

Almighty D 1001

Chapter 1001: 225: She's Too Good for me! 2

"Ye Zao was talking to Dr. Warne as he walked, so he did not notice Cen Shaoqing. It was not until he walked a few steps away that she felt that something was not right. She stepped back and asked, "Cen Shaoqing, why are you sleeping here?" "

"After shouting for a while, ye Zao did not wake up. He reached out and poked Cen Shaoqing's arm. "Cen Shaoqing?" "

"Seeing this scene, Dr. Hua En was stunned and his face turned pale with fear. "

"As everyone knew, CEN fifth master was a person who was not to be trifled with. He was very resistant to the opposite sex. "

Although CEN Shaoqing had given awards to ye Zao before.

But the two of them were not close.

Ye Zao's action would definitely make Cen Shaoqing angry.

Dr. Hua En had once witnessed a girl who wanted to get close to Cen Shaoqing being thrown several meters away by Cen Shaoqing.

Two of the girl's front teeth had been knocked off. She was so scared that she did not dare to find a boyfriend for three years!

This showed how ruthless Cen Shaoqing was.

“Just when Dr. Warne was feeling uneasy and wanted to protect Ye Zao behind him, Cen Shaoqing slowly opened his eyes. There was no anger in his eyes as Dr. Warne had imagined. Instead, he spoke in a warm voice, like a sharp ice meeting a warm sun.”

“Are you done?”

“”Yes.” Ye Zao nodded slightly and continued, “When did you come back?” ”

Cen Shaoqing twirled the prayer beads out of habit. “I just arrived not long ago.”

“Ye Zao saw that Cen Shaoqing still had a tired look between his brows and guessed that he must have not slept well for several days. He continued, “The problem on my side has almost been solved. Why don’t I accompany you to rest in the hotel for a while?” ”

“Okay.”

“This familiar tone stunned Dr. Warne once again. He turned to look at Ye Zao. “Miss Ye, are you and Master Five friends?” ”

Cen Shaoqing did not seem to be the kind of person who made friends with the opposite sex.

“Ye Zao looked up slightly. “Let me introduce you. This is my boyfriend, Cen Shaoqing.” ”

Boyfriend?

These two were actually boyfriend and girlfriend!

“Professor Warne’s eyes were filled with disbelief. “Master Five, isn’t he an unmarried man?” ”

Everyone in Beijing knew that Cen Shaoqing was an unmarried man!

“Because of this, many people felt that it was a pity. ”

“After all, CEN Shaoqing had good genes. Wouldn't it be a pity if such good genes were not inherited? ”

Who would have thought that this unmarried man would actually have a girlfriend now.

“For a moment, Dr. Warne could not believe his ears. ”

Ye Zao had always been a very low-key person. Cen Shaoqing did not expect that she would introduce him so formally in front of Dr. Warne.

This was a form of recognition for him!

“The tiredness on Cen Shaoqing's brows disappeared in an instant. He looked up at Dr. Warne and continued, “Before I met ye Zao, I was indeed an unmarried person. But after I met her, I was no longer one.” ”

Dr. Warne was in disbelief.

“When he looked back, even Cen Shaoqing himself felt that everything was like a dream. ”

He was extremely glad that he had gone to Yun Jing.

“If he had insisted on not going to Yun Jing at that time, then who was the person beside ye Zao Now? ”

“Every time he thought of this question, Cen Shaoqing felt that he could not breathe. ”

“Dr. Warne gulped as if he was looking up at Cen Shaoqing. Then, he looked at Ye Zhuo. “Miss Ye, are you... are you really in a relationship? Are you not making fun of an old man like me?” ”

Cen Shaoqing had single-handedly founded the CEN Group and the Dark Moon Alliance. Behind him was a mysterious force that stood at the top of the pyramid.

Ye Zhuo was a technology tycoon who had his own achievements in various fields.

It was not an exaggeration to call her an extraordinary woman!

Such an evenly matched pair of people together was simply an amazing existence.

Ye Zao smiled slightly. "Do you think I'm someone who would joke about such things?"

It was true.

It was actually true.

"Professor Hua en paused for a moment and continued, "Then I wish the two of you a long and lasting marriage." "

""Thank you, Dr. Warne."Cen Shaoqing looked up and thanked him. "

Dr. Warne looked at Cen Shaoqing and felt that Cen Shaoqing had changed a lot.

Cen Wuye used to be quiet and stood there like an ice sculpture. He was not as approachable as he was now.

"Although Cen Shaoqing was still difficult to get in touch with now, he had changed a lot compared to before. "

It seemed that love was really a magical thing.

Dr. Warne was filled with emotions.

“Ye Zhuo continued, “Dr. Warne, we’ll be going back first. If there are any problems, you can call me.” ”

“Chapter 1002: 225: jaw-dropping, not good enough for her! 3”

“Okay.” Dr. Warne nodded.

“Ye Zhuo held Cen Shaoqing’s hand, and the two of them walked toward the exit.”

“Looking at Ye Zhuo’s back, Dr. Reddy came over from the side. “Dr. Warne, do you think Miss Ye looks like a person?””

“Who?” Dr. Warne turned to look at Dr. Reddy.

“That person.”

Dr. Warne narrowed his eyes. “You mean scholar Ye?”

“Hearing that, Dr. Laidy’s eyes lit up. “You think she looks like her too, right? Especially her back. They look exactly the same!””

Dr. Warne looked at Ye Zao’s back and nodded. “They do look alike.”

“Actually, when Dr. Warne saw ye Zao for the first time, he felt that ye Zao looked like ye Langhua.”

It was not that they looked alike.

It was that kind of unique temperament.

“As long as one saw ye Zhuo, one would be able to associate him with the young ye Langhua.”

Don’t look at ye Langhua now as an ordinary old woman.

In the next forty years.

The eldest daughter of the Ye family was well-known in the capital. She was both talented and beautiful. She was an existence that made all the literati and artists in the capital flock to her!

There were even people who spent all their wealth just to catch a glimpse of ye Langhua.

Ye Langhua was even labeled as a talented woman of the flourishing age.

The Ye family’s old man only had ye Langhua as his precious daughter. Ye Langhua was also very capable. She did not lose out to a man at all!

“Therefore, when old man ye chose a son-in-law, he was very strict.”

“As long as the man had even the slightest flaw, he would not be able to catch his eye.”

“Just when everyone thought ye Langhua would definitely choose a brilliant scholar who was on par with her, ye Langhua’s choice surprised everyone.”

“She chose Xi Muwen who had no education, talent, and family background.”

“Back then, Xi Muwen’s reputation was not good.”

He despised the poor and loved the rich.

The modern version of Chen Shimei.

“At that time, everyone did not think highly of this pair.”

Including the Ye family’s patriarch.

“Other than that face of Xi Muwen, there was no other place that was worthy of ye Langhua!”

“However, ye Langhua loved him to death. She said that she wanted to be with him no matter what. She did not listen to any good advice. Despite the opposition of the Ye family’s old patriarch and everyone else, she insisted on getting married to Xi Muwen.”

The facts proved that everyone was not wrong.

Xi Muwen was a heartless person.

“In the first two years of their marriage, he had not revealed his true colors. Ever since their only daughter was lost, Xi Muwen had revealed his true colors.”

“In less than half a year after grandfather ye passed away, Xi Muwen had turned the ye group into the XI group.”

He had even chased out all the old shareholders of the Ye family.

“At this time, Ye Langhua had also changed from the famous talented girl in the capital to a crazy woman who had a head full of white hair.”

She was no longer talented.

She was no longer beautiful.

“For a time, many people sighed.”

“Later, Dr. Warne and the others also went to look for ye Langhua.”

“However, ye Langhua only wanted to find her daughter and kept quiet about other things. It was as if she had really become the crazy woman that everyone called her.”

Gradually.

“The Ye family’s eldest daughter who was famous throughout the capital, the ye scholar in the science and Technology World, had become a thing of the past.”

“Later on, other than the older generation like them, who else remembered the ye family’s eldest daughter’s elegant demeanor back then?”

“When he thought of this, Dr. Warne’s eyes were filled with regret.”

“If ye Langhua had not chosen Xi Muwen back then, she would definitely not have fallen to this stage.”

“Therefore, when Dr. Warne saw ye Zhuo and Cen Shaoqing together, other than shock, he was actually more delighted.”

“As the saying goes, Wisdom Hurts.”

Ye Langhua was a good example.

“Ye Zhuo’s talent and ability were even better than ye Langhua back then. If she also found a partner who was only good-looking, she would not end up better than ye Langhua!”

It was very obvious.

Ye Zhuo’s taste in men was much better than ye Langhua’s.

“Dr. Laidi continued, “I don’t know if scholar Ye has found her daughter for half a month now.””

“”I heard that he has found her,” Dr. Warne said.”

“Found her?” Dr. Laidi’s face was full of surprise. “When did you find her?”

Dr. Laidi was ye Langhua’s classmate when he was young.

“Back then, she had been a fan of the talented ye Langhua.”

“Now that he thought about it, it was really a trick of fate.”

“If he hadn’t seen it with his own eyes, who would believe that the talented woman of the Golden Age, who was famous in Beijing back then, would have fallen to such a state today?”

“Dr. Warne nodded. “Yes, I found it. It’s just that my mental state isn’t very good.””

“Mental state isn’t very good? What do you mean?” Dr. Laidy asked.

“Chapter 1003: 225: jaw-dropping, not good enough for her! 4”

“Dr. Warne sighed, “Because of the experience of being kidnapped when he was young, he only has the IQ of a three-year-old child for half a month now.” ”

Only the IQ of a three-year-old child?

“”My God!”Dr. Reddy covered his mouth in surprise, “What about scholar Ye? Can he be cured?” ”

“Dr. Warne shook his head, “I’m not too sure about that.” ”

Dr. Ryan Sighed. “Scholar Ye has waited for this day for so long. He even gave up everything for half a month. Who would have thought that in the end...”

Dr. Warne sighed as well.

...

On the other side.

In Beijing.

Aunt Lang had been staying at the Xi family home with half a month for the past few days.

“In the blink of an eye, three days had passed.”

“However, half a month still treated her like a stranger. Not only did she treat her like a stranger, but she became even closer to Yang Jiao.”

This was hard for Aunt Lang to accept.

Little Half Moon was her only daughter.

She had searched for 36 years before she found her daughter.

“Yang Jiao wasn’t around at the moment, leaving Little Half Moon alone in the living room playing with the building blocks.”

“Aunt Lang walked over and said softly, “Little Half Moon, let me take you out for a walk, Okay?” ”

““Bad person! Bad Person!”When she saw Aunt Lang, those terrifying images appeared in Little Half Moon’s eyes. She couldn’t help but tremble. “You’re a bad person...” ”

“Aunt Lang walked toward Aunt Lang and said, “I’m Mommy! Mommy isn’t a bad person!” ”

“Ah!” Aunt Lang was so scared that she ran away.

Aunt Lang was stunned on the spot. Her tears couldn’t help but flow down.

“She thought that after finding Aunt Lang, the rest of her life would be easier. ”

“However, she didn’t expect that not only would it not be easier, it would make her feel even more uncomfortable. ”

““Sister, are you crying?”Yang Jiao walked over from behind. ”

“Aunt Lang immediately wiped away her tears. “No, I’m not crying.” ”

“Yang Jiao sighed, “Sister, we’re family. You Don’t have to hide anything from me. I know that you’re crying because of Little Half Moon. Actually, Little Half Moon has recovered a lot recently. I believe that after a period of time, she will be able to call you mother.” ”

“After saying that, Yang Jiao continued, “Oh right, sister, didn’t you say that you were going to bring little half moon to the courtyard house? When do you plan to Go There?” ”

“Aunt Lang said, “With Little Half Moon’s current situation, I’m afraid that I will have to trouble the both of you for a few more days.” ”

“Yang jiao smiled and said, “Sister, look at what you are saying! What Trouble? This is your and Little Half Moon’s home. The both of you can stay here as long as you want.” ”

“Thank you.”

“Yang Jiao looked at Aunt Lang and said, “Sister, you don’t have to be so polite! After all, you’re the mistress of this house. If you want to say thank you, I should be the one thanking you.” ”

“At this moment, Aunt Lang’s phone suddenly rang. ”

“Hello.” Aunt Lang picked up the phone.

“It was unknown what was said on the other end of the phone, but Aunt Lang continued, “Alright, I’ll be there soon.” ”

“After hanging up, Aunt Lang turned to look at Yang Jiao. “I need to go out for a while. I’ll have to trouble you for half a month.” ”

“Yang Jiao nodded. “Sister, go and do your work! You Don’t have to worry about half a month!” ”

“After Aunt Lang thanked her, she turned around and left. ”

Yang Jiao looked at Aunt Lang’s back as a dark light flashed in her eyes.

That damned old woman.

“The four of them had poured their hearts out to her, but she did not appreciate it at all. ”

Just wait.

“Sooner or later, she would make this old hag tell her everything willingly! ”

On the other side.

Song Shi Group.

Song Shiyu was sitting at his desk reading documents.

“Bai Jiayu raised his head to look at song Shiyu several times, as if he wanted to say something but hesitated. ”

““What do you want to say?” Just as Bai Jiayu raised his head a few times, song Shiyu put down the documents in his hand and said in a deep voice, “Say it.” ”

““Brother Song, you saw through it.” Bai Jiayu touched his hair in embarrassment. ”

“Song Shiyu continued, “You only have one chance.” ”

“Bai Jiayu immediately said, “Brother Song, is there a tattoo on your left arm?” ”

Song Shiyu glanced at Bai Jiayu.

“Realizing the danger in song Shiyu’s eyes, Bai Jiayu hurriedly explained, “Brother song, I didn’t pry into your privacy! I accidentally saw it when you rolled up your sleeves yesterday.” ”

“So what if you have a tattoo?” Song Shiyu asked.

“Bai Jiayu continued, “That’s a girl’s name, right?” ”

Song Shiyu frowned and didn’t say anything.

“Bai Jiayu said again, “Brother Song, you have someone you like, right?” ”

Song Shiyu remained silent.

“Bai Jiayu stood up and said, “Since you like it, then go and chase after him! Brother song, you have always been a resolute and decisive person in my eyes.” ”

“Chapter 1004: 225: jaw-dropping, not worthy of her! 5”

Not only was it swift and decisive.

“In order to achieve his goal, song Shiyu could also use any means. ”

Take by force.

His hands had never been clean.

Hiding was not song Shiyu’s style.

“”If you like someone, will you chase after them?” Song Shiyu raised his head to look at Bai Jiayu. ”

“Bai Jiayu nodded without hesitation. “Brother song, do I look like the kind of person who wrongs himself? It’s just that I haven’t met anyone that particularly moved me recently. Otherwise, I would have chased after him long ago!” ”

Song Shiyu looked at the beaming Bai Jiayu and a hint of envy suddenly appeared in his eyes.

It was a pity.

He was not Bai Jiayu.

His surname was song.

He was a person who had lived in the shadows since he was young.

He could not see the slightest light.

“”So, Brother Song, What Are You hesitating for? If you like him, then hurry up and chase after him! Besides, you’re Not Young Anymore!” ”

“Speaking up to this point, Bai Jiayu paused for a moment and continued, “If Grandma Song knew about your change, she would definitely be very happy!” ”

“When Old Madam song was still alive, the person she was most worried about was song Shiyu. ”

“She was afraid that after she left, song Shiyu would end up alone. ”

“Now that song Shiyu had finally met his lover and was no longer alone for the rest of his life, Bai Jiayu was genuinely happy for him. ”

“Bai Jiayu continued, “Brother song, if you don’t know how to Chase Girls, I can teach you!” ”

Bai Jiayu had been in many relationships and could be considered a relationship expert.

It was just chasing a girl. It was simply a piece of cake.

“There’s no need,” Song Shiyu’s tone was indifferent. ”

“Seeing that Song Shiyu rejected him directly, Bai Jiayu patted his chest and said, “Brother Song, although I’m not as good as you in other aspects, when it comes to chasing girls, you really can’t compare to me! Don’t underestimate me!” ”

“I won’t chase after her.”

“Bai Jiayu was stunned. “Are you waiting for her to chase after you? Let me tell you, Brother Song, some girls nowadays are especially reserved. You have to take the initiative!” ”

Song Shiyu’s eyes were so indifferent that there was not a trace of expression. “It has nothing to do with who’s chasing who. It’s me who’s not good enough for her.”

If she was the ultimate good.

Then he was the ultimate evil.

“He was covered in dirt, how could he be good enough for her?” ”

The only thing he could do was to protect her.

“When he said the last sentence, Song Shiyu’s eyes were full of self-mockery, and all the light and brightness on his body disappeared in an instant. ”

He was like a star that had suddenly lost its luster.

It lost its luster.

Bai Jiayu was stunned.

He had never seen song Shiyu like this.

He was so humble.

He was so insignificant.

He withdrew all the hostility in his body.

“Brother song...” for some reason, Bai Jiayu suddenly felt a lump in his throat. ”

He was used to song Shiyu’s overbearing manner. The current song Shiyu made Bai Jiayu very uncomfortable.

His heart felt stifled and very uncomfortable.

The song Shiyu he knew should be an existence that looked down on everything in the world.

“However, in an instant, song Shiyu returned to his original appearance. “Are you done with today’s matters?” ”

Bai Jiayu was stunned for a moment.”... I’m done.”

Song Shiyu handed Bai Jiayu a document. “Give this to CEO du.”

“OH.” Bai Jiayu took the document and walked out.

Only when he reached the door did Bai Jiayu realize that he still hadn't asked Song Shiyu who the person in his heart was!

It would be impossible to ask him again if he wanted to go back now.

Bai Jiayu narrowed his eyes. He was very curious as to what kind of girl Song Shiyu was that could make him so humble.

“According to Song Shiyu's personality in the past, as long as he liked her, he would do whatever it took to snatch her away. ”

But Now?

He didn't see any possessiveness in Song Shiyu's eyes just now.

“From the beginning to the end, Song Shiyu kept a low profile. ”

Bai Jiayu was now wondering if that scene was a mistake.

That was Song Shiyu!

“The young man who killed his father, the vengeful Song Shiyu! ”

“Bai Jiayu turned back to look at Song Shiyu's office. After thinking for a long time, he didn't push open the door. ”

“Since Song Shiyu didn't want to say it, it was useless for him to force it. ”

In the office.

Song Shiyu pulled open the second drawer of his desk and took out a crystal box.

The crystal box was transparent.

One could vaguely see through the layer of crystal that it contained a hairpin.

Du Du —

“At this moment, there was a sudden knock on the door.”

Song Shiyu put the crystal box back in its place unhurriedly. “Come in.”

Special Assistant Feng pushed the door open and walked in. “Boss.”

“Looking up again, song Shiyu was still the same song Shiyu that no one dared to look at. “Speak.” ”

“Chapter 1005: 225: jaw-dropping, not worthy of her! 6”

“Special assistant feng continued, “Over at the south city construction site...””

“Song Shiyu narrowed his eyes and interrupted special assistant Feng’s unfinished sentence, “Those two old guys haven’t signed yet?””

““Yes.” Special Assistant Feng nodded. “We’ve tried many ways, but they just don’t want to sign.””

""I remember that they have a son who is studying abroad, right?""

"Special Assistant Feng was puzzled at first, then nodded. "Their son is called Ning Yongzong, and he is currently taking his postgraduate examination in C Nation.""

"Song Shiyu leaned back in his chair, his eyes narrowed. "Get someone to send some gifts to those two old guys! I think Ning Yongzong's little finger is pretty good.""

Special Assistant Feng was stunned.

Song Shiyu's tone suddenly turned cold. "Why? Don't you understand what I'm saying?"

Special Assistant Feng was so scared that his face turned pale. "I understand."

"You may leave." Song Shiyu raised his hand.

Special Assistant Feng bent down and walked out of the door.

...

Aunt Lang came to the teahouse that they had agreed on.

The other party was an old man in his sixties or seventies. He had a kind look on his face and looked very amiable.

Aunt Lang walked over and sat across from the old man. "Elder Zhang."

"Elder Zhang reached out and poured a cup of tea for Aunt Lang. "Lang Hua, I heard from Cao Wei that you've already found her for half a month?""

Aunt Lang nodded.

“Then have you ever thought about...”

“Before elder Zhang could finish his sentence, Aunt Lang said, “Elder Zhang, I know what you want to say. Please don’t worry. I Won’t mistake my own daughter.””

“Let’s do another appraisal.”

“Aunt Lang took a sip of water from her cup. After a long while, she nodded. “Okay.””

“Elder Zhang continued, “Lang Hua, I’m sure Cao Wei has already told you about the current internal affairs of the consortium. Come back.””

Aunt Lang shook her head.

Elder Zhang Sighed. “Do you have the heart to watch your father take over the empire just like that?”

“Aunt Lang laughed self-deprecatingly. “Elder Zhang, you’ve seen what I look like now. Do you think I still have the ability to manage a financial group?”She was no different from a cripple now.”

“How would you know if you don’t try?”

“Even a broken ship had 3,000 nails.”

“Moreover, ye Langhua was a talented girl who had made a name for herself in the capital.”

“There’s no need for that.”

Elder Zhang Sighed again when he saw Aunt Lang like this.

The sun was already setting when they came out of the teahouse.

Aunt Lang was walking on the bustling street when she was suddenly stopped by a joyful voice. "Little Langhua! Little Langhua!"

Aunt Lang turned around and saw that it was the old Mrs. Cen who had a head full of beautiful hair.

"Aunt Tang."

"Old Mrs. Cen jogged over. "Little Langhua, it really is you! I thought I had misjudged you!"

"You're right."

"Old Mrs. Cen continued, "I heard that Heartless Dog Xi Muwen helped you find Little Half Moon?"

"MMM." Aunt Lang nodded.

"Old Mrs. Cen continued, "I think I saw that heartless dog bringing his little wife around the mall yesterday. Did Little Half Moon wear a white sweater and a black hat yesterday?"

"Yes."

"Old Mrs. Cen narrowed her eyes. "It's not that I want to pour cold water on it, but that child doesn't look like your little half moon at all."

"We did an appraisal," Aunt Lang said."

“Old Mrs. Cen frowned. “What if that dog Xi Muwen did something inside? Little Lang Hua, you can’t be fooled by that Heartless Dog Again!””

““Don’t worry, I know what I’m doing.””

““If you knew, you wouldn’t have been fooled by that bastard back then!”Old Mrs. Cen continued, “Little Lang Hua, do you believe that I can bring you to the ditch right now?””

Aunt Lang smiled. “You’re still the same as before.”

“Time passed quickly, but old Mrs. Cen still seemed to be the same old Mrs. Cen.”

She was always carefree and always had a smile on her face.

Old Mrs. Cen looked at Aunt Lang. “Now you’re asking me if I’m a little rabbit.”

“Ah?” Aunt Lang was stunned.

“Quickly ask!”

Aunt Lang could only do as she was told. “Are you a little rabbit?”

“Old Mrs. Cen nodded. “Yes, I’m a cute little rabbit.””

“Then, old Mrs. Cen continued, “Ask me if I’m a Sika Deer Again!””

“Are you a little sika deer?”

“You Idiot!”Old Mrs. Cen was speechless. “I already said that I’m a cute little rabbit!”

Aunt Lang: "..."

"Old Mrs. Cen smiled. "Didn't you say that you knew? If you knew, how could you be tricked by me? So, Little Lang Hua, don't be fooled by the scene in front of you. You've already been tricked once. Don't fall for that Bastard Xi Muwen's trick again!""

Chapter 1006: 226: The Truth of that year was ye Shu! 1

Old Mrs. Cen was a bystander. She had witnessed everything that had happened that year.

"From the moment ye Langhua and Xi Muwen were together, she felt that the two of them were not compatible. "

"Whether it was their family background, character, or talent, Xi Muwen was not worthy of ye Langhua. "

"At that time, Ye Langhua was the most talented woman in glory world. "

What about Xi Muwen?

Xi Muwen was nothing.

"If he was talented, then he had no talent. If he had character, then he had no character. "

"Old Mrs. Cen admired ye Langhua very much back then. She even wanted to introduce ye Langhua to her nephew. Unfortunately, King Xiang was interested, but the goddess was heartless. "

“Back then, Xi Muwen had caused ye Langhua to be so miserable. This time, would Xi Muwen be so kind? ”

Definitely Not!

Especially after old Mrs. Cen had seen her for half a month.

There was nothing similar to ye Langhua between her brows for half a month.

“Moreover, Xi Muwen could do anything for his own ends. Old Mrs. Cen only felt that this was Xi Muwen’s conspiracy. ”

“Then.., old Mrs. Cen continued, “It’s said that a bystander sees the situation clearly, but a bystander sees it clearly! Little Lang Hua, think about it carefully. If it wasn’t for Xi Muwen back then, would you have ended up like this?” ”

“When she heard this, Aunt Lang was stunned. ”

Would Xi Muwen lie to her?

It shouldn’t be...

“After all, Little Half Moon was their common daughter. ”

“As a father, he couldn’t even deliberately mistake his own daughter! ”

“Moreover, she saw that Xi Muwen’s feelings for Little Half Moon didn’t seem fake. ”

If the little half a month at home was not really little half a month...

Then who was her little half a month?

“For a moment, ye Langhua fell into deep thought.”

“Little Langhua!” Old Mrs. Cen waved her hand in front of ye Langhua’s eyes.

“Aunt Lang finally reacted and continued, “I understand, Aunt Tang. I’ll be more careful.” ”

Old Mrs. Cen nodded. “It’s good that you understand this principle.”

“”Old Lady.” At this moment, a gentle voice sounded in the air.”

Ye Langhua looked up.

She saw an exquisite face.

Her skin was very white.

“She had a standard pair of phoenix eyes and her aura was very clean. She gave off the aura of sister Lin, which made people want to get close to her.”

It was strange.

“It was their first time meeting, but ye Langhua had the illusion that they had known each other for a long time.”

Could it be that they had met before?

""Ah Shu!" Old Lady Cen raised her head to look at Ye Shu, and then at ye Langhua, "Little Langhua, let me introduce you. This is my granddaughter-in-law's mother, Ah Shu. Ah Shu, this is Aunt Lang. Oh right, your Aunt Lang's surname is also ye. Perhaps the two of you were a family five hundred years ago!" "

"Ye Shu smiled and greeted, "Aunt Lang." "

So it was ye Zhuo's mother!

No wonder she looked so familiar.

"Ye Lang hua smiled and said, "So it's mother Zhuo Zhuo." "

"Old Lady Cen was stunned. "Little Lang Hua, you know my granddaughter-in-law too?" "

Ye Shu was also a little surprised.

"Ye lang hua explained, "Shaoqing brought Zhuo Zhuo Zhuo to the restaurant a few times to eat." "

"This kid really knows how to dote on his wife!" Old Lady Cen said with a smile.

"Ye langhua continued, "The two of them are very compatible. Aunt Tang, just wait for your great-grandchild!" "

"Then I'll rely on your auspicious words." Old Lady Cen could not close her mouth from smiling. It was as if she could already see her precious great-grandchild waving at her.

"After saying that, old lady cen continued, "Little Langhua, it's not easy for us to bump into each other once. Why don't we find a place to eat and chat while we're at it?" "

"Ye lang hua politely refused, "I still have something to do today. Why don't we do it another time?" "

Old Madam Cen nodded. "Then go do your thing! We'll chat another time!"

"Okay." Ye Lang Hua nodded.

"Old Madam Cen added, "Little Lang Hua, remember what I told you. Don't make the same mistake again. After all, you're already at this age. If you make one mistake after another, you won't have the chance to start all over again." "

"Hearing this, ye Langhua nodded solemnly. "

"Since they had already said this much, old Mrs. Cen didn't say anything more. "

There were some things that needed to be said.

"After ye Langhua left, Ye Shu looked at her back and said, "This aunt Lang should also be someone with a story." "

"Hearing this, Old Mrs. Cen turned to look at Ye Shu in surprise. "Ah Shu, you really didn't see wrongly. Little Langhua really has a lot of stories!" "

"What do you mean?"

Ye Shu had never been a person who liked to meddle in other people's business.

"But for some reason, after seeing Aunt Lang, she had a strange feeling in her heart. She couldn't wait to understand the story that happened to Aunt Lang. "

"Chapter 1007: 226: The Truth of that year, the Real Half Moon was ye Shu! 2"

“As Old Mrs. Cen walked, she told ye Shu about ye Langhua.”

“”When Little Langhua was young, she was a talented girl whose name shook the capital. In that era, she could be said to be truly glorious! She was good at everything, but her taste in men was not good...””

Old Lady Cen told the story that happened to Ye Langhua.

“Hearing this, Ye Shu also sighed endlessly.”

A talented woman of her generation had actually become like this.

Sigh!

“Other than sighing, she felt more heartache.”

How many thirty-six years could a woman have?

But Aunt Lang gave the best thirty-six years of her life to her daughter.

“So Auntie Lang has already found her daughter?”Ye Shu continued to ask.

“Old Mrs. Cen said, “That’s what they say, but I still think that the one that she found isn’t Little Half Moon! “With that Bastard Xi Muwen, how could he be so kind? “I’m not slandering him! “Maybe he was the one who intentionally lost little half moon back then! “If Little Half Moon wasn’t lost, with Little Lang Hua’s methods, how could he turn the Ye group into Xi Group?””

Ye Shu sighed. “I hope Aunt Lang can see the reality soon and reunite with her daughter!”

“Let’s go, let’s not talk about this anymore! Let’s Go Shopping!” Old Mrs. Cen held Ye Shu’s arm. “I know a very good barbecue shop nearby. Let’s Go Eat Barbecue!”

“When she said the last sentence, stars were about to appear in old Mrs. Cen’s eyes.”

“Zhou Xiang had lost weight recently, so old Mrs. Cen’s blood pressure was on the high side. It had been a few days since she had seen meat on the Cen family’s dining table.”

“When she thought about how she would be able to eat delicious barbecue soon, old Mrs. Cen was beyond excited.”

On the other side.

Auntie Lang returned to the Xi family home.

“When she reached the door, she heard the sound of laughter coming from inside.”

“They were only separated by a door, but Auntie Lang felt like they were separated by a galaxy.”

They were just a family of four.

“Through the crack in the door, Aunt Lang looked at the scene inside with a self-deprecating look in her eyes.”

“At this moment, Old Mrs. Cen’s words appeared in Aunt Lang’s ears again.”

“For a moment, Aunt Lang was stunned.”

“Aunt!”

“Just as Aunt Lang was stunned, Xi Weiyue opened the door and walked out. “Aunt, you’re back. We’re all waiting for you to have dinner!””

Aunty Lang smiled. “You guys can eat first. There’s no need to wait for me.”

“It’s more lively when there’s more people.” Xi Weiyue held Aunty Lang’s arm affectionately and the two of them walked into the house.

“Xi weiyue continued, “Aunty, you’ll sit beside Sister Half Moon.””

This was to give Aunty Lang a chance to spend more time with half moon.

Aunty Lang looked at Xi Weiyue gratefully.

Xi Weiyue smiled at Auntie Lang. Her gaze seemed to be saying that they were a family.

Auntie Lang bent down and sat down.

“Just as she sat down, Little Half Moon, who had been sitting there, immediately hid behind Yang Jiao like a startled bird.”

“Seeing this scene, Auntie Lang’s eyes dimmed.”

“Yang jiao smiled and said, “This child, why are you hiding!””

“Little Half Moon pointed at Aunt Lang and said, “A bad person!””

A bad person.

“In the eyes of her biological daughter, she was a bad person.”

Perhaps this was retribution.

Retribution for losing her daughter.

Aunt Lang's eyes that were already dim could not see any light at all.

"Yang Jiao continued, "She's not a bad person, she's your mother.""

Little Half Moon still hid behind Yang Jiao and did not dare to come out.

Aunt Lang stood up. "I'll sit over there."

Only when Aunt Lang walked over to Xi Weiyue's side and sat down did Xiao Banyue dare to come out from behind Yang Jiao.

Xi Muwen turned to look at Aunt Lang. "The child still needs time. There are some things that can not be rushed."

"MMM." Aunt Lang nodded.

"After a meal, Aunt Lang ate like wax."

"After the meal, Yang Jiao brought Xiao Banyue to wash up. Throughout the entire process, as Aunt Lang's biological mother, she could only watch from the side."

"After giving half a month a bath, Yang Jiao pushed the study door open. "Old Mu, I have something to tell you.""

Xi Muwen was in the study processing documents when Yang Jiao suddenly came in. He frowned unhappily. "How many times have I told you? You have to knock before entering the study!"

""You're the only one who cares!"Yang Jiao continued, "I have something serious to tell you.""

"What is it?"Xi Muwen raised his head to look at Yang Jiao and massaged his temples tiredly.

""Something very important!"Yang Jiao walked over to the opposite side of the desk and sat down. "Old Mu, I suspect that crazy woman has returned to normal!"

"What do you mean?"Xi Muwen straightened his expression.

"Yang Jiao continued, "Don't you think that crazy woman has been resisting ye Langhua on purpose for the past few days? Moreover, her eyes don't look like the eyes of a crazy woman! If this continues, I'm afraid that she will fall out of our control.""

"Chapter 1008: 226: The Truth of that year, the Real Half Moon was ye Shu! 3"

Xi Muwen furrowed his brows tightly.

"At this point, Yang Jiao said again, "You said that we've finally planned for such a long time. If we were to fall into the hands of this crazy woman, wouldn't it be futile?" "

"Does Weiyue know about this?"Xi Muwen asked.

"Yang Jiao said, "It was Weiyue who told me." "

"Xi Weiyue was different from Yang Jiao. She was very much like Xi Muwen. She was thoughtful. As long as she could achieve her goal, she would do anything. "

“Xi Muwen narrowed his eyes and said, “Go and call Weiyue over.” ”

“Okay.”Yang Jiao nodded.

“Not long after, Yang Jiao brought Xi Weiyue in. ”

“Xi Muwen looked up at Xi Weiyue. “Just now, your mother told me about it. What do you think we should do?” ”

“Xi weiyue said, “Now that the paternity test has been done, it’s definitely impossible to change the person. The only way now is for us to cooperate with her.” ”

“What do you say?”Xi Muwen asked.

Xi Weiyue whispered her plan to Xi Muwen.

“Xi Muwen nodded. “Alright, we’ll do it according to what you say.” ”

“Yang Jiao said, “Then, should I go and bring the person over now?” ”

“MMM.”Xi Muwen nodded.

Yang Jiao walked out.

In the room for half a month.

Half a month was still in a daze as she allowed Yang Jiao to bring her to the study room.

"I want candy and a Little Bear Biscuit..."

"Seeing half a month like this, Xi Muwen narrowed his eyes."

"This crazy woman, has she really returned to normal?"

Xi Weiyue stood up and looked at half a month. "Stop pretending. I know you've returned to normal."

Half a month acted as if she did not hear Xi Weiyue's words and continued to talk to herself.

"Still pretending?" Xi Weiyue walked to half a month's side and grabbed her wrist.

Xi Muwen narrowed his eyes.

He did not know how Xi Weiyue could tell that this woman had returned to normal!

He looked at her and saw that this woman was still acting crazy.

Was there a mistake?

"Xi Muwen was about to speak when he saw the half-moon who was still acting crazy suddenly shake Xi Weiyue's hand away. "Since you've seen through it, then I won't pretend anymore." "

"In an instant, the woman's expression changed."

Xi Muwen was stunned.

"The woman turned to look at Xi weiyue and continued, "What? Are you trying to expose me? Don't forget, we're all in the same boat now. Don't think I don't know that you're trying to use me to gain that

old woman's Trust!"Through their interactions these past few days, the woman could see Xi Muwen's family's motive. "

"However, what she did not know was what their true motive was. "

What exactly did ye Langhua have that was worth the family of three going through so much trouble for.

"Because she knew that the family of three only came to her because she was not in her right mind, so after she regained her consciousness, she continued to pretend to be crazy. "

She did not expect XI weiyue to see through it.

Xi Weiyue was smarter than she thought. She actually saw through her act!

Xi Weiyue smiled. "You're very smart. I like to deal with smart people."

The woman narrowed her eyes. "What do you mean?"

"XI weiyue continued, "Shall we work together?" "

"Work together?"The woman asked back.

Xi Weiyue nodded. "That's right. Working together can lead to a win-win situation."

"How do I know if you guys will burn the bridge after crossing it?"The woman asked.

"Xi Weiyue smiled, "The only path before you now is to cooperate with us. If you refuse to cooperate with us, then we'll fight to the death. In the future, I'll still be the Xi family's eldest daughter, and you'll have to return to the aid station." "

“Are you threatening me?”The woman narrowed her eyes.

Xi Weiyue glanced at the woman. “That’s the truth.”

The woman lowered her eyes.

“Yang Jiao stood up and said, “I say, big sister, what’s there to think about? As long as you promise us, you’ll have endless wealth and glory in the future. Do you still want to return to the rescue station?” ”

“Of course, she did not want to return to the rescue station! ”

“Xi Weiyue answered at the right time, “If you want to return to the rescue station, I can send you back now.” ”

“”Okay!”The woman looked up at Xi Weiyue, “I Promise You!” ”

“”A wise man submits to circumstances!”Xi weiyue nodded and continued, “What’s Your Name?” ”

“”My name is Jiang Yan.”Jiang Yan continued, “By the way, that old woman is starting to suspect you guys. She thought I was asleep just now and secretly pulled out my hair. I guess she’s going to take my hair for an appraisal.” ”

Chapter 1009: 226: The Truth of that year was ye Shu! 4

“Xi Weiyue narrowed her eyes and turned to look at Xi Muwen. “Dad, what should we do now?” ”

“Xi Muwen said, “Don’t worry, think of a way to change your hair to yours and your mother’s.” ”

“Even though ye Langhua’s hair was already completely white, Yang Jiao was an old woman after all. If one looked carefully, they would be able to find a few white hairs.”

“Therefore, there was no need to worry that ye Langhua would notice anything different about her hair.”

Jiang Yan looked up at Xi Muwen. “I can help you guys.”

“Xi Muwen nodded. “Okay, how about this...”Xi Muwen revealed his plan.”

“After she said that, Xi Weiyue nodded. “Dad, I think this plan will work as long as Jiang Yan cooperates well with us.” ”

““Don’t worry, there won’t be any problems on my side,”Jiang Yan said.”

“That’s good.”

“Seeing that the three of them had such a good discussion, Yang Jiao was speechless. “So there’s nothing for me to do?” ”

“Xi muwen said, “Just mind your own business.” ”

Yang Jiao rolled her eyes at him.

Xi Muwen turned to look at Jiang Yan. “You go back first. Follow the plan tomorrow.”

Jiang Yan nodded. “Okay.”

“Looking at Jiang Yan’s back, Yang Jiao said worriedly, “Weiyue, do you think Jiang Yan’s words are trustworthy? What if she’s lying to us?”Xi Weiyue patted Yang Jiao’s hand, “Don’t worry, Mom. She Won’t dare lie to us.” ”

Unless Jiang Yan didn't want to live a good life anymore.

Who would be willing to part with such wealth?

"Yang Jiao was still a little worried. Xi weiyue smiled and said, "Alright Mother, don't worry about these problems. Let's go back to the room quickly! Father still has to deal with the documents. Let's not disturb father!" "

Yang Jiao was pushed out of the study by Xi Weiyue.

In another room.

"Aunt Lang sat under the table lamp, staring at the hair in her hands in a daze. "

Was that little half moon in the room her little half moon?

"If it wasn't her little half moon, then where was her little half moon? "

"Aunt Lang gripped the hair in her hand tightly, and two lines of boiling tears flowed down. "

"Bodhisattva bless, this must be her little half moon. "

"It wasn't easy for her to find her child, so God wouldn't joke with her..." "

"That night, Aunt Lang didn't sleep at all. "

"The next morning, at 6:30 am, Aunt Lang woke up. Because she didn't sleep well last night, her mental state wasn't very good. "

""Sister, why don't you sleep a little longer?"Yang Jiao came out of the kitchen with a glass of milk. "

"Aunt Lang smiled and said, "I have something to do later, so I'll have to trouble you to take care of Little Half Moon today." "

"Yang Jiao said, "We're all family. Sister, it's too much of an outsider to say that it's troublesome. Oh right, do you need me to accompany you? I happen to have nothing to do today." "

"Ever since half a month ago, Yang Jiao had stopped playing mahjong. "

"She had given so much for half a month, but ye Langhua, that crazy woman, did not appreciate it. "

Could it be that she wanted to bring all those secrets to the earth?

Aunt Lang shook her head. "It's not a big deal."

""Okay."Yang Jiao hid the disgust in her heart, then, she said, "By the way, sister, an Old Chinese doctor contacted me yesterday. He said that he has a way to cure half a month's hysteria. If you're done with your work, let's bring half a month to the old Chinese doctor to have a look." "

"Really?"Aunt Lang raised her head in joy.

"If half a month was half a month, it would be great news for Aunt Lang. "

"It's true."Yang Jiao nodded.

"Aunt Lang continued, "Okay, if there are no problems, let's Go Tomorrow." "

""Okay, sure."Yang Jiao placed the milk in front of Aunt Lang. "Sister, drinking a cup of milk in the morning can replenish calcium. Even if you don't like it, you have to drink some for half a month." "

“Yes.” Aunt Lang picked up the milk.

“”Bad Person, you’re a bad person!” At this moment, half a month suddenly rushed over and directly overturned the milk in Aunt Lang’s hand. ”

Splash —

The milk spilled all over Aunt Lang’s body.

“”Half a month! What are you doing!” Yang Jiao immediately stood up and took a tissue to wipe aunt Lang’s clothes. “Sister, are you okay?” ”

“”I’m fine, I’m fine.” Aunt Lang stood up and said, “It’s not the child’s fault. I was the one who lost my balance. Yang Jiao, you don’t have to wipe anymore. I’m going upstairs to change.” ”

“As they were talking, Yang Jiao had already successfully swapped out the sample in Aunt Lang’s pocket. She looked up naturally and said, “This child is too outrageous! Little half a night, she’s your mother. You Can’t treat her like this in the future, understand?” ”

“Bad Person!”

Chapter 1010: 226: The Truth of that year was ye Shu! 5

“Yang Jiao sighed helplessly and turned to look at Auntie Lang. “Sister, it’s alright. After we take her to see an old Chinese doctor, we won’t misunderstand you as a bad person for half a month.””

“Okay.” Auntie Lang nodded and walked upstairs.

Yang Jiao looked at Auntie Lang's back and exchanged glances with Jiang Yan. They could see the smug look in each other's eyes.

"Especially Yang Jiao, the smug look in her eyes was almost overflowing."

Ye Langhua was such a talented girl from Glory World!

She was simply an idiot!

"After Auntie Lang went upstairs, Xi Muwen came down with the newspaper. "Is it done?""

"Yang Jiao nodded. "Don't worry, it's done.""

Xi Muwen nodded without batting an eyelid and then sat on the sofa to read the newspaper.

"Ten minutes later, Auntie Lang came down from upstairs. After breakfast, she was ready to leave."

"Xi Muwen put the newspaper aside. "Lang Hua, where are you going? Coincidentally, I'm going to the office too. Why Don't you wait another ten minutes and I'll give you a lift along the way?""

Auntie Lang shook her head. "There's no need. The place I'm going to isn't on the way to the office."

"Xi Muwen nodded. "Alright then, you can go first.""

"Aunt Lang walked out the door. Just as she walked out of the Xi family Villa area, a Mercedes-benz stopped in front of Aunt Lang."

The driver in a black uniform came out and opened the door respectfully. "Please."

Aunt Lang bent down and got into the car. "Elder Zhang."

“Elder Zhang nodded. “Xi Muwen didn’t notice anything, right?””

Aunt Lang shook her head. “None of them know.”

“That’s good then.” Elder Zhang looked up and ordered the driver. “Go to the second hospital.”

“Elder Zhang knew the doctors in the second hospital, so it was more reliable to have acquaintances.”

“Then, elder Zhang turned to look at Aunt Lang, “If the appraisal results show that the person Xi Muwen brought back is not half a month old, you can come back with me! I’ll continue to arrange for people to help you find half a month old. Don’t worry, their efficiency is definitely not inferior to yours!””

“After a long while, just when elder Zhang thought Aunt Lang would not reply to him, Aunt Lang nodded. “Okay.””

“Then it’s a deal!” Elder Zhang was overjoyed.

“MMM.” Aunt Lang nodded.

“In a short while, they arrived at the Second People’s Hospital.”

Elder Zhang brought Aunt Lang directly to the appraisal department.

“Because elder Zhang had acquaintances in the appraisal department, he did not need to wait in line to get a number. He just needed to take a sample to be appraised.”

“Elder Zhang.” A doctor in a white coat walked out of the office.

“Elder Zhang handed the sealed bag to the doctor. “Doctor Zhou, I’ll have to trouble you.””

""This is my job. It's not troublesome." Doctor Zhou took the sealed bag and continued, "This appraisal will take about four hours. Why don't the two of you go and do other things first?""

Aunt Lang shook her head. "No need. I'll wait here."

""Alright then." Doctor Zhou continued, "Please follow me to the VIP room.""

Aunt Lang and old Zhang followed Doctor Zhou to the VIP room.

Waiting was the most torturous time.

Aunt Lang looked at the clock on the wall again and again.

One Hour.

Two hours.

Aunt Lang was anxious.

"Elder Zhang smiled and said, "Lang Hua, you don't have to be so anxious. Sit Down and play with your phone.""

"Aunt Lang sighed. "It's already at this time, how can I still have the mood to play with my phone?""

""It's futile for you to be anxious." Elder Zhang continued, "There's still more than an hour before the four hours that Doctor Zhou said.""

Aunt Lang could only sit down patiently.

“Time passed by minute by minute. Just as Aunt Lang was feeling like a year, four hours finally passed.”

“However, there was no movement from Doctor Zhou’s side.”

“Why isn’t Doctor Zhou Here Yet?” Aunt Lang looked outside from time to time.

“Doctor Zhou said about four hours. It’s only been four hours. He might still be busy! He might come in a while!”

Aunt Lang nodded.

Just as Aunt Lang was about to sit down and continue waiting...

Creak —

The VIP room door was pushed open.

Doctor Zhou walked in with the appraisal results. “Elder Zhang.”

““Doctor Zhou, How’s the appraisal result?” Aunt Lang asked impatiently.”

Doctor Zhou handed the appraisal result to Aunt Lang. “Take a look for yourself.”

“Aunt Lang received the appraisal result with trembling hands. When she saw that the parent-child relationship was established in black and white, she couldn’t help but burst into tears.”

That’s great!

That’s really great!

That was her half a month.

""What's wrong, Lang Hua? Don't Cry!" Seeing Aunt Lang suddenly burst into tears, elder Zhang was shocked. "What's the result?"
