### Secret Admirer: Finding True Love After ...

#### Chapter 566 Crying Miserably

Meryl chatted with Anne for a while in the hospital and gave her the clothes she had bought at the maternity and baby **store** in the

morning.

“Have you chosen a name for your baby?”

Anne looked much more energetic than yesterday, even her eyes looked brighter.

After a night’s rest, her complexion seemed to have recovered.

“I’m going to call her Bella, Bella Blanchett.”

Meryl nodded. “This name is quite adorable.”

Anne could eat the next day after the operation, **so** Yancey

cooked soup for Anne at home.

She gently pulled Meryl’s hand and whispered, “Yancey and I are in a relationship.”

Meryl was stunned, her eyes showing surprise. “Are you serious?”

Thinking of Yancey going into the operating **room** yesterday to give Anne a blood transfusion, Meryl asked, “Do you have a crush on him, **or** are **you** moved?”

Anne **pressed** her lips and **said** truthfully, “Probably **both**.”

But **it was** normal. After all, the two had lived in the same **house for** seven **or** eight months.

Yancey got up every morning to prepare breakfast for Anne and heated a cup of milk for her in the evening. He was **so** considerate that it was easy to make Anne soften her heart.

“No matter what, I’m on your back.”

Meryl squeezed Anne’s hand hard and continued, “But since Dante already knows that Bella is his daughter, he probably won’t give up easily. Have you figured out what to do?”

Anne shook her head. “Let’s take **it** one step at a time. I’m already divorced with him. What does it have to do with him if I find a boyfriend?”

The two chatted for a while, and Yancey came in with a steaming lunch box.

Meryl left them some space, then gently closed the door and left.

Chandler was standing in the corridor. He grabbed Meryl’s hand once he saw her.

“Are you hungry? Let me take **you** to eat something.”

Meryl looked at the time, and it was already past three in the afternoon.

“Look at you. You two can’t stop talking. Have you forgotten that you are a pregnant woman?”

Chandler took out a cupcake from his pocket and said, “I just bought it downstairs in the hospital. Eat it first. Don’t let my son starve.”

Meryl took the cupcake and couldn’t help but poke Chandler with her elbow. She smiled, “Who said it’s a son? What if it’s a daughter?”

“I just said it casually. If she’s a daughter, so of course I’ll like her

more.”

Chandler looked at Meryl’s belly.

She had been pregnant for almost four months, but her belly hadn’t grown.

“Do you need to check again? Are you malnourished?” asked Chandler.

“It’s not time for the prenatal checkup yet.” Meryl took a bite of the cupcake and said vaguely, “I asked the doctor. Some people are naturally thin, so they don’t look pregnant. It is normal.”

Chandler didn’t say anything else. He took Meryl into the car and

drove to a restaurant.

On the way, Meryl noticed that Chandler’s phone kept ringing and asked, “Don’t you want to answer it?”

Chandler said softly, “Nothing. It is just an unimportant person.”

Meryl didn’t think much about it. More than ten minutes later, they got out of the car. After ordering the food, Chandler went to the bathroom.

Just at this moment, Chandler received a text message.

[Chandler, I’m surrounded by a group of hooligans. Do you want to see me being humiliated by them?]

M

Chandler frowned. His expression suddenly changed when he saw the message, and he immediately called Rachel back.

1. ck.

The call was quickly connected, and Rachel was crying. There was a sound of knocking on the door, and it sounded very noisy.

“What happened?”

“Chandler, please come and save me. I’m surrounded.”

“Tell me the address.”

“A box in the Spring Bar.”

Just as Rachel finished speaking, the bathroom door was finally kicked open from the outside.

Rachel turned pale with fright. The huge vibration from the shattered door panel scared her so much that she even dropped her cell phone.

“You can hide, but you are still in my territory.”

Yinson’s frivolous voice made Chandler’s face turn cold. There was also a sound of being dragged, and Rachel was crying miserably on the phone.

Chandler hung up and rushed out.

Meryl frowned when she saw Chandler coming out of the bathroom and running outside .

She shouted at Chandler, “We haven’t eaten yet. Where are **you** going?”

However, Chandler did not respond to her.
