Chapter 22

Dominic's mind was buzzing, holding the cigarette, he bursted with vigorous anger.

He doesn't like Selena, but that woman is still cuckolding him after her reputation ruined as her 'promiscuity'!

Bitch!

Dominic was so angry that he almost lost his mind, he was so furious that he took a big step over and grabbed Leah's arm, staring at her, his voice deep with anger, "Leah, did you just say that Selena was keeping a man outside?"

Leah seemed to be taken aback, but raised her head and explained, "Dominic, it's not like that, that day, after my sister left home, mum saw her get into a man's car, that man helped her carry her luggage, he should have picked her up to go somewhere, maybe mum was mistaken." The corners of Dominic's forehead popped with veins and his face twisted.

There was no doubt that if Selena were in front of him at this moment, he would have strangled her fiercely!

Claiming to love him, while she used shares as bait and offered harsh conditions to alienate him from approaching Leah, while keeping men outside and cuckolding him.

The anger of being deceived and played with made what little complex feelings he had left for Selena disappear into thin air.

Leah seemed shocked by his expression and shivered as she explained for Selena, her face full of guilt and remorse, "Dominic, calm down, Selena must have hardships, it's all my fault, she was kicked out of the house, she doesn't even have a place to live. In order to survive, she can only... If only I didn't show up in your wedding banquet."

Dominic took a deep breath, suppressing his heart full of anger and shame, and raised his hand to gently caress Leah's face.

“Leah, you know how you feel, you’ve always rejected me before so as not to hurt Selena, but now that she’s degraded herself to this point, you’re still going to choose to sacrifice our lifelong happiness for such a lowly woman?”

Leah’s face turned white, tears in her eyes, seemingly panicked to the extreme, frantically shaking her head, “No, Dominic, I can’t do something harmful to Selena. My mum has already been sorry to Selena’s mother, I can’t do that.”

“How long are you going to let her get away with this?!”

Dominic yelled furiously, but when he saw Leah’s face turned white with fear, he suppressed his anger and took her into his arms, coaxing her softly.

“Leah, I’ve had enough, the whole of Creephia knows that I’ve been cuckolded by Selena, they’re all looking at me as a joke, my mother is pushing me. I don’t want to marry Selena, Leah, help me, OK?”

“Dominic.” Leah shook her head in fear, “I, I can’t. Selena may have a reason, she has always loved you deeply, she will change.”

“I don’t care!” Dominic hugged her tightly, agitated to the core, “I want to break off my engagement with Selena! The person I like is you! The one I want to marry is you!”

Leah’s tears poured down and she cried until she broke down, “But in that case, it doesn’t matter if I carry the name of a mistress, how can you be called a scum? Everyone will accuse you of being unfaithful, and the Walson family’s reputation will be implicated-”

“I will let Selena take the initiative to break off the engagement herself!”

Dominic narrowed his eyes slightly, his voice full of hostility, “Hasn’t she put us in harm’s way enough? I will make her get the hell out of here, Leah, don’t worry, I will not let any accusations fall on you.”

After Dominic finished, he kissed Leah and turned to stride out.

Behind him, Leah looked at his angry and vigorous back, raised her hand and dried her tears, her face was as soft and sad as it could be, the corners of her lips hooked up, and her eyes were ruthless.

Selena –

If you fight me, you will only die miserably!

In the garden.

Selena was in a good mood and smiled at Osvaldo, "Just wait for me."

Osvaldo stroke her hair. The wind had picked up and the weather was chilly, so he took his jacket off and draped it over Selena's slender

shoulders.

Selena was slim and lean, and wearing his clothes was similar to a child wearing an adult's clothes.

She waved at him with a warm smile before stepping on her heels and turning towards the banquet hall.

Osvaldo stared at her back. After a moment, he spoke out, his tone carrying a touch of bone-chilling coldness, "Luke."

Luke stepped down from inside the black sports car behind him, his slender fingers loosened the tie around his neck, his pretty face with a cynical smile, "Got it, I'll make sure your woman won't suffer any slightest bit!"

Having said that, he headed in the direction Selena had left.

Selena had just walked into the main hall of the banquet, and she bumped into Dominic.

Dominic's tall body blocked her outside the gate, his harsh gaze fixed on Selena's face with anger and condescension, barking out orders like,

"Selena, I love Leah, go and cancel the engagement yourself and leave Creephia!"

Selena hooked her lips in a smile that was extremely cold, "Oh?"

Dominic's eyes revealed a dense disgust, looking at her as if he was looking at something dirty. "What qualifications do you have to compare with Leah? Even if you use all your tricks, I won't like you!"

Selena tilted her head slightly, her eyes revealed a touch of something that made people's hearts chill as she said with a smile, "I don't care." Dominic

was in the midst of his anger, and when he saw Selena's reaction, his face twisted and his words became more and more unpleasant. "You're not only shameless, you're slutty, using your body to please those men in order to achieve your goal, Selena, how can you be so shameless?"

He stared dead in the face of Selena, even if such an unlovable and notorious woman was good looking, he would not want her! Even if she held twenty percent of the Riddle family's shares, he would not allow her to enter his Walson family's door, she as too dirty! He has Leah, he will never marry Selena!

Seeing Selena hanging her head and not saying anything, he thought that she still refused to give up, and became more and more irritated, "Selena, look at yourself! Are you good enough for me? Even if you stalk me, I won't give you a second glance

"Ah

His words had just reached the point where they turned into a scream

There was a loud bang and a potted plant hit Dominic's head hard!

An instant silence fell over the room as everyone stared in disbelief

Dominic was smashed dumbfounded and looked at Selena with wide eyes, he couldn't believe that he would be hit by Selenat
