

AFTER MARRIAGE 95

Chapter 95: She's Good in Every Aspect, But Her Aesthetic Standard Needs to Be Improved

Xu Jialu: “?”

Mo Shenbai let go of Xu Jialu's hand and said, “She's afraid of pain. You don't know how to control your strength.”

Xu Jialu said indignantly, “She's my sister! Would I really hurt her? You don't need to worry about her!”

Mo Shenbai glanced at Xu Jialu and said unhurriedly, “She's my wife.”

Xu Jialu: “...”

‘F*ck! I can't refuse this! This is ridiculous!’

Xu Youyou: “...”

Su Lanxu's eyes lit up immediately. She hurriedly sent a message to Xu Youyou through WeChat with a sweet smile on her face.

Su Lanxu: My dear! I swear on my boyfriend's length that Mo Shenbai is interested in you! Otherwise, he'll be the size of a lipstick!

Xu Youyou brought her phone out to read the message. She glanced at Su Lanxu, who was smiling at her meaningfully, before she replied.

Xu Youyou: ?

Xu Youyou: When did you have a boyfriend?

As for Su Lanxu's filthy joke, Xu Youyou, whose face turned red, ignored it.

.....

Su Lanxu: Ah, I'm talking about my future boyfriend.

Xu Youyou: ...

In order to apologize to the young actor from the first side mission, Xu Jialu bought milk tea for all of the staff members before they left.

The staff members praised Xu Youyou for being smart, cute, sweet, and kind. They also prayed that Xu Jialu would visit the escape room again so they could have free milk tea again.

The young actor: Are all of you demons?

...

When they left, it was already dinner time so the four of them looked for a restaurant in the mall to eat.

The four of them had outstanding appearances so they easily attracted people's attention when they walked together.

Many girls stared at Mo Shenbai, getting ready to approach him. However, Mo Shenbai did not seem to notice them. His attention was only focused on the young woman next to him.

Xu Jialu, on the other hand, enjoyed being the center of attention. He even took the initiative to wink at a girl, who was peeking at him. This caused the girl to be very excited.

Su Lanxu could not stand Xu Jialu's flirtatious attitude. She moved to Xu Youyou's side and began to complain in a hushed voice, "He's like a peacock during mating season!"

Xu Youyou chuckled. "What to do? My brother is very handsome, after all."

Su Lanxu looked at Xu Youyou with a speechless expression before she said, "Yo, I didn't expect you to have a brother complex!"

"I'm speaking objectively."

Mo Shenbai cocked an eyebrow as he thought to himself, 'She's good in every aspect, but her aesthetic standard needs to be improved.'

To ensure a peaceful meal and to prevent Xu Jialu from attracting too much attention, Mo Shenbai asked for a private room.

The two men were very gentlemanly and allowed the two young women to order.

After ordering a lot of delicious food, Su Lanxu decisively ordered a bottle of red wine.

Xu Jialu raised an eyebrow and asked, "You're a girl, but you drink whenever you want. Do you have any sense of safety?"

"It's not like I'm drinking alone! I'm drinking with Youyou!" Su Lanxu retorted as she raised her chin, "Moreover, there are also the two of you. Mr. Mo is a married man and a gentleman so it's okay. As for you... If you dare to lay your hands on me, I'll kill you."

Xu Jialu rolled his eyes at Su Lanxu before he asked Xu Youyou, "Are you going to drink?"

"Huh?"

Xu Youyou was about to say no when Su Lanxu suddenly and discreetly nudged her waist. Then, Su Lanxu whispered into her ears, "Alcohol gives one courage! Later, you can confess to Mo Shenbai. It'll be great if you succeed. If you fail, you can use being drunk as an excuse so it won't be too embarrassing!"

With that, Xu Youyou swallowed the words on the tip of her tongue. She felt that Su Lanxu's words made a lot of sense. She nodded and said, "Brother, I haven't had a drink in a while. Let me drink."
