

Above All 516

Chapter 516 Fleeting in a Flash

Time passed in the blink of an eye. It had been six years since Dong Xi had participated in the Blazing Flame Valley's celebration. She had also grown up.

Counting the days, it seemed like Dong Rourou should start practicing her swordsmanship.

Dong Xi had also inquired about Dong Rourou. Even now, Dong Rourou's master still had not come to visit.

Therefore, Dong Xi planned to teach her personally.

Dong Xi came to the mortal world and returned to the Dong family.

Old Master Dong, who was sitting in the living room and sipping tea, had also rushed back from outside.

Dong Xi used her divine sense to scan and found that Old Master Dong was only in his fifties, but his footsteps were unsteady, his face was sallow, and his entire body was covered in the smell of rouge.

Needless to say, this was another playboy who was about to waste his life away.

When Old Master Dong saw Dong Xi, he was also somewhat shocked.

Although he heard from the servants that she was not old, he did not expect her to be so young.

Especially when he saw the eyes, he realized that Dong Xi's eyes were hollow and turbid. Could she be blind?

Old Master Dong sized up Dong Xi and thought that Dong Xi could not see it at all. Old Master Dong's gaze was also very unfriendly.

Old Master Dong did not know that his every move was discovered by Dong Xi's divine sense.

The two of them looked at each other for a moment before Old Master Dong walked in. Old Master Dong said, "You are Swordsman?"

Dong Xi nodded. Before she descended to the mortal world, she did not really want to come, but after she really came, it did not matter.

These people were related to Dong Xi by blood, but Dong Xi did not intend to acknowledge them. She just treated them as strangers.

"May I ask your honorable name?" Old Master Dong asked."

"Dong Li," said Dong Xi.

As he spoke, Dong Xi's empty eyes looked at Old Master Dong.

"I heard that you think highly of my daughter's talent and want to take her as your disciple?" said Old Master Dong.

Dong Xi nodded. As for talent, Dong Xi did not care at all.

Dong Xi only wanted to know what Dong Rourou had experienced in the original book and why she was so cruel.

She tortured the original Host to death, and even tortured the unlucky Dong Xi to death.

The methods used to torture the people were much worse than the demons. It did not seem like a righteous sect could do such a thing.

Now that Dong Rourou was in Dong Xi's hands, things would be much more controllable in the future.

Dong Xi's thoughts were very simple. She just needed to prevent Dong Rourou from going astray from the righteous path. Moreover, she had learned this sword technique from her master, Yijian. Although it was nothing in the cultivation world, it was an invincible existence in the mortal world.

Normally, if an expert who could fight dozens of people was willing to take their child as an apprentice, they would immediately cling to her.

However, Old Master Dong was not an ordinary person. Elder Dong said, "Thank you for thinking highly of me, Sir. I can't make the decision for my daughter. I need to discuss it with her brother."

Dong Xi was speechless.

Dong Tianya?

"I won't be here for too long. You guys decide as soon as possible," Dong Xi stood up and said.

Old Master Dong's attitude was very good. If this person was really the kind of guest from the sky that they had guessed, the Dong family would not dare to offend him at all.

"How about this? You can stay in the residence for now. We'll give you an answer after we've discussed it."

"That works too," Dong Xi said.

The Dong family was the most familiar in the original owner's memory. Dong Xi followed the butler through the familiar stairs and corridors to the guest room.

When Dong Xi entered the door, she suddenly heard some sounds. Dong Xi turned around and saw a familiar figure.

However, it disappeared very quickly. Dong Xi withdrew her divine sense and entered the guest room.

The housekeeper sent a servant girl over, but Dong Xi declined politely. Dong Xi was the only one left in the room.

Not long after, there was a knock on the door.

Dong Xi used her divine sense to check. When she saw the person outside, she was instantly stunned.

Then, Dong Xi stood up and opened the door. The moment the door opened, the person outside immediately entered the room.

Song Qingfeng looked into Dong Xi's eyes and said, "Little Xi, how did it become like this?"

Dong Xi said indifferently, "I saw something that I shouldn't have seen. It's nothing. Master said that I'll be fine after a while."

Hearing this, Song Qingfeng was relieved. He said, "Then why are you here?"

"Of course I'm going to my own home. Why are you here?" Dong Xi said in surprise. "Aren't you looking for Third Senior Brother?"

Song Qingfeng widened his eyes and said in shock, "This... Is it your house?"

Dong Xi immediately covered Song Qingfeng's mouth and said, "Keep your voice down. I snuck back here. No one here knows."

Song Qingfeng's eyes were filled with surprise. He then signaled Dong Xi to let go.

However, when Dong Xi realized that she could not see anything and did not know what to do, she let go of Song Qingfeng.

"Senior Brother, didn't Master say that you were surrounded? Why are you here?" asked Dong Xi.
"Where did Third Senior Brother go?"

"I am, but at the same time, I am not," Song Qingfeng sighed.

"Speak in human language, don't be mysterious." Dong Xi immediately said.

Song Qingfeng was speechless.

Chapter 517 Being Set Up

Song Qingfeng thought for a moment and said, "I can't find the person I'm looking for. I was trapped in... Your house."

The two of them exchanged information and suddenly came to a realization.

Song Qingfeng knew that Dong Xi was the eldest daughter of the Dong family, and she had replaced Dong Rourou in the cultivation world.

Dong Xi also found out that after leaving this place, the Dong family no longer recognized Dong Xi's existence. Dong Rourou had also become the Eldest Young Miss.

"I took Dong Rourou's spot to cultivate, so it's normal for them to do this," Dong Xi said with a smile."

After saying that, Dong Xi's divine sense landed on Song Qingfeng again.

"Junior Sister," Song Qingfeng shook his head and said, "You know that cultivators value karma. If you really steal someone else's opportunity, you will be punished in the future."

Dong Xi was speechless.

Could it be that the original body's fate was retribution?

Dong Xi was a little flustered. She had thought that she would be able to escape from the situation of certain death now that her cultivation had increased. However, she did not expect that there would be other retribution...

Song Qingfeng looked at Dong Xi's dazed expression and said, "The situation in your family is too strange. Is your brother also a cultivator?"

Dong Xi said, "It is all thanks to this good brother that I was able to enter the Ningtian Sect."

Song Qingfeng sighed and said, "Master sealed my cultivation. I'm only at the third level of Qi Refinement stage. Third Senior Brother has no cultivation and is now trapped in your house. Your brother told us to teach your sister skills before we can leave."

"?"

Dong Xi seemed to have thought of something and said, "Could it be that you taught Dong Rourou swordsmanship?"

"I want to, but I want to know it too!" Song Qingfeng shook his head.

Dong Xi heaved a sigh of relief. Song Qingfeng continued, "That was taught by Third Brother."

Dong Xi was speechless.

Dong Xi was especially puzzled as to why her two Senior Brothers had fallen to such a state. Dong Xi said, "You and Third Senior Brother are both smarter than the other. How did he set you up?"

Song Qingfeng thought about what happened before. After a moment, Song Qingfeng said, "He did not do it intentionally. Although I don't know how he knew that Third Brother and I were coming back, he must have known something long ago."

Dong Xi remained silent.

This was also the most likely reason Dong Xi believed that Dong Tianya had also been reborn.

Dong Xi looked at the original book. It did not mention that Dong Rourou was once under the name of her stepmother, and there was very little mention of anything else.

Dong Rourou entered the Sword Dao and ascended to the cultivation world alone.

Now, because of Dong Xi, everything was different from the book.

However, there was one thing that Dong Xi could not figure out.

If Dong Tianya was also reborn, why would he help Dong Rourou arrange a marriage when he knew that his sister would ascend to the Immortal Cultivation World and that she was talented in sword cultivation?

Dong Xi thought for a long time, but she did not know the reason.

Song Qingfeng saw that Dong Xi did not say anything for a long time, so he instinctively waved his hand in front of Dong Xi.

Song Qingfeng was suddenly stunned. He remembered that Dong Xi could not see him now...

At this moment, Dong Xi came back to her senses and said, "Second Senior Brother, with your and Third Senior Brother's abilities, you can't leave the Dong family?"

Song Qingfeng nodded and said, "There's an array formation here. Dong Tianya knew that the person I'm looking for might be related to the Dong family, so he led us here. This array formation is useless to mortals. If Third Senior Brother and I were at our peak, we could also get out. But now, both of us have lost our cultivation."

Dong Xi released a wisp of her consciousness onto Song Qingfeng's face.

Song Qingfeng frowned. It was obvious that things had gone beyond his expectations.

"Second Senior Brother, who exactly are you looking for?" Dong Xi asked.

Song Qingfeng sighed and didn't say anything for a long time.

Dong Xi also realized that this was someone else's family matter and should not ask too much. Dong Xi said, "If you can't say it, just pretend that I didn't ask..."

Without waiting for Dong Xi to finish, Song Qingfeng said, "There's nothing that can't be said. The person I'm looking for is Third Aunt."

Dong Xi was instantly stunned. She had thought of many possibilities before, such as a lost sister, a lover separated from the mortal world...

The only person he did not expect was an aunt.

"The one who asked me to perform a divination to find?" Dong Xi said. "600 years old, the one with the water spirit root?"

"Yes," said Song Qingfeng.

"Have you found her?" Dong Xi immediately asked. "Are there really mortals that are of that age in the mortal world?"

"What? You don't believe it?" Song Qingfeng asked.

Dong Xi was speechless. Song Qingfeng continued, "I found her, but she doesn't have the water spirit root you mentioned."

"Hm?" Dong Xi said. "Who is it?"

"According to what you said, you're the Dong family's legitimate daughter. The person I'm looking for might be your mother."

Dong Xi was speechless.

If it was true, then Song Qingfeng's Third Aunt was Dong Xi's mother, and Dong Xi was Song Qingfeng's cousin.

Chapter 518 You Are a Song Family Member

Song Qingfeng thought the same as he stroked Dong Xi's hair.

"Besides, I already knew that you're a member of the Song family."

As soon as he said this, the scenes of the two of them flashed through Dong Xi's mind.

No wonder Song Qingfeng's attitude towards Dong Xi was so strange.

This could also explain why Dong Xi was able to cultivate the Song Clan's cultivation technique, as well as the blood from the glabella that Second Senior Brother had given her.

"That drop of blood back then..." said Dong Xi.

"It's useless," Song Qingfeng said immediately. "I just activated my bloodline. At first, I thought that you were from the side branch of the Song family. I didn't expect you to be my cousin."

Perhaps it was because Dong Xi was a little agitated, but his divine sense was also very active.

Song Qingfeng raised his head and looked into Dong Xi's eyes. Song Qingfeng said, "Little Xi, you can release your divine sense?"

Dong Xi nodded.

Song Qingfeng widened his eyes and said in disbelief, "You're already in the Golden Core stage?"

Song Qingfeng was only in the advanced Golden Core stage. He knew that coming to the human world would delay his cultivation, but he did not stay for that long.

Who would have thought that in such a short period of time, Dong Xi had already reached the Golden Core stage? How did this girl cultivate so quickly?

Dong Xi noticed Song Qingfeng's expression and knew that Song Qingfeng had misunderstood. Dong Xi said, "No, I just had some fortuitous encounters and was able to release my divine sense."

Only then did Song Qingfeng relax. Song Qingfeng said, "What is your current cultivation level?"

Dong Xi's lips curled into a smile as she said, "One step to Golden Core."

Song Qingfeng was speechless.

Song Qingfeng did not want to know why his aunt's spirit root was gone. He wanted to go back to seclusion and wait to advance to the Nascent Soul stage.

If his Junior Sister caught up to him so quickly, wouldn't Song Qingfeng lose face as a Senior Brother?

"Second Senior Brother, according to your words, my mother is the person you're looking for. But she doesn't have a spirit root?" Dong Xi immediately said. "Do you know where my mother's spirit root went?"

Song Qingfeng shook his head and said, "I don't know. I've been trapped here since I came here. I've never seen my aunt."

"Since my mother's spirit root can be gone, then I have to..." said Dong Xi.

When Song Qingfeng heard this, he became nervous. Song Qingfeng said, "Your spirit root is gone too?"

"I don't have a water spirit root."

Song Qingfeng had always known about this. Song Qingfeng said, "Not every member of the Song family has a water spirit root. Look at me... I only have a fire and wood spirit root, right?"

"I have the Innate Moon Spirit Body," said Dong Xi lightly.

"I'll send a message to my father," Song Qingfeng said seriously.

Dong Xi nodded. If someone came to help, it would naturally be better than letting their imagination run wild.

"Tomorrow, I'll think of a way to see my mother," said Dong Xi.

"Third Senior Brother and I have been here for a few months," Song Qingfeng said helplessly. "It would be fine if you didn't come in. But now that you're here, how can you leave?"

Dong Xi instantly thought of two escape plans.

After Dong Xi thought for a moment, she decided to take advantage of the situation.

Dong Xi said, "I'll think of a way. When I get out, I'll come back to save you."

At this point, Dong Xi suddenly thought of something and said, "Second Senior Brother, Dong Tianya asked you to teach Dong Rourou skills, and only then he'll allow you to leave? Third Senior Brother taught her swordsmanship, but what about you?"

Dong Xi remembered that in the original book, Dong Rourou did not have a fire spirit root and could not refine pills.

"I can teach the zither," Song Qingfeng said with a smile."

Dong Tianya did not say that he had to teach other skills. Of course, playing the zither was also possible.

...

The two of them chatted for a while before Dong Xi chased Song Qingfeng out. She told him that she would look for Song Qingfeng tomorrow morning and that Song Qingfeng must remember to wait at the door tomorrow morning.

After Song Qingfeng left, Dong Xi went to the courtyard.

Dong Xi could clearly feel the energy fluctuations here. She snorted lightly and drew two runes on the ground.

After everything was done, Dong Xi took out a jar of wine from his ring and drew a replacement rune on it.

After he finished drawing, Dong Xi sat on the ground and listened to the movements around him.

After some time, footsteps sounded.

Dong Xi used her divine sense to see who it was.

Dong Xi opened the bottle of wine and gulped it down, spilling a lot of wine on his body.

When the person approached, Dong Xi pretended that she did not hold it firmly and the wine jar rolled out.

Dong Xi opened her eyes and stood up unsteadily. Looking at the servant girl who was walking over, Dong Xi said, "Can you... give me back the wine?"

As he spoke, Dong Xi even burped a few times.

The servant girl had heard from the butler that this was a distinguished guest of the Dong family. She could not come over and disturb her, let alone offend her.

The servant girl immediately picked up the wine jar that had fallen to the ground. The rich fragrance of the wine made the servant girl somewhat intoxicated...

Chapter 519 The Disappearing Spirit Root

Just like that, after spending a few months in the Dong Residence, Song Qingfeng slowly found out the truth about Dong Xi and his mother's water spirit root.

Early in the morning, a series of footsteps came from outside the door. Dong Xi immediately used her divine sense to investigate who had come.

Dong Xi immediately let down her guard when she realized it was Second Senior Brother.

Song Qingfeng pushed open the door and entered the room. He saw that Dong Xi had already woken up.

"Little Xi," Song Qingfeng said, "I've basically investigated the matter between you and your mother."

When Dong Xi heard this, waves of emotions surged in her heart.

After all, Dong Xi had an Innate Spirit Body. No matter what, it was impossible for her to not have a water spirit root!

"What's going on?" Dong Xi asked.

Song Qingfeng's face darkened. He gritted his teeth and said, "All of this is related to Dong Tianya."

When Dong Xi heard this, she had some guesses in her heart.

His mother was already very old, and it was unlikely for Dong Tianya to live that long.

Without waiting for Dong Xi to ask, Song Qingfeng continued, "It can't be said that it has something to do with Dong Tianya. It should be said that everything is a conspiracy of Dong Tianya's father."

Through Song Qingfeng's explanation, Dong Xi finally understood what was going on.

Back then, Song Qingfeng's aunt, who was also Dong Xi's mother, came to the mortal world without permission.

She had wanted to tour the mountains and enjoy the scenery, but she had not expected to fall in love with Dong Tianya's father.

Dong Tianya's father was also a cultivator, but he was inextricably linked to the demon race.

The two of them had been living happily in the mortal world for hundreds of years.

One day, Dong Chou brought Dong Tianya back from the outside world and taught him carefully.

Song Qingfeng's aunt was very confused, but after Dong Chou's explanation, Song Qingfeng's aunt believed him.

Not long after, Dong Chou imprisoned Song Qingfeng's aunt.

One night, he forcefully took away Song Qingfeng's aunt's water spirit root.

After that, Song Qingfeng's aunt gave birth to Dong Xi, but Dong Chou took her away.

Dong Xi, who now knew everything, was furious.

According to Song Qingfeng, Dong Chou was the original Host's biological father. Why would he do such a cruel thing?

No matter what, she was still Dong Chou's daughter!

Song Qingfeng also wanted to know everything.

"That's all we know at the moment. If we can take Dong Tianya down..." said Song Qingfeng.

Dong Xi nodded. He knew that this was the only way at the moment. However, Second Senior Brother's cultivation base had been sealed. How could Dong Xi be a match for Dong Tianya by herself?

After pondering for a moment, Dong Xi thought of the Big Snake.

Dong Xi immediately said in his sea of consciousness, "Big Snake, Big Snake, are you there?"

After waiting for a long time, she did not receive any response.

"Little Xi, we still need to think about this matter. I'll think of a way to contact Master," said Song Qingfeng.

Dong Xi nodded and Song Qingfeng stood up to leave.

Dong Xi was a little depressed. He was so ruthless now, but the Big Snake did not care.

Just as Dong Xi was about to take the risk and go all out, the Big Snake's voice sounded in his sea of consciousness.

"You shouldn't take any risks in your current state," said Su Cheng.

When Dong Xi heard the Big Snake's voice, she immediately perked up.

"You're finally awake. Can you help me this once?" Dong Xi asked.

Su Cheng had not fallen asleep, so he heard Song Qingfeng's words clearly.

Over the years, Su Cheng and Dong Xi had gone through many things together. The two of them had long developed feelings for each other.

However, no one said anything about it.

"I'll help you according to your plan," Su Cheng said lightly.

Dong Xi received the snake's reply. She immediately took out her communication jade slip and sent a message to Song Qingfeng.

[Second Senior Brother, I already have a way. We'll take action tonight.]

...

In the middle of the night, Dong Xi deliberately made a noise.

Dong Tianya had always been paying attention to Dong Xi and the others. Now that such a loud noise had suddenly appeared, Dong Tianya immediately rushed over.

When he arrived at the courtyard, Dong Tianya did not notice anything unusual.

Not long after, Song Qingfeng walked out.

"Master Song, it's late. Why don't you go back to your room and rest?" Dong Tianya asked with a cold expression.

"Why did you imprison my aunt?" Song Qingfeng sneered.

Dong Tianya remained silent. Since things had already come to this, there was naturally no room for retreat.

However, Song Qingfeng did not have much cultivation, so Dong Tianya was naturally not afraid.

Dong Xi also walked out of the house.

"Dong Tianya, look at who I am," said Dong Xi.

Only then did Dong Tianya take a closer look and discover that it was Dong Xi.

"You, why did you come back?" Dong Tianya said with some fear.

Dong Xi sneered, "Why are you panicking?"

"I'm not panicking!" Dong Tianya said.

Chapter 520 Lovers Will Be Together

Dong Xi did not want to waste any more time. No matter what he asked now, Dong Tianya would not say anything. Only by beating Dong Tianya into submission would he know the answer.

The two of them did not waste any time and directly started fighting.

As Song Qingfeng did not have much cultivation, he could only stand at the side and throw out a handful of talisman papers from time to time.

Dong Tianya also did not expect that Dong Xi would actually have such a high cultivation.

And now that she was in the mortal world, she was not affected at all.

Dong Tianya took out a porcelain bottle and swallowed all the pills inside.

Dong Tianya's spiritual power increased rapidly, and he suffered a lot of pain.

"You forced me to do this. I can only send you away now!" Dong Tianya said through gritted teeth."

Dong Xi and Song Qingfeng's expressions changed drastically.

They did not expect Dong Tianya to be so crazy.

Dong Xi could only shout in his sea of consciousness, "Big Snake, come out quickly!"

Su Cheng immediately appeared and blocked Dong Tianya's heavy blow.

Song Qingfeng was stunned when he saw the sudden appearance of this man.

Isn't this Demon Lord Su Cheng?

Song Qingfeng looked at Dong Xi in disbelief. Song Qingfeng said, "Little Xi, you entered the demonic path?"

Dong Xi shook her head.

Song Qingfeng heaved a sigh of relief. "Little Xi, you're still young. Don't have any evil thoughts. This Demon Lord isn't a good person."

Dong Xi immediately raised his hand to stop Song Qingfeng. Dong Xi said, "Senior Brother, listen to me. The Big Snake is no longer a Demon Lord! He no longer has any demonic Qi and is a cultivator like us."

Song Qingfeng could not care less. He sent a message and said, "Little Xi, you are still young, don't be tempted by this demon."

After saying that, he immediately sent the message.

When Daoist Lingxu received the message from his disciple, he was instantly stunned and immediately went to look for the Daoist Sect Master.

When they found out that Demon Lord Su Cheng and Dong Xi were together, everyone could not believe it.

Soon, the eight sects gathered and decided to descend to the mortal world together to destroy the Demon Lord, Su Cheng.

...

Su Cheng dealt with Dong Tianya very quickly. Dong Xi and the others also knew the whole truth of the matter.

The main culprit, Dong Chou, had long died. Dong Tianya was merely following Dong Chou's instructions.

Fortunately, her mother was fine now. She just needed to find her water spirit root.

Dong Xi did not intend to kill him completely. She directly crippled Dong Tianya's cultivation and let him spend his final moments in the mortal world.

Su Cheng knew that Song Qingfeng had informed the cultivation world and was about to leave.

A handful of talismans was thrown near Su Cheng.

"Don't even think about leaving, Demon!" Song Qingfeng said.

Su Cheng's eyes turned cold. If it was not for Dong Xi, Song Qingfeng would have been a dead man.

Dong Xi immediately stood in front of Su Cheng and said, "Senior brother, I told you, he's not a Demon Lord anymore. He's just an ordinary cultivator!"

Song Qingfeng gritted his teeth and said, "Little Xi, don't be fooled by him. How can a Demon Lord like him become better?!"

Song Qingfeng only wanted to stall for time. When his master and the others arrived, this demon would definitely not be able to escape.

...

Master Lingxu and the others came to the mortal world and surrounded Su Cheng.

Dong Xi stood beside Su Cheng and shouted, "Master, you don't believe me either? Su Cheng really isn't a Demon Lord!"

Master Lingxu thought that Dong Xi had been bewitched by Su Cheng.

In order not to hurt Dong Xi, Su Cheng used his spiritual power to push Dong Xi to the side of Lingxu.

Then, he started fighting with the others.

Dong Xi wanted to rush over but was grabbed by Lingxu.

"Listen to me, he's really not what you think he is," Dong Xi cried.

Master Lingxu directly knocked Dong Xi out with a palm strike.

Su Cheng saw that Dong Xi was safe, so he fought with the others and left.

...

After more than ten years, Dong Xi had already become slim and graceful, and her cultivation had risen quite a bit.

However, Dong Xi had been thinking about Su Cheng all these years.

Dong Xi searched everywhere in the cultivation world and the mortal world, but she could not find Su Cheng.

Every time she heard any news, Dong Xi would return dejectedly.

On this day, Dong Xi heard that the Demon Lord had appeared in Foutai City.

Dong Xi immediately rushed over, but she did not find anything.

Dong Xi was extremely disappointed. She found a tavern and drank alone.

At this moment, a voice was heard. Su Cheng said, "After so many years, you're still so greedy for alcohol?"

Dong Xi turned around in disbelief. When she saw Su Cheng's tall figure, her eyes were filled with tears.

"Why didn't you come and find me?" Dong Xi asked.

"I'm here," Su Cheng said with a smile.

Dong Xi went forward and hugged Su Cheng. Dong Xi said, "Big Snake, don't ever leave me."

"Alright," said Su Cheng.
