

After Divorcing, She Shocked the World Chapter 2 - Five Times in a Night

Chapter 2: Five Times in a Night

4

The man was nearly 1.9 meters tall and wore a black suit. The close-fitting tailoring outlined his broad shoulders, narrow waist, and long legs.

1

He had an extremely robust mixed-race appearance. His facial features were well-defined, his eyebrows were sharp, and his aura was intimidating.

In short, he was the type of man that made women's hormones explode.

14

Wu Mei liked to admire beautiful people. When she sensed that he didn't have any malicious intent, she chuckled and stared at him for a while.

Top quality.

7

She looked at him and felt as if her body was getting hotter. Frustrated, she undid a button with one hand.

However, in the next second, the top-quality man in front of her suddenly grabbed her hand. His voice was low and deep, like a cello with the best timbre, as he said, "Wu Mei, stop fooling around. Come home with me."

Wu Mei was bewildered.

Handsome, who are you?

1

Why does he know her name?

Wu Mei did not like having a stranger touch her and immediately wanted to break free. However, this man was clearly not as easy to deal with as the blonde.

She lifted her knee and wanted to ram it against his stomach. The man was stunned for a moment before he grabbed her knee.

With that, her legs rested on his waist, as if she was hugging it.

"You... mmm..."

Wu Mei was a little annoyed. She opened her mouth to ask him to let her go, but the moment the words left her mouth, it came out as a soft moan that even she did not expect.

1

At the same time, all the blood in her body rushed to her brain due to the heat, making her even more dazed.

So hot...

Really want it...

Wu Mei's red lips parted slightly as she gasped for breath.

Li Nanchen lowered his eyes and stared at the woman's red lips and the pink tip of her tongue. A dark fire flashed across his eyes.

"What happened to you? Were you drugged?"

The effects of the drug were too strong and Wu Mei decided not to resist anymore. She simply wrapped her other leg around his waist and hung herself on him to absorb the coolness of his body.

6

The man smelled great. She frisked him all over with what remained of her sanity and did not find any weapon on him.

2

Great.

He is probably not here to kill her.

1

Looking at the small pair of hands roaming all over his body, Li Nanchen pursed his thin lips and his breathing became unsteady for a moment.

1

Wu Mei couldn't hold back any longer. She simply tugged at his tie, pulled him closer, and eagerly kissed those thin lips.

"No matter who you work for, I'll give you ten times the price..."

1

"Now... Give it to me..."

17

The woman's sweet lips pressed against his.

Li Nanchen's eyes widened slightly. He had been married to the woman in front of him for more than two years but they had never done anything so intimate.

Frowning, he tried to push her away and said, "Wu Mei, we're already getting divorced. You can't..."

1

How could Wu Mei still listen to what he was saying?

Her entire body was being controlled by the drug. She wrapped her arms around his neck and pressed her body against his. Her warm breath brushed against his ear.

Wu Mei bit on his earlobe, panting as she said, "Take me..."

Li Nanchen froze.

His ear was his sensitive spot.

1

He was a normal man, and it was only out of respect for her that he hadn't touched her in the past two years. Furthermore, she had never been so passionate.

But now...

Even though he knew that she was being controlled by drugs and had lost her rationality, Li Nanchen still couldn't help but have a reaction to her.

"You're the one who took the initiative."

11

No longer restraining himself, he grabbed her waist, lifted her up, and strode upstairs.

2

...

"Mm... slow down..."

"Relax a little."

"Slow down... Ah... I can't take it anymore..."

1

On the large bed in the dimly lit suite, were two intertwined bodies.

Accompanying it was a woman's soft moans and a man's sexy panting.

Wu Mei was lying on the bed. Her legs were forced open and she seemed to be convulsing.

5

Her mind was a blur as she thought to herself, *How many times has it been?*

Is this the fourth or fifth time?

Who would have thought that a man she casually grabbed as an antidote would be so ferocious...

1

Her absent-mindedness seemed to arouse Li Nanchen's displeasure. He deliberately rammed against her sweet spot, causing her to gasp.

1

Her panting was very seductive. He could not help but lean over and kiss her half-open mouth.

In the two years of their marriage, Li Nanchen had never touched Wu Mei. He did not know that the two of them were so sexually compatible.

5

He was captivated.

Likewise, Wu Mei had never enjoyed sex so thoroughly. As the man's cock rubbed against her body, sparks shot up from her tailbone and flowed to her limbs, making her body taut and even her toes curled up.

2

"Almost there..."

At Wu Mei's last climax, a soft moan was forced out of her before she fainted.

2
