

## After Prison 1149

### [Chapter 1149](#)

“Oh, my god! The Four Great War Gods are your disciple?”

Yuka was so shocked that she kept her mouth open wide. Who on earth was this guy really? Those elders who were standing behind her were shocked too. They started to wonder if their ears were fooling him.

“I finally got the answer! It had been bothering me for a long time.”

After feeling shocked for a while, Steward laughed cheerfully. “No wonder they were afraid I would be angry at him and kept on looking for excuses to reject me. They even told me to just let it go. Too bad, I didn’t listen to them. I mean I didn’t expect a governor of the South County is such a powerful person.”

Terrence thought for a while and requested his son to go apologize to Severin too.

Owen realized what happened and quickly knelt together with Sheila. “I’m sorry. I shouldn’t have done those things too.”

“Please get up. If I didn’t kill you in the first place, it means I won’t kill you now too.”

Severin smiled and said nonchalantly, “I’m not a person who holds grudges. But you guys have to face the consequences for bringing so many people here today, so clean up the mess and bring that dead body

you for forgiving me!” Owen stood up and was relieved that Severin was not going to do anything

At that time, Terrence approached and invited respectfully, “What about we have dinner together tonight? We can have some drinks together. We would like to express our regret.”

Severin waved his hand. “That’s not necessary. But it would be good if you stop coming after me.”

“Of course. Then we’ll be leaving now,” Terrence smiled awkwardly.

“Goodbye!”

Steward and the others also bid goodbye. Within a while, they left and also brought the dead body together with them.

“Yes!”

“Supreme Leader, you’re so damn terrific!”

“Yes. Even the Commander is not his match! Hahaha. No one is going to bully us anymore!” Every member of Taurus Hall cheered excitedly.

“Damn! You’re so strong!”

When Terrence and the others were no longer there, Yuka approached Severin and looked at Severin with her admiring eyes as if Severin was her idol.

Once again, Severin had shocked her. This time, she finally understood why the old wacko would choose this man to become their new Supreme Leader.

“Haha! Supreme Leader, you’ve given us a big surprise. We didn’t know you’re actually so strong!”
