

## All For You Chapter 11

This man, like he popped out of a crack in the stone.

There is no trace of .....

In h-city, if even the Yu family can't find out about someone, there is only one other possibility left besides the name being fake.

Her background, having been tampered with!

“Right, young master, the information is still available on what happened after Nian Xiaomu turned twenty, but this would not be too different from Fang Zhenyi, studying in nursing school and then taking the exam .....” The assistant reported back what he had found out, word for word.

Compared to Fang Zhenyi, Nian Xiaomu appears to be very low-key.

The talk about her in the school is also particularly scarce, like a temporary appearance, go to a soy sauce fire test a certificate, then disappeared .....

Yu Yuehan is sitting in his office chair, his finger bones are well-defined, tapping on the edge of his desk.

What flashed through his mind was the image of the first time he met Nian Xiaomu in the hospital .....

Young, beautiful, energetic.

These three words could not be more aptly applied to her.

A pair of soulful eyes, can't see any half-heartedness.

It was the unconvincing stubbornness in her body when he questioned her lack of qualifications to stay and take care of Little Liu Liu that surprised him a little.

Yu Yuehan's gaze, falling on the car accident report on the table, his eyes went cold.

“Where is she now?”

The assistant was stunned, “Downstairs, staying with little miss.”

At these words, Yu Yuehan's black eyes narrowed as he stood up from his chair and paced outside.

Just as he walked downstairs, he saw Little Liu Liu who was eating snacks alone in the living room, and beside her, there was only a housekeeper.

“Where is the person taking care of Little Liu Liu?” Yu Yue Han’s brows knitted.

The housekeeper hurriedly stepped forward, “Back to young master, little miss is not willing to let two people take care of her, so I lined up a shift and let Fang Zhenyi go back to rest first, now it is Nian Xiaomu who is taking care of little miss, she is in her room .....

Before the butler could finish his words, Yu Yuehan had already crossed over him and walked straight towards the room.

A cold aura that made people shiver.

The housekeeper gave a jolt and froze, not daring to follow.

Yu Yuehan had just reached the door when he heard a “thud” sound, as if he was moving something.

“The first thing you need to do is to play in the living room for a while. ....” Nian Xiaomu had just sorted out all the things in the room that could not be played with by little Liu Liu, and was holding them in her arms, ready to move them to the corner.

As soon as he looked up, he saw a long figure, standing in the doorway.

A pair of deep black eyes, coldly looking at her.

The eyes were so deep that it was frightening .....

“Han, Han Shao .....” “As soon as Nian Xiaomu saw the person in front of her, her body instantly straightened up.

Subconsciously, she wanted to back up, but forgot that she was still holding a pile of toys, large and small, in her hands.

A stumble in the foot, the person instead planted forward, straight towards Yu Yue Han!

“Ah...”

“Bang...”

The expected pain did not come.

Nian Xiaomu opened her eyes in bewilderment, she was still dizzy when a voice so cold that it sounded like it wanted to eat people came to her ears.

“Have you had enough pressure?” There was also the ruthlessness of a man gnashing his teeth.

When Nian Xiaomu looked down, she realised that she was pressed against some ice lump, and someone, at this moment, was staring at her fiercely with a bloodthirsty gaze!

“I’ll get up immediately!” Nian Xiaomu’s mind was already confused, anxiously trying to get up, and as soon as her hands were propped up, she heard the sound of the man sucking in his breath backwards.

Only then did she realize that her hands, propped up on his chest.

She hastily retracted it.

“Sorry, touched the wrong one.”

Yu Yuehan: “.....”
