

## After Divorcing, She Shocked the World Chapter 12 - Utterly Stupid

At night, the bar was open for business as usual.

The cacophony of music made Wu Mei's head hurt. Nestled in a booth, she swirled a glass of red wine and admired the stripper's performance as she waited for Lin Piaopiao to arrive. Then, she caught a glimpse of a figure outside the door. Her lips curled up into a smile.

*She's here!*

Lin Piaopiao appeared at the bar with a few bodyguards.

1

She was wearing a strapless sequined dress that showed off her beautiful figure. From the moment she entered, she had attracted countless greedy and lecherous gazes of men.

Soon, Lin Piaopiao threw her bag onto the booth seat and stared at Wu Mei with jealousy.

As a woman, she had to admit that Wu Mei's beauty was one that went deep!

Wu Mei only needed to lift her eyes to steal a man's heart...

"Sit."

1

Wu Mei gestured with her hands. Lin Piaopiao frowned and sat across from her.

"We meet again."

Lin Piaopiao was not used to Wu Mei looking straight into her eyes and even felt a little guilty.

*This woman... Seems to have changed.*

However, when she saw the hickeys and traces of love-making on Wu Mei's neck, her heart felt more at ease.

"Asking me to come here, do you need something?" Wu Mei asked on purpose.

Lin Piaopiao composed herself and revealed a derisive expression. "I really admire you. You were so crazy in bed with someone last night, yet you can still pretend to be so calm today."

"What if Li Nanchen finds out? Do you think he'll divorce you and make you leave the marriage with nothing?"

2

Wu Mei pretended to be surprised and widened her eyes as she said, "You know about me being in bed? Do you have a voyeurism fetish?"

3

"You..."

Lin Piaopiao gritted her teeth, her face ashen. "Don't bother about how I found out. You should be thinking about how you can make me happy. Otherwise, I'll send your nude photos to Li Nanchen."

She leaned back slightly and casually placed her hand on the armrest, pretending to be calm.

Wu Mei looked at her in amusement and said, "Oh? How are the nude photos? Was the angle and posture good? Why don't you let me take a look first?"

1

Lin Piaopiao did not expect her to say that. Stunned, she shouted, "Wu Mei, how can you be so shameless?!"

Coincidentally, the DJ's music stopped at that moment. This conversation caused everyone around to stop and surround the two of them to watch the show.

3

"I'm the victim yet I'm shameless? Then wouldn't Miss Lin be even more shameless considering she secretly took photos of someone else?"

Wu Mei's mocking words caused the crowd to burst into laughter.

Lin Piaopiao was embarrassed. She said, "Stop being so stubborn. I'll give you a chance now. How about it?"

Pointing at the alcohol barrel beside her, she said, "As long as you kneel down and finish this barrel of alcohol, I'll delete your nude photos..."

Lin Piaopiao deliberately pointed at the group of men around her and continued, "How about I send it out right now and let everyone take a look... I'm sure they'll like your photos very much. They might even fight to take you away tonight!"

The men around them whistled fearlessly.

However, the bar owner, security guards, and service staff all looked at Lin Piaopiao in sympathy. *Why did she have to take things so hard and provoke this Madam?*

5

"Oh? Drink alcohol?"

Wu Mei stood up with a smile, picked up the alcohol barrel, and poured it over Lin Piaopiao's head!

Cold alcohol flowed down Lin Piaopiao's hair.

"Ah..."

Lin Piaopiao screamed in shock as she ran her fingers through her wet hair. She pointed at Wu Mei and said, "What are you guys waiting for? Strip off her clothes!"

Wu Mei clapped her hands. There was not a single drop of alcohol on her body. She simply clicked her tongue when she saw the bodyguards charging towards her.

"There's not a single person who can fight. I'm really not interested at all."

"Alright, I'll play with you guys."

With raised eyebrows, she easily grabbed the fist of one of the strong men and twisted it. The man wailed and fell to the ground, and was unable to get up.

2

"Aren't you too weak??" Wu Mei blinked and commented as she looked at the people around her who had stopped moving.

"Again," said Wu Mei, as she casually tied her hair up and hooked her fingers provocatively.

The bodyguards did not dare to approach her rashly. They helped up their brothers who were lying on the ground and examined their injuries.

1

"Good-for-nothings," Wu Mei sneered. Using her hand to support herself on the short table she leapt up and landed beside Lin Piaopiao.

Lin Piaopiao was in such a sorry state that she couldn't even open her eyes. She could only vaguely make out her figure and said warily, "You... Don't come over..."

"Next time, I can introduce you to a few mercenary companies. At least you'll then be somewhat tied against me. They will be more useful than these good-for-nothings."

"But you lost this time. So, you should pay the price for provoking me."

After saying that, Wu Mei raised her hand and pressed Lin Piaopiao's head down into the barrel of cold alcohol. She watched as Lin Piaopiao kept flailing her hands and struggling.

The moment Lin Piaopiao felt like she was about to suffocate, she finally felt Wu Mei's grip loosen and she got up.

She bared her fangs and brandished her claws, preparing to retaliate. However, her expression changed in an instant, and she acted like she was a victim.

"Brother Nanchen?!"

2

"You're here! Hurry up and save me! Wu Mei is so scary!"
