

“Kiley, you should pay attention to your twin sister. You have been abroad in the past few years. She may have done a lot of things behind your back. Be careful that she steals Maxim away.”

Adeline didn't know Briana and Maxim's marriage. She naturally thought that Kiley and Maxim were a couple. When seeing Briana and Maxim together, Adeline thought that Briana secretly seduced Maxim behind Kiley's back.

Kiley forced a smile and said innocently, “Adeline, this video doesn't mean anything. Maybe something happened to Briana in the club, and Maxim helped her because she is my sister.”

Adeline couldn't help but shook her head. “Kiley, you don't know. She ordered a male model that night and even fed fruit to him. That scene was so disgusting. Do you still think she is an innocent girl?”

After a few seconds of silence, Kiley pursed her lips and said, “Adeline, do you have any evidence for what you saw?”

“Although I didn't take a picture, the surveillance must have recorded it.”

Seeing Kiley silent, Adeline suddenly suggested, “Kiley, I have a good idea.”

Kiley looked at Adeline suspiciously, “What then?”

Adeline leaned close to Kiley's ear and whispered a few words. Kiley said with a bit of embarrassment, “Isn't this not good?”

“How could it be? It's decided then. Don't worry. Just leave it to me!”

“But...”

Adeline frowned and said with dissatisfaction, “There's no but. Just

listen to me.”

Kiley nodded. “Okay then.”

They continued shopping, but Kiley was thinking about how to make Adeline’s plan more perfect.

Briana was bitch who wouldn’t let Maxim go. Kiley could only force her to do so.

Briana went directly to the company after getting up in the morning.

When Melody came to deliver the documents, she handed Briana the invitation from the Schneider family.

“The Schneider family is inviting you to Desmond’s birthday party.”

Seeing the ridicule in Melody’s eyes, Briana said lightly, “Aren’t you busy with other things?”

Melody smiled and put the invitation on the table. “I’m just curious. If the Schneider family knew that you were Anna, the founder of MY Corporation, would they regret treating you that way?”

Melody saw Zane and Mallory’s preference for Kiley at a party once. She had sympathized with Briana for a while.

Later, when Melody’s family went bankrupt, she came to MY Corporation for an interview. When Melody saw Briana sitting in the middle of the interviewers with the nametag of the CEO, Melody immediately felt that Briana didn’t need her sympathy.

Briana glanced at Melody. “Why did you give me this?”

“Honey, why don’t you go to the party with me? I can announce your identity as the president of MY Corporation to the public. The Schneider family... and your vicious sister, must have funny faces.”

“Not interested. I’m going there with Maxim tonight.”

Melody’s eyes widened. “Aren’t you going to get a divorce? Why do you still go to the party together?”

Briana blinked agitatedly, and her voice was lowered. “Something happened. I haven’t divorced him yet.”

Melody stared at Briana hesitantly and said slowly, “You regret it, do you?”

Briana was about to say something when the phone on the table rang suddenly.

It was Amy Horton, the store manager of JM Studio. Doubts flashed in Briana’s eyes.

Briana picked up the call and heard Amy’s anxious voice. “Boss, the new clerk accidentally displayed ‘Adore You’ in the store. Now a customer has taken a fancy to it and plans to pay double the price for it.”
