

A World 951

Chapter 951: Majestic 8 Sides

“I rely on? What’s the situation?”

Xu Ming was stunned for a moment, and then he realized that this Elder Xiang Pang wanted to dedicate his daughter to me!

“This is too polite, isn’t it? It seems that this Elder Xie must be a womanizer on weekdays!”

Xu Ming was suddenly a little distressed—to accept, or not to accept?

take it?

To be honest, it is impossible for Xu Ming to like this kind of vulgar fan!

don’t charge?

Isn’t it inconsistent with Elder Xie’s usual lecherous character?

After thinking about it, Xu Ming looked at Xiang Ling and said, “This elder is in a hurry to go out! Come to me in half a month!”

Xiang Ling immediately showed a shy look of joy: “Yes! Elder Xie!”

The treasury opens.

Xu Ming swaggered into the treasure house.

“Huh? Why are there so many Divine Crystals?” Xu Ming looked at the more than 80,000 Divine Crystals in the treasury, and said with some displeasure.

According to the information Xu Ming had detected before, the benefits of the Xiang family were generally much higher than those of the Luo family. But this time, it was actually less than the Luo family?

Xiang Panglian panicked: “Report to Elder Xie! Recently, my business in Xiangjia’s jurisdiction has been relatively poor, and I really can’t help it!”

Business is bad?

Xu Ming secretly called out “unlucky”, waved his hand expressionlessly, and put all the more than 80,000 divine crystals in the treasure house into the world ring.

At the same time, Xu Ming also understood a little, why did Xiang Pang send his daughter off as soon as he came up! I’m afraid, it’s because I’m worried that the income is not good and I will be punished by myself.

“Elder Xie?” Xiang Pang said cautiously.

“Humph!” Xu Ming snorted coldly, “For the sake of your daughter, I’ll spare you this time!”

“Thank you so much, elder! Thank you so much, elder!” He bowed to Pang again and again.

Xiang Ling also bowed to thank him.

“Humph!” Xu Ming said, “The leader’s inspection is over.”

“Yes! Yes!” Xiang Pang nodded his head like garlic.

...

Leaving Xiang’s house, Xu Ming went directly to Zhang’s house next to him!

“hiss-”

Walking into the Zhang family's treasure house, Xu Ming couldn't help but take a deep breath: "So many divine crystals!?"

In the Zhang family's treasure house, piles of divine crystals are piled up like a mountain; if you look around, there are more than half a million!

"Elder Xie, what do you think?" The head of the Zhang family followed and said happily, as if asking for credit.

Xu Ming was stunned for a while before he praised: "Xiao Zhang! You are very good! It's much better than Xiao Xiang next door!"

Because he was disguised as the golden-clothed elder, when Xu Ming spoke, he unconsciously put on some "official accents".

"Doing things for Elder Xie, I don't dare to do my best!" The Zhang family patriarch said respectfully, "Elder Xie, I will help you put away these divine crystals!"

Having said that, the Zhang family's patriarch quickly put all the divine crystals into a world ring and handed them to Xu Ming respectfully.

"Yeah!" Xu Ming nodded and walked straight out, "That's right, Xiao Zhang! Work hard, I'm optimistic about you!"

"Respectfully send off Elder Xie!" The Zhang family's patriarch sent Xu Ming out the door all the way, bowed and watched Xu Ming leave.

After sending "Elder Xie" away, the Zhang family's patriarch was about to enter, but he saw the Xiang family's patriarch next door.

"Xiang Pang?" The corner of the Zhang family's patriarch's mouth raised a touch of disdain, and he smiled secretly, "My business is getting better and better, while yours is getting worse and worse! I see how you can compete with me in the future!"

Xiang Pang also smiled secretly: “I have already dedicated my daughter to Elder Xie, I see, how can you still compete with me for favor in front of Elder Xie!”

...

Of course Xu Ming didn’t know that the two patriarchs who had just been visited by him had so many wonderful thoughts in their hearts.

Now Xu Ming just wants to say – the identity of the elder Jinyi is really majestic!

“The harvest is good! Only after visiting two of them, I earned more than 60 million crystals!”

For Xu Ming, Divine Crystal is strength!

If there are enough Divine Crystals, Xu Ming can directly summon “Silver Moon 10th Rank” existences to possess his soul; or, directly open the “Book of Life and Death”, and instantly kill other Silver Moon 10th Rank existences!

Therefore, Xu Ming feels that he is not only picking up money now, but also “rapidly improving his strength”!

While picking up money, it is equivalent to improving strength, this feeling... very cool!

“Next house!”

Xu Ming was diligent and diligent, and did not dare to delay for a moment.

The third stop, the Huang Family, harvested 200,000 Divine Crystals!

Fourth stop, Ma family, harvest 100,000 Divine Crystals!

Fifth stop...

After Xu Ming had wiped out all the powers of the red-clothed elders under Elder Xie, the number of divine crystals in his hand had swelled to two million!

Even Xu Ming got a drop of spiritual marrow! – Can be exchanged for level 11 hanging points!

“Great harvest!”

Just as Xu Ming sighed, a purple-robed elder came towards him.

“I’ve seen Elder Xie!” The purple-robed elder had two long beards; when he saw Xu Ming, he immediately bowed respectfully.

“Oh? Xiaolong!” Xu Ming checked the other party’s message and laughed.

“Elder Xie, where are you going?”

Xu Ming didn’t answer the other party’s question, but his eyes lit up slightly and a smirk broke out in his heart.

“Little Dragon! Long time no see, how are you doing?” Xu Ming said proactively.

Elder Ziyilong suddenly felt flattered: “Thank you for the blessing of the elders, everything is fine!”

“Yeah!” Xu Ming nodded solemnly and said, “This elder wants to trouble you with something, I wonder if I can?”

Elder Xie wants to trouble me with something? —Elder Long was so excited! In his opinion, what a once-in-a-lifetime opportunity to flatter!

“Elder Xie, feel free to say it! No matter what orders are made, Xiaolong I will die!” Elder Long patted his chest and said again and again.

“Yeah! Very good! Xiaolong, I admire your character!” Xu Ming praised and then changed the conversation, “That...Xiaolong, this elder is a little tight recently, look, Can you borrow a bit of divine crystal flower from this elder?”

What! ?

This purple-clothed dragon elder almost spurted blood!

He never dreamed that “Elder Xie” was actually looking for him to borrow money! – After all, he had never heard that Elder Xie had borrowed money from someone else before!

Borrow money!

This is simply a scary word!

However, Elder Long just said “I will never give up”, and now if I don’t even want to borrow money, I am afraid of offending Elder Xie!

“I...why am I flattering me!” Elder Long felt remorse.

At this time, Xu Ming said again: “Xiaolong! You see, this elder has never asked anyone to borrow money; and now, I only ask you to borrow money! You say, why is this? – This is this elder Ben to you. It’s very important! The opportunity is in front of you, whether you can grasp it or not depends on you!”

Chapter 952: Enemy Road Is Narrow

“The opportunity is in front of you. Whether you can seize it or not depends on you!”

Elder Ziyilong had hesitation on his face! – If you don’t borrow it, you will definitely offend Elder Xie! Borrow it, but it can please Elder Xie!

Elder Long couldn’t help thinking: “As Elder Xie, could it be possible to borrow money? – Besides, this is likely to be Elder Xie’s test for me!”

Thinking that this might be a test, Elder Long immediately showed great generosity: “Elder Xie, you are willing to ask me to borrow divine crystals, you are looking down on me! – These are all my divine crystals, and there is still a drop of divine essence in them. , you take it first!”

Having said that, Elder Long handed over his world ring directly! In the world ring, there are nearly one million divine crystals. [www. wxS520. com](http://www.wxS520.com)

“Another great harvest!”

Xu Ming happily accepted the world ring, patted Elder Long on the shoulder, and said, “Little Dragon! Work hard, you have great potential!”

After speaking, Xu Ming walked away.

Elder Long respectfully watched Xu Ming leave, but he was very excited: “That’s great! I have climbed the line of Elder Xie! In the future on Xingluo Island, I will be a member of Elder Xie’s faction!”

...

After this successful borrowing experience, Xu Ming immediately knew the taste.

In the next few days, he found several elders in purple clothes, and expressed the meaning of borrowing money very “concealedly”. These elders in purple clothes happily borrowed their savings in order to flatter Xu Ming; after borrowing them, they all thought that they had hugged Elder Xie’s thighs from now on.

“Xingluo Island, it’s really a good place to make a fortune!”

Seeing his rapidly expanding wealth, Xu Ming was simply overjoyed! Even now, he just gave up the mission and left Xingluo Island, there is nothing to regret!

Of course, Xu Ming will not give up the task; after all, this task is not difficult for Xu Ming!

When he continued to look for borrowing targets in Xingluo Island, Xu Ming saw two familiar figures.

“Yue Xiaoxian!”

“Shao Chuan!”

Xu Ming was stunned for a moment – it’s really a narrow road for enemies!

The reason why Yue Xiaoxian and Shao Chuan appeared in this Silver Moon Medal mission is to kill Xu Ming!

However, Xu Ming disguised his appearance and breath of life, neither Yue Xiaoxian nor Shao Chuan knew that Xu Ming had come; but Xu Ming already knew the sinister thoughts of Yue Xiaoxian and Shao Chuan.

“Want to kill me? Then prepare to pay the price of death!” Xu Ming’s eyes suddenly turned cold.

In fact, with Xu Ming’s current net worth, if he wants to kill Yue Xiaoxian and Shao Chuan, he just needs to draw a few strokes on the book of life and death, and he can do it! It’s just that, in order to kill these two kittens and puppies, you have to pay a lot of divine crystals, is it worth it?

Xu Ming felt worthless!

After all, in Xu Ming’s view, the lives of Yue Xiaoxian and Shao Chuan were far less precious than his divine crystal! If you want Xu Ming to waste divine crystals for them, they are not worthy!

and...

“My current identity is the golden-clothed elder of Xingluo Island! There should be other ways to deal with these two!” Xu Ming couldn’t help thinking.

At this time, Yue Xiaoxian and Shao Chuan, of course, also discovered Xu Ming, the “elder in golden clothes”.

“Senior Brother Yue, look, it’s the golden-clothed elder!” Shao Chuan said in a low voice, but he didn’t dare to look directly in Xu Ming’s direction, for fear of attracting attention, “Your Yinyue seventh-rank mission is not exactly what you need. Is it the golden star ring in the hands of the golden-clothed elder?”

“Humph!” Yue Xiaoxian hummed, “I definitely need the golden Xingluo ring! But now, the mysterious master who is going to deal with the Xingluo king has not yet appeared, so I can’t take action against the golden-clothed elder! just wait!”

“Yes!” Shao Chuan whispered.

“Look, another golden-clothed elder!”

At this moment, Yue Xiaoxian saw another golden-clothed elder appear.

“Elder Yan!” Xu Ming probed the other party’s message and stepped forward to greet him with a laugh.

“Huh?” This elder Yan had some doubts in his eyes, “Elder Xie, didn’t you leave Xingluo Island to do the task given to you by the island owner?”

Xu Ming couldn’t help but groan in his heart – not good!

The golden-clothed elders are not as foolish as the red-clothed elders and the purple-clothed elders!

Originally, Xu Ming also planned to “borrow” some money from this Elder Yan, but now, it seems that he can’t do such an abnormal behavior, so as not to arouse suspicion from the other party.

Xu Ming thought about it for a while, and then he had an idea and said, “The island owner did let me go out and find out some news!”

“Then why are you still staying on Xingluo Island and haven’t set out?” Elder Yan became more and more puzzled.

Xu Ming lowered his voice and said, “It’s not that I haven’t set out yet, but I’m already back!”

“Oh?” Elder Yan looked at Xu Ming and continued to listen.

“Actually...” Xu Ming continued to flicker, “The island owner sent me out to track down a few suspicious people! I have tracked them down, and I’m tracking those two suspicious people!”

Tracking those two suspicious characters?

Elder Yan was stunned, and continued: “You mean, those two suspicious characters have come to Xingluo Island now?”

“That’s right!” Xu Ming said, “Just here, right here...”

Saying that, Xu Ming gestured to Elder Yan very vaguely to look at the direction of Yue Xiaoxian and Shao Chuan.

Elder Yan even looked over cautiously: “Is it the two of them?”

“Yes!” Xu Ming said, “I just followed the two of them back to Xingluo Island, and I was going to find a few people to help me capture them. Since you happened to be here, it couldn’t be better!”

“Let’s work together to take them down?” Elder Yan asked.

“No no!” Xu Ming said, “The origins of these two people are unknown, so maybe they have some means! If they make a rash move, it would be bad if they startle the snake!”

“Yes, yes, yes, it makes sense, it’s still Elder Xie that you think is thoughtful!” Elder Yan said solemnly.

“Let’s do it!” Xu Ming said again, “Help me here first, keep an eye on the two of them! It’s best You can call some more brothers and directly capture or kill them!” And I, continue to track down other suspicious characters!”

Elder Yan thought for a while and said, “Okay! – You go quickly, the task that the island owner gave you is important! As for this, just leave it to me, you can rest assured!”

“That’s trouble! I’m leaving!” Xu Ming clasped his fists and left in a hurry.

After flying out of Elder Yan’s perception range, Xu Ming changed his body and disguised himself as an eight-star ***** who looked like a scholar.

“Hehe! The ‘camouflage’ hanging is really useful!”

Xu Ming shook the paper fan in his hand. One word on the paper fan: Handsome!

“Go to the play!”

Xu Ming took eight-character steps and swaggered towards the position where Yue Xiaoxian and the two were.

...

At this time, the elder Jin Yiyan also began to gather helpers.

Chapter 953: The Atmosphere Is A Bit Weird

Xingluo Island is a bustling place. Lewen novel w-w-w.lwxs520.c-o-m.

However, in this lively and hustle and bustle, there are also some quiet teahouses.

At this moment, Yue Xiaoxian and Shao Chuan were drinking tea indifferently at the window of a quiet restaurant.

Xu Ming, who was disguised as a scholar, also shook a paper fan and walked into the teahouse; then, he found a window seat not far from Yue Xiaoxian and the two of them, sat down, and waited to watch the show.

“Just these two idiots, still want to take advantage of the Silver Moon Medal mission to kill me?” Xu Ming sneered, “I often appear next to you, but you don’t recognize me at all!”

The enemy is bright, I am dark. Xu Ming can naturally play Yue Xiaoxian and the two in the palm of his hand.

And the funny thing is that neither Yue Xiaoxian nor Shao Chuan knew that Xu Ming had already started playing with them!

“However...” Xu Ming sneered in his heart, “This Yue Xiaoxian is as rumored, once someone offends him, he will deal with him without compromise!”

The feud between Xu Ming and Yue Xiaoxian, to put it bluntly, means that Xu Ming taught Shao Chuan a lesson; and Shao Chuan is a follower of Yue Xiaoxian. Therefore, Yue Xiaoxian and Xu Ming had some conflicts.

But Xu Ming didn’t expect that they were all from the same class of Yanyan Mountain, and Yue Xiaoxian would try his best to take advantage of the opportunity of the Silver Moon Medal mission to attack him because of such a small conflict!

“This Yue Xiaoxian’s arrogance is too small!”

However, no matter how big or small he is; since he wants to kill Brother Ming, don’t blame Brother Ming for being rude!

“If you can escape the hunting of the golden-clothed elders on Xingluo Island, you are lucky!” Xu Ming glanced in the direction of Yue Xiaoxian and thought to himself.

“Little Er, come with the best tea and some dried fruit!” Xu Ming prepared to drink tea, eat melon seeds, and put on a show-like attitude.

...

Yue Xiaoxian and Shao Chuan were drinking tea leisurely.

“Senior Brother Yue!” Shao Chuanyin chatted, “We just sit here drinking tea and don’t do anything if we don’t?”

“Do something?” Yue Xiaoxian said with a smile while blowing on the tea leaves floating on the water, “What do you want to do? What can you do?”

Shao Chuan was slightly taken aback: “It seems... there is nothing to do...”

Yue Xiaoxian smiled indifferently and said: “The key to this medal mission is not us at all; it is the master who accepted the task of ‘Feng Wang Medal’, when will he take action against King Xingluo... Between the existence of the king level There must be a lot of movement in the fight; we just sit and drink tea and wait for the battle to break out, that’s it!”

“Yes!” Shao Chuan laughed.

“It’s a pity...” Yue Xiaoxian couldn’t help sighing, “I thought that after I came out this time, I would never have to go back to the Yanyan Mountain! Now it seems that I still have to go back!”

“Yeah!” Shao Chuan also sighed, “I originally planned to take this opportunity to kill Xu Ming; then, we went directly to the Baili Lou! Unexpectedly, Xu Ming did not dare to do it at all. Mission, we spent so much time in vain!”

“No hurry!” Yue Xiaoxian pondered, “I don’t believe it, we will never get the chance to kill Xu Ming! – As long as we meet him outside the Yanyan Mountain, we can easily kill him!”

“That’s for sure!” Shao Chuan also said, “It’s just... Xu Ming is on the reward of the Temple of Time and Space! If someone else kills us, we won’t be rewarded!”

“That’s true...” Yue Xiaoxian’s eyes became slightly cold, and he pondered while holding the teacup.

...

This time, Xu Ming was not bored to eavesdrop on the sound transmission between the two. Anyway, Xu Ming had already sentenced the two to death; therefore, he didn’t care what they were talking about.

Three cups of tea.

“Xingluo Island’s work efficiency is really low! The time for three cups of tea has passed, and only a golden-clothed elder has arrived!” Xu Ming secretly said.

But Xu Ming didn’t know that it wasn’t that a golden-clothed elder came, but... the other golden-clothed elders were hiding in the dark!

“Senior Brother Yue?” Shao Chuan said suddenly, “Why do I feel that the atmosphere is a bit strange?”

“Strange?” Yue Xiaoxian asked in confusion, “Where is it strange?”

Shao Legend said: “We’ve been sitting here drinking tea for a long time, haven’t we? However, I have never seen the elders in gold clothes from Xingluo Island before, but now, I have seen three in succession!”

Elders in golden clothes, the weakest is the existence of the seventh rank of Yinyue!

And Yue Xiaoxian’s cultivation level is only eighth grade Yinyue!

“Oh?” Yue Xiaoxian was slightly startled, “It seems a little strange to hear you say that!”

However, Yue Xiaoxian didn’t take it to heart.

At this time, Elder Yan and another elder Jinyi who had just arrived suddenly walked in the direction of Yue Xiaoxian and the others.

“Senior Brother Yue, are they coming towards us?” Shao Chuan couldn’t help but feel a little nervous.

“Don’t worry!” Yue Xiaoxian was still drinking tea calmly, “Since we came to Xingluo Island, we have been drinking tea here all the time, without doing anything, it is impossible for them to find us! And you see, these two Although the golden-clothed elders are coming towards us, their eyes are not looking at us!”

“That’s true!” Shao Chuan relaxed a little.

Soon, the two golden-clothed elders walked into the teahouse. However, they deliberately did not go towards Yue Xiaoxian’s side, but went in the other direction.

“Sure enough, they didn’t come to us!” Yue Xiaoxian and Shao Chuan felt more relieved.

But at this moment, Elder Yan and another elder in golden clothes suddenly looked at each other vaguely.

“Do it?”

“it is good!”

boom!

I saw the newly arrived golden-clothed elder waved his hand violently; five golden-clothed figures flew out from the world ring in his hand—all of them were golden-clothed elders!

As soon as the five golden-clothed elders appeared, they flew to all directions of the teahouse.

“What’s the matter?” Yue Xiaoxian suddenly smelled a dangerous breath.

“Form a formation!” Elder Yan shouted angrily, his right arm instantly turned into a white bone claw, grabbing towards Yue Xiaoxian.

On the other six golden-clothed elders, UU Reading www.uukanshu.com suddenly burst into light, apparently condensing some kind of battle formation.

boom! !

The whole teahouse also exploded suddenly. The gods drinking tea in the teahouse were all smashed by the powerful momentum and fell to various places.

And Xu Ming, pretending to be blown away by the momentum, watched this scene from a distance.

“Not good!!” Yue Xiaoxian only felt his scalp burst, “It’s for us!”

call out-

In Yue Xiaoxian’s hand, a gloomy long sword appeared in an instant, like a poisonous snake spitting out a letter.

At the same time, he also shouted at Shao Chuan: “Come into my world ring!”

This level of battle is not something that Shao Chuan can participate in!

“What the ***** is going on!?” Yue Xiaoxian shouted wildly in his heart – he couldn’t figure out why he had a good tea here, but was targeted by the golden-clothed elders.

Chapter 954: Fate Ends

boom!

The bone claws are cold, but they contain the suffocating power that crushes the space.

“Silver Moon Eighth Grade!” Yue Xiaoxian immediately judged the power of this claw.

It is also the eighth grade of Yinyue, but Yue Xiaoxian is not afraid at all!

You must know that even among the emperor-level forces like Yanyan Shenshan, Yue Xiaoxian is still the top ten Silver Moon-level existence, and naturally has the strength to leapfrog.

“roll!”

The gloomy long sword was like a poisonous snake spitting out a letter, instantly blasting the bone claw back.

“Come in!” At the same time, Yue Xiaoxian directly put Shao Chuan into the world ring.

However, an obscure causal attack wave followed closely into the world ring.

“What happened, how could we be targeted?” Shao Chuan, who fled into the world ring, was still a little terrified. “After we came to Xingluo Island, we didn’t do anything, we shouldn’t be discovered...”

Suddenly, Shao Chuan’s expression became frightened.

In the next moment, his eyes immediately lost their luster.

Bang!

Shao Chuan fell into the world ring; his body was intact, but there was no breath of life – a causal attack, silent! A causal attack by an elder in golden clothes, even through the world ring, it is easy to kill Shao Chuan in seconds!

“You guys...” Yue Xiaoxian couldn’t help but look ugly when he felt Shao Chuan’s death.

However, he is also very clear that the seven golden-clothed elders are not something he can deal with alone!

“Run!” Ignoring the hatred in his heart, Yue Xiaoxian turned into a sensitive snake and ran away.

boom!

However, at this moment, a series of brilliant causal runes directly blocked the space around Yue Xiaoxian. The cause and effect of this space is completely isolated from the outside world; if Yue Xiaoxian wants to go out, he must first break the cause and effect isolation!

“The golden-clothed elder with the cause and effect is a master of Yinyue Ninth Grade!” Yue Xiaoxian looked solemn.

The power of cause and effect together, the means are mysterious and mysterious! Even if Yue Xiaoxian has the strength to fight by leaps and bounds, but facing the great power of cause and effect that is one rank higher than himself, it is still a headache!

Moreover, the other six elders in golden clothes are not vegetarian!

boom! boom! boom! boom! ...

One after another tyrannical attack, they joined forces to kill Xiang Yue Xiaoxian.

“Flash!” Yue Xiaoxian didn’t have the courage to take so many attacks, so he teleported and appeared on the edge of the causal isolation area.

That’s right, Yue Xiaoxian is going, it is “time and space together”! To be precise, it is the “space one” in the space-time one, proficient and good at teleportation!

His cold swordsmanship was also created based on the mystery of some spatial shadows!

“Break it for me!!”

Yue Xiaoxian’s sharp sword, which contains the mystery of space, slammed into the runes of causal isolation.

Scope of causal isolation, of course, can not stop Yue Xiaoxian’s point of view.

boom!

The causal isolation area was directly blasted out of a gap. Yue Xiaoxian hurriedly teleported and escaped.

“kill!”

“Don’t let him escape!”

“It’s best to capture it alive! If you can’t capture it alive, then kill it!”

boom! boom! boom! ...

The elders in golden clothes all chased after them fiercely.

“Too fierce!” Xu Ming, who was hiding in the corner watching the battle, couldn’t help but sigh,
“But... the more fierce, the more I like to see it!”

Whoosh!

With a teleport, Yue Xiaoxian appeared at the end of the sky; with another teleport, he disappeared from Xu Ming’s field of vision!

“I’m going! Run faster than a rabbit!”

Xu Ming thought for a while, turned on the “stealth” hook and the “teleport” hook, and followed quietly—these silver-moon-level masters were still unable to see through Xu Ming’s methods.

...

rumbling...

Although none of the seven golden-clothed elders are proficient in time and space, they are not much slower than Yue Xiaoxian in crushing space!

The most terrifying thing is the golden-clothed elder who is one of the cause and effect. As soon as he grabbed his hands in the void, he grabbed the causal line between himself and Yue Xiaoxian; then, he grabbed the causal line tightly, as if he was grabbing the rope for walking a dog.

Originally, Yue Xiaoxian was proficient in time and space, so he should have easily escaped to the distance. But because the causal line was tightly held, the speed of his teleportation was greatly affected.

“The enemy of the cause and effect is really disgusting!” Yue Xiaoxian cursed in his heart.

However, those who practice the four major orders of cause and effect, time and space, destiny, and reincarnation, all have very vulgar and disgusting methods of attack. And the silver-moon-level masters who follow the route of “breaking the law with strength”, their attack methods are more magnanimous, upright, or... stupid!

call out-

A causal attack, following the causal line, killing Yue Xiaoxian!

“Not good!” Yue Xiaoxian teleported one after another. However, he was like a dog on a leash, jumping up and down, but he couldn’t break free from the ropes.

“Humph!”

The causal attack hit him, Yue Xiaoxian couldn’t help groaning, and some golden blood oozes from the corner of his mouth.

“As far as your attack is concerned, if you want to kill me, it’s still a long way off!” The master of the cause and effect is better than the unpredictable attack method; however, the power of the attack is a weakness.

Yue Xiaoxian continued to teleport and flee frantically.

Time and space together, the best at escaping. Although the seven golden-clothed elders tried their best to catch up, they could only watch Yue Xiaoxian flee farther and farther.

“Let him escape...” The golden-clothed elders were anxious, but very powerless—it was still very difficult to kill a master of time and space! Because, in front of the masters of time and space, siege is not very useful!

If you besiege, people will run away!

“Hahahaha...” Yue Xiaoxian couldn’t help but feel complacent when he saw that he could escape, “Want to kill me? King Xing Luo did it himself.

Between every laughter, Yue Xiaoxian teleported countless times.

If it weren’t for the causal thread tied to him, it would greatly affect his teleport distance and speed; I am afraid that Yue Xiaoxian would have already escaped from the range of Xingluo Island.

Just when Yue Xiaoxian was complacent the air seemed to suddenly quiet down.

In the distant void, a figure in a white robe slowly stepped into the void and strolled over.

“This is...” Xu Ming, who was in the invisible state, looked at the white-robed figure with some surprise, “That special envoy?”

Before, when Xu Ming entered the underground world of Xingluo Island, he had seen this middle-aged man in white robe; at that time, Luo Yang called him “Master Special Envoy”.

“Huh?” Yue Xiaoxian was shocked all over – at the moment when this white robe figure appeared, Yue Xiaoxian felt extremely depressed; it seemed that his own destiny was no longer under his control.

“Silver Moon Tenth Grade!”

“And he is also a master of the order of fate!” Yue Xiaoxian was shocked!

The order of fate is even more mysterious than the order of cause and effect!

The middle-aged man in white robe looked at Yue Xiaoxian indifferently, and spit out a few words: “Fate... the end!”

Chapter 955: Pull Up Your Pants And Don'T Recognize Anyone

Destiny ends!

As the name implies, it is to let a person's fate come to an end!

Even fate is over, so can life go on? – Of course not!

The end of fate also means the end of life!

“Do not!”

Yue Xiaoxian became extremely frightened in vain—the killer move of the tenth-grade Yinyue destiny order, he did not have the slightest confidence to follow. M.LWxS Lewen Mobile Network

“This move...” Xu Ming hid in the dark and watched in horror.

“The special envoy has taken action!”

“He's dead!”

“That's right! Under the title of the king, very few people can take this trick from the special envoy!”

The seven golden-clothed elders were all looking forward to watching.

“No! I can't bear it!” Yue Xiaoxian knew very well that it was impossible to avoid the “attack of fate” by relying on teleportation! —Because, fate attack and causal attack are very mysterious!

The trajectory of the fate attack is not at the spatial level at all! So, no matter where you teleport to, it's pointless!

Swish!

Yue Xiaoxian spread his hands, and a pure black pebble suddenly appeared in his palm. On the black stone, there is a mysterious aura that transcends the world.

“Huh?” A look of shock flashed in Xu Ming’s eyes, “Isn’t this a stone of no difficulty? – Why does Yue Xiaoxian have it?”

In Xu Ming’s hand, there is also a stone without difficulty; however, it was given by Emperor Yan Yan.

You must know that even for an emperor-level existence, the Wu Difficulty Stone is extremely valuable! Xu Ming is very strange, Yue Xiaoxian, the eighth rank of the silver moon, how can there be a stone without difficulty.

“Wu Difficult Stone...” Yue Xiaoxian looked at the mysterious black stone in his hand, “I didn’t want to stimulate the Wu Difficult Stone so soon, but now that life and death are at stake, I can’t take care of so much!”

“Humph!” Yue Xiaoxian’s eyes had a strong sense of coldness.

boom!

Under the urging of divine power, the No Difficulty Stone instantly turned into a splendid energy, which enveloped Yue Xiaoxian’s whole body.

Bang!

An invisible fate attack hit Yue Xiaoxian, but was directly bounced back.

In the next moment, the splendid energy directly wrapped Yue Xiaoxian and disappeared.

“Gone?”

“where it goes?”

“what happened?”

“There should be some extremely precious life-saving treasure on this kid! I’m afraid his origins are extraordinary!”

The middle-aged man in the white robe and the seven elders in golden clothes were obviously not knowledgeable enough to recognize the Wu Difficult Stone.

“Huh? Disappeared?” Xu Ming was also very curious, “I don’t know, where did Wu Difficult Stone take Yue Xiaoxian?”

Xu Ming reckoned that the same situation would be the case when he used the Wu Difficult Stone.

“Master Special Envoy!”

“Master Special Envoy!”

At this time, the seven golden-clothed elders all gathered around the white-robed middle-aged man.

“Who was that person just now? Why did you take action against him?” asked the special envoy Baipao.

“He is...” The other golden-clothed elders all looked at Elder Yan.

Elder Yan said embarrassedly, “I don’t know exactly who he is...”

“What!?” The special envoy and the golden-clothed elders were all speechless, “You don’t even know who he is, yet you deal with him with such a big fanfare...”

If Yue Xiaoxian knew that these masters of Xingluo Island didn’t even know who they were; I’m afraid, he would really vomit blood. As for the dead Shao Chuan, he is going to die!

Elder Yan continued: “Elder Xie asked me to deal with him!”

“Elder Xie?” The special envoy was a little puzzled, “Elder Xie came back so soon?”

Elder Yan replied one by one: “Elder Xie said that the island owner sent him out to investigate some things; he traced the person just now, so he asked me to deal with him! Now, Elder Xie has left Xingluo Island again! ”

“Before the island owner, he did instruct Elder Xie to go out and do something!” The special envoy thought for a while, but he didn’t have any doubts.

Moreover, Divine Domain communication is difficult! Since Elder Xie is not within the scope of Xingluo Island, even if the special envoy becomes suspicious, there is no way to contact Elder Xie to confirm the truth!

Suddenly, the stern eyes of the special envoy suddenly shot towards Xu Ming’s invisible position.

Xu Ming couldn’t help but feel tight in his heart: “Could it be that they were discovered?”

If it is discovered, Xu Ming may have to use the Wu Difficulty Stone to save his life!

“Huh?” But then, the stern eyes of the special envoy became very puzzled, “At that moment, I clearly felt that there was a fluctuation of fate in that position! Could it be that I feel wrong?”

The special envoy felt it carefully, and finally determined that he should feel wrong.

“Huh...” Seeing the special envoy and the golden-clothed elders leave, Xu Ming, who was in invisible state, breathed a sigh of relief, “It seemed like you were noticed just now?”

The special envoy is a tenth-grade Yinyue existence, very close to the king level; coupled with the cultivation of the order of fate, the perception is indeed very keen.

However, trying to see through Xu Ming’s invisibility is a little bit worse!

...

In the blink of an eye, half a month.

The “genuine” Elder Xie, who was out, finally returned to Xingluo Island. Instead of going to the underground world, he went directly back to his mansion.

“Huh?” As soon as he returned to the mansion, Elder Xie saw a pretty and enchanting goddess waiting for him respectfully.

Elder Xie felt that the other party looked familiar: “You are... Xiang Pang’s daughter, right?”

The pretty and enchanting goddess smiled charmingly: “Elder Xie, you are really a noble person who forgets things! I am Xiang Ling!”

Xiang age?

Elder Xie is a little strange. What is Xiang Pang’s daughter doing here?

Xiang Ling said again, “Elder Xie, I’m here to sleep for you...”

“I’ll go!” Elder Xie scolded inwardly, “What’s the situation? There is such a good thing as soon as you come back?”

Elder Xie is a lecher, and when he encounters this kind of food, he has no reason to refuse!

“Then come into the room with me!”

...

a few days later.

to home.

“Elder Xie!” The head of the Xiang family looked at Elder Xie respectfully to Pang Gong, nodded and bowed, “Are you here again?”

Elder Xie patted Xiang Pang on the shoulder and said with a wicked smile: “Xiang Pang, your daughter’s taste is very good! – I am very satisfied that you have this intention!”

“It’s a little girl’s blessing to be able to follow Elder Xie!” Xiang Pang Lian said.

“Yeah!” Elder Xie nodded, “I keep this gift from you in my heart!”

Xiang Pang’s eyes lit up – what he wanted was what Elder Xie said?

“But...” Elder Xie said again, “Public is public, private is private! I am very satisfied that you dedicate your daughter to me; however, I still have to do public affairs! – Take me to the treasure house!”

To the treasure house?

Xiang Pang couldn’t help but be stunned: “Didn’t you just go to the treasure house not long ago? Going again so soon?”

“Just been there not long ago?” Elder Xie’s face sank, “When did I go there!?”

Xiang Pang was a little confused – Elder Xie didn’t admit that he had been to the treasure house?

unacceptable!

Xiang Pang couldn’t help but burn with anger! – Some people “put up their pants and don’t recognize people”, which is already too much! And this Elder Xie was even more extreme, not only having ***** with his daughter, but also blackmailing him in turn?

Even if you are an elder in golden clothes, you can’t bully people like this, right?

Chapter 956: Kill

Luo family.

Of course Xu Ming didn't know that there was such an "interesting incident" between the genuine Elder Xie and the Xiang family!

Today, Xu Ming is very leisurely – under the name of Elder Xie, he has made a lot of money, and the divine crystals on his body are nearly ten million!

For Xu Ming, the divine crystal is the hang point, and the hang point is the combat power!

Nearly 10 million hanging points are enough to allow Xu Ming to exert the combat power of the tenth rank of Yinyue! Looking at the field of vision, it can also be called a master!

Xu Ming's ancient cultivator avatar was doing some simple training, waiting for the battle to break out; Tiandao Liu's avatar, in the world ring, was drinking tea and chatting with True God Jiuyu.

"Xu Ming!" Luo Yang, the head of the Luo family, suddenly knocked on Xu Ming's door, "Go, follow me to see the island owner!"

See the island owner?

Xu Ming was stunned: "Island master left?"

"That's right!"

Following Luo Yang, Xu Ming came all the way to the central area of Xingluo Island; after passing through heavy mountains and tens of thousands of miles of underground passages, Xu Ming once again came to the huge underground world.

It just so happened that a golden-clothed elder that Xu Ming had never seen before also came to the underground world.

"Elder Tian!" Luo Yang even bowed and saluted.

Xu Ming's eyes fell on the figure in black next to Elder Tian.

Xu Ming recognized that this black figure was a 10th-grade Silver Moon expert who had accepted the Silver Moon Medal like himself, and seemed to be called "Mei Ying".

"He's here too?" Xu Ming estimated that the other party had the same idea as his own, and they should all come to explore the truth.

However, Xu Ming recognized Mei Ying, but Mei Ying did not recognize Xu Ming. After all, after Xu Ming came to Xingluo Island, he disguised again; under the title of king, no one could see through his disguise.

"Humph!" I saw Elder Tian snorted coldly and said, "Luo Yang, the people you brought here don't know the rules very well! When you see this elder, you don't even know how to salute!"

Saying that, Elder Tian walked straight away.

"How arrogant!" Xu Ming secretly said.

But Xu Ming was too lazy to care about him for the time being! – Xingluo Island is about to be destroyed, and the elders of Xingluo Island are expected to die soon.

This time, the gate of the Black Fortress was wide open. There was no obstacle along the way, Xu Ming walked directly into the luxurious fortress.

"Huh!?" As soon as he entered the fortress hall, Xu Ming was taken aback – he saw an "acquaintance".

An unfamiliar acquaintance!

Thank you elder!

At this time, Elder Xie was surrounded by a large group of elders in red and purple.

Xu Ming discovered that these red-clothed elders and purple-clothed elders were also his “acquaintances”! Because, Xu Ming either moved divine crystals from their treasury, or borrowed “money” from them!

“What’s the situation?” Xu Ming looked curiously.

I saw a group of red-clothed elders and purple-clothed elders, swearing around Elder Xie.

“Elder Xie, you obviously took all the divine crystals from my Huang family’s treasury, why didn’t you admit it!?”

“Elder Xie, you moved the divine crystal yourself, and you said you haven’t moved it?”

“Elder Xie, you have borrowed nearly a million Divine Crystals and a drop of Divine Essence from me... You don’t admit it?”

“Elder Xie, you don’t recognize people when you put on your pants! You beast!”

“Thank you, elder...”

Elder Xie is really aggrieved and innocent: “I said I didn’t take it, but I didn’t take it! I, Xie Mou, a dignified elder in golden clothes, could I lie to you?”

“Haven’t you taken it?” The surrounding red-clothed elders and purple-clothed elders sneered louder, “Elder Xie, if you do it, you will do it, why don’t you dare to admit it? If you don’t admit it, then we will ask someone else to ask. -Luo Yang, come here!”

Luo Yang walked over in confusion: “What’s going on?”

“Luo Yang!” An elder in purple said, “Did Elder Xie go to your treasure house not long ago and move the divine crystal?”

“Yes!” Luo Yang said.

“Look!” The purple-clothed elder turned to Luo Yang, “Every red-clothed elder under your command said that you moved the treasure house! Could it be that every one of us is slandering you?”

Elder Xie roared, “I did move Luo Yang’s treasure house! After moving, I left Xingluo Island directly. I just came back a few days ago!”

“Do you think we will believe it?” The surrounding masters said one after another.

Elder Xie really felt that it was reasonable and could not explain: “I really have never moved the treasure house, and I have never borrowed the divine stone from anyone! – You asked me, how can I admit what you said!?”

“This unfortunate child...” Xu Ming looked at Elder Xie’s eyes with a hint of sympathy, “Who told you to pretend to be X in front of me when you came to Luo’s house? If you dare to pretend to be X in front of me, I deserve it. Play like this!”

Install X in front of Brother Ming, and get revenge by Brother Ming’s “little” prank-just right!

At this time, the special envoy Baipao walked into the hall and looked at Mei Ying: “Come with me, the island master will see you first!”

“Okay!” Mei Ying followed without hesitation.

“I don’t know... What will happen when the island owner sees us!” Xu Ming waited curiously.

About half a stick of incense was touched.

suddenly...

boom! boom! boom! boom! ...

The entire hall, or the entire black fortress, trembled.

Countless defensive formations appear on the walls of the fortress—obviously, the defensive formations of the entire fortress are connected together; once a strong attack occurs somewhere, the entire fortress will tremble together.

“What’s going on?” Xu Ming’s eyes widened, carefully guarding his surroundings.

“It’s Mei Ying!” said the elder Tian suddenly, “I didn’t expect that Mei Ying, a tenth-grade Silver Moon, could make such a big noise!”

Elder Xie and other elders of Xingluo Island also stopped their voices and looked in shock: “So strong... This Mei Ying can make such a big noise in the fortress! His strength is probably comparable to the special envoy, right? ”

“Elder Tian!” The surrounding elders looked over one after another, “If you can bring such a master, the island owner will definitely reward you greatly!”

“Haha...” Elder Tian was also very proud! – This Mei Ying is indeed the most powerful expert he has brought!

boom! !

Suddenly, the formation of the entire black fortress collapsed.

At the same time Xu Ming heard Mei Ying’s roar: “King Xingluo, you actually want your soul to control me? You are delusional! – Now, I finally know why you became a member of the Holy Emperor’s Palace. The mission goal! It must be because you controlled too many masters, causing dissatisfaction with the Holy Emperor Temple? I am afraid that these elders of your Xingluo Island are also your soul slaves, right?”

“His—” Xu Ming took a deep breath—this King Star Luo actually controlled so many people with his soul? So, he must now want the soul to control me and Mei Ying, right?

“Let’s go!” Xu Ming didn’t have the confidence to face King Xing Luo directly, so he was about to flee outside the fortress – while Mei Ying was fighting against King Xing Luo, Xu Ming still had hope of escaping!

“Want to go?”

“Too naive! Even if you are a third-grade Yinyue, you want to escape from here?”

The elders blocked Xu Ming’s retreat.

Luo Yang even laughed wickedly; “Xu Ming! Since the Island Master sees you, don’t resist! Hahahaha...”

Xu Ming’s eyes turned cold – it seems that he can only go out!

Chapter 957: King Of Stars

“Xu Ming, stay with me!” Luo Yang’s hands turned into two giant ***** claws and grabbed directly towards Xu Ming.

Xu Ming’s eyes turned cold: “It’s really courting death!”

There are too many enemies around, even elders in purple clothes and elders in golden clothes! Xu Ming didn’t dare to hide his clumsiness at all – “Soul Possession” hang, open!

In the face of so many enemies, summoning the soul of the tenth grade Yinyue to possess the body may not be able to break through the encirclement. Xu Ming’s heart was ruthless, he directly spent nearly half of his level 10 hanging points, and summoned the ultimate combat power he could summon—half-step king!

boom!

A scorching wave of air blasted directly from Xu Ming’s body – the person he summoned to possess his soul was a half-step king-making powerhouse who broke the law with force on the Heavenly Dao of Fire!

The incomparably hot air waves even blew Luo Yang and other red-clothed elders with pain all over their bodies.

boom!

At this moment, Xu Ming directly removed his disguise and showed his true face; he held the spear and was aggressive.

“kill!”

A shot was fired, carrying the endless power of flames, and slammed directly at Luo Yang.

The weak red-clothed elder did not have the slightest resistance in front of Xu Ming, who was half-stepped into the king’s battle power.

Bang!

With just one shot, Luo Yang was blasted to ashes.

“what!”

“what!?”

There were dumbfounded faces all around.

“What a strong momentum!”

“What a terrifying strength!”

“How has his appearance changed? – I know, he is definitely a powerhouse who is good at disguise! Now his true strength has exploded, so even the disguise has been removed!”

boom! boom! boom! ...

The elders of Xingluo Island did not hesitate, and they all rushed towards Xu Ming.

“Get out of here!”

Xu Ming is now, half-stepped by the power of breaking the law to seal the king, what a terrifying and terrifying attack! He went on a rampage, and broke through the many obstacles of the elders, and rushed out of the gate of the black fortress.

“escape!”

Xu Ming didn’t dare to fight at all, his tyrannical aura rolled over the space and ran away.

In fact, in the underground world, there is a time-space ban, and it is impossible to teleport; otherwise, Xu Ming would definitely teleport away frantically.

However, just as Xu Ming rushed out of the black fortress, he saw hundreds of purple-clothed elders and golden-clothed elders coming towards him in the underground world.

“There is an enemy attack!”

“Close the exit of the underground world and trap him first!”

boom! boom! boom! boom! ...

A powerful aura, frantically oppressed Xu Ming.

The golden-clothed elder Xie even roared again and again: “Boy, tell me, are you disguised as me, moved away a lot of treasure houses, and borrowed money from a lot of purple-clothed elders!?”

“Hahahaha...” Xu Minghao laughed, “You found out? That’s right, I did it! Hahahaha...”

“Boy, you are courting death!” Elder Xie was the first to kill Xu Ming.

“Get out of here!” Xu Ming swung up his flame spear and threw angrily, sending Elder Xie flying out.

The battle strength of a half-step king is almost invincible under the king!

rumbling...

At this moment, dense formations of runes appeared in the sky of the underground world. Countless formation runes are oppressing the heavens and the earth, and it is obvious that the entire underground world has been completely blocked!

If Xu Ming wants to go out, he must break through the blockade!

Hundreds of purple-clothed elders and golden-clothed elders swarmed towards Xu Ming, wanting to kill Xu Ming here!

“kill!!”

Xu Ming’s spear is like a dragon, sweeping the whole world!

In fact, it is not these silver moon elders that Xu Ming is afraid of; although these elders are numerous, but Xu Ming is determined to leave, they will never want to keep them!

What Xu Ming was really afraid of was the Star Luo King who had yet to show up!

That’s a real king-level existence!

Xu Ming didn’t know how terrifying the combat power of the king-level existence was.

“I hope Mei Ying can hold Xingluo King for a little longer, so that I can take the opportunity to escape!” Xu Ming hoped that Mei Ying, who came to perform the task, would be able to do more.

suddenly-

“Submit to me!”

A rumbling and thunderous sound resounded throughout the underground world. There is no doubt that this is definitely the voice of that Star Luo King.

“Don’t think about it!” Mei Ying roared in the black fortress.

boom!

A black figure directly smashed through the wall of the black fortress and shot out! – It is Meiyang!

“Escape!” Mei Ying didn’t dare to fight at all, and instantly turned into a barely visible afterimage, escaping far away towards the edge of the underground world.

“What!?” The elders of Xingluo Island were all shocked, “This Mei Ying can escape from King Xingluo’s men?”

“Humph!” King Xingluo’s voice sounded again, “I wanted to give you a chance to become my most loyal soul servant! Since you have to struggle, then you should die!”

boom!

Immediately afterwards, a huge arm covered with golden inscriptions protruded directly from the hole in the wall that Mei Ying had knocked out; it grabbed at Mei Ying much faster than Mei Ying escaped.

It’s like catching a chick!

“No—” Mei Ying could only watch, her huge palm pinched herself.

Then...

Bang!

Yinyue tenth rank Mei Ying, like being pinched by a chicken, was pinched into nothingness with one palm!

“Hey—” Xu Ming took a deep breath as he watched, “Is this the strength of a king-level existence? It’s really too strong!”

At the same time, Xu Ming couldn’t help but sigh with emotion – his teammates are not good enough!

Now that Mei Ying is dead, Xu Ming can only face the many Silver Moon-level beings and the most terrifying Star Luo King alone!

“Boy! I didn’t expect you to hide it so deeply that I didn’t even notice it!” King Xing Luo’s words were obviously addressed to Xu Ming.

However, Xu Ming did not look back and ran away frantically! – Even if Xu Ming died here, he would still be able to regenerate his avatar. But... can not die, who wants to die?

Besides, True God Jiuyu is still in Xu Ming’s world ring! If Xu Ming died here, the True God Jiuyu would probably die with him!

escape!

Xu Ming swept away the elders of Xingluo Island who were blocking them, and tried his best to escape.

“Escape?” A figure in grey suddenly appeared above the black fortress . He just stood indifferently in the void, as dazzling as the brightest star in the night sky!

As soon as he appeared, the entire space seemed to be centered on him.

He is the King of Star Luo!

But the white-robed special envoy, who appeared right after King Xing Luo, felt overshadowed at this moment.

“Escape?” The corner of King Xingluo’s blade-like mouth evoked a touch of disdain, “Half-step kingship, you want to escape from under my nose? – I’ll show you, half-step kingship, and real How big is the gap between the king’s level!”

King Star Luo raised his arm.

This arm was covered with inscriptions and instantly became extremely huge; it was photographed angrily towards Xu Ming directly from the top of the sky.

“I can’t dodge!” Xu Ming judged instantly, and then decisively held the spear in his hand and shot up into the sky.

“Want to kill me? Then I’ll pierce your palm!”

Chapter 958: Windfall

boom!

When the tip of the spear hit the palm of his hand, King Xing Luo’s palm was intact, but Xu Ming was slammed into the sky and fell down, directly into the depths of the ground.

“too strong!”

Xu Ming was terrified!

At the moment of contact, Xu Ming felt an incomparably huge force – this is a terrifying force that is not at the same level!

After a collision, Xu Ming realized that he was not an opponent at all!

rumbling...

The huge palm slammed towards the ground where Xu Ming was located again.

This palm is full of killing intent.

“What to do!?” Xu Ming was a little anxious.

Half-step kingship, and the real kingship, the gap is really too big! Xu Ming had no chance at all to save his life under King Star Luo!

Moreover, because Xu Ming has already activated the “Soul Possession” link, he cannot continue to open other plug-ins; unless he removes the “Soul Possession” effect first!

However, if Xu Ming removed his soul possession, he would only die faster!

“What should I do? Could it be that... are we going to use the invulnerable stone now?”

If there is really no way, Xu Ming can only rely on the Wu Difficulty Stone to save his life!

“Try again!”

Instead of retreating, Xu Ming advanced, and shot his spear towards King Xing Luo’s huge palm.

There is no suspense, Xu Ming was blasted away again! However, he just took advantage of the recoil of being bombarded to quickly escape.

“Ha!” King Xingluo couldn’t help laughing, “I have an idea! – But trying to escape from me like this is too naive!”

King Xing Luo retracted his huge arm, but a ferocious sword appeared in his hand.

“Half-step kingship is not weak!” King Xingluo sneered, “In order to show respect for you, I have decided to let you die under my strongest attack!”

boom-

All the power in the surrounding space seemed to be absorbed into this sword in an instant.

Before the sword came out, Xu Ming felt as if he was being stared at by an extremely terrifying poisonous snake, and his whole body was full of coldness!

“I can’t stop this sword!” Xu Ming was very sure.

I can’t stop it, what should I do? – Then don’t stop!

Xu Ming’s mental power has “grabbed” the Wu Difficulty Stone and is ready to stimulate it at any time.

Soon, King Xing Luo’s sword’s strongest attack was ready to complete!

“Kid, listen carefully! The sword that killed you is called... the sword of world-destroying!” King Xing Luo sneered, “This sword has killed a real king-level existence! You can die here! With a single sword, it is considered honorable to die!”

boom! !

A sword out.

Xu Ming felt that everything in this world seemed to have disappeared; in the entire space, only this sword was left!

“What a weird feeling!”

“What a terrifying aura!”

Xu Ming didn’t dare to hesitate any longer, he directly took out the No Difficulty Stone, and he was about to stimulate it.

But at this moment, an elegant cyan figure appeared in front of Xu Ming without warning. He turned his back to Xu Ming and faced King Star Luo.

“Huh?” Xu Ming’s movements couldn’t help but stagnate, “This figure seems familiar!”

Immediately afterwards, Xu Ming was horrified to see that this cyan figure with his back turned to him, actually stretched out ***** calmly. Afterwards, these two light-white fingers gently pinched the World Destruction Sword that came from angrily!

Bang!

King Star Luo’s strongest attack!

The sword that once killed a king-level existence!

However, when this sword “World Destruction Sword” fell between two fingers, it was like a deflated ball, and the terrifying momentum was instantly exhausted.

“What!?” King Xingluo was so horrified—his own strongest attack, of course he knew how powerful it was! But now, in front of this mysterious figure in Tsing Yi, his World Destruction Sword is a complete joke!

What terrified King Xing Luo even more was that he didn’t even realize how this Tsing Yi figure appeared!

“Super master!”

King Xing Luo was still extremely horrified, not to mention the elders under his command!

At this time, Xu Ming finally recognized the figure in Tsing Yi.

“Su Chen!” Xu Ming shouted in surprise, “Did you accept the task of conferring the King’s Medal?”

Su Chen was once the number one master of the Silver Moon Rank in the Yanyan Sacred Mountain. Before he stepped into the king level, he swept the Baililou and other emperor-level forces and all the Yinyue-level existences, no one could match!

Su Chen and Xu Ming lived on the same mountain in Yanyan Mountain, and naturally they had seen each other.

“Yes, it’s me!” Su Chen also laughed, “Xu Ming, you really gave me a big surprise! You actually possess the combat power of a half-step king! – With your strength, you should become a real king. Isn’t it too far?”

“It’s still a long way from being a king!” Xu Ming said with a smile, “It’s just that there are some special occasions, so it’s just that the strength that can be exerted is relatively strong!”

“Oh!” Su Chen didn’t ask much—special encounters are everyone’s secret; he himself also has some special encounters.

King Xing Luo was already dumbfounded: “This master, you...”

“King Xingluo!” Su Chen shouted coldly, “You are entrenched in Xingluo Island, you have done a lot of evil, and even your soul has controlled many silver-moon-level masters! – This is the order to kill you from the Holy Emperor Palace!”

As soon as Su Chen turned his hand, a talisman paper appeared in his hand, on which was densely written the crimes of King Xing Luo.

“Sure enough!” King Xing Luo stared blankly at the talisman, “I really became the target of the Holy Emperor’s Palace! – But isn’t the Divine Realm a place where the weak eat the strong? Why did the Imperial Palace kill me because of this?”

“Just because...you are a piece of ‘weak meat’ in front of the Holy Emperor’s Palace!” Su Chen sneered, “Don’t struggle, accept the trial!”

“Accept the trial?” King Xing Luo looked terrified, and then...

boom!

King Xing Luo broke out suddenly, turned around and fled!

“In front of me, you also want to escape?” Su Chen didn’t do anything, just looked at King Xing Luo indifferently.

Just a look!

Bang!

King Star Luo immediately lost his life breath.

“Hey—” Xu Ming took a deep breath, “It’s too strong!”

One look instantly killed the mighty king-level existence – King Star Luo!

Immediately afterwards, the elders of Xingluo Island lost their vitality one by one—they were all soul servants of King Xing Luo; if King Xing Luo died, naturally these soul servants could not live.

In fact, not only the elders in the underground world, even outside the underground world, as long as they are the soul servants of King Xing Luo, all of them are buried for King Xing Luo at this moment.

“Su Chen!” Xu Ming couldn’t help but ask curiously, “What kind of strength are you... How can you be so strong?”

Su Chen smiled: “Feng Wang!”

Immediately, Su Chen said again: “Xu Ming, my mission has been completed, so I’ll go back and hand in the mission first! As for the treasures here, I’m not interested, you can do it yourself!”

Xu Ming’s eyes suddenly lit up!

Su Chen is a super expert in the existence of King Feng. He doesn't look down on such treasures, it's normal! But to Xu Ming, the treasures all over the ground are simply a huge windfall!

Chapter 959: Face Is Coming

“What's the fun of it then?”

Xu Ming said this, but his hands were not idle, and he began to put away the treasures all over the floor.

“Haha!” Su Chen couldn't help laughing, “Xu Ming, I have something to do elsewhere, so I'll go first! Look back, let's see you at Yanyan Mountain!”

“Okay!” Xu Ming cupped his hands.

Su Chen flashed away.

Xu Ming, on the other hand, picked up the treasure diligently!

You know, Su Chen, the top king, exists, but he left without taking a single treasure! In the underground world, all the red-clothed elders, purple-clothed elders, golden-clothed elders, and even the relics of the special envoy and King Xing Luo belonged to Xu Ming at this time.

“I'll take it!”

“I'll take it!”

“I'll take it!”

Xu Ming was extremely excited.

He was like a hard-working little bee, and soon turned the whole underground world upside down.

“Hahahaha... Not bad, not bad!” Xu Ming couldn't help laughing while looking at the great harvest in his arms.

Most of the treasures of Xingluo Island were accumulated in the underground world, especially in King Xingluo. Now Xu Ming is equivalent to taking all the treasures of Xingluo Island in one pot!

“I didn’t expect to come out to do a Silver Moon Medal quest, and I would encounter such a good thing!”

Of course Xu Ming knew that this time, it was mainly because of luck that he met Su Chen. Otherwise, it is impossible to have such a huge harvest!

Seeing the mountains of divine crystals in the world ring, Xu Ming counted them with a smile.

“More than 85 million...” Xu Ming’s eyes blossomed with joy – he really got rich!

but...

What is even more precious is not the eighty-five million Divine Crystals, but a small bottle in Xu Ming’s hand!

Don’t underestimate this little bottle! – This bottle contains a full bottle of spiritual essence!

One bottle is more than 2,000 drops of spiritual marrow!

You must know that every drop of divine essence is the essence extracted from the highest quality divine crystal! Moreover, I don’t know how many thousands of the most excellent divine crystals can extract a drop of divine essence!

The preciousness of the marrow can be imagined!

A small bottle of Divine Essence is more than 80 million Divine Crystals, I don’t know how many times more valuable!

“La la la! Great harvest!”

Just when Xu Ming was complacent, suddenly, a rough and strong man broke into the underground world.

“Huh?” Xu Ming couldn’t help but look at this rough and strong man – he recognized it at a glance, this is the Yinyue ninth-grade master who came to participate in the medal mission with him, called Jin Zhuang; as his name suggests, he is really strong !

Jin Zhuang did not recognize Xu Ming.

After all, when Xu Ming went to gather in Bloodlight City before, it was his disguised appearance and life breath; but now, it is Xu Ming’s original appearance.

When Xu Ming and Jin Zhuang saw each other, they couldn’t help but be stunned.

Xu Ming did not expect that someone would come so soon after he had just picked up the treasure!

As for Jin Zhuang, it was because he saw that the elders on Xingluo Island suddenly died suddenly; therefore, he hurriedly rushed into the underground world to see what happened.

As soon as he rushed in, Jin Zhuang saw the tyrannical aura on Xu Ming’s body – Xu Ming is now hanging on “Soul Possession”, which is the momentum of a half-step king!

“Huh?” Xu Ming snorted a little unhappily.

Jin Zhuang’s body was shocked: “Sorry senior, I just passed by! I’ll go now, I’ll go now!”

Having said that, Jin Zhuang left the underground world in a hurry.

“Uh...” Xu Ming didn’t take it seriously, and continued to search the underground world; he wanted to see if there were any treasures that he had missed.

...

at this time.

The entrance outside the underground world is not peaceful.

“How is it, Jin Zhuang, what did you see when you went down?” All the arrogant Yinyue-level masters even asked.

These more than a dozen masters are all here to do the “Silver Moon 7th-Rank” medal task; the weakest have the strength of Yinyue 7th-Rank, and the strong ones have reached the half-step king level!

When they saw the sudden death of the elders on Xingluo Island, they all guessed that King Xingluo was dead.

“There is an unfamiliar master with half-step king power below!” Jin Zhuang said, “However, I didn’t see the ‘King Su Chen’ you mentioned!”

“I have confirmed that it was King Su Chen who killed King Xingluo this time! However, King Su Chen’s accomplishments in order have reached an unimaginable level. It’s normal for him!” said a stern figure with a rancid stench all over his body.

“King Su Chen is a super expert in the existence of King Feng. Although he beheaded King Xing Luo, he probably doesn’t like many of Xing Luo’s treasures! Therefore, the half-step Feng Wang you saw when you entered the underground world must have Take away a lot of treasures!” Another handsome young man with a feather fan and lunjian also smiled coldly – although he is not the strongest among the gods present, he is proficient in formation techniques, so other masters vaguely regard him as the core !

“What should I do now?” Yin Li figure asked again.

“I’ll block this place first!” Young Master Jun said, “If you want to come out of the underground world, there is only one exit!”

“it is good!”

“it is good!”

Everyone agrees.

“As soon as he comes out, kill him directly!” Yin Li figure sneered.

“Beheading?” Young Master Jun sneered, “Can you have some brains? – Although you are a half-step king, it is so easy to kill another half-step king?”

“Then what should I do?” The stern figure said gloomily.

“Deterrence first! If it doesn’t work, then consider doing it!” Young Master Jun said indifferently, “But... once you do it, you must keep him here forever! Otherwise, you will provoke an enemy who is half a king. Come to us. It’s also a big hidden danger!”

...

Underworld.

Xu Ming went around a few more times to make sure that he didn’t miss a piece of divine crystal, and then he walked towards the exit with satisfaction.

“A lot of level 10 hanging points, level 11 hanging points! quack...”

Xu Ming, who suddenly became rich, really wanted to find some faces to fight!

boom!

With this extremely inflated mentality, Xu Ming rushed out of the underground world.

but...

As soon as he rushed out Xu Ming noticed something was wrong!

“Heaven...why is it dark?”

You know, before Xu Ming entered the underground world, it was still daytime. And the time Xu Ming stayed in the underground world was not very long. Why did it get dark when I came out?

“It’s a formation!” Xu Ming reacted instantly.

The stars in the dark sky are probably the eyes of this formation!

As soon as you come out, you find yourself in the formation, which is not a good thing!

“Looks like... there’s an ambush!” Xu Ming was on guard.

However, Xu Ming is not too worried. Since the opponent has set up a formation, it means that the opponent’s strength is not very tyrannical; because if it is really tyrannical, then there will be no formation at all, and it is enough to directly crush himself!

The corner of Xu Ming’s mouth couldn’t help but evoke a smile: “Just when I said I wanted to slap my face, there was a face!”

Chapter 960: Tease You To Play

boom! boom! boom! boom! ...

As soon as Xu Ming’s thoughts fell, more than a dozen tyrannical figures walked out of the dark sky.

“Ha!” Xu Ming smiled – of course he recognized these figures, they were all here to do the Silver Moon 7th Grade Medal quest.

At the same time, Xu Ming also saw Jin Zhuang, the ninth-grade Yinyue master who broke into the underground world and quickly escaped for the first time.

“This is...?” Xu Ming asked deliberately.

As the saying goes, “Rites come first before soldiers.” Of course, Xu Ming had to ask clearly before deciding what to do with these faces.

Moreover, Xu Ming also deliberately put his posture relatively weak; after all, from the “scene” point of view, the opponent’s strength is stronger than his own.

The handsome son of Yu Fan Lunjin smiled very gently: “Brother, we are here to carry out the mission of the Order of the Holy Emperor!”

“Oh?” Xu Ming glanced at the handsome young master unexpectedly; he didn’t expect that the other party would report his name as soon as he came up.

Young Master Jun added: “Our medal mission requires the use of purple star rings and golden star rings; brother, you must have collected quite a few star rings in the underground world, right?”

“Not bad!” Xu Ming did not deny it.

He wanted to see what the handsome boy wanted to sing.

“Then... can I ask you, brother, to give us these Star Luo Rings?” Young Master Jun said very politely.

“It’s easy to say!” Xu Ming said very cheerfully, “By the way! Do you only want the purple star ring and the golden star ring? Don’t you want the red star ring?”

The red star ring is worn by the lowest red-clothed elder; the purple star ring is worn by the purple-clothed elder; the golden star ring is worn by the gold-clothed elder.

“You don’t need the red ones!” Young Master Jun laughed, “As long as purple and gold are all you need!”

“Okay!” Anyway, the purple and gold Xingluo ring, Xu Ming was useless, so he just threw it away – if this group of people are satisfied after getting the purple and gold Xingluo ring, Xu Ming doesn’t mind, help me Help this group of teammates who do the medal mission with you.

If not satisfied...

Then use their faces to satisfy and satisfy Brother Ming's slap!

Whoosh!

Young Master Jun rolled over all the Star Luo Rings with a scroll of the feather fan. Afterwards, his spiritual power instantly refined these Star Luo Rings and penetrated into the rings.

"Huh?" Seeing this, Young Master Jun frowned slightly, "Why are they all empty?"

The Xingluo Ring, to put it bluntly, is the storage ring of the elders of Xingluo Island.

"I have already taken all the treasures inside!" Xu Ming said directly.

"Take it all?" Young Master Jun continued to laugh, "Brother, you can't take the treasure! We not only want the empty shell of the Star Luo Jie, but also the treasure inside before we can hand in the mission!"

Not only do you want the empty shell of the Star Luo Ring, but also the treasure inside?

Xu Ming couldn't help laughing in his heart – he also came to do the medal task, why didn't he know this rule?

This handsome young man obviously wants to use this method to deceive Brother Ming's treasure!

As for why they only want purple and gold, not red; I'm afraid it's because they don't like the red star ring – after all, the red star ring is the lowest level, and there are probably not many treasures.

Xu Ming deliberately pondered: "But...if I give you the treasure, then I'll have no treasure myself? Besides...whether you can complete the medal mission, what does it have to do with me?"

At this time, the stern figure with a rancid stench all over his body said very appropriately: "Master Zhang, what nonsense are you talking to him? Just kill him and grab all the treasures!"

Young Master Zhang, that is, Young Master Jun, pretended to say, “No, no, no! I believe that this brother is definitely willing to help us with this little favor!” Then, Young Master Zhang looked at Xu Ming, “This brother, you right?”

Xu Ming pretended to be a little scared and asked deliberately, “Only the treasures in the purple star ring and the golden star ring? You don’t want any other treasures?”

“Yes!” Zhang Gongzi said with a gentle smile, “You hand over your world ring and let us choose it! – Don’t worry, we only choose the treasures in the purple and gold star ring! We will all your other treasures. Don’t touch!”

“Is that so...” Xu Ming thought for a while, and then asked, “But, how do you know, in my world ring, which are my own treasures, and which are the treasures I took from the star ring?”

Zhang Gongzi said: “I have a way to tell the difference!”

Xu Ming took out a world ring and was about to throw it away, but suddenly he put his hand away and asked again, “Really only the treasures in the purple star ring and the golden star ring? You don’t want all the other treasures?”

“Yes! Don’t need anything else!” Zhang Gongzi said this, but in his heart he was thinking – when you deceive your world ring, what do you want to take, what you don’t want to take, isn’t it me who has the final say?

“You don’t want King Xingluo’s rings and treasures?” Xu Ming raised his brows and asked.

Zhang Gongzi was stunned for a moment, then shocked: “What did you say!? – You said that King Xingluo’s ring and treasure are also on you?”

King Xingluo, but a king-level existence! How could his net worth be comparable to those of the silver-moon-level elders?

“If I can get King Star Luo’s treasure...” Zhang Gongzi’s eyes were hot.

“Yeah! It’s on me!” Xu Ming looked at Young Master Zhang with a very “naive” expression, and at the same time he casually took out the vial of essence and played with it.

“This is...” Zhang Gongzi’s eyes straightened, “Divine essence!? A bottle full of spirit essence!?”

At the moment of seeing this bottle of spirit essence, Zhang Gongzi, Yin Li figure, Jin Zhuang, and every other expert went crazy!

A bottle of Spiritual Essence is more precious than the net worth of all of them combined!

“kill!”

Zhang Gongzi and other Yinyue-level masters violently erupted almost at the same time, killing Xu Ming.

“Brothers, don’t keep your hands! If you have any cards, take them out. You must kill him here!”

boom! boom! boom! boom! ...

One after another figure, the weakest is Yinyue seventh-rank, all of them are aggressive.

“Hahaha!” Xu Ming laughed loudly, “Young Master Zhang, didn’t you say that only needs the treasures in the purple star ring and the golden star ring? This bottle of essence is not from here. Treasure!”

“Stop talking nonsense!” Zhang Gongzi shouted angrily, “Hand over this bottle of spiritual essence! And hand over all the other treasures on your body, can I consider letting you live?”

“Hahaha, handing over the treasure to you? – I just deliberately made fun of you! You really think I’m stupid!” Xu Ming laughed and drilled directly into the tunnel of the underground world – the big one that Zhang Gongzi put down. Although the surrounding space was blocked, Xu Ming came out of the underground world, so it is of course not a problem to get back now.

“Want treasure? Then see if you have the ability!” Xu Ming’s voice was still echoing in the big formation.

“Chase!”

“Kill in!”

“There is a space blocked in the underground world, and just this exit, he can’t escape!”

boom! boom! boom! boom! ...

One after another figure, without hesitation, rushed into the underground world.
