After Prison 1511

"Did you just scold him? How dare you?"

The moment Sheila heard that she went up and slapped Lydia again.

Lydia firmly believed Severin and the girls must have come from another city so that was why they did not just how strong Hamzah and the Kerrs were here. Hamzah was the gang leader of the most powerful gang in the city whereas the Kerrs were a first–tier upper–class family. Offending both parties was a death sentence.

However, she did not dare to act arrogantly anymore after Sheila slapped her. She kept her head low while gritting her teeth.

"Slap yourself until the f*cking Hamzah is here. Or I'll kill you now!" Severin said coldly as he stared at her.

After listening to that, Lydia started sweating nervously. "I–I'm sorry!"

She looked up and started slapping herself.

Several minutes later, a man with a beard arrived with nearly eighty people. He was Hamzah, the one Lydia was waiting for. While he was smoking his cigar, he quickly instructed his men to surround the compound.

"Who the f*ck make trouble in my territory?" Hamzah asked.

"Hamzah! It's them! One man and three women! They killed Mister Adrian's men and hurt him. Look at me. They slapped me! "Lydia quickly complained.

Hamzah looked over and saw Lydia's swollen face. He got so furious that he started gritting his teeth. "Don't worry. I'm here now. I'll make them pay for everything they did."

Severin stood up and looked at him with a smile. "Oh, really? I think I should be the one who said that. Gosh, you have taken away my line

"Hamzah! Let me fight this guy!" an old man said arrogantly. He was a level three warrior king.

"Okay. Go get him!" Hamzah nodded and continued to stare at Severin.

"You dumbass! How dare you mess with Razer Cloud Gang?" The old man approached and grabbed the air with one hand.

Suddenly, a tiger head was created with his spiritual energy. It looked so surreal. However, it did not have a body. Despite that, it looked very fierce and powerful.

"This is all you got:

Suddenly, Sofia acted before Severin. With a flash, she punched the tiger's head without even using any combat technique.

"Are you an idiot? Do you really think you can defeat my attack without using a combat technique?" The old man was baffled and shocked.

If Sofia was not stronger than him, then her attack would be useless. A second later, she proved herself to the old man. The tiger's head got crushed into pieces by Sofia's punch.

"No! That's impossible!"

It gave Hamzah a scare. He was a level four warrior king. One level stronger than the old man. Even he did not have the audacity to attack the old man's tiger's head without using a combat technique.

Once Sofia crushed the tiger's head, she did not stop. She continued to attack until her punch landed on the old man's chest. After a thud, the old man was sent flying away and knocked down several other men.

"Mister Hamzah! The Great Elder is dead!"

When the people who got knocked down stood up, they found out the old man could no longer stand up because he was dead.

"How–how is that possible? Lydia collapsed to the floor and was shocked.

Was that supposed to happen to the Great Elder of the gang? How strong did Sofia have to be in order to do that? Most importantly, they had not seen Severin fight yet so they did not know how strong Severin was

"Sir, madam, I—I'm sorry! 1 would never dare to do it ever again!" Hamzah immediately caved in and begged for forgiveness.

Although he had brought many people with him, those people were just for show. If the Great Elder were unable to defeat woman, he understood this was not a fight he could win even if he had all his men attack together. It would only sacrifice all those people.

Severin sneered, "Oh, come on. I thought you were so brave considering that you dared to install hidden cameras in the room and invited a rich kid to enjoy the show. Do you know how disgusting and gross I find it that you're actually using this method to earn money?"

"Huh? What? I didn't order them to do that." Hamzah was surprised to hear that

Within a second, he realized Lydia must have done it behind his back. "Damn it. She must be the one who did this! I asked her to help me manage this property. I never thought she would do such a thing! Sir, I'm truly sorry. I have no idea of this. Rest assure. She is dead and her body will be thrown into the sea!"

He was so furious with Lydia. Because of her, the Great Elder was killed. It was a severe loss to the gang

"Hamzah, please forgive me. I know what I did was wrong. Please don't kill me. I'll never do it again. I only wanted to earn more money!" Lydia quickly kneeled and begged for mercy.

"So you know you're wrong now. It's too late now! You idiot!" Hamzah cussed and kicked Lydia a few times,

Then he thought for a while. "Sir. Regardless of it, we are the ones at fault. How much compensation do you want? I'm willing to pay for the mental distress you have suffered."

Severin waved his hand and said nonchalantly, "Never mind. I don't want your money. Just keep this fatass woman away from me. And we're going to continue to stay here for a night. That should be fine, isn't it? After all, I already paid for it."

Hamzah wiped off the sweat on his forehead and groveled, "Of course! You can stay here forever if you want. I'm willing to gift this property to you if that's what you want."

Severin sneered, "I already told you I'm not interested in your money or this place. Now scram!"

"Yes, sir! We'll get going right away!"

Hamzali was relieved because he knew it did not take too much effort if Severin wanted to kill them. Based on his observation, he concluded Severin was not any ordinary person, especially when Severin did not bulge when he offered to pay Severin compensation money or give Severin the property. Anyway, he only offered it in exchange with the hope Severin would not

kill him.

"Take her away!"

He turned around and glared at Lydia fiercely.

Chapter 1513

 "No! Hamzah, please forgive me! I'll never do it again! Please… I beg you…" Lydia begged for her life..

The members of the Razer Cloud Gang grabbed her and dragged her out. Her body went soft because she understood very well what kind of person Hamzah was. The look Hamzah gave her had already indicated what her ending was.

"No. How is that possible? How can they be so strong? Adrian continued to curve his body into a ball and mumbled to himself.

The Razer Cloud Gang was just slightly weaker than his family. His father, Ethan, was just a level higher than Hamzah which meant Ethan was a level five warrior king. Now the situation was cleared. Hamzah did not dare to fight Sofia and the Great Elder of the Razer Cloud Gang was killed instantly by Sofia. Therefore, le realized his father and the elders would definitely not be able to defeat Sofia even if they fought her together.

The fear in his heart grew. "Who's the f*cker who bullied my son?

The thing Adrian worried the most arrived sooner than he expected.

After a loud yelling. Ethan arrived with many men. He looked around to get to know the situation better. Then he glared at Severin and asked, "Hey, dumbass! Are you the one who did it?"

Severin shrugged. "Yes, we did this. What are you going to do about it?

"You!!!" Ethan was about to let out his rage.

Suddenly, Adrian gritted and endured the pain to stop his father. "Father. Don't! Bring me to the hospital now. It's my problem and this has nothing to do with them."

Ethan was stunned. Wasn't his son the one who dreaded to kill those people just now? Wasn't his son the one who wanted revenge? What had happened to change his mind now? Then he looked back and saw Hamzah giving him a signal. At the same time, he also saw a few members of the Razer Cloud Gang carrying the Great Elder's body and leaving the place.

Instantly, he understood what was happening and that he should not infuriate those people. Otherwise, his son would never change his mind about taking revenge.

Thus, he instructed the men he brought with him. "Adrian is badly injured. We need to send him to the hospital immediately. Go carry him now."

The men did as they were instructed and got ready to leave the place.

Severin chuckled and thought it was very humorous. "I presume you are his father. Why are you in a hurry? We're the ones who injured your son. You look so angry when you came here. Weren't you here to take revenge?

Ethan's mouth twitched violently. He turned around to face Severin and said, "I need to bring my son to the hospital first. But I'm not going to let any one of you go! Wait for my retaliation!"

After that, he quickly left the place and did not even look back

"Seriously? Is he really planning to come back?" Sheila asked when Adrian and his father were gone.

Severin smiled bitterly. "Of course not. He was just trying to make himself feel better and not be a loser."

"Damn it! Those people are so gross and evil. Hey, there must be hidden cameras in the other rooms too! Where is the

surveillance room? We need to destroy the equipment!" Sofia said angrily.

Severin pointed at a room not far from them and said, "It's that one."

Without any delay, Sofia and Sheila quickly went over and smashed everything in the room.
