Chapter 426 What Is This?

Dong Xi had just lowered her head when she saw two storage pouches.

“Senior Brother, what’s this?” Dong Xi was stunned for a moment.

Rui Ming, said somewhat embarrassed, “These crystals, if my memory serves me well, you seem to like them very much.”

Dong Xi secretly thought of Rui Ming’s appearance and smiled.

Dong Xi was extremely happy. Even though Senior Brother Rui Ming had grown up, he was still a caring and good Senior Brother. He had not changed at all. At this moment, Dong Xi felt a sense of reality in her heart.

Dong Xi’s eyes were a little wet as she looked at Rui Ming. Rui Ming said in embarrassment, “Junior Sister, why don’t you accept these crystals?”

Dong Xi pondered for a moment, then took the crystal and said, “Senior Brother, I’ll help you invest in the Rainbow Store with these crystals. You can get a lot of spirit stones as dividends every month.”

Rui Ming's expression was a little surprised. When Dong Xi finished speaking, Rui Ming looked at the ground full of crystals and said, "Junior Sister, do you think that I am... lacking spirit stones?"

Dong Xi, "..."

She had forgotten that she was the only poor person around.

Oh right, there was also the Eldest Senior Brother.

Dong Xi thought of something. Looking at the now tall Rui Ming, Dong Xi said, "Senior Brother, are there any Wind-Swallowing Stones here?"

Rui Ming brought Dong Xi and directly flew inside, letting Shangguan Yun'er wait here.

After flying for about 15 minutes, Dong Xi saw that there were crystals everywhere.

From the beginning, she was gratified, but as she flew, she started to feel miserable. There really was a mine in Rui Ming's house!

Rui Ming placed Dong Xi on a rock. Rui Ming stood at the side, hovering in the air.

“Junior Sister, this is the Wind-Swallowing Stone,” said Rui Ming.

Dong Xi looked around and asked in confusion, “Where?”

“All of them,” said Rui Ming.

Dong Xi looked into the distance from the stones under her feet. There were countless stones in his sight. They were all Wind Swallowing Stones?

Dong Xi was stunned. She was even more envious. She was so envious that she wanted to cry!

However, the next second, Rui Ming said, “How much do you want? You can do whatever you want.”

She was really good at clinging onto her Senior Brother’s thigh. She could have anything.

Dong Xi took out an iron sword and slashed at the Wind-Swallowing Stone.

Bang!

Dong Xi’s heart immediately ached when a crack appeared on the iron sword.

However, what was even more depressing was that Dong Xi could not even cut down a single piece of the treasures on the ground. Who could understand such a feeling?

Rui Ming smiled and said, "You can't cut Wind-Swallowing Stones like this. These stones have been eroded by the wind blades for 10,000 years. They are harder than most ores."

Dong Xi nodded and looked at Rui Ming. She said, "Senior Brother, you... How old are you?"

Rui Ming, "..."

"Not 10,000 years," said Rui Ming.

Seeing that Dong Xi still wanted to ask something, Rui Ming directly used a wind blade to cut off a large piece of Wind-Swallowing Stone and handed it to Dong Xi. Rui Ming said, "Junior Sister, here."

"Senior Brother, don't worry." Dong Xi said excitedly, "When these Wind-Swallowing Stones are sold, Junior Sister will definitely give you a big share."

Rui Ming looked at Dong Xi with a complicated expression. Rui Ming said, "Junior Sister, you are so powerful. I'm sure you will definitely find a good home for these Wind-Swallowing Stones."

Dong Xi took out her storage pouch and asked Rui Ming to cut the Wind-Swallowing Stones into the size of a spirit stone before putting it into her storage pouch.

After the pouch was filled, she shouted, "Senior Brother, it's enough!"

Rui Ming saw that Dong Xi only had one storage bag. He said in surprise, "Is this enough?"

"Of course not, but it's enough for now. Senior Brother, you have to know that no matter what it is, we have to make it rare for it to be valuable," Dong Xi said solemnly.

Dong Xi had only taken a little bit of the Wind-Swallowing Stones. If she took all of them out, how could she make those old fellows bleed?

"As expected, Junior Sister is very intelligent," said Rui Ming.

At this moment, Dong Xi was like a fox who had succeeded. Dong Xi said, "Of course."

Dong Xi's small body could not withstand the hurricane here, but Rui Ming had already put on a protective shield for her.

No matter what, Senior Brother Rui Ming was much better than Eldest Senior Brother and Second Senior Brother in this aspect.

When Rui Ming and Dong Xi came out, Shangguan Yun'er had already picked up a lot of wood crystal stones.

However, because she did not have a storage bag, she could only tear off a piece of her dress and wrap it up.

Rui Ming only glanced at her casually and said, "This should be enough."

Shangguan Yun'er immediately let out a sigh of relief. She put the crystals away and placed it in front of Rui Ming. Shangguan Yun'er said, "Senior, please accept it."

Shangguan Yun'er lowered her head, not daring to look up at all.

Shangguan Yun'er was afraid of Rui Ming. Back then, the Shangguan Patriarch had dug out his heart. Now, even if Rui Ming killed Shangguan Yun'er at will, he would not have to bear any karma. After all, the Shangguan family was in the wrong.

Chapter 427 Junior Sister?

Fortunately, Rui Ming did not want to make a move on Shangguan Yun'er. Rui Ming waved his hand and all the crystals were in his hands.

Rui Ming kept these crystals and then looked at Dong Xi. Rui Ming said, "Junior Sister, are we leaving now?"

Shangguan Yun'er, "??"

Shangguan Yun'er's eyes instantly widened. She looked at Rui Ming and then at Dong Xi. Shangguan Yun'er said hesitantly, "You called her... Junior Sister?"

Dong Xi, "..."

Dong Xi looked at Rui Ming with a helpless expression.

In the end, it was Senior Brother Rui Ming who exposed her identity. When she entered the Shangguan Residence, Dong Xi's ambition did not come true.

Forget squandering all of the Shangguan family's property, now, she might not even be able to enter the mansion.

She had not even taken back her capital, and Senior Brother Rui Ming had already exposed her!

Dong Xi's eyes became more and more resentful, and Rui Ming also felt embarrassed.

Rui Ming coughed lightly and tried to move Shangguan Yun'er away.

Shangguan Yun'er completely ignored Rui Ming. Shangguan Yun'er stared straight at Dong Xi. Shangguan Yun'er said, "Husband... You're a woman?"

Dong Xi lowered her head. She knew that there was a high chance that she could not hide this matter anymore, so she could only transform back into a woman.

However, there was not much difference. Her eyes were still the same, and her hair was still as long.

However, her face was gentler and she looked like a girl.

Dong Xi stammered as she explained, "Madam... This is really a misunderstanding."

Dong Xi was completely in the wrong. At that time, she had accidentally caught the embroidered ball, but she did not explain it to the people of the Shangguan Residence. Instead, she had helped Senior Brother Rui Ming find what he was looking for.

On the way back, Shangguan Yun'er kept looking at Dong Xi.

Dong Xi's face was cold. When he arrived at the restrictive spell and saw a group of Soul Formation cultivators, her expression changed slightly.

The group of people saw that Dong Xi had not only brought a woman out, but also a man who they had never seen before.

"Senior, you're finally out!"

"Senior, did you see that demon beast when you went in?"

"Senior, have you obtained the Wind-Swallowing Stones?"

...

Hearing all kinds of questions, Dong Xi felt that these Soul Formation cultivators were like a group of curious babies, asking questions non-stop.

Dong Xi waved her hand to silence everyone.

Dong Xi took out five Wind-Swallowing Stones and showed them to everyone. Dong Xi said, "I'll take out five pieces. Whoever offers the highest price will get it!"

When everyone heard this, they began to bid.

“Senior, I offer a Marriage Talisman.”

“You want to exchange a talisman for a Wind-Swallowing Stone? Are you still asleep? Senior, I’ll create a space for demon beasts. In this Demon Beast Space, you can raise three demon beasts.”

“Senior, I offer 100,000 top-grade spirit stones!”

“Senior, do you lack spirit stones? I’ll give you a Spirit Plant Space that could cultivate spirit plants in half the time!”

...

Dong Xi was moved by every word these people shouted. She even felt that the five stones that she was offering were too little.

Rui Ming did not expect that the Wind-Swallowing Stones that were everywhere were actually so valuable.

It was true that he was envious, but he could also stick to his bottom line.

Dong Xi selected the items she needed from the bids of these people and asked Rui Ming to trade for him.

It was not that Dong Xi did not want to deal with them personally, but that she was afraid that once she went close to these people, they would see through Dong Xi's cultivation background.

These Soul Formation cultivators checked the Wind-Swallowing Stones they had obtained. When they raised their heads, they found that Dong Xi and the other two had disappeared.

After Dong Xi left, she heaved a sigh of relief.

"Hehe, I've struck it rich this time. Senior Brother, I want that Demon Beast Space. The rest are yours," Dong Xi laughed and said.

However, after thinking about it, he realized that Rui Ming had used the Wind-Swallowing Stone to exchange for these. Dong Xi said again, "Of course, if Senior Brother also needs it, I can give it to you."

When Rui Ming heard this, he looked at Dong Xi in surprise. Rui Ming said, "As an alchemist, you actually don't want the Spirit Plant Space?"

For alchemists, anything that cultivates spirit plants in half the time was good.

However, Dong Xi did not want it. Although it was indeed good, Dong Xi still had many spirit plants in the Frog Space. She did not need them at all. Instead, the Demon Beast Space was more useful.

The main reason was that Dong Xi could not stand that Da Niu could just walk out of the Demon Beast Bag whenever he wanted, and Songsong could not stand it either.

"I've already said that Senior Brother will take the biggest share," said Dong Xi with a smile. "So, I can just take this Demon Beast Space."

Rui Ming returned the items that Dong Xi had handed over to her. He said, "Take it and play with it. Senior doesn't need these."

Rui Ming was already so old, and he had seen many things. These were just child's play to him.

Shangguan Yun'er, who was at the side, looked at Dong Xi. Shangguan Yun'er's expression became even stranger. So, Dong Xi... Is also an alchemist?

Dong Xi looked at the treasure in her hands. Without waiting for her to say anything, Rui Ming carried her onto his back and they left the place in an instant.

Chapter 428 Go Back?

It had to be mentioned that after Senior Brother Rui Ming became an adult, his speed was even faster than lightning.

When Dong Xi arrived, she had flown for almost two hours on the little turtle. On the way back, she had not even thought of a reason to explain herself before she already arrived at the destination.

Shangguan Yun'er stepped on the sand and looked at the familiar yet strange island. It seemed like a lifetime ago.

After all these years, Shangguan Yun'er had finally relaxed.

She did not have to worry about dying at any time, nor did she have to live with the lives of others.

When Shangguan Yun'er was in a daze, Rui Ming said, "Are we going back?"

Without waiting for Shangguan Yun'er to speak, Dong Xi directly said, "I have to go back."

When Rui Ming heard Dong Xi's words, he was very surprised. He was asking Shangguan Yun'er just now, but he did not expect Dong Xi to answer him directly. Rui Ming said, "What are you going back for?"

"I'm helping you settle the score, of course," said Dong Xi. "Let's ask Shangguan Patriarch if it's fun to dig out someone else's heart. Since he loved his daughter so much, why not dig out his own heart? There shouldn't be such a big rejection between father and daughter. Perhaps Shangguan Patriarch will give the heart to Madam, and Madam can still cultivate..."

Shangguan Yun'er, "..."

Rui Ming, "?"

The two of them were confused. Shangguan Yun'er could understand at first, but as she spoke, she could not understand anymore.

Dong Xi looked at the two people's confused expressions and continued, "Anyway, we have to go back and get an explanation from Shangguan Patriarch. If we can't, Shangguan Patriarch has to pay for Madam's life extension."

Rui Ming looked at Dong Xi's serious expression. Rui Ming smiled and said, "Alright, Junior Sister, if you want to go back, then go back."

Shangguan Yun'er did not even have time to say anything before she returned to the Shangguan Residence.

When the guard saw Dong Xi and Shangguan Yun'er return, he immediately said, "Young Miss, Young Master, you're back!"

The guard looked at Dong Xi with even more fervent eyes than when he saw Shangguan Yun'er. Dong Xi nodded calmly and said, "Is my Father-In-Law awake?"

Shangguan Yun'er saw that Dong Xi was going to continue acting, so she did not explain and just obediently followed Dong Xi into the mansion.

"He hasn't woken up yet. We're all waiting for Young Master to come back and manage the Shangguan Residence," the guard said.

Dong Xi walked directly to the Shangguan Patriarch's room, Rui Ming was at the side, leisurely following behind.

The restriction in front of the Shangguan Patriarch's house was opened, and the guard immediately stopped. The guard said, "Young Master, after you please."

Dong Xi directly walked in, Rui Ming also walked in. Just as Shangguan Yun'er was about to follow, the guard stopped her.

The guard immediately released his hand, but the restriction was already closed. The guard said, "Please forgive me, Young Miss."

Shangguan Yun'er was about to get angry when she saw a person walking out from not far away. This person said, "Young Miss."

Shangguan Yun'er raised her head and found that it was Little Ya.

“What right do you have to stop me from visiting my father?” Shangguan Yun’er asked.

“Old Master isn’t here. Miss, come with me,” Little Ya said respectfully.

Shangguan Yun’er followed Little Ya to the room next door. When she saw her father sleeping soundly, Shangguan Yun’er immediately understood that Dong Xi and the others had fallen into Little Ya’s trap.

“How dare you use the restrictive spell in my father’s room to confine the Young Master?!” Shangguan Yun’er said.

Little Ya still had a respectful look on her face. Little Ya said, “Young Miss, the identity of the Young Master is not simple. I don’t dare to gamble with the future of our Shangguan Residence. I can only detain him for the time being and wait for the Old Master to wake up before making a decision.”

After that, Little Ya looked Shangguan Yun’er up and down with concern. Little Ya said, “Miss, are you alright?”

When Young Miss left, she was on the verge of death. When she came back, she was indeed full of life. No one knew what she had experienced outside.

However, this also proved that the Young Master was definitely not simple.

"I'm fine," said Shangguan Yun'er. "You'd better let them out quickly. Otherwise, if anything happens to me, you won't have a good ending."

The current Shangguan Yun'er was much tougher than before, but Little Ya pretended not to hear her.

"Someone, send the Young Miss back to rest," Little Ya said immediately. "Young Miss is already tired."

Little Yue walked over from afar.

...

Dong Xi immediately understood what was going on when she saw the restriction closing behind her.

Rui Ming frowned and was about to lift his hand to break the restriction when he was stopped by Dong Xi.

"Senior Brother, don't be anxious," said Dong Xi.

Rui Ming was very puzzled. They had already been locked up, and she was still not anxious?

“We can still get out of here. What’s the rush?” Dong Xi continued with a smile. “Let’s see what these people want to do.”

When Rui Ming heard this, he put down his hand, and the wind blade he summoned dissipated.

Chapter 429 Curse

Dong Xi also entered the room without any courtesy. After looking around the room, she knew that the people from the Shangguan Residence wanted to use this restriction to trap the two of them.

Not long after, Little Ya’s image appeared in the room. Little Ya said, “Young Master, you can even cure Young Miss. Now, we’ll let you take a look at Old Master, okay? If Old Master wakes up, he will definitely let you out.”

“If I can’t even see the patient, how can I cure him?” Dong Xi asked. “Where is Father-In-Law? Little Ya, you can’t be thinking of swallowing the Shangguan Residence, right?”

Little Ya’s image blurred for a moment, and Dong Xi’s lips curled into a smile.

After a while, the people outside brought the unconscious Shangguan Patriarch in.

Dong Xi took a look and pretended to take Shangguan Patriarch’s pulse.

At this time, Su Cheng's voice sounded in Dong Xi's sea of consciousness. Su Cheng said, "Don't waste your time. This old fellow is cursed."

"Curse?" Dong Xi was stunned.

"The stronger the person who cursed the old man is, the more miserable the old man will be," said Su Cheng.

"Who was the one who cursed Shangguan Patriarch?" asked Dong Xi.

Before Dong Xi could finish speaking, she looked at Senior Brother Rui Ming, who was standing high up in the air and had nothing to do with her.

Dong Xi immediately recalled that a long time ago, she had seen a book in the sect's library called 'Records of the Immortal World'. There was a saying in it.

Cranes were auspicious beasts. If anyone hurt a crane, they would be cursed by the bloodline power of the crane clan.

This... It really was karma.

Senior Brother Rui Ming was only at the third level of Qi Refinement before, so of course it would not affect him much. But now, Senior Brother Rui Ming's cultivation was unfathomable, and he actually counterattacked Shangguan Patriarch to such an extent?

Although curses were good, Dong Xi felt that Shangguan Patriarch was sleeping soundly without feeling any pain or itch. This old fellow had really gotten off easy.

Everyone would pay the price for what they had done, so before doing anything, they had to think clearly about the price.

Dong Xi looked at Senior Brother Rui Ming and said, "Senior Brother, aren't we letting him off too easily by letting him sleep like this? Shouldn't we do something else?"

Shangguan Patriarch opened his eyes and saw a familiar face.

Shangguan Patriarch thought for a long time but could not remember who he was. He only remembered his surname. Shangguan Patriarch said, "You're Dong..."

"Dong Li," said Dong Xi with a smile.

"That's right, Dong Li," said Shangguan Patriarch immediately.

Shangguan Patriarch sat up and rubbed his temples. He said, "Why am I here?"

Shangguan Patriarch only remembered fainting in the Secret Realm. Rumor had it that there were many good treasures in the Secret Realm. Shangguan Patriarch had picked an eighth-grade spirit plant and suddenly fainted.

"I brought you back here," said Dong Xi.

Shangguan Patriarch looked at Dong Xi suspiciously. This Son-In-Law looked really harmless. Shangguan Patriarch said in disbelief, "You did?"

"That's right, Father-In-Law. Although I'm not very capable, Senior Brother is amazing!" said Dong Xi.

Shangguan Patriarch then looked at Rui Ming at the side. Shangguan Patriarch said, "This is..."

However, halfway through, Shangguan Patriarch's expression changed drastically.

Shangguan Patriarch said coldly, "You... Why did you appear in my mansion?"

Rui Ming still had an indifferent look on his face. Rui Ming said, "Of course, I want to take back what belongs to me."

Rui Ming's words made Shangguan Patriarch's heart skip a beat. He immediately used his divine sense to scan the surroundings and found that other than the Sea Demon Lamp, there was actually no one else.

Shangguan Patriarch did not know what had happened, but he knew that he was no match for this crane.

Shangguan Patriarch stretched out his hand towards Dong Xi, wanting to capture her and threaten this crane.

However, he did not expect that Dong Xi could easily hold down Shangguan Patriarch with just one hand.

"Father-In-Law, I'm a little flattered that you're willing to be so intimate with me," said Dong Xi.

When Shangguan Patriarch heard Dong Xi's words, he felt a little strange. Shangguan Patriarch was also very angry. What was even more terrifying was that Shangguan Patriarch found that he could not use his spiritual power no matter what.

"What did you do to me?" Shangguan Patriarch asked immediately.

"Father-In-Law, didn't you notice?" Dong Xi shrugged. "The three of us are trapped here. Someone else used your restriction to trap the three of us."

“What?” Shangguan Patriarch asked in surprise.

Then, Shangguan Patriarch thought of Little Ya. After all, Shangguan Patriarch knew what Little Ya was thinking.

However, this person’s thoughts were very complicated and he was not a good match for Yun’er. Therefore, Shangguan Patriarch pretended not to know, and even created the embroidered ball matchmaking concept for Yun’er.

Chapter 430 People on the Same Boat

Shangguan Patriarch had thought that as long as he was still alive, Yun’er would have a smooth life.

However, he did not expect that he would encounter an accident in the Secret Realm.

Dong Xi looked at Shangguan Patriarch’s expression and said, “I think you should have guessed what happened, right?”

Shangguan Patriarch did not speak. Dong Xi continued, “I’m just as worried about Yun’er as you are. Father-In-Law, we’re on the same boat.”

“Do you think I’m that gullible?” Shangguan Patriarch asked. “Tell me, what do you want?”

!!

“What do I want?” Rui Ming said disdainfully. “I can kill you with a casual wave of my hand.”

“You...” Shangguan Patriarch said.

It had been many years since anyone had dared to speak to Shangguan Patriarch like this.

Dong Xi said, “Father-In-Law, you don’t have any spiritual power now. We can help you recover your spiritual power and save Yun’er, but we need you to do something. Are you willing?”

Shangguan Patriarch looked at Dong Xi. Shangguan Patriarch said, “Can you save Yun’er?”

Dong Xi did not panic at all and said meaningfully, “My Senior Brother has recovered. Yun’er’s heart...”

Although she stopped mid-sentence, she had already said what he needed to say. Shangguan Patriarch’s expression was very ugly. He said, “You dug out Yun’er’s heart?”

He clearly revealed the anger with his tone.

“No,” Dong Xi shook her head and said, “A day as husband and wife is a hundred days of love. Besides, I can’t be as fierce as you, Father-In-Law.”

Shangguan Patriarch’s expression immediately became better. Dong Xi continued, “It’s just that the life force in the heart is slowly disappearing.”

“You!” Shangguan Patriarch cursed angrily. “You are all animals!”

“Father-In-Law, how can you say that?” Dong Xi said. “Taking back your own things makes you a beast?”

Dong Xi kept calling him Father-In-Law, which made Shangguan Patriarch even angrier. He clutched his chest and said, “You said that you deliberately snatched the embroidered ball back then?”

“It’s really not like that. Everything is arranged by fate,” Dong Xi waved her hand and said.

Shangguan Patriarch’s expression was extremely ugly. Dong Xi continued, “Father-In-Law, I wonder if you’ve heard of the Crane Clan’s Curse?”

When Shangguan Patriarch heard this, his expression became even uglier.

In an instant, everything that had happened to the Shangguan Patriarch during this period of time could be explained.

“Since you’re here for revenge, just come to me. Don’t hurt my daughter,” said Shangguan Patriarch.

“The one who hurt your daughter is someone else. Don’t you want to get better and protect your daughter?” Dong Xi shook her head.

Shangguan Patriarch fell silent. He knew that he had no other choice.

Due to the Crane Clan’s curse, the Shangguan Patriarch could not display even a ten-thousandth of his strength. If the news of him becoming a cripple was made known to outsiders, those opponents would definitely make a move against the Shangguan family.

Therefore, even if Shangguan Patriarch knew that it was a trap set by the two of them, he had to jump into it.

This was an open scheme.

Shangguan Patriarch was silent for a long time before he said, “What do you want me to do?”

Dong Xi said, “It’s very simple. The one who tied the bell has to undo it. From now on, you can acknowledge Senior Brother Rui Ming as your Master. Perhaps he can undo the curse on you.”

As soon as Dong Xi finished speaking, Shangguan Patriarch frowned and said, "Impossible."

Dong Xi looked at Shangguan Patriarch and said with a smile that did not quite reach her eyes, "Father-In-Law, think about it. If my Senior Brother is no longer willing to take in servants, you won't have any chance to recover."

Shangguan Patriarch felt extremely upset. Dong Xi continued, "What's wrong? You could dig out my Senior Brother's heart, and now you can't accept being a servant? Sooner or later, you'll have to pay the price."

Shangguan Patriarch was extremely unwilling. If he were to worship the crane as his Master, who knew how these two would torture him?

"Junior Brother, let's go," Rui Ming said straightforwardly. "I told you before that we don't need any servants."

It was a restriction set up by Shangguan Patriarch, so he was still very confident.

However, he did not expect that Dong Xi would stop Rui Ming when he saw that he was about to destroy the restriction.

Rui Ming looked at Dong Xi in confusion. Dong Xi said, "Senior Brother, why do you need a butcher's knife to kill a chicken? Just let Songsong do such a small thing."

In front of the two of them, Dong Xi took out Songsong with a smile.

Dong Xi grabbed Da Niu's leg and took both out together.

The disobedient little fellow was suddenly dragged out by Dong Xi.

The surrounding light made Songsong feel a little uncomfortable. Songsong blinked and saw everything around her. She immediately cried out with tears in her eyes.

Songsong's voice rang out in Dong Xi's mind. Songsong said, "Little Xi, can Songsong be out in the open? Are you going to give Songsong a status?"

Dong Xi, "..."
