

All For You Chapter 5

Nian Xiaomu made serious preparations and went out early the next morning.

When she arrived at the address on the recruitment information sheet, after getting out of the car, she was a bit baffled.

The villa of the Yu family in front of her had a deep courtyard.

The Yu family is worthy of being the number one family in city H. Just the facade alone is intimidating enough to make people's hearts feel respectful.

At this moment, outside the villa's front door, a group of people were crowded in a black press. This scene did not look like an interview for an escort, but rather like an ancient emperor choosing a concubine.

Before Nian Xiaomu came, she had done her homework on her employer.

Yu Yuehan, the most noble diamond bachelor in city H, was unmarried, but had a three-year-old daughter.

Domineering, strong and cold

The actual "young man", she also heard, is a stunning looker!

When she searched the internet and found these comments, the bastard who took her first kiss at the hospital yesterday popped into her head!

She wondered which was better looking than Yu Yuehan.

"All those who have registered come in with me." The butler collected the resumes in front of him, turned around and walked inside.

After just a few steps, he suddenly stopped.

In a whirl, everyone stopped and stood at attention in unison, looking respectfully towards the door.

In the next second, a dazzling sports car, drove in from outside the main door

"Young master-"

The unanimous greeting sounded, highlighting the respectfulness of the person coming.

Until the car disappeared.

“Hey, what are you still standing for!” A low yell rang in her ears, causing Nian Xiaomu to come back to her senses.

Looking at herself who had fallen in line, and the impatient doorman beside her, all that flashed before her eyes was that familiar side face in the car just now

Is it her eyesight?

She actually saw the ice lump that bumped into her yesterday at the Yu family villa!

The front of the luxurious villa hall.

The butler was sitting at the table with a stern face, interviewing people who had stayed until the last hurdle.

Suddenly, a surprised voice came out, “Nian Xiaomu, why are you here?”

“.....” Nian Xiaomu looked up and saw the person in front of her, and her sub-pupils tightened.

“Don’t tell me, you’re here for the interview too?” Fang Zhenyi clasped her hands around her shoulders, contempt in her eyes, “Just a half-assed caregiver, what qualifications do you have to take care of the Yu family’s honorable little miss?”

“.....” Nian Xiaomu’s eyebrows knitted when she heard her words.

She had been inserted into the nursing course halfway through, and Fang Zhenyi happened to be her classmate and the top student in the class.

“Nian Xiaomu, who are you to compete with me?” Fang Zhenyi arrogantly walked up to her, overbearing.

Ever since Nian Xiaomu had entered the class, the class flower had disappeared from her own head.

But this woman of hers, apart from her beauty, where could she compare to herself?

“Look, housekeeper, this Fang Zhenyi is good, her education and qualifications are the best among these people”

Hearing the interviewer mention her name, Fang Zhenyi immediately raised her head and chest.

Her dignified and virtuous appearance, coupled with her pretty face, made her look very professional indeed.

"It's good." The butler took a look and nodded along.

Little Miss was their young master's heart.

The caregivers recruited for this had to be top notch, otherwise if anything went wrong, they would all have to eat their words!

At this point, Fang Zhen Yi already felt that she had the victory in her hands, and she became more and more complacent, lowering her voice and saying, "Nian Xiaomu, if you have the sense, it would be better if you take the initiative to quit first, lest you lose too embarrassingly later!"

Nian Xiaomu's eyes narrowed and he was just about to say something when he saw the butler stand up.

Even the people beside him all stood up in unison.

This image, a bit familiar

In the next second, a dignified figure was seen, slowly pacing up and down.
