

THE ADORABLE TWINS AND THEIR CEO DADDY

Chapter 100 The Collapse Of The Jarvis Family

Looking at Corbin, Maurice asked, "Have you found it?"

"Not yet." Corbin shook his head in reply.

Upon hearing that, Maurice's expression darkened and he fell into deep thought.

He wondered, 'What did the dog swallow to make Eliana care so much about it? Eliana, the dog, the kindergarten...'

All those bits of clues flashed in his mind.

There was a vague feeling in his gut that told him that it was all connected. However, the thoughts were flashing so fast that he could not put the pieces together.

"You must find that dog. If you can't do it alone, then take more men," Maurice ordered in a low voice.

"Understood, sir."

Corbin nodded in reply, but he was surprised.

There was a popular saying, "Love me, Love my dog." It seemed that Maurice loved Eliana so much that he even cared about her dog.

He sensed that he would have to report everything about Eliana to him from now on.

With that, Corbin added in a hurry, "Mr. Moran, I found some clues about how Eliana was lured into the black market. Evelynn was the one who bribed the owner of the antique shop."

"I already guessed it."

Contrary to what he expected, Maurice did not seem surprised at all.

There was only one person who hated Eliana, knew that she was in need of the Argyle pink diamond, and could afford to buy off those thugs.

And it was none other than Evelynn.

Thinking of her, he became furious at once.

He could not stand Evelynn and the Jarvis family anymore.

The Jarvis family was absolutely corrupt, and just like Evelynn, the rest of the family was also rotten at heart.

"It's time to deal with the Jarvis family."

Hearing that, Corbin looked at Maurice.

There was a hint of murder and coldness in his eyes, which made him seem like undying flames that would annihilate everything in sight.

The next day.

As soon as Eliana arrived at the company, she put down her bag, and checked her phone. She found numerous news articles about the Jarvis family.

"The corrupt Jarvis Group?"

"Jarvis Group's list of bribes exposed?"

"The stock prices of Jarvis Group plummeted?"

Eliana was flabbergasted.

"Oh my God! What's going on with the Jarvis family?"
Soon, she heard her colleagues discussing about it in the pantry, and they had the same questions about the news as her.

Eliana turned around and found all of her colleagues gossiping.

"Weren't the Jarvis family and the Moran family friends? Will our company be implicated because of this?"

"Keep your voice down! I heard that the reason behind the Jarvis family's sudden collapse is because they offended Mr. Moran..."

Hearing that, the colleagues gasped in shock.

Eliana was also surprised.

Maurice had asked her to design the necklace for Evelynn, and she had seen them being intimate at that time.

If he really was the one behind the fall of the Jarvis family, then...

Thinking of that, she trembled and felt goose bumps all over.

She figured that she should stay away from a temperamental man like him.

Glancing at Eliana, who was standing in the corner, Rachel sighed and said in a sarcastic tone, "Eliana, you are really lucky. Mr. Moran canceled the Jarvis

family's project right before their fall."

She made it sound like Maurice had deliberately removed Eliana from the matter before he took action against the Jarvis family.

"It was just a coincidence," Eliana retorted coldly.

Rachel could not help but sneer in her heart with jealousy as she looked at her pretty face.

"Mr. Moran not only canceled the Jarvis family's project in time, but also recommended your design to Nicole to wear on the red carpet. The rest of us in the Design Department never get such a chance."

Upon hearing those words, the others also looked at Eliana with a disgusted expression.

How could Mr. Moran give such a good opportunity

only to Eliana?

What dirty tricks had she played?
