Chapter 5

Those eyes were intensely black and lightless, hollow, locked firmly on Mrs. Riddle, cold and piercing.

Mrs. Riddle's face gradually turned white as she was creeped out by these eyes.

Selena revealed a warmless smile and said in a cold tone, "Since you like being an animal so much, I will definitely arrange a good place for you in the future, to ensure that you and them will be inseparable for the rest of your life."

Mrs. Riddle shuddered sharply, looking at her step daughter, who had suddenly become a stranger before her, with more than unease in her heart.

At this moment, Leah Riddle stood at the entrance of the staircase, wearing a long aqua dress, carrying a bag, her make-up exquisite, looking at Selena's face, her eyes showing deep jealousy.

Her features are not as delicate as Selena's, but her eyes look pure, making people want to pity her.

Leah smiled brightly, "Sis, do you think my outfit beautiful? The dress and the bag are both Chanel exclusives, Dominic sent them especially to please me."

Her eyes carried a deep sense of complacency, "It's a pity that you were so close to becoming Dominic's wife, but after that scandal, you still lost all your work, but it doesn't matter, although you can't become Dominic's wife, I will definitely help you find a "good man". I will not let you be alone for the rest of your life."

However, listening to Leah's unconcealed words of bragging, Selena still looked aloof.

Looking at Selena's impassive face, which was not as stoic and painful as usual, surprise swept across Leah's eyes.

As if remembering something, she added in a soft voice.

“How did you recuperate from your injury, Sis? I wasn’t hurt very badly, but Dominic had to accompany me to the hospital, and got me a vip ward to take care of me personally, and the food was from specially tailored recipes, even when I had to go out for air, he didn’t feel at ease.”

Selena stared at her and asked an unexpected question, “How much did you sell me for?”

The scandal happened when it was Selena’s birthday. She waited for Dominic in the hotel with great anticipation for a day, but Dominic never showed up because Leah was sick.

Selena waited until late at night, but Dominic did not appear in the end.

Even more coincidentally, there happened to be a couple of men who barged in as her drugs were kicking in, and the security guards ignored her pleas for help.

Although Selena managed to escape in the end, the photo of her running away in the street was taken, and the angle was so tricky that it was a cause for reverie.

If Selena had not been lucky that day, she would be raped, she would have lost her reputation and been worse off than dead.

But now it’s no better, disliked by the man she loves, repudiated, infamous and even dead.

Not a bit of life was left for the damsel in distress.

That’s cruel!

Leah smiled and was just about to speak, but she saw Dominic, who had just entered the house, and her showy expression abruptly faded.

Her face was instantly covered with teardrops, her voice was full of self-blame and guilt, she raised her hand to grab Selena’s hand, “I’m sorry, that day was my fault, I shouldn’t have gotten sick, shouldn’t have bothered Dominic, shouldn’t have failed to go with you for your birthday, if I knew something like this would happen, I would have never...”

Selena frowned and smacked the hand away.

This hand caused her to be beaten, scolded and disgusted every time it reached out towards the real Selena.

Selena's reputation for malevolence is all thanks to this hand.

She hit it hard with all the strength she could muster.

The loud sound hurts to hear.

The back of Leah's hand was red and she cried out in pain, her tears falling sharply and fiercely.

At the same time, two shocked and angry voices came from behind Selena, "Leah! Leah!"

Mrs. Riddle and Dominic rushed over.

Seeing the large red swelling on the back of Leah's hand, Mrs. Riddle's eyes turned red, she looked at Selena angrily and slapped her across the face.

"Bitch, do you have any conscience? Your father wanted to kick you out for doing such a scandalous thing, and it was only after Leah cried and begged that she was able to convince your father, and you are ungrateful, but you even return the favour!"

Selena stepped back in time, but her cheek was still cut with blood by Mrs. Riddle's long nails, and she licked her lips, tasting a salty taste.

That was blood.

Mrs. Riddle's eyes were vicious and her face was twisted, "Get out! Get the hell out of here right now!"

Dominic cupped Leah's hand and glared back at Selena, wanting to eat her alive.

However, the moment his gaze touched Selena's face, he was abruptly stunned.

The girl standing there, with her declining features, her long, slightly curly hair hanging over her thin shoulders, had a nobility about her as she stood still.

This is Selena?

Dominic was deeply shocked, when Selena ran after him, she had been heavily made up, he had almost forgotten what Selena originally looked like, to his surprise, to have her heavy make-up removed, her real face would be so beautiful

At this, Leah was jealous, her eyes filled with teardrops, she said in a stoic and aggrieved manner, 'Mom, Dominic, I'm fine, my sister didn't mean it, because she just encountered those things, she's in a bad mood, we have to be more tolerant of her

Mrs. Riddle said angrily, "Leah, don't explain for her, we all saw it, this woman is self-absorbed and doesn't deserve any sympathy at all!"

Selena raised her eyebrows, in the past eighteen years of her life, she had not come into contact with a woman of Leah's type, outwardly benign but inwardly vicious, making full use of her advantages to use those around her to harm people

This woman was a born actress.

As she had done countless times in the past with the real Selena, it was such a cautionary tale, fully reflecting her kindness, Selena's viciousness, making Mrs Riddle hate Selena and making her fiancé, Dominic, speak ill of Selena, was this woman's usual measure

Sooner or later she would help the innocent girl who had died in vain to tear off the mask of Leah's disguise

Selena was not interested in continuing to watch this drama, she had more important things to do when she came today.

Dominic was annoyed to see her just walk away with a look that was completely devoid of the infatuation and coquetry she had shown him in the past, "Selena, apologize to Leah!"

Selena stopped walking and looked back at him, the mockery and chill in her eyes crept Dominic out.

Her lips curled into a smile as she looked coldly at him and Leah and cursed out, "Scum and bitch."
