenly Dao. !”

“This...” What Lu Qing said was too mysterious, and Xu Ming couldn’t understand it for a while. “Everything in the world actually originates from the four major orders and the nine major ways of heaven?”

Xu Ming carefully understood and digested it for a while before he finally understood.

“Are you shocked?” Lu Qing said with a smile, “In the beginning, when I first learned about this, I was shocked for a long time!”

After a pause, when Xu Ming fully understood, Lu Qingcai continued: “Cultivators of the Heavenly Dao School, if they want to take the path of ‘controlling the order’ to lead to the silver moon level, then they must realize what is in the four major orders. One of them! – You don’t need to understand much, you only need to understand a little bit of fur, and you can achieve the silver moon level!”

“Is it enough to realize a little bit of fur? It’s so easy?” Xu Ming couldn’t help saying.

“Easy?” Lu Qing smiled, “Order runs, invisible and aloof, but it’s not as simple as comprehending the way of heaven! If you want to understand order, you can only infer the operation of order from the constant changes of the nine ways of heaven. Moreover, this process of comprehending the order can only be understood by oneself, and others cannot describe it! – Ten-star gods, which one does not comprehend, fuse, and apply the nine heavenly ways to the extreme? There is no one in a hundred who has stepped into the Silver Moon rank!”

“There is no one in a hundred...” Xu Ming vaguely felt that it was difficult to become a silver moon!

Among the one hundred ten-star gods, it is hard to find a silver moon-level existence!

“This is the road of ‘controlling the order’, leading to the silver moon level!” Lu Qing continued, “I will introduce to you again, how practitioners of the Heavenly Dao flow ‘break the law with force’!”

Xu Minglian listened carefully Breaking the law with force is actually easier than controlling order! Because this path is not as ethereal and illusory as the path to control order...” Lu Qing said, “Like myself, I’m taking the route of breaking the law with force! ”

“Oh?” Xu Ming couldn’t help being a little surprised – Lu Qing, the ***** emperor, did not control the order, but broke the law with force!

“Break the law with force, how to break it? That is to continuously strengthen one of the nine great heavens!” The ways of heaven are different, but they are similar! For example, I transformed the other eight heavenly ways that I had learned into the heavenly way of fire, so that my heavenly way of fire had a qualitative breakthrough and stepped into the silver moon level in one fell swoop!— I call myself the ‘God Emperor Yanyan’, precisely because I am the best at the Heavenly Dao of Fire!”

“Is that so...” Xu Ming pondered – what he is best at is the Heavenly Dao of Fire, and maybe he can follow Lu Qing in the future, starting from the Heavenly Dao of Fire and breaking the law with force!

“Heavenly Dao school, if you want to break through to the silver moon level, there are only two paths of ‘controlling the order’ and ‘breaking the law with force’, there is absolutely no third path!”

Lu Qing said, “Let me tell you again, How do you ancient cultivators break through to the silver moon level...”

Chapter 923: No Rock

“The school of ancient cultivators has broken through the silver moon level. It is easy to say, and difficult to say!” Lu Qing laughed.

“Uh...” Xu Ming was speechless.

It’s easy to say, easy to say, hard to say! -Why does this sound like nonsense?

Lu Qing explained with a smile: “It’s simple because... as long as you have sufficient cultivation resources, you can easily break through to the silver moon level! The difficulty is because... if you don’t have enough cultivation resources, then, no matter what It is impossible to break through the silver moon level!”

“Is that so...” Xu Ming was stunned.

“So, I advised you before, it’s better to give up the ancient cultivator school and change to the heavenly path school! Because... follow the ancient cultivator school, from the ten-star **** to the silver moon level, from the silver moon level to the king level, from the seal From the king level to the emperor level; every stage requires very demanding cultivation resources! When your cultivation base is low, it is not difficult to find cultivation resources; but when your cultivation base is high, especially after reaching the emperor level , If you want to find cultivation resources, it will be as difficult as going to the sky! – The rare resources between heaven and earth have already been divided up by all super-existences, and it is not your turn to use them!”

Lu Qing’s tone was a bit bitter: “And your aptitude is so terrifying, even if you change to the Heavenly Dao school, you should be able to achieve the emperor level in the future, there should be no problem!”

“Oh...” Xu Ming responded somewhat copingly – for Xu Ming, in fact, he didn’t worry about the cultivation resources of the ancient cultivator school! Because, the artifact store has everything!

Lu Qing didn’t care much, and continued to say: “Let’s talk about the school of faith and the school of luck! For these two schools, it is really the easiest to achieve the silver moon level, as long as you

collect enough power of faith or luck. Power, that's fine! But... once you achieve something in these two schools, it will cause a lot of trouble! So, don't try to cultivate these two schools!"

Do not practice?

Lu Qing didn't know that Xu Ming was already cultivating...

"Finally, let's talk about the school of mind cultivators..." Lu Qing said, "The school of mind cultivators is too mysterious. Even I don't know much about it, so I don't have much to tell you! However, I want to remind you that when you meet a mind Cultivators, must be cautious; because, mind cultivators can be said to be invincible at the same level! – Even a mind cultivator who has just broken through to the 'Silver Moon 1st Rank' is stronger than the cultivators of other schools of 'Silver Moon 10th Rank'!"

"Ah!?" Xu Ming was stunned – a mind cultivator is simply stronger than a plug-in!

"Why are they so strong?" Xu Ming couldn't help asking.

In fact, Xu Ming also has a school of cultivators of the mind, but it is only the "second level of mind power", only the strength of a demigod, and he doesn't feel how powerful! To cultivate to the "third level of mind power", the school of mind cultivators will begin to show its edge.

"I don't know why mind cultivators are so strong..." Lu Qing shook his head and said, "After all, mind cultivators are too mysterious and rare! Even I haven't seen a few."

"Okay..." Xu Ming said, "But... After all this talk, you haven't told me, where the **** am I perverted!"

"You don't know yet, where are you perverted?" Lu Qingxiu stared.

"I really don't know... Lu Qing, you should tell me clearly!"

Lu Qing made a speechless expression and said, "I ask you, you are from the ancient cultivator school, right?"

“right!”

“Let me ask you again, the ancient cultivator school, if you want to break through to the silver moon level, do you want to ‘control the order’?”

“don’t want!”

“Really don’t!” Lu Qing said, “Also, even if the ancient cultivator ‘controls the order’, it cannot break through the silver moon level! The cultivation direction is different, the ancient cultivator school must constantly ‘recast the body’ in order to achieve it. Break through the silver moon level!”

“Then where am I perverted?” Xu Ming was eager to know.

Lu Qing was even more speechless: “I said it so clearly, don’t you understand? – The ancient cultivator school does not need to control order! Moreover, I have never heard of any ancient cultivator in the stars. At the level of the gods, you begin to come into contact with order!”

“Xu Ming, you must know that the order in which the heavens and the earth work is invisible and aloof! You can’t spy on it, you can only speculate!”

“The ten-star gods of the Heavenly Dao school have comprehended, integrated, and applied the nine heavenly laws extremely deeply, so that they can infer the clues of the order’s operation from the constant changes of the nine heavenly laws, and control a little bit of order! ”

“And you!”

“It’s not the way of heaven at all! It’s impossible to speculate on the operation of the order through the changes of the nine heavenly ways!”

“But you!”

“But it has already touched the fur of order!”

“You say you!”

“Is it a pervert!?”

Lu Qing scolded Xu Ming every word, like a cannonball, so he couldn't lift his head: “Tell me, are you a pervert!?”

Xu Ming listened to it for a long time, and finally asked weakly: “What is that? When did I touch the fur of order?”

“Pfft!” Lu Qing vomited blood directly, “You pervert, don't you know that you have touched the fur of the order?”

“I don't know...” Xu Ming said innocently.

“When you were recasting the divine body, you felt the feeling of ‘breaking and standing’, so that even the power of the secret skills increased, right?”

“Yeah!” Xu Ming said dumbfounded.

“You pervert! This feeling of ‘breaking and standing’ is a small part of the order of reincarnation!” Lu Qing, the “lady”, couldn't help scolding.

“Uh...” At this moment, Xu Mingcai finally came to his senses – no wonder, when Lu Qing heard him say that he felt the feeling of “breaking and then standing”, his reaction was so exaggerated that he would roll his eyes and scold himself for being a pervert.

Xu Ming thought about it carefully and found: “Well! I am indeed a pervert!”

“Your comprehension of the order of the heaven and earth is really perverted to the extreme! If you don't follow the school of heaven and the way of ‘controlling the order’, it's simply a heinous crime!” Lu Qing thought for a while, gritted his teeth, and said, “Don't worry. , no matter how much you pay, I will find a way to get you a ‘No Difficulty Stone’ to help you on the path of Heavenly Dao Liu!”

“No Difficulty Stone?” Xu Ming was a little puzzled, “What is that?”

“You’ll know by then!” Lu Qing said, “Let’s go! I won’t fight you pervert! When I perfect the new secret skills, I’ll fight you again! Humph!”

“Uh...” Xu Ming looked at Lu Qing’s leaving back, and thought to himself, “I accidentally hit Lu Qing again... I knew it would be like this, this time it’s time to release water...”

...

After walking out of the virtual world and wandering in the Yanyan Mountain, Xu Ming received a message.

The communication came from Zhou Qi: “Brother Ming, ten days later, it will be time for our inner disciples to compete. At that time, can you come to watch the game?”

Chapter 924: 0 Mile Floor

ten days later.

virtual world.

“Your competition is going on in the virtual world?” Xu Ming asked with a smile, walking beside Zhou Qi and Hong Haojie.

“Yes, it’s all in ‘One Star’! Everyone’s power level is one-star god!” Zhou Qi explained, “Competition here, only depends on combat skills! As long as your combat skills are strong enough, even if you only One-star gods can also beat five-star gods or even ten-star gods by leaps and bounds! – Disciples who perform well in competitions will also receive key training from Shenshan!”

“Yeah!” Xu Ming expressed his understanding – just like him, he defeated God Emperor Yan Yan in the virtual world.

“Are you confident?” Xu Ming smiled.

Zhou Qi grinned: “If you don’t have confidence, you won’t dare to invite Brother Ming to watch the battle! – I can’t say anything else, among my peers, I’m almost invincible! The skills should not be too powerful, it should be fine!”

“Oh?” Xu Ming glanced in surprise, “It seems that after you became an inner disciple, you have made a lot of progress!”

“Ha ha!”

...

At this moment, Xu Ming saw an “old acquaintance” – Shao Chuan approaching him!

Beside Shao Chuan, there is also a white-clothed **** with elegant temperament and morality; and Shao Chuan, a silver-moon-level master, is obviously very humble beside this white-clothed god.

Of course, Shao Chuan also saw Xu Ming. The depths of his eyes were filled with hatred and jealousy!

Hate, of course, hated Xu Ming for slapping him; jealous, was jealous of the manager Ge Ting behind Xu Ming.

Suddenly, a flash of struggle flashed in Shao Chuan’s eyes, he finally gritted his teeth, and said to the white-robed deity beside him through voice transmission: “Senior Brother Yue, the one who is approaching is the Xu Ming I mentioned to you...”

“Oh?” This Senior Brother Yue’s eyes suddenly became as cold as a poisonous snake; he stared at Xu Ming for a few times, and replied by voice transmission, “It’s him? I don’t see any difference!”

“Compared with Senior Brother Yue, of course he doesn’t count for anything!” Shao Chuan said, “However, relying on the support of Director Ge Ting, he oppressed me; he also robbed me of all the points I had accumulated. now...”

“Humph! Ge Ting?” Senior Brother Yue’s eyes flashed with disdain, “You will be jealous of Ge Ting, but I won’t!”

Shao Chuan hurriedly flattered him: “That’s right! Ge Ting, in the end, only exists at the Silver Moon level; and Brother Yue, you are very likely to set foot on the King level in the future! – Ge Ting is also here. Playing prestige in front of us, in front of you, Brother Yue, is nothing!”

“Humph!” Senior Brother Yue snorted softly and said, “Shao Chuan, since you are working with me, then I will not let you be kneaded! The loss you suffered last time, I will go Help you get it back!”

Brother Yue, his full name is “Yue Xiaoxian”; among all the inner disciples of Yanyan Mountain, he can rank in the top ten!

You must know how huge and powerful the Yanyan Divine Mountain is! Inner sect disciple, there are more than ten thousand! ?

Among the inner sect disciples, there are quite a few even silver moon-level masters!

To be able to rank in the top ten among the inner disciples in terms of strength means that the potential is extraordinary! Such a character is indeed qualified not to give Ge Ting face!

But the question is... Is it really only Ge Ting who supports Xu Ming in Yanyan Mountain?

“Are you Xu Ming?” At this moment, Yue Xiaoxian walked quickly to Xu Ming with a sneer on the corner of his mouth.

“Huh?” Xu Ming was slightly startled – where is this stupid X coming from? Did you come to be the first bird for Shao Chuan?

“Brother Ming!” Zhou Qilian said, “He is Yue Xiaoxian, one of the top ten disciples of the inner sect, and his strength is very terrifying. It is said that he has reached the strength of ‘Silver Moon Eighth Grade’!”

“Oh...” Xu Ming responded casually.

Silver Moon Eighth Grade? – So what, the other party can’t help Xu Ming!

Yue Xiaoxian continued: “Shao Chuan is my follower... You dare to bully even my follower. How do you calculate this account?”

“Is he your follower?” Xu Ming pointed at Shao Chuan and asked.

“That’s right!” Yue Xiaoxian thought that he had already shocked Xu Ming; when the other party heard that Shao Chuan was his follower, he was probably scared!

“Oh...” Xu Ming smiled strangely, “But, what are you?”

What are you?

Zhou Qi and Hong Haojie next to Xu Ming were stunned – Brother Ming dared to speak to Yue Xiaoxian like this... You must know that even Director Ge Ting would not dare to talk to Yue Xiaoxian like this easily!

Shao Chuan was also stunned, but more of it was gloating – this Xu Ming dared to be so arrogant in front of Senior Brother Yue, he was doomed!

“What did you say!?” Sure enough, Yue Xiaoxian’s cold eyes turned red in vain because of anger.

If it weren’t for the fact that private battles are strictly prohibited in the virtual world, and all battles must be fought in scenes such as Yixingtian and Erxingtian, then Yue Xiaoxian would probably have shot Xu Ming directly!

“Okay! Xu Ming, you’re fine!” Yue Xiaoxian looked extremely grim, “I’ll give you a chance to kneel down and admit your mistake now!”

Xu Ming smiled disdainfully: “I will also give you a chance to kneel down and admit your mistake!”

“Humph!” Yue Xiaoxian snorted coldly, turned his head and left.

Anyone who is familiar with Yue Xiaoxian knows that this is the sign of his extreme anger! – He didn't even want to say a word! But afterwards, he will definitely deal with Xu Ming without compromise!

Xu Ming looked at the murderous look in the other party's eyes, but smiled disdainfully: "I hope... you don't come to mess with me!"

Brother Ming has no interest in killing, unless the other party insists on courting death!

"Brother Ming..." Zhou Qi said with a wry smile, "This Yue Xiaoxian, even Director Ge Ting will give him some face! You offended him... I suggest that you hurry up and talk to Director Ge Ting and see what happens. Fix it..."

"No need! Let's go, let's watch your competition!" Xu Ming said casually, apparently not taking Yue Xiaoxian's threat to heart at all.

"This..." Zhou Qi and Hong Haojie had no choice but to follow Xu Ming step by step.

Immediately, the consciousness of the three people was connected with the virtual world, and they entered the "Xutian Island" exclusively for inner disciples of Yanyan Shenshan.

At this time, tens of thousands of inner disciples and countless gods watching the battle had gathered in Xutian Island.

Some deacons of the mountain are grouping the inner disciples participating in the competition to determine the order of battle.

"It's really annoying!" Xu Ming looked at him with a smile.

Almost all the inner disciples of the Yanyan Divine Mountain are the top geniuses in the Divine Realm. Xu Ming was still very interested to watch, what kind of level these top geniuses in the God's Domain were.

suddenly...

“Hahahaha...” A savage laughter sounded; at the same time, a series of black-clothed figures with a cold temperament appeared in the sky above this virtual island, “I heard that today is the competition of your inner disciples. The day? We ‘Baililou’ are very interested in seeing the geniuses of your Yanyan Mountain, what kind of strength they are!”

Chapter 925: Provocative

In the sky above Xutian Island, more than ten figures in black stood in the sky. Judging from his arrogant momentum and arrogant posture, it is obvious that the comers are not good.

“Humph! Baili Lou?” In Xutian Island, a simple and honest middle-aged man suddenly flew into the air. It was Director Ge Ting.

Ge Ting greeted the dozen or so black figures, and shouted, “You guys are so bold, how dare you come to the Xutian Island in our Yanyan Mountain to make trouble!?”

Xutian Island is an island in the virtual world, which is equivalent to a private site in the “Imaginary World”.

The powers of the gods, or the great forces of the gods, usually buy one or two virtual islands with the virtual world.

Some virtual islands are not open to the public; for example, Lu Qing’s virtual islands can only be entered by those designated by her, and no one else can enter.

There are also some virtual islands that are open to the public; for example, the virtual island shared by the inner disciples of Yanyan Shenshan is open to anyone. Of course, even if it is a public Xutian Island, the owner of the island also has the right to expel visitors.

“Hahahaha...Ge Ting, don’t say something so ugly!” The black-clothed figure at the head laughed loudly, “We Baililou, and your Yanyan Sacred Mountain, are the same emperor-level forces on Yanyan Continent; , When your inner disciples are competing, are we not allowed to exchange and learn from Baililou?”

“Exchange and learn from each other? Humph! Feng Yi, do you look like you are here to communicate and learn?” Ge Ting shouted.

“Why doesn’t it look like that?” Feng Yi, the black-clothed figure at the head; his identity in Baililou was similar to Ge Ting’s, similar to the chief executive.

Feng Yijie smiled, “Look, I brought all the silver-moon-level geniuses from our Baililou! They are very interested, and they have played against the geniuses of the Yanyan Mountain in the virtual world! – In the virtual world, there will be no danger; why, Ge Ting, you Yanyan Shenshan, shouldn’t you dare to challenge even such a sparring?”

“Huh! Exchange and learn from each other? Those who come to provoke him will say, I am Yan Yan Shenshan, why have I never dared to fight!?” Ge Ting shouted angrily.

Ge Ting actually wanted to expel Feng Yi and this group of annoying things from Xutian Island; however, he couldn’t do it!

Because, once expelled, it is equivalent to bowing to the opponent and admitting defeat! – You can be defeated, but you must not bow your head; otherwise, you will lose the face of the entire Yanyan Sacred Mountain!

...

“What kind of power is this Baililou? Is it strong?” Xu Ming asked in a low voice.

“The strength of Baililou and our Yanyan Sacred Mountain should be equal to each other; the two forces, for hundreds of millions of years, have often had discussions!” Zhou Qi explained, “I heard that in the very early days, we The relationship with Baililou is still relatively good; the discussions between the two sides are also very friendly. Later, for some unknown reason, our Yanyan Shenshan seemed to have a deadlock with Baililou; , are also full of provocative meanings! – Of course, competitions are generally limited to silver moon grades; king-level powers, generally do not surrender their status and do such vulgar provocative things! ”

“Oh...” Xu Ming thought about it – no wonder the other party looked like a bad visitor! To put it bluntly, it is to smash the field!

Zhou Qi continued: “Sometimes, there are more Yinyue-level masters in our Yanyan Sacred Mountain, and we will take the initiative to go to the Xutian Island in Baililou to provoke. But in this era, our Yanyan Sacred Mountain’s Yinyue-level masters will take the initiative to provoke

them. In the existence, there is nothing particularly dazzling; on the contrary, there are several very powerful Silver Moon-level masters on the Baililou side – this way, the people of the Baililou often come to us to show off their power!”

“So...” Xu Ming fully understood the cause and effect.

Now, the Yanyan Shenshan side is in a state of “lagging behind and being beaten”!

...

At this time, the elites among the inner disciples of Yanyan Shenshan were all glaring at the Baililou masters in the sky.

“Baililou’s group of scoundrels are so arrogant! When Senior Brother Su Chen was still at the silver moon level, I never saw them dare to be so arrogant!”

“Humph! If Senior Brother Su Chen is here, even if the dozen or so in the sky join forces to besiege, they will only be abused!”

“Unfortunately...Senior Brother Su Chen has already stepped into the king-level realm, and can no longer participate in this silver-moon-level battle!”

“Hey, don’t mention Senior Brother Su Chen... Let’s think about it, how to deal with it!”

...

Above the sky, Ge Ting and the other party were also talking nonsense.

“Ge Ting!” Feng Yi sneered, “Stop talking nonsense! Before your inner sect competition starts, our geniuses from Baililou, let’s warm up with you first! – Jiang Man!”

Immediately, an imposing figure in black stood up, it was Jiang Man!

Feng Yi continued to sneer: “Jiang Man’s strength is not the strongest among the silver moon geniuses in our Baililou! However, sweeping your Yanyan Mountain is enough! – Jiang Man, don’t be polite, Sweep all the geniuses of the Yanyan Mountain!”

Sweeping the Yanyan Mountain?

Feng Yi’s provocation naturally provoked the anger of Yanyan Shenshan again.

Jiang Man is domineering and fierce: “The genius of Yanyan Shenshan? Humph! A group of rabble who are vulnerable!”

“Jiang Man, keep your mouth clean!” Jiang Man’s provocation immediately ignited the anger of Yue Xiaoxian and other inner sect elites.

“Jiang Man, what are you? When Senior Brother Su Chen was here, you didn’t even dare to put a fart? What are you pretending to be?”

“Hahahaha...” Jiang Man laughed, “What are you talking about, the ***** of Yanyan Sacred Mountain? If you have the skills, come out and fight!”

The inner sect elites of Yanyan Sacred Mountain, although extremely angry, are still reasonable, and they have heated discussions:

“Who will play in this first battle?”

“Fang Chen, are you coming?”

Fang Chen is now the “Silver Moon Level No. 1” in the Yanyan Mountain; even Director Ge Ting is no match for him!

“No! You can’t let Fang Chen go in the first battle!” There was a voice of rebuttal immediately, “If he goes in the first battle, the people in Baililou will definitely mock our Yanyan Sacred Mountain again!”

“However, if Fang Chen can’t make it, who has the confidence to defeat Jiang Man?”

yes! Today, among the inner disciples of Yanyan Sacred Mountain, apart from Fang Chen, the “Silver Moon Rank No. 1”, no one really has the ability to overwhelm Jiang Man!

There was silence for a while.

“I’ll go!” Suddenly, Yue Xiaoxian said.

“Huh?” The other inner sect elites were surprised, “Yue Xiaoxian, are you going to fight?”

Although Yue Xiaoxian’s strength can be ranked in the top ten among the inner sects, he is obviously far worse than Jiang Manlai! After going up, I am afraid that I will be abused in a way that is not like an adult!

Yue Xiaoxian said: “Anyway, everyone loses, why don’t you let me do it! And I have an epiphany recently, my strength has improved a lot, maybe I can fill the Yinjiang River and win him once; Even if you can’t win, you won’t lose too badly!”

Ge Ting thought for a while and said, “Okay! Yue Xiaoxian, it’s up to you to fight in this first battle!”

Immediately, Ge Ting looked at Feng Yi: “Old rules, one star!”

In the battles of one star, everyone’s power level is limited to the gods of one star. Under the same power, it depends on whose combat skills are more terrifying!

Feng Yi sneered and said, “Ge Ting, your Yanyan Sacred Mountain is really deserted, and you have even sent kittens and puppies that you have never heard of before to fight!”

But... Feng Yi said, “I’ve never heard of it,” but when his eyes met Yue Xiaoxian’s, there was a sinister smile in their eyes.

Of course, this sinister smile was very obscure; except for Feng Yi and Yue Xiaoxian, who could see the smile in each other’s eyes, no one else noticed.

Xu Ming also didn't notice it, he just watched calmly: "I don't know, what kind of strength this Yue Xiaoxian will be..."

Chapter 926: Tenji Liquid

In the "One Star" battlefield.

Yue Xiaoxian and Jiang Man looked at each other from a distance.

The weapons on both sides are swords!

However, Yue Xiaoxian used a thin and soft long sword, and his momentum was relatively cold; while Jiang Man used a broad-blade sword, and his momentum was very domineering.

The other gods in Xutian Island also consciously entered Yixingtian to watch the battle.

"Yue Xiaoxian?" Jiang Man's face was full of contempt, "You Yanyan Sacred Mountain, the only thing I can take seriously is Fang Chen! As for you, you are not qualified for me to take it seriously!"

"Humph!" Yue Xiaoxian snorted coldly, "Who can't talk big? If you have the ability, let's see the real chapter!"

"Come on then!"

Boom!

Jiang Man's great sword is mighty, as if sweeping the power of the whole world.

And Yue Xiaoxian's sharp sword, like a poisonous snake spitting out letters, is extremely cold.

"I don't know... how long Yue Xiaoxian can support..." Ge Ting narrowed his eyes slightly and looked carefully.

The geniuses of Yanyan Sacred Mountain are also discussing fiercely:

“Yue Xiaoxian is in our inner door, although he can be ranked in the top ten, but after all, he is only hanging at the end of the top ten! And Jiang Man is in the top three in Baililou! – Yue Xiaoxian and Jiang Man’s strength, the gap is too big Big!”

“Yeah! Even as Yue Xiaoxian said, he has made great progress recently; but, I’m afraid he won’t be able to defeat Jiang Man!”

“Victory? Are you kidding me? – It’s not a question of whether we can win! As long as Yue Xiaoxian doesn’t lose too badly, we can be content!”

Xu Ming also watched silently.

“This Yue Xiaoxian’s swordsmanship...” Xu Ming couldn’t help shaking his head, “It sucks!”

In the virtual world, Xu Ming had only fought with one opponent, and this opponent was Lu Qing!

Xu Ming was used to seeing Lu Qing’s battle in the virtual world. Now that he saw Yue Xiaoxian’s action, he compared the two and immediately came to a conclusion – Yue Xiaoxian is completely scum!

Xu Ming looked at Jiang Man again: “Yeah! It’s better than Yue Xiaoxian, but he’s still scum!”

It’s just that Yue Xiaoxian and Jiang Man are really scumbags?

not necessarily!

At least, the grim expressions of Ge Ting and other Yinyue-level masters showed that in their eyes, Yue Xiaoxian and Jiang Man are quite powerful characters!

As for the star-level gods such as Zhou Qi and Hong Haojie, they were completely shocked: “One star in the sky can only exert the power level of one star god; One style, can actually evoke such a great power...”

The battlefield lightning flint!

Just when everyone was amazed at the power of Yue Xiaoxian and Jiang Man, Jiang Man's attack had already destroyed Yue Xiaoxian's body with a destructive force! From the beginning to the end of the fight, Jiang Mancai made no more than ten swords!

No more than ten swords, the top ten geniuses of Yanyan Sacred Mountain have already been defeated!

"Hahahaha..." Jiang Man withdrew from Yixingtian, returned to Xutian Island in Yanyan Sacred Mountain, and laughed loudly, "You Yanyan Sacred Mountain, who else dares to fight!?"

Fang Chen and other top silver-moon-level experts all looked at each other in dismay. Only a few of them can fight Jiang Man!

"I'll go!" Shi Lei, who had been silent for a long time, suddenly opened his mouth and said – Shi Lei was in the top three among the many inner disciples of Yanyan Sacred Mountain. The last time Baililou came to provoke him, he had played against Jiang Man and finally lost.

"It's your stupid stone again!" Jiang Man laughed arrogantly, "It does take some effort to beat you; however, your attack is too weak to beat me at all!"

"Enter the battlefield!" Shi Lei said succinctly. His character is not at the mercy of words, if he can not speak, try not to speak.

Ge Ting, Fang Chen and other Yan Yan Shenshan masters all sighed silently in their hearts: "Shi Lei will play, I can only say that he will not lose as directly and as ugly as Yue Xiaoxian did..."

...

At this time, in Lu Qing's Xutian Island.

In addition to Lu Qing, there is another handsome and charming figure.

This monstrous figure's face was pale and bloodless; the aura of the whole person was also extremely cold.

However, he has a prestige in the Yanyan Continent, and even in the entire God Realm – God Emperor Baili!

“Hahaha!” God Emperor Baili laughed sharply, “Lu Qing, since Su Chen, you really haven't produced a decent genius in Yanyan Shenshan! Look, this Yue Xiaoxian was defeated within ten moves. And now, this Shi Lei is also lost!”

“No genius?” Lu Qing sneered, “God Emperor Baili, don't look down on the kittens and puppies under your command! It's not that we don't have real geniuses in Yanyan Mountain; It's just a farce to participate in this kind of competition!”

When talking, Lu Qing naturally thought of Xu Ming—even her dignified ***** emperor lost to Xu Ming in one star. Although that was not her full strength, Lu Qing was sure that if Xu Ming made a move, he would In the virtual world, there is absolutely no silver moon level that can be Xu Ming's opponent!

Even, even if there is a king-level existence, in the virtual world, there are not many who can beat Xu Ming!

“Oh! He's still a real genius!” God Emperor Baili had a deep disdain in his eyes, “You said, shouldn't it be Fang Chen? – Just him?”

“Humph!” Lu Qing just snorted coldly and didn't say more.

But God Emperor Baili thought he had guessed right, thinking that the “true genius” Lu Qing called was Fang Chen.

He couldn't help laughing provocatively: “Lu Qing, do you dare to make a bet? Even Jiang Man can defeat Fang Chen!”

“What did you say? Can Jiang Man defeat Fang Chen?” Lu Qing suddenly asked.

Fang Chen, but the “Silver Moon Level No. 1” in Yanyan Sacred Mountain; and Jiang Man in Baililou, only ranked in the top three! – Lu Qing doesn’t believe that the “Silver Moon Rank No. 1” in his own sacred mountain is not as good as the “Top 3” in Baililou!

“That’s right!” God Emperor Baili looked like he was winning, “If you don’t believe it, would you dare to bet?”

“How to gamble?” Lu Qing showed no weakness.

“It’s very simple, let’s bet on the winner or loser between Jiang Man and Fang Chen! As for the bet...” God Emperor Baili thought for a while, “Just bet on a bottle of Heaven and Earth Essence Liquid!”

“Can!”

A bottle of Heaven and Earth Essence Liquid is considered a relatively precious treasure for both Lu Qing and God Emperor Baili!

At this time, under the fierce and domineering offensive of Jiang Man, True God Shi Lei finally couldn’t hold it any longer, and he was defeated and withdrew from the battle scene.

“It’s all too weak...” Xu Ming couldn’t help shaking his head in his heart, “In the virtual world, I want to sweep this group of people, it’s easy!”

However, Xu Ming had no interest in participating in such petty troubles. After all, for Xu Ming, even if he wins, there is nothing to be proud of!

In the virtual world, I am afraid that only the existence of the emperor can arouse Xu Ming’s interest in fighting.

“Hahahaha!” Jiang Man stepped out of Yixingtian again arrogantly, “Who else dares to fight me!?”

“Humph! I’ll fight you!” Fang Chen shouted – he had just received an order from God Emperor Yan Yan, asking him to go up and brutalize Jiang Man.

Chapter 927: Set The Bet First

Fang Chen and Jiang Man entered the “Yixingtian” battlefield.

“Fang Chen shot!” Yan Yan Shenshan couldn’t help but look forward to it.

They have already lost two games in a row, and now Fang Chen, “the first person in the Silver Moon class”, can finally get some face back.

“With Fang Chen’s strength, it should be easy to crush Jiang Man!”

“That’s for sure! Although Fang Chen has not played against Jiang Man very often, and he has never played against Jiang Man in the last tens of thousands of years; however, anyone can see that Fang Chen’s strength is obviously better than Jiang Man’s. !”

“Humph! It’s time to let Baililou know, our Yanyan Sacred Mountain is amazing!”

“Fang Chen, blow him up!”

The masters of the gods and the great powers of the gods usually attach great importance to face! The battle between Yanyan Sacred Mountain and Baililou is, to put it bluntly, a battle of face!

In another virtual island.

Lu Qing looked at God Emperor Baili playfully: “You dare to bet that Jiang Man can defeat Fang Chen? I really don’t know, where did your confidence in Jiang Man come from!”

“Look at it!” God Emperor Baili smiled grimly, “Although you have prepared the essence of heaven and earth, just wait and lose!”

“Ha!” Lu Qing sneered and said no more.

In the “One Star” battlefield.

Fang Chen, like Xu Ming, used a long spear.

Not enough, Fang Chen's spear was much longer than Xu Ming's.

One inch long and one inch strong!

Such a long spear has an advantage, that is, the attack range is very large! But there's a downside – it's clumsy.

“The first person in the Yinyue rank of Yanyan Sacred Mountain?” Xu Ming waited, and this Fang Chen was able to show himself some great things. After all, in the previous battle, the strengths Xu Ming saw were too scum!

“Fang Chen!” Jiang Man stood with his sword crossed, extremely domineering, “Today, I will step on your reputation and become famous in the Yanyan Continent!”

“Really?” Fang Chen smiled disdainfully, “If you have any skills, take them out and let the spear in my hand teach me!”

“That's natural!”

boom!

As soon as he finished speaking, Jiang Man's aura suddenly became as heavy as a mountain.

“kill!”

A broad-edged sword that feels heavier than the earth.

“Huh?” Fang Chen was slightly startled, “What a strong aura... It seems that Jiang Man's strength has definitely undergone a great transformation; no wonder he dares to be so arrogant in front of me!”

“kill!”

Fang Chen's spear seemed to have transformed into an angry dragon, with infinite power.

“Senior Brother Fang Chen is much more powerful than the last time he made his move!”

“Yeah! The angry dragon transformed by Senior Brother Fang Chen's spear is obviously stronger than before! We will win this battle!”

“Definitely win! Just Jiangman, how could he be Senior Brother Fang Chen's opponent? Let ‘Wu Yifeng’ fight Senior Brother Fang Chen, it's almost the same!”

Wu Yifeng, the number one master of the Silver Moon in Baililou!

“However... Wu Yifeng's strength is unfathomable, and Senior Brother Fang Chen may not be his opponent!”

“Never mind! Anyway, Senior Brother Fang Chen will definitely have no problem winning Jiang Man!”

Xu Ming also nodded slightly: “Fang Chen's strength is indeed much stronger than Yue Xiaoxian and Shi Lei!”

Of course, in Xu Ming's eyes, Fang Chen was just a lot stronger than “scumbag”; however, it wasn't much stronger than that! Anyway, if Xu Ming dealt with Fang Chen in the virtual world, it would definitely be a one-shot defeat!

...

As for Fang Chen and Jiang Man, they naturally couldn't hear these comments from the outside world.

Jiang Man has indeed made great progress over the years, and the momentum of a broad-edged sword is countless times more domineering than before! However, in front of Fang Chen, he was always at a disadvantage, and even looked a little precarious.

“Kill! Kill! Kill!”

Fang Chen’s spear was like a dragon, and Jiang Man couldn’t lift his head.

“Humph! I see how long you can last!” Fang Chen was still very confident in winning Jiang Man.

But at this moment... a vision suddenly appeared!

rumbling...

The might of Jiang Man’s great sword suddenly became as unstoppable as the entire earth was rolling over it!

“What!?” Fang Chen was taken aback, he had no idea that Jiang Man had hidden so much power!

boom!

Jiang Man just wanted to blast away Fang Chen’s spear like a straw!

Moreover, the distance between the two sides is too close! Although Jiang Man’s gun was cumbersome and lacking in change, the problem was that Fang Chen had no time to dodge it!

“No...” Fang Chen was extremely unwilling, and was directly crushed and killed by a sword!

“I lost...” Fang Chen’s consciousness retreated from Xingtian, and his face was full of disbelief.

But soon, Fang Chen smiled bitterly: “It’s not wrong to lose! – Looking at Jiang Man’s sword, he has obviously found the way to the king level; and I am still a little confused, how can I break through the king level? !”

One has already found the way to the king level, while the other is still a little confused about how to break through the king level! —Jiang Man has already walked ahead of Fang Chen on the road of martial arts; therefore, it is not surprising that he can win against Fang Chen!

Although Fang Chen lost this time, it was also related to his carelessness; but Fang Chen knew very well that even if he did his best, he might not be able to win against Jiang Man!

lost!

Just lost!

“Senior Brother Fang Chen actually... lost to Jiang Man!”

The gods of Yanyan Sacred Mountain felt very unacceptable!

You must know that Fang Chen is the first person of the Yinyue rank in Yanyan Sacred Mountain! Fang Chen’s defeat means that the entire Yanyan Divine Mountain is defeated! It also means that Jiang Man really swept the entire Yanyan Mountain with his own power!

What makes Yanyan Sacred Mountain even more uncomfortable is that Jiang Man is definitely not the strongest in Baililou; Wu Yifeng’s strength is definitely much stronger than Jiang Man!

“Hahaha!” Feng Yi, who was headed by him, was very proud. “We Baililou just dispatched Jiang Man, who was not the strongest, to sweep your Yanyan Mountain! Now, what else do you have to say?”

“Haha! The Yanyan Sacred Mountain is nothing but a false name! The geniuses that have been cultivated are a bunch of garbage!” The other gods in Baililou also shouted.

“You **** from Yanyan Sacred Mountain, do you still dare to fight?”

“Playing? Even if they play, they will be ravaged! Hahahaha...”

The faces of the masters of Yanyan Sacred Mountain were extremely ugly.

There were several silver-moon-level masters who couldn’t help but want to fight, but they were all suppressed by Ge Ting! -Even Fang Chen lost, and the others who were obviously weaker than Fang Chen, even if they fought, they would only bring their own humiliation!

Lu Qing's private Xutian Island.

Lu Qing's face was also extremely ugly. She gritted her teeth, and said without a smile:
“Congratulations, God Emperor Baili! You, Baililou, will have another king-level existence!”

For emperor-level forces such as Yanyan Shenshan and Baililou, the combat power of the king-level existence is still very important!

“Hey, there is one more king-level existence and one less king-level existence, it doesn't really matter! It's cool to be able to win a bottle of heaven and earth from your hands!” God Emperor Baili said with a smile, “But Remember to send me the Heaven and Earth Essence Liquid as soon as possible!”

The virtual island is an illusory world; here, it is naturally impossible to trade items.

“I'm not going to rely on you for a bottle of Heaven and Earth Essence Liquid!” Lu Qing snorted disdainfully, “Also, it's just a fluke for you to win, so you need to be so proud? Even your tail is up!”

“Won by luck?” God Emperor Baili smiled meanly, “If you have the ability, you can also win by luck!”

“What's so hard about winning you!” Lu Qing snorted, “I don't want to have the same knowledge as you! Bring your people, get out!”

“Don't want to have the same knowledge as me? Haha, I think it's your Yanyan Sacred Mountain, there is no one who can fight, right?” God Emperor Baili continued to laugh, “And, whether you want to have the same knowledge as me or not, I am very I want to have the same knowledge as you!—Today, since the genius of our Baililou has arrived, he must kill the momentum of your Yanyan Mountain before he is willing to leave!”

“What do you want?” Lu Qing shouted coldly.

“I don't think so! I just want the geniuses under me to sweep all the silver-moon-level geniuses in your Yanyan Sacred Mountain! – Lu Qing, God Emperor Yanyan, your subordinates will not even You don't have the courage to fight, do you?”

“You really want to play like this?” Lu Qing’s eyes turned cold.

If it is true that the geniuses of Baililou will sweep all the geniuses of Yanyan Sacred Mountain. Then, it is undoubtedly a great blow to the fame of Yanyan Sacred Mountain!

Moreover, some geniuses who were defeated may also leave a shadow in their hearts and affect their future cultivation! – You must know that the road of martial arts, the further you go, the more difficult it will be, and the more you will not tolerate mistakes! Once a shadow is planted in the heart, it is easy to form a demon, and even the heart of martial arts collapses!

Baililou and Yanyan Sacred Mountain do often have friction in However, most of the two sides also click to the end, and rarely “kill them out”.

And God Emperor Baili’s attitude of swept away all the geniuses in Yanyan Sacred Mountain is a bit of a rush to kill!

“Just for fun! I said God Emperor Yanyan, can’t you afford it?” God Emperor Baili laughed even more meanly, “It’s fine if you can’t afford it, you openly admit that your Yanyan Mountain is not as good as our Baili Building. Today, I will take people away immediately!”

“Humph! Our Yanyan Sacred Mountain will not be as good as your Baililou?” Lu Qing sneered, “Originally, I really didn’t want to have the same knowledge as you! But since you insist on humiliating yourself, I will fulfill you!”

“Come on! Come fight!” God Emperor Baili became more and more arrogant.

“Zhan... I will of course send someone to fight!” Lu Qing sneered, “However, we have to make sure the bet first, okay?”

“Oh! You still dare to gamble?” God Emperor Baili scoffed, “Tell me, what do you want to bet on? I’ll play with you!”

“That’s what you said!” Lu Qing’s eyes suddenly flashed a hint of slyness, “I heard that you have a ‘No Difficulty Stone’ in your hand?”

Chapter 928: Brother Ming Goes Out

The No Difficulty Stone is of great benefit to cultivators of the Heavenly Dao school; even for an emperor-level existence, it is a treasure that cannot be found.

Before that, Lu Qing had already made up his mind that even if he paid a huge price, he would find a way to help Xu Ming get a stone of no difficulty and help him embark on the cultivation path of Tiandaoliu. But now, Lu Qing suddenly remembered – Wudi Stone, far away in the sky, right in front of you!

In the hands of God Emperor Baili, isn't there a stone without difficulty!

“Heh! You actually had the idea of hitting the Wudi Stone in my hand!” God Emperor Baili looked at Lu Qing in disbelief.

The value of a no-difficulty stone can already make the existence of the emperor feel a pain in the flesh!

“Not bad!” Lu Qing smiled and looked at God Emperor Baili, “Do you dare to bet?”

“Haha, a sure-win game, why would I dare not?” After a slight hesitation, God Emperor Baili returned to his arrogant look, “However, you have to come up with a treasure whose value is comparable to that of the invulnerable stone! ”

“This is natural!” Lu Qing said, “I will bet with you with a ‘Chaos Crystal’!”

“Chaos crystal... You even took this out!” A frenzy flashed across God Emperor Baili's eyes, “Okay! I bet with you! Moreover, our bet must be witnessed in the virtual world. Down!”

“certainly!”

If there is a gambling contract witnessed by the virtual world, no one dares to cheat; otherwise, it is to offend the virtual world!

You must know how huge the power of the virtual world in the realm of the gods is! Even if it is an emperor-level existence, once it offends the virtual world, it will be hard to stand in the realm of the gods!

“How to gamble?” God Emperor Baili asked again.

“It’s just a bet that our two sides will compete in the virtual world, which side will be the final winner! – There is a king-level existence, and you can’t participate in it!” Lu Qing said.

God Emperor Baili’s eyes narrowed into two narrow gaps: “It seems that your Yanyan Sacred Mountain really hides some super genius? – I guess it’s a genius who just broke through? Otherwise, you guys The Yanyan Sacred Mountain has been bullied by us for so long, and it is impossible to endure it until now!”

“Since it’s a genius who has just broken through, I don’t believe it, where can he be so powerful! – Bet!” God Emperor Baili thought about it wisely, and finally finalized the bet.

As soon as the betting contract was finalized, Lu Qing immediately sent a message to Xu Ming with great excitement: “Xu Ming, give me a good torment of this group of wastes from the hundred-mile building!”

“Uh...” Xu Ming, who was watching the excitement, couldn’t help but startled, “I’ll take action? Will this be a bit high-profile?”

Of course Xu Ming now knows how extraordinary his combat power is in the virtual world! To ravage these silver-moon-level masters is to bully children!

“It’s going to be a high profile!” Lu Qing said decisively, “Baililou is bullying us. If you don’t help me out, I won’t be happy! Besides, I have already agreed with the owner of Baililou. A very heavy bet!”

“The bet is all set? It’s still very heavy?”

What else is there to say, just do it!

“That’s right!” Lu Qing, who was furious, added on purpose, “Don’t be merciless, be ruthless, and ravage them for me!”

“Okay...” Xu Ming thought to himself – a woman, she really can’t be offended casually!

...

Jiang Man, who had won three games in a row, of course did not know that an extremely terrifying opponent was about to appear. He was also extremely arrogant and arrogant: “You Yanyan Sacred Mountain, but who else dares to fight? If you are too weak, don’t come out to seek abuse, at least someone like Fang Chen will be enough for me to fight. Hit it!”

Want someone like Fang Chen?

At least?

Fang Chen is already the “Silver Moon Grade No. 1 master” in Yanyan Sacred Mountain. Jiang Man’s words like this are completely red fruit and fruity saying: You have no one in Yanyan Sacred Mountain!

The gods of Yanyan Sacred Mountain, which one would not grit their teeth in hatred!

“Damn! This Jiang Man is too arrogant!”

“Isn’t it just a little bit of a breakthrough recently, so arrogant! When he lost to Senior Brother Fang Chen before, why didn’t he see him put one?”

“Little man wins!”

...

One after another, the gods of the Yanyan Divine Mountain were scolded by voice transmission in private.

However, no matter how hard they scolded, they had to face a problem – who would fight Jiang Man?

Even Fang Chen has lost, and other silver moon geniuses have no chance of winning even if they play, it is nothing more than increasing Jiang Man's number of victories!

Moreover, the more wins Jiang Man accumulates, the more arrogant they will definitely be; and their Yanyan Mountain will definitely lose face!

However, if no one is going to fight, Jiang Man will keep clamoring and clamoring constantly; their Yanyan Sacred Mountain shrank their heads like a tortoise, still very shameless!

The silver-moon geniuses of Yanyan Sacred Mountain have been discussing for a long time, and they don't know who should fight.

at this time...

“I will fight with you!”

A resolute figure suddenly stepped forward, it was Xu Ming!

“Anyone going to fight?” The gods of Yanyan Sacred Mountain quickly turned their attention to the past.

Immediately, everyone's expressions became very exciting – firstly, they were stunned, then their eyes widened in shock, and finally their eyes burst into annoyance.

“This is... Seven Star Gods?”

The virtual world is an illusory world; here, if you do not deliberately hide your cultivation, the virtual world will directly announce your cultivation to others!

In the battle between Yanyan Sacred Mountain and Baililou, masters above the king level are not allowed to play; therefore, before the battle, it is natural to openly cultivate!

Therefore, everyone saw Xu Ming's very hot-eyed cultivation – the Seven Star God!

“Damn it! Who is he? Is it from our Yanyan Mountain?”

“I haven't seen it before! Where did the seven-star gods appear? Could it be that they just joined the inner sect?”

“What's the trouble? We haven't made a sound for so many silver moon grades. He is a seven-star god, and he is going to fight?”

“This seven-star **** really doesn't understand the rules Even if you want to be grandstanding, you shouldn't choose it at this time, right?”

...

“Brother Ming!” Zhou Qi and Hong Haojie, who were originally beside Xu Ming, widened their eyes. They never thought that under such circumstances, Brother Ming was going to fight!

“Brother Xu Ming...” Manager Ge Ting was also a little confused, and even more secretly said in his heart – you say that you are a little white-faced, and you can honestly be the “little lover” of the **** emperor. What kind of fun do you come out to make fun of? ?

...

The Yinyue-level masters on the Baililou side were all stunned. Immediately, everyone burst out laughing: “Hahahaha, your Yanyan Sacred Mountain, it seems that there is really no one! Actually, let a seven-star **** to fight?”

Jiang Man even looked at Xu Ming contemptuously: “Little baby, you should go back and get some milk for a few years before you come out! Hahahaha...”

Xu Ming glanced at the other party like a silly X: “I originally thought that it would be okay to abuse you! In this case, I have to abuse you!”

Chapter 929: Palm Without Hair

“At first, I thought, just abuse you! If that’s the case, I have to abuse you!”

As soon as Xu Ming said these words, the entire Xutian Island suddenly fell into a strange silence.

A seven-star deity dared to say to Jiang Man of the “Tenth Grade Silver Moon”: I must abuse you!

Where does this confidence come from?

How terribly arrogant is this?

How stupid and ignorant is this?

Even in the virtual world, is it possible for the seven-star gods to defeat the existence of the silver moon? – The seven-star gods that defy the sky may be able to defeat the existence of Yinyue 1st and 2nd rank; however, defeating Yinyue 10th rank is absolutely impossible!

Yinyue tenth rank is not only a high cultivation base; fighting skills, martial arts secret skills are often far superior to the seven-star gods!

In the real world, the tenth grade Yinyue can kill the seven-star gods by blowing casually; in the virtual world, the tenth grade Yinyue defeating the seven-star gods is also very easy! – This is a completely different level of existence, there is no comparison at all!

So at this time, everyone looked at Xu Ming with extremely strange eyes; their eyes were full of shock, contempt, and ridicule.

No one thought that Xu Ming could fight Jiang Man!

Everyone, including Ge Ting, Zhou Qi and others who knew Xu Ming, all thought that Xu Ming was just grandstanding and humiliating himself!

...

In Lu Qing’s Xutian Island.

God Emperor Baili looked at Lu Qing strangely: “Lu Qing, this seven-star god, shouldn’t it be the super genius you sent?”

Lu Qing didn’t answer directly, but snorted coldly: “There’s so much nonsense, just watch it!”

“Oh! It seems that it is really him!” God Emperor Baili smiled with great interest, “Then I really want to see what kind of waves a seven-star **** can turn out!”

...

At this time, Xu Ming had entered the “One Star” battlefield.

And Jiang Man, also under the order of God Emperor Baili, reluctantly entered the “Yixingtian”.

“I really don’t know what God Emperor thinks, but he wants me to accept the challenge of this seven-star god!” Jiang Man’s heart was very unhappy.

You know, he is a master of “Silver Moon Tenth Grade”! Fighting against a seven-star god, even if you win, is a form of self-submission.

“Boy!” Jiang Man looked at Xu Ming on the opposite side, his eyes were full of arrogance and disdain, “I really have no interest in you, show your weapons quickly, and fight quickly!”

“Ha!” Xu Ming laughed, “I’m not interested in you either! However, since I’ve spoken out, saying that I want to abuse you well, I won’t let you lose too easily!”

“Arrogant!”

“ignorance!”

“Insanity!”

Even the gods of Yanyan Sacred Mountain, although they are on the side of Xu Ming, are very dissatisfied with Xu Ming's arrogant attitude: "Who does he think he is, does he exist at the king level? Or does it exist at the emperor level?" How dare you be so arrogant!"

"That's right! How can there be such an ignorant seven-star **** in our Yanyan Sacred Mountain?"

"Shame! Our Yanyan Sacred Mountain's face has been thrown away by him!"

Even the Yanyan Shenshan side scolded Xu Ming like this; then the Baililou side, not to mention!

"The Yanyan Sacred Mountain has even recruited such a stupid seven-star god? – It seems that the decline of the Yanyan Sacred Mountain really has a reason!"

"Yes, yes! If this trend continues, how will Yanyan Shenshan compete with our Baililou in the future?"

"Jiang Man is true, why are you still standing there stupidly? Quickly kill this fool and start the next battle!"

...

And Jiang Man, finally unable to bear it any longer, decided to take action.

"Boy, I only need one palm to deal with you!" Jiang Man was very confident and slapped a palm towards Xu Ming lightly; in his opinion, dealing with a seven-star god, only one palm would be enough. More than enough!

rumbling...

Although the power of this palm is not as strong as when Jiang Man used the sword, it is also like the sky is falling apart! The momentum of the entire "Yixingtian" battlefield rushed towards Xu Ming like a tide.

Xu Ming was like a rock in the sea, standing still, but his eyes narrowed slightly: "Dare you use your palms in front of me?"

Isn't Jiang Man's behavior "playing with palms in front of the palm gods"?

As a palm god, can Xu Ming endure this situation?

Certainly not!

call out-

Without the slightest hesitation, Xu Ming also threw out a slap, hitting Jiang Man's palm directly.

However, compared to Jiang Man's mighty slap, Xu Ming's slap seemed a little light and weak! In contrast to the two, Xu Ming's slap looked like he had not eaten enough!

"Dare to fight me head-on?" Jiang Man's face was grim, "Isn't this courting death?"

The gods watching the battle, whether it was the Yanyan Shenshan side or the Baililou side, all showed their contempt to Xu Ming: "It's really trash!"

"Is this Xu Ming blind? Can't see the situation clearly? Even with his strength, he dares to choose to fight head-on? – Even if he knows he can't beat him, he doesn't need to deliberately seek death like this, right?"

However, just as everyone was discussing endlessly, the two slaps collided head-on!

At the same time, Jiang Man's face changed suddenly!

"What!?" Jiang Man only felt that an unstoppable and devastating force was passed from the palm of his hand; then, his mighty palm was pulled away without any resistance!

"What a tyrannical force!"

"How can it be so strong?"

“This is impossible!”

Jiang Man screamed wildly in his heart.

Snapped!

But then, this slap landed on Jiang Man’s face – the palm of the hand made a move, and the palm was free!

Jiang Man was immediately stunned, and he couldn’t recover for a long time: “What’s the situation?”

“I seem to have been drawn?”

“And... or was it drawn by a seven-star god?”

“I...”

In fact, Jiang Man was the only one who was stunned by Xu Ming’s palm! The gods of the entire Xutian Island were stunned under Xu Ming’s palm.

“what happened?”

“what’s the situation?”

“Jiang Man was slapped in the face by a seven-star god?”

“How is this possible? How terrifying is Jiang Man’s palm just now and how weak is Xu Ming’s palm?”

“Could it be that Jiang Man was releasing water? But it doesn’t make sense! Why did Jiang Man release water and let himself be beaten by a seven-star god?”

Even God Emperor Baili was a little confused: “This palm just now...”

As an emperor-level power, Baili God Emperor, of course, his vision is not comparable to that of the Yinyue level! – The Yinyue-level masters couldn’t immediately see the mystery in Xu Ming’s palm, but God Emperor Baili could vaguely see it.

However, because God Emperor Baili didn’t look carefully at first, he didn’t see it very clearly; I just felt that Xu Ming’s palm contained a very profound artistic conception, far exceeding Jiang Man’s.

“I...” At this time, Jiang Man finally came to his senses. Annoyed, he didn’t think about why he was slapped, but pounced on Xu Ming again.

Chapter 930: Who Else?

boom!

This time, Jiang Man’s aura was even more terrifying; it was as if the power of the whole world was converging on him. Although he didn’t draw his sword, he had already burst out with the strongest combat power in the state of bare hands!

“Death to me!” Jiang Man couldn’t believe it, he was a dignified 10th rank Yinyue master, he would be inferior to even a seven-star god!

“It must have been Jiang Man’s carelessness just now!”

“Yes! Although this seven-star **** has some ways, but now that Jiang Man is serious, he can definitely take down his opponent in one fell swoop!”

The surrounding gods thought so.

However, the reality is cruel!

Xu Ming still raised his hand lightly, still slapped as if he had not had enough to eat.

Snapped!

Jiang Man was pumped away again without resistance!

“I...” Jiang Man was both humiliated and shocked – he couldn’t understand why he had tried his best, but he was still drawn without the strength to resist.

“Hi-” The entire Xutian Island fell into a boundless silence once again.

This time, the shock in everyone’s hearts was even greater – Jiang Man’s being swept away once, it could be said that Jiang Man was careless and Xu Ming was a fluke; however, how to explain being swept away twice in a row?

“Too weak!” In the battlefield of One Star, Xu Ming looked at the opponent who was swept away again, and shook his head secretly, “There is no challenge at all! You don’t even need to open the plug-in!”

Yes, for those two slaps just now, Xu Ming didn’t use any cheats at all, but completely relied on his own strength to forcibly slap his face!

You must know that Xu Ming has created an emperor-level secret skill, which not only means that he has the ultimate trick of pressing the bottom of the box, “Reincarnation Five Styles”; at the same time, his fighting realm is also rising!

Under the circumstance of using the “Five Forms of Reincarnation”, Xu Ming can overwhelm the Emperor Yanyan—although the Emperor Yanyan did not do his best, every time he fought against Xu Ming, his strength was comparable to that of a weaker emperor. Level exists!

If he did not use the “Five Forms of Reincarnation”, Xu Ming’s fighting realm had also reached the “peak king” – that is, the general existence of the king was not Xu Ming’s opponent in the virtual world!

As for Jiang Man’s “Tenth Grade Silver Moon”, in Xu Ming’s eyes, he is simply weak and scum!

If Xu Ming wanted to, he could directly take Jiang Man out of the battlefield with a slap. However, Lu Qing had instructed Xu Ming to ravage him; therefore, Xu Ming had to be patient and not defeat his opponent so quickly.

“You...” After receiving two slaps in a row, Jiang Man finally didn’t dare to continue with his bare hands.

Zheng!

The majestic broad-blade sword is unsheathed!

rumbling...

The might of the great sword is as unstoppable as the entire land is rolled over! —It was the trick that Jiang Man used when he defeated Fang Chen in seconds!

It is also Jiang Man’s strongest blow!

“I don’t believe it, you can easily block my strongest blow!” Jiang Man roared in his heart, his eyes full of scarlet redness.

Do not believe?

Do not believe it useful?

In front of Xu Ming, no matter how Jiang Man tried his best, it was just a cat and a dog jumping up and down!

Do not believe?

Brother Ming will let you believe in minutes!

Snapped!

The third slap sounded!

These three slaps were all slapped on the same side of Jiang Man's face; so that half of Jiang Man's face was swollen larger than a pig's head.

Bang!

This time, Jiang Man was directly pulled down.

"I..." At this time, the expression on Jiang Man's face was nothing but "puzzling" – three slaps in a row, each one made him more suspicious of life.

The other gods watching the battle were also dumbfounded. Everyone can't understand why a mere seven-star ***** can abuse Jiang Man, a tenth-grade silver moon, like this...

In the eyes of Fang Chen, the first master at the Yinyue level of Yanyan Shenshan, there was a deep fear in his eyes: "Jiang Man has already displayed his strongest combat power, but he is still slapped over by a slap! Then...if it is me against this Xu Ming, don't you want to be knocked over by a slap?"

Manager Ge Ting's eyes widened and he was dumbfounded: "This little white face of the God Emperor... is so amazing!"

Ge Ting of course also found that if he fought Xu Ming in the virtual world, he would probably be knocked over by Xu Ming with a slap.

Almost all the gods thought sadly – I'm afraid I can't even take a slap from Xu Ming!

"What!?" God Emperor Baili saw some clues from Xu Ming's three slaps, "A battle at the king level?"

God Emperor Baili was incredibly inconceivable: "How can a seven-star ***** possess a fighting realm at the level of a king!?"

You must know that under normal circumstances, the combat realm is equal to the cultivation base! – For example, the ten-star god, the battle realm is “ten-star”; for example, the Yinyue 1st rank god, the battle realm is “Silver moon 1st rank”.

In the combat realm, being a little higher than the cultivation base by one or two minor levels is very remarkable! On the other hand, Xu Ming’s combat realm is higher than his cultivation base... by two major levels!

Two large levels, that is, ten or twenty small levels!

“Is this still a human...” Even God Emperor Baili looked at Xu Ming with a hint of horror, “This is simply a peerless monster!”

In fact, God Emperor Baili only saw a small part of Xu Ming’s strength; he didn’t know yet, Xu Ming was actually hiding his strength on purpose – he didn’t know that Xu Ming’s fighting realm was not an ordinary king level, but It is the peak of the king; not to mention, Xu Ming has created an emperor-level secret skill!

If God Emperor Baili knew this, his current expression would be much more exciting!

“Where did you find such a peerless evildoer...” God Emperor Baili looked at Lu Qing with envy.

“Heh!” Lu Qing didn’t answer, but said sarcastically, “Now, do you know what a true genius is? I’ve already said it, I don’t want to have the same knowledge as you, so you have to humiliate and shame yourself! ”

“Humph!” God Emperor Baili’s face turned blue and red after being said, but he had no power to refute!

...

In the battlefield of One Star, Jiang Man seemed to be fooled; he knew that he was not Xu Ming’s opponent, but he still killed Xu Ming again and again.

Of course, every time he killed Xu Ming, he would be slapped back by Xu Ming.

Pa pa pa pa pa pa...

After I don't know how many slaps, even Xu Ming was "touched" by his opponent's perseverance!

"What a man!"

This was the first time Xu Ming had encountered an opponent like who was not afraid of being drawn. Originally, Xu Ming thought that the opponent would admit defeat under his slap, but he didn't expect that after so many slaps, the opponent was still very "hard"!

"Lu Qing!" Xu Ming had to ask secretly, "Look, is the abuse almost done? If it is, I'll get rid of him..."

Lu Qing was speechless for a moment—it was already abused like this, and he even asked me if the abuse was almost done.

"Fix it!" Lu Qing glanced at Jiang Man, who had already been drawn out of proportion, and replied through the message.

"All right!"

boom! !

With this slap, Xu Ming used some real skills. With one palm, Jiang Man was directly turned into a powder.

Xu Ming walked out of the battlefield of One Star, and looked down on all the Yinyue-level masters in Baililou: "Who else is going to come up and be slapped?"
