[Chapter 1142](#)

In the end, she went to sleep feeling so shy. There was a happy smile on her face too.

The next day, Sami, Owen, and Terrence went to the airport to pick up Steward. Steward was very happy to see his daughter. "Sami, how are you? Are you feeling better?"

Sami acted like a child. "Dad, my mood is never going to be good when that guy is still alive! But I'm very happy that he's still here in this city."

Steward waved his hand and said, "Don't worry. I brought with me three level nine warrior kings and eight level eight warrior kings. And you got me too. I believe that's more than enough to kill him!"

A bald guy rubbed his head and said, "Miss Sami. Don't worry. We won't let that guy run. He's dying today!" Sami chuckled. "Thank you. Let's go find him now and take my revenge. We can celebrate later."

Terrence walked over and smiled at Steward. "Mister Steward, I've made a reservation in the hotel exclusive for us only to welcome you and your men."

Steward was satisfied with the arrangement. Yet, he did not show it. "Thank you. That's very kind of you. Let's go. Where's that guy?"

Shortly, they headed straight to Taurus Hall. It took them just a short time to arrive.

"Severin! Sheila! Get your *ss out here now!"

When they were at the entrance, Terrence shouted so loud that he made sure everyone could hear him.. The guards were so scared that their knees became weak.

"Sir, we'll inform them now!"

The guards exchanged looks with each other and quickly ran inside. They did not know Severin had offended Orto County Mansion so hard that the Orto County Mansion need to invite Steward to come over to help seek revenge.

"Hall master. Hall master! Something bad happened!"

The guards went looking for Yuka nervously. Yuka was in a meeting with the elders to discuss how to sell off their business. After taking the alchemical pills Severin gave her, Yuka had a breakthrough and she was now a level five warrior king. She was in a good mood because her attainment went from level three to level five.

"Why are you guys shouting so loud? Didn't you see we're in the middle of a meeting?"

Yuka put on a serious face and reprimanded.

One of the guards said with fear. "Hall master. Mister Terrence is outside with a lot of people. He event asked to see Severin and Sheila. I think the Supreme Leader might have offended them. And Steward Hatcher is here too! He brought many famous and strong people with him."
