

## All For You Chapter 6

Deep black eyes, high nose, sexy thin lips slightly upward, smiling and not smiling.

The simple white shirt and black trousers on his body, young and vigorous, the hand and foot, all cramped nobility.

That perfect face, whoever has taken a look at it, will never forget .....

Nian Xiaomu froze violently!

Looking at the man who was walking towards her step by step, her eyes almost stared straight up!

It really wasn't her eyesight just now .....

It was really the man who bumped into her and didn't apologize, and even took her first kiss!

No, how could he be here?

"Young master!" The butler's respectful greeting was like a bolt of lightning that struck straight at Nian Xiaomu's head!

Young, young master .....

He was Yu Yuehan?

The big boss she was interviewing for?

The moment Nian Xiaomu remembered the "beef" between the two of them, her petite body immediately shrank into the crowd, hating to turn herself invisible.

If she offended her boss, would there be any chance of passing the interview?

If she had known, she should have hugged her cake yesterday and dashed off before he could see her.

Otherwise, she should have acted like she didn't care, smiled at him, waved and said, "I was the one who didn't see, I deserved to be hit, take your time ....."

The first time I saw you, I was so happy.

But Tan Beng Beng has given a deadly order, if she does not pass the interview, the next month, she do not want to have a good day.

Now she just hoped that Yu Yuehan was just passing by and didn't see her at all.

Yes, he was the CEO of the Yu Group, how could he care about such a trivial matter as recruiting an escort, he must just be passing by!

Nian Xiaomu secretly prayed in her heart and looked at the man who was walking towards the living room of the villa.

Just when she thought Yu Yuehan was about to enter, his footsteps suddenly stopped at the door and he looked sideways at the housekeeper.

"What do these people do?"

"Back to Young Master, they are all caretakers who have come to interview to take care of Little Miss." The butler respectfully reported back.

An escort to take care of his little princess?

Yu Yuehan's eyes narrowed slightly, and the figure that had just walked to the door turned back again.

His sexy thin lips opened slightly, "Are there any chosen ones?"

"There are two good ones. One is called Fang Zhenyi and the other is called Nian Xiaomu, both with similar grades and qualifications, why don't the young master decide on one?" The butler handed him his resume and pointed in the direction of the two.

As soon as Fang Zenyi heard her name, she immediately pushed forward, raising her head and chest, afraid that Yu Yuehan would not see her.

As Yu Yuehan's gaze was directed towards her, there was a clear sound of envy around her.

This is young Han, the most handsome and noble man in H City.

To be able to show her face in front of him once, it was worth the trip!

When Nian Xiaomu looked at Yu Yuehan, who had returned, her heart instantly sank to the bottom.

As soon as she heard the housekeeper mention herself and Fang Zhenyi and ask Yu Yuehan to choose one, she was already dead ashes .....

The best way now is for her to die without showing her face, so that she can still have a 50-50 chance.

Thinking of this, not only did Nian Xiaomu not move forward, but she kept hiding behind people, trying to avoid his gaze by all means.

“Nian Xiaomu? Nian Xiaomu?” The butler waited late for someone to come forward and shouted anxiously.

“The young master wants to see you, what are you doing standing there? Hurry up!”

“.....” Nian Xiaomu was still trying to hide when the people in front of her heard the butler’s words and had already moved aside in unison.

When she looked back and lifted her head, a pair of deep black eyes were staring at her coldly!
