Chapter 1051: 232: Big Brother Ye is omnipotent! 7

An aircraft carrier?

“With the current technology, not to mention an aircraft carrier, even a slightly high-tech spaceship could not be developed.”

Ye Zao looked serious. “I’m not joking with you.”

An Lizi was very cooperative. “Then when will your aircraft carrier be built?”

“It will take about two years.”

“An lizi continued, “When the aircraft carrier is successfully built, you have to treat Pingting and me to a meal!” ”

“No problem.”

“An Lizi had a smile on her face. “Scorching hot, when did you become so good at bragging?” ”

“Ye Zhuo raised his eyebrows slightly. He was too lazy to explain. He took the movie tickets and said, “It’s time. We can enter the cinema now.” ”

“Let’s go.” An Lizi stood up from her chair.

The three of them walked out of the movie theater.

“After watching the movie, they went to have supper. Ye Zao drove the two of them back.”

“An Lizi, Xia Xiaoman, and Lin Xiaoman lived in a villa in the suburbs.”

“Zhao pingting said, “Zao Zao, just send me to No. 560 Xuanwu Road. I’ll go to my childhood home.” ”

““Okay.”Ye Zao nodded slightly. “Then I’ll send you there first. Then, I’ll send Lizi Home.” ”

“Okay.”

“Xuanwu road was not far from here, and they arrived in about 10 minutes. Zhao Pingting pushed the door open and got out. “Da Zao, Lizi, I’m leaving first.” ”

“Goodbye!”Ye Zao and an Lizi waved at her.

“Ye Zao instructed, “Pingting, it’s not safe at night these days. If you and your childhood friend have nothing to do, try not to wander around at night.” ”

The serial killer from last time had yet to be caught.

The three missing girls had already found two bodies.

“I know. You guys should leave quickly.”

“Zhao Pingting’s childhood friend was the same age as Zhao Pingting. The two of them had agreed to go to the zoo together tomorrow, so Zhao Pingting stayed at her childhood friend’s house tonight.”

“Just as Zhao Pingting got out of the car, her phone rang.”

“It was a call from her childhood friend. “Hello! Pingting, I’m sorry! I have some urgent matters to attend to at my grandmother’s house. I might not be able to come back in the next few days. We Can’t go to the zoo together tomorrow!” ”

“”It’s fine. Let’s meet again another day.”Zhao pingting hung up the phone. Her childhood friend was not at home, so she could only return to school first! ”

Zhao Pingting used the taxi app and called for an express car.

The car arrived very quickly. Zhao Pingting opened the car door and got into the car.

“The driver said, “Are you going to normal university?” ”

“Yes.”Zhao pingting nodded.

The driver started the engine and the car slowly drove on the road.

“About five minutes later, the driver handed over a cup of milk tea from the driver’s seat. “It’s cold. Have a cup of milk tea to warm your body.” ”

“Thank you.”Zhao Pingting took the cup of milk tea and took a sip.

She did not see the inexplicable smile on the driver’s face after she drank the milk tea.

“After drinking a mouthful of milk tea, Zhao Pingting felt a little dizzy. Then, a wave of sleepiness hit her. Her upper and lower eyelids seemed to have been sealed by glue. She could not open them no matter how hard she tried. ”

“When Zhao Pingting woke up again, she was surrounded by darkness, and the air was filled with a damp and dark smell. ”

“If she didn’t hear wrongly, there was also the sound of a woman sobbing.”

“Zhao Pingting tried to move, but she found that her hands were tied up with ropes.”

Was she dreaming?

PA —

“At this moment, a light lit up the room.”

“The sudden bright light made Zhao pingting close her eyes in discomfort. Before she could react, a sinister male voice sounded in the air, “B * Tch! Who told you to cry! Don’t Cry! I’ll Make You Cry! I’ll Make You Cry!” ”

Bang Bang Bang!

The next sound was the sound of a heavy object hitting the wall.

Zhao Pingting opened her eyes and saw this scene.

A ferocious-looking man was grabbing a woman by the hair and smashing her head against the wall.

A sense of fear immediately spread throughout Zhao Pingting’s body.

Where was this place?

It was also at this moment that Zhao Pingting discovered that she was locked in an iron cage with a chain tied around her neck.

There were several iron cages beside her.

“Two of the cages were empty, and three of the cages held three women.”

“The women were terrified and curled up in the cages, shivering.”

Zhao Pingting looked at the scene in front of her. Her face was pale and blood flowed out of her body.

“Could she, could she still walk out of here alive?”

Who would save her?

Chapter 1052: 233: Scorch Attack! V587! 1

Zhao Pingting curled up in the iron cage. A sense of despair overwhelmed her and her entire body was trembling.

What should she do?

What should she do now?

“At this moment, a strong shadow was cast on Zhao Pingting. She only felt that a malicious gaze was staring at her.”

That gaze seemed to want to swallow her whole.

Crack —

The lock on the iron cage was opened.

“Before Zhao Pingting could react, her hair was grabbed by someone. A strong force came and pulled Zhao Pingting out of the Iron Cage.”

“After Zhao Pingting was pulled out of the iron door, the other three women in the Iron Cage looked terrified. They covered their mouths and whimpered softly, afraid that their voices would alert the violent man.”

Zhao Pingting’s hair was grabbed by the man and she was forced to look up at him.

“The man was about 30 or 40 years old. He was bald. After taking off his glasses and hat, he looked like a different person.”

Wasn’t this the car-hailing driver?

Zhao Pingting instantly reacted.

There was something wrong with that cup of milk tea!

No wonder she felt dizzy after drinking the milk tea.

“If she had known this would happen, she definitely wouldn’t have drunk that cup of milk tea.”

“Recalling the disappearance of the female college student and the case of dumping the body, Zhao Pingting panicked and instantly burst into tears. “Let me go, Please...” ”

She couldn’t die.

She couldn’t die.

She hadn't graduated from college yet.

She hadn't found a boyfriend yet.

She hadn't repaid her parents for raising her.

She had even made plans with Ye Zhuo and an Lizi to visit Nanhai during the winter vacation...

"Thinking that she would never see her parents again, her brother and sister-in-law, Ye Zhuo and an Lizi, Zhao Pingting felt worse than death. "

This kind of torturous feeling could not be described with dull words.

Perhaps only those who had experienced it could empathize with it.

The bald man's already gloomy face became even gloomier when he heard Zhao Pingting's crying. He increased the strength in his hands and glared at Zhao Pingting. "Who told you to Cry? Don't Cry!"

"Zhao Pingting sobbed twice and tried hard to control herself, but tears kept falling uncontrollably. "

""B * Tch! Don't Cry! If you cry again, I'll kill you. Do you believe me?" "

The man grabbed Zhao Pingting's hair and threw her to the ground.

Bang —

Zhao Pingting's limbs and bones were in intense pain.

But the pain on the outside was nothing compared to the fear in her heart.

“The bald man stood there and looked down at Zhao Pingting. Then, he began to unbutton his shirt.”

PA —

The two clothes were thrown to the ground casually.

“After Zhao Pingting realized what he was doing, she placed her hands on the ground and quickly retreated.”

““No, no... come here.” ”

The bald man approached Zhao Pingting step by step.

In the next second.

Rip!

Zhao Pingting’s shirt was torn off.

“Seeing the man approaching her, Zhao Pingting’s hand touched the side.”

“Just as Zhao Pingting was in despair, her hand suddenly touched something cold.”

It was a steel pipe!

“Zhao Pingting took a deep breath, grabbed the steel pipe in her hand, and swung it at the Bald Man’s Head!”

Bang.

“Instantly, the Bald Man’s head was bleeding.”

The bald man did not expect Zhao Pingting to suddenly make such a move. His wide eyes were filled with disbelief before they were replaced by anger.

“At the same time, the three women in the steel cage were also stunned.”

“They had been in here for so long, but this was the first time they had seen anyone dare to resist this bald man!”

“This time, it would be great if they could beat this pervert to death!”

“Taking advantage of the Bald Man’s stunned state, Zhao Pingting quickly stood up and ran out.”

“Because the bald man had just entered, the door was open.”

“At this moment, Zhao Pingting used all her strength.”

“As long as she took out this door, she would be free.”

The women locked in the cage also looked at Zhao Pingting’s figure with Hope.

Run Faster!

Run Faster!

“As long as Zhao Pingting ran out, they would be saved.”

“Zhao Pingting ran closer and closer. Just as she was about to run out of the door, someone grabbed the back of her head!”

“B * Tch! You’re still chasing me away! I told you to run! I told you to run!”The bald man grabbed Zhao Pingting’s hair with one hand and hit Zhao Pingting’s abdomen with the other hand.

Again and again.

It hurt.

It was very painful.

It was as if her internal organs had been torn apart.

Zhao Pingting felt that she could die at any moment. Blood trickled down from the corner of her mouth.

“However, the bald man still showed no signs of stopping. He seemed to have lost control. “B * Tch! I’ll beat you to death! I’ll beat you to death, you B * Tch!” ”

Chapter 1053: 233: Scorch Attack! V587! 2

“After a few more punches, the bald man threw Zhao pingting away.”

Bang!

Zhao Pingting was thrown to the ground and spat out another mouthful of blood.

“At this moment, Zhao Pingting could no longer feel any pain. She did not even have the strength to lift her fingers. ”

Zhao Pingting lay on the ground. Her skin turned cold and a pair of rough hands covered her.

Disgusting.

It was really too disgusting.

“Zhao Pingting’s eyes were filled with humiliation. She wanted to raise her knife and chop this perverted bald man to death, but she had no way of retaliating. She could only allow herself to be slaughtered. ”

“At this moment, the bald man suddenly stopped moving. “Bad Luck!” ”

Zhao pingting heaved a sigh of relief.

Thank you for your period!

Thank you for your period.

“The bald man wiped the blood off his hands and pulled Zhao Pingting by her hair, dragging her into the cage. ”

Kacha.

A lock was placed on the door of the cage.

Zhao Pingting lay limply in the cage and could only watch as the man assaulted another woman.

What made Zhao Pingting feel incredulous was that the woman who was dragged out by the man did not even resist.

What happened next was too bloody and violent. Zhao Pingting was so scared that she closed her eyes.

“Unfortunately, although her eyes were closed, her voice was still there.”

It could not be forgotten.

...

On the other side.

Ye Zao sent an Lizi to the villa and drove home.

“After arriving at the Lin family’s house, Ye Zao sent a message to the three of them in a small group, [I’m Home [Dog Head -RSB- .] ”

“An Lizi immediately replied, [I’ve already eaten supper. [photo jpg]] ”

“Ye Zao looked at the picture of the crayfish that an Lizi sent him and suddenly had a huge appetite. He picked up his phone and ordered a takeaway as well. Then, he sent the screenshot of the order to the group. ”

“If it were any other time, Zhao Pingting would definitely reply immediately. After all, she was also a big foodie. ”

“But today, after ten minutes, there was still no news from Zhao Pingting. ”

Ye Zhuo frowned slightly and sent a message: [Where’s Pingting? Why isn’t she talking?]

“An Lizi replied: [didn’t Pingting go to her childhood home? The two of them haven’t seen each other for a long time. They should be chatting, right?] ”

Ye Zhuo opened Zhao Pingting’s chat box. [hello? [dog head]

“Thinking that Zhao Pingting might be catching up with her, Ye Zao sent a message and went to code the school team’s aircraft carrier’s system. ”

The computer was full of professional code. It was like a mountain separating the two professions. Outsiders really could not understand it.

“Half an hour later, a servant knocked on the door. “Miss, your takeout has arrived.” ”

“Ye Zao walked over to open the door. “Thank you, Mrs Zhang.” ”

“It’s my pleasure.”

“Ye Zao ordered a spicy hot pot. As soon as he opened the bag, a spicy and fresh smell wafted towards him. Of course, he could not eat spicy hot pot without an ice-cold coke. Ye Zao went to the fridge to get another ice-cold coke before he started eating spicy hot pot. ”

“After eating a few mouthfuls of spicy hot pot, ye Zao picked up his phone, but there was still no reply from Zhao Pingting. ”

“As if something was wrong, ye Zhuo frowned slightly, put down his chopsticks, and sent a voice call to Zhao Pingting. ”

On the other side.

The sound of a voice call suddenly rang out in the quiet air.

“Zhao pingting, who was originally leaning against the Iron Cage in a daze, reacted in an instant. She looked at the only bright spot in Hei An. ”

It was her phone.

The voice call displayed ‘Great Burning’.

It was a voice call from ye Zao.

Perhaps ye Zao had already noticed that she was gone.

“Thinking of this, Zhao Pingting’s eyes were filled with hope. ”

“Finally, someone noticed that she was gone. ”

“Unfortunately, she was locked in the iron cage and could not get her phone. ”

“At this moment, the short-haired woman who had her head pressed against the wall by the pervert suddenly woke up. She wriggled her body and crawled towards the phone. ”

“As long as they could get the phone, they would be saved. ”

“After being locked in the basement for so long by the Bald Man, the short-haired woman wanted to go out even in her dreams. However, because her hands and feet were tied up by ropes, she was too slow. ”

The atmosphere in the basement became tense at this moment.

Zhao Pingting’s heart seemed to be pinched by someone. She did not even dare to breathe loudly.

Finally.

“The short-haired woman squirmed to the side of the phone. As her hands and feet were tied, she could only use her chin to swipe the phone.”

“Seeing this, Zhao pingting heaved a sigh of relief.”

Good!

Great!

She had finally reached the phone.

“As long as she could reach the phone, they would all be saved.”

“Just as the short-haired woman used her chin to swipe the phone, her hair was suddenly grabbed by someone.”

“In the cramped basement, there was only the echo of a voice call.”

Chapter 1054: 233: Scorch Attack! V587! 3

It sounded like it was too late. “B * Tch! B * Tch! You want to run? Bah!”

“After the bald man spat on the short-haired woman’s face, he gave her a hard slap and then kicked her.”

The woman curled up on the ground in pain.

“Her only hope was gone. Zhao Pingting collapsed in the iron cage. Her face was pale, like a dead tree.”

The voice call was hung up automatically because no one answered for a long time.

“A few seconds later, the voice call came again from the quiet air.”

“The bald man frowned. He picked up the phone on the ground and hung up the voice call. Then, he walked to Zhao Pingting with the phone. “What’s the password?” ”

Zhao Pingting didn’t say anything.

“What’s the password?”The pervert asked again.

Zhao Pingting still didn’t say anything.

The pervert frowned and the veins on his face bulged. He picked up the steel pipe on the ground and opened the door of the cage. “I’m going to ask you one last time. What’s the password?”

“Zhao Pingting said in a trembling voice, “996216.” ”

The bald man swung the steel pipe and smashed it on Zhao Pingting’s body.

Zhao Pingting could not resist the sudden pain and screamed.

It hurt.

It was so painful that she could hardly breathe.

Zhao Pingting felt like she was a dog locked in an iron cage.

“The Bald Man entered the password and unlocked it. He opened wechat and looked at the chat logs between Ye Zhuo and Zhao Pingting, he copied Zhao Pingting’s usual tone and replied, “Great Burning, I’m busy right now. It’s not convenient for me to use voice chat. Let’s talk again when we have time!” ”

“Seeing Zhao Pingting’s reply, ye Zhuo heaved a sigh of relief. “Okay.” ”

“After replying to Ye Zhuo’s message, the bald man realized that Zhao Pingting’s family had also sent a message to Zhao Pingting. He also replied to her family’s message. ”

“Looking at the Bald Man’s actions, the hope in Zhao Pingting’s eyes instantly disappeared without a trace. ”

She had originally planned to make ye Zhuo suspicious and call the police if he could not contact her.

“But now, it seemed that this plan was not going to work. ”

The bald man could tell at a glance that he was imitating her tone to reply to Ye Zao.

What should she do?

What should she do now?

Was she really going to die here?

“Thinking of this, Zhao Pingting’s heart turned cold. ”

She did not want to die.

She still wanted to see the sun tomorrow.

“Zhao Pingting hugged her knees with both hands and bit the back of her hands helplessly. Even the back of her hands was bleeding from biting, but she still did not know it.”

“After the bald man replied to the Wechat message, he turned off his phone and began to rape another woman. Soon, the air was filled with a strong smell of blood and screams.”

Zhao Pingting closed her eyes tightly. She wished that she was dreaming.

“Unfortunately, she was not.”

The scene in front of her was real.

On the other side.

“After confirming that Zhao Pingting was fine, ye Zhuo continued to eat spicy hot soup.”

“Halfway through the meal, Cen Shaoqing sent a message. [leader, are you asleep?]”

“[not yet.] After replying to Cen Shaoqing’s message, ye Zao took another photo of spicy hotpot.”

[spicy hotpot?]

[yes.]

Cen Shaoqing was actually hungry at night. [is it good?]

[of course it's Good!]

“Cen Shaoqing continued to reply. [although it's good, you should eat less junk food and drink more water after eating.] ”

Cen Shaoqing would never touch such junk food in the past.

“Ever since he got to know ye Zhuo, he had tasted almost everything from spicy hot pot, Guan Dong cooking, stinky tofu, stir-fried cold noodles, spicy hot pot, and other roadside stalls. ”

“Ye Zhuo was afraid that the fans in the spicy hot pot would get burnt, so he took a big gulp before continuing to chat with Cen Shaoqing. ”

At the same time.

On the other side.

Zhao Xueyin had already been in the capital for a few days.

“However, she did not find any opportunity to get in touch with Ye Zhuo. ”

Zhao Xueyin was very anxious.

“If this continued, the situation would be very unfavorable for her. ”

Zhao Xueyin sat in front of the floor-to-ceiling window and looked down at the scenery outside. She narrowed her eyes slightly.

It seemed that she had to speed up her progress.

She could not waste any more time.

“In the blink of an eye, the next day arrived.”

Lin family.

“However, when the first ray of sunlight shone through the window in the morning, the girl lying on the bed frowned slightly. Her long and thick eyelashes trembled slightly. Under the morning sunlight, her porcelain-white skin seemed to be almost transparent, in a flash, the girl opened her eyes gently, revealing a pair of crystal clear eyes.”

Ye Zhuo habitually picked up the phone placed on the bedside and looked at the time.

6:30 in the morning.

“Ye Zhuo stretched his body, then stood up from the bed and walked to the bathroom to wash up and change his clothes.”

Chapter 1055: 233: BURN! V587! 4

“About half an hour later, ye Zao walked out of the bathroom. She was dressed in white sportswear, which made her look neat and agile. Her whole body was filled with a youthful aura. She had always been well-dressed, but when it came to her., it became a human shirt. No matter what style it was, as long as she wore it, it would become very high-class.”

Ye Zao went downstairs to the garden for a run.

“As soon as she reached the garden, she saw Lin ze carrying brother Meow into the garden.”

“Good morning, brother.” ”

“Good Morning,” Lin ze continued, “Zao, wait a moment.” ”

“What’s Wrong?” Ye Zao stopped in her tracks.

“At this time, Lin Ze bent down and very naturally helped ye Zao tie her shoelaces. “Your shoelaces are untied.” ”

“Ye Zao said a little embarrassedly, “Brother, I can do it myself.” ”

“Okay.” Lin Ze quickly tied his shoelaces and stood up.

“Thank you, Brother.” ”

“No problem.”

“Ye Zao finished a lap at exactly 7:30 pm. She took out her phone and opened wechat. She thought that after opening wechat, she would receive Zhao Pingting’s wechat message on time. However, in the chat list, other than Cen Shaoqing’s message.., there was no other message from anyone else. ”

Something seemed to be wrong. Ye Zhuo frowned slightly.

“According to Zhao Pingting’s habits, she should be running as well. Moreover, Ye Zhuo had sent her a voice message last night. She said that she was busy and would chat later. If it was the usual Zhao Pingting.., she would definitely send her a message as soon as she finished her run in the morning. ”

“However, there was no news from Zhao Pingting today. ”

Ye Zao frowned slightly and opened Zhao Pingting’s chat box. [is doggie around?]

[doggie] is around.]

This chat style was no different from Zhao Pingting's usual style. Ye Zao then sent her a message. [is it convenient to video chat?]

[uh... it might not be too convenient...]

“Ye Zhuo felt that something was wrong even more. [alright! Doggie, didn't you say that you were going back to your hometown tomorrow? Do you want me to send you?]”

“The perverted man on the other end of the screen narrowed his eyes and replied, [no need, I can go back by myself.]”

“Seeing this message, Ye Zhuo's heart skipped a beat. ”

Something had happened!

Something must have happened to Zhao Pingting because Zhao Pingting had never said that she was going home. The reason why she asked this was just to test the other party.

Ye Zao immediately switched the phone page to the phone page and quickly called the police. He then informed an Lizi of the news.

“An Lizi's face turned pale when she heard the news. She hurriedly took a car to the Lin family's house. “Zao Zao, don't Scare Me! Is Pingting really missing? Could it be related to the recent serial murder case?” ”

“”No, don't make wild guesses! I've already called the Police!”Ye Zhuozhuo turned on his computer and tried to locate Zhao Pingting's cell phone's location. ”

“Since the other party had Zhao Pingting’s cell phone and used Zhao Pingting’s tone to reply to her, this person must be with Zhao Pingting.”

“An Lizi spun around anxiously. “Zhuozhuo, is there anything I can help you with?” ”

“Ye Zao searched for the location on his phone and said, “Do you have the phone number of Ping Ting’s childhood friend? Call her and ask her.” ”

“An Lizi said, “I don’t know the number of her childhood friend either! By the way, does Ping Ting’s parents know about this?” ”

“I don’t think so for the time being.”

“An lizi continued, “Then should we tell uncle and Auntie about this? They must know Ping Ting’s childhood friend’s number!” ”

This was indeed not a small matter. Ye Zao nodded slightly. “Then quickly inform uncle and Auntie.”

An Lizi picked up the phone and was about to make a call when ye Zao’s phone rang. Ye Zao pressed the mouse with one hand and picked up the phone with the other. “Hello!”

““Is, is that Zao Zao?”An anxious female voice came from the other end of the screen. “Zao Zao, this is Pingting’s mother! I just received a call from the police station saying that Pingting is missing. Is It True?” ”

“Recently, there had been more and more fraudulent calls. Mother Zhao thought that she had received a call from a swindler. However, she was worried that something had really happened to Pingting, so she thought of calling ye Zhuo to ask. ”

““It’s true.”Ye Zhuo briefly told Mother Zhao about what happened last night. After Mother Zhao heard it, she cried on the spot. ”

“Ye zhuo comforted her, “Auntie, don’t be anxious. Calm down! Maybe Ping Ting is playing with us! You should contact Ping Ting’s childhood friend and ask her if she knows anything about Ping Ting. Then we will keep in touch.” ”

Chapter 1056: 233: Scorch! V587! 5

“Okay! Okay!”

“After hanging up the phone, Zhao Pingting’s mother didn’t dare to tell Zhao Pingting’s father about this, so she called Zhao Yingjun. ”

“Zhao Yingjun immediately put down his work after receiving the call. “Mom, don’t tell my dad about this first! I’ll be back right away! Don’t worry, don’t Worry!”Zhao Yingjun’s father’s heart hadn’t been too good recently, but he couldn’t take such a shock. ”

“Half an hour later, Zhao Yingjun returned home. ”

“Mother Zhao had already packed her luggage. “Yingjun, you stay at home. I’m going to Beijing!” ”

“”I’m going too!”Zhao Pingting’s whereabouts were unknown. As his older brother, Zhao Yingjun really couldn’t just passively wait at home. ”

Mother Zhao was a little worried. “We’ve both left. How are you going to explain it to your dad?”

Zhao Yingjun narrowed his eyes. “We can’t care too much now! I’ll tell Tang Jia to deal with our Dad! Let’s go quickly! I’ll book the plane tickets!”

“Fortunately, it was the off-season for tourism, so they were able to book the plane tickets very quickly. ”

In Beijing.

“Just as they were panicking, Ye Zhuo traced the location of his phone. ”

“After confirming the specific address, ye Zhuo stood up from his chair. “Lizi, let’s go.” ”

“Where are we going?” An Lizi was stunned.

“Ye Zao said, “We Found Ping Ting’s phone’s location.” ”

“Really?” An Lizi said happily.

Ye Zao nodded slightly and picked up the car keys.

An Lizi immediately followed ye Zao’s footsteps.

“Soon, a Black Land Rover sped past the manor area. ”

The speed of the car was very fast.

An Lizi tilted her head and looked at ye Zao.

It was the first time she felt that ye Zhuo was so unfamiliar.

He was cool and handsome.

“Before long, the car stopped steadily at a recycling station. ”

Ye Zhuo opened the car door and got out.

An Lizi followed closely behind.

“This recycling station was not big. When she entered the door, she saw three children standing there playing.”

An Lizi’s sharp eyes noticed that one of the children was holding Zhao Pingting’s hand. “That’s Pingting’s phone!”

“An Lizi had personally picked out Zhao Pingting’s phone case, so she recognized it at a glance.”

“Ye Zhuo walked over and bent down slightly. “Little friend, where did you get this phone?” ”

“”I picked it up beside the trash can.”The child holding the phone handed it to Ye Zhuo. “Sister, is this your phone?” ”

Ye Zhuo took the phone. “This is my friend’s phone. Can you take me to the place where you picked it up?”

“The child nodded. “Sister, follow me.” ”

Ye Zhuo and an Lizi followed the three children.

“After a while, they came to the side of the trash can.”

“This trash can was very far from the road. There were no surveillance cameras around it. Besides a waste recycling station, there were no other buildings nearby.”

Ye Zhuo frowned slightly.

“If there were surveillance cameras, she could still use them to find out who threw the phone.”

“But now, there was nothing. It was too difficult to find out.”

“Ye Zhuo lowered his head to look at the child and continued, “Child, when did you pick up this phone?”

“I don’t remember what time it was either.”The child scratched his head. “It was about one or two hours after breakfast.”

“Ye Zhuo smiled. “Thank you, child. I know. Oh right, this is for you.”Ye Zhuo took out three bear pendants and gave them to the child.”

“The child was very happy. “Thank you, Sister.” ”

““You’re welcome.”Ye Zhuo continued, “You guys should hurry back so that your parents won’t worry.”

““Goodbye, Sister.” ”

“An Lizi searched around the rubbish bin but did not find anything useful. She turned to look at Ye Zhuo. “Zhuo Zhuo, do you think that the three children were lying?” ”

“Ye Zao shook his head. “The children did not speak. They did find the phone.”Ye Zao knew a little about psychology. When the three children were talking to her., their eyes did not hide or look unnatural. If they were lying, they would not be so calm.”

An Lizi frowned.

“Ye Zao continued, “This person is very smart. After chatting with me, he realized that something was wrong, so he damaged the phone in advance and threw it next to an unmonitored rubbish bin.”Ye Zao turned to look at an Lizi, “Let’s go home first.” ”

The only way now was to repair Zhao Pingting's phone and see if he could find any clues in her phone!

Chapter 1057: 233: Great Burning! V587! 6

"Okay." An Lizi nodded and followed ye Zao into the car.

"After returning to the Lin family manor, Ye Zao went into the study room and broke Zhao Pingting's phone into several pieces. Finally, he heard that the host computer was connected to the computer. "

"An Lizi was dumbfounded. Before she could react, Zhao Pingting's phone desktop was already displayed on ye Zao's computer screen. "

"Soon, Ye Zhuo found out that Zhao Pingting had used the car-sharing app at around 9 pm last night. Although the order information had been deleted, it was just a small problem for ye Zhuo. In less than ten minutes.., ye Zhuo recovered the order information. "

The car's owner was Sun Dongdong. He was 48 years old and had been an online car-hailing driver for five years.

He was still taking orders normally.

"Ye Zao checked Sun Dongdong's order information on the heavenly eye. At 9:30 last night, when an Lizi got on the car, Sun Dongdong did not take orders. Instead, he was resting. Moreover, there were surveillance cameras that captured Sun Dongdong's figure. "

"In other words, the real online ride-hailing driver was not Sun Dongdong. Instead, someone had impersonated Sun Dongdong and intercepted his order. "

It seemed that this person was also an internet expert.

“After further investigation, ye Zao discovered that this suspect used hacking technology to specifically target female university students. Ye Zao narrowed his eyes, picked up his phone and stood up. “Lizi, stay at home. I’m going out for a while.” ”

““Zao Zao, are you going to look for Pingting? I’ll go with you!” ”

“Ye Zhuozhuo continued, “I’ll go alone. Pay attention to your phone and keep in touch with me.” ”

“Can you do it alone?”

““Are you still worried about my skills?”Ye Zhuozhuo picked up the car keys and continued, “Oh right, don’t tell my parents about this for now.” ”

““Okay.”An Lizi nodded. “Then Zhuozhuo, you must be careful!” ”

“Don’t worry.”

“Ye Zao drove to the suburbs. After parking the car, he picked up his phone and placed an order for an online car-hailing service at NAN University. ”

“After placing the order, ye Zao immediately turned on the computer and began to operate it. ”

“She leaned against the car door, holding the computer in one hand and jumping on the keyboard with the other hand. The only sound in the air was the crackling of the keyboard. ”

In the damp basement.

The Bald Man was taking off his shirt and walking towards Zhao Pingting.

“Zhao Pingting looked at the bald man, her eyes full of fear.”

Beep —

“At this moment, a clear ringing sound rang in the air.”

“The bald man immediately stopped and took out his phone from his pocket. When he saw the order message on the phone, a wretched smile appeared on the corner of the Bald Man’s mouth. Then, he picked up the clothes that he had thrown on the ground and put on a khaki cap, he also put on a pair of black-rimmed glasses. He looked honest and honest. Who would have thought that he was a wolf in sheep’s clothing?”

Bang!

The bald man slammed the iron door of the basement.

Whoosh!

“After the bald man left, the short-haired woman who was locked next to Zhao Pingting heaved a sigh of relief.”

He left.

He finally left!

“Are you also a university student?”The short-haired woman looked at Zhao Pingting.

“Zhao Pingting was stunned for a moment, then she turned to look at the short-haired girl and nodded.
”

“The short-haired girl continued, “You don’t have to be nervous. That pervert will not return for a short period of time.” ”

“Hearing this, Zhao Pingting also heaved a sigh of relief. ”

“For the entire day and night, the bald man had been guarding the basement. Faced with such a demon, Zhao Pingting’s mental state was always in a state of high tension. ”

“The short-haired girl continued, “I’ve been locked up here for a week. Every time his phone rang with that sound, he would go out and bring back new prey. This time, I don’t know who’s so unlucky...”. “...”. At the end of her sentence., the short-haired girl gave a wry smile. “I’m really sick! I’m already like this, and I still have time to worry about others!” ”

“Zhao Pingting looked at the short-haired girl and continued, “You’ve been locked up here for so long, and your family didn’t even notice that you went missing?” ”

“”I’m an orphan,”the short-haired girl laughed self-deprecatingly. “So what if I have family? Look at those two, they both have family, but they’re still locked up here!” ”

“Zhao pingting continued, “Haven’t you ever thought about escaping?” ”

“Escape? How?”The short-haired girl glanced at Zhao Pingting.

“Zhao pingting lowered her head to look at the chains around her neck, then at the iron cage that trapped her. The light in her eyes slowly faded. ”

They couldn’t escape.

Could it be that they could only wait for death?

At the same time.

“The bald man came to the address of the ‘prey’. From Afar, he saw a slender figure standing under the camphor tree. Seeing a car approaching, the girl immediately walked over. “Are You Master Zhao?” ”

The bald man was stunned.

“After hunting for so long, this was the first time he had seen such a peerless beauty. A faint light flashed in his eyes as he nodded and said, “You’re going to South University, right?” ”

“Yes.”The girl nodded.

“The bald man continued, “Quickly get in the car!” ”

The girl opened the car door and got in.

“After driving for a while, the Bald Man took out a cup of hot milk tea as usual and handed it to the backseat. “Little girl, the weather has been cold recently. Drink a cup of milk tea to warm your body.” ”

“Thank you.”The little girl took the cup of milk tea and took a sip.

“Seeing this scene through the rearview mirror, the bald man subconsciously swallowed his throat. ”

“After hunting for so long, he had also made mistakes. Some university students were especially smart and did not drink drinks of unknown origin. In such a situation, he could only follow the order and send the prey to the place where the order was placed.”

“He thought that this little girl would reject milk tea of unknown origin, but she actually drank it. ”

How Stupid!

An hour later.

“The sound of the door opening came from the quiet basement, followed by heavy footsteps.”

The short-haired girl looked up and saw the bald man walking in with a small cart.

There was a large cardboard box on the small cart. The cardboard box was upside down on the cart. Only the short-haired girl knew that the cardboard box contained the bald man’s prey.

The short-haired girl glanced at Zhao Pingting. Zhao Pingting turned her head and saw the bald man opening the cardboard box that was upside down on the trolley.

“After the cardboard box was opened, a slender figure could be seen sitting inside.”

“It was also at this moment that the girl, whose eyes were tightly shut, suddenly opened her eyes.”

“In an instant, a cold light flashed.”

“Zhao Pingting was stunned for a moment before she quickly reacted. With a trembling voice, she said, “Sear Sear!””

She had never expected that ye Zao would also be deceived by the Bald Man!

What should she do!

What should she do now?

“It was one thing for her to be caught, but now she had actually implicated ye Zao..”

“Chapter 1058: 234: the black-bellied Burning Man, who set who up? 1”

Zhao Pingting was panicking.

She had seen wrong!

She must have seen wrong!

“Ye Zhuo was so powerful, he definitely wouldn’t be caught by the Bald Man. ”

Zhao Pingting looked up again.

But the scene in front of her didn’t change.

It was ye Zhuo.

It was ye Zhuo.

“Burning burning...”

“The short-haired girl in the iron cage turned to look at Zhao Pingting and couldn’t help but ask in a low voice, “Do you know that girl?” ”

“Zhao Pingting’s breathing almost stopped. “She, she is my best friend!” ”

The short-haired girl was stunned.

“She had been locked in the basement for a long time, but this was the first time she had seen two good friends being dragged in at the same time. ”

“Zhao Pingting held the cage door tightly with both hands and said in a hoarse voice, “Zha Zha! Let Her Go! Bastard!” ”

Bang Bang Bang —

“Zhao Pingting smashed the cage loudly, trying to attract the bald man’s attention. ”

“No matter what, she could not let ye Zha suffer any harm. ”

“Seeing Zhao pingting like this, the short-haired girl beside her jumped in fright and said in a low voice, “Hey! You Don’t want to live anymore! Stop!” ”

Zhao Pingting’s actions had indeed attracted the Bald Man’s attention.

The Bald Man took off his hat and glasses and looked over.

His gaze was vicious.

“”B * Tch! You Want to die, right? If you want to die, I’ll Grant You Your Wish!” ”

“At the same time, Ye Zhuo also looked over. ”

When he looked over.

She was immediately stunned and a cold aura rose from her body.

That was Zhao Pingting.

“In just a day and a night, Zhao Pingting had already been tortured beyond recognition.”

She was covered in blood.

Her hair was disheveled and her face was dirty.

Ye Zao pinched his fingers. His jade-like features seemed to be covered in a layer of snow.

The bald man grabbed the steel pipe on the side and walked towards Zhao Pingting.

The short-haired girl looked at the Bald Man in horror.

She had stayed in the basement for a long time and had seen the Bald Man kill people with her own eyes.

It was obvious that he had the intention to kill.

The bald man walked to Zhao Pingting with a steel pipe in his hand.

Crack —

The lock on the steel cage was broken at that moment.

The bald man suddenly swung the steel pipe and smashed it on Zhao Pingting’s head.

Zhao Pingting was so scared that she closed her eyes.

The short-haired girl covered her mouth with her hands and her eyes were filled with fear.

“At that moment, the short-haired girl saw a slender figure walking towards her.”

“Many years later, the short-haired girl still remembered this scene clearly.”

It was as if the girl had descended from the sky. She wore a black windbreaker and a pair of Martin boots of the same color.

It was cold and rustling.

Tap Tap Tap —

The sound of footsteps echoed in the damp basement.

“Just as the Bald Man was about to smash down with the steel pipe, someone patted his shoulder lightly.”

The bald man narrowed his eyes and turned around in confusion.

“With one look, he saw a picturesque face.”

He was quite bold

He liked bold people.

It seemed that this girl couldn't wait to get his love.

“Thinking of this, a lewd smile appeared at the corner of the Bald Man's mouth. He threw the steel pipe on the ground and reached out his hand to ye Zao. His eyes were full of lewd light. “Little beauty, are you already impatient?” ”

“Yes.” Ye Zao’s lips curled slightly. “Already impatient...”

“Just as the Bald Man’s hand was about to touch ye Zao’s face, ye Zao gently raised his hand.”

Just as the bald man had yet to react.

The next second.

Crack!

The clear sound of bones breaking suddenly sounded in the air.

No one saw how ye Zao attacked. They only saw that the bald man was stepped on the ground by ye Zao.

Even the bald man himself did not expect ye Zao to have such skill.

He was careless!

He was careless!

“The bald man put his hands on the ground and tried to get up. However, the feet that stepped on him seemed to weigh a thousand pounds. He could not move at all.”

This scene stunned the women locked in the cage.

They thought that ye Zao was the prey that the bald man caught. They did not expect ye Zao to be so powerful!

At this moment.

Ye Zao was like sunlight shining into the darkness.

It was dazzling!

“At this moment, ye Zao let go of the foot that was stepping on the Bald Man’s body. Taking advantage of this opportunity, the bald man quickly stood up from the ground and picked up the axe on the ground and smashed it at Ye Zao’s face.”

“Under the dim yellow light, the sharp blade of the axe shone with a cold and gloomy light.”

“If this axe came down, they would lose their lives!”

“Be careful!”

Zhao pingting shouted.

The women who were locked in the iron cage were also shocked.

Ye Zao’s appearance made them see the light and brightness that they had not seen for a long time.

But now...

Was this light and brightness going to disappear so soon?

“Chapter 1059: 234: the black-bellied Great Scorch, who sets who up? 2”

“Ye Zao just stood there, facing the axe that was swinging towards her. There was no fear on her face. Seeing that the axe was about to chop at her, Ye Zao slightly raised her foot and gave a perfect backspin kick.”

Bang!

The Axe was kicked to the ground.

“Seeing that the axe was kicked to the ground by ye Zao, the Bald Man showed a look of fear and took a few steps back. He still had a gun!”

“However, ye Zao did not give him the chance to do so. He kicked the trash can on the ground.”

Whoosh —

The trash can seemed to be tainted with a cold aura as it flew in the direction of the Bald Man.

PA!

The flying trash can was directly placed on the Bald Man’s head.

This scene caused everyone’s eyes to be filled with stars.

“However, this was not the end. Ye Zao gave another side kick. The bald man was kicked to the ground. Ye Zao picked up the rope on the side and tied the bald man up in no time.”

“Seeing this scene, the women locked in the cage looked at each other and finally burst into tears.”

These were tears of excitement.

Tears of joy.

They were saved.

They were finally saved.

“Ye Zao tied the bald man to the leg of the table at the side. He walked to Zhao Pingting and untied the rope without saying a word. Then, he took off his black windbreaker and wrapped Zhao Pingting’s body. Only then did he speak in a deep voice, “Sorry, I’m late.” ”

“If she had discovered that Zhao Pingting had disappeared earlier, Zhao Pingting would not have suffered so much damage. ”

No one knew how much damage Zhao Pingting had suffered during this period.

“”Zhuo Zhuo, thank you, thank you!”Zhao Pingting hugged ye Zhuo and cried out loud. ”

“If it wasn’t for Ye Zhuo, she might have really died here. ”

“Ye Zao patted Zhao Pingting’s back. “Alright, everything is fine now. Let’s hurry and let the others out.” ”

“Okay.”Zhao pingting nodded and went to look for the key.

“Every Big Iron Dragon had a lock on it. Without a key, it was impossible to unlock it. ”

“Zhao Pingting searched the only table in the basement and then opened the drawer next to it, but she still couldn’t find the key. Zhao pingting frowned slightly and walked to the Bald Man’s side, kicking him fiercely, “Where’s the key?” ”

The bald man looked at Zhao Pingting with a terrifying cold gaze.

“Zhao Pingting had been tortured terribly in the basement. When she saw the man like this, she was so scared that she took a few steps back. She walked to Ye Zao’s side and held his hand tightly. “Zao Zao, what if you can’t find the key?” ”

“Hearing this, the three women locked in the cage were also very anxious. ”

“She was about to be free, but at the critical moment, she could not find the key! ”

“Don’t be anxious.”

“Ye Zao’s eyebrows remained the same. He walked to one of the cages and pulled the iron lock on it. Only then did he realize that this was a copper lock. The lock core design was relatively complicated. Without the key, it was very difficult to open. Ye Zao frowned slightly, he looked up at the short-haired girl. “Can you lend me the clip on your head?” ”

The short-haired girl was stunned.

Was there a clip on her head?

“A few seconds later, the short-haired girl quickly reacted. She touched the small black clip on her head and handed it to Ye Zao. “Is, is this it?” ”

“Yes.”Ye Zao nodded slightly and took the clip.

“Just as the short-haired girl was wondering what ye Zao wanted the clip for, she saw ye Zao insert the clip into the keyhole and gently turn it twice. ”

Crack!

The lock was unlocked!

The short-haired girl was overjoyed. "It's unlocked! It's unlocked! Thank you! Thank you!"

"After the copper lock was unlocked, Zhao Pingting immediately walked over to help untie the rope tied to the short-haired girl."

"Ye Zhuo walked to the second iron cage and used the same method to open the copper lock. The third cage was followed. The three girls all walked out of the iron cage, the one among them who had been locked in there for the longest time had already been locked up for two weeks. Now that she suddenly walked out of the iron cage, it felt especially surreal."

They were saved.

They were all saved!

The Ecstasy of having escaped was not something that could be expressed in words.

"At this moment, she looked at Ye Zhuo."

She felt that her entire body was glowing.

She was like a savior stepping on a five-colored auspicious cloud.

The three of them stood in a row and walked in front of ye Zhuo and Zhao Pingting. They bowed deeply. "Thank you! Thank you!"

"You don't have to do this."Ye Zhuo immediately reached out to help them up.

"The short-haired girl continued, "You're Our Savior. If we don't bow to you properly today, we won't be able to sleep peacefully in the future!" "

“Chapter 1060: 234: the black-bellied Burning Man, who’s trying to trick who? 3”

““Yes, let us give you a good bow!”The other two immediately nodded in agreement. ”

““You Are Our Savior. Forget about bowing, even kneeling on the ground and kowtowing is nothing.” ”

“At this point, if ye Zao refused again, it would seem that he had other intentions. He couldn’t really let them kowtow to her. ”

The three of them stood in front of ye Zao and bowed to him solemnly.

“After bowing, the short-haired girl turned around and looked at the others. Her eyes were cold.
“Sisters, it’s time for us to take revenge!” ”

“After saying that, the short-haired girl walked to the Bald Man, and the other two followed her. ”

“The three of them stood in front of the Bald Man. A strong shadow cast on the Bald Man, and a strong sense of hatred exploded from his body. ”

“The bald man looked up at the three of them and could not help but gulp. He wanted to step back, but his body was tied to the leg of the table, so he could not take a step back. ”

“At that moment, the three of them seemed to have made an agreement. They picked up the steel pipe on the side and began to smash the Bald Man. ”

“Bang, Bang, Bang — ”

Every hit used up all the strength in their bodies.

Zhao Pingting also joined in.

“The Bald Man, who was originally silent, could not help but wail in pain. ”

It hurt!

It was too painful.

He never dreamed that he would one day fall into the hands of a group of women.

“After a few seconds, the bald man turned into a pig’s head. ”

“You guys are almost done venting your anger. Quickly stop.”

“At this moment, a pleasant voice came from the air. ”

“The four of them stopped and looked up at Ye Zao, their eyes full of confusion. ”

Even Zhao Pingting was very confused. She did not understand why ye Zao would plead for mercy for this kind of scum. This kind of scum should be beaten to death!

“Zao Zao?”

“Ye Zao did not explain. He picked up a syringe and squeezed the excess air out of the syringe. He walked to the Bald Man’s side. Before the bald man could react, the thin needle had already pierced into his flesh, ye Zao quickly squeezed the medicine in the syringe and pulled out the needle. ”

“Zhao Pingting knew that ye Zao was skilled in medicine and subconsciously thought that ye Zao was treating the bald man. She asked in disbelief, “Zao Zao, are you treating him?” ”

Zhao Pingting knew that doctors were benevolent.

“As a doctor, she could not watch a living person die in front of her.”

But this bald man had done so many bad things. He should die!

Ye Zhuo shook his head slightly. “It’s not treating a disease.”

Ye Zhuo was not a saint who would treat a devil.

A doctor’s heart was for the right person.

This kind of trash was not worthy.

“Hearing this, Zhao Pingting heaved a sigh of relief.”

It was good that he was not!

She knew that ye Zhuo was not the kind of good person who was overflowing with sympathy.

The short-haired girl looked up curiously. “Then what did you inject him with?”

“The medicine used for chemical castration.” Ye Zao continued, “The police will be here soon. Don’t continue to fight. It’s not worth it to have someone’s life on your hands for such a piece of trash.”

Chemical castration!

“Hearing this clearly, the short-haired girl’s eyes lit up. “You’re saying that the medicine you injected him with just now can make him a eunuch?” ”

“Yes.”Ye Zhuo nodded slightly.

“The short-haired girl continued, “It’s just a small tube of medicine. Will it really work?” ”

“Zhao pingting quickly said, “It will work! It will definitely work! My Friend is a very powerful doctor. If she says it will work, it will definitely work!” ”

The bald man who was tied to the ground also realized what chemical castration meant and began to struggle violently!

Become a eunuch?

He didn’t want to become a eunuch!

“B * Tch! I’m going to kill you!”The Bald Man’s facial features were terrifying. “I’m going to kill you B * tches!”

“Ye Zhuo lowered his eyebrows slightly, and his tone was so cold that it made people’s Hearts Shiver. “Do you know what a pig killing buckle is? I advise you to save your strength.” ”

“A pig killing buckle, as its name implied, was a rope used to tie pigs when they were slaughtered in the past. The more they struggled, the tighter the rope would be. ”

“The bald man refused to believe it and continued to struggle violently. However, after a few seconds, he felt that something was wrong. The rope on his body was getting closer and closer. The rope was so tight that he could hardly breathe! ”

“This time, he did not dare to move recklessly. He collapsed on the ground like a dead pig. ”

“A moment later, an earth-shattering siren sounded from the ground. ”

More than ten police officers broke through the door.

“Burning!” Anlizi ran in with the police from outside. “Are you okay?”
