

AFTER MARRIAGE 45

Chapter 45: I Hit a Beast, A Heartless Beast!

After Lin Zhihuan left, Su Lanxu began to panic when she heard that Xu Jialu might be detained. “F*ck! That Lin Zhihuan is so annoying! What should we do now? Does Xu Jialu really have to go to jail? Why don’t you speak to your parents and think of a way?”

In contrast, Xu Youyou was quite calm as she watched Lin Zhihuan leave. Her cherry lips curled up into a smile as she said, “Don’t worry. My brother won’t go to jail.”

“But what if that scumbag, Lin Yin, decides to press charges?” Su Lanxu asked anxiously.

Xu Youyou patted Su Lanxu’s hand and said softly, “Trust me. If I say that my brother won’t go to jail, he won’t go to jail.”

Lin Yin was beaten up quite badly. His face and body were mottled with bruises, and he even dislocated his arm.

Madam Lin naturally felt distressed when she saw her son. She said harshly, “Xu Jialu has gone too far! We can’t let this matter go! I’m going to sue them to death!”

Mr. Lin did not say anything when he saw his beaten-up son. His dark expression showed that he agreed with his wife’s words.

Lin Zhihuan did not forget to add fuel to fire at the side. “That Xu Jialu is a hooligan, to begin with. He thought he’s better than others after he joined the Mo Corporation. Unfortunately, he’s still a hooligan underneath it all.”

Lin Yin was already in a bad mood after the fight. After listening to his family’s words, he grew even more agitated. He got up silently to leave.

Madam Lin hurriedly followed him and said, “A Yin, slow down. Mom will bring you to the hospital for a check-up. Don’t worry. I’ll definitely help you seek justice.”

Just as Madam Lin’s voice fell, they walked out of the interrogation room and bumped into Xu Jialu, who had also just come out from the room across from them.

Xu Youyou and Su Lanxu were standing next to Xu Jialu so they had obviously heard the Lin family’s conversation as well.

Xu Jialu looked at Lin Yin as he sneered.

.....

Lin Yin’s frown deepened immediately.

However, before Lin Yin could speak, Madam Lin had already started scolding Xu Jialu. “What kind of attitude is this? You hit someone, and yet, you dare to act so arrogantly?!”

“Hit someone? When did I hit someone?” Xu Jialu smirked.

Madam Lin was briefly stunned. She was about to scold Xu Jialu for not admitting to his mistake when Xu Jialu said nonchalantly, "I hit a beast. A heartless beast."

Madam Lin's face turned red in anger immediately. She said shrilly, "Is this how Xu Jianshu and Cheng Yin raised you? You have no manners at all!"

"My parents only taught me to be polite to people. They didn't say anything being polite to beasts," Xu Jialu retorted.

"You!" Madam Lin was angry that she could not speak.

Lin Yin's expression was dark as he said through gritted teeth, "Xu Jialu, you better not cross the line. I didn't fight back because of Youyou. Don't push your luck!"

Xu Jialu scoffed. "Ha! If you can't win, then admit it. Don't make up excuses! Don't f*cking involve my sister! If you're dissatisfied, let's have another go at it. I promise you I won't kill you!"

"You hooligan!" Madam Lin shouted when she heard Xu Jialu threatening to beat her son again. She hurriedly moved to stand in front of her son to shield him before she said, "We're educated and cultured people. We won't argue with you. Just wait to hear from our lawyers."

Although Xu Jialu's face was bruised as well, it did not affect his handsome appearance. He said coldly, "Alright, I'll wait. You're not human if you don't sue me!"

"Just you wait! Even if Cheng Ying begs me, I won't let this matter go!" Madam Lin said furiously.

Xu Jialu remained unmoved. "Whoever begs you isn't human! If you want to sue me, then sue me. If you don't have a lawyer, I can introduce one to you."

At this moment, Lin Yin pulled his mother, who was trembling in anger, behind him. Then, he looked at Xu Jialu with a gloomy expression and asked, "Must you do this? Must you completely ruin the relationship between our families?"
