### Chapter 401 Changing Her Words

However, Shangguan Patriarch still had a daughter. Her daughter was a mortal. If Shangguan Patriarch could not return, how could Shangguan Yun'er protect the family business? Those cultivators would probably swallow the Shangguan family alive and eat them clean.

Now, he was choosing a husband for Shangguan Yun'er. Although this cultivator might not be reliable, Shangguan Patriarch had planted people in the residence, especially the ambitious Little Ya.

In this way, both sides would balance each other. As long as Shangguan Patriarch's life tablet was not broken, Shangguan Yun'er would be very safe until he died.

After Dong Xi washed up, she was about to return to Shangguan Yun'er's room when she bumped into her father-in-law, Shangguan Patriarch.

Dong Xi immediately stopped, a hint of doubt flashing in her eyes.

What was going on? Father-In-Law wanted to eavesdrop? Was there a need to test her acting skills later?

"Shangguan Patriarch." Dong Xi bowed respectfully.

Shangguan Patriarch said with a smile, "You still call me Shangguan Patriarch?"

Dong Xi pondered for a moment. Should she change her words?

"Father?" Dong Xi probed.

"Good boy," said Shangguan Patriarch with a smile.

Dong Xi obediently moved closer. If he was going to give her money, Dong Xi would immediately accept it.

Shangguan Patriarch did not disappoint Dong Xi. He took out a bracelet and handed it to Dong Xi. Shangguan Patriarch said, "This is a protective treasure. Keep it well. Father needs to go into seclusion in three days. In the future, I'll leave Yun'er in your care."

Dong Xi was flattered and bowed, "Father, don't worry. I will take good care of Yun'er."

Shangguan Patriarch smiled and wanted to praise him, but he suddenly thought of something and said, "By the way, what's your name?"

"I'm Dong Li," said Dong Xi.

“Dong Li?” Shangguan Patriarch asked. “The name is not bad.”

Dong Xi smiled. Shangguan Patriarch patted Dong Xi’s shoulder and inadvertently touched the bracelet Dong Xi wore. Shangguan Patriarch said, “Dong Li, let’s go back. A night in spring is worth a thousand gold.”

Dong Xi was pushed back slightly by Shangguan Patriarch. Coincidentally, Shangguan Yun’er opened the door. Dong Xi glanced at Shangguan Patriarch and then entered Shangguan Yun’er’s room.

What was the meaning of this father and daughter duo? She felt that it was very strange. Once she found out what Senior Brother Rui Ming had lost, Dong Xi would definitely leave immediately.

As soon as this thought flashed through Dong Xi’s mind, Su Cheng knew.

Su Cheng’s voice sounded in Dong Xi’s mind. Su Cheng said, “You’re not too stupid. I thought you were thoroughly sold, and even started counting the spirit stones you’ll get from this family.”

“That’s right. I’m quite stupid. You’ve already sold me, yet I still helped you count the spirit stones,” said Dong Xi.

“There’s no time to talk nonsense now,” said Su Cheng. “Pay attention to that bracelet.”

"I know," said Dong Xi.

Su Cheng suddenly said in surprise, "You know, but you still want to wear it?"

"You're here with me, right?" Dong Xi said righteously. "You and I will suffer together. What am I afraid of?"

"You already want to marry Shangguan Patriarch, yet you're still going to suffer together with me?" asked Su Cheng.

Dong Xi raised her eyebrows. If she did not know that Su Cheng would be Dong Rourou's lackey in the future, she would have thought that Su Cheng was jealous.

Looking at it now, there was only sarcasm.

"An old man wants to eat a young grass like me?" Dong Xi said. "Dream on!"

Su Cheng was speechless.

"Also, what did Shangguan Patriarch do to the bracelet?" Dong Xi continued.

Su Cheng was afraid of being angered to death by Dong Xi. Hearing Dong Xi's question, Su Cheng said directly, "Shangguan Patriarch has set up a restriction on the bracelet. In the future, you can only listen to Shangguan Yun'er. If you have any thoughts of resisting, your soul will be directly obliterated."

Dong Xi immediately let out a cold breath. Dong Xi said, "Tsk tsk... This dog is really ruthless!"

She had just called him 'Father', but he was so ruthless that he did not even let her reincarnate!

Su Cheng saw Dong Xi's sad face and his mood immediately improved. Su Cheng said, "Shangguan Patriarch is at the Soul Formation stage after all. You're just an ant in his eyes."

Dong Xi's face turned ugly as she said, "How dare you treat me like this? Shangguan Patriarch, please leave. When you come back, I will definitely destroy the entire Shangguan family's fortune!"

Su Cheng was speechless.

This girl was really useless!

Dong Xi did not care about the bracelet and directly entered the inner room.

The inner chamber was brightly lit by the fire. Shangguan Yun'er was wearing a red muslin, which made her skin appear even more creamy.

Seeing Dong Xi enter, Shangguan Yun'er glanced at her with a warning look in her eyes. Dong Xi stood obediently on the spot and did not approach.

Looking at Shangguan Yun'er's eyes, Dong Xi also knew that she should not dream of kissing her today.

"Yun'er, don't worry. I'll sleep on the floor today," said Dong Xi obediently.

Chapter 402 At Least You Know Your Place

Shangguan Yun'er didn't wait for Dong Xi to sleep on the bed before she heard Dong Xi say this. Shangguan Yun'er was stunned.

After that, Shangguan Yun'er regained her senses and said, "At least you know your place."

Shangguan Yun'er got up and walked towards the bed, followed by the servant girl Little Yue. After serving the young miss to bed, she glanced at Dong Xi.

Little Yue frowned and quickly stepped forward. She said in a low voice, "Young Master, please wait a moment. This servant will go and get you another bedding."

"No need, I'll be fine outside," said Dong Xi.

Little Yue was anxious when she heard this. Little Yue said, “No, Young Miss has already told Old Master that tonight is the wedding night. If you go out, how will Young Miss explain to Old Master tomorrow?”

Dong Xi glanced at the bed covered by the gauze curtain. She was certain that this Shangguan Yun’er was not sleeping at all.

Who could be so magnanimous that she could sleep with a man who was more powerful than her in the room?

Dong Xi retracted her gaze and pretended to sigh, “Young Miss, since you don’t like me, why don’t you reject me directly?”

Little Yue glared at Dong Xi and said, “Young Miss is already giving you a status. Why are there so many questions?”

Dong Xi sighed softly. This servant girl was quite tight-lipped.

“Forget it. You don’t need to get a blanket. I’ll just meditate for a night,” said Dong Xi.

After saying that, Dong Xi directly sat down on the ground. Little Yue was worried that the Young Miss would be alone with Dong Xi, so she stood at the side.

“Little Yue, if you stay here, do you think Shangguan Patriarch will think that I’m bringing you to enjoy the wedding night?” Dong Xi said helplessly.

Little Yue was stunned for a moment, but she quickly regained her senses. She glared at Dong Xi angrily and said, “What nonsense are you spouting!”

Dong Xi opened her eyes and smiled.

“No matter what I do, I’m still the family’s Young Master and a cultivator. Why don’t you try being impudent?” Dong Xi said. “I can’t touch Shangguan Yun’er, but do you think I can’t touch a little maid like you?”

Little Yue’s heart skipped a beat as she suddenly had an idea.

This time... Could it be that they had invited a wolf into the house?

In the end, Little Yue walked out. Young Miss had a protective treasure on her, but Little Yue did not.

Moreover, Dong Xi was right. If Little Yue was here, Old Master would definitely be suspicious.

Little Yue left the room and closed the door. She turned around and saw Little Ya not far away.

“Is Miss already asleep?” asked Little Ya.

Little Yue nodded. Xiaoya said, “Then I’ll report to the Old Master.”

Little Yue looked at Little Ya’s back and sighed.

...

Dong Xi sat on the ground. She felt that it was a great loss that she could not find any moonlight for the entire night. She could not cultivate with moonlight.

However, her current cultivation speed did not seem to be very slow. She did not know if it was related to the tempering of her meridians previously.

After a night, there was finally some movement on the bed. Dong Xi opened her eyes.

She saw a slender hand lift the veil, revealing a beautiful face that could topple countries.

Dong Xi pursed her lips. She was in a good mood.

The ancients were right!

Just by looking at Shangguan Yun'er's face, one could tell that Shangguan Yun'er had not slept that night.

Shangguan Yun'er was only a mortal. Although she looked young, she was already in her forties.

The tiredness of not sleeping for a night was apparent on Shangguan Yun'er's face, like a pearl covered in dust.

Dong Xi stood up and casually cast a cleaning spell on Shangguan Yun'er to make her look more energetic.

"Can't sleep?" asked Dong Xi.

Shangguan Yun'er sat by the bed and shook her head. Shangguan Yun'er said, "It's good to be a cultivator. You haven't slept for a night, but you're still in such a good state. I'm only a little over 40, but you're already over 100 years old..."

"I'm over 100 years old, yet I'm still living under someone else's roof. Although my wife's life is short, she's still living a life that makes others envious," Dong Xi consoled.

Shangguan Yun'er looked at Dong Xi. Shangguan Yun'er frowned and said, "What did you call me?"

"Of course I called you 'wife'. In the eyes of others, you're already my wife," said Dong Xi.

"Forget it," said Shangguan Yun'er with a smile, "If that's the case, they can rest assured."

Dong Xi smiled and said, "Father doesn't have to worry anymore, and you can try to rely on me. Maybe I'm more reliable than you think?"

Shangguan Yun'er took a glance at Dong Xi. Shangguan Yun'er said, "Are you reliable?"

Dong Xi nodded. Shangguan Yun'er said, "Forget it. You only see that I'm doing well on the surface. You don't know that I'm actually very upset. If you can take me away from here one day, perhaps I'll think that you're more reliable."

Chapter 403 Don't Talk Big

"Leave this place?" Dong Xi raised her eyebrows and said. What's so difficult about that?"

Shangguan Yun'er stood up from the bed. Her gauze clothes hung down, revealing her beautiful figure, making Shangguan Yun'er look extremely weak.

"Don't talk big!" Shangguan Yun'er said.

...

Dong Xi had also changed into a new set of clothes. The aqua blue mermaid gauze made Dong Xi look like a rich Young Master.

Her hair was not too long, but it was styled by Little Yue, and there was a blue ice crystal on her waist.

Dong Xi looked at the person in the mirror and was slightly stunned.

This... Isn't it a little too similar?

It was no exaggeration to say that if Dong Xi held a folding fan at this moment, he would really look like Song Qingfeng.

Little Yue saw Dong Xi in a daze and hung the last pearl on Dong Xi's waist. Little Yue said, "What's wrong? Haven't you had nice things in your life? Be careful when you go out. Don't lose them. They belong to Young Miss."

Without waiting for Little Yue to finish, Shangguan Yun'er said, "Little Yue, don't be rude."

Little Yue suddenly felt a little wronged. She glared at Dong Xi and finally lowered her head.

“It doesn’t matter,” said Dong Xi indifferently.

Dong Xi used the cleaning spell on the two of them again. Dong Xi said, “Madam, please?”

After saying that, Dong Xi even raised her eyebrows. She said, “Madam, don’t worry. I’m really not a stinky man.”

When Shangguan Yun’er heard Dong Xi’s words and saw Dong Xi’s smiling face, she seemed to be bewitched for a moment. She stretched out her hand and placed it in Dong Xi’s hand.

Shangguan Yun’er suddenly had a strange thought.

Dong Xi’s hand was small and soft, and actually looked more like a woman than Shangguan Yun’er’s.

Shangguan Yun’er did not have time to think about it before she was brought out by a soft but irresistible force.

Today’s sun was just like usual. The bright sunlight shone on Shangguan Yun’er’s body, making Shangguan Yun’er feel as if a lifetime had passed.

Shangguan Patriarch looked at Dong Xi holding his daughter's hand and said, "What is it? You want to go out?"

After saying that, Shangguan Patriarch looked at the bracelet Dong Xi was wearing. Shangguan Patriarch nodded in satisfaction.

Dong Xi's face carried a trace of excitement. No matter how one looked at it, she looked like she wanted to go out and show off.

"Why don't you send someone to bring your two brothers to live in the mansion?" Shangguan Patriarch frowned and said.

Shangguan Yun'er's hands turned cold in an instant, and her heart sank. However, in the next moment, a small hand held onto Shangguan Yun'er's hand, and Shangguan Yun'er suddenly felt a wave of warmth.

Shangguan Yun'er calmed her mind. Dong Xi still smiled and said, "Father, if you don't return to your hometown, it's like traveling at night. Now that I have such a beautiful wife, and she's still in your territory, I also want everyone to see that they won't think about my beloved wife in the future."

As Dong Xi said that, she looked at Shangguan Yun'er affectionately, causing Shangguan Yun'er's scalp to go numb.

Shangguan Patriarch thought for a moment and agreed magically. He said, "Little Ya, you go with Miss and Young Master."

“Yes,” replied Little Ya immediately.

Shangguan Yun’er looked at Little Ya and did not say anything in the end. She was indeed relieved in her heart. Although the sunlight outside the house was hot, it made people yearn for adventure...

The first group of people left the Shangguan Residence and headed straight for the inn.

Dong Xi did not forget to greet Rui Ming and Tie Zhu, and reminded them to pay attention to the way they addressed each other and not to expose themselves.

Although Dong Xi and the others only had seven people, they were being watched by others along the way.

Shangguan Yun’er felt a little uncomfortable and looked at Dong Xi.

She realized that Dong Xi was so calm, as if these people’s gazes did not cause any trouble for Dong Xi.

If Dong Xi knew what Shangguan Yun’er was thinking, she would definitely show off.

What kind of scene was this? The scene of the sect competition back then...

When Dong Xi brought her men to the inn, Tie Zhu and Rui Ming were already waiting at the door.

When they saw Dong Xi holding the pretty girl's hand, their eyes almost popped out.

Junior Sister... Was this for real?

They're finished! When they returned to the sect, how were they going to explain to Master Lingxu and Master Yijian?

Rui Ming opened his mouth and said, "Junior..."

Then, under Dong Xi's gaze, Rui Ming reacted and said, "Junior Brother."

Dong Xi smiled and introduced them to Shangguan Yun'er. Dong Xi said, "Madam, these two are my elder brothers, Ming Zhi and Tie Nan."

Rui Ming, "?"

Tie Zhu, "..."

Did she change our names just like that? But why did Rui Ming's voice sound so much better? Why am I called Tie Nan?

Chapter 404 Greetings, Elder Brother

"Greetings, Elder Brother," Shangguan Yun'er bowed and said softly.

Dong Xi continued, "This is my beloved wife whom I mentioned to my two brothers yesterday. She is Shangguan Yun'er. The heavens must have blessed me. I am able to obtain such a beautiful wife because I was able to catch the ball of silk amongst tens of thousands of people..."

Rui Ming looked at Shangguan Yun'er and frowned. Rui Ming's gaze was also a little confused...

As Dong Xi spoke, she suddenly saw that something was wrong with Rui Ming. She was shocked and secretly used a Soul Awakening Spell. Dong Xi said, "Senior Brother!"

Only then did Rui Ming come back to his senses, and the gaze he gave Shangguan Yun'er became even more complicated.

Shangguan Yun'er also felt an inexplicable closeness to Rui Ming, but because of her identity, Shangguan Yun'er hid behind Dong Xi to avoid Rui Ming's gaze.

Tie Zhu also noticed that something was wrong with Rui Ming. Tie Zhu gave him a warning glare and said, "Today is the first time Junior Brother has brought Madam here. Let's eat together. Big Brother will treat everyone."

Dong Xi nodded. After everyone finished eating, they left.

Tie Zhu hugged Rui Ming and said, "Junior Brother Rui Ming, this Miss Shangguan is indeed devastatingly beautiful. You are still young, so it's normal for you to be unable to extricate yourself. But now, this Miss Shangguan is our Junior... Brother's wife. If you continue to interfere, you will inevitably become a laughing stock."

Rui Ming lowered his head and his eyes were chaotic.

Tie Zhu was still talking about something when Rui Ming suddenly stood up and said, "Senior Brother, I want to go somewhere."

Tie Zhu was stunned for a moment before saying, "Where are we going? If you want to snatch the bride, I won't help you."

Rui Ming shook his head and said, "I won't snatch the bride. I don't need your help either. Senior Brother, you can stay at the inn. Wait for Junior Sister to contact me. I'll leave first."

Tie Zhu's reaction was slower, and Rui Ming had already walked out.

Tie Zhu immediately chased after him, only to see a crane flying into the sky.

Tie Zhu's eyes widened.

He suddenly understood why Rui Ming said that his entire body was covered in fur...

Speed Wind Crane was very fast. Tie Zhu was a body cultivator, so he could not catch up at all. He ran along the street, and Rui Ming's figure disappeared.

Tie Zhu was furious. He immediately took out his communication jade slip and sent a message to Dong Xi.

[Junior Sister, Junior Brother Rui Ming said that he was going somewhere, then he left me behind and ran away.]

Dong Xi sensed that there was a message in the communication jade slip. She noticed that Shangguan Yun'er had stopped and turned to look at the sky.

Shangguan Yun'er frowned, a trace of worry on her face.

"Husband, did you hear a crane's cry?" Shangguan Yun'er asked.

Dong Xi looked up at the sky and shook her head, "I didn't hear it."

"Maybe it's an illusion. Let's go back," Shangguan Yun'er said.

"Since you've already come out, why are you in a hurry to go back?" Dong Xi said with a smile. "Madam, don't you want to walk around?"

Shangguan Yun'er's eyes lit up. She said, "Really?"

"Of course. There's a rouge shop not far away. Shall we go and take a look?" said Dong Xi.

Women would always understand women. Shangguan Yun'er was instantly overjoyed when she heard Dong Xi's words.

"Alright, let's go take a look." Shangguan Yun'er nodded.

Ever since Dong Xi came to the cultivation world, she had never been to a rouge shop.

One must know that Dong Xi had lived for 18 years in her previous life, and her taste had long been fixed. When Shangguan Yun'er was trying colors, Dong Xi could give suggestions on colors and other aspects.

Along the way, Dong Xi even used the cleaning spell to remove the rouge on Shangguan Yun'er's face so that she could continue to try the next one.

Shangguan Yun'er was holding two types of rouge and did not know which one to choose. Seeing Shangguan Yun'er so conflicted, Dong Xi went forward and took them all.

Under Shangguan Yun'er's puzzled gaze, Dong Xi smiled and said, "Since Madam likes them, then buy them all back."

Shangguan Yun'er was stunned for a moment before suddenly remembering that over the years, her father had given her a lot of spirit stones. However, Shangguan Yun'er had never come out, so these spirit stones had no use. Later on, Shangguan Yun'er had somewhat forgotten the use of spirit stones.

While Shangguan Yun'er was in a daze, Dong Xi had already paid the spirit stones and bought back the rouge that Shangguan Yun'er had tried on.

Little Yue put all of them into her storage bag and followed behind the two of them. She looked at the Young Miss's happy face and then looked at the Young Master...

Suddenly, Little Yue felt that this Young Master seemed to be not bad. His height was not a problem either. Today was probably the happiest day of her life.

Not long after the two of them left, Dong Xi whispered a few words to Shangguan Yun'er before leaving alone.

Shangguan Yun'er stood still and watched Dong Xi walk to a vendor and buy a bunch of red peaches before handing it to Shangguan Yun'er.

Dong Xi said, "Madam, try it quickly. You have to eat it fresh. If you eat it later, the sugar on it will melt. It won't be as delicious as it is now."

Chapter 405 Happy?

Shangguan Yun'er looked at Dong Xi, and only after a long time did she come back to her senses. She nodded.

Dong Xi held Shangguan Yun'er's hand and said, "Madam, are you happy today?"

Shangguan Yun'er did not think too much and nodded.

"Madam, since you're happy, I'll bring you out often in the future," continued Dong Xi.

Shangguan Yun'er knew that it was impossible, but... What if he could?

The few of them returned to the Shangguan Residence, and only Little Ya was there to welcome them at the door.

“Where’s my father?” Shangguan Yun’er asked.

“Young Miss, Old Master is already in seclusion,” Little Ya said respectfully.

“Why is he in such a hurry?” Shangguan Yun’er frowned.

Little Ya did not say anything, and Shangguan Yun’er said impatiently, “Forget it, you can go back to your work.”

Little Ya did not leave. She said, “Miss, before Old Master went into seclusion, he told you to remember to take a medicinal bath.”

Shangguan Yun’er thought about how painful it was to soak in the medicinal bath every time and immediately frowned. Shangguan Yun’er said, “I’m not going.”

Little Ya’s tone was a little tough as she said, “Miss, this was arranged by Old Master.”

Shangguan Yun’er turned around and left angrily.

Dong Xi saw that Shangguan Yun'er was angry and did not give Little Ya a good look. Dong Xi directly turned around and walked in the direction that Shangguan Yun'er had left.

When they arrived at Shangguan Yun'er's room, Shangguan Yun'er was currently sitting on a chair and fuming.

Dong Xi stepped forward. With a flip of his hand, the third-grade Ardent Yang Flower appeared in his hand.

Dong Xi inserted the flower into Shangguan Yun'er's hair. Shangguan Yun'er looked at Dong Xi, and her eyes were somewhat stunned.

"My wife is so beautiful," said Dong Xi with a smile.

Shangguan Yun'er raised her hand and touched her hair. She felt a burning sensation.

Shangguan Yun'er was the precious daughter of the Shangguan Patriarch, so she knew that this flower was extraordinary. She just did not expect that this nameless little cultivator would give it to her.

Seeing Shangguan Yun'er staring at her blankly, Dong Xi's face carried a smile.

“Madam, don’t you want to go for a medicinal bath?” Dong Xi asked gently.

“Yeah, I’m not going.” Shangguan Yun’er frowned.

“I’ll go in place of my wife,” said Dong Xi

Shangguan Yun’er looked at Dong Xi. Shangguan Yun’er said in surprise, “You’re taking the medicinal bath in my place?”

“Is it possible?” asked Dong Xi.

For a moment, Shangguan Yun’er did not know if it would work. Dong Xi pretended to be affectionate and said, “As long as Madam is happy, I’ll do anything.”

When Shangguan Yun’er heard this, her frown deepened.

Shangguan Yun’er’s rationality was not bad. This little husband was not bad and should not suffer.

But... Shangguan Yun’er really did not want to go. Soaking in the medicinal bath was painful, and Shangguan Yun’er wanted to leave this kind of lifestyle behind.

Dong Xi knew that Shangguan Yun'er was conflicted, so she held Shangguan Yun'er's hand.

Shangguan Yun'er's body was not in good condition or for some other reason, but her hands were always cold. They felt like a piece of top-quality jade. It was cold, but at the same time warm and nice to the touch.

Dong Xi said, "Madam, you and I are one. Besides, I'm a cultivator, and my physique is better than yours. Perhaps the medicinal bath that you think is painful is very comfortable for me. Little Ya is just a servant. No matter how brave she is, she won't be able to spy on Madam's bath. Madam, don't worry. Of course, if Madam wants to see me take a bath, I will welcome it."

Dong Xi's face was not serious. This kind of expression matched with Dong Xi's face, but it had some of the unruliness of a youth.

...

Under Dong Xi's persuasion, Shangguan Yun'er agreed to let Dong Xi take a medicinal bath on her behalf.

Moreover, they had agreed that if Dong Xi felt unwell, she would come out immediately. At that time, Shangguan Yun'er could also soak it herself.

How could Dong Xi miss such an opportunity?

Dong Xi's cultivation method could sense that something good would happen in this medicinal bath.

Dong Xi took the pajamas that Madam had prepared and sneaked into the bathroom under the cover of Little Yue.

When she entered the bathroom, the fog inside blocked her vision.

Dong Xi was relieved. There must be a restriction here that could block divine sense.

Dong Xi walked straight in and saw a super large bathhouse.

The surroundings were paved with top-grade spirit stones, which was enough to show that the Shangguan Patriarch had put in a lot of effort.

Even if a mortal were to soak in such dense spiritual energy all day long, it would greatly improve their physique.

The bathhouse was dark green and thick like a layer of duckweed.

Dong Xi squatted down and touched the water with her hand. Then, she sniffed her hand.

Dong Xi was now familiar with tens of thousands of spirit herbs. Even so, Dong Xi did not seem to be able to recognize what was in the medicinal bath.
