

## All For You Chapter 7

Nian Xiaomu's heart thudded, the feeling of coming face to face with death in a flash was too strong.

Her feet felt like they were filled with lead, and as she walked forward with a stiff upper lip, she could only keep reassuring herself.

She was dressed formally today, not unlike her t-shirt and jeans from yesterday.

She had also given herself a very old-fashioned make-up look to emphasise her professionalism.

They just bumped into each other so much yesterday that he didn't necessarily remember her .....

"Young master, this is Nian Xiaomu, it's a coincidence to say that she and Fang Zhenyi both went to the same school." The butler saw that he kept staring at Nian Xiaomu and was busy explaining.

"Is that so?" Yu Yuehan spat out two words carelessly.

A cold gaze, like a laser, swept over her face.

With just two simple words, the people next to her couldn't figure out what he really meant, only Nian Xiaomu understood.

He simply recognized her .....

It's over!

I just offended someone, and then I sent myself to someone, this is completely out of the question.

The person who was nervous was not only Nian Xiaomu.

The first thing you need to do is to get a good idea of what you are getting into.

She knew how irresistible that face of Nian Xiaomu was to men.

But she had managed to get to the last hurdle of the interview, she absolutely could not lose.

Especially not to Nian Xiaomu!

Fang Zhen Yi's palms tightened as she oohed and aahed, "Housekeeper, you may have misunderstood, although I have spent time at the same school as Nian Xiaomu, however, we are not the same."

"What do you mean?" The housekeeper was baffled by the sudden words.

Even Yu Yuehan's gaze finally moved away from Nian Xiaomu's face and looked over towards her.

Seeing that she had finally become the centre of attention, Fang Zhenyi was both excited and nervous.

She flashed her best smile at Yu Yuehan before slowly speaking, "Speaking of which, I am indeed an alumna with Nian Xiaomu, but if I remember correctly, she is only halfway through her nursing course and has not finished it."

"Boom..."

The simple sentence was like a boulder that was thrown into the calm surface of the lake.

It instantly stirred up a thousand waves.

The meaning in this sentence could be heard and understood by everyone present.

If Nian Xiaomu hadn't finished the course at all, then how did she get her certificate?

She dared to come to the Yu family's interview with a fake certificate, she simply had the guts to eat a bear's heart and leopard's guts!

"What did you say? Say it again!" The steward's face immediately sank as he came back to his senses.

He turned his head and had someone check Nian Xiaomu's certificate.

"Nian Xiaomu is at least my alumna, I originally didn't want to say anything, but I was worried about little miss, in case there was a caregiver who wouldn't take care of her, then her injuries ....." Fang Zhenyi only said half of her words, leaving the rest half, deliberately, for everyone to guess.

The implication in these words is even more malicious than directly saying that Nian Xiaomu can't take care of people!

The butler's face, straight away, went black.

"Nian Xiaomu, say it yourself, is it true that you've only attended half of your classes?"

“.....” Nian Xiaomu had a bad feeling from the moment she heard Fang Zhenyi speak.

Now that she heard her words, her heart fell back into her stomach instead.

“Yes.” A crisp, clean word.

Without waiting for the housekeeper to jump, her clear gaze, she looked towards the housekeeper, “The school course, I did only attend half of it, but I didn’t cheat.”

“You interviewed with a fake certificate and you say you didn’t cheat .....

Before the housekeeper finished her accusation, she heard the person next to her exclaim, “Her card is actually real!”
