Chapter 316 What a Good Life

In a place where Dong Xi could not see, a few Elders were also meditating.

Enlightenment was the comprehension of the Heavenly Dao and was not affected by the cultivation realm. The Elders might be able to gain something from the comprehension.

The Elder of the Heavenly Secret Pavilion looked at Master Yi Kun of the Ningtian Sect. The Elder of the Heavenly Secret Pavilion said enviously, "Ningtian Sect, what a good life."

Master Yi Kun smiled without hiding it, as if he was the one who was comprehending it.

!!

"This is all thanks to your Heavenly Secret Pavilion," said Yi Kun.

Master Yi Kun thought to himself, 'If these old guys knew that he had an Epiphany in Fotai City for half a year, would their jaws drop?'

Just thinking about this, Master Yi Kun was secretly delighted.

"This child has a bright future ahead of her," said Xuan Chen. "Please guide her well. We must not let such a talent go astray."

Master Yi Kun knew Master Xuan Chen's good intentions, but he was unwilling to listen. Master Yi Kun said, "Don't worry. This girl can comprehend the Heavenly Dao at such a young age. It can be seen that she is very clear. From her state of mind, if there are no major changes, she definitely won't make a mistake."

"That's for the best," said Master Xuan Chen.

The Green Cloud Sect Elder who was standing at the side had mixed feelings. He could only blame himself for not having Dong Xi among the disciples of the Ningtian Sect that he had intercepted and killed half a year ago.

He had paid such a huge price, compensated the Ningtian Sect with so many spirit stones and treasures, and even sacrificed a Half Immortal Artifact to kill those disciples who had nothing to do with the overall situation? How hateful.

"The road of Immortal cultivation is still very long. I wonder if Daoist Master Yi Kun heard of a particular saying?" the Elder of the Green Cloud Sect asked.

Master Yi Kun looked at the Green Cloud Sect Elder warningly, but the Green Cloud Sect Elder continued, "The heavens are jealous of talents. With such talent, I wonder if she can withstand the Golden Core Lightning Tribulation."

Master Yi Kun was also a sword cultivator. As a sword cultivator, how could he endure such provocation? Yi Kun raised his hand and a Sword Qi attacked the Green Cloud Sect Elder.

Daoist Master Yi Kun gritted his teeth and said angrily, "If no one taught you how to conduct yourself properly, I can teach you!"

The Green Cloud Sect Elder immediately took out a book and said coldly, "It's hard to say who's the one who teaches who."

Seeing that the two of them were about to fight, Master Xuan Chen said, "Don't do anything. She's awake."

Xuan Chen did not say who it was, but everyone understood.

Everyone looked at the arena at the same time and saw that Dong Xi had already stood up and cast a cleaning spell.

Master Xuan Chen was the first to react. He disappeared from the clouds and appeared on the arena.

When Dong Xi saw the monk who had suddenly appeared, she was stunned. She did not seem to know this person.

“Little girl,” Master Xuan Chen said with a smile, “I’m Master Xuan Chen of Thunder Sound Temple. You’ve been Enlightened for three months. This arena has been sealed along with you for three months.”

Dong Xi had not expected this person to be the chatterbox that Senior Brother Kong Xing had been talking about. Dong Xi was somewhat surprised. When he heard that the arena had been sealed for three months, Dong Xi said somewhat embarrassedly, “I’m sorry.”

Master Xuan Chen said, “There’s no need to apologize. Everything is fated and has its own cause and effect. To be able to gain Enlightenment here means that you are very fated with the Buddhist Sect...”

When Master Yi Kun heard Xuan Chen’s words, she immediately realized that something was wrong.

This old monk was really something. He actually poached people in front of Master Yi Kun? She even called her a ‘little girl’, making her seem so close to her? This old man!

If Xuan Chen really poached Dong Xi away, the Sect Master would shave Yi Kun’s head when he returned!

Master Yi Kun hurriedly landed on the arena and interrupted Xuan Chen’s words. Master Yi Kun said, “Little Xi, you suddenly had an Epiphany in this competition. It’s all thanks to your Senior Sister Gu Yao that she stopped. Otherwise, you would definitely have won. After the discussion of the Elders, we have decided to give Gu Yao the victory. Do you have any objections?”

Dong Xi looked at Master Yi Kun. Dong Xi shook her head and said, “No, I don’t have any objections at all. Senior Sister Gu Yao already has Sword Qi. I can’t beat her at all.”

Dong Xi knew her limits. She was at the 9th level of Qi Refinement stage, so she might be able to fight her. However, she was at the 7th level of Qi Refinement stage, so she was no match for Senior Sister Gu Yao.

“Not bad, little girl,” said Daoist Master Yi Kun with a smile. “Come, follow me back. I’ll help you consolidate your cultivation realm.”

Everyone knew that there was no problem with comprehending and increasing the cultivation realm. There was no need to consolidate it.

Master Yi Kun said this because he wanted to hide Dong Xi away, so that these old things would not try to poach her.

Everyone was very clear in their hearts, but there was nothing they could do. They could only watch as Daoist Master Yi Kun took Dong Xi away.

On the way, Dong Xi said, “Martial Uncle, three months have passed. Has the competition ended?”

Chapter 317 A Prolonged Battle

Daoist Master Yi Kun said, “It’s not over yet. You’ve occupied one of the arenas, so the progress has slowed down. The Qi Refinement stage competition has just ended. If you woke up a few days earlier, you could still watch the finals. The Golden Core stage competition is very slow. Now, we’re about to have the top 3 compete. I think we can go back after this round.”

As the competition progressed, the difference in cultivation between everyone was about the same. The competition allowed them to eat pills and use magic tools. Everyone was in a protracted battle. It was normal for a competition to last for a few days.

A few days was just a moment for cultivators. No one cared.

Top 3? Dong Xi immediately perked up and said, "My two Senior Brothers..."

!!

Daoist Master Yi Kun looked at Dong Xi and said, "They're still competing. You don't have to worry about them."

Liang Yan had been in the late Golden Core stage for many years. He might have already reached the peak of the Golden Core stage. These young people were all very shrewd and liked to hide their true strength. In addition, Liang Yan had also comprehended his own sword path, so he was very difficult to deal with.

And Song Qingfeng... Even a Nascent Soul Stage cultivator would have a headache fighting against Song Qingfeng with all his treasures.

Dong Xi immediately heaved a sigh of relief and followed Yi Kun to the meditation room. Yi Kun sat down and said, "Little Xi, you've comprehended the Dao of Time?"

Dong Xi shook her head. Daoist Master Yi Kun thought that he had guessed wrong. Dong Xi said honestly, "I'm not sure either."

If one had to say, Dong Xi felt that she was comprehending the Dao of Survival.

Daoist Master Yi Kun told Dong Xi to stay away from the other Sect Elders for the next few days because they did not have any good intentions. In the end, he told Dong Xi to leave.

Dong Xi came out and ran straight to the Golden Core competition.

This was the Golden Core stage competition, and the Qi Refining stage disciples' cultivation was too low, so they could not see anything. However, Dong Xi still wanted to cheer for her two Senior Brothers.

Dong Xi rushed to Second Brother's arena first. Song Qingfeng was wearing a long robe that was flowing with precious energy. Coupled with his outstanding appearance, he looked even more handsome.

Song Qingfeng was still using a fan. His opponent was a disciple in the perfected Golden Core stage.

Dong Xi could not see the opponent's moves clearly. She could only see crackling lights occasionally appear on Song Qingfeng's body.

It was as he was being attacked by firecrackers.

After the light disappeared, Song Qingfeng waved his fan and threw out many high-grade talismans.

Dong Xi could not help but sigh. This style of fighting was really heroic, but it was boring. The opponent could not break through Song Qingfeng's defense at all.

Dong Xi squeezed out of the crowd and walked to the next arena, where the Eldest Senior Brother was.

Eldest Senior Brother was still wearing the Ningtian Sect uniform. Dong Xi also noticed that there was a faint light on it.

Dong Xi pouted. Sure enough, this was also a special favor given by the Sect Master.

Dong Xi's guess was correct. The Sect Master would not be unprepared. Although they were both wearing sect uniforms, it was a completely different matter.

Eldest Senior Brother's clothes were probably augmented with all kinds of array formations. They were no longer ordinary sect clothes.

His opponent was a Green Cloud Sect disciple. The Ningtian Sect had been suppressed by the Green Cloud Sect for so long, and he even attacked a Ningtian Sect disciple. Liang Yan did not hold back at all in his battle.

However, the other party was not a kind person. Qi Rui's cultivation was at the perfected Golden Core Realm, just one step away from the Nascent Soul Realm.

Many Qing-Yun Sect disciples came to cheer for Qi Rui.

There were also many disciples from the Ningtian Sect who cheered for Liang Yan.

"Go!" Dong Xi stepped forward and shouted, "Go, Eldest Senior Brother!"

When Liang Yan heard the sound, he knew that Little Junior Sister had woken up. Little Junior Sister's Epiphany was not short.

Dong Xi stood below the arena and continued to shout, "Eldest Senior Brother, you can do it! It doesn't matter if you can't beat him. At the very least, you've worked hard."

Liang Yan was speechless.

Liang Yan retracted his sword and kicked Qi Rui.

Can't beat him? Swordsmen never give up!

When Liang Yan kicked, he did not forget to glare at Dong Xi.

Dong Xi acted as if she did not see it and continued to shout, "Eldest Senior Brother is mighty! I'm cheering for you!"

Qi Rui was not weak to begin with. He flipped over and dodged Liang Yan's kick. He raised his hand and a book floated in the air.

Dong Xi looked over curiously. This was the first time she saw a book cultivator.

Who knows what books these Green Cloud Sect people read every day?

Liang Yan turned his wrist, and red spiritual energy filled the long sword. Flames danced on the long sword, and one could tell that it was powerful just by looking at it.

Dong Xi recalled that when he saw the sword of his Eldest Senior Brother in Fotai City, she had been in a state of Enlightenment for half a year. Now that she saw it again, could she get another Enlightenment... Hehe...

Dong Xi rubbed her hands together excitedly. She was looking forward to the competition.

Qi Rui calmly reached out and flipped open the book.

He flipped through more than ten pages before stopping.

Dong Xi looked at this scene. Was this studying like a slacker? Flipping through a dozen pages with a wave of his hand?

Chapter 318 Sounds Very Powerful

In an instant, Qi Rui formed a complicated seal. His eyes widened as he shouted, "Sacrifice!"

Dong Xi had been looking at the arena seriously. She was sure that she did not blink, but the two people on the arena had disappeared just like that?

Before Dong Xi could be puzzled for long, the enthusiastic audience started to explain.

"You don't know this. This is our Eldest Senior Brother's Earth Mark Prison!"

!!

This name sounded very powerful.

The Green Cloud Sect disciple who spoke had a look of sharing honor and disgrace, as if he was the one who used this move.

A few honest people began to ask. Actually, there was no need to ask. This guy would tell them himself.

“This Earth Mark Prison is to bring people into their own Domain. Once they break the Domain, they can come out,” said the Green Cloud Sect disciple.

As he spoke, the Green Cloud Sect disciple gloated.

After a pause, the Green Cloud Sect disciple said again, “In this Domain, Eldest Senior Brother is a God. As long as he enters, even if his opponent doesn’t die, he’ll be severely injured.”

When Dong Xi heard this, she could not help but laugh.

He had seen people who liked to brag, but he had never seen someone who was so willing to brag.

How could there be such a crushing move when the two of them were of similar strength? Wouldn’t that become an Immortal technique?

From Dong Xi's point of view, it might be a little troublesome for Eldest Senior Brother to be brought into this Domain, but it was not to the extent that he would be severely injured even if he did not die... It was impossible.

What Dong Xi did not know was that Liang Yan was having a tough time in the Domain.

A book appeared in front of Liang Yan. It looked like the book in Qi Rui's hands.

"Don't deceive yourself when you're sincere..." an ethereal voice said.

Liang Yan was confused.

After three breaths, Liang Yan did not reply. A ruler appeared out of thin air and flew towards Liang Yan.

Liang Yan smiled when he saw the ruler. He might not be able to memorize, but he definitely had no problem fighting.

Liang Yan rushed forward with his sword in hand. Strangely, when the ruler and the sword collided, Liang Yan felt a sudden pain in his palm and almost dropped the sword.

Liang Yan observed his surroundings for a moment, but all he could see was an orange glow. He could not see Qi Rui at all.

“You’re playing tricks,” Liang Yan said.

Liang Yan used the fourth move of his sword towards the void. Liang Yan was at the Golden Core stage, so the power he used was much stronger than Dong Xi.

Dong Xi, who was below the arena, could clearly feel the arena’s protective shield shaking a few times.

Dong Xi opened her eyes wide and looked towards the arena, but she still did not see Liang Yan. Dong Xi lowered her head in disappointment.

The disciples of the Green Cloud Sect began to speak arrogantly.

“It’s useless to struggle. The Eldest Senior Brother of the Ningtian Sect will definitely lose. Our Eldest Senior Brother is already in the perfected Golded Core stage, while the Eldest Senior Brother of the Ningtian Sect is only in the late Golden Core stage. He can’t beat him at all!”

“That’s right, your Ningtian Sect will always be number two!”

“Hahaha...”

...

Dong Xi and the disciples of the Ningtian Sect were extremely angry. Everyone clenched their fists. Dong Xi looked at the arena and gritted her teeth. "Don't speak too early. The competition hasn't ended, and none of you have won."

Everyone from the Green Cloud Sect mocked, "You guys continue to be stubborn. Senior Brother Qi Rui is number one in the Golden Core stage. There's no need to doubt this."

"So what?" the Ningtian Sect disciples immediately said. "He didn't come out either. Maybe his neck was slit by Senior Brother Liang Yan."

The people of the Green Cloud Sect immediately roared, "Bullsh*t! Senior Brother Qi Rui's Domain still exists!"

...

Liang Yan did not know that they were arguing about who would win. Liang Yan heard the ethereal voice asking questions again.

Ling Yan calmly put away his long sword and cast a spell. The flames were directed at the book.

This time, the ruler did not appear to attack Liang Yan. The book quickly dodged the fireball attack.

Liang Yan suddenly understood that attacking the book was the right move.

It was just a book. If it was burned, so be it.

Liang Yan threw fire-type spells at the books again and again. Qi Rui, who was in the air, had a very bad expression.

In Qi Rui's eyes, Liang Yan was a boorish man who did not even answer his questions and went back to attacking.

Why did this guy not answer the questions properly?

If Liang Yan kept thinking about answering the questions, he would be addicted to this place. This Domain also existed by confusing the other party.

Humans could not answer all questions, but as long as they encountered a difficult problem, they would always think about it.

However, Liang Yan did not seem like he cared about the problem at all. He was too lazy to even think. Qi Rui had never seen such a person before.

Qi Rui controlled the book to dodge Liang Yan's attack while he started reading the book again.

Along with this poem, massive snowflakes appeared in the void. Any one of them was lethal.

When Liang Yan saw this scene, he immediately raised his hand and formed a seal. Liang Yan said, "Sky Full of Flames."

Chapter 319 What's the Dog Barking For?

A sea of fire suddenly appeared in the sky, and then, like a meteor shower, they fell down one by one.

The flames and snowflakes collided, creating a series of sounds.

The huge energies collided, and the Domain could no longer be maintained. In the end, it shattered.

When the noisy crowd heard the noise, they immediately looked at the arena.

When they saw Liang Yan, the people from the Ningtian Sect immediately shouted.

"Eldest Senior Brother has broken through the Domain."

“Green Cloud Sect, why are you still barking?”

The people from the Green Cloud Sect were unwilling to be outdone and shouted one after another.

“So what if you’re out? I’ll deal with you guys. What do you need to look at?”

“That’s right, your Ningtian Sect will definitely lose. Our Eldest Senior Brother is the best.”

...

Dong Xi shielded the surrounding noise and looked at Eldest Senior Brother who was standing in the arena, letting out a sigh of relief.

Not bad. He did not have any injuries and could continue fighting.

After that, Dong Xi was a little annoyed. How could he have forgotten to place her bet on Eldest Senior Brother? It was a mistake. Dong Xi had a mysterious faith in Eldest Senior Brother that he would definitely win.

Qi Rui landed from the sky, still holding a book in his hand, looking very sanctimonious.

Liang Yan could clearly see that the so-called Domain was not something Qi Rui could withstand with his current abilities. It was all because of the book in his hand. From the looks of it, this book was a very high-grade treasure.

"I'm a little tired." Liang Yan frowned.

"If you're tired, just admit defeat," Qi Rui said with a smile.

Liang Yan laughed coldly. What was Qi Rui thinking?

"What I mean is that this boring competition should end," Liang Yan said.

Liang Yan raised his hand and drew a blood sign. A drop of blood essence appeared on his fingertip and Liang Yan drew a symbol on his forehead.

Qi Rui's expression changed drastically when he saw this.

Liang Yan's aura rose steadily and stopped at the perfected Golden Core stage.

The onlookers were even more shocked. Qi Rui had no doubt that if Liang Yan broke through to the Nascent Soul Realm now, there would be no problem at all.

He did not expect that someone would suppress their cultivation just to pretend to be a weakling?

However, it had to be said that Qi Rui was in a difficult position now.

Liang Yan had already comprehended Sword Dao, and he was already on par with Qi Rui when he was in the advanced Golden Core Stage. Now that Liang Yan was in the perfected Golden Core stage, he would be even more difficult to deal with.

However, Qi Rui did not expect Liang Yan to not attack immediately. He only took the tassel off his sword.

Not only did Qi Rui not think of it, but Dong Xi did as well.

Eldest Senior Brother had lent this sword tassel to Dong Xi before. Of course, Dong Xi knew the function of the sword tassel. It could lock onto a target and was very useful when necessary.

What was Eldest Senior Brother doing with it now? Did he think that the tassel was in the way?

However, Liang Yan answered their doubts before they could ponder for too long.

Liang Yan took out a dark green stone from his storage ring.

Qi Rui reacted quickly and immediately cast a spell.

Although he did not know what Liang Yan's stone was for, Qi Rui felt that he could not let Liang Yan install this stone.

Liang Yan's reaction was also very fast. He quickly distanced himself and slashed out with his sword. Then, he quickly pressed the stone on his sword.

He did not know what this stone was, but it instantly fused with the sword.

With the addition of the stone, the longsword seemed to be upgraded. The flames at the tip of the sword became even hotter, and the surrounding air was slightly distorted.

Liang Yan rushed forward and slashed down with his fifth sword move.

When Dong Xi saw this scene, she puffed out her chest and felt very proud. This sword move was optimized by Dong Xi back then.

At this moment, Liang Yan's aura soared as he wielded his sword. Qi Rui knew that he could not clash head-on with the swordsman, so he immediately dodged. However, he did not expect Liang Yan to be even faster, and he almost instantly released a second Sword Qi.

Liang Yan's two Sword Qi seemed to be able to track Qi Rui as he ran around.

The Sword Qi came one after another, increasing to seven. Qi Rui could no longer dodge.

Liang Yan casually slashed Qi Rui off the stage.

Master Xuan Chen walked onto the arena with a smile and announced that the winner was Liang Yan from the Ningtian Sect. The people from the Ningtian Sect cheered and humiliated the people from the Green Cloud Sect who had boasted shamelessly just now.

Under everyone's gaze, Liang Yan jumped off the stage and ran towards Dong Xi.

When he arrived in front of Dong Xi, Liang Yan immediately held Dong Xi up with one hand. Without saying anything, he started to walk away from the crowd.

Dong Xi struggled a few times and said awkwardly, "Eldest Senior Brother, what are you doing? There are so many people here. It's too embarrassing."

Liang Yan did not say anything. He only put Dong Xi down after returning to the meditation room. Liang Yan said, "Who says I can't beat him?"

When Dong Xi heard this, she was speechless. She thought that she had offended Eldest Senior Brother somehow.

Chapter 320 Unparalleled in the World

So Eldest Senior Brother was here for this? Dong Xi immediately said, "I didn't say that. Eldest Senior Brother is the best. He's unparalleled in the world. How can he lose? I absolutely don't believe it."

Dong Xi praised for a long time, but Liang Yan's stare made her feel guilty. Dong Xi stuttered and could not continue.

"Then tell me, did you bet on me winning?" Liang Yan asked.

"?"

!!

Umm... Did Dong Xi dare to say it out loud?

Liang Yan looked at Dong Xi's expression. How could he not know? Liang Yan's expression instantly turned ugly. He said, "You didn't even bet on me winning. How can you say you trust me?"

Dong Xi was like a mute person. She had no way to speak of her bitterness. Dong Xi sighed lightly and said, "Eldest Senior Brother, do you believe me?"

Without waiting for Dong Xi to finish, Liang Yan said, "I don't believe you."

Dong Xi was stunned for a moment, then she immediately said firmly, "If you don't believe me, I'll say it too. It's not that I don't want to bet on you, but I just woke up. I don't have the chance to buy anything."

Liang Yan furrowed his brows before relaxing.

He had almost forgotten that Little Junior Sister had been having an Epiphany all this while.

"How is Song Qingfeng?" Liang Yan changed the topic.

Dong Xi said, "I don't know. I just went to take a look. The opponent was very miserable. He couldn't break Second Senior Brother's defense at all. There was nothing to see. So, I went to see you."

Liang Yan's expression improved a little, as if he had finally suppressed Song Qingfeng for once.

"Eldest Senior Brother, what was that stone you took out at the end?" asked Dong Xi.

Liang Yan did not want to say anything.

However, the more Liang Yan did not want to say it, the more someone spoke on his behalf. Song Qingfeng came in from outside and said, "That's Second Senior Brother's birthday gift to Eldest Senior Brother."

When Dong Xi heard the voice, she hurriedly raised her head and saw Second Senior Brother, who had an outstanding bearing, walking over in a carefree manner.

"How is it, Eldest Senior Brother?" Song Qingfeng asked. "Is it useful? It's too rare. You've kept it for more than 80 years, and you're finally willing to take it out and use it..."

Dong Xi looked at the Eldest Senior Brother in shock. Liang Yan's face was expressionless and he did not respond to Song Qingfeng. Liang Yan looked at Song Qingfeng and said, "You won?"

"What's there to be confused about?" Song Qingfeng asked. "I already said that this kind of competition is very boring, but Master forced me to come."

Song Qingfeng had a helpless expression.

"Don't you want to go to the mortal world?" Liang Yan asked.

Song Qingfeng smiled. He looked calm, but it made him seem abnormal.

“Why must we go to the mortal world?” Liang Yan asked.

“Si Kong has been gone for so long.” Song Qingfeng raised his eyebrows. “I’ll go look for him.”

“Do you believe that?” Liang Yan snorted coldly.

When Dong Xi heard the name Si Kong, she felt like she had heard it somewhere before. However, after thinking for a long time, she could not remember.

“Senior Brothers, who is Si Kong?” asked Dong Xi.

“He’s the Third Senior Brother,” Song Qingfeng said with a smile.

Dong Xi instantly remembered. She said, “It’s Third Senior Brother!”

No wonder it sounded familiar.

Liang Yan saw that Song Qingfeng did not want to say more, so he did not ask further. He chased the two of them out and said, “Go back and have a good rest. The finals will be held tomorrow. After that, we can return to the sect.”

Song Qingfeng did not care about the finals. Master had said that as long as he could get into the top 3, he could go to the mortal world.

Dong Xi returned to the meditation room and sat down on the mat, deep in thought.

After a long time, Dong Xi opened his eyes wide and muttered to herself, "I remember now."

Si Kong was Dong Xi's Third Senior Brother. There were only a few lines in the original book.

Dong Xi had read the original book and found that Dong Rourou was the main character. Everything started eight years later.

The book said that Si Kong was the emperor of the mortal world and cultivated the path of the Human Emperor.

Dong Xi was shocked. She did not expect that there was a Senior Brother who was an Emperor!

Master's attitude towards her two Senior Brothers was very subtle. Dong Xi had been in the sect for more than two years and had never seen her Third Senior Brother. Master also looked indifferent.

If Second Senior Brother wanted to go to the mortal world, he had to get into the top 3 in the competition.

Dong Xi felt that there must be a lot of unknown stories in this. The mortal world... The original body's home was in the mortal world.

If Dong Xi had been a little more ruthless and killed Dong Rourou before she grew up, she would be able to rest easy, right?

However... Dong Xi could not do it.

Dong Xi only wanted these eight years. When the eight years were up, Dong Rourou would return, and Dong Xi would leave on her own.

At dawn the next day, Dong Xi finished her cultivation and ran to the arena.

Dong Xi had never seen Eldest Senior Brother and Second Senior Brother compete.

In any case, it did not matter who won. Dong Xi was happy. The first place would be the one from Lingxu Peak!

At this moment, there was only a huge arena in the square. There were people around it, and most of them were disciples of the Ningtian Sect.
