“Chapter 1011: 226: The Truth of that year, the real Little Half Moon was ye Shu! 6”

“Aunt Lang cried, “It’s my daughter! She’s My Little Half Moon!” ”

“Hearing that, elder Zhang was stunned.”

It was little half moon?

How was that possible?

Elder Zhang received the appraisal report from Aunt Lang and was completely dumbfounded.

Established.

Their paternity test was actually established.

“Elder Zhang looked up at Doctor Zhou. “Doctor Zhou, are you sure there’s no problem with this paternity test?” ”

Doctor Zhou nodded. “I’m sure there’s no problem.”

“Elder Zhang continued, “Is it possible that you took the wrong one from someone?” ”

“”No,” doctor Zhou continued, “This is the only report in the appraisal room at the moment.” ”

“This... how is this possible...” elder Zhang took a few steps back in disbelief.

“Aunt Lang raised her head to look at elder Zhang. “Elder Zhang, I know you’re very disappointed now. I’m sorry, but I can’t go back with you.” ”

“At the end of her sentence, Aunt Lang bowed to elder Zhang. ”

“Elder Zhang continued, “Lang Hua, there must be something going on in this matter! Why don’t we go to another hospital to take a look?” ”

“Aunt Lang shook her head. “There’s no need to go. Even if we do another 100 tests, she’s still my daughter.” ”

“If the old aunt Lang still had some doubts, then she would not have any doubts now. ”

This was the second people’s Hospital.

Doctor Zhou and elder Zhang were old acquaintances.

There could not be any problems with the tests here.

“After getting the report, Aunt Lang could not wait to return to the Xi family. ”

“When she returned, Yang Jiao was teaching little half moon how to draw. ”

“Yang Jiao.”

Yang Jiao looked up. “Sister is back.”

“Aunt Lang continued, “Yang Jiao, didn’t you say that you know an old Chinese doctor who is confident in curing little half moon’s hysteria? Let’s Go! Let’s Go Now!” ”

“”Go Now?”Yang Jiao pretended that she didn’t know anything. “Sister, didn’t we agree to go tomorrow?” ”

“”I’ve already settled my matters. If we go earlier, little half moon will be able to return to normal earlier.” ”

Yang Jiao nodded. “That’s true. I’ll call old MU and ask her to come back with us.”

Aunt Lang smiled. “There’s no need to call her. We’ll go alone.”

“”Alright then!”Yang Jiao continued, “Weiyue is upstairs. I’ll call Weiyue too.” ”

“Okay.”Aunt Lang nodded.

“Half an hour later, the four of them got into the car and set off for the Old Chinese medicine clinic. ”

“Although half a month was still very resistant to Aunt Lang, Aunt Lang was no longer as sad as before. ”

The current half a month was just a child.

What did a child know?

“After she recovered, she would be more sensible. ”

“An hour later, the car stopped in front of a clinic. ”

“Yang jiao smiled and said, “Sister, this godly doctor’s personality is very strange. You have to bear with him later.” ”

Aunt Lang nodded. “I know.”

“As long as this godly doctor could really cure half a month, she was willing to do anything. ”

“Xi Weiyue helped Aunt Lang out of the car and the few of them walked into the clinic. Just as they reached the door, they were stopped by the Old Chinese doctor’s assistant. “Do you have an appointment?” ”

“Yang Jiao smiled and nodded. “Yes, yes! The appointment is at five o’clock this afternoon.” ”

“The assistant continued, “There’s still half an hour before five o’clock. Please wait outside for a moment.” ”

“Okay.”

“Time passed quickly. Half an hour had passed. The assistant walked in front of them and said, “Miracle Doctor Xu’s office only allows two people to enter. Can you discuss who will bring the patient in?” ”

“Aunt Lang wanted to accompany little half moon in, but little half moon had been resisting her, so Aunt Lang could only say, “Yang Jiao, you can accompany Little Half Moon in. Wei Yue and I will wait outside.” ”

“Yang jiao smiled and said, “Sister, don’t worry. I have a way.” ”

“After saying that, Yang Jiao half squatted in front of little half moon and said gently, “Little Half Moon, let your mother go in with you, okay? If you let her go in with you, I will give you a Lollipop!” ”

“Little Half Moon looked at the lollipop in Yang Jiao’s hand, then turned to look at Aunt Lang, and finally nodded. “Okay.” ”

“Little half moon is so obedient.”Yang Jiao passed the lollipop to Little Half Moon.

“Auntie Lang turned to look at Yang Jiao. “Yang Jiao, thank you.” ”

“”How many times have I told you? You’re welcome. Sister, please bring little half moon in quickly.” ”

Auntie Lang held Little Half Moon’s hand. “Let’s go in quickly.”

Little Half Moon nodded. It was rare that she did not say that Auntie Lang was a bad person anymore.

The two of them came to Miracle Doctor Xu’s office.

“Miracle Doctor Xu was an old man in his sixties or seventies. He did not look very familiar. When he saw Aunt Lang bring Xiao Banyue in, he glanced at them and said, “Sit.” ”

“Chapter 1012: 226: The Truth of that year, the real Little Half Moon was ye Shu! 7”

“Thank you.”Aunt Lang brought little half moon to her seat.

Miracle Doctor Xu looked at Little Half Moon. “Give me your hand.”

“Little Half Moon acted as if she didn’t hear what Miracle Doctor Xu said. She continued to eat her lollipop, with a silly smile on her face. ”

“Aunt Lang imitated Yang Jiao’s method and said with a smile, “Little Half Moon, give me your hand and let Miracle Doctor Xu take a look. Later, Mommy will bring you to buy candy, okay?” ”

Little Half Moon's eyes lit up and she immediately stretched out her hand.

"Miracle Doctor Xu took Little Half Moon's pulse. After a moment, he let go of Little Half Moon's hand and continued, "If I'm not mistaken, this lady's illness is the aftereffects of being frightened when she was three years old." "

"In fact, Jiang Yan did not have any problems at all now. She did not have aftereffects when she was three years old. All of this was just a conspiracy between Yang Jiao and Miracle Doctor Xu in advance. Otherwise, how would miracle doctor Xu Win Ye Langhua's Trust? "

"Yes, yes, yes! Miracle Doctor, you're absolutely right!" Aunt Lang continued, "Then, is there any chance for my daughter to recover now?" "

"Miracle Doctor Xu smiled and said, "I can't guarantee it with others, but with me, I, Xu, I can definitely return you a healthy daughter!" "

"Really?" Aunt Lang was overjoyed.

"This sentence made miracle doctor Xu's face turn black. "Trust is the most basic affirmation for a doctor! If you don't believe me, you can go to another doctor!" "

"Xiao Wang! Let the next patient in!"

"Aunt Lang quickly stood up and said, "Miracle Doctor Xu, you misunderstood me! I don't mean to distrust you! If we didn't trust you, we wouldn't have found you!" "

Miracle Doctor Xu's expression eased up a little. "Then you guys go and handle the hospitalization procedures now. The patient will need to stay in the hospital for half a month before he can fully recover!"

"Okay, okay! I'll go now! Thank you, Doctor Xu!" "

“After thanking her, Aunt Lang led little half a month out. ”

“As soon as they walked outside, Yang Jiao immediately stood up and asked, “Sister, what did the Doctor Say?” ”

“Aunt Lang said excitedly, “Miracle doctor Xu said that he will go through the hospitalization procedures first. He will be able to make little half a month recover in fifteen days!” ”

“Really?” Xu Jiao pretended to be very surprised.

“Really!” Aunt Lang nodded and continued, “Where is Wei Yue?” ”

“Xu Jiao said, “She went to the bathroom. Let’s go through the hospitalization procedures now! I will send a message to let her know in a while.” ”

“Okay.”

The three of them went to go through the hospitalization procedures.

The clinic was not big. There were only three wards.

“After the procedures were successfully completed, little half a month went to the ward. ”

“Then, it was a long fifteen days of treatment. ”

“It had to be said that miracle doctor Xu’s medical skills were very good. Under his treatment, Xiao Banyue’s condition became better and better. Her mental state became clearer and clearer day by day. ”

“After fifteen days, Xiao Banyue was completely normal. ”

“During these fifteen days of interaction, her relationship with Aunt Lang gradually eased. On this day, when she came back from the outside, Aunt Lang actually heard Xiao Banyue call her mother. ”

Aunt Lang was instantly stunned and couldn't react for a long time. “What... What did you call me?”

“Jiang Yan looked at Aunt Lang's face and said with red eyes, “Mom!” ”

36 years.

“After 36 years, she finally had a taste of her own medicine. ”

“Jiang Yan ran over and hugged Aunt Lang. “Mom, I'm sorry! It was all my fault. I shouldn't have treated you like that. I made you sad...” ”

““It's okay, silly child. Those things are in the past!” Aunt Lang hugged Jiang Yan tightly. “I'm happy as long as you're fine now.” ”

“Mom!” Jiang Yan burst into tears.

“After a long while, the mother and daughter let go of each other. ”

“Jiang Yan sniffed, then, she said, “Mom, it's all thanks to Auntie and my dad that I'm here today. Especially Auntie. During the days when I was muddle-headed, she treated me better than my own daughter! We should thank her properly!” ”

““En, you're right. We should thank them properly.” Auntie Lang nodded. ”

“Jiang Yan narrowed her eyes, then she said, “When I was confused, I heard sister Weiyue say that she wants to join the Shunxi Financial Group. Mom, I want to ask you, are you really not related to the Shunxi Financial Group? If you can help sister Weiyue, please help her! “Let's return the favor we owe her!” ”

“Hearing this, Aunt Lang was stunned. ”

“Jiang Yan sighed, “If you have nothing to do with the Shunxi Financial Group, then forget it. Let’s find another way to thank sister Weiyue!” ”

“Chapter 1013: 226: The Truth of that year, the Real Half Moon was ye Shu! 8”

““Your grandfather is one of the founders of the Shunxi Financial Group,” Aunt Lang said at this time.”

“Really?” Jiang Yan asked in surprise.

“Xi Weiyue, who was hiding in the dark, also narrowed her eyes.”

She had long known that this damn old woman must be related to the Shunxi Financial Group.

But what she didn’t expect was that the ye family’s grandfather was actually the founder of the Shunxi Financial Group.

“With this line, she would be able to stand firmly in the Shunxi Financial Group.”

“With her talent, it was not impossible for her to become famous throughout the financial world.”

“Aunt Lang nodded. “But I haven’t returned to the Shunxi Financial Group for many years. Since Weiyue wants to join the Shunxi Financial Group, then I’ll write a recommendation letter and let her become your grandfather’s successor.””

“Jiang Yan didn’t know what the Shunxi Financial Group meant, but she was very self-aware. She just wanted Xi Weiyue to have the majority of the Shunxi Financial Group. She wasn’t greedy, as long as she

could sit firmly in the position of the Ye family's eldest daughter, she just needed to live a peaceful and wealthy life."

"Jiang Yan continued, "Mother, I'll have to Trouble You Then. Sister Weiyue will definitely be very happy if she finds out about this. I'll go get a pen for you, you can write the recommendation letter now!"

"Okay."

"When she heard this, Xi Weiyue was so excited that her heart was about to jump out of her chest."

"Soon, she would become grandfather Ye's successor!"

"From now on, she would be one of the founders of Shunxi Financial Group."

"Jiang Yan brought a pen and paper, and Aunt Lang finished writing the recommendation letter. "I'll take this recommendation letter to elder Zhang of Shunxi Financial Group tomorrow. He'll arrange for someone to pick up your sister Weiyue.""

"That night, Xi Weiyue told her parents the good news."

"Yang Jiao was overjoyed. "Weiyue still has a way! She made that crazy woman write the letter of recommendation obediently. From now on, the Shunxi Financial Group in the financial world will belong to our family!"

"Xi Muwen, who had never revealed his emotions easily, was overjoyed too. "Weiyue, from now on, our Xi family will rely on you to carry forward!"

"Don't worry, Dad!" Xi Weiyue looked up confidently. "I will definitely not let you down!"

"Okay! Okay!"

“The next day, Aunt Lang invited elder Zhang out and personally handed him the recommendation letter.”

“Elder Zhang opened the letter and frowned. “Muddle-headed! Lang Hua, you’re too muddle-headed! Xi Weiyue is Xi Muwen’s daughter. These two father and daughter aren’t good people. How can you recommend her to be the elder’s heir!””

“Aunt Lang said, “Elder Zhang, you’ve misunderstood them.””

“Elder Zhang massaged his temples. “Lang Hua, give me some more time. I’ll definitely find your biological daughter.””

““Little Half Moon is my biological daughter!” Aunt Lang stood up straight from the chair. “Elder Zhang, if you’re not willing to give me a letter of recommendation, I can go to the financial world myself!””

Elder Zhang Sighed. “As long as you don’t regret it.”

““Don’t worry, I’ll never regret it.””

“Aunt Lang’s greatest wish at this moment was to find Little Half Moon. Now that she had found her, everything else was just a fleeting cloud to her.”

“After saying that, aunt lang continued, “I’ll have to trouble you with the recommendation letter. I’ll be going back first.””

Elder Zhang looked at Aunt Lang’s back and frowned.

“At this moment, a figure walked in from outside. “Elder Zhang!””

Elder Zhang looked up and saw that it was Cao Wei.

“Cao Wei continued, “I saw Aunt Lang walking over here just now.””

“”Mm.”At the mention of Ye Langhua, the elder’s frown deepened.”

“Cao Wei sat opposite elder Zhang. “Elder Zhang, I think Aunt Lang’s daughter is already half a month old.””

“Really?”Elder Zhang’s eyes lit up. “Who is the real half a month old?”

“Cao Wei said, “Ye Shu.””

“Who is ye Shu?”The elder asked.

“Cao Wei explained, “Ye Shu is the wife of Lin Jincheng, the head of the Lin family. Right now, I’m 80% sure that ye Shu is Aunt Lang’s daughter. However, I still need the help of the eldest daughter of the Lin family, Ye Zhuo.””

“How did you confirm it?”Elder Zhang asked.

“Cao Wei said, “I found out that although the head of the Lin family, Ye Shu, is from Yun City, she is not the biological daughter of ye Dahai and his wife. Back then, the daughter of Ye Dahai and his wife died in an accident. The neighbors clearly heard the news of her death, but after a few days, ye Dahai’s daughter actually returned... “...” . “...””

“Because of this matter, Cao Wei made a special trip to Yun City.”

“Contact the eldest daughter of the Lin family immediately!”Elder Zhang stood up from his chair excitedly. “I want to see her!”

Chapter 1014: 227: appraisal result: the parent-child relationship is established! 1

Elder Zhang was extremely excited.

Although he didn't know whether the matriarch of the Lin family that Cao Wei mentioned was half a month old or not.

But it was better to give it a try than to sit and wait for death.

"Besides, Cao Wei wasn't a careless person."

He definitely had about 80% confidence in telling him about this matter!

"Cao Wei nodded. "Alright Elder, then I'll go to Beijing University to look for Miss Lin Now." "

"You go quickly." Elder Zhang nodded.

Cao Wei turned and walked out the door.

"Elder Zhang stood up and said, "I'll go with you!" He could not wait any longer. He just wanted to find Miss Lin immediately and settle ye Langhua's matter."

He could not just watch Xi Weiyue become elder Ye's heir!

...

On the other side.

"After Auntie Lang handed the recommendation letter to Elder Zhang, she returned to the Xi family home."

“Mother, you’ve already sent the recommendation letter?” Jiang Yan immediately went up to greet Auntie Lang when she saw her return. ”

Auntie Lang nodded. “I’ve sent it over.”

“Jiang Yan continued, “Then, let’s go tell sister Weiyue about this right now! She’ll definitely be very happy!” ”

“MMM.”

Xi Weiyue was discussing a plan with XI Muwen in the study upstairs.

“When they heard the knock on the door, Xi Weiyue and XI Muwen looked at each other before walking over to open the door. “Auntie, Sister Half Moon, why are you here?” ”

“Jiang Yan held Xi Weiyue’s hand intimately. “Weiyue, I have good news for you.” ”

“What Good News?” Xi Weiyue pretended to know nothing.

“Jiang Yan continued, “Haven’t you always wanted to join the Shunxi Financial Group in the financial world?” ”

“Xi Weiyue was a little embarrassed when she heard this. “The Shunxi Financial Group’s threshold is too high. How can a person like me, who is uneducated and uneducated, enter just like that?” ”

“Jiang Yan smiled. “Weiyue, you’re too modest! If you’re uneducated and uneducated, then what am I? To tell you the truth, I haven’t even graduated from elementary school...” ”

“Hearing this, Aunt Lang’s heart was filled with guilt. ”

“If she hadn’t lost little half moon back then, if Little Half Moon had grown up by her side, she definitely wouldn’t be like this now.”

Poor child.

“Xi Weiyue held Jiang Yan’s hand and said, “Sister Half Moon, your genes are good. You have to know that aunt was a famous talented girl back then. Even if you haven’t studied before, you’re still better than me. Unlike me, who went to school and received higher education but still can’t even get into the Shunxi financial group like this.” ”

““Who said you can’t get in! You’ll be able to join the Shunxi Financial Group soon!” Jiang Yan continued, “My mother wrote you a recommendation letter and recommended you to be my grandfather’s successor! Oh, no, it should be our grandfather!” ”

“Really?” Xi Weiyue looked at Auntie Lang in surprise.

“Auntie lang nodded, “It’s true.” ”

“Xi Muwen was also surprised, “Lang Hua, so father really has a relationship with the Shunxi Financial Group?” ”

“Aunt Lang said, “My dad was one of the founders of the Shunxi Financial Group. He was also the Elder in charge of the Shunxi Financial Group. After he was lost for half a month, my dad left the Shunxi Financial Group. According to them, the family in charge of the Shunxi Financial Group is the Zhao family now.” ”

““I never knew about these things!” Xi Muwen’s acting was very good. If those who did not know saw it, they would think that he really did not know.” ”

“Aunt Lang looked up at Xi Weiyue. “Weiyue, you’re a smart and talented child. After joining Shunxi Financial Group, you must continue to work hard. Don’t embarrass the old man.” ”

“Xi Weiyue nodded solemnly. “Thank you for your love, Aunt. I definitely won’t let you down.” ”

“Xi Muwen pretended to frown, then, he said, “Lang Hua, actually Weiyue just wants to join Shunxi Financial Group. You Don’t have to let her become the old man’s heir. After all, half a month is the old man’s heir. These things should be left to half a month.” ”

“Xi Weiyue nodded in agreement. “Aunty, my father is right! I really don’t deserve the position of successor. I’m very grateful that you gave me a chance to join the Financial Group.” ”

“Hearing that., jiang Yan hurriedly said, “Weiyue, father! Don’t say that. I don’t even know a few words. I won’t even know how to handle the matters in the financial group! “How can I be qualified to be the successor? “I think it’s best to let Wei Yue be grandfather’s successor! “If I go to the consortium, won’t I be a joke to others? “Anyway, we’re all one family, so we won’t let others get away with it!” ”

“After saying that, Jiang Yan turned to Aunt Lang. “Mom, do you think I’m right?” ”

Chapter 1015: 227: appraisal result: the parent-child relationship is established! 2

“Aunt Lang said, “Since Little Half Moon isn’t interested in the position of heir, let Weiyue come! Little Half Moon is right, the rich water shouldn’t flow to outsiders.” ”

“Hearing this, Xi Weiyue creased her brows without a trace. ”

So she was only qualified to ask for things that others didn’t want!

This damned old woman.

“Fortunately, she was already prepared and found Jiang Yan to pretend to be Little Half Moon.” ”

“If this damn old woman really found half a month, then would she still have the position of Grandfather Ye’s successor? ”

Just wait!

“When she had a firm foothold in the financial world, she would definitely let this old woman get what she deserved!”

“Xi Weiyue looked up at Aunt Lang, then, she said, “Aunt Lang, don’t worry. I Won’t hold on to grandfather’s position and not let go. As long as sister half a month wants to go to the financial world, then I can return the position of successor to her at any time.” ”

“”Okay.”Aunt Lang nodded and continued, “Prepare yourself. If nothing unexpected happens, someone from the Shunxi Financial Group will come tomorrow.” ”

“”En.”Xi Weiyue Ann held back the excitement in her heart. “Aunt, thank you.” ”

“”Weiyue, you’ve grown up with your own eyes. There’s no need to be so formal with aunt.” ”

Xi Weiyue was moved as she hugged Aunt Lang.

Aunty Lang patted her back.

“From an angle that Aunty Lang could not see, Xi Weiyue and Jiang Yan looked at each other and saw the scheming look in each other’s eyes.”

“Walking out of the study room, Aunty Lang looked at Jiang Yan. “Little Half Moon, Let’s go pack our things.” ”

“”Pack our things?”Jiang Yan said, “Mom, are we going on a long trip?” ”

“Auntie Lang said, “We’ve Disturbed Your Auntie and the others for a long time. It’s time for us to leave.” ”

Leave?

“She had only lived for a few days as the daughter of a wealthy family, and now she was being asked to leave?”

Jiang Yan didn't want to leave!

“The XI family had maids and chefs, and there was even a chauffeur to pick her up. Everyone respectfully called her miss.”

Only a fool would leave!

“Jiang Yan frowned slightly, “Mom, I don't want to leave. I want to be with Dad and the others... “This is also our home. Why do we have to leave “It wasn't easy for dad to find me. I don't want to leave dad, and I don't want to leave you either. Please don't leave, Okay?” ”

Jiang Yan was on the verge of tears.

Auntie Lang sighed when she saw Jiang Yan like this. “But this isn't our home after all.”

““Sister, look at what you're saying! If outsiders hear this, they'll think that I'm mistreating you and Your Daughter!”Yang Jiao walked over from behind, “Sister, if we're talking about master, you and Little Half Moon are the real masters of this family. We're the real outsiders! “Since Little Half Moon doesn't want to leave, why are you making things difficult for the child? ! “This child has just found her parents. It's only natural that she doesn't want to leave! “Sister, you've experienced the pain of losing your daughter, so you should know what it's like to have your own flesh and blood separated. Now that old MU has only found her for half a month, let alone half a month, even old mu can't bear to part with her!” ”

“Although ye Langhua had given the position of heir to the Shunxi Financial Group to XI Weiyue, she still had a gold mine map in her hands! ”

“As long as she got that gold mine map, Ye Langhua, this damn old hag, would go wherever she wanted to go!”

She would not say another word!

“But now, the gold mine map was still tightly held in ye Langhua’s hands.”

Ye Langhua wanted to leave?

No Way!

“Yang Jiao’s words were reasonable. Aunt Lang turned to look at Jiang Yan. “Little Half Moon, you don’t want to leave your father?” ”

“Jiang Yan nodded hurriedly, “Not only do I miss my father, I also Miss Auntie and Weiyue. If it wasn’t for Auntie and sister Weiyue who brought me back from the relief station, I would still be suffering in the relief station! “I want to spend more time with them! “Mom, let’s not leave, okay?” ”

“Yang jiao echoed, “Since the child has said so, sister, don’t leave! Stay at home as long as you want!” ”

“Auntie Lang hesitated for a moment. “Alright then, Yang Jiao, thank you.” ”

“Yang jiao smiled and said, “Sister, why do you like to Talk Like This! If you continue to do this, I’ll be angry!” ”

“Jiang Yan held Yang Jiao’s hand. “Auntie, you’re such a good person!” ”

On the other side.

Cao Wei and elder Zhang came to Beijing University.

“After asking around, they finally found ye Zhuo’s counselor.”

“The counselor’s surname was Jia, and she was in her fifties this year. “May I ask what is your relationship with student ye Zhuo?” ”

Ye Zhuo’s identity was not simple.

“Although she was still a student in school, she was also a doctor in the science and Technology field.”

She has her own field in medicine.

Chapter 1016: 227: appraisal result: paternity is established! 3

“Although the counselor did not know what kind of achievements ye Zao had in the medical world, the people who came to find ye Zao were all big shots in the medical world. It could be seen that ye Zao’s status in the medical world was not simple.”

“If he did not ask clearly, the counselor really did not dare to let Cao Wei and elder Zhang Meet Ye Zao.”

“Cao Wei immediately handed a business card to the counselor. “Counselor Jia, my surname is Cao! We are looking for miss ye for something very important to say. Please excuse us!””

“The counselor looked at Cao Wei’s business card and said in surprise, “Mr. Cao is from the Shunxi Financial Group! ?””

The Shunxi Financial Group was ranked second in China and ninth in the world.

“Although the counselor was from the chemistry department, he had heard about the Shunxi Financial Group from the professors in the finance department!”

Cao Wei nodded.

“The counselor continued, “Then please wait here for a while. I’ll go ask ye Zhuo if he’s willing to meet you!””

““Okay, thank you!”Cao Wei continued, “Please tell Miss ye that we have something very important to tell her!””

The counselor nodded. “Alright.”

Ye Zhuo had a full class today.

It was time to end class.

“Suddenly, someone came to look for her. “God Ye, the counselor is looking for you!””

Ye Zhuo took off his wireless earpiece. “Counselor?”

““Yes.”The student continued, “The counselor is waiting for you downstairs.””

Ye Zhuo came downstairs.

“When the counselor saw ye Zhuo, she immediately trotted over. “Student ye Zhuo.””

“Ye Zao smiled faintly. “Counselor, are you looking for me?””

The counselor handed Cao Wei's business card to Ye Zao. "I'm not looking for you. This Mr. Cao and an old man are looking for you."

Ye Zao took the business card and frowned slightly.

Cao Wei from Shunxi Financial Group.

Was she familiar with this person?

"A moment later, ye Zao looked up at the counselor. "Where are they now?""

"The counselor said, "They're in my office.""

Ye Zao nodded. "Then I'll go with you to take a look."

"Okay."

Ye Zao followed the counselor's footsteps.

"About seven to eight minutes later, they arrived at the office."

"Seeing ye Zao come over, Cao Wei immediately stood up from his chair. "Miss Ye!""

"Ye Zao nodded slightly. "I'm sorry, but who are you?""

"I'm Cao Wei." Cao Wei then introduced elder Zhang next to him. "This is elder Zhang from Shunxi Financial Group."

"Elder Zhang raised his head to look at ye Zao, his eyes flashing with astonishment."

“If this person in front of him was really ye Langhua’s granddaughter, then Shunxi Financial Group could see Hope!”

“Although this girl looked like she was only 18 or 19 years old, her powerful aura could not be ignored.”

“Even if he, who had experienced many hardships, stood in front of her, he still felt inferior!”

“Elder Zhang quickly reacted. “Hello, Miss Ye.””

“Hello.”Ye Zhuo nodded slightly. “May I ask why the two of you have come to look for me?”

“Cao Wei said, “We have come to look for you this time because we have something to discuss with you about your mother, Ye Shu.””

“My Mother?”Ye Zao frowned without leaving a trace.

““Yes.”Cao Wei continued, “But this is not a place to talk. Why don’t we find a quiet place to talk?””

“Sure.”Ye Zao reached out his hand and brushed the hair behind his ear. “Then let’s go to the coffee shop next to the school?”

“Okay.”

“Seeing that ye Zao was going to go out with Cao Wei and the others, the counselor was a little worried and said, “Student Ye Zao, why don’t I Go With You?””

“Ye Zhuo was their school’s and even their class’s favorite. If something really happened, he wouldn’t be able to bear the responsibility!”

“Ye Zhuo turned to look at the counselor and said, “You don’t have to worry. I’ll be fine.””

“The counselor continued, “Then let’s keep in touch.””

“Okay.”Ye Zhuo nodded slightly.

Ye Zhuo followed Cao Wei and elder Zhang to the coffee shop.

“After sitting down, Cao Wei went straight to the point. “Miss Ye, I’ll cut to the chase. I’m here to talk to you about the background of your mother, Ye Shu.””

“My Mother’s background?”Ye Zao raised his eyebrows slightly.

Could there be another reason behind ye Shu’s background?

“Cao Wei nodded and took out a document and handed it to Ye Zao. “Miss Ye, this is the information I found in Yun Jing. Please take a look.””

Ye Zhuo took the document and flipped through it with her eyes lowered.

“Although she read it very quickly, it did not affect the quality.”

It would be a lie to say that she was not shocked after reading all the contents of the document.

“Although ye Shu did not look like a member of the Ye family, she had never thought that ye Shu was not ye Dahai’s daughter.”

Chapter 1017: 227: Identification Result: parent-child relationship established! 4

“If Ye Shu was not ye Dahai’s daughter, then what about Ye Sen?”

“After all, there was still some similarity between Ye Shu and ye Sen!”

The two looked very similar...

“Cao Wei continued, “Miss Ye, did you hear your mother talk about her background at home?” ”

Ye Zhuo shook his head. “No.” Perhaps even ye Shu herself did not know that there was a problem with her background.

“After saying that, Ye Zhuo continued to ask, “Mr. Cao, are you sure that this is true?” ”

“Cao Wei said, “Miss Ye, do you and your mother have a small red mole on their right hand?” ”

Ye Zhuo lowered his head to look at his right hand.

He saw that there was indeed a small red mole on the side of the little finger on his right hand.

“Ye Zhuo continued, “I do have a small red mole on my hand, but I’m not sure if my mother has it. “You said that you’ve found my mother’s biological mother, so can you arrange for us to meet? “Now that the technology is so advanced, a paternity test is enough. There’s no need to go through so much trouble.” ”

“Elder Zhang, who had been silent the whole time, suddenly said, “Miss Ye, the truth is...” ”

“Elder Zhang told ye Zhuo everything that had happened, including the Xi family. ”

Ye Langhua?

Half a month?

Could it be Auntie Lang?

Ye Zhuo had known for more than a month that Auntie Lang had found her biological daughter.

But she did not know that there were so many twists and turns.

She did not expect ye Shu to be related to Auntie Lang.

“Are you talking about Auntie Lang?”Ye Zhuo asked.

“Elder Zhang was stunned. “Miss Ye, you know Lang Hua?” ”

“Ye Zhuo said, “The aunt Lang I know runs a private restaurant in Wutong Alley for half a month. I wonder if we’re talking about the same person?” ”

“It’s the same person!”Elder Zhang nodded quickly. “It’s the same person! Lang Hua also has a private restaurant in Wutong Alley!”

“”Then it’s the same person!”Ye Zhuo continued, “But Aunt Lang’s biological daughter has already been found and a paternity test has been done. Are you sure the XI family tampered with the paternity test?” ”

Ye Zhuo did not know about the past. She just felt that no father would treat his own biological daughter like this.

“Elder Zhang continued to nod. “Miss Ye, you’ve just arrived in the capital and there are many things that you don’t understand. Xi Muwen isn’t as kind as he looks. Lang Hua was destroyed by his hands.” Elder Zhang’s thoughts sank into his memories as he continued, “Back then, Lang Hua was famous all over the capital. She was a famous talented girl...” ”

Ye Zhuo listened very seriously.

She did not expect Aunt Lang to have so many stories hidden behind her.

“For a moment, she could not help but sigh.”

“However, from the sound of it, she felt that this matter was not Xi Muwen’s fault alone.”

There was something wrong with Aunt Lang herself for causing such a consequence.

“She should not have been so decadent after she had been lost for half a month, and she should not have let Xi Muwen forcefully take over the Ye Group.”

She should have toughened up.

Perhaps this was what it meant to be hurt by extreme wisdom!

“After listening to Auntie Lang’s story, Ye Zhuo looked up at elder Zhang. “Elder Zhang, I already know about the matter. Don’t worry, if Auntie Lang is really my mother’s biological mother, then I definitely won’t sit idly by.” ”

“Elder Zhang continued, “Then why don’t we add her on wechat? When you go back, first check if your mother has a small red mole on her right hand. After checking, can you tell me on wechat?” ”

“Sure.”Ye Zhuo nodded slightly.

Elder Zhang took out his phone. “Then I’ll scan you.”

Ye Zhuo also took out his phone.

The two of them added each other on wechat.

Ye Zhuo and the counselor took a day off and then went to the Ye's private kitchen's main store in Beijing.

"Although ye Shu was already the boss, she would help out in the restaurant every day and strive for the best service. If there was anything that was lacking, she would immediately correct it. "

"The business of the Ye family's private restaurant was even more prosperous than when they were in Yun Jing. Every day, they would line up from the start of business. "

"When Ye Zhuo arrived, Ye Shu was ordering for the customers. "For the three of you, I suggest that you order these dishes. If you order more, you might not be able to finish them. If you don't have enough to eat later, you can add more." "

""Okay, that's it then."The customer closed the menu. "Thank you." "

"It's my pleasure."

Ye Zao stood at the side and his gaze fell on Ye Shu's hand.

He saw that there was indeed a small red mole on ye Shu's right hand.

""Zao Zao!"At this moment, Lin Ze's voice suddenly appeared in the air. "

Ye Zao turned to look at Lin Ze. "Brother! Why are you here?"

Chapter 1018: 227: test result: parent-child relationship established! 5

“Lin Ze smiled and said, “There’s no class this afternoon, so I came to help mom.””

““OH.”Ye Zhuo nodded slightly. As he shifted his gaze, he saw that there was actually a small red mole on Lin Ze’s right hand. He could not help but sigh in his heart that genes were really too powerful!”

It seemed that it was not unreasonable for elder Zhang and the others to suspect that Ye Shu was Aunt Lang’s daughter.

““Brother, I have something to tell you,”ye Zhuo continued.”

She and Lin Ze were brother and sister. Lin Ze had the right to know some things.

“Moreover, Lin Ze was his brother.”

“Lin Ze asked, “What is it?””

“You’ll know when you come over.”Ye Zhuo turned around and walked out of the door.

Lin Ze followed ye Zhuo’s footsteps.

“The two of them came to the outside of the shop and found a place to rest. Only then did ye Zhuo speak, “Brother, do you know Aunt Lang?””

“Lin Ze had grown up in Beijing since he was young, so he knew a little about Aunt Lang. “Yes, why?””

“Ye Zhuo continued, “Our mother might be Aunt Lang’s lost daughter.””

“What did you say?”Lin Ze stood up in surprise.

“Brother, don’t get excited. This is just a guess.”Ye Zhuo then told Lin ze about Cao Wei and elder Zhang coming to find her.”

Lin Ze frowned. “But isn’t mom their biological daughter?”

“Ye Zhuo explained, “Cao Wei went to Yunjing to investigate. Actually, Grandpa and Grandma’s real daughter died in an accident. However, one day, their daughter came back, so the elders suspected that Xi Muwen brought mom to Yunjing to replace the dead child.””

This was the only way to not be discovered.

“Does mom know about this?”Lin Ze asked.

“Ye Zhuo shook his head. “She doesn’t know yet. Don’t tell her either. Wait until the truth is out before you tell her. Otherwise, it’ll be for nothing.””

“Okay.”Lin Ze nodded. “I got it.”

“After confirming that ye Shu also had a small red mole on her hand, Ye Zhuo told elder Zhang about this on wechat.”

Elder Zhang was especially excited when he received the wechat message.

“Cao Wei! Cao Wei!”

“Cao Wei jogged over. “What’s wrong, elder Zhang?””

“Elder Zhang continued, “A small red mole! Miss ye told me that Madam Lin also has an identical small red mole on her hand!””

“That’s Great!”Cao Wei continued, “Madam Lin is definitely a real half a month old!””

Elder Zhang held Cao Wei's hand. "But we can't be happy too early. We haven't done the paternity test yet!"

Ye Zhuo had already begun to investigate ye Shu and Little Half Moon's information.

Thirty-six years had passed. It was not easy to thoroughly investigate how Little Half Moon had disappeared and how ye Shu had gone to Yun capital to become ye Dahai's daughter!

"In the blink of an eye, two days had passed."

"During these two days, Xi Weiyue had been waiting at home for news from the financial world."

"However, ever since Aunt Lang had handed over the recommendation letter, there had been no news from the financial world."

Could it be...

That something had gone wrong?

"Xi Weiyue raised her brows slightly. There were some things that she could not directly ask Aunt Lang, so Xi Weiyue had no choice but to find Jiang Yan."

"Weiyue, why are you looking for me?"

"Xi Weiyue braced herself and called Jiang Yan "Sister", then said, "It's already been two days, and there's still no news from the financial world. Help me find out about the old lady."

Jiang Yan nodded. "Okay."

“Back in the room, Jiang Yan said, “Mom, that recommendation letter of yours has already been sent out for two days, why is there still no news? Did that elder Zhang not send it to you at all?””

“”Don’t worry, elder Zhang is not that kind of person.” Aunt Lang had been in contact with the elder for many years. She believed that elder Zhang was not the kind of person who would go back on his words.”

“Jiang Yan continued, “But Weiyue did not receive an invitation letter from the financial world! Why don’t I accompany you to ask?””

“Aunt Lang hesitated for a moment, then nodded. “Sure.””

Aunt Lang came to elder Zhang’s hotel.

“Seeing Aunt Lang come over, elder Zhang smiled and said, “Lang Hua, you’re here! I was just about to look for you! Oh right, who is this?””

“Aunt Lang held Jiang Yan’s arm and said, “Elder Zhang, this is my daughter, Little Half Moon. Little Half Moon, this is elder Zhang.””

“Jiang Yan smiled and greeted, “Hello, elder Zhang.””

“Elder Zhang Glanced at Jiang Yan and frowned without a trace, then nodded to Jiang Yan. “Come in and have a seat!””

The two of them walked into the living room.

Elder Zhang poured a cup of tea for the two of them.

“Aunt Lang took the tea with both hands. “Elder Zhang, I’m here today because I have something to ask you.””

“Ask me what it is.”

“Aunt Lang continued, “It’s about the recommendation letter. Did you help me pass it out?” ”

“Elder Zhang did not answer Aunt Lang directly. Instead, he stood up and said, “Lang Hua, I have something to tell you too. Come to the study.” ”

Was he trying to avoid suspicion?

“Aunt Lang lowered her head and looked at Jiang Yan. “Little Half Moon, you stay here for a while. I’ll go with elder Zhang.” ”

Jiang Yan nodded. “You go ahead.”

Aunt Lang followed elder Zhang to the study.

“Elder Zhang looked at Aunt Lang and said, “Lang Hua, I won’t beat around the bush. The girl outside is not your biological daughter at all. To tell you the truth, I’ve been investigating Little Half Moon’s matter for the past few days. Finally, my hard work paid off and Cao Wei found someone who looked like little half moon! “Even the Little Red Mole on the right hand side of the mother and daughter looks exactly the same!” ”

“Aunt Lang’s face turned cold. Her eyes were not as happy as elder Zhang had imagined. “Elder Zhang, at this time, you still haven’t given up on this matter? Does this mean that you didn’t help me send the recommendation letter at all?” ”

“In Aunt Lang’s opinion, elder Zhang had deliberately caused so much trouble because he wanted her to return to the financial world. ”

“After all, she had already trusted elder Zhang once and brought a sample to do an appraisal!”

“However, the result of the appraisal was still the same.”

“This time, Aunt Lang would not trust elder Zhang anymore.”

“Seeing Aunt Lang like this, elder Zhang was also very anxious, “Lang Hua, listen to me. I don’t have any other intentions. Even if you don’t want to go into the financial world, I won’t force you. I just don’t want you to be cheated by Xi Muwen again! The one outside is really not your little half moon!” ”

“We’ve done an appraisal! She’s my biological daughter!”

“Elder Zhang continued, “Then it must be XI Muwen’s doing!” ”

““Since you suspect XI Muwen’s doing something, then I have the right to suspect that you’re doing something as well! Elder Zhang, it’s not easy for me to find little half-moon now. I really don’t want to return to the Financial World Anymore!” ”

““Lang Hua, calm down! Let’s talk this out!” ”

““I’m very calm now,” aunt lang continued, “And I know what I’m doing.” ”

““You Know Miss Ye, right? It’s Ye Zhuo!”Elder Zhang said. ”

“Zhuo Zhuo?”

“Elder Zhang nodded. “I suspect that Miss Ye’s mother, Ye Shu, is the real half a month.” ”

“Then, elder Zhang passed the information that Cao Wei found to ye Lang Hua. ”

“Langhua, this is the information Cao Wei found in Yun Jing.” ”

Aunt Lang took the information and looked at it slowly.

“Elder Zhang continued, “Miss Ye and her mother both have a small red mole on their hands that looks exactly the same. Most importantly, don’t you think that ye Shu looks like you?” ”

Aunt Lang looked at the photo of Ye Shu on the information and was stunned for a moment.

“After a while, she finally reacted, “Little Half Moon also has a little red mole that looks exactly like me. Elder Zhang, do you think that with this Little Red Mole, you can determine that mother searing is my daughter?” ”

““Since we’ve already said this much, let’s do an appraisal.”Elder Zhang continued, “After the appraisal, the truth will be revealed.” ”

““But Xiao Banyue and I have already done the appraisal twice!”Aunt Lang continued, “Elder Zhang, if you’re really unwilling to help me deliver the recommendation letter, then I’ll use my own method! I Won’t trouble you anymore!” ”

Appraisal?

“After secretly doing the appraisal the last time, every time Aunt Lang saw Jiang Yan, she felt extremely guilty. ”

She shouldn’t have suspected Jiang Yan!

“If she did another test, it would only burden Aunt Lang. ”

“After saying that, Aunt Lang turned and left. ”

“Lang Hua!” Elder Zhang caught up with Aunt Lang.

Aunt Lang walked outside and held Jiang Yan’s hand. “Let’s go for half a month!”

“Before Jiang Yan could react, she was dragged away by Aunt Lang.”

“Seeing that he couldn’t catch up with Aunt Lang, elder Zhang didn’t continue to chase after her and sighed helplessly.”

Outside.

“Jiang Yan looked at Aunt Lang. “Mom, does that elder Zhang not like me?” ”

“Thinking of elder Zhang’s words, Aunt Lang was still a little angry. She said directly, “You’re my daughter. You Don’t need to be liked by him!” ”

“Jiang Yan continued, “Then how is Weiyue’s matter?” ”

“Aunt Lang said, “Don’t worry. I have other ways. I Won’t let Weiyue be happy.” ”

““That’s good.” Jiang Yan nodded, then, she said, “Mom, since elder Zhang doesn’t like me, I Won’t come with you in the future. I’m sorry, I’ve embarrassed you... You Were a famous talented girl when you were young, but I didn’t even graduate from primary school...” ”

“Seeing Jiang Yan like this, Aunt Lang felt sorry for her. “No, it’s not your fault. It’s all mom’s fault. Mom didn’t do her duty as a mother.” ”

““Mother, it’s not your fault. I’ve never blamed you before!” ”

In the house.

“Elder Zhang was holding a few strands of silver-white hair in his hands. He called Cao Wei. “Cao Wei, where are you now?” ”

“Cao Wei said, “I’m at Miss Ye’s place, elder Zhang! Let me tell you some good news. Miss ye has pretty much investigated everything that happened back then! Soon, Aunt Lang will be able to see the truth!” ”

“”Good! That’s Good!”Elder Zhang continued, “I’ve also obtained Lang Hua’s hair over here. Let’s meet at the hospital!” ”

“Sure!”

“Half an hour later, elder Zhang appeared at the hospital on time. ”

“Not long after, Cao Wei and Ye Zhuo also arrived. There was a young man standing beside Ye Zhuo. ”

He wore a black hoodie and had a cold temperament. There was a hint of melancholy between his brows.

Could This Be Ye Zhuo’s brother?

“Elder Zhang was stunned for a moment, then quickly went up to greet her. “Miss Ye!” ”

“Ye Zhuo nodded slightly. “Elder Zhang. Oh right, elder Zhang, let me introduce you. This is my brother, Lin Ze. Brother, this is elder Zhang.” ”

“Lin Ze looked at elder Zhang and politely said, “Hello, elder Zhang. I’m Lin Ze.” ”

“As expected, he was ye Zhuo’s brother. This brother and sister were simply dragons and phoenixes among men!” ”

“Elder Zhang’s eyes were filled with admiration. He reached out and shook hands with Lin Ze. “Hello, Mr. Lin.” ”

“After shaking hands, elder Zhang took out a sealed bag containing hair. “Let’s go to the identification department quickly.” ”

“Okay.”

The few of them rushed to the identification department and handed the sample to the doctor.

Time passed very quickly.

“In the blink of an eye, four and a half hours had passed. ”

“The door of the identification department’s office was opened. A doctor in a white coat walked out. “Elder Zhang, the identification results have been released!” ”

“How is it?”Elder Zhang asked impatiently.

“The doctor continued, “The appraisal results show that the two appraisers are biological mother and daughter, which means that the parent-child relationship is established.” ”

“Really?”Elder Zhang suppressed the excitement in his heart.

The doctor nodded and handed the appraisal report to Elder Zhang. “Take a look for yourself.”

“Seeing this, Ye Zhuo and Lin Ze looked at each other and saw the surprise in each other’s eyes. ”

“Chapter 1020: 229: Aunt Lang finally knows the truth of the past, tears in her eyes! 1”

“Although ye Zhuo and Lin Ze had already prepared for ye Shu to be Aunt Lang’s daughter, they could not help but be surprised when they heard the results.”

“After all, they had never thought that ye Shu was not the biological daughter of Ye Dahai and his wife.”

“Elder Zhang held the paternity test results in his hands, so excited that his hands were trembling.”

Good.

This was really great.

They had finally found the real half-moon.

“Cao Wei was equally excited. “Elder Zhang, it’s the real half-moon! This is the real half-moon!””

“Once they found the real half-moon, Xi Muwen and Xi Weiyue, the father and daughter duo, would not be able to get their way!”

Aunt Lang would also return to the financial world!

“When that time came, the Shunxi Financial Group would not let the Zhao family monopolize everything!”

““Yes!” Elder Zhang looked up at Ye Zhuo and Lin Ze. “Miss Ye, Mr. Lin, can you take me to see your mother now?””

Lin Ze and ye Zhuo looked at each other and nodded. "Yes. But we have to go back and tell my mother and the others about this first."

"Okay."

Ye Zhuo looked up at the doctor. "Can you give us a copy of the appraisal report?"

"Sure." The doctor nodded and continued, "Please wait here for a moment."

"After a while, the doctor came out of the office and handed a copy of the paternity test to Ye Zhuo."

"Thank you." Ye Zhuo took the paternity test and turned to look at Lin Ze. "Brother, let's go back first!"

"Okay." Lin Ze nodded.

The siblings greeted elder Zhang and Cao Wei before walking back.

At the Lin residence.

Ye Shu was resting at home today and was watering the flowers in the courtyard.

"The lilies in the courtyard were in full bloom. A gentle breeze blew over, bringing with it a faint floral fragrance. It smelled especially good."

"Mom."

"Ye Shu looked back slightly and saw ye Zhuo and Lin ze walking in from outside the courtyard. "Zhuo Zhuo, Ah Ze, why are the two of you back together?"

"Ye Zhuo asked, "Where's My Dad?"

“Ye Shu smiled and said, “He’s still at the office and hasn’t returned yet!””

“Hearing this, Lin Ze immediately picked up his phone and called Lin Jincheng.”

“Very soon, the call was connected.”

“Lin Ze said, “Dad, hurry and come back now. We have something very important to tell you.””

“Ye Shu was stunned. She turned to look at Ye Zhuo and asked doubtfully, “Zhuo Zhuo, what important thing does your brother have to say that he specially called your dad?””

“Ye Zao turned to look at Ye Shu. “It’s something very important. When my father comes back, you’ll know what it is.””

“Ye Shu smiled helplessly. “What do you have to say when your father comes back? Why Don’t you invite your grandmother over too!” After all, they lived under the same roof, old Lady Lin was now completely repentant. If it was a family matter, Old Lady Lin also had the right to know.”

Ye Zhuo respected ye Shu’s opinion. “Sure. Then I’ll call Uncle First and ask him to come over.”

This kind of thing naturally could not be hidden from ye Sen.

“Ye Shu smiled and said, “I’ll call your uncle. You Go to your grandmother first.””

“Okay.” Ye Zhuo nodded slightly and walked towards the west courtyard.

“After Lin Jincheng received Lin Ze’s call, he put down what he was doing and rushed home.”

Ye Sen was the same.

Ye Zao had just stepped into the west courtyard when he heard the sound of wooden fish being beaten and the strong scent of sandalwood.

“Auntie Wang saw Ye Zao coming over and smiled. “Miss, you’re here! The old lady is inside! If she knew you were here, she would definitely be very happy!””

Ye Zao nodded slightly. “Auntie Wang.”

“Inside, Old Lady Lin immediately opened her eyes when she heard the sound and turned around to look outside.”

“The next second, as expected, she saw sister-in-law Wang walking in with Ye Zao.”

“Zao Zao!”

Old Lady Lin was very excited when she saw Ye Zao. “Zao Zao is here!”

““Grandma.” After not seeing her for half a year, Old Lady Lin seemed to have aged quite a bit.”

“Her body no longer had the mean aura from before. From this, she looked like a kind old man.”

“If she had not experienced it herself, no one would have believed that such a kind person would do such a thing.”

Old Lady Lin looked at Auntie Wang. “Hurry up and bring the peach cobbler and the Pan halberd from my room! It’s Sealing’s favorite!”

“Okay.” Auntie Wang immediately went back to her room to get dessert.

“Ye Zao said, “There’s no need to get busy. I’m here to talk to you about something.””

““Zao Zao, go ahead!” Old Lady Lin said.”

“Ye Zao continued, “It’s about my mother’s background. My father and my uncle are almost home now. Shall I push you to the East Wing?””

Background?

Ye Shu’s background?

Could there be something wrong with Ye Shu’s background?
