Chapter 396 Tell Us Everything You Know

When the attendant saw the spirit stones, he smiled and said, "Dear customer, if you have any questions, I will tell you everything I know."

"Not bad. I'm just curious about who the Young Miss of the Shangguan family is," Dong Xi said with satisfaction. "Why are you still playing such tricks in the mortal world in the cultivation world?"

The attendant was immediately overjoyed. He could earn so many spirit stones with something that everyone knew. It was a bloody profit!

"This isn't a secret. Everyone in the Void Sea knows about it," said the attendant.

It turned out that the Shangguan family's ancestor was at the late stage of the clone realm, but his wife was a mortal. When he gave birth to his daughter, she died because of a difficult labor process.

Unfortunately, the daughter he left behind was also a mortal and did not have spirit root.

The Shangguan family's Patriarch did not want to see the younger generation passing away earlier than the older generation, so he looked around for some treasures to extend his daughter's life.

The Young Miss of Shangguan should be in her forties now, but she still looked like an 18-year-old girl.

There were also people who came to propose marriage, but they were all rejected by the Shangguan family.

The reason was that the Shangguan Patriarch wanted to find a live-in son-in-law for his daughter, so he ended up doing this in the mortal world.

In the cultivation world, there was a lot to be said about throwing embroidered balls. Everyone had cultivation. In the end, what was snatched was not only luck, but also cultivation. It was not bad for such a person to be the son-in-law of the Shangguan family.

As for those who were fighting to become live-in son-in-law, their thoughts were very simple.

Miss Shangguan was a mortal. Even if she could rely on treasures to extend her life, she would only live for more than a hundred years at most.

When Miss Shangguan died, Shangguan Patriarch could only nurture this son-in-law.

After all, this was his father-in-law at the Soul Formation stage who could extend the lives of mortals. If he inherited the mantle, he would definitely have great achievements in the future.

When the attendant said this, his eyes lit up. The attendant said, "I'm not afraid that you'll laugh at me. When we go out later, I also want to try my luck."

Although he knew that his cultivation was not enough, but...What if he was lucky?

If the attendant was lucky enough to get the embroidered ball, every day would be a good day.

Tie Zhu was a little confused when he heard the attendant's words. Tie Zhu said, "It's understandable that Shangguan Patriarch doesn't look at cultivation when choosing a son-in-law. But why doesn't he look at age?"

"Shangguan Patriarch said that the one who gets the embroidered ball is chosen by the heavens for Miss Shangguan," said the attendant. "No matter what cultivation level or age, the Shangguan family will recognize it."

The attendant was getting more and more excited, as if he could really catch the embroidered ball.

When Tie Zhu heard this, he looked at Dong Xi and Rui Ming. "Junior Brother, Junior Sister, I'll go take a look too. Are you guys coming?"

Dong Xi, "?"

Dong Xi was silent. What was wrong with this Senior Brother Tie Zhu?

“Senior Brother, you also want to snatch the embroidered ball?” asked Dong Xi.

“There’s no restriction anyway. It’s fine to try.” Tie Zhu nodded.

Dong Xi bit her lip and looked helpless. Tie Zhu finally reacted. Tie Zhu said, “Junior Sister, we... do we have to do anything today?”

“It’s nothing. You can go,” said Dong Xi helplessly.

Dong Xi had yet to find any clues about the Ice of Extreme Frost. She would wait for more information.

After Tie Zhu left, Dong Xi wanted to ask Rui Ming to rest in his room while she went out for a walk.

Dong Xi had just stood up when Rui Ming also stood up.

“Senior Brother, didn’t I tell you to rest here?” Dong Xi frowned.

“I don’t trust you,” said Rui Ming.

Dong Xi tried to persuade him, but Rui Ming refused. In the end, the two of them went out together.

Dong Xi wanted to find someone to inquire about the news, but there was no one along the way.

Dong Xi and Rui Ming looked at each other. Dong Xi said helplessly, "Hmm... Everyone went to snatch the embroidered ball."

Rui Ming's expression was a bit complicated. Rui Ming said, "Junior Sister, what should we do?"

"Let's go and take a look," said Dong Xi after thinking for a moment.

There were people in front of the Shangguan family's door. Dong Xi searched for a long time in the crowd, but she could not find Senior Brother Tie Zhu.

Dong Xi had never seen such a scene in two lifetimes. Dong Xi looked at the Shangguan family with interest. The second floor was surrounded by a circle of incandescent stones.

There was a red lantern on each of the guardrails at a certain distance. It was very festive.

A group of maids stood on both sides with flowers in their hands.

The entire Shangguan Residence was covered with a blue protective shield, which made everything in the residence seem like a mirage.

“No wonder so many people came to join in the fun. If I could be the son-in-law of the Shangguan family, I would have worked for a few hundred years less!” Dong Xi sighed.

As soon as she finished speaking, a pleasant sound of a harp sounded, followed by a melodious flute sound. Accompanied by the sound of a pipa, the momentum became louder and louder.

Chapter 397 Willing to Live off a Woman

At this moment, the crowd also quieted down. Everyone looked at the second floor of the Shangguan Residence.

A figure appeared at the end of the corridor. She was wearing a veil and her face could not be seen.

However, this figure was enough to make people willingly live off a woman.

Just as Dong Xi was about to sigh, Rui Ming said, “Junior Sister, I’m going to snatch the embroidered ball too.”

Dong Xi, “?”

What was going on? Not only one, but both her Senior Brothers were captivated by this beauty?

Dong Xi was really regretful. If she had known earlier, she would have called her Senior Sister over instead.

These Senior Brothers were too unreliable. It had only been the first day, and the two of them had already been defeated like this?

“Senior Brother, do you also think highly of this Miss Shangguan?” asked Dong Xi.

Rui Ming shook his head. There was no expression of liking on his face. Instead, he frowned and looked miserable.

“I feel that the lost item is on this woman,” said Rui Ming.

Dong Xi’s expression changed drastically. She grabbed Rui Ming and said, “Senior Brother, there’s no need to do this. Things that are lost can be found. If we were to sacrifice our entire lives...”

Without waiting for Dong Xi to finish, Rui Ming said, “It doesn’t matter. We demon beasts have very long lifespans. Not to mention that Miss Shangguan is a mortal, even Shangguan Patriarch, who is in the Soul Formation stage, can’t live longer than me.”

Dong Xi, “...”

He had a point.

Dong Xi stood still, watching Rui Ming Shixiong walk into the crowd with determination.

Dong Xi scratched her head. She really could not figure it out.

Didn't they say that the crane race was very loyal and only had one spouse in their lives?

She did not know what Senior Brother Rui Ming had lost that he was willing to devote his life to her?

Dong Xi pondered for a long time, but there was no result. A slender and handsome man came out.

The man said, “Thank you all for coming. My daughter has also reached the age of marriage. I have always wanted to find a good son-in-law for my daughter so that I can accompany her for the rest of my life. It can also help our Shangguan family maintain its reputation...”

As soon as Shangguan Patriarch said that, everyone cheered.

Miss Shangguan was beside Shangguan Patriarch. Dong Xi looked at her from afar and felt a little awkward.

Everyone in the cultivation world had a deceptive face, and one could not tell their age at all.

After saying that, Shangguan Patriarch took the embroidered ball from the maid's hand and placed it in Miss Shangguan's hand.

"Yun'er, let's begin," said Shangguan Patriarch.

"Understood, Father," said Shangguan Yun'er softly.

Except, this casual sentence had hooked away the hearts of countless young geniuses.

Dong Xi could not help but sigh. Unfortunately, this woman was short-lived.

Just as this thought appeared in her mind, Dong Xi immediately shook her head.

Forget it, Dong Xi was not qualified to say that.

People could live for one or two hundred years even if they were short-lived, unlike Dong Xi who had just celebrated her 18th birthday in her previous life...

Shangguan Yun'er held the embroidered ball, her long and slender fingers were very fair under the red embroidered ball.

Shangguan Yun'er was not interested in this matter, so she threw the embroidered ball casually.

Her expression was calm, as if she did not care who could snatch the embroidered ball.

Instead, Dong Xi cared a lot, her gaze never leaving the embroidered ball.

She also saw that in order to snatch the embroidered ball, everyone displayed their abilities. All kinds of spells wrapped around the embroidered ball. Seeing that someone was about to get it, countless spells would attack.

Dong Xi also saw Rui Ming and Tie Zhu among these people. However, with just one look, Dong Xi was sure that her two Senior Brothers would not get it.

Dong Xi originally thought that this embroidered ball would be obtained by someone in no time. She did not expect that it was almost evening, and everyone was still fighting for it.

Dong Xi yawned as she watched. She then jumped onto the roof opposite the Shangguan Residence and began to meditate.

As soon as she closed her eyes, a cry of surprise sounded. Then, a strong wind blew against her face.

Dong Xi subconsciously wanted to dodge, but she instantly recalled what Senior Brother Rui Ming had said. Shangguan Yun'er had the item that Senior Brother Rui Ming had lost.

Dong Xi raised her hand, and spiritual energy gathered. The Fist of Earth appeared and neutralized the spiritual energy on the embroidered ball. Dong Xi dispersed the spiritual energy and the embroidered ball fell into Dong Xi's hand.

It was unknown what material the embroidered ball was made of, but it was actually not damaged at all after being snatched by everyone.

At this moment, Dong Xi was standing on the roof alone. She was wearing a long green robe and had short hair that reached his neck. She really looked like a young man.

The scene was silent for a moment. Then, immortal music sounded in Shangguan Manor, and the door slowly opened.

Two rows of female servants walked out with flower branches in their hands. Everyone consciously made way for them. The female servants came to the room and bowed to Dong Xi. One of them said, "Master, please enter the residence."

Dong Xi, “...”

Chapter 398 Master, Please Enter the Residence

What a large fanfare. She wondered how Shangguan Patriarch felt about his son-in-law... Could the gender requirement not be so rigid?

Seeing that Dong Xi was still in a daze, the maids said, “Master, please enter the residence.”

At this time, Dong Xi was riding a tiger and had no way to back down. If she did not go, it would be slapping the Shangguan family’s face.

Dong Xi braced herself and came down from the roof. She patted the dust on her clothes and said, “Umm... Go in?”

“Please come in, Master,” the maids said.

Rui Ming and Tie Zhu saw Dong Xi being brought in and immediately became anxious.

What... What is this?

Junior Sister... She’s a woman!

After Dong Xi entered the Shangguan Residence, the gate closed again. The onlookers then dispersed, leaving behind sounds of regret.

Rui Ming and Tie Zhu looked at each other. This matter was a little out of their expectations.

“Junior Brother, did Junior Sister...” Tie Zhu said. “She went in just like that?”

“I’m also a little confused.” Rui Ming shook his head.

“What should we do?” Tie Zhu asked. “Should we go back now?”

Rui Ming shook his head and said, “No. When Shangguan Patriarch finds out that something is wrong, Junior Sister will be in danger. I want to stay. Maybe I can help Junior Sister.”

“If I grabbed the embroidered ball, wouldn’t this have happened?” Tie Zhu sighed.

“Me too.” Rui Ming nodded.

Tie Zhu stared at Rui Ming with his eyes wide open. Tie Zhu said in surprise, “You?”

Rui Ming nodded seriously. Tie Zhu immediately laughed and said, “Haha, you? You don’t even have hair... Hahaha.”

When Rui Ming heard Tie Zhu’s words, he frowned and said, “Senior Brother, I have fur all over my body!”

Tie Zhu, “...”

Tie Zhu could not stop laughing. He hugged Rui Ming’s neck and said, “Junior Brother, you’re really interesting. Let’s go back first and send a message to Junior Sister. We’ll see what happens.”

At this time, Dong Xi was alone in the house. The place was decorated with shells and corals, and the pillars around it were covered with shimmering shark gauze.

Dong Xi said in her heart, ‘Big Snake, save me! Don’t sleep anymore, wake up quickly. Big Snake, wake up quickly. I’ve been waiting for the wind and rain, waiting for you.’

...

There was no response for a long time, and Dong Xi immediately became anxious.

What should she do? When Shangguan Patriarch comes, Dong Xi should just tell the truth. Shangguan Patriarch should not be so unreasonable...

Just as Dong Xi was about to give up on herself, Su Cheng's voice rang in her mind.

"Did you get into trouble?" Su Cheng asked hoarsely.

To Dong Xi, this voice was like the sound of salvation. She quickly sat up straight and said excitedly, "Big Snake, you're finally awake. If you continue sleeping, I'm going to get a wife."

Su Cheng was speechless.

"What?" Su Cheng asked in confusion. "A wife?"

How old was this little girl?

No, this girl was a woman. How could she marry another woman?

Su Cheng was still puzzled when Dong Xi said, "I came here to watch the show, but who knew that the embroidered ball would come to me? At that time, I thought that Senior Brother Rui Ming's things were

here, so I caught the embroidered ball. Now that I've entered the Shangguan Residence, I'll immediately enter the bridal chamber... What should he do? If Shangguan Patriarch finds out, can he kill me?"

"Let's see if he dares!" Su Cheng said coldly.

Hearing Su Cheng's words, Dong Xi felt much more at ease.

It was great to have a backer.

"Then I'll tell the truth later. I don't want to waste Miss Shangguan's time," said Dong Xi.

"No need. Didn't you say that Senior Brother's things are here?" Su Cheng said directly. "Let's find it first."

"But..." Dong Xi said. When Shangguan Patriarch comes in, won't he find out that I'm a woman?"

"Don't worry, we won't find out," said Su Cheng.

Dong Xi was instantly overjoyed. She said, "With your assurance, I can show my skills."

This time, Su Cheng ignored her. Footsteps could be heard from outside the house.

Dong Xi adjusted her state of mind. Just as she sat down, the door was opened.

Shangguan Patriarch entered with two maids.

“Good skills, Fellow Daoist,” said Shangguan Patriarch with cupped fists.

“Senior, you flatter me. I’m not even a ten-thousandth as skilled as you are.” Dong Xi immediately stood up and bowed.

Shangguan Patriarch sized up this youth who was not even as tall as his daughter. No, he could be called a child.

“How old are you, Fellow Daoist?” Shangguan Patriarch asked. “What spirit root?”

“Junior’s aptitude is dull. I have three spirit roots. There’s no time to cultivate. I can’t even remember how long I’ve been cultivating for,” said Dong Xi.

This was the art of speech. Only when there was truth and falsehood could one be confused.

Shangguan Patriarch nodded. After a moment, he sighed and said ,”Forget it, this is all fate.”

Chapter 399 Exciting

Dong Xi immediately became alert. Did Shangguan Patriarch acknowledge her as a son-in-law?

“Little Ya, take this Fellow Daoist to Miss’s room so that she can take a look,” said Shangguan Patriarch.

Dong Xi pinched the back of her hand nervously, her heart actually started to pound.

Umm... They’re about to enter the bridal chamber? How exciting!

Dong Xi had come to the cultivation world and married a wife?

Awoooo... It was too exciting.

Shangguan Patriarch saw that Dong Xi was still standing there in a daze and thought that Dong Xi was nervous. Shangguan Patriarch smiled and said, “Fellow cultivator, my daughter is as beautiful as a flower and has a very gentle personality. You don’t have to be nervous.”

Dong Xi nodded stiffly. Little Ya made an inviting gesture and said, “Master, please follow me.”

Dong Xi suppressed her excitement and bowed respectfully to Shangguan Patriarch. Dong Xi said, "Junior will take his leave first."

After saying that, Dong Xi followed Little Ya and walked along the corridor to Miss Shangguan's boudoir.

Dong Xi rubbed her hands, still feeling a little nervous.

Dong Xi's storage bag also had a third-grade sunflower. He wondered if the beauty would like it.

Little Ya sent someone to report. Not long after, a maid came out and said, "Master, Miss invites you in."

Dong Xi looked at the door like a lecher. Dong Xi said, "Alright... I'll go in now."

Dong Xi entered the room and carefully sized it up.

The window was made of thousand-year-old ice, the bed was made of ten-thousand-year-old incense wood, and the bed curtain was made of a foot-long material that could only be woven by the golden silkworm after ten years of spinning silk...

This place was extremely luxurious.

Dong Xi thought of her own cave abode...

She suddenly thought that it was a good idea to be a live-in son-in-law for the Shangguan family.

Shangguan Yun'er sat in front of the dressing table, which was filled with shells and many jewels. The maid held a golden pearl and gestured something in front of Shangguan Yun'er.

At this moment, Shangguan Yun'er had already taken off her veil, revealing a face that could topple a country.

She was really beautiful, so beautiful that it made one feel pity for her.

If Miss Shangguan did not want to return it, Dong Xi thought that living like this was not so bad after all.

Dong Xi's mind was filled with wild thoughts. Shangguan Yun'er said, "Are you the one who snatched the embroidered ball just now?"

Shangguan Yun'er's voice was as soft and weak as her appearance.

Dong Xi raised her head and their gazes met in the mirror

Dong Xi was stunned for a moment before she regained her senses. Dong Xi said, "Miss Shangguan, it is me."

Shangguan Yun'er waved her hand, allowing the maid to leave. Shangguan Yun'er stood up and returned to her senses to look at the youth who had become much shorter. Shangguan Yun'er's expression was a little complicated.

"All of you can leave. I'll talk to this Fellow Daoist alone," said Shangguan Yun'er.

The maids in the room nodded respectfully and then walked out of the room.

When only Shangguan Yun'er and Dong Xi were left in the room, Shangguan Yun'er started to size up Dong Xi even more brazenly.

Dong Xi was a little embarrassed by her stare. Shangguan Yun'er said, "Fellow Daoist, how old are you this year?"

"Exactly 132 years old," said Dong Xi after thinking for a moment.

Shangguan Yun'er was stunned for a moment before she said, "You don't look like it at all."

Dong Xi did not feel guilty at all. She said, “You can’t judge a book by its cover in the cultivation world. I think Miss Shangguan grew up in the cultivation world, so you should know this very well.”

Shangguan Yun’er nodded and did not continue arguing with Dong Xi. Shangguan Yun’er said, “Fellow Daoist, you’re not from here, are you?”

Dong Xi nodded. She had just arrived today and had not even changed her clothes.

The locals of the Void Sea liked to wear thin shark muslin, and their hair would be decorated with all kinds of shells and feathers.

Dong Xi was obviously a foreigner.

“Fellow Daoist, if we get married, can you take me to your house?” Shangguan Yun’er asked.

Dong Xi, “?”

Why did Miss Shangguan want to go back to visit her in-laws?

Could it be that the father and daughter of the Shangguan family had not reached a consensus?

Looking at Shangguan Yun'er's expectant expression, Dong Xi said, "Perhaps...Maybe."

"Really?" Shangguan Yun'er said excitedly. "That's great!"

Dong Xi was even more confused and said directly, "Miss Shangguan, I'll ask directly. Didn't Shangguan Patriarch find a live-in son-in-law?"

Shangguan Yun'er bit her lip and looked at Dong Xi faintly. Shangguan Yun'er said, "Are you really willing to be a live-in son-in-law?"

Shangguan Yun'er's eyes were filled with anticipation. Dong Xi's heart was in a dilemma for a long time. She said with difficulty, "I'm willing."

Shangguan Yun'er, "..."

Shangguan Yun'er's eyes reddened as she said, "Forget it. You men are all like this. What is your intention by marrying me? You're all after my father. You might as well go to my father."

Dong Xi had never coaxed a woman before. Seeing Shangguan Yun'er cry, Dong Xi immediately panicked.

Chapter 400 I Don't Stink

Dong Xi hurriedly wiped away her tears and said, “Miss Shangguan, don’t worry. I don’t stink. I use the cleaning spell three times a day...”

Noticing that Shangguan Yun’er was crying even harder, Dong Xi said in a panic, “Don’t cry. I’ve thought about it. With your suggestion, marrying Shangguan Patriarch is also possible...However... Shangguan Patriarch is not willing.”

Su Cheng, “?”

Su Cheng subconsciously released a bolt of lightning. Dong Xi endured it without changing her expression.

Shangguan Yun’er, “...”

The atmosphere was good, but Shangguan Yun’er could not cry no matter what.

Was this person a fool? Shangguan Yun’er had nothing to say to a fool.

Seeing that Shangguan Yun’er was not crying, Dong Xi heaved a sigh of relief and then smiled.

This smile made Dong Xi seem even more foolish.

Shangguan Yun'er let out a soft sigh. Looking at Dong Xi who was shorter than her, Shangguan Yun'er said, "Forget it. You will be my husband in the future. I only have one request. "

"Please tell me," said Dong Xi curiously.

Shangguan Yun'er said with a serious expression, "We're husband and wife in name. You can't touch me, and we won't be real husband and wife."

When Dong Xi heard this, she burst into laughter.

If it were any other request, Dong Xi might not be able to fulfill it.

However, there was no problem with this request! Even if Dong Xi wanted to do something, she did not have such conditions...

Although Dong Xi was very happy, she could not agree to it immediately.

"Miss Shangguan, what do you mean?" Dong Xi pretended to be in a difficult position.

Shangguan Yun'er took a glance at Dong Xi. Shangguan Yun'er said, "You just want to learn from my father. I just want others to take the name of husband and get what they want."

After Shangguan Yun'er finished speaking, she saw Dong Xi frowning and looking very troubled.

"Are you that impatient?" Shangguan Yun'er asked. "I won't live for long anyway. When I die, you'll be able to take over, right? If you really can't do it, then go out... I'll just pretend that I don't know..."

Dong Xi came back to her senses and said, "Miss Shangguan, don't worry. Although I'm not very capable, if I can get your favor, I will definitely keep my chastity for you."

Seeing Dong Xi's sincere gaze, Shangguan Yun'er immediately blushed.

Dong Xi left, turning around every few steps. She then went to soak in the bathhouse, happily rubbing herself with flower petals. With her other hand, she sent a message to Tie Zhu and Rui Ming with a jade slip.

[Thank you for your concern, Senior Brother. I'm fine. I'll bring my beloved wife to see Senior Brother in a while.]

When Tie Zhu saw the message, he was very shocked. He quickly sent a voice message and said, "Beloved wife? Junior Sister, are you crazy?"

"That's right, Junior Sister. You're a girl. How can you get a wife?" Rui Ming also sent a voice message.

“Who said that women can’t get a wife?” Dong Xi said through voice chat.

Tie Zhu, “...”

Rui Ming, “...”

These two people were simple-minded. They were rendered speechless by Dong Xi’s words.

Rui Ming thought for a moment and continued, “Junior Sister, do you have any difficulties? Do you need my help?”

“No need. Everything is fine,” replied Dong Xi through voice chat.

“Junior Sister, have you forgotten what you’re here for?” Tie Zhu asked.

“It’s alright. It’s easier to ask my father-in-law for help,” said Dong Xi through voice chat.

Tie Zhu, “...”

He felt that his worldview was being subverted.

...

Shangguan Patriarch sat on the chair and leaned forward slightly. He looked at Little Ya in shock.

“Yun’er didn’t chase that person away?” Shangguan Patriarch asked.

Little Ya clenched his fists imperceptibly and said, “Yes, I heard from Little Yue that Miss has already asked the son-in-law to wash up. They’re going to consummate their marriage tonight.”

Shangguan Patriarch was a little speechless. He did not know if he was happy or disappointed.

Shangguan Patriarch sighed and said, “Forget it. That’s fine too. Although this Fellow Daoist’s talent isn’t good, he’s still a cultivator. He can take care of Yun’er until she dies. I can rest assured.”

Little Ya stood where he was with his head lowered. He could not tell what was wrong. Little Ya said respectfully, “Old Master, have you decided?”

“That’s right,” said Shangguan Patriarch. “You’ll take care of the residence in the future. I’ll leave in three days.”

“Understood,” replied Little Ya respectfully.

Shangguan Patriarch had discovered a treasure land some time ago. Only those at the Soul Formation stage and above could enter, but such a place was extremely dangerous.

If he was alone in the Shangguan family, he would definitely go without hesitation.
