In the luxurious private room, Hannah fixed her eyes on Oscar as she said, “Are you afraid?”

Oscar displayed a serious look.

“Are you afraid that I’ll lie to you?” Hannah asked a question, but her tone was affirmative.

“Ms Cooper, don’t overestimate me.” Oscar said in a disdainful way.

“Otherwise, why don’t you believe me?”

“What do you think you have that is worthy to gain my trust?” Oscar raised his good-looking eyebrows slightly.

Indeed.

She seemed to have nothing worthy to gain his trust.

She said, “You know that Charles is not a good person.”

Oscar pursed his lips. He was obviously sizing up Hannah at this moment as well.

He knew that Charles was not a good person. That was because he was a threat to him, so he secretly paid more attention to him and he found Charles’s secrets!

But Hannah...

How could she who had not married Charles know so much about him?

She was even able to be so sure that he had known Charles was not a good person.

“Now, I know that too.” Hannah looked at him, “Why would I want to marry him when I knew that he was a hypocrite?!”

Oscar listened to her explanation calmly.

“Not only will I not marry him, but I also want him to suffer twice as much as what I suffered!” Hannah said the sentence word by word!

Her decisive voice echoed throughout the private room.

For a moment, the room became silent.

“What do you want me to help you?” Oscar suddenly spoke.

It was clear that he had agreed to help her.

Hannah still felt anxious after all.

She couldn't guarantee that she could completely convince Oscar to help her in a few words.

But he was also unpredictable and had agreed.

She didn't let herself think too much.

There was no need for her to think too much either.

They would both be benefited in this case. Oscar was a smart person and he wouldn't refuse.

She said bluntly, “Half a month later, my mother will celebrate her 50th birthday. I will ask my father to prepare a grand birthday party for her. All the dignitaries in Kensbury City will be invited to attend the party, including you.”

“And then?”

“Jane, my cousin has always been incredibly jealous of me and she would be unhappy if she sees me living a better life than her. She thought that I was marrying the best man in Kensbury City, Charles, so she wanted to ruin my wedding. The best ways she chose to ruin my wedding was to seduce him and have sex with him.” Hannah said bluntly.

Oscar could also understand her words.

“Charles is not a man who will reject other woman's love and he will even want to have fun with other women. To make the wedding go smoothly, he might not go out and hook up with women during this month when our wedding is going to be organized. But, it doesn't mean he won't be seduced.

On the night of my mother's birthday party, Jane will definitely dress up in a flamboyant manner and try to attract Charles by all means and then have sex with him as a way to threaten him to marry her."

"Charles won't allow her to threaten him!" Oscar said as if he was sure about it.

"He won't. A man like Charles, who always hooks up with women, can easily send a woman away. He can have ten thousand ways to make Jane tight-tipped if that happen. However, he won't expect that I will ruin all his reputation by reporting him for having an extramarital affair! After all, so far, he still trusts me and won't watch every move of mine."

"You want me to help you take a video of them when they are in the sack?"

"Yes." Hannah nodded her head.

She knew that Oscar was a smart person who could understand that without her explaining much.

"I know your friend Theodore." Hannah turned around to look at the man next to them who displayed a look like the matter was none of his business.

When Theodore noticed that Hannah was looking at him, he smiled frivolously, "What's Ms Cooper's order?"

"I think it should be a breeze for you to find someone to secretly take a video of them."

Theodore shrugged his shoulders and he didn't know whether he should agree to help her or not.

"Okay." Oscar agreed.

Then Theodore could only agree also.

"But Mr Cooper," Oscar suddenly called out to her.

"Yes?"

"You should be mentally prepared."

"Are you trying to remind me of something?"

“After you know how evil Charles is. I’m afraid you won’t be able to accept the truth.” Oscar displayed a serious look in which he rarely did so.

“I know how disgusting and cruel he is.” Hannah said word by word, “So you should try your best to ruin his reputation.”

Oscar still looked surprised in his eyes.

Probably he was still a little surprised seeing Hannah’s change in her behavior.

But in the end, he was also used to being indifferent.

So he didn’t have a big reaction.

Hannah also didn’t want to delay any time. She turned around and intended to leave.

After all, she still felt so uncomfortable in the nightclub.

The moment she left, she suddenly thought of something and turned back, “Oscar.”

Oscar’s eyes kept looking at her.

At the moment Hannah looked at him, she was a bit bewitched by him looking at his eyes.

It was true.

No woman could refuse a man who was so handsome.

Oscar was so handsome that he could make all women love him.

So...

The fact that she wanted to ask him to “behave” was not necessary.

She thought that no man would refuse a woman who wanted to throw herself at them.

Charles wouldn’t do so.

So as Oscar.

“Ms Cooper, don’t you want to say anything?” Oscar clearly noticed that Hannah wanted to say something.

However, the next moment, he could clearly tell that she didn’t want to say anything again.

“Don’t contract AIDS.” Hannah said in a way different from that in her mind.

Oscar turned serious.

“I am afraid that you’ll die before we even make the deal.” Hannah finished her words.

Then, she left the private room.

In the private room, Oscar just watched Hannah’s back as she left.

Theodore who was standing beside him tried his best to keep a straight face.

Finally, he couldn’t control himself and laugh out.

He laughed hysterically.

Oscar looked at him.

Theodore barely managed to stop himself from laughing so hysterically.

He said, “Should I tell Ms Cooper that all the ladies here have had regular checkups.”

Yes.

Emperor Club, the largest night Club in Kensbury City, was owned by his family.

“No, no.” Theodore shook his head, “I should tell her that the ladies here can’t even touch your body.”

It seemed like Oscar didn’t want to pay attention to Theodore.

He also left the private room.

He had just walked out of the main entrance.

A woman seemed to be waiting for him exclusively.

“Oscar.” The woman called out to him flirtatiously.

She had gathered up her courage to do so.

At first, she didn't dare to approach him either but seeing Hannah who could fall into his arms just now. She thought that perhaps she could also do so.

Besides, Oscar had even called her “babe” just now.

When thinking about it, she became a little excited.

And Oscar was stooped by her voice. He turned around.

The woman's heart was pounding fast and her face was filled with anticipation.

“Don't call me 'hubby' again,” Oscar said in a cold voice.

The woman's face turned pale with fright.

At that moment, she looked at Oscar Wells who left in a daze. She watched his back for a long time before remembering what she had said in front of Oscar who was using the phone in the private room, “Hubby, you're so annoying!”

She was wondering if he was warning her that she was in no position to call him “hubby”.
