

The Reborn Daughter Was an Able Woman with Many Identities Chapter 5 - Chapter 5 Eat Your Bitter Fruit

Chapter 5: Chapter 5 Eat Your Bitter Fruit

When they arrived at the resort, it was already dark.

They got off the car and walked into the hotel to have a check-in. At this time, Jo said, "Sister, I'm not used to living alone. Can I live with you?"

2

After saying that, Elma said with a smile, "You have grown up and still stick to your sister. But you two haven't seen each other for a long time. You can live in one room."

The two of them spoke without asking Lynn's opinion. She smiled and didn't refuse.

As soon as they finished check-in, a voice came from behind.

"Mrs. Walker, what a coincidence! You are also here for fun?"

Everyone turned around and saw John Longman behind them, carrying his suitcase, walking forward with a smile. He glanced at Lynn, and his smile deepened.

"It's Mr. Longman. What a coincidence!"

John Longman greeted Benson with a smile, "Nice to meet you, Mr. Brown."

Benson nodded slightly and ignored his hands.

John Longman looked a little embarrassed, but he didn't dare to say anything. After all, he didn't dare to offend Benson.

"Is Mr. Longman alone? Since it's such a coincidence, why don't we have dinner together later?"

"Okay, thank you."

Lynn looked at this scene indifferently. Everything seemed to be a coincidence, but she knew that it was not a coincidence.

In her previous life, she was drugged in this hotel and escaped from John Longman's control with all her might.

Later, Elma and her father told her that John Longman had a crush on her and wanted to marry her. Lynn was on the verge of breaking down.

1

John Longman was an old man of more than 40 years old. The Walker family didn't dare to offend him. Later, they have done many things and made Lynn safe and sound.

This also made her completely trust the Walker family. Under the coaxing of Elma, she transferred all her shares to Jo.

But she was sent to John Longman in the end. Unwilling to be humiliated, she chose suicide.

Different from the previous life, there was Benson in the resort. Nobody knew how things would go tonight.

Lynn smiled and the five sat down to order. At this time, assistant Liu came over and called Benson.

"Sir, I've found it out. It's not a coincidence that John Longman comes here. He has a crush on Miss Lynn. Elma wants Miss Lynn to lose her reputation in front of you."

As soon as the assistant finished speaking, a hint of gloom flashed through Benson's eyes. The Walker family was ruthless. They even wanted to do such a thing.

He couldn't imagine what would happen to Lynn if he didn't follow her...

"Then let them eat their bitter fruit."

Lynn was under his protection, and no one could hurt her!

Back to the table, Benson acted as if nothing had happened. The waiter served the dishes, on which there were wine and drinks.

Seeing Lynn drink up the juice, Elma and Jo smiled.

After dinner, they went back to their room. Jo went to the bathroom to wash her face and brush her teeth. She smiled when she thought that Lynn would be played by John and would lose her reputation in front of Benson tomorrow.

Of course, she couldn't stay in the room to disturb the two of them. After taking a shower, she changed her clothes into sexy pajamas. She didn't believe that Benson would not be indifferent to such a beautiful woman!

Jo, who was wearing exquisite makeup, felt extremely hot all over her body at the moment. She didn't think too much, probably because she was too excited.

When she walked out of the bathroom in a daze, the room was dark.

"Sister?"

No one answered. At this time, the door was opened and a figure rushed over and hugged her.

"Young beauty, I'm coming!"

Lynn didn't know what happened in the room. At this moment, she was at the door of the hotel with Benson.

"Brother Benson, why do you ask me out so late?"

After a pause, Benson thought that it was better not to let this simple girl know about the dirty things in the hotel. Thinking of this, the man said lightly, "I hear that the Cloud Mountain near the resort looks very beautiful at night. Would you like to go with me?"

"Ah, okay!"

After saying that, Benson frowned slightly and said, "Lynn, are you stupid? You can't agree to a man's invitation at night directly."

Benson just felt a headache. If she was sold one day, she might pay others back.

"I'm not stupid. That's because you are brother Benson. You're a good man and I trust you very much!" Lynn smiled and said, "Let's go to see the stars."

'Benson is so worried about me. No one can set me up now!' Lynn thought.

It was the first time that Benson had been treated as a good person. He smiled helplessly. He was not a good person. Looking at the lively girl in front of him, he suddenly had a strange feeling.

Two hours later, the two of them arrived at the top of the mountain. Benson couldn't help but take a look at Lynn, who was drinking water.

"Lynn, aren't you tired?"

"Ah, brother Benson, you underestimated me. In the past few years, I often followed my uncle and aunt to climb the mountain to collect herbs in An Xi village. Cloud Mountain is not a big deal!"

Hearing this, a hint of gloom flashed across Benson's eyes. He should have found Lynn as soon as possible, or he wouldn't have let her suffer in the countryside for so many years.

"Benson, the stars in Cloud Mountain are so beautiful!"

The two sat on the stone. The night wind blew. It was the first time that Lynn had felt so comfortable after she was reborn.

Benson didn't look at the stars but looked at the woman beside him. At this time, he felt severe pain in his body. His face suddenly changed. He didn't expect that the poison would take effect again just a day later!

Lynn sensed that something was wrong. She turned around and saw that Benson's face was pale!

She was a little stunned and asked in a hurry, "Benson, what's wrong with you?"

1

Benson took out medicine with him and swallowed it. He tried hard to hold back his pain and said, "I... I'm fine."

After saying that, he fainted.

Lynn's face changed. She put her hand on Benson's pulse, and then took out a few silver needles from the back cover of the phone, pricking his fingers.

A small amount of blood flowed out. Different from ordinary people, his blood was black.

A hint of coldness flashed through Lynn's eyes. Benson was poisoned, she didn't know what poison it was in the current situation. Therefore, this was the reason why Benson looked for Q, and who dared to poison him

To maintain the equipment, Lynn had to call assistant Liu and ask him to drive them back.

At this time, in the hotel, Elma heard a heartbreaking cry from the woman in the next room. It was known that John Longman was very cruel to play with women.

Thinking of this, she smiled and thought, 'Lynn, how can you compete with my daughter now!'
