

All For You Chapter 16

Yu Yuehan turned around and sat down on the sofa in the living room, in this manner, he was ready to personally ask about this matter.

Although the housekeeper had doubts in his heart, he did not dare to say anything.

He hurriedly urged Nian Xiaomu, "What are you still standing there for?"

"....." Nian Xiaomu bit her lip, her eyes were not as angry as they had been earlier, and when she looked at Yu Yuehan, her mood was a bit complicated.

She didn't know what was going on, today she actually felt that the ice lump was not only handsome, but also a bit smooth

Especially when he just told Fang Zhenyi to shut up, he was so domineering that he was blinding!

"I didn't wet the medicine, it was Fang Zhenyi who brought the water on the table and poured it into the medicine chest in front of me, and deliberately acted as a thief to catch a thief" Nian Xiaomu straightened his back and clearly told the story of what happened.

Once she thought of Fang Zhenyi actually ruining Xiao Liu Liu's medicine in order to force her away, even if Nian Xiaomu was good-tempered, her eyes were tinged with anger.

"Young Han, I didn't" Fang Zhenyi was so anxious to hear it from the side that she was about to speak, but remembered the butler's warning and snapped back.

The whole person was anxious like an ant on a hot pot.

Fearing that Yu Yuehan would believe in Nian Xiaomu's words and order her out of the Yu family.

"Evidence." Yu Yuehan's thin lips slightly opened and indifferently spat out two words.

His eyebrows did not move, his black eyes were deep, and he could not see whose words he had actually believed.

"....." Nian Xiaomu was stunned by the question.

He didn't say he believed her, yet he didn't assume it was her from the start either, like the butler did.

Instead, he gave her the chance to prove her innocence.

But

Nian Xiaomu looked up at the surveillance around the villa and frowned.

If she hadn't felt wrong, Yu Yuehan, who loved his daughter so much, would not have been able to spy on Xiao Liu Liu like a prisoner.

But if there was no surveillance, at that time in the room, there was only her and Fang Zhenyi, she had no witness at all.

Nian Xiaomu thought of something and her eyes lit up!

"I have no evidence to prove my innocence, but Fang Zhenyi also has no evidence to prove that the medicine was wetted by me, she herself is the suspect."

Since there were only the two of them, it was anyone's guess.

Fang Zhenyi could accuse her, and she could accuse Fang Zhenyi!

"....." Yu Yuehan's dark eyes narrowed, a flash of appreciation flickered from under his eyes.

Noticing that his emotions were affected by her again, he frowned.

After a moment, indifferently opened his lips.

"In the company, if something goes wrong before the end of the work handover, who do you think should be responsible?"

"....." Nian Xiaomu was stunned and quickly understood what he meant.

Before Fang Zhenyi came, it was her working time, if something went wrong and no evidence could be found to prove whose fault it was, it would only be her responsibility.

"I'll ask you once more, do you have any evidence to prove your innocence?"

Yu Yuehan's thin lips were slightly parted and his cold attitude was the same as when she first met him.

High and mighty, no one could approach.

Not only was Nian Xiaomu shocked, but even the assistant who had been following him was confused.

He thought that the young master had come to stand up for Nian Xiaomu.

How come looking at this stance, it seems like something is not right

Yu Yuehan stood up from the sofa, tucking one hand in his trouser pocket, a casual stance that added a touch of evil to his perfect face.

The black eyes looked fixedly at Nian Xiaomu, with a light she couldn't read underneath them.

"You are dismissed."

With those words, he turned around and prepared to leave.

"Yu Yuehan, I'm not convinced!"
