

All For You Chapter 13

If he had known, he should have let her fall hard to learn her lesson!

If he hadn't seen that she was so devoted to taking care of Little Liu Liu, even taking up the babysitting job, he would have just strangled her to death!

Yu Yuehan reached out and pressed his hand to his brow, remembering that sudden kiss, and tugged irritably at his chest tie.

I just feel like I can't breathe well

Twice!

Planted on the same woman twice, something that had never happened to him before.

"Young master, the car that young miss had the accident in was originally going to pick you up, our people suspect that the other party's target, most likely, was not young miss." The assistant couldn't wait for his reply and couldn't help but remind him again.

The Yu family was the number one family in H City, with unlimited glory.

But within the family, it was not as calm as outsiders saw.

Especially the heir of the Yu family's direct line, only Yu Yuehan remained.

Compared to Fang Zhenyi, who had a simple background, Nian Xiaomu, who couldn't find out any information, really seemed too mysterious too dangerous!

"What do you want to say?" Yu Yuehan turned around, his thin lips slightly opened.

The face that had regained its calmness could not see any fluctuation of emotions.

He raised his head and his gaze crossed over the assistant and fell to the entrance of the villa.

The sun was setting through the window and fell on the floor, haloing layers of orange light and transmitting warmth.

In the living room, Nian Xiaomu was holding little Liu Liu, changing the medicine on her injured arm.

Her gentle gaze and the light smile at the corners of her mouth made her already clean features more and more luminous and attractive.

She was a little far away, so I couldn't hear what she was saying.

All I could see was that after she had wrapped the gauze, little Liu Liu, who was sitting in front of her, curled her eyebrows in a happy smile and then jumped into her arms.

The next second, raised his little head and gave her a kiss on the cheek

Yu Yue Han Zi pupils tightened!

The look on his face at this moment is no longer simply amazed can be described.

He had never seen, little Liu Liu to anyone other than him, so intimate.

She was really fond of Nian Xiaomu

The assistant, with his back to the villa, did not see this scene and heard his boss's enquiry and spoke straightforwardly.

"Young master, for safety's sake, Nian Xiaomu can't stay at the Yu family."

"....."

"Young master, young miss's injury, I have asked the doctor, it's okay to leave only one escort to take care of it, in case Nian Xiaomu is really the one sent from there, it's dangerous instead."

Yu Yuehan's long figure stood with his hands tied.

Hearing the assistant's words, his eyes flickered slightly, and finally, with a complicated look at the two people in the living room, he turned to leave.

-The

In the living room.

"Nian Xiaomu, you can leave work now, tonight, let Fang Zhenyi take care of little miss." The butler stepped forward and spoke up to remind.

Behind him, followed by Fang Zhenyi who had disappeared for the day.

At this moment, her mind was not on a child at all, and her eyes became lost as she looked eagerly around the villa and did not see Yu Yuehan's figure.

Looking up again, when she saw Nian Xiaomu, she gave her a fierce glare!

If it wasn't for Nian Xiaomu stealing her chance to take care of Little Liu Liu, today, for one day, the person who spent time with Young Han should be her!

She wouldn't have had to wait until now to come over, Han Shao had already left

Looking at Little Liu Liu who had been clinging to Nian Xiao Mu's arms, unable to let her go, Fang Zhen Yi's eyes became even more gloomy.

No, she had managed to get into the Yu family with great difficulty, she absolutely could not let Nian Xiaomu ruin her chances!

"Butler, can I have a request?"
