

A World 941

Chapter 941: Hometown See Hometown

“he...”

Xu Ming looked at this decadent figure in disbelief.

This is a seven-star god, Xu Ming was very impressed by his appearance!

Incredibly profound!

“True God Jiuyu?”

Isn't this the only ***** in human history before Xu Ming – True God Jiuyu?

In God's Domain, there are many people with similar appearance. But you must know that Xu Ming has lived in Jiuyu Divine Kingdom, and of course he knows the life breath of Jiuyu True God!

Looks the same! The breath of life is the same! – This is not the true ***** Jiuyu, who else could it be?

“God's Domain is really small!” Xu Ming couldn't help but sigh with emotion, “But... in the legend, isn't the true God Jiuyu incomparably graceful and invincible? Why is it so decadent and lifeless now?”

Xu Ming did not dare to come forward to recognize each other for a while, but secretly watched in shock.

I saw True God Jiu Yu dragged his body full of twilight energy and sat beside the window; then he asked for a pot of wine, and drank to himself with a lonely expression.

“True God Jiuyu... what seems to have happened to him?” Xu Ming secretly said.

Then, Xu Ming saw that True God Jiu Yu drank cup after cup, drinking endlessly.

God, it is rare to drink like this!

After watching for a while, Xu Ming quietly got up, held his own jug, and walked towards the seat of Jiu Yu Zhenshen; then, he sat down directly at Jiu Yu's table.

As if he didn't realize it, Jiu Yu continued to drink suffocating wine on his own.

Xu Ming carefully voiced and asked, "Are you...the True God Jiuyu?"

"Oh?" True God Jiuyu's eyes were still decadent, but he responded, "You know me?"

really!

Xu Ming was excited and asked again, "You are... from the Endless Continent, right?"

Endless Continent! ?

Hearing these four words, Jiu Yu Zhenshen's spirit suddenly revved up; there was also a glimmer of light in his empty eyes.

He suddenly looked at Xu Ming: "How did you know!?"

After coming to God's Domain, True God Jiuyu never told anyone that he was from the "Endless Continent".

"Because of me..." Xu Ming's voice was a little excited, "It's also from the Endless Continent!"

"What!?" Although True God Jiu Yu was a little mentally prepared, he was still extremely shocked; even, because he was too shocked, some couldn't believe what he heard.

“Are you really from the Endless Continent?” True God Jiu Yu couldn’t help asking.

“Yes! Yes!” Xu Ming nodded repeatedly.

As the saying goes: When a fellow sees a fellow, tears well up!

And the realm of the gods is so vast, how difficult it is to see a fellow in a dusty world!

You must know that in the jurisdiction of a low-level city of gods alone, the number of gods is in the hundreds of millions! The number of gods in the entire Yanyan Continent and the entire Divine Realm is even more uncountable!

And in a world of dust, there are probably only one or two people who can come to the realm of the gods!

It is certain that it is a million times harder than finding a needle in a haystack to meet fellow villagers in the dusty world in God’s Domain!

And now, Xu Ming actually met the human ancestor Jiuyu True God!

This mood, how excited, how excited!

Fortunately, Xu Ming and Jiu Yu are both masters of God’s Domain, and their willpower is extremely tenacious; in addition, both of them have seen a lot of wind and waves, so there is no “two tears”. However, the excitement is definitely beyond words!

“True God Jiuyu, do you still remember the Asking Palace? Do you remember the Huangquan Realm in the Eternal Demon Pit?” Xu Ming said excitedly, “And the Jiuyu Divine Kingdom you created, I practiced in it!”

“Remember! Remember!”

Asking Palace, Huangquan Realm... Scenes that used to be in the Endless Continent, constantly flashed in the mind of True God Jiuyu.

“Is the human race okay now?” True God Jiuyu asked tremblingly.

“Very good!” Xu Ming said two words.

Hearing these two words, True God Jiu Yu felt relieved for the most part. He was born in the human race of the Endless Continent. Even though he has been in the God’s Domain for hundreds of millions of years, he is full of care and concern for the race.

Xu Ming knew that Jiu Yu must now want to know what the human race has gone through and what it has become. So, Xu Ming said a little: “After you left the Endless Continent, after a long time, the various alien races hiding in the corners and corners have come back one after another! Most of the territory of the Endless Continent was occupied by the alien races; Three thousand six hundred territories are preserved!”

Xu Ming has great respect for the True God Jiuyu, and even uses the word “you” when addressing him.

You know, even in the face of God Emperor, Xu Ming has never been so respectful! This kind of respect has nothing to do with strength, but sincere gratitude to this human ancestor.

“Later, a bamboo saint appeared in the demon clan; its body is a million miles high...”

Xu Ming continued talking, talking about the fact that the major foreign races joined forces to besiege Xu Ming, and True God Erke took action; and finally, he became a **** through the ancient cultivator school.

True God Jiuyu was terrified when he heard it, until he heard the last, he took a deep breath: “Xu Ming, thank you! Otherwise, our human race, I am afraid that we can only retreat to the kingdom of God!”

God’s Domain is too far away from Endless Continent, and True God Jiuyu can only barely perceive that his Divine Kingdom still exists and has not been destroyed; as for what happened to Jiuyu Divine Kingdom and Endless Continent, he has no way of knowing.

Xu Ming smiled and said, “The human race is also my race!”

“Haha!” The decadent True God Jiu Yu showed a rare smile, “By the way, how are my old friends? Are you still sleeping in the eternal silence?”

Speaking of this, True God Jiuyu’s expression is a little bit disappointed – entering the Eternal Quiet Cave, although the speed of the passage of vitality can be extremely slow; but, no matter how slow, the vitality is passing!

Moreover, sleeping forever in the eternal silence cave, to be honest, is not much different from dying.

“Did you say Chuji and them?” Xu Ming smiled, “They have all become gods!”

“Oh...” True God Jiuyu hadn’t reacted at first, but only made a light “oh”.

But suddenly, True God Jiuyu’s expression became extremely exciting and vivid; his eyes were as big as his fists at once: “Wait! What did you just say!? – You said, Chuji and the others have already proved the Dao. God?”

“Yeah!” Xu Ming smiled softly, “In the hundreds of millions of years after you left, there have been more than 900 top demigods sleeping in the Eternal Quiet Cave! Now... all of them have become gods!”

“What!?” True God Jiuyu’s eyes widened, “Are you kidding me?”

“It’s true!” Xu Minglian explained, “True God Jiuyu, you should know the essence of gods and demons, right?”

“Of course I know This is a precious treasure in the realm of the gods, which can make the demigods directly preach and become gods!” Jiu Yuzhen said.

“That what... I later got three thousand drops of the essence of the gods and demons in Huangquan Realm!”

Of course Xu Ming did not dare to say that he bought the essence of the gods and demons from the artifact store; after all, even if he said that, it would be difficult for True God Jiuyu to believe it.

Therefore, Xu Ming directly pushed the origin of the essence of gods and demons to the “head” of Huangquanjie.

After all, Huangquan Realm is still very mysterious in the Endless Continent! Anyway, no matter what is bizarre, as long as it is pushed to the “head” of Huangquanjie, it is easy for people to believe it.

Sure enough, after hearing this, Jiuyu Zhenshen said in shock, “The Yellow Spring Realm is really mysterious, and there are so many treasures!”

“That’s right, Xu Ming!” True God Jiuyu said again, “I think your aura is stronger than mine. You should already be an eight-star god, right? How long have you been in the God Realm?”

When Xu Ming was “telling the story” just now, he deliberately avoided the time point. Therefore, True God Jiuyu still doesn’t know how long Xu Ming was born and how long he came to God’s Domain.

Chapter 942: Luo Family

How long have you been in God’s Domain?

What Xu Ming was most afraid of answering was this kind of question!

Because... if Xu Ming told the truth, then others would definitely think that he was lying!

You must know that Xu Ming has only been in God’s Domain for six or seven years! – In just six or seven years, the cultivation base has been upgraded from a one-star **** to an eight-star god. If you say it, who will believe it?

After thinking about it, Xu Ming decided to tell lies that are easier for people to believe.

“For thousands of years!” Xu Ming lied casually.

“Hi-” True God Jiu Yu’s expression suddenly changed, looking at Xu Ming as if he was perverted, “You have only come to God’s Domain for thousands of years, and your cultivation level has reached the eight-star god?”

You must know that True God Jiuyu has been in God’s Domain for hundreds of millions of years, but his cultivation is only a seven-star god; and even so, Jiuyu’s cultivation speed is a genius in God’s Domain!

Thousands of years, eight-star gods?

True God Jiuyu can’t imagine what kind of cultivation speed this is!

“Cough...” Xu Ming coughed awkwardly twice – he guessed that True God Jiu Yu would react like this.

“Fortunately, I didn’t tell the truth, saying that I only came to God’s Domain for six or seven years; otherwise, True God Jiuyu would definitely think that I was lying to him!”

Xu Ming just wanted to say that being a genius is not easy, and he has to always take care of other people’s feelings!

and...

Don’t forget, Xu Ming’s “combat power” far exceeds his “cultivation”!

When Xu Ming came to God’s Domain only a year or two ago, he had already killed several ten-star gods. Now, although Xu Ming has not really shot, but if he really let go, killing the masters of Yinyue 1st Rank and 2nd Rank is still easy!

True God Jiuyu was deeply shocked that Xu Ming had become an eight-star ***** in just a few thousand years; but he didn’t know that it only took six or seven years for Xu Ming to have a silver moon level combat power!

I don’t blame Jiuyu Zhenshen for being too ignorant, just blame Xu Ming for being too low-key!

“By the way, True God Jiuyu!” Xu Ming suddenly changed the subject, “I saw that you were frowning just now, did you encounter something? – If there is anything, you can tell me; Status, general matters, can still be resolved!”

Xu Ming’s words are not empty words!

You must know that behind Xu Ming, God Emperor Yan Yan is standing! Even Xu Ming couldn’t solve what happened to True God Jiuyu; then, Xu Ming could also ask God Emperor Yanyan to come out.

Moreover, True God Jiuyu is just an ordinary seven-star god, how much can he encounter?

Jiuyu Zhenshen glanced at Xu Ming, and said a little lonely; “It’s okay!”

fine?

Xu Ming can’t believe it!

“Okay, don’t mention these!” True God Jiuyu raised his glass and said with a smile, “It’s rare for you and I to meet in God’s Domain, so I won’t talk about anything else today, just about drinking!”

“Haha! Good! Drink!” Xu Ming also laughed heartily.

As for what happened to True God Jiuyu, to be honest, Xu Ming really wasn’t worried at all! -Since True God Jiuyu lives in Xingluo Island, then what he encountered should also be in Xingluo Island!

And Xu Ming appeared here to participate in the extermination of Xingluo Island!

Therefore, even if what happened to True God Jiu Yu was related to the “Star Luo King”, Xu Ming would not take it to heart. After all, the Star Luo King may not be too long!

“drink wine!”

“Dry!”

...

The Luo family is the family of the red-clothed elder “Luo Yang” of Xingluo Island.

Elder in red, among the elders of Xingluo Island, is only the weakest level. However, since Luo Yang is the subordinate of King Xingluo, then, even a foreign expert of the tenth rank of Yinyue would not dare to offend him easily!

After all, offending Luo Yang is, in a certain sense, offending King Xing Luo!

What happened to True God Jiuyu had nothing to do with King Xing Luo, but it had something to do with the “Luo Family” where Luo Yang was located!

At this time, the Luo family.

The eldest son of the owner, Luo Yang, “Luo Junling”, is sitting opposite a glamorous goddess for dinner.

The glamorous goddess named “Jia Xiaoyan” is a descendant of the “Jia family” on Xingluo Island.

The Jia family is just a very ordinary small family in Xingluo Island; the head of the Jia family is only a nine-star god.

On the square sacred wood table, top-notch delicacies and wines are placed. However, this glamorous goddess seems to have no intention of enjoying it, but there is a faint sadness in her eyes.

“Xiaoyan!” Suddenly, Luo Junling put down the tableware; in his long and narrow eyes, there was a faint gloomy light flickering.

Luo Junling said politely: “You have been with me for a while; you should know something about me, Luo Junling, and our Luo family, right? You should stay at my Luo family tonight!”

stay?

Jia Xiaoyan knew with her toes that if she lived in Luo's house, she would definitely not be able to escape Luo Junling's "claw" tonight.

"Xingluo Island is so big, I'd better go home!" Jia Xiaoyan said directly, "Besides, we are not married yet; it is definitely not suitable for me to stay at your house now!"

"Really?" Luo Junling smiled coldly.

"Well..." Jia Xiaoyan's voice trembled slightly.

Luo Junling stared at Jia Xiaoyan and drank slowly with the glass in his hand, the atmosphere seemed to freeze.

Suddenly, Luo Junling put down the glass heavily and sneered: "Then can you tell me what happened to you and that kid named 'Jiu Yu'!?"

Jia Xiaoyan's face changed slightly when she heard the words.

"Humph!" Luo Junling hummed, "You and that Jiuyu are not married, right? – Then why, you were able to live in his house in the first place?"

Jia Xiaoyan's face changed again, but she didn't know what to say! The depths of her eyes were full of hatred and anger; however, she did not dare to burst out.

Luo Junling continued to hum: "You can live in Jiu Yu's house; you can't live in our Luo family? – What? Do you look down on our Luo family?"

Jia Xiaoyan was furious, but did not dare to speak.

In front of the powerful Luo family, she has no resistance at all. In order to protect her family, Jia Xiaoyan could only choose to be patient.

"What the hell!" Luo Junling shouted, "I see, you still can't let go of that kid named Jiuyu!"

“I...”

“Shut up!” Luo Junling cursed angrily; at this time, UU reading www.uukanshu.com He has completely torn off his gentle disguise, full of hideous expressions, “I’ll ask you again, tonight, can you live in my Luo’s house?”

Luo Junling’s words already have some meaning of “use strength” in it.

“I...” Jia Xiaoyan struggled fiercely in her heart. After struggling for a while, she gritted her teeth and said, “I’m sorry, Luo Shao. Your Luo family is a big force in Xingluo Island; some things, I think, are better after marriage. Suitable!”

“Humph!” Luo Junling couldn’t help laughing when he heard the words, “Good! Good! Very good!”

Swish!

He stood up suddenly: “You stand up too and come with me!”

Jia Xiaoyan stood up a little scared, she didn’t know what Luo Junling was going to do.

Luo Junling walked out of the door in a hurry, shouting as he walked, “The No. 4 Guard of the Luo Family, come with me!”

Chapter 943: 9 The Experience Of True God Yu

The wine of mortals can intoxicate mortals.

The wine of the gods can intoxicate the gods.

True God Jiuyu and Xu Ming, although it was the first time they met; but because the two were from the same clan from the Endless Continent, they naturally hit it off.

In addition, Jiuyu Zhenshen wanted to get drunk; he was drinking and drinking, and before he knew it, he was a little too drunk.

“I really miss the years when I was in the Endless Continent! I really miss those old friends back then!” True God Jiu Yu kept sighing, “How hopeful, I have never been to God’s Domain...”

When you come to God’s Domain, and then think about returning to the world of dust, it is extremely difficult!

Emperor-level existences can also rely on their tyrannical strength to force the huge gravitational force of God’s Domain, as well as the rules between heaven and earth, to forcibly go to the world of dust. And the existence of the king level, there is no such ability!

If you want to go to the dust world, there is only one way, and that is – through the Temple of Time and Space!

However, the time-space temple transports treasures to the dust world, and the price is extremely expensive; what’s more, transporting a god? —Even if there is a king-level existence, if you want to go to the dust world, I am afraid that you will have to go bankrupt!

However, with the existence of the king-level, who is not a character on the Megatron side? Even in the realm of the gods, they are all prosperous; how many are willing to give up life in the realm of the gods and return to the dust world to “retire”?

“True God Jiuyu, if you want to return to the Endless Continent, I will help you find a way!” Xu Ming laughed.

Xu Ming’s current small assets, of course, are far from enough to send True God Jiuyu back to the Endless Continent; but Xu Ming believes that when he becomes stronger, sending True God Jiuyu back to the world of dust should not be anything to him. a large “economic burden”.

“Endless Continent, I naturally want to go back! But...not now!” True God Jiuyu said, “Now that Endless Continent is so prosperous and prosperous, I can’t go back, in fact, it doesn’t make much difference! Even if I want to go back, I must wait to let go of God’s Domain. After everything, I will go back!”

Xu Ming seemed to hear something, and couldn't help but ask: "True God Jiuyu, you are in the God's Domain, is there anything else you can't let go?"

"I can't put it down..." True God Jiu Yu's drunken and blurred eyes became a little complicated – there was hatred, loneliness, and powerlessness in his eyes...

True God Jiuyu couldn't help sighing: "There are some words that I have kept in my heart for a long time; even if I want to say it, no one can tell me! Xu Ming, although you and I meet for the first time, we are both from the Endless Continent. Human bloodline, hit it off right away; I'll talk more today, and have a good spit with you!"

He talks a lot after drinking, plus, the true God Jiuyu has been living a very aggrieved, decadent, and powerless life during this period of time...

Therefore, I finally decided to spit out the bitterness in my heart with Xu Ming.

"At the beginning, after I came to God's Domain, I lived in Golden Crow City for a while..." True God Jiuyu said slowly, "Later, I felt that it was too boring to live in a low-level God's City for a long time; after all, since I came to God's Domain Now, I definitely don't want to be in a corner – if it's just for a corner, then I'll stay in the Endless Continent and won't come to God's Domain!"

The gods of the dust world went to the God Realm. First, they were curious about what was in the God Realm, and second, they wanted to go to a wider world!

If you come to God's Domain, but don't venture out, you will definitely not be reconciled!

"I've traveled hundreds of millions of miles in God's Domain alone! Under countless trials of life and death, my strength has also transformed into a seven-star god!" True God Jiuyu continued, "Then, I came to Xingluo Island!"

"When I first came to Xingluo Island, I had the idea of going to the battlefield to improve my strength! After all, if I won 100 battles in the battlefield, I could get the personal guidance of the 'Xingluo King'! But... I haven't had time to go to the battlefield, I just I met a goddess!"

"she is pretty!"

“More beautiful than anything I’ve ever seen in the world!”

“Her beauty is indescribable!”

“I’m in love with her!”

What Jiuyu True God said was naturally Jia Xiaoyan.

“She loves me too!”

“We will live together soon! For her, I gave up the road of being a strong man – after all, if you want to become a peerless strong man, you must go through countless trials of life and death; and every trial of life and death may be death!”

“This road is too dangerous! For her, I choose to give up!”

Although True God Jiuyu gave up the path of being a strong man, Xu Ming felt awe of him.

“We lived together for a long time without any worries! But at this moment, disaster struck!”

“Luo Family!” True God Jiu Yu’s eyes were burning with anger, “A family of a red-clothed elder from Xingluo Island!”

“Luo Junling, the son of the Luo family, forcibly kidnapped my lover Jia Xiaoyan! – Xiaoyan swears to die, but Luo Junling threatens to destroy the Jia family...”

“For the sake of the family, Xiaoyan had to agree to marry Na Luo Junling...”

The more true God Jiuyu said, the more hatred, and the more powerless he said.

The head of the Luo family, but the silver moon exists; behind him, there is the King Star Luo! And Jiuyu True God, just a seven-star god, how can he fight against the huge Luo family? How could he have the ability to rescue Jia Xiaoyan?

Even, the reason why his True God Jiuyu can survive is because of the “generousness” of the Luo family!

Jiu Yu really hates it!

Hate yourself, why didn’t you meet Jia Xiaoyan after becoming a peerless powerhouse?

However, the Luo family is too strong! So powerful that True God Jiuyu despairs – True God Jiuyu is not like Xu Ming, he has no plug-ins!

The disheartened True God Jiu Yu had no choice but to be in a daze and lifeless every day, and use alcohol to relieve his worries.

...

After listening to Jiu Yu’s experience, Xu Ming couldn’t help falling into a long silence.

“The Luo family...” Xu Ming comforted, “Don’t worry, this family won’t exist for long!”

Even the King of Star Luo is likely to die soon; let alone is just a family under his command?

Moreover, since Xu Ming already knew the hatred between True God Jiuyu and the Luo family; when the battle broke out, he would definitely attack the Luo family as soon as possible! —The head of the Luo family is just an elder in red; killing him by Xu Ming is like slaughtering a chicken and killing a dog!

“Xu Ming, you don’t have to comfort me!” True God Jiuyu shook his head and sighed, “The Luo family has been standing on Xingluo Island for hundreds of millions of years, how can it be so easily shaken?”

“Really, the Luo family will soon...”

Xu Ming was about to talk to True God Jiuyu about the imminent destruction of Xingluo Island; but at this moment, a large number of black armored soldiers poured into the restaurant.

“What’s going on?” Xu Ming couldn’t help but startled slightly.

However, True God Jiu Yu found out that the head of the crowd was a man with narrow and cold eyes; of course, there was also a beautiful goddess beside this stern man.

“Xiaoyan...”

“Luo Junling!!” True God Jiu Yu of course saw that the other party was not good.

Chapter 944: 1 Look

rumbling...

A large number of black armored soldiers entered the restaurant aggressively, which naturally attracted the attention of other customers in the restaurant.

“Black Armored Army? This is the army of Xingluo Island!”

“Look, isn’t that Luo Junling, the eldest son of the Luo family? – This black armored army should belong to the Luo family!”

“Young Master Luo’s face is so ugly, did something happen?”

“I see, it’s not that something happened to Young Master Luo, but someone who was targeted by Young Master Luo! – Master Luo’s domineering is notorious on Xingluo Island!”

“Look, who could be so unlucky!”

...

boom! boom!

A series of powerful black armored warriors surrounded Xu Ming and Jiu Yu.

“What’s wrong?” Xu Ming asked through voice transmission.

True God Jiuyu’s pupils shrank slightly: “He... is Luo Junling!”

Needless to say, Xu Ming also knew that Luo Junling must be the gloomy man named the leader.

“Oh...” Xu Ming responded casually, not taking it to heart at all.

Not to mention Luo Junling, the second generation of the Luo family, even if it was Luo Yang, the head of the Luo family, if Xu Ming wanted to kill him, it would be like killing a chicken and a dog.

The mere Luo Junling is not worthy of being regarded by Xu Ming at all.

However, this Luo Junling dared to come to the door aggressively, which made Xu Ming very angry – there is no doubt that Luo Junling came to the door, there must be nothing good! Moreover, judging from the aggressive appearance of the other party, it is very likely that he is here to kill True God Jiu Yu!

He robbed the lover of True God Jiuyu, and now come to kill True God Jiuyu?

Really deceiving too much!

Although there is Xu Ming now, Jiuyu True God will definitely be fine; but think about it, if Jiuyu True God didn’t happen to meet Xu Ming, then today, wouldn’t it be his death date?

Thinking of this, Xu Ming suddenly filled with murderous intent!

Luo Junling!

Xu Ming has already labeled this name as death!

However, Xu Ming was in no hurry to kill him. He wanted to see how arrogant this Luo Junling was!

“Xiaoyan...”

True God Jiuyu and Jia Xiaoyan just met each other’s eyes, and they both felt love and powerlessness from the depths of each other’s eyes – if there was no family behind Jia Xiaoyan, then the two would definitely rather die than die when they faced Luo Junling’s persecution. will yield.

However, no if.

“Jiu Yu?” A disdainful and cruel smile appeared on the corner of Luo Junling’s mouth – in his eyes, the true God Jiu Yu was just an ant that was left to be kneaded, and he didn’t deserve to be taken seriously by him at all.

As for Xu Ming... Luo Junling directly ignored Xu Ming, the eight-star god.

“Luo Junling!” True God Jiu Yu also looked at Luo Junling, but his expression was neither sad nor happy.

hate it?

True God Jiuyu certainly hates it!

However, God’s Domain is a world that only talks about strength! Without strength, hatred is useless!

True God Jiuyu is very clear about this, and also understands that he has no strength to hate when facing Luo Junling and the Luo family!

Moreover, True God Jiuyu did not want to implicate Jia Xiaoyan and her family because of his hatred.

Therefore, even if the hatred is overwhelming, True God Jiuyu has suppressed the hatred very well at this time! – He has regarded himself as a dead man!

“Humph! Ants!” Luo Junling snorted disdainfully, then turned to Jia Xiaoyan and sneered, “You bitch! You should know how I treat you during this time! But what about you? How did you treat me? ?—Humph! In your heart, you can’t let go of this Jiuyu!”

“Can’t let it go, right?” Luo Junling’s expression became gloomy, “Since you can’t let go, then I’ll give you two choices! – Either, you go and kill him now; or, you and him, and your Jia family, Everyone die! Hahahaha...”

Let Jia Xiaoyan personally kill Jiuyu True God! ?

Xu Ming’s face suddenly changed – killing people was no more than a nod to the ground! This approach of Luo Junling is simply abnormal!

Even many onlookers, even the black armored warriors, were slightly startled at this time – Luo Junling’s method was really perverted and cruel.

“Ha!” True God Jiu Yu laughed at this time.

die?

True God Jiuyu has long regarded himself as a dead person! If he could die in Jia Xiaoyan’s hands, it would be a better relief for him!

“Why don’t you hurry up!?” Luo Junling smiled cruelly, “I will give you ten breaths to make a choice. After ten breaths, not only the two of you, but your entire Jia family will all be destroyed, and no grass will grow!”

“I...” Who can imagine how painful Jia Xiaoyan’s mood is at this time!

Or, Jiu Yu is really dead!

Either, True God Jiuyu and her, and their Jia family, all die!

Xu Ming just watched without saying a word, but he secretly said in his heart: “I have seen a lot of domineering, bloody, and perverted people from the Endless Continent to the Divine Realm! However, such a perverted person like this Luo Junling is really true. The first time I’ve seen it!”

“Xu Ming!” At this time, True God Jiu Yu looked at Xu Ming, “I made you laugh! – But God’s Domain is like this, the weak eat the strong! You go first, don’t worry about me, please... don’t be my old friends, Talking about how I died! I, Jiu Yu, still want to keep a tall and glorious image in the hearts of the old friends and the younger generation of the ethnic group!”

Walk?

Xu Ming smiled and said nothing.

Don’t say that Xu Ming wants to deal with True God Jiuyu, just move his fingers casually; even if he is not an opponent of True God Jiuyu, is it possible that Xu Ming will leave at this time? – If he left, it would not be Xu Ming!

“Go?” Luo Junling suddenly sneered, “Jiuyu, this is your friend, right?”

“He...” Jiu Yu Zhenshen’s face suddenly changed.

However, before God Jiuyu could say anything, Luo Junling said again: “Since he is your friend, I won’t let him go, so as not to leave a legacy!”

With that said, Luo Junling winked left and right: “Kill it!”

Immediately, five black armored soldiers surrounded Xu Ming fiercely.

“No—” True God Jiuyu was about to stand in front of Xu Ming in a hurry—if he died, True God Jiuyu didn’t care. However, how could True God Jiuyu want to see that the ethnic group compatriots from the Endless Continent died because they were implicated by him?

If this is the case, True God Jiuyu is really dead!

However, when True God Jiuyu was about to get up, he felt a domineering but gentle giant force that suppressed him and made him unable to get up at all.

“Huh?” True God Jiuyu was slightly startled – he felt that this invisible force oppressing him had a faint aura of Xu Ming.

“How can Xu Ming’s power be so strong?” True God Jiu Yu couldn’t help but flash an idea – although he is only a seven-star god, he shouldn’t be suppressed by Xu Ming’s random thoughts!

After all, Xu Ming’s cultivation is only an eight-star god!

Just when True God Jiuyu was secretly horrified the five black armored warriors had already killed Xu Ming.

“Xu Ming!” True God Jiuyu was anxious.

“Haha!” Luo Junling’s eyes were gloomy – he liked watching this kind of life and death scene the most! I like to watch the powerless struggle of the “weak”!

“This eight-star ***** is really unlucky...” The gods who were watching couldn’t help but mourned for Xu Ming.

At this time, Xu Ming’s eyes suddenly turned cold: “It’s really courting death!”

call out!

A sharp light flashed in Xu Ming’s eyes in vain.

Bang! Bang! Bang! Bang! Bang!

The five black armored warriors fell directly to the ground, losing their vitality.

Just a look, the five black armored warriors with the strength of the eight-star gods, die!

Chapter 945: How To Teach My Son

Five eight-star gods!

One look kills?

True God Jiuyu, Luo Junling, Jia Xiaoyan, Heijia warriors, and the gods who were watching, all looked at Xu Ming in shock.

What kind of power is this! ?

Although on Xingluo Island, the eight-star gods are not considered masters, but they are not weak! – Even if it is a ten-star god, it would take a little effort to kill an eight-star god! At least, it's impossible to look like Xu Ming, with a glance every five seconds!

“so amazing!”

“Isn't he an eight-star god?”

“What do you know? This lord must have deliberately hidden his strength! In my opinion, his true strength is probably at the Silver Moon level!”

“With one look, he can kill five eight-star gods in seconds! – This strength is relatively strong among the Silver Moon class!”

“There's a show to watch! This time, Young Master Luo may have kicked the iron plate!”

“Kicked to the iron plate? No way! – The Luo family has been operating on Xingluo Island for hundreds of millions of years, and the Luo family has the support of the Xingluo King behind them; an outside Silver Moon-level master is not qualified to make the Luo family too jealous. !”

“But no matter what, it's impossible for this master to let the Luo family knead it!”

“That's natural!”

...

The surrounding discussions made Luo Junling's face very ugly – their Luo family does have a silver moon grade, which is true! However, only the patriarch Luo Yang is a silver moon-level existence; moreover, he is only the lowest red-clothed elder in Xingluo Island.

An outside silver-moon-level master is indeed not enough to make the Luo family too jealous; however, it is enough to make Luo Junling jealous!

Luo Junling's eyes flickered constantly, thinking about what to do.

“Humph!” Xu Ming just snorted coldly.

In the eyes of others, Xu Ming instantly killed five eight-star gods with one look, relaxed and powerful!

However, only Xu Ming himself knows that this look is not easy to glance at!

When Xu Ming glanced at the five eight-star gods, in fact, his avatar of Tiandaoliu hid in the world ring, but he was writing quickly on the book of life and death! – Xu Ming actually used the book of life and death to kill five eight-star gods in seconds; however, others can't see it, just take Xu Ming's eyes to be so powerful.

“This should shock Luo Junling!” Xu Ming secretly said.

Luo Junling? Luo family?

Of course Xu Ming didn't take it seriously!

However, Xu Ming could not kill Luo Junling for the time being!

Because, if Luo Junling is killed, it is very likely that the head of the Luo family will be disturbed! And if Xu Ming fought with the Luo family's patriarch, he might alarm King Star Luo!

Xu Ming now does not have the strength to face the existence of the king level!

Therefore, even if Luo Junling was to be killed, Xu Ming would not kill him until the war broke out! Before the war, Xu Ming still had to keep a low profile.

“You...” True God Jiu Yu looked at Xu Ming in horror, his eyes were rounded – he couldn’t imagine why this fellow of his own, this junior who had come to God’s Domain for “thousands of years”, was so powerful!

“How on earth did he cultivate...” True God Jiuyu had to wonder if all his hard work for so many years had gone to the dog?

At this moment, Luo Junling’s gloomy eyes stopped flickering; obviously, he had already made a decision on how to face Xu Ming.

“You can go!” Luo Junling said directly, “However, Jiu Yu must stay!”

“What?” Xu Ming couldn’t believe his ears – he had already shown such a strong strength, but Luo Junling still refused to let go of Jiu Yu?

Luo Junling continued to shout coldly: “Today, Jiu Yu will definitely die! If you dare to stop it, you will be against my Luo family and the entire Xingluo Island!”

“Oh? Is that so?” Xu Ming sat in the seat, raised Erlang’s legs, and sneered disdainfully, “Can you represent the entire Xingluo Island?”

Luo Junling was slightly embarrassed and shouted, “At least it can represent the Luo family!”

After speaking, Luo Junling directly instructed the black armored soldiers: “Go! Kill Jiuyu!”

At this moment, Luo Junling no longer perverted and asked Jia Xiaoyan to kill Jiu Yu.

“Humph!” Xu Ming’s face sank, and the momentum on his body also slapped the large group of black armored soldiers like a tsunami, “Who dares to attack Jiuyu, die!”

Just a few simple words, but it shocked the large group of black armored warriors to dare not act rashly.

After all, the strength of most black armored warriors is only eight-star gods and nine-star gods; in the face of Xu Ming, who is suspected of being at the silver moon level, they still don't want to court death.

Seeing this, Luo Junling's face suddenly became extremely ugly: "Are you really going to fight against my Luo family and the entire Xingluo Island!?"

Snapped!

Xu Ming finally couldn't bear it any longer, he raised his hand and slapped: "Shut up Luo Family, the entire Xingluo Island, are you bothered!"

Although Xu Ming can't kill Luo Junling for the time being, but after a lesson, there will be no problem! – After all, it was just a lesson to the son of a red-clothed elder; Xu Ming didn't believe it, so he could lead to King Star Luo!

Luo Junling touched the bright red palm print on his face in disbelief: "You... how dare you do something to me?"

Snapped!

Xu Ming slapped his backhand again! – He likes the symmetry on both sides of his cheeks! You can't only have a slap print on one side and not on the other!

"Kneel down for me!"

After two slaps, Xu Ming's aura pressed towards Luo Junling like a mountain.

Although Luo Junling was a ten-star deity, he was a ***** with weak will. Facing the oppression of Xu Ming's mighty aura, he instantly knelt down in front of Xu Ming with a "pop".

“You...I...” What a shame Luo Junling is!

“Don’t take yourself too seriously!” Xu Ming sneered, “As far as you are, even if I kill you, it won’t cause a shock to Xingluo Island. At most, your father will come here. Trouble me! – But, your father is only a red-clothed elder, and he can’t do anything to me!”

Although Xu Ming would not kill Luo Junling for the time being, it was still necessary to scare him first.

Moreover, in Xu Ming’s words, he also vaguely expressed a meaning, that is – his strength is stronger than that of the red-clothed elder!

“Xu Ming...” True God Jiu Yu was completely stunned! He didn’t expect that his fellow villager and junior would have such a petty temper; he also didn’t expect that Xu Ming’s strength might be stronger than that of the red-clothed elder!

“Let go of Luo Shao!”

“Hurry up and let Luo Shao stand up!”

“You are doing this to provoke the majesty of my Luo family!”

The black armored soldiers shouted.

Xu Ming sneered disdainfully: “The Luo family is majestic? If you are provocative, you will be provocative! So what?”

“Don’t be arrogant!” Although Luo Junling was so oppressed that he knelt on the ground and couldn’t get up, his mouth was still very hard, “I have already sent a message to my father, he will be here soon!”

Arrogant?

Do not! Xu Ming is already very low-key!

If Xu Ming is really arrogant, Luo Junling is already dead! It is precisely because of the need to keep a low profile that Luo Junling still has a dog's life.

“Your father will be here soon?” Xu Ming said with a smile, “That’s the best! I can just teach him how to teach my son!”

Chapter 946: Luo Family Guest

Luo family.

The elder in red on Xingluo Island and the head of the Luo family, “Luo Yang”, was drinking tea with a frown.

“Honorable master, he wants me to help him find some silver moon-level masters... But, silver moon-level masters, how can it be so easy to find?”

Suddenly, Luo Yang’s face changed – he received a distress call, which was sent by his son Luo Junling!

“Someone dares to provoke my Luo family on Xingluo Island!?” Luo Yang was furious.

Immediately, a sneer appeared at the corner of Luo Yang’s mouth: “Silver Moon-level master? Good! Very good!”

In the next instant, Luo Yang had already left the Luo family and quickly swept towards the battlefield.

...

Inside the restaurant next to the battlefield.

Xu Ming drank his wine leisurely; at his feet, Luo Junling, the eldest son of the Luo family, knelt.

“You’d better kneel for me and be honest! If you’re not honest, I’ll slap you!” Xu Mingniu said coherently.

Passersby all sighed with emotion:

“Poor Young Master Luo! He was trained like a grandson!”

“This blue-clothed swordsman named Xu Ming is really brave! He even dared to move from the Luo family!” Xu Ming still pretended to be a swordsman and did not change.

“This is not called boldness, this is called strength! – Look at it, even if Patriarch Luo arrives, it is estimated that he will not fight with Xu Ming, but it is likely to shake hands and make peace!”

“If I can be as arrogant as Xu Ming, that would be cool!”

...

Xu Ming drank slowly, looked at Jiu Yu and Jia Xiaoyan, and asked through voice transmission, “You two, what are your plans in the future?”

“In the future...” True God Jiuyu certainly hopes to take Jia Xiaoyan far away.

“I...” Jia Xiaoyan’s mood at this time was extremely contradictory. She wanted to go with Jiu Yu recklessly, and she was worried that if she left, the family would suffer.

Xu Ming only cared about drinking and didn’t say much.

In any case, Luo Junling is bound to die, and the Luo family is bound to perish. Therefore, Jia Xiaoyan’s current worries, in the near future, do not need to worry at all; she and Jiu Yu, after going through these hardships, are destined to come together!

...

At this moment, a figure in red with a domineering imposing manner rushed into the restaurant, it was Luo Yang!

As soon as Luo Yang came in, he saw his son kneeling on the ground.

“What!?” Seeing that his son was being bullied, Luo Yang was instantly furious; however, when he thought of the task assigned to him by the “honorable master”, he had to suppress his anger.

“It’s important to complete the master’s mission!” Luo Yang thought to himself.

“Father!” Luo Junling was so excited that he wanted to stand up when his father finally arrived.

However, just as his body straightened up, a powerful pressure from Xu Ming pressed him down again.

“Honestly kneel!” Xu Ming said indifferently.

Saying that, Xu Ming looked at the red-clothed elder Luo Yang.

Luo Yang also looked at Xu Ming, but the more he looked, the more shocked: “Eight-star gods!?”

Luo Yang was shocked by Xu Ming’s cultivation!

From Luo Yang’s point of view, since Xu Ming was able to torture his son and a large group of black armored soldiers to such an extent that they were powerless to resist; and it was also heard that Xu Ming killed five eight-star gods with one look! Then... Xu Ming’s cultivation base, how could he be an eight-star god?

Impossible!

But now, Luo Yang looked around, Xu Ming was only an eight-star god!

This shows what?

illustrate...

“I am afraid that Xu Ming’s strength is far superior to me... Otherwise, it is impossible for me to not see his true cultivation at all!” Luo Yang thought to himself.

It’s just... Luo Yang never dreamed that Xu Ming’s true cultivation was originally an eight-star god!

The real cultivation base is the eight-star god, of course, no matter how you look at it, it is the eight-star god! Could it be that it is possible to see if other cultivation bases are not successful?

Of course, Luo Yang didn’t know this; therefore, as soon as he saw Xu Ming, he positioned Xu Ming as a master who was stronger than himself!

“Such a master, I have to deal with it carefully!” Luo Yang secretly said.

Thinking, Luo Yang looked at Xu Ming and showed a smile: “Your Excellency is brother Xu Ming, right?”

Brother Xu Ming?

As soon as these three words came out, don’t say that Xu Ming was very surprised; the gods around were even more shocked to the point that their eyes were rounded!

“Damn it! Did you make a mistake?” Almost all the gods couldn’t help but utter a foul language.

“This Luo Yang is still not Luo Junling’s biological father? His son has been bullied by Xu Ming. It’s fine if he doesn’t take revenge on his son. How can he be so polite to Xu Ming?”

“I think this Luo Junling was probably picked up!”

“You don’t have to think about the problem! – The reason why Luo Yang is so polite must be because he found that his strength is far inferior to Xu Ming!”

“That makes sense!”

The onlookers were all muttering in private through voice transmission.

As for Xu Ming, looking at Luo Yang, he made a two-word evaluation: “Hypocritical!

“Yes, I am Xu Ming!” Xu Ming sneered, “You son, a mere ten-star god, dare to offend me! I will teach him a lesson, no problem?”

Xu Ming’s words were already a bit provocative!

But what Xu Ming didn’t expect was that Luo Yang said without hesitation after hearing it, “Good lesson!”

Now, even Xu Ming began to wonder if Luo Junling picked it up!

“I...” Luo Junling wanted to cry even more without tears – did I really pick it up?

Immediately afterwards, Luo Yang shouted towards his son, “Why don’t you thank your Uncle Xu Ming for your discipline!?”

Uncle Xu Ming?

When Luo Junling heard it, he almost bleed to death.

And Xu Ming couldn’t even understand what medicine was being sold in Luo Yang’s gourd.

“Thank you, you’ll be spared! Go!” Said Xu Ming directly removed the suppression on Luo Junling – removing the suppression does not mean letting Luo Junling go; if you want to kill Luo Junling, wait until the time is right in the future, life and death book It’s just a matter of drawing a few strokes.

As soon as the suppression was removed, Luo Junling scrambled and fled behind his father—although Luo Junling suspected that he was not his own, but picked it up; but at this time, it would be safer to hide behind a familiar father.

“Brother Xu Ming, the dog has offended you! I’m here, I apologize to you on behalf of the dog!” Luo Yang said again.

Xu Ming became more and more puzzled: “Why does Luo Yang act so hypocritical? Is it just because he is afraid of my strength? – It doesn’t make sense! Even if he is weaker than me, he is still the elder of Xingluo Island. On Xingluo Island, he doesn’t need to be afraid of a foreign silver moon like me!”

Can’t figure it out!

Xu Ming really couldn’t get a clue.

Then, a scene that made Xu Ming even more incredible happened!

I saw Luo Yang said very solemnly: “I want to invite Brother Xu Ming to be the guest of my Luo family!”

Chapter 947: Elder In Golden Clothes

“I want to invite Brother Xu Ming to be the guest of my Luo family!”

As soon as Luo Yang said these words, the surroundings were eerily quiet.

Everyone looked at Luo Yang with strange eyes.

“What the **** is this Luo Yang thinking?”

“Yeah! He even invited his son’s enemy to be the guest of the Luo family!”

“Then if I run up and slap Luo Junling now, can I also be the guest of the Luo family?”

Many people muttered to themselves.

“Father!” Luo Junling couldn’t help shouting – he couldn’t understand his father’s actions very much.

Even Luo Junling felt that his father’s strange behavior today had simply humiliated the Luo family.

“Shut up!” Luo Yang ignored his son and looked at Xu Ming with very sincere eyes.

“Become a guest of the Luo family?” Xu Ming also looked at Luo Yang – he was also very puzzled, what tricks the other party was playing.

“Xiaohang, help me find out, what is Luo Yang’s purpose!” Xu Ming ordered in his heart.

Xiaohang quickly responded: “Luo Yang’s purpose is related to the existence of the king level, and exploration requires level 11 hanging points!”

“Need a level 11 hanging point!?” Xu Ming was speechless.

For level 9, you need to exchange for “Sacred Stone”; for level 10, you need to exchange for “Sacred Crystal”; and for level 11, you need to exchange for “Spiritual Essence”!

However, Xu Ming has no spiritual essence at all!

So, there is no way to probe!

“Hmph! If you can’t investigate, then don’t investigate, just take a step by step! Xingluo Island is about to be destroyed, I don’t believe it, what kind of tricks this Luo Yang can play!” Xu Ming secretly said.

Immediately, Xu Ming looked at Luo Yang and said with a teasing smile, “Do you think I will be your guest of the Luo family?”

“I’m sincere!” Luo Yang said solemnly.

“Sincere?” Xu Ming smiled, “Then show your sincerity first!—You son, offended my friend ‘Jiu Yu’! Tell me, how to solve it?”

Luo Yang shouted at his son without hesitation: “Go away! Apologize to this brother Jiuyu!”

“What!?” Luo Junling looked at his father in disbelief—his father actually called a seven-star ***** “Brother Jiuyu”; moreover, he asked himself to apologize to this seven-star god?

“Let’s go soon!” Luo Yang shouted.

At the same time, Luo Yang secretly transmitted a voice to his son: “You have to endure the humiliation and bear the burden! When I deceive this Xu Ming into the Luo family, I will make my own arrangements!”

Luo Junling immediately understood—his father wanted to play ass!

“Jiang is still old and spicy!”

Luo Junling sighed inwardly and sneered in his heart—Xu Ming! Jiu Yu! Just let you enjoy yourself for a while! When I get to Luo’s house, I’ll take care of you!

Then, Luo Junling walked directly to Jiuyu, bowed and said, “Jiuyu, I was wrong about what happened before! Please forgive me!”

wrong?

forgive?

True God Jiuyu couldn’t see it, there was something tricky in it.

Xu Ming whispered a voice transmission to True God Jiuyu and said, “Pretend to forgive him first! – Don’t worry, this matter is not over yet! This Luo Junling will surely die; it’s just that now, it’s not the time to kill him!”

“Xu Ming...” Jiu Yu even said through voice transmission, “You don’t have to risk killing Luo Junling for me...”

“Some things are unclear now, I’ll tell you later!” Xu Ming said.

“it is good!”

Then, Jiu Yu looked at Luo Junling and acted in a pretentious manner, as if to forgive the other party.

“Hahaha...Brother Xu Ming, I have shown my sincerity! Now, are you willing to be the guest of my Luo family?” Luo Yang said with a sincere smile.

“Of course!” Xu Ming also laughed – he really wanted to see what Luo Yang wanted to do next!

Anyway, no matter how Luo Yang wanted to play, Xu Ming would accompany him to the end.

...

in the Luo family.

Gong chips are staggered.

Luo Yang and Xu Ming sat on the main seat. Below, more than a dozen senior officials of the Luo family, and three other guests of the Luo family sat with them.

In the high-level Luo family, there is no silver moon-level existence, only ten-star gods.

However, the three guests of the Luo family were all Yinyue-level masters. Moreover, the three of them were wearing red robes and wearing a red Star Luo ring on their hands; obviously, the three were all red-clothed elders from Xingluo Island.

“There are so many elders in red in the Luo family!” Xu Ming’s eyes fell on their red star ring.

If Xu Ming has taken the Luo family’s pot, he can directly take the red star ring to hand in the quest! – Silver Moon 1st rank medal mission only requires three red star rings; and here, there are four red star rings.

However, Xu Ming will not do this.

At first, Xu Ming wanted to see what tricks Luo Yang was trying to play.

Second, Xu Ming estimated that the elders in red on Xingluo Island were not so easy to kill! Although Xu Ming has a plug-in, Xu Ming is not sure if killing these red-clothed elders will lead to King Star Luo; Xu Ming now has no confidence to face the existence of the king level!

“Xu Ming.” True God Jiuyu, who was sitting near Xu Ming, voiced his voice without worry, “Will they attack you?”

“No!” Xu Ming said with a smile – if Luo Yang wanted to attack him, he would not arrange any banquet at all; when he first entered the Luo family, he had already started!

After pushing the cups for a while, Luo Yang smiled and said, “Brother Xu Ming, my Luo family has been standing on Xingluo Island for endless years; however, there are only three ‘guests’! And you are the first of my Luo family. Four distinguished guests!”

A gentle-hearted guest of the Luo family also smiled and said, “Brother Xu Ming, it is a great opportunity for you to be a guest of the Luo family!”

“Oh?” Xu Ming looked very interested, “What a great opportunity!”

Luo Yang explained: “The guests of the Luo family can not only enjoy the salary of my Luo family, but also become the red-clothed elders of Xingluo Island! – And our Xingluo island’s red-clothed elders can get the King of Xingluo. instruct him personally!”

“Yeah! This is the personal guidance of the king-level existence!” The Luo family guest who spoke before said again, “Each of us, after accepting the guidance of the King of Star Luo, has greatly improved in strength! -Xu Brother Ming, when you come back to accept the guidance of King Xing Luo, you must seize the opportunity!”

“Yes, yes!” Another high-ranking guest of the Luo family also said, “If King Xingluo takes a fancy to you, he might even reward you with treasures!”

Guidance for the existence of the king level?

Xu Ming is not rare at all!

You must know that Xu Ming lives on the same mountain as a group of kings in Yanyan Mountain! Moreover, Xu Ming really wanted to accept advice, and I am afraid that Lu Qing, the ***** emperor, would also be happy to give him advice!

but...

King Star Luo might reward him with treasures, which made Xu Ming a little interested! – After all, as a man, Xu Ming was embarrassed to ask for treasures from Lu Qing, a woman; otherwise, wouldn't Xu Ming be a soft eater?

Treasures, Xu Ming has to earn it himself!

...

When the banquet was coming to an end, suddenly, a guard from the Luo family came to report in a hurry: “Patriarch, there are a few more guests! There is an elder in golden clothes visiting!”

Elder in golden clothes?

Luo Yang, as well as the three guests of the Luo family, all stood up abruptly.

Chapter 948: Seems Like It'S Time To Do Something

The elders of Xingluo Island are divided into three grades.

Those below the third rank of the silver moon are the elders in red; those from the fourth rank of the silver moon to the sixth rank of the silver moon are the elders in purple clothes; those above the seventh rank of the silver moon are the elders in gold clothes!

The golden-clothed elder has a very high status in Xingluo Island!

When I heard that the golden-clothed elders were coming, Luo Yang and the three Luo family guests, the four red-clothed elders, immediately rushed out.

When Luo Yang left, he did not forget to call Xu Ming: “Come on! I’ll take you to meet the golden-clothed elder!”

...

At the entrance of Luo’s house, Xu Ming saw the cold-blooded elder in golden clothes.

“I have seen Elder Xie!” Luo Yang and the three guests of the Luo family bowed respectfully.

“Yeah!” Elder Xie, who was dressed in gold, walked inside without looking at Luo Yang.

“Elder Xie!” Luo Yang pulled Xu Ming and smiled flatly, “Let me introduce, this is the new guest of my Luo family; in the future, he will also be the red-clothed elder of my Xingluo Island!”

“Oh?” Elder Xie glanced at Xu Ming and asked, “Have you seen the island owner?”

Luo Yang quickly replied, “I haven’t had time to meet the island owner yet!”

Elder Xie hummed dissatisfiedly: “If you haven’t seen the island owner, don’t introduce it to me in the future!”

“Yes! Yes!” Luo Yang did not dare to refute, and replied repeatedly.

Xu Ming has some doubts in his heart – is there any difference between seeing the island owner and never seeing the island owner?

After a few conversations, everyone quickly walked to the mountain behind Luo's house.

Here, there is a colorful rockery. The rocks on the rockery are formed by the condensed origin of the five heavenly paths of gold, wood, water, fire, and earth.

“This is...?” Xu Ming was slightly puzzled.

Elder Jin Yi Xie seems to have been here many times, and said very familiarly: “Open the treasure house!”

“Yes!” Luo Yang didn't dare to hesitate at all, he took out a jade talisman and punched a few tricks on it.

rumbling...

The formation on the rockery slowly opened a gap.

Elder Xie stepped in directly from the gap.

Luo Yang, Xu Ming, etc. followed quietly.

Walking into the treasure house, Xu Ming was stunned.

Inside the treasure house, there are piles of divine crystals, neatly arranged, there are more than a dozen piles. Each pile of Divine Crystals is a full 10,000.

“Damn it! Luo Yang is just a little red-clothed elder! There are so many divine crystals in his treasury!?” Xu Ming couldn't help but cursed inwardly.

You must know that Xu Ming's current assets are only a few thousand Divine Crystals. And in Luo Yang's treasury, there are hundreds of thousands of Divine Crystals!

Compared with Luo Yang, Xu Ming suddenly became a poor man!

However, what Xu Ming didn't know was that the divine crystals in this treasure house did not actually belong to Luo Yang, but to King Xing Luo! -Luo Yang, he was just helping King Xingluo to manage some "business" on Xingluo Island. These divine crystals are all earned in business.

Because there are too many divine crystals, Luo Yang did not dare to take the divine crystals with him, but kept them in the treasure house!

"Yeah! Not bad!" Elder Xie nodded with satisfaction, "It seems that business is going well recently!"

"Yes!" Luo Yang said respectfully.

Elder Xie continued: "Luo Yang, you are an old man under the Island Master! That's why the Island Master will leave a lot of business to you to take care of! – Work hard, the Island Master will not treat you badly. !"

"Yes!"

Immediately, Elder Xie waved his hand and directly put away the hundreds of thousands of Divine Crystals.

Xu Ming felt distressed for a while, as if it was his divine crystal that was taken away!

At the same time, Xu Ming couldn't help but have bad thoughts in his heart, "I don't know if I have a chance to get some Divine Crystals..."

Seeing Elder Xie taking away the divine crystal, Luo Yang couldn't help but ask, "Elder Xie, the time for you to take the divine crystal this time seems to be earlier than before!"

“This time, I didn’t transport the divine crystals to the treasure house of Xingluo Island!” Elder Xie said, “It’s the island owner who asked me to go out to do some errands. I don’t have enough divine crystals, so I will come to you to get some first!”

This Elder Xie, usually in Xingluo Island, is mainly responsible for transporting treasures.

“Oh…” Luo Yang had no doubts at all—because he knew that this Elder Xie, like himself, was absolutely loyal to the island owner and would never betray the island owner!

The speaker has no intention, the listener has intention.

“This Elder Xie seems to have the power to enter and exit the various treasure houses of Xingluo Island?” Xu Ming’s eyes flickered incessantly.

This guess, Xu Ming couldn’t help but get excited!

“Xiaohang, find out what treasures this Elder Xie can get in and out of!”

Although the cost of exploration is relatively high, Xu Ming feels that it is still worth it!

Soon, Xu Ming got the result of the investigation – this Elder Xie in Jinyi can enter and exit all the treasure houses like the “Luo Family Treasure House”! However, he did not have permission to enter the “Xingluo Island Treasure House” directly belonging to King Xingluo!

Then, Xu Ming probed again, this Elder Xie, this time only came to the Luo family treasure house to pick up something; and he was about to leave Xingluo Island and go out to run errands! As for the treasure houses of other families, such as the Zhang family, the Huang family, the Ma family, etc., Elder Xie will not go this time!

Knowing this news, Xu Ming felt that he seemed to have to do something!

“Congratulations to the elder thank you!”

At the entrance of Luo’s house, Xu Ming sent this Elder Xie away “from the bottom of his heart”!

It is truly a congratulations from the bottom of my heart!

Without this Elder Xie, Xu Ming would definitely not know that there is such a good opportunity to make money on Xingluo Island, waiting for him.

Even Xu Ming couldn't help but thank him, Luo Yang invited him to be the guest of the Luo family. After all, if he hadn't become the guest of the Luo family, then he would definitely not have seen this scene today.

"When this Elder Xie leaves Xingluo Island, that's when my action will begin!" Xu Ming thought hehe.

...

That night.

In the Luo Family Hall there are only Luo Yang and Luo Junling and their son.

"Father, when are you going to deal with this Xu Ming?" Luo Junling couldn't help but say, "When Xu Ming is resolved, I must go to Jia Xiaoyan in front of that Jiuyu!"

"Tomorrow!" Luo Yang's eyes were also extremely cold, "Tomorrow, I will take him to see the island owner! After meeting the island owner, he will be the most loyal servant of my Luo family, hahahaha..."

"Hahaha..." Luo Junling also laughed, "Just like the three red-clothed elders of our Luo family! – It is claimed that they are the guests of my Luo family; in fact, they are the three dogs of my Luo family!"

"Also!" Luo Yang said again, "At that time, you will not only have to go to Jia Xiaoyan in front of Jiu Yu, but also let Xu Ming, the dog, help you catch Jiu Yu! – Only then, Only then will Jiu Yu know and offend our Luo family's fate!"

In fact, Luo Junling has always been bullying Jiuyu; and Jiuyu has never offended the Luo family.

However, in Luo Yang's eyes, as long as anyone makes him feel a little bit unhappy, whoever offends him!

Chapter 949: Time And Space Ban

In the early morning of Xingluo Island, the rain and dew were slightly cold. lewen novel

Xu Ming sat cross-legged in the room, but his mind was far away.

"The golden-clothed elder, Elder Xie, has already left Xingluo Island!" Xu Ming secretly said in his heart, "However, he's not far away! Just in case, I'll do it a little later!"

Of course, Xu Ming didn't dare to delay it too late. After all, the war on Xingluo Island will break out at some point; when the war breaks out, Xu Ming will have no chance to move the treasure house!

Tuk Tuk Tuk!

At this moment, there was a knock on the door.

Xu Ming knew that it was the True God Jiuyu who came, and hurried to open the door.

"Xu Ming, what's the matter when you called me here?" True God Jiu Yu walked into the room and asked.

Xu Ming isolated the surrounding space and said, "There is something! – Xingluo Island, it should be destroyed soon!"

"Ah?" True God Jiu Yu was startled—he didn't expect that he was called by Xu Ming early in the morning and heard such a shocking news!

"How is that possible!?" True God Jiuyu obviously couldn't believe it.

"Don't doubt it!" Xu Ming said, "You probably guessed my strength, right? That's right, I have the strength of the Silver Moon! Moreover, I came to Xingluo Island this time to carry out the Silver Moon Medal mission. !"

For True God Jiuyu, the ancestor of the human race, there are many things to hide.

“And my Silver Moon Medal mission is to kill the red-clothed elders on Xingluo Island when a king-level existence is dealing with King Xingluo!” Xu Ming said.

“That’s actually the case...” True God Jiu Yu was a little stunned.

Xu Ming continued: “Although the master who performed the task of conferring the king’s medal might not necessarily be able to kill the Star Luo King, but at least he is confident that he will be able to kill the Star Luo King!”

“Well!” Jiuyu Zhenshen thought for a while, “Xu Ming, what do you need me to do when you tell me this?”

Xu Ming said: “I’ll help you get to know Jia Xiaoyan and Jia’s family! In Jia’s family, the only people Jia Xiaoyan can care about are her parents and a few people. My idea is that you secretly join Jia Xiaoyan and take care of those few people. People pick it up, and then hide in my world ring; when my mission is over, I will take you straight away from Xingluo Island!”

“Okay!” True God Jiuyu said without hesitation, “Thank you, Xu Ming! I owe you a big favor!”

“Don’t say that!” Xu Ming said, “Jiuyu Divine Kingdom, as well as the many treasures you left in the Endless Continent, have helped me a lot! I can achieve what I have achieved so quickly, and I should really thank you!”

“Haha...” True God Jiu Yu laughed, “Let’s stop being polite, let’s get along as brothers in the future! – Not much to say, I’ll go and pick up Jia Xiaoyan and her family first! ”

“Okay! Hurry up and go!” Xu Ming said, “Be sure to keep it secret!”

...

After True God Jiuyu left.

Touched for about an hour.

“Brother Xu Ming!” Luo Yang approached Xu Ming and said kindly, “Let’s go! I’ll take you to see the island owner!”

See the island owner?

Xu Ming was a little hesitant in his heart – see the island owner! It means that he will face the existence of the “Star Luo King” at the king level!

However, does Xu Ming now have the strength to face the existence of the king level?

It seems not!

But if he doesn’t go, he doesn’t seem to be able to!

Seeing Xu Ming’s hesitation, Luo Yang continued, “Don’t worry! Although the island owner is terrifying, he is very kind to us subordinates! – Moreover, the island owner will personally take care of you according to your cultivation situation. Let me give you some advice on martial arts! The island owner is a king-level existence, and his advice can often hit the nail on the head; at that time, you will definitely benefit a lot!”

Luo Yang didn’t believe it, Xu Ming could withstand the temptation of “the existence of the king’s level to give personal guidance”!

Sure enough, after Xu Ming heard it, he immediately agreed: “Okay, let’s go see the island owner now!”

Xu Ming went to see the island owner, of course, not to get any advice; but in this case, it seems that he does not agree to go to see it!

“Let’s go and see it! If I’m really going to encounter some unstoppable danger, I still have the Stone of No Difficulty!”

The No Difficulty Stone, according to Lu Qing, is a life-saving treasure! – A life-saving treasure in the eyes of the **** emperor, it must not be a problem for Xu Ming to save his life under the king-level existence!

“Let’s go then!”

Luo Yang took Xu Ming and left the Luo family.

Not long after he left, another Xu Ming appeared in Xu Ming’s room – it was Xu Ming’s avatar of Tiandao Liu.

It turned out that before Luo Yang arrived, Xu Ming secretly hid a world ring in the room; his Tiandao Liu clone was hiding in the world ring.

Tian Daoliu’s clone grabbed the world ring, and with a “swoosh”, he teleported directly away from the Luo family, and did not know where to go.

...

Under the leadership of Luo Yang, Xu Ming rushed all the way and came to the central area of Xingluo Island.

Here, mountain peaks sit on the ground like chess pieces. Luo Yang took Xu Ming and walked into the highest mountain.

The mountain road is rough. And on the entire mountain, there are special formations that are suppressing.

“In this mountain, it seems impossible to teleport!” Xu Ming felt the suppression of the surrounding space.

Moreover, Xiaohang also reminded him that the “teleport” hang is temporarily unavailable! – After all, “teleportation” must follow the “space-time order” between heaven and earth; and in this mountain, even time and space are directly banned!

“As expected of the king’s nest, the defense is extremely strict!” Xu Ming couldn’t help sighing.

There is a time-space ban in the mountain peak, so at least those kings in time and space do not dare to trespass this mountain!

At the same time, Xu Ming was slightly puzzled: “Why isn’t there such a great formation that bans time and space in Yanyan Divine Mountain?”

In fact, the mountain protection formation of Yanyan Sacred Mountain is much more terrifying than the time-space ban formation here; however, it is usually not activated! Once activated, the four rules and orders of time and space, cause and effect, reincarnation, and destiny are directly banned; all the forces of order cannot function within the great formation!

After walking on the mountain peak for a while, Xu Ming came to a deep cave.

The cave leading to is an endless dark underground.

“King Xingluo, is he hiding in the ground?” Xu Ming just wanted to say, the hiding is really vulgar!

In the deep and dark passage, traveled tens of thousands of miles. Suddenly, Xu Ming’s vision became wider.

This is a huge underground world!

Xu Ming saw that in the distance, a huge black fortress was entrenched on the ground, like a peerless beast crawling.

There are many small houses around the fort. Some red-clothed elders, even purple-clothed elders, were moving around the small house.

“Many masters!” Xu Ming was secretly shocked.

At first glance, there are hundreds of Silver Moon-level masters here! And the number of Silver Moon-level masters in the entire underground world must far exceed hundreds!

An elder in red flew past Xu Ming and Luo Yang, and looked at Luo Yang with admiration: “You brought a Yinyue-level expert here again?”

Chapter 950: Return To Old Business

“You brought a silver moon master here again?” The red-clothed elder was very envious.
www.lwXs520.com

In Xingluo Island, even if they are elders in red, their status is different.

Generally speaking, the red-clothed elders of the third rank of Yinyue have a higher status than those of the first rank of Yinyue!

And Luo Yang, and the red-clothed elder who flew by, although they are both Yinyue 3-Rank strength, but Luo Yang’s status is higher than the other party! Because... In addition to his own strength as a third-grade silver moon, Luo Yang also brought several silver moon-level masters to the island owner, and his status is of course higher!

but...

No matter how high the status is, it is only the soul servant of the island master, King Xing Luo!

Yes! Soul Servant!

King Star Luo, he is extremely good at Soul One! Silver Moon-level masters, as long as they are targeted by him, they will not be able to escape the bad luck of being controlled by the soul!

The red-clothed elders, purple-clothed elders, and even the golden-clothed elders on Xingluo Island are actually... all soul servants of King Xingluo! —These masters who are controlled by their souls are all loyal to King Xing Luo from the depths of their souls! At any time, he is willing to die for King Xing Luo; everything he does is done with the interests of King Xing Luo first!

And Luo Yang brought Xu Ming to see King Xing Luo, just to make Xu Ming become King Xing Luo’s soul servant!

Moreover, because Xu Ming was brought by Luo Yang, after King Xing Luo controlled Xu Ming, he would let Xu Ming obey Luo Yang! – It is a reward for Luo Yang’s active development of “offline”.

Like the three guests of the Luo family, although their status is respectable on the surface, in private, they are driven by Luo Yang as a dog!

“Stop talking nonsense!” Luo Yang scolded the red-clothed elder, and then took Xu Ming and flew towards the huge black fortress.

When he flew near the black fortress, Luo Yang’s expression suddenly became as respectful as a pilgrimage.

“There seems to be something wrong with this Luo Yang!” Xu Ming saw it in his eyes, but he didn’t pay much attention.

Anyway, no matter what is wrong with him, this Star Luo Island will not exist for long! It is estimated that these elders of Xingluo Island will all be wiped out!

Luo Yang walked to the gate of the fortress and carefully knocked on the gate of the fortress.

For a moment, the brass-colored metal fortress gate slowly opened towards both sides. A middle-aged man in a white robe stood in the center of the gate with his positive and negative hands.

“Master Special Envoy, I want to see the island owner!” Luo Yang respectfully said.

“Go back!” The middle-aged man in white robe said lightly, “The island owner is at the critical moment of retreat and sees no one!”

“Island Master is retreating?” Luo Yang couldn’t help but flash a hint of disappointment, but still said respectfully, “Then I will come again next time to see the Island Master!”

“Well! Go!” the middle-aged man in white robe said, “I will notify you when the island owner is out of the customs!”

Saying that, the middle-aged man in white robe gave Xu Ming a meaningful look – in his eyes, this Xu Ming would undoubtedly be the new servant of the island owner.

“Yes!” Luo Yang respectfully took Xu Ming and retired.

Xu Ming breathed a sigh of relief—for some reason, he always felt that it was not a good thing to see the island owner!

...

When Xu Ming returned to Luo’s house, True God Jiu Yu had also returned.

In the world ring of True God Jiuyu, his “family” has already been installed.

Xu Ming didn’t say a word, and directly put Jiuyu Zhenshen into his world ring – in this way, Xu Ming no longer had to worry about on this Xingluo Island, and he could perform the medal task with peace of mind.

“My ancient cultivator clone, let’s be a guest in the Luo family safely!” Xu Ming secretly said, “When the battle breaks out, I will directly take the four red-clothed elders of the Luo family, and then I can go back and pay the bills. Mission is over!”

...

Another place in the Luo family.

Luo Yang and Luo Junling’s father and son were a little depressed.

“Unexpectedly, the island owner happened to be in retreat!” Luo Yang said angrily, “Let that Xu Ming be arrogant for a few more days!”

“Humph!” Luo Junling’s face twisted, “I can’t wait to let him kneel at my feet immediately, a shame on the day of snow!”

“Wait! The island owner’s retreat shouldn’t last long!”

...

At this moment, Xu Ming’s Heavenly Dao Liu clone was wandering in a corner of Xingluo Island.

The avatar of Tiandaoliu has not yet become a god, and is only a demigod; however, once the “camouflage” is hung up, it directly transforms into the aura of an eight-star god.

Eight-star gods, on Xingluo Island, are not eye-catching at all.

“Elder Xie, it should be quite far from Xingluo Island by now, right?” Xu Ming smiled cheaply, “My plan, it’s time to start implementing it!”

Xu Ming walked into a deserted place, and when he came out again, he had already changed into the appearance of Elder Xie.

Wearing a golden robe, the appearance and breath are exactly the same! Even people who are familiar with Elder Xie can’t tell the truth from the fake!

The only flaw is that the disguised elder in golden clothes is just an appearance, and it is impossible to have the strength of elder Xie! Moreover, Xu Ming’s hanging point is not enough to summon Elder Xie to “soul possession”; once he makes a move, I am afraid it will be exposed immediately!

It’s just... on Xingluo Island, how many more dare to attack the elders in golden clothes?

Besides, even if Xu Ming is really in danger, even if he can’t beat him, he still has no problem escaping! Therefore, Xu Ming was not worried at all.

“Let’s go! Move the treasure house!” Xu Ming looked for a direction, and set off with vigor, “I haven’t done this for a long time, I don’t know if it feels unfamiliar!”

Back then, when Brother Ming traveled across the endless continent, he started from scratch by “moving the treasure house”!

After so many years, Xu Ming was naturally full of emotion when he resumed his old business in God's Domain.

"The first target is... Xiangjia!" Xu Ming picked the nearest target at random.

Soon, Xu Ming stood at the door of Xiang's house.

Xiang Pang, the head of the Xiang family, is an elder in red. He was about to go out, but when he saw the golden-clothed elder coming, he was shocked.

"Elder Xie, why are you here!" Xiang Pang cautiously ran up to Xu Ming, nodded and bowed. Hmm! "Xu Ming's nostrils turned to the sky, and he made a full gesture, "Xiao Xiang! Take me to the treasure house! "

"Yes! Yes!" Of course Xiang Pang would not doubt that the "Elder Xie" in front of him was actually a fake. After all, this kind of thing has never happened on Xingluo Island for so many years.

While leading the way, Xiang Pang sent a message to his daughter "Xiang Ling": "Come on, Elder Xie is here!"

Soon, Xu Ming came to the back mountain of Xiangjia; the treasure house was also hidden in a five-color rockery.

"Open the treasure house!" Xu Ming looked very familiar!

"Yes!" When Xiang Pang was opening the treasure house, a pretty goddess jumped over and rushed over.

This goddess, in her beauty, has an enchanting smell, she is definitely a rare stunner!

Xiang Pang pulled his daughter over and smiled slyly at Xu Ming: "This is the little girl Xiang Ling!—She has admired Elder Xie for a long time, and she has always wanted to be by your side with Elder Xie and be a maid. I wonder if she is lucky?"
