

After Divorcing, She Shocked the World Chapter 11 - Nude Photograph Threat

Chapter 11: Nude Photograph Threat

In the surveillance room, the bar owner rushed over.

The security guards were squatting in a row against the wall, with their hands on their heads. They were all wounded and did not dare to make a sound.

Wu Mei pulled up the surveillance video from last night. Sure enough, she saw the blonde sneakily talking to a woman.

The woman looked familiar.

Lin Piaopiao? It was her!

3

Wu Mei's cold gaze swept across the entire place.

The owner of the bar smiled and said warily, "Madam, please don't thrash the shop again. We're just a small business and can't withstand your torment!"

Last night, they had all witnessed Wu Mei's combat ability!

If this bar were to be thrashed again, it would completely close down and not be able to open for business again!

Wu Mei turned around and pointed at the blonde on the screen. She asked, "Do you know this person?"

"He's a hooligan from around the area and often comes over to support the business." The bar owner didn't dare to hide anything as he answered her.

Wu Mei pushed the electric batons carried by the security guards around and picked two that were handy for her. She looked up and said, "Get him here. Right now. Immediately, this instant..."

2

Half an hour later, the blonde pushed open the glass door with his bandaged hand.

"Why did you call me here? Is there a nice lass..." the blonde snickered. Before he could finish his sentence, he was hit on the back of his head.

Crash...

He fell to the ground on his back and a pair of high heels stepped on his chest.

1

The blonde tried to struggle, but he couldn't move. Against the light, he strained to see Wu Mei's face. His heart skipped a beat.

"I was wrong! Please forgive me!"

The blonde felt a slight pain in his hand that had been pierced by the glass, and he hurriedly begged for mercy.

Wu Mei did not expect him to be so cowardly. She squatted down slightly and pinched his chin. She asked, "What did Lin Piaopiao ask you to do?"

"She..."

The blonde wanted to deny it, but when he saw the surveillance monitors beside him, he immediately confessed, "She asked me to make you drink then f*ck you and take a few nude photos and send them to her!"

"I was just greedy for money and small gains. I won't dare to do it again!"

When the blonde heard Wu Mei's tone, he knew that she was not on good terms with Lin Piaopiao. He quickly told her everything he knew and wanted to absolve himself of blame.

1

Hearing this, Wu Mei narrowed her eyes dangerously.

Lin Piaopiao wanted to ruin her? Did she think she could get together with Li Nanchen just like that?

Well, this Lin Piaopiao is quite ruthless, but she's unlucky...

The current Wu Mei was no longer a brainless rich woman who only knew how to cry. Instead, she was a violent special agent who would pay someone back many folds more.

3

"Give her a call and say..."

Wu Mei gave him a few simple instructions. The blonde immediately dialed Lin Piaopiao's number and put her on speaker. He said, "Miss Lin, everything has been settled. Come and get the photos!"

He told the lie very naturally, and Lin Piaopiao believed him. The two of them agreed to meet at the bar later.

When he hung up, Wu Mei held out her hand to him and asked, "Do you have more of last night's drug?"

The blonde did not dare to disobey her. He immediately nodded and bowed as he took out a packet and said, "I still have it, I still have it!"

Wu Mei took it from him and poured it into the cola bottle in front of them. She stirred it and shook it twice before walking towards the blonde.

The blonde was so frightened that he almost wet his pants as he watched her approach.

"What... What do you want?"

Sympathetically shaking her head, Wu Mei pressed on his chin and forced the bubbling Coke into his mouth, not caring about whether he was choking or not.

"This is what you fed me yesterday. I'll give it back to you... Enjoy it."

Grabbing the blonde by the collar, she threw him into the store room and locked the door.

Listening to the shrill and terrifying screams coming from inside, Wu Mei looked at the service staff in the bar and threatened, "No one is allowed to

inform Lin Piaopiao. Or else, you will end up like him. You guys wouldn't want that, would you?"

"Don't worry, we didn't see anything!"

The bar owner took the lead to express his loyalty.

This woman is too ruthless!

Ring...

Wu Mei's phone suddenly rang. She looked down at the unfamiliar number and picked it up in confusion.

"Is this Wu Mei?"

A sweet female voice came from the other end of the line. Wu Mei tilted her head and narrowed her eyes, but did not respond.

"Last night felt good, didn't it?" the woman continued.

Wu Mei instantly realised who she was.

It was Lin Piaopiao!

"If you don't want Li Nanchen to know about your scandal, go to the bar from last night. I have something to talk to you about..."

"Of course, you can choose not to go."

"However, those nude photos of yours that I have my hands on, will probably be sent to the inbox of Li Nanchen and the Li Corporation..." Lin Piaopiao threatened.

Wu Mei lips curled up. She admired Lin Piaopiao's courage.

She doesn't even have the nude photos yet, but she just couldn't wait to make the threat?

1

"Okay, I'll wait for you at the bar."

Wu Mei shook her head and smirked derisively. She pulled out a chair and waited for Lin Piaopiao's arrival.
