Chapter 1031: 227: Mother and daughter recognize each other and disqualify Xi Weiyue from being the heir! 5

...

On the other side.

The lawyer brought Xi Weiyue to the Shunxi Financial Group.

Shunxi Financial Group was ranked 10th in the global rankings.

It was a real golden house!

Xi Weiyue was born into a wealthy family. What kind of luxurious building hadn't she seen before?

"But now, standing in front of the Shunxi Financial Group, she finally knew what a real noble was!"

What was the true splendor of gold and Jade!

"Thinking about how she would soon become the future chief of the Shunxi Financial Group, Xi Weiyue was very excited."

"She was grandfather Ye's heir. Even though she had just joined the Shunxi Financial Group, with her talent, becoming the chief was only a matter of time."

"Si Lu adjusted his gold-rimmed glasses and turned to look at Xi Weiyue. "Miss Xi, this is the Shunxi Financial Group's headquarters!"

Xi Weiyue tried her best to suppress the shock in her heart and nodded. "Okay."

The lawyer picked up his phone to look at the time and sent out a message. [we're already downstairs of the Financial Group.]

"The other party quickly replied, [Okay, thank you for your hard work.]"

"When he saw the other party's reply, a faint smile appeared in the lawyer's eyes. Then, he turned to look at Xi Weiyue and returned to his business-like manner. "Miss Xi, come with me.""

Xi Weiyue nodded and followed the lawyer's footsteps.

"The lawyer brought Xi Weiyue through the lobby on the first floor and stopped in front of the elevator marked "V". Then, he pressed the up button."

It had been a long time since Shunxi Corporation had a new member.

"At this moment, when the passing employees saw Xi Weiyue, they all looked at her strangely."

"Feeling everyone's gaze, Xi Weiyue straightened her back even more."

"When Xi Muwen was young, he was a rare handsome man. Yang Jiao's looks were also among the best. As her daughter, she naturally did not look bad."

Xi Weiyue was surrounded by many suitors.

What was a girl's most advantageous weapon?

"Of course, it was her beauty!"

“Since she had a beautiful face, she would not waste resources.”

Using her face to conquer a man and make him willingly do anything for her was also a kind of ability!

“Of course, the man Xi Weiyue wanted to subdue the most was still Si Lui.”

Si Lui was the chairman of Shunxi Financial Group.

“She was new here and was very unfamiliar with everything in the financial world. If she could subdue Si Lui, then everything would be much smoother.”

Unfortunately.

Si Lui seemed a little bored.

He barely spoke to her on the way here.

“However, Xi Weiyue was not in a hurry.”

After all...

There was still a long way to go.

“Si Lui noticed Xi Weiyue’s change from the corner of his eyes, and his eyes revealed a subtle sense of disgust.”

Ding

“At this moment, the elevator door opened.”

“Si lui made a ‘please’ gesture. “Miss XI, Please.””

Xi Weiyue nodded slightly and walked into the elevator.

Si lui followed closely behind and pressed the button to close the door.

“The elevator rose very quickly. In less than ten seconds, it stopped at the 58th floor.”

“The lawyer said calmly, “Miss XI, we’re here.””

Xi Weiyue nodded and followed the lawyer out of the elevator.

“The moment they stepped out, an assistant in a suit greeted them respectfully, “Chairman.””

“The lawyer nodded slightly and continued, “This is elder Ye’s heir, Miss XI.””

“Miss XI.”The assistant looked at Xi Weiyue respectfully.

Xi Weiyue nodded.

The lawyer looked up at the assistant. “Is Miss Zhao in the office?”

“The assistant said, “Yes, Miss Zhao has been waiting for you two for a long time.””

“In the entire Shunxi Financial Group, who had the right to be called Miss Zhao?”

“Of course, it was Zhao Bin’s daughter, Zhao Xueyin.”

“Zhao Bin, elder Zhang, and grandfather Ye were the founders of Shunxi Financial Group.”

“Old Zhang had never married, so he had no descendants.”

“Old Master Ye passed away early. Later, ye Langhua did not have the heart to manage the affairs of Shunxi Financial Group, so old Zhang, the head of Shunxi Financial Group, became Zhao Bin.”

“Now, the Zhao family was a dominant existence in Shunxi Financial Group.”

“As Zhao Bin’s daughter, Zhao Xueyin was naturally a princess-like existence, and was also the future successor of Shunxi Financial Group.”

“In the entire Shunxi Financial Group, who wouldn’t address Zhao Xueyin as Miss Zhao?”

“Xi Weiyue didn’t understand the history of the Shunxi Financial Group, but she subconsciously felt that this Miss Zhao wasn’t someone to be trifled with.”

“But no matter how hard it was to provoke her, she wasn’t afraid!”

“After all, she was Grandfather Ye’s successor!”

“Back when he founded the Shunxi Financial Group, grandfather Ye’s biggest investor had 60% of the Shunxi Financial Group’s shares.”

“Now that Grandfather Ye was gone, she was the biggest shareholder.”

“No matter how powerful the other party was, he had to bow his head in front of her!”

“Si lui turned to look at XI weiyue and explained, “Miss Zhao is the daughter of the financial group’s founder, elder Zhao. Elder Zhao is already very old and has temporarily taken a step back. Currently, Miss Zhao will be taking elder Zhao’s place.””

Chapter 1032: 227: Mother and daughter recognize each other and disqualify XI Weiyue from inheriting!
6

Xi Weiyue narrowed her eyes when she heard this.

It seemed like her intuition was not wrong.

This Miss Zhao was indeed not some small fry.

“”Then, chairman Si, are you taking me to see Miss Zhao Now?” ”

“The lawyer nodded. “Yes. Miss XI, please follow me this way.” ”

Zhao Xueyin’s office was on the southeast side of the 58th floor.

“Soon, the lawyer brought Xi Weiyue to Zhao Xueyin’s office and knocked on the door.”

Knock Knock Knock —

“About ten seconds later, a beautiful female voice came from inside. “Come in.” ”

“”Miss XI, come in with me.” ”

Xi Weiyue nodded and followed the lawyer’s footsteps.

“The moment she entered, she saw a young woman sitting in front of a mahogany desk, processing documents. When the lawyer spoke, she slowly raised her head and looked at the two of them. ”

“”Miss Zhao, this is the heir that Aunt Lang recommended, Xi Weiyue, Miss XI.” ”

“Miss XI.”Zhao Xueyin put down the pen in her hand and looked up at Xi Weiyue.

Xi Weiyue was stunned.

She had thought that Zhao Xueyin was just an ordinary girl.

“However, whether it was her appearance, her doubts, or her temperament, they were all beyond her imagination. ”

“Zhao Xueyin had a standard oval face, Moe eyebrows, and white teeth. She wore a snow-white dress, and she was as beautiful and generous as a fairy standing in the clouds. ”

There was also a layer of dignity around her.

“Seeing Zhao Xueyin like this, Xi Weiyue instantly felt ashamed of her inferiority. ”

“But at this time, Xi Weiyue obviously could not be timid. ”

She had to stand tall.

“According to her rank, she was much higher than Zhao Xueyin. ”

“Grandfather ye alone accounted for 60% of the shares of the Shunxi Financial Group, while the Zhao family only accounted for 25% . ”

“Thinking of this, Xi Weiyue raised her chin and looked at Zhao Xueyin. She said in a neither servile nor overbearing manner, “Miss Zhao.” ”

“Xi Weiyue thought that she had concealed her emotions well, but she was still seen through by Zhao Xueyin with a single glance. ”

Zhao Xueyin’s eyes were filled with a layer of ridicule.

“After all, she was born into a small family. Even if she was plated with a layer of gold, it would not be able to conceal the aura of a downtrodden person on her body.”

Want to turn a sparrow into a Phoenix?

Difficult!

“Zhao Xueyin’s expression did not change. She nodded lightly and looked at si lui, “Brother Si, take Miss XI to familiarize herself with the working environment of our consortium first. Then, the reception team on the first floor is still short of one person. First, arrange for Miss XI to go to the reception team.” ”

Reception team?

Xi Weiyue frowned slightly.

“She was, after all, grandfather Ye’s heir. Zhao Xueyin actually arranged for her to go to the reception team!”

What a joke!

“Zhao Xueyin seemed to have seen the look in Xi Weiyue’s eyes, then, she said, “Miss XI, you’ve just arrived at the consortium. To prevent people from gossiping about you, you’d better start from the most

basic level. Otherwise, you won't be able to convince the public! "Don't look down on the reception group. Although the work of the reception group looks simple, in fact, there's a lot more to it!" "

"What if I don't go?" Xi Weiyue sat directly opposite Zhao Xueyin.

Zhao Xueyin narrowed her eyes.

"Xi weiyue said bluntly, "Miss Zhao, my grandfather is the largest shareholder of the consortium. I think you should know how much shares your Zhao family has, right? !" "

"Not only was Zhao Xueyin not angry, she was smiling instead. "It's indeed my inconsiderate consideration! Then, Miss Xi, which department do you want to go to?" "

"At this moment, a rapid ringtone sounded in the air. "

"Zhao Xueyin picked up the phone. "Okay, I got it." "

"After hanging up, Zhao Xueyin looked at the lawyer. "Brother Si, please take the unimportant people out." "

The lawyer was stunned.

"Other than him and Zhao Xueyin, there was no one else in this office. "

Could it be...

The person Zhao Xueyin was talking about was Xi Weiyue?

"Xi Weiyue reacted at this moment and said angrily, "Zhao Xueyin, who are you calling an insignificant person?" "

“Zhao Xueyin looked at Xi Weiyue and said word by word, “Miss Xi, I’m officially announcing that your identity as the heir has been revoked!” ”

“Chapter 1033: 230: Trash, good and evil will be rewarded! 1”

Remove her identity as the heir?

Xi Weiyue narrowed her eyes when she heard this.

Her identity as the heir was personally acknowledged by ye Langhua!

What right did Zhao Xueyin have to be removed?

The reason why Zhao Xueyin wanted to remove her identity as the heir must be because she was jealous of her!

“She was so outstanding and was also grandfather Ye’s heir. Her shares were higher than Zhao Xueyin’s. Once she joined the Shunxi Financial Group, would others still be able to see Zhao Xueyin?”

That was why Zhao Xueyin wanted to kick her out of the Shunxi Financial Group!

But was she that easy to bully?

Did Zhao Xueyin really think that she was a pushover?

That she could be controlled by others?

“Xi Weiyue raised her head to look at Zhao Xueyin. Her eyes were filled with ridicule. “Revoke my status as the successor? Just based on you? Miss Zhao, I think you’re Dreaming!””

“Zhao Xueyin’s expression did not change. She turned to look at Si lui and her voice was still gentle. “Big Brother Si, please ask her to leave.””

“Si Lui was stunned. When he saw Zhao Xueyin’s determined expression, he turned to look at Xi Weiyue. “Miss Xi, Please!””

“Xi weiyue said angrily, “I am my grandfather’s heir! My grandfather owns 60% of the shares of the Shunxi Financial Group! None of you have the right to revoke my status as heir!””

“Zhao Xueyin looked at Xi Weiyue. “Miss Xi, I will persuade you nicely. Please have some self-respect! Don’t refuse a toast only to be forced. Girls still have some dignity.””

“Her tone was gentle, but every word seemed to carry a knife. A normal person would not be able to withstand it.”

“Xi Weiyue laughed out loud. “I’ve never been forced to drink a forfeit before! Today, I’d like to see what it’s like to be forced to drink a forfeit!””

Zhao Xueyin glanced at the lawyer.

The lawyer immediately understood and pressed the communicator on his chest. “Get the security team to go up to the 58th floor!”

“Roger.” A reply came from the other end of the communicator.

Xi Weiyue narrowed her eyes.

“The security team came very quickly. There were six people in total. Not only were they equipped with electric batons, they were also equipped with guns. “Chairman, what can I do for You?””

“Si Lu turned to look at Xi Weiyue. His gaze was very cold as he said, “Throw this person out!””

“Even though Xi Weiyue was the successor that ye Langhua had personally acknowledged, Zhao Xueyin had never been an impulsive person. Since she had said so, she must have had her own reasons.”

The lawyer had absolute trust in Zhao Xueyin!

““Yes, Chairman.”The leading security officer nodded and glanced at the team member beside him.”

The team member immediately understood and reached out to touch the stun baton on his waist.

“Xi Weiyue just stood there with her chin slightly raised. She said arrogantly, “I’m Grandfather Ye’s only heir, the future chief of the Shunxi Financial Group! I’d like to see which one of you dares to Touch Me!””

Would they dare to touch her?

Of course not!

“Seeing that the security guards stood there without taking any further action, the smug look in Xi Weiyue’s eyes became even more intense.”

She knew that they wouldn’t dare!

“But in the next second, Xi Weiyue was stunned.”

“When a security guard walked to Xi Weiyue’s side, he directly lifted her up and dragged her away.”

How Could Xi Weiyue be a match for a few strong men!

“Moreover, she also did not expect that Zhao Xueyin would really dare to lay a hand on her!”

Rebel! Rebel! This was simply rebel!

Could it be that Xi Weiyue did not want to stay in Shunxi Financial Group anymore?

“Xi weiyue shouted angrily, “Let go of me! How dare you! You’re too bold! How dare you treat me like this, you’re all finished! Believe it or not, I can make you all not see the sun tomorrow with just one sentence!””

The few security personnel acted as if they did not hear Xi Weiyue’s words.

Zhao Xueyin narrowed her eyes.

“In the blink of an eye, Xi Weiyue was dragged out of the office.”

“The lawyer then turned to look at Zhao Xueyin. “Xueyin, is it really okay for us to treat Xi Weiyue like this?””

“Even though ye Langhua had not been in the financial world for many years, elder ye had a very high prestige in the financial world. If Xi Weiyue really blew the matter up, it would not sound good if word got out, especially now that Zhao Xueyin was building up her connections.”

“If any rumors were to spread at this time, it would have a great impact on Zhao Xueyin!”

“Zhao Xueyin smiled slightly. “Don’t worry, Big Brother Si! I know what you mean. The call just now was from President Zhou. It was ye Langhua who personally removed Xi Weiyue’s identity as the heir.””

Si Lui was stunned.

Why would ye Langhua suddenly remove Xi Weiyue's identity as the heir?

"The heir was not a child's play. Although ye Langhua was not as glorious as she used to be, she was not muddle-headed."

"Such a thing that went back on her words, she was not the kind of person who would joke about such things."

"Chapter 1034: 230: Trash, good and evil will be rewarded! 2"

What exactly happened?

"Zhao Xueyin continued, "Big Brother Si, when you went to the XI family, did you see ye Langhua's biological daughter?" "

"There must be a reason why ye Langhua suddenly removed Xi Weiyue's identity as the heir. Perhaps, she wanted to help her biological daughter up. "

"No matter how good XI Weiyue was, she was still an outsider. How could she compare to her own daughter? "

There must be a reason behind this.

Si Lu nodded. "I saw it."

"How is it?" Zhao Xueyin asked.

"Xi Weiyue had nothing to do with Ye Langhua. Her talent was normal. If XI Weiyue had joined the Shunxi Corporation, Zhao Xueyin would not have taken Xi Weiyue to heart at all. "

But Ye Langhua was different.

“Ye Langhua was a famous talent in the capital. If it were not for the sudden accident, her life would not have turned out like this. ”

“Ye Banyue, ye Langhua’s biological daughter, would more or less inherit some of ye Langhua’s genes! ”

“If the Zhao family wanted to take over the ownership of Shunxi Financial Group and promote to an aristocratic family, they had to have the ye family in their hands. ”

“After all, grandfather ye owned 60% of the shares of the Shunxi Financial Group. ”

Knowing Yourself and your enemy would win every battle!

Zhao Xueyin never fought unprepared battles.

Si lui recalled the scene of the Xi family. Jiang Yan was trembling even when she spoke to him. This kind of person was not worthy of Zhao Xueyin’s fear.

““Ye Langhua’s biological daughter, Ye Banyue, is a very ordinary person. She’s so ordinary that she can’t even be seen in the crowd. You Don’t have to worry.” ”

“Zhao Xueyin narrowed her eyes. “I’m afraid that things will change. Brother Si, can I trouble you to go and take a look again?” ”

She was still a little worried if she did not investigate thoroughly.

“Sure.” Si Lu nodded.

“Thank you, brother Si.” ”

“Si Lu smiled and said, “You don’t have to be so polite with me.” ”

Xi Weiyue was directly thrown downstairs by a few security personnel at the Shunxi Financial Group.

“Her clothes were in a mess, and her hair was in a mess. She looked a little disheveled.”

“Just 20 minutes ago, Xi Weiyue was still proudly following behind the lawyer, but 20 minutes later, Xi Weiyue was thrown downstairs in such a disheveled state. This made the employees in the lobby on the first floor very curious, and they all turned to look at her, their eyes were full of interest.”

Xi Weiyue had never been humiliated like this in her entire life!

Zhao Xueyin was too daring!

How dare she treat her like this!

She must make Zhao Xueyin pay the price.

“Although ye Langhua was not in the Shunxi Financial Group, her position in the Shunxi Financial Group was still there.”

Wait!

She must chase Zhao Xueyin out of the Financial Group!

Xi Weiyue picked up her phone and called ye Langhua.

“At this moment, she suddenly saw the lawyer coming down from upstairs.”

Xi Weiyue narrowed her eyes.

What was the lawyer doing here?

Could he be apologizing to her?

He must be!

What was Zhao Xueyin trying to do?

Slap her first and then give her a date?

Did he really think she was that easy to bully?

Xi Weiyue walked to the lawyer's side. "Are you here to apologize on behalf of Zhao Xueyin?"

"The bodyguard beside the lawyer was about to stop Xi Weiyue, but he was stopped by the lawyer's gaze. "

"Xi weiyue continued, "I don't accept your apology! If Zhao Xueyin wants me to forgive her, then tell her to get down quickly and bow to me in front of everyone!" "

"The corners of Si Lui's mouth curled up slightly. "Miss Xi, do you still understand your own situation? You Want Xueyin to apologize to you? In Your Next Life!" "

The smile on Xi Weiyue's face froze. "Si lui! What do you mean? ! You have to understand that I'm grandfather Ye's heir! I'm Grandfather Ye's granddaughter!"

Si lui glanced at her and then turned to leave.

“Although it was just a glance, xi weiyue could clearly see the sarcasm in his eyes. ”

Xi Weiyue was not a fool.

“At this moment, she had already vaguely realized that something was not right. She quickly took out her phone and continued to call ye Langhua. ”

“However, the call was busy. ”

“Under normal circumstances, only when she was blocked would the line be busy. ”

Would Ye Langhua block her?

Of course not!

Could it be that ye Langhua lost his phone?

“Xi Weiyue called XI Muwen again, but no one picked up. ”

Yang Jiao’s phone was also not picked up.

Xi Muwen’s situation was at its peak.

“First, Xi Empire’s products were reported, causing the stock to fall and fall. Then, the mysterious CEO suddenly appeared and forcefully bought Xi Empire! ”

“Now, the only person who could save Xi Empire was ye Langhua! ”

“Chapter 1035: 230: Trash, good and evil will be rewarded! 3”

As long as ye Langhua took out the gold mine map in her hand.

“Not to mention one XI Empire Group, even ten XI empire groups could be saved! ”

“However, Xi Muwen’s phone was not picked up because he was busy with company matters, while Yang Jiao’s phone was not picked up because she was busy playing mahjong. ”

“When XI Muwen returned and saw Yang Jiao playing mahjong, he was so angry that his temples were throbbing. However, due to the presence of outsiders, he could not flare up directly. ”

“At the Mahjong Table, Mrs. Wang turned to look at Yang Jiao. “Yang Jiao, I think there’s something wrong with your elder Mu’s expression! Why don’t we end this game?” ”

“Yang Jiao rolled her eyes. “Don’t worry about him!”She had not played two games in a long time. Now that they had finally played one game, she still had to look at Xi Muwen’s expression? ”

“Mrs. Li chimed in, “I think Mrs. Wang is right. Let’s leave as soon as we finish this round!” ”

“This group of rich ladies were used to being flattered by others, so they could not stand the slightest hint of looks. ”

“”Right, right, right, let’s finish this card quickly!” ”

“Yang Jiao frowned slightly, feeling a little unhappy. ”

Xi Muwen came to the door of Jiang Yan’s room.

“Ye Langhua spent most of her time with Jiang Yan, and today was no exception. ”

“After sorting out his emotions, Xi Muwen reached out to knock on the door. ”

“Very soon, the door opened. ”

“Jiang Yan saw Xi Muwen and asked in surprise, “Father, why are you back now?” ”

“Xi Muwen could not be bothered to deal with Jiang Yan, so he asked directly, “Where’s Your Mother?” ”

“Jiang Yan said, “My mother? My mother seems to have gone out for something!” ”

“”Call your mother and tell her to hurry back!”Xi Muwen called ye Langhua, but ye Langhua did not pick up. ”

“Okay.”Jiang Yan nodded and immediately picked up her phone to make a call.

“A moment later, she put down her phone. “My mother is probably busy! She didn’t pick up the call!” ”

“Xi Muwen frowned, and he already had a bad feeling. “When did she leave? Did she say where she was going when she left?” ”

Jiang Yan shook her head. “I’m not too sure either!”

Xi Muwen’s frown deepened.

“”Xi Muwen, who are you trying to show your ugly face to! It wasn’t easy for me to invite Mrs. Wang and Mrs. Li over for a round of Mahjong, and you even scared them away!”Yang Jiao’s voice came from behind. ”

Xi Muwen tried his best to suppress the anger in his heart. "Where's Ye Langhua?"

"She went out in the morning. She said something happened!" Yang Jiao said.

"Where did she go?" Xi Muwen followed up with a question.

"Yang Jiao was speechless. "How would I know! Her legs are on her body, but not mine!" "

"Trash! I think you're trash! You Can't even control a person!" Xi Muwen was furious!

""What's wrong with you?" After she said this, Yang Jiao realized something was wrong and quickly asked, "Did something happen?" "

Xi Muwen threw the documents in his briefcase to Yang Jiao. "Look at it yourself!"

"After Yang Jiao finished reading the documents, she was so scared that her face turned pale. "What's going on?" "

"Xi muwen continued, "The most important thing now is to find ye Langhua immediately!" "

"At this moment, the maid brought Yang Jiao's phone over. "Madam, your phone has been ringing for a long time!" "

Yang Jiao took the phone and saw that it was Xi weiyue calling. Her expression softened.

""Hello, Weiyue! Are you at the Shunxi Corporation Now?" "

Yang Jiao's face turned pale. "What? !"

Xi Muwen realized something was wrong and snatched Yang Jiao's phone away. "What happened to Weiyue?"

"What? !"Xi Muwen was stunned as well.

"First, there was a sudden incident at Xi Empire, and now, Xi Weiyue's identity as the heir had been revoked! "

"Then, ye Langhua disappeared for no reason! "

"Was all this a coincidence, or was ye Langhua doing it on purpose? "

"Xi Muwen was panicking inside, but he still tried his best to calm himself down. "Weiyue, don't worry, I'm already contacting ye Langhua!" "

""Dad, hurry up then." "

""Okay, don't worry." "

"After comforting XI Weiyue, Xi Muwen hung up the phone and turned to Jiang Yan. "Call ye Langhua again! Until you get through!" "

"Okay."Jiang Yan nodded.

"Yang Jiao said, "Old Mu, don't worry too much, Jiang Yan is still here! Ye Langhua has been looking for her for half a month and thirty-six years, could it be that she doesn't even want her own daughter anymore? In addition, she even told me in the morning that she was very grateful to US and didn't know how to repay us. Both her words and words had the intention of giving us the blueprint. I believe that she wouldn't disappear for no reason!" "

"Chapter 1036: 230: Trash, good and evil will be punished! 4"

Xi Muwen let out a sigh of relief and turned to look at Yang Jiao. "Are you sure that's what she said?"

"Of course!" Yang Jiao continued, "I heard it with my own ears, how could it be wrong?"

"Xi Muwen picked up the briefcase on the table. "Then, I'll make a trip to the company first. If ye Langhua comes back, you must call me!"

"Okay, don't worry!"

"Xi Corporation had a sudden incident, and now everyone was in danger. When the Secretary saw Xi Muwen coming over, she immediately went up to him. "CEO XI! You're here!"

"Xi muwen continued, "How's the situation now?"

The secretary frowned. "The situation isn't very optimistic. CEO Ye From Ye Corporation will be here soon to handle the handover."

"Ye Group? Which Ye Group?" Xi Muwen asked.

"The secretary explained, "It's... It's the ye group that bought our group."

Ye Group?

CEO Ye?

Was there such a person in Beijing?

Xi Muwen was very confused. "When will they arrive?"

"The secretary said, "Twenty minutes.""

"I understand." Xi Muwen nodded. "You can go out First!"

"Okay." The secretary bent down and walked out.

Twenty minutes passed very quickly. The secretary came to inform Xi Muwen that the people from ye group had arrived and asked Xi Muwen to go to the meeting room.

Xi Muwen immediately put down the cigarette in his hand and walked towards the meeting room.

"Just as he pushed the door open, he saw a familiar figure sitting in the meeting room."

"Lang Hua!"

Xi Muwen did not expect the person to be ye Langhua. The worry in his eyes turned into joy.

"Without thinking, he knew that ye Langhua was definitely here to help him!"

Ye Langhua looked up slightly. "I'm here."

"Xi muwen continued, "Langhua, where have you been? Why didn't you answer your phone?"

"Sign this document." Ye Langhua pushed the document in front of Xi Muwen.

"Xi Muwen looked down and saw that it was the acquisition contract, he smiled and said, "We're all family, there's no need to make things up! "Langhua, I really didn't expect ye group's CEO Ye to be you! "Thank you, thank you for helping me at such a crucial time! "Langhua, I will always remember your kindness!"

“From Xi Muwen’s point of view, the reason ye Langhua set up ye group to acquire XI group was because of him.”

She wanted to help him.

“Even though ye Langhua was already old, her love for him was not fake.”

“Back then, so many people had stopped them from getting together, but ye Langhua still chose him.”

She was even willing to pay the price!

Ye Langhua just looked at Xi Muwen like this.

She could not tell what expression was on her face.

How could she not have noticed before that Xi Muwen was such a heartless thing?

Thirty-six years.

A whole thirty-six years.

“To others, this was just a story.”

“But to her, it really happened.”

“Xi muwen continued, “Oh right, Lang Hua, have you received Weiyue’s call? Weiyue said that she was chased out by Zhao Xueyin from the Shunxi Financial Group! Zhao Xueyin even wanted to remove her identity as the heir. Is there some misunderstanding in the process?””

""A Family?"Ye Langhua's lips curled into a mocking smile. "Xi Muwen, how dare you mention a family to me!""

"Xi Muwen frowned. "Langhua, what do you mean?""

"I know everything."Ye Langhua's tone was calm.

"Xi Muwen's heart skipped a beat, but his expression remained the same. "What do you know?""

""Xi Muwen, stop pretending!"Ye Langhua turned to look at Xi Muwen. "You've been pretending in front of me for 36 years. Aren't you tired?""

Did Ye Langhua find out about what happened 36 years ago?

No!

It couldn't be!

"It had already been 36 years, how could it be so easy to find out."

"Xi muwen continued, "Langhua, I know you've been blaming me, blaming me for marrying Yang Jiao, but I only married Yang Jiao after we went through the divorce procedures! "I've never done anything wrong to you during our marriage! "If you think about it from another perspective, I'm just a normal man"

""After half a month has passed, I'm sadder than anyone else! Including you, my mother!""

"Xi Muwen was almost in tears, extremely sad."

He looked as if he was really sad for half a month.

“From his expression, one could not tell that half a month’s disappearance had anything to do with him.”

This was also the reason why ye Langhua had never suspected Xi Muwen.

“Ever since Little Half Moon was born, Xi Muwen had been like her and grandfather Ye, Pampering Little Half Moon.”

“Chapter 1037: 230: Trash, good and evil will be rewarded! 5”

“Half a month was very attached to Xi Muwen as a father. Every Time XI Muwen came back in the middle of the night, no matter how busy he was, he would hug her for half a month. ”

“Perhaps even half a month herself did not expect that one day, the father who loved her the most would lay his hands on her. ”

She was still so young.

She was only three years old.

“Every time she thought about the suffering that half a month had gone through all these years, ye Langhua could not control herself. ”

“”Ha...”ye Langhua sneered. “Sad? If you were sad, you wouldn’t have laid a hand on your own daughter! Xi Muwen, are you still human? !” ”

“Xi Muwen’s brows twitched. “Langhua, I don’t understand what you’re talking about!” ”

“Ye Langhua looked at Xi Muwen. “Let me ask you, where were you when you went missing half a month ago?” ”

“Xi muwen replied, “Back then, Dad wasn’t feeling well. I was out of town on a business trip for the past few days. It’s not like you don’t know!” ”

PA —

Ye Langhua took out a stack of documents and threw them on the conference table.

“”Then, take a look at what these are. Were you out of town on a business trip back then? Did you bring Little Half Moon along on a business trip?”Ye Langhua practically roared, “Xi Muwen, Little Half Moon is your biological daughter! Your blood is flowing through her body! How could you bear to do such a thing! has your conscience been eaten by a dog?” ”

Xi Muwen picked up the documents on the table and his hands could not help but tremble.

He did not expect ye Langhua to discover these things.

Thirty-six years!

“If ye Langhua could have discovered it, she would have discovered it long ago. She would not have waited until now! ”

Could it be that there was an expert behind ye Langhua?

“If there wasn’t someone behind ye Langhua, ye Langhua wouldn’t have discovered this! ”

“Xi Muwen tried his best to calm himself down. He gulped and raised his head to look at ye Langhua, “Langhua, listen to me. It’s really not like this! Someone is framing me! He wants to drive a wedge between us husband and wife! You mustn’t fall for it!” ”

""It's already so late, and you're still pretending! Are you doing half a month wrong by doing this?" "

"Xi muwen continued, "Lang Hua, half a month has been found. Let bygones be bygones! "From now on, the three of us will live happily together. If you don't like Yang Jiao and Mind Yang Jiao, I can divorce Yang Jiao immediately! We'll move out with Little Half Moon! Yes! Remarry! Lang Hua, let's remarry!" "

Remarry!

Remarry immediately!

Ye Lang Hua loved him so much that he would definitely agree to remarry!

"However, after Xi Muwen finished his sentence, Ye Lang Hua's face did not show any joy. "Remarry? Xi Muwen, how can you still have the face to say such words!" "

""Let's just do it for Little Half Moon, okay? Lang Hua, let's remarry!" "

"Ye Langhua stood up from the chair. "Did you forget that she has another name, Jiang Yan?" "

Jiang Yan!

"When he heard this name, Xi Muwen's brows jumped. How did ye Langhua know this name. "

Could it be that she had discovered Jiang Yan's identity as well?

"Before XI Muwen could think about it, the meeting room's door was opened. "

A few uniformed police officers filed in from outside.

"Who's XI Muwen?"

“Xi Muwen was stunned. “I, I am.” ”

“The police officer in front showed his police ID card and continued, “We are police officers from Shuanghe Road. We suspect that you are related to the crime of intentional abandonment and attempted murder. Please come with us!” ”

“Xi muwen quickly explained, “Comrade police officer, you must have misunderstood!” ”

““Whether it’s a misunderstanding or not, let’s talk about it at the station! Don’t worry, we police won’t frame a good person, and we won’t let a bad person off!” ”

“As soon as he said this, a cold handcuff was handcuffed to Xi Muwen’s wrist. ”

“Xi Muwen turned to look at ye Langhua. “Langhua! I’m Innocent! You have to believe me! Langhua... Langhua, you have to believe me...” ”

Ye Langhua watched Xi Muwen’s back without any expression on her face.

“Thirty-six years ago, she had already made a mistake. ”

“This time, she would not be wrong again! ”

On the other side.

At the Xi family’s villa.

Yang Jiao was waiting for Ye Langhua at home.

“Who knew that ye Langhua would not be there and instead, she would be waiting for the people from the court.”

“Xi Empire’s losses were severe. This villa had already been mortgaged to the court, and the court had requested Yang Jiao and the others to move out of the villa within seven days!”

“Yang Jiao panicked and immediately contacted Xi Muwen, but the person who answered the phone was a police officer.”

The police officer passed the phone to Xi Muwen.

“Over the phone, Xi Muwen explained the situation briefly and instructed Yang Jiao to find a lawyer for him.”

“Chapter 1038: 230: Trash, good and evil will be punished! 6”

“When she heard this, Yang Jiao fainted on the spot.”

...

“When Xi Weiyue returned to the Xi family’s villa, she saw the notice of the court pasted on the wall.”

Xi Weiyue’s brows jumped. “Mom! What’s going on?”

Jiang Yan walked out of the house with an ugly expression. “Your mom fainted...”

Xi Weiyue quickly ran into the house and saw Yang Jiao lying on the bed.

Yang Jiao opened her eyes at that moment. "Weiyue."

"Xi Weiyue's face was pale. "Mother, what's going on? Why is our villa being mortgaged to the court? Why did my father's company suddenly become like this? Where's Ye Langhua?""

Xi Weiyue had too many questions in her mind.

She did not know why things had become like this!

"One day ago, she was grandfather Ye's heir, the Xi family's eldest daughter."

"But one day later, she was nothing. She did not even have a home anymore."

Yang Jiao sobbed as she told her the general story of what had happened.

PA —

"When she heard this, the cup in Jiang Yan's hand instantly fell to the ground and shattered into pieces."

"She had not lived a wealthy life for long, was she going to be beaten back to her original state?"

Xi Weiyue's heart was also flustered. "How did ye Langhua find out about these things?" No Wonder Zhao Xueyin dared to revoke her identity as the heir!

"Xi Weiyue originally thought that by coming back this time, she could invite ye Langhua over to make the decision for her."

She did not expect that things would turn out like this.

"Yang Jiao sighed. "Weiyue, let's Go! We'll go to your grandmother's house!""

"Then what about my father?" Xi Weiyue asked.

"Yang Jiao and Xi Muwen were husband and wife. How much true love could the old and young couple have? "Husband and wife are birds in the same forest. When disaster strikes, they'll fly separately! If we don't leave now, will your father's creditors let us go when the time comes?"

"If ye Langhua did not find out the truth, then it would be fine."

"Now, Ye Langhua already knew that Jiang Yan was not half a month old."

Would ye Langhua still help them?

"Now, they could only save themselves!"

"Yang Jiao still had some private money hidden. If they did not leave now, then the mother and daughter would have to live under the overpass!"

Xi Weiyue was also a smart person. She quickly understood the stakes involved. "Alright! Then let's Leave Now!"

Yang Jiao nodded.

"I want to go with you too!" Jiang Yan said.

"Xi weiyue said coldly, "Go back to where you came from!"

"It had always been easy to go from frugality to extravagance, but it was difficult to go from extravagance to frugality. Jiang Yan did not want to return to the aid station, "It was the two of you who got me out of the aid station back then. Now, if you want me to go back, I'll go back? How can there be such a cheap thing in this world? The two of you have to be responsible for the rest of my life!"

“Xi Weiyue could not care less about Jiang Yan anymore. She and Yang Jiao had to leave as soon as possible. “Mother, get up quickly. Let’s pack up and leave immediately!””

“Okay!”Yang Jiao sat up from the bed.

“Seeing that the mother and daughter dared to ignore her, Jiang Yan was so angry that her whole body was trembling. She reached out and pushed Xi Weiyue. “I’m talking to you!””

“Get lost!”Xi Weiyue directly waved away Jiang Yan’s hand.

“Jiang Yan was not easy to bully either. She grabbed Xi Weiyue’s hair and gave Xi Weiyue a slap, “Little B * Tch! You Little B * Tch! Do you really think that I’m easy to bully? When you wanted to use me, you used me with all your might. Now, you want to kick me open with a single kick? No Way!””

“Xi Weiyue was no match for Jiang Yan, so she was instantly pushed to the ground by Jiang Yan.”

“Yang Jiao was shocked. She didn’t expect Jiang Yan to suddenly attack Xi Weiyue, so she immediately got into a scuffle with Jiang Yan.”

...

Shunxi Financial Group.

Si lui returned to the top-floor office.

“Zhao Xueyin asked impatiently, “How’s brother Si?””

“Si lui said, “Ye Langhua found her biological daughter.””

“What do you mean?” Zhao Xueyin frowned. “Didn’t she find her biological daughter long ago?”

“The lawyer explained, “The ye family is not ye Banyue. The Real Ye Banyue is the wife of the head of the Lin family in the capital city, Ye Shu.””

“After saying that, the lawyer placed a document in front of Zhao Xueyin. “This is Ye Shu’s information?””

Zhao Xueyin picked up the document and looked at it. “She grew up in the countryside?”

“Yes.” The lawyer nodded.

Zhao Xueyin narrowed her eyes. “How can a girl who grew up in the countryside suddenly become the wife of the head of the Lin Family?”

Chapter 1039: 231: The Big Shots are willing to call me daddy! 1

Zhao Xueyin subconsciously felt that ye Shu was not simple.

“If ye Shu was simple, would she be able to climb up to the Lin family head? ”

“The Lin family was a high-class family in the capital. At that time, Ye Shu was just a country bumpkin. ”

“Si lui continued, “This matter is rather complicated. Back then, when the Lin family head and ye Shu were together, Old Lady Lin strongly opposed it! “The patriarch of the Lin family even had a very serious car accident, causing him to lose his memory for more than ten years. Ye Shu was only promoted by the Lin family last year. Before that, she had been living in Yun Jing.” ”

“Only promoted last year?” Zhao Xueyin narrowed her eyes. She felt that Ye Shu was not a simple person.

“A woman who grew up in the countryside and did not receive a good education was able to make the patriarch of the Lin family, who had lost his memory, dream about her for so many years. What kind of charm did she have?”

“Zhao Xueyin continued, “Does Ye Shu have children with the Master of the Lin Family?” ”

Si Lui investigated all these things clearly. “Ye Shu and the Master of the Lin family have a pair of twins. They are 20 years old and are currently studying at Beijing University. The boy’s name is Lin Ze and the girl’s name is Ye Zao.”

““The two siblings have the same surname, Lin and Ye?” Zhao Xueyin asked. ”

“Si Lui nodded. “Yes. Back then, Ye Shu and the head of the Lin family were separated and the boy, Lin Ze, was taken away by Old Lady Lin. Ye Zao has been living with Ye Shu, so Ye Zao has been following Ye Shu’s surname.” ”

Zhao Xueyin pondered for a moment. “Do you have information on Ye Zao and Lin Ze?”

“To Zhao Xueyin, Ye Shu and her children were her most powerful enemies. ”

Knowing Yourself and your enemy would win every battle.

She had to find out all the details about these three people.

““If you want to take a look, I’ll get someone to investigate right away,” the lawyer said. ”

“Zhao Xueyin raised her head and looked at the lawyer. “Big Brother Si, I’ll have to Trouble You Then.” ”

“Of course.”

Zhao Xueyin looked at the back of the lawyer and narrowed her eyes slightly.

It was not easy for the Zhao family to get to where they were today in the financial world. They were about to become the real owner of the Shunxi Financial Group and become an aristocratic family. They could not afford to have any trouble at this time.

“Hopefully, Ye Shu and her children were mediocre and would not be a stumbling block on the Zhao family’s path to becoming an aristocratic family.”

“At this moment, a crisp phone ringtone sounded in the air.”

“Zhao Xueyin picked up the phone. “Hello, Dad.” ”

“No one knew what was said on the other end of the phone, but Zhao Xueyin continued, “Don’t worry, everything will be discussed when I return.” ”

...

The news that Xi Empire officially changed its name to ye group swept through the entire capital overnight.

Ye Langhua seemed to have become the swift and decisive ye Langhua from back then!

“Xi Muwen had used underhanded methods to get to the top, and now that Xi Empire had finally fallen, many people applauded.”

All the major financial newspapers started to publish.

“Ye Langhua stood on the top floor of the Ye Corporation, overlooking the scenery below.”

“If this scene had happened thirty-six years ago, how great would it have been.”

She and Ye Shu would not have been separated for so many years.

It was all her fault for waking up too late!

Ye Langhua closed her eyes. She could not describe the feeling in her heart.

“Chairman.” At this moment, the secretary walked in from outside the door.

“Speak.” Ye Langhua turned around.

“The secretary continued, “Mr. Zhang wants to see you.” ”

“Please come in quickly,” ye Langhua quickly said.

“Okay.” The secretary nodded and walked out the door.

“In a moment, elder Zhang walked in from outside. “Langhua.” ”

“Elder Zhang.” Ye langhua continued, “Please take a seat.” ”

She was able to recognize XI Muwen’s true face because of elder Zhang.

“If elder Zhang had not found ye Zhuo, then she would still be in the dark.”

“Thinking about her previous actions, ye Langhua felt very ashamed.”

“Elder Zhang sat down on the chair and looked at Ye Langhua. “Now that everything has been settled, do you want to consider returning to the consortium?” ”

“Ye Langhua reached out and brushed the hair on the side of her face to the back of her head, “To be honest, I don’t want to see my father’s life’s work go down the drain just like that. But right now, my heart is willing, but my strength is insufficient. As you can see, even managing the ye group right now is difficult for me.” ”

Although there were three founders of the Shunxi Consortium.

The main force was still grandfather Ye.

“However, after Old Man Ye’s accident, the Shunxi Financial Group was dominated by the Zhao family. Currently, Zhao Xueyin was still competing for the position of the chief of the Financial Group. She wanted to completely remove the Ye and Zhang families from the Financial Group and let the Zhao family rise to become an aristocratic family in the financial world. ”

Chapter 1040: 231: The Big Shots are willing to call me daddy! 2

“Elder Zhang originally wanted ye Langhua to return to the sovereignty, but ye Langhua said this instead.”

“Hearing this, elder Zhang’s face was filled with loneliness.”

“Just as elder Zhang was at a loss, ye Langhua continued, “Elder Zhang, what do you think of Searing Flame?””

“Elder zhang said bluntly, “Compared to you back then, she’s a notch above you!””

Elder Zhang had witnessed ye Zao’s ability.

“Although she was young, her horizons, knowledge, and achievements were not even comparable to ye Langhua back then!”

“Elder Zhang had not been able to find any results from his investigation of the incident 36 years ago for a long time, but in ye Zao’s hands, he had managed to find out everything in less than three days. From this, one could see ye Zao’s true strength”

“Ye Langhua nodded with a smile and continued, “So, I want to make Zao My Father’s successor. What do you think?””

““Of course it’s Great!”Elder Zhang’s eyes lit up. In fact, elder Zhang had already had this idea, but he was too embarrassed to say it out loud.”

“With ye Zao’s methods, as long as she agreed to join the Shunxi Financial Group, how could the Zhao family have any say in it?”

Elder Zhang seemed to have seen the scene when ye Zao joined the Shunxi Financial Group!

“Ye Langhua said, “Then it’s settled. However, I still have to go back and discuss it with Zao.”Taking over the Shunxi Financial Group was not a small matter, and ye Zao had to agree to it himself.”

“Okay.”Elder Zhang nodded. “Then I’ll wait for Your Good News.”

“En.”

“After elder Zhang left, ye Langhua got someone to draft a document and then returned to the Lin family.”

The Lin family was very lively today.

“Ye Langhua and ye Shu introduced themselves as mother and daughter, and Lin Jincheng invited the four brothers of the Lin family back.”

Cen Shaoqing and the Cen family also came.

“Old Mrs. Cen sighed, “Ah Shu, I really didn’t expect you to be Langhua’s daughter!””

“Because she was more than 20 years older than ye Langhua, old Mrs. Cen always liked to call ye Langhua ‘Little Langhua’ in the past. Now that ye Langhua had become ye Shu’s mother, if she were to call ye Langhua ‘Little Langhua’ again.., it would be a little inappropriate.”

“Ye Shu smiled and said, “It’s not just you. Even I feel like I’m Dreaming.””

“Until now, Ye Shu still felt that all of this was very unreal.”

“Seeing ye Langhua come over, Old Madam Cen smiled and said, “Langhua! You’re considered to be perfect now! You’ve got such a good daughter, and you’ve also got a pair of outstanding grandchildren!””

“Ye Langhua was also full of smiles as she continued to say, “Shaoqing isn’t Here?””

“Old Madam Cen said, “He’s Here! How can he not come on such a joyous day! Look at where Ye Zi is, he should be there.””

Ye Langhua nodded.

On the third floor.

Ye Zhuo and Cen Shaoqing were discussing the issue of the space mothership in the room.

“One would not know if they did not discuss it. When they discussed it, Ye Zhuo was shocked to discover that no country in this world had ever created a real space mothership.”

Even the most technologically advanced country C was only at the theoretical design stage.

“Ye Zao said, “Is it difficult to create an aircraft carrier?””

“Cen Shaoqing twirled the Buddhist beads. “First of all, putting aside the expensive cost, an aircraft carrier is a huge carrier. It’s impossible to achieve it floating on the sea, let alone flying in the air!””

““It’s very easy to fly,” ye Zao said indifferently. “All you need to do is strengthen the propulsion system and the coordinated control system. What’s so difficult about that?””

Cen Shaoqing was stunned.

He was very curious about what was going on in this person’s mind. Why was he able to speak so casually?

Strengthen the propulsion system and the coordinated control system?

An aircraft carrier was a huge fighter plane. It was heavier than a mountain. How powerful was the propulsion system and the coordinated control system to make it fly?

“Just as Cen Shaoqing was puzzled, ye Zhuo continued, “The problem of cost is even easier to solve. As long as it is reasonably designed and does not waste materials, we can save a lot of money by using the recycling system.””

“Cen Shaoqing continued to twirl the Buddha beads, “Then how can we solve the safety problem? The radar reflection area of the space mothership in the air is very large, and it is easy for the enemy to find it. Once it is found, it will be destroyed by anti-aircraft missiles. At that time, the loss outweighs the gain!” Actually, this was also the real reason why many countries were unable to develop a space mothership!”

“If the problem of defense was not solved properly, even if it really flew into the sky, it would be destroyed in a second or something.”

The aircraft carrier was huge. There was no way for it to avoid the missiles. It could only rely on its own defense system
