[Chapter 721 Watch The Figh](#)

There was dead silence in the conference room.

Needless to say, the result was a foregone conclusion.

Gerald's face darkened. But he suddenly burst into laughter.

"Ha-ha! Maurice, even if you know it, so what? I have locked Dad up, and Mom is also in my hands."

Maurice was not too surprised. He looked calm, but he said in a cold tone, "Gerald, you are a bastard."

[Chapter 722 The Acciden](#)

Inside the black Lincoln, Corbin sat in the driver's seat with Maurice in the passenger seat. Gerald and Sean sat in the back seat.

The farce in the Moran Group building ended with Sean winning.

By the time Sean felt he had vented his anger enough, Gerald was already beaten black and blue.

In the end, Maurice took both of them to the car.

Maurice looked back and asked coldly, "What's the address?"

"FiliaIness Sanatorium," Sean immediately shouted.

Corbin turned on the GPS and drove to the sanatorium.

In the back seat, Gerald covered his bruised and swollen face, staring at Sean with red eyes.

When Corbin saw Gerald running towards the road, he turned his head and called out to Maurice with difficulty. "Mr. Moran... Mr. Moran... Please wake up. Gerald is running away again."

Corbin wanted to chase after Gerald. But his legs were stuck, so he couldn't move right now.

At this critical moment, Maurice's breathing became heavy, and his eyelids trembled.

Then he coughed violently.

Finally, he opened his eyes, regaining his consciousness.

"Mr. Moran... Gerald has..."

Corbin was gasping for breath, so he almost couldn't speak.

Upon hearing this, Maurice tilted his head slightly and forced himself to look out the window. Indeed, he saw Gerald limping away.

[Chapter 724 Meet In A Dream](#)

When Maurice opened his eyes, there was nothing but darkness. He couldn't see anything.

His mind was a mess.

What happened? Where was he?

What about Eliana? He was going to find her.

This was the only thing left in his mind.

At this moment, there was a light in the distance.

Maurice's eyes lit up. He staggered to his feet and walked towards the direction where the light was coming from.

He didn't know how long he had been walking. But this time, he saw bright lights in the sky.

And under the sky full of lights, he saw Eliana in a wedding dress.

"Eliana!" Maurice shouted at once.

[Chapter 725 He Has Changed A Lo](#)

Although Maurice had seen it with his own eyes, he was still stunned when he heard Corbin say Gerald was dead.

The scene when Gerald was hit by the truck and fell to the ground a few meters away flashed in his mind. And when he recalled Gerald's image lying in a pool of blood, his heart skipped a beat.

This time, it was not a dream.

Gerald was really dead.

Maurice's heart was filled with mixed emotions, but he could only sigh.

He looked at the back of his hand, pulled out the infusion needle, and lifted the quilt. He wanted to get out of bed.

[Chapter 726 So Close Yet So Far](#)

In the middle of the night, Maurice lay on the hospital bed, tossing and turning.

The same questions lingered in his mind.

Where was Eliana now? Who took her away? Was she alright?

Did she also miss him and the children?

Every time Maurice closed his eyes, Eliana's images flashed through his mind one after another. He couldn't fall asleep at all.

Finally, he gave up forcing himself to sleep. He stood up, took out a cigarette from the cigarette box, and walked to the balcony.

He looked up and saw that the moon tonight was beautiful.
