Chapter 361 You Tricked Me

Who would have thought that after disappearing for three months, Dong Xi would actually run into him?

Thank you readers!

“Alright, you can leave first,” Dong Xi waved her hand and said.

“Yes,” said Xiao Han.

Seeing Xiao Han leave, Dong Xi angrily took out a communication jade slip and sent a message to Senior Brother Shu Fa.

[Senior Brother, are you there?]

Shu Fa replied after a moment.

[Junior Sister, what’s the matter? Did you find Qiao Xiaoyan?]

Dong Xi wrote two words and stopped. She could not help but send a voice message. Dong Xi said, "Senior Brother, you tricked me, didn't you? Qiao Xiaoyan had Wuma by her side. How could something happen? Wuma is an early-stage Golden Core cultivator, and your Junior Sister is just a Qi Refinement trash. You want me to accept a mission? Hmph, I want to complain to Master!"

Shu Fa might be afraid that Dong Xi would really complain, so he immediately replied to the voice message. Shu Fa said, "What is it? Qiao Xiaoyan had a Golden Core expert following her? Zhaofeng City Lord didn't tell me this. It's my negligence, I apologize to you."

Dong Xi heard the voice message and said coldly, "If an apology works, why do I need Master?"

Shu Fa, "..."

Dong Xi continued to send a voice message. "This mission can be given to whoever you want. I'm not doing it anyway."

"Junior Sister, half of the reward will be deducted if you fail the mission. Have you thought about it?" Shu Fa said.

Dong Xi was speechless.

Right now, Dong Xi only had a few hundred points. If they deducted the reward, she would still owe the sect a lot of points. In the past six months, Dong Xi had been outside and had not refined many pills. She did not have any stock at all.

Shu Fa sent a voice message again. "Junior Sister, this is Senior Brother's dereliction of duty. Wait in Qinan City. Senior Brother will go over to help you now."

Dong Xi, "?"

"Senior Brother, do you want to get a share of the reward too?" Dong Xi sent a voice message.

In order to increase credibility, Shu Fa sent a voice message saying, "No, Senior Brother is not that... Poor."

Dong Xi was speechless.

Was it appropriate to use poverty on Dong Xi? Just the token given by Second Senior Brother alone could be used for 1,000 top-grade spirit stones every month, not to mention that the Big Snake had given him half a spirit vein.

Hehe, Senior Brother Shu Fa really knew nothing.

Shu Fa said in a voice message, "It's alright. Fellow Daoist Mo Han has read my fortune. He said that it's not suitable to do it this month."

Heh... To pick an auspicious day to deal with the demon race, these Sect Masters were really too particular.

“Then I’ll have to trouble Senior Brother to come over,” said Dong Xi via voice chat.

...

Dong Xi could not stay in the Rainbow Store forever. She had used 1,000 top-grade spirit stones to exchange for a high-grade spirit tool that could change her appearance. Not to mention a Soul Formation cultivator, even a Form Synthesis cultivator would not be able to discover it.

Dong Xi casually walked on the street and found that there was a cultivation field for body refinement here. However, one had to pay 20 low-grade spirit stones to enter.

Dong Xi was very curious about which one was better to use, this cultivation ground or the sect’s sword-testing stone.

The training field was filled with Gravity Stones. Dong Xi had just entered and was completely unprepared. She immediately knelt down due to the force of the gravity.

When the group of people saw Dong Xi like this, they immediately burst into laughter.

“This is a newcomer.”

“The first time we’re meeting, and you’re already giving me a big bow?”

“Kid, you’re quite polite! Hurry up and get up, hahaha.”

...

Dong Xi silently stood up from the ground and stretched her body. She felt that it was worth the spirit stones.

Dong Xi did not have many body refiners around her, so she could not learn much. However, this place was different.

When Dong Xi saw others practicing their legs, she would follow suit. When others practiced their arms, she would secretly learn from them.

A day passed. Dong Xi left reluctantly until night fell.

If they were allowed to spend the night here, Dong Xi would want to stay here for an entire month.

After leaving, Dong Xi thought of the Green Bamboo Wine. After tempering her body, the effect of drinking the wine was quite good. She turned around and walked towards the small tavern.

Every time he walked far away, Dong Xi felt that something was wrong. She quickly circulated her cultivation technique as if she was warning him.

Dong Xi dragged her tired body and saw a man holding a sword at the end of the street not far away. He looked at Dong Xi coldly like a demon beast preparing to hunt.

This person had a scar on his face, and it was a ghastly sight.

That's right, Dong Xi had seen this person before. It was in Zhao Shurou's courtyard.

It was the man who had been hung up and was on the verge of death.

The two of them looked at each other and did not speak. Dong Xi had an inexplicable premonition.

This man was here for Dong Xi.

Dong Xi stopped and did not turn around to escape.

The rules of the Qinan City forbade fighting. Even Soul Formation cultivators had to abide by this rule, let alone these low-level cultivators!

Chapter 362 Shock

Of course, rules were rules. If this person had directly captured Dong Xi and killed her in private, no one would have found out.

Thank you readers!

Dong Xi secretly took out the Speed Talisman and stuck it on her body. If something went wrong, she would immediately run away.

However, before she left, Dong Xi felt that she could talk to this man.

Dong Xi was very sure that the person she saw in the courtyard was this man. Zhao Shurou had treated him so badly, so how could he still risk his life for Zhao Shurou?

Although Dong Xi had some guesses, she would only know if it was correct after testing it out.

The man was surprised to see Dong Xi walking over instead of running away.

What surprised the man was what happened next.

Dong Xi walked forward and looked at the man. She said calmly, "Wuma?"

Wuma, "?"

...

Dong Xi did not trust the shops outside. In the end, she brought Wuma back to the Rainbow Store.

The two of them sat face to face. Dong Xi could not bear to use the good work Second Brother left to entertain Wuma, so she could only give Wuma a bowl of the Green Bamboo Wine she had bought.

Wuma saw Dong Xi take a sip. Wuma picked up the bowl and finished it in one gulp.

"Did Zhao Shurou ask you to come?" asked Dong Xi.

Dong Xi looked at Wuma, her tone was very certain.

Wuma leaned back in his chair and looked at Dong Xi.

It seemed that everyone had underestimated the little girl. This girl's strength and background were not that simple.

It was also because of this that Wuma came back with Dong Xi. Wuma faintly felt that Dong Xi might really be able to help.

"That's right," Wuma nodded.

Dong Xi saw that Wuma was so cooperative and said, "How did you recognize me?"

"Your eyes," said Wuma.

His appearance could change, but his eyes would never change.

"Nonsense, I only glanced at you." Dong Xi said in disbelief.

"And hair," said Wuma again.

"Where is Qiao Xiaoyan?" asked Dong Xi.

Wuma said excitedly, "The City Lord sent you?"

"You can say so." Dong Xi shrugged.

"It's a long story," Wuma sighed.

Wuma was originally Qiao Xiaoyan's personal bodyguard. The two of them had developed feelings for each other over time. If Qiao Xiaoyan wanted to become cultivation companions with Wuma, the Zhaofeng City Lord would naturally not agree. After all, Wuma was a Golden Core guard.

Qiao Xiaoyan had the temper of a young lady. When she saw that her father did not agree, she eloped with Wuma.

Zhaofeng City Lord was furious and threatened that he would never have a daughter like her.

Three months ago, Qiao Xiaoyan's life token suddenly cracked. The City Lord of Zhaofeng City sent people to contact Qiao Xiaoyan and Wuma, but they could not reach them at all. The City Lord of Zhaofeng City immediately panicked.

There was no news from the people he had sent out to find her. With no other choice, Zhaofeng City Lord asked for help from the Ningtian Sect.

When this mission was being graded, he accidentally mixed this difficult mission into the D-grade mission pool, and was then assigned to Dong Xi.

“What a touching love story!” Dong Xi said. “Qiao Xiaoyan was in danger? You can’t even save her with your Golden Core cultivation?”

Qiao Xiaoyan and Wuma, one was a Golden Core cultivator and the other was a Foundation Establishment cultivator. They actually sent Dong Xi, who was at the Qi Refinement stage, to save them? Was this a joke?

Wuma’s expression was gloomy as he said, “That day, I was at the Rainbow Store and helped the young lady get the jade hairpin. Zhao Shurou took a fancy to me... Zhao Shurou grabbed the Young Miss and forced me to submit...”

At this point, Wuma seemed to be at a loss for words. Dong Xi said, “So, you followed Zhao Shurou?”

“If I can save Young Miss, I don’t mind dying.” Wuma shook his head and said, “But Young Miss said that if I do anything against my will to save her, Young Miss will self-destruct and her soul will be destroyed.”

When Dong Xi heard this, she felt extremely emotional. Qiao Xiaoyan was also a staunch woman.

“So, Qiao Xiaoyan is in Zhao Shurou’s hands?” asked Dong Xi.

“That’s right,” Wuma nodded.

“So, Zhao Shurou used Qiao Xiaoyan to force you to come and capture me?” asked Dong Xi.

Wuma nodded.

Dong Xi sighed and fell into deep thought.

“In that case, bring me back,” said Dong Xi after a long time.

Wuma did not expect Dong Xi to say this. He raised his head and looked at Dong Xi in disbelief.

“You will die,” said Wuma.

Of course, Dong Xi knew that Zhao Shurou did not want Dong Xi to live. It was just that Dong Xi had escaped.

Dong Xi said righteously, “It’s fine. I’ll sacrifice my life for justice.”

Wuma did not make a move. Wuma said, "Fellow Daoist, neither I nor Young Miss would do such a thing."

Chapter 363 Detailed Discussion

Dong Xi looked at Wuma's serious expression and was very satisfied.

Thank you readers!

There was nothing wrong with helping such a person. She was afraid of those who stabbed him in the back.

Wuma said, "You don't have to be anxious. Listen to me properly. This matter needs to be discussed in detail. Do you know where Qiao Xiaoyan is?"

Hearing Wuma's words, Dong Xi immediately took out a pen and paper and drew a simple map.

Then, he handed it to Wuma to see and let Wuma supplement and perfect it.

"Qiao Xiaoyan is trapped in this barrier?" asked Dong Xi.

"That's right," Wuma nodded.

Dong Xi casually took a stool and drew a very complicated array on it with blood.

“Do you have a blank formation plate?” asked Dong Xi.

Wuma shook his head. Dong Xi was not in a hurry. She opened the door and asked Xiao Han to send over two low-grade blank formation disks.

They could have anything they wanted in the Rainbow Store.

Dong Xi carved the formation into the formation disk. After she succeeded, she handed the formation disk to Wuma.

“Place this outside the barrier. I’ll help you save Qiao Xiaoyan,” said Dong Xi.

In an instant, Wuma felt that Dong Xi was an expert.

“Is this really possible?” Wuma asked excitedly. “Can she really be saved?”

“I don’t know if we can save her or not,” said Dong Xi. “At least we can get her out of the barrier without alerting anyone.”

Dong Xi had experimented with the giant snake before, so it could not be fake.

Wuma heaved a sigh of relief and said, "Alright, as long as we can get out of the barrier, it will be much easier to get out of the Zhao Manor. When will we make our move?"

"Don't worry. We still need a helper. Wait a minute. This is the perfect time to perfect the escape plan," said Dong Xi.

"How many days did Zhao Shurou give you?" asked Dong Xi.

"Five days," said Wuma.

Dong Xi nodded, then took out her communication jade slip and urged her to hurry up.

This time, Dong Xi almost did not recognize him. With tears in her eyes, she said, "You... Are you Senior Brother Shu Fa?"

Shu Fa looked at the little Junior Sister in front of him who was dressed like a boy and had shaved her head. He was a little speechless.

"If you're Dong Xi, then I'm Shu Fa," Shu Fa explained.

Dong Xi removed the magic tool on her body and revealed her true appearance.

She grew a little taller and slimmer. She was still bald. This time, Dong Xi did not want to expose her hair, so she shaved her head.

However, Dong Xi had never expected that Senior Brother Shu Fa would be even more ridiculous. He had actually turned into a charming beauty. This figure, this appearance... He was almost prettier than Senior Sister Gu Yao.

Shu Fa also removed his disguise, and a person wearing the uniform of a Ningtian Sect disciple appeared.

When Dong Xi thought of Senior Brother's charming appearance just now, she could not help but think of a word, 'sanctimonious'!

"Senior Brother, why are you dressed like this?" Dong Xi asked in confusion.

"I heard that Madam Zhao Shurou is very attractive. I have to be careful," Shu Fa said seriously.

Dong Xi was speechless.

Dong Xi wanted to say that Senior Brother Shu Fa was worrying too much, but when she thought about how Zhao Shurou had taken a fancy to Dong Tianya and how her taste was not that good, Senior Brother Shu Fa's worry was understandable.

Thinking of this, Dong Xi suddenly became nervous. Looking at Shu Fa, Dong Xi said, "Senior Brother, do you think Zhao Shurou sent people to capture me because she likes me?"

"Junior Sister, you're thinking too much." Shu Fa couldn't help but laugh.

Dong Xi, "..."

Senior Brother Shu Fa was really not polite.

Since the helper had arrived, Dong Xi called Wuma over. The three of them began to discuss. Wuma looked at the charming Fairy beside Dong Xi and nodded his head, which could be considered as a greeting.

Dong Xi told Shu Fa about the plan she had discussed with Wuma. Shu Fa was also very surprised after hearing it.

Shu Fa faintly felt that even if he did not come, Junior Sister Dong Xi could still save her.

No wonder those Martial Uncles, Song Qingfeng, and Liang Yan were all so nice to Junior Sister Dong Xi. She had such a unique way of thinking.

And she was very special.

Shu Fa held the map that Dong Xi drew. Shu Fa looked at it for a long time before saying, "Junior Sister, is this really feasible? What if the replacement method doesn't work?"

Dong Xi shook her head and said, "I've tried. It should be fine. Even if it doesn't work, it's fine."

"But how do you know that Qiao Xiaoyan is the only one here?" Shu Fa asked.

Dong Xi did not answer, but turned around to look at Wuma.

Wuma immediately said, "I've already checked. Young Miss is the only one in the array. Occasionally, some maids will go in. It won't be long before they come out. These maids' cultivation levels aren't high either."

Dong Xi simply and roughly took out a wooden basin and two empty jars of Green Bamboo Wine. "If the person who is swapped out isn't Qiao Xiaoyan, Senior Brother, you can handle it. We can continue to swap."

Shu Fa, "..."

Chapter 364 Protective Treasures

“How do I leave the residence after the replacement?” Shu Fa asked. “Have you thought it through?”

Thank you readers!

“Of course, I’ve already planned it out. When the time comes, Senior Brother will hold Zhao Shurou back while the three of us run.”

Shu Fa, “...”

Shu Fa squeezed out a smile and said, “Junior Sister, you really don’t treat Senior Brother as an outsider.”

Dong Xi smiled and Shu Fa continued, “Then have you ever thought that Senior Brother might not be able to beat Zhao Shurou?”

“There’s a high chance that he’s not a match for her,” said Dong Xi. “But Senior Brother, you’ve come so far. It’s impossible that the Immortal Sect Master didn’t give you any protective treasures, right?”

Shu Fa was silent again. Shu Fa had always thought that he was smart, but he did not expect that he would be schemed against one day. Dong Xi was indeed Song Qingfeng’s Junior Sister, the two of them were completely the same.

Shu Fa raised his head and saw Dong Xi's smiling face with ill intentions. He immediately understood.

"Little girl, how can you tease your Senior Brother like that?" Shu Fa said helplessly.

At this moment, Dong Xi became serious. Dong Xi said, "Senior Brother, don't worry. No matter how powerful the restrictions in the Zhao Manor are, you can just follow them. When the time comes, I'll just substitute them for you outside. The garden in the southeast corner is not bad."

As Dong Xi spoke, she raised her hand and pointed to Shu Fa on the map.

Shu Fa also understood what Dong Xi meant. Dong Xi had no intention of entering the Zhao Manor.

Thinking of Dong Xi's cultivation, Shu Fa felt that it was better not to let Dong Xi enter.

If something really happened, Martial Uncle Lingxu and those few disciples would definitely make Shu Fa pay the price.

Dong Xi once again took out his storage ring and found three spirit talismans to distribute to Shu Fa and Wuma.

“This talisman can conceal one’s aura and shield one’s divine sense,” said Dong Xi. “It only lasts for the time for an incense stick to burn. You must be careful.”

As he spoke, Dong Xi handed the extra piece of paper to Wuma. After Wuma rescued Qiao Xiaoyan, he will paste it on Qiao Xiaoyan’s body.

The three of them went to the Zhao residence one after another. Wuma took the token given by Zhao Shurou and walked in. Then, she used the Substitution Spell to send Shu Fa into the southeast corner of the Zhao Manor. She aimed to swap Senior Brother Shu Fa with a stool in the manor.

Seeing Shu Fa disappear and be replaced by a stool, Ma Wu’s heart relaxed.

Their first attempt succeeded, which greatly boosted their confidence.

The two of them followed the map and found the place where Qiao Xiaoyan was imprisoned. They searched around, dealt with the guards, and threw the stool inside.

Qiao Xiaoyan was a little puzzled when she saw a stool appear out of thin air. She went forward to pick the stool up.

Unexpectedly, the moment she touched the stool, the world spun and Qiao Xiaoyan appeared in front of the person who had been thinking about her day and night.

Qiao Xiaoyan was extremely delighted. She ignored the shackles on her body and charged straight at Wuma.

Wuma hugged Qiao Xiaoyan and looked at the other places sensibly.

She seemed to be unhurt.

“Let’s go, we’ll leave first,” said Wuma.

Everything seemed to be going very smoothly. Just as the few of them were about to reach the southeast corner, a huge divine sense swept over.

Shu Fa and Wuma had high cultivation levels and could still resist. However, Qiao Xiaoyan was forced to the ground by the pressure of this divine sense.

Wuma released his divine sense to envelop Qiao Xiaoyan. Even so, the two of them were still unable to move an inch.

This... What should he do? Could it be that they were all going to be captured and brought back?

Both of them had spirit talismans on them. Logically speaking, they should not have been discovered. However, Qiao Xiaoyan had just come out and Zhao Shurou had already discovered her.

The only explanation was that there was a warning array in the room.

Wuma looked at Shu Fa and said, "Fellow Daoist, if you can leave, you should leave quickly. Zhao Shurou wants to deal with us. If you don't leave... I'm afraid ..."

As soon as she finished speaking, Zhao Shurou had already arrived on top of them.

Zhao Shurou looked at Shu Fa with a sharp gaze. Zhao Shurou said lightly, "Bringing a big beauty to save a little beauty? Wuma, your luck with women is not bad..."

Wuma gritted his teeth and resisted the pressure of the Soul Formation stage. Wuma shouted angrily, "What does it have to do with you?"

Zhao Shurou looked at Qiao Xiaoyan, who was in Wuma's arms. She smiled sinisterly and said, "Little Beauty, how is it? I said before that men are unreliable. Look, you've found an even prettier one after going out for a few days."

Qiao Xiaoyan wanted to curse her, but she could not say anything under the absolute pressure.

Shu Fa was at the Nascent Soul stage and was more powerful than Wuma.

But now, Shu Fa was also very hesitant. If Shu Fa was alone, he would definitely be able to escape. However, Wuma and Qiao Xiaoyan would fall into Zhao Shurou's hands again. Even if they did not die, they would most likely be skinned.

Even if he brought Wuma and Qiao Xiaoyan along, Shu Fa might not be able to escape.

The moment Shu Fa hesitated, a deafening sound came from above, and the ground shook.

Everyone looked over and saw a huge wind blade landing on the protective shield.

Chapter 365 Where Did The Helpers Come From?

This was not the end. Following that, waves of losses crashed over. In an instant, the protective barrier was on the verge of shattering.

Thank you readers!

At this moment, Zhao Shurou could not care less about the three little fellows and immediately flew out. Zhao Shurou shouted, "Who dares to make an enemy of my Zhao Manor?!"

Two cultivators appeared in front of Zhao Shurou. Looking at the commotion just now, they knew that these two were at the Soul Formation stage.

“Zhao Shurou, die!” One of the old men gritted his teeth and said.

Zhao Shurou roared, “The two of you? You want to kill me?” Dream on!”

!!

...

Shu Fa saw that Zhao Shurou could not estimate them at all, so he immediately said, “Hurry up and leave.”

Shu Fa and the others successfully arrived at the southeast corner. Dong Xi used a wooden basin and a wine jar to swap them out with the Substitution Spell.

Looking at the sky, Dong Xi waved at Shu Fa and the others. Dong Xi said, “Quick, follow me.”

Dong Xi led the way, but Wuma had to use all his strength to keep up.

He was not surprised by the Substitution Spell, but he was very envious of Dong Xi for having the movement technique of Earth Shrinking.

When they entered the Rainbow Store, everyone heaved a sigh of relief.

Qiao Xiaoyan took a sip of tea and looked at the little baldy in front of her.

“What happened?” Shu Fa asked. “Where did the helpers come from?”

“Senior Brother, I don’t know if you’ve heard that money can make the world go round,” said Dong Xi with a smile.

Shu Fa frowned. It was not that he did not believe it, but...

“Do you have something that can tempt a Soul Formation cultivator?” Shu Fa asked curiously.

Dong Xi shook her head.

“Of course not,” she said. “I’m such a poor person...”

Shu Fa, “...”

She was still holding a grudge.

Dong Xi looked at Qiao Xiaoyan who was standing at the side. Dong Xi smiled and said, "I don't have it, but the best father in the world does."

Qiao Xiaoyan was speechless.

Qiao Xiaoyan reacted and said excitedly, "You mean, my father sent those people? My father... Didn't he say that he wanted to sever our father-daughter relationship?"

Dong Xi was a little envious. In her two lifetimes, all the fathers she met were scum.

In her previous life, her father had abandoned her mother the moment Dong Xi made a move.

When her mother died young, Dong Xi went to an orphanage.

In this life, her father had more than 30 concubines. No matter how many children he used, he might not remember them.

Qiao Xiaoyan did not say anything. After this experience, Wuma was still a little afraid. He said, "Miss, let's go back."

“Go back? You know that my father won’t let us be together. You want me to go back?”

Qiao Xiaoyan was extremely furious. When she saw Shu Fa at the side, Qiao Xiaoyan instantly broke down.

Qiao Xiaoyan raised her hand and pointed at Shu Fa. She said, “Is what Zhao Shurou said true? You left for a few days and found another woman? Do you like this woman? If it’s true, I’ll leave now and give up my seat for her.”

Shu Fa, “...”

What was this? If he had known earlier, he wouldn’t have come.

After making such a long trip and not helping much, he was even forced to get involved in a love triangle?

When Dong Xi heard these words, she laughed without giving him any face.

Qiao Xiaoyan’s expression was extremely ugly as she said, “Little Master, I don’t blame you Buddhist cultivators for not understanding feelings. I hope you won’t meddle in this matter.”

When Dong Xi heard this, she could not stop laughing.

Shu Fa helplessly took down his magic tool. His tall figure was revealed. Shu Fa said, "I'm sorry, I didn't want to hide it, I was just afraid of Zhao Shurou."

Qiao Xiaoyan immediately understood what he meant.

Qiao Xiaoyan's face instantly turned red when she thought of her earlier behavior and those words.

No matter what, this was her savior. How could she say that?

Qiao Xiaoyan bowed and said, "I'm being unreasonable. I apologize to you. Please don't take it to heart."

Shu Fa waved his hand, indicating that it was alright.

"Fellow Daoist, if the two of you are truly in love with each other, you should go back and have a good talk with the City Lord. The City Lord is doing this for your own good," said Dong Xi.

Qiao Xiaoyan nodded and looked at Dong Xi. Qiao Xiaoyan said, "Little Master, I have another question."

“Please speak, Miss Qiao,” said Dong Xi.

“How did you find my father?” Qiao Xiaoyan asked.

Qiao Xiaoyan did not believe that a young monk could have her father’s spiritual connection.

“It’s very simple. I’ll send a message at the square saying that I have a clue about you. All I have to do is wait for your father to come to me,” said Dong Xi with a smile.

Qiao Xiaoyan fell into deep thought. Dong Xi watched Shu Fa use his longsword to cut off Qiao Xiaoyan’s shackles and personally sent the two of them downstairs.

After the two left, Shu Fa said, “City Lord Qiao is a good father. If it weren’t for those two who sensed it in time, I’m afraid none of the three of us would have escaped.”
