

## After Divorcing, She Shocked the World Chapter 17 - Unethical Doctor

### Chapter 17: Unethical Doctor

Wu Mei did not speak and quietly observed. She detected the fleeting worry and anxiety in Li Nanchen's eyes.

After connecting Lin Liguo's words, Wu Mei suddenly understood something.

*That day, Li Nanchen said that the divorce isn't for Lin Piaopiao. So it's true.*

*He is doing it for Grandpa Li!*

*Is Lin Liguo using the life of Li Nanchen's closest kin's life as a threat, to force Li Nanchen to marry Lin Piaopiao?*

"Hehe, I thought it was a mad dog that came out of nowhere and hurt my ears with its barking. Turns out it's Dr Lin?"

1

Wu Mei gently pushed Li Nanchen down and made him sit. She walked straight to Lin Liguo and sized up his face, which looked very much like Lin Piaopiao, in disdain.

*What an annoying father-and-daughter pair!*

"I saw the word 'wicked' written on your forehead! You're using your patient's life as blackmail to demand benefits. How can you call yourself a doctor when you're doing something so unethical? Stop embarrassing yourself!"

4

Lin Liguo's eyes widened in shock.

*This woman dared to berate him?!*

1

*Didn't they say that Wu Mei is weak and brainless, and doesn't know how to do anything except cry?!*

Lin Liguó was trembling with anger, but he did not want to argue with Wu Mei due to his status. He simply said to Li Nanchen, "President Li, this woman is scolding Old Master Li's savior. Aren't you going to do something about it?"

"Savior?"

Wu Mei frowned and asked with a cold smile, "Did you save him? You clearly held Grandpa Li's life in your hands and threatened my husband, yet you still have the cheek to say such things so shamelessly?"

Lin Liguó glared at her and choked on his words. Steam came out of his nostrils and he finally raised his hand to point at Wu Mei.

"What do you know? Without me, the Old Master would have died countless times!"

After Lin Liguó finished speaking, Li Nanchen's expression darkened.

"President Li, you had better think carefully. Do you want to give up the Old Master's life for this crazy woman?"

"It's not easy to find another doctor who can treat his illness now! At least, you won't be able to find one in China..."

The two fingers that Lin Liguó was waving in front of Wu Mei's eyes were particularly annoying.

Crack!

Wu Mei raised her hand and broke his index finger. She watched as Lin Liguó squatted on the ground and wailed in agony.

1

"If you don't know what to say, you don't need your tongue as well."

Wu Mei dusted her hands in disgust. Watching as Lin Liguó covered his mouth, his eyes filled with fear as he collapsed onto the ground, she said,

1

Lin Liguó looked at Li Nanchen in disbelief. Seeing that he did not stop her, Lin Liguó shouted, "You... You're a crazy woman! How are you worthy of

being the Young Madam of the Li Family?! You're simply a devil... A lunatic! President Li, do you still want to be with her? As long as you get a divorce and marry Piaopiao..."

1

Li Nanchen remained silent, allowing Wu Mei to grow impatient. She lifted her leg and kicked Lin Liguó to the ground, before stepping on his face and grinded on it twice.

3

"I'm not worthy? Who is then?"

"Your precious daughter? Aside from drugging others, colluding with hooligans to harm others, and doing dirty deeds, what else can she do? Is she worthy?"

Wu Mei gently patted his face and said sympathetically, "If you're blind, I can dig out your eyeballs for you and give them to those who need them."

4

"You... Piaopiao isn't such a girl. It's you!"

"You occupied the position of the Young Madam of the Li family and caused her to lose her mind. That's why she did something so extreme!"

Lin Liguó's whole body was trembling but he did not forget to clear Lin Piaopiao's name.

"You can't even treat your daughter's mental illness, yet you're boasting about treating Grandpa Li?"

11

Wu Mei sneered and reminded him, "You should treat mental illnesses as soon as possible!"

Lin Liguó almost vomited blood out of anger.

Seeing that the situation was getting out of control, Li Nanchen stood up and held her hand, pulling her to his side.

1

"Men, protect Dr Lin well and send him out."

1

The bodyguards heard the order and dragged Lin Liguu up from the ground roughly.

Lin Liguu flailed his arms, wanting to chase the bodyguards away. "Sss... it hurts! Be gentler! Li Nanchen, are you trying to murder me?!"

Standing side by side, Li Nanchen and Wu Mei corrected him without any expression on their faces, "It's protection."

1

Lin Liguu was speechless.

*Do they think he's stupid?!*

2

The bodyguards carried Lin Liguu and threw him out of the villa.

On the open lawn, Lin Liguu fell to the ground in a sorry state. He yelled, "Li Nanchen, you will regret this sooner or later!"

"You will definitely beg me to come back! You'll beg me to let Piaopiao marry you! When that time comes, I will make you kneel down and apologize to me!"

1

Wu Mei's brows furrowed and she used the remote control to close the curtains to block out Lin Liguu's face. She turned around and stared at Li Nanchen as she asked,

"Why didn't you tell me? About Grandpa's illness and your reason for wanting to divorce me..."

"What can be resolved by telling you? I don't want you to be worried as well..."

4

Old Master Li doted on Wu Mei, and Wu Mei liked Old Master Li very much.

Li Nanchen did not want Wu Mei to get involved and live in agony every day.

2

Nestled in the sofa, Li Nanchen put his palms together and lightly propped his chin up on them.

For a long time, he had been searching for doctors both domestically and overseas, but it always ended in disappointment.

Looking at his dejected expression, Wu Mei suddenly felt her heart soften. With both hands on the small coffee table, she pushed herself and sat on the table. She asked, "How do you know that I don't have any solutions?"

"..."

Li Nanchen lifted his head and met her eyes. A trace of doubt flashed across his eyes.
