Chapter 1061: 234: a black-bellied woman. Who Set who up? 4

"I'm fine."Ye Zhuo shook his head.

"It's good that you're fine. You worried me to death!"Thinking of Ye Zhuo's experience, an Lizi was extremely scared. She continued, "By the way, where's Pingting? Why don't I see Pingting? Could it be that Pingting has already..." An Lizi's voice was stuck in her throat. "

"Actually, Zhao Pingting was standing right beside her. However, Zhao Pingting was covered in filth and her hair was disheveled. An Lizi did not recognize her at all. "

"Lizi,"Zhao Pingting said with a choked voice. "

"Hearing Zhao Pingting's voice, an Lizi was stunned for a moment. She looked up and only then did she recognize Zhao Pingting. She hugged her and cried, "Pingting! How did you become like this! ? Pingting, are you alright?" "

"Zhao Pingting hugged an lizi and cried, "I'm fine, I'm fine..." "

"After the police collected the evidence in the basement, the girls were taken to the hospital by ambulance. "

Ye Zhuo and an Lizi followed them to the police station to take their statements.

"The news of the serial killer being caught spread in an instant. Countless reporters surrounded the entrance of the hospital, hoping to interview the victims. "

“When many internet celebrities heard the news, they immediately took their phones to the crime scene to clock in.”

“Zhao Pingting was diagnosed with multiple soft tissue contusions all over her body. She had a mild concussion and the external injuries were all minor. The most serious injury was mental trauma. Thinking of the Inhuman experience of a day and a night, Zhao Pingting sat on the hospital bed, she hugged her knees with both hands, and her entire body was trembling.”

“If time could be reversed, she would never have used the internet to book a car, much less drink the drink that the driver had given her.”

“In fact, she was considered lucky. That short-haired girl had been locked up for more than two weeks, and during that period, she had even been violated. The amount of harm she had suffered was more than ten times more than what she had suffered!”

“Knock, Knock, knock — ”

“Suddenly, there was a knock on the door.”

““Come in,” Zhao Pingting said after a while.”

“A policewoman came in with a young woman in her thirties. When she saw Zhao Pingting sitting on the bed, the policewoman asked with concern, “Pingting, how are you? Are you better now?” ”

“Much better.” Zhao pingting nodded.

“The policewoman continued, “By the way, let me introduce you to Dr. Huang, the psychologist of the Second People’s Hospital. Pingting, you can tell her anything. She will help you.” ”

“The young woman immediately stood up and said with an amiable expression, “Hello, my name is Huang Li. You can call me sister Li.” ”

“Sister Li.” Zhao ping ting continued, “Actually, I don’t need a psychologist. I’m fine.” ”

“Huang Li smiled and said, “Don’t be nervous. You can treat me as a big sister or your good friend. Oh right, I heard that you have a very powerful friend!” ”

“Speaking of friends, Zhao Pingting’s eyes finally lit up. “Yes, if it weren’t for my friend, I might still be locked in the basement.” ”

“The policewoman saw that Zhao Pingting and Huang Li were gradually getting into a good mood, so she quietly walked out of the ward, leaving time and space for them. ”

“She hoped that Huang Li could successfully enlighten Zhao Pingting, bring Zhao pingting out of the predicament, and forget what happened that day and night. ”

“An hour later, Huang Li came out of the ward. ”

“The policewoman waiting outside immediately went up to her and asked, “Doctor Huang, how is it?” ”

Huang Li shook her head. “The situation isn’t very optimistic.”

The policewoman frowned slightly.

“Huang Li sighed and continued, “But she’s still considered lucky. At least she wasn’t assaulted. The other few aren’t so lucky!” ”

“After saying that, Huang Li continued, “Oh right, where’s her family? They haven’t arrived yet? For her now, no matter what kind of psychological treatment, it can’t compare to the company of her family!” ”

“The policewoman continued, “They’re on their way here now! She’s not a local. Her hometown is Yun Jing. After her family heard about this, they immediately bought a plane ticket to come here.” It took four hours to fly from Yun Jing to the capital, it would take one and a half hours to get from the capital airport to the hospital without the traffic jam. ”

Huang Li nodded. "That's good."

"After ye Zhuo and an Lizi left the police station, they drove to the hospital where Zhao Pingting was currently staying."

"As soon as they arrived at the hospital, they saw a bunch of reporters crowding around the entrance."

Ye Zhuo frowned slightly.

The victim had already suffered a huge psychological trauma. How could she still have the courage to face the cameras?

"If they did that, they would only cause the girls a second injury!"

Ye Zhuo took out his phone and sent a message.

"After sending the message, ye Zhuo turned around and walked to the other side."

"Chapter 1062: 234: the black-bellied Scorch, who's going to set who up? 5"

"An Lizi caught up with ye Zao's footsteps. "Scorch, where are you going? Aren't we going to visit Pingting?" "

Ye Zao's tone was shallow. "Let's go buy a bunch of flowers and bring them with us."

"Okay." An Lizi nodded. "Look at this blockhead of mine, I didn't even think of that." "

There were many flower shops near the hospital.

Ye Zhuo bought a bunch of white stars while an Lizi picked a bunch of calamus.

“After choosing the flowers, the two of them went to the entrance of the hospital again. An Lizi was surprised to find that the reporters who were guarding the entrance of the hospital just now had all disappeared. It was as if what she saw just now was an illusion. ”

“An lizi asked incredulously, “Where are they? Where did they go?” ”

Ye Zao’s expression was indifferent. “Maybe something even more explosive happened!”

“An Lizi scratched her head. “They left too quickly! Oh right, which floor did pingting live on?” ”

““B building, third floor,”ye Zao said. ”

“The two of them brought Zhao Pingting to B building, third floor of the inpatient department. ”

“The door of the ward was half-closed. From the crack of the door, one could see Zhao Pingting sitting on the bed with her hands hugging her knees. Her eyes were lifeless. It was obvious that she was immersed in her own world. ”

“Seeing Zhao pingting like this, an Lizi could not help but feel a lump in her throat. ”

Ye Zao knocked on the door.

It was not until a few seconds later that Zhao Pingting finally reacted. She turned to look at the door.  
“Come in.”

“An Lizi took a deep breath and held back her tears. Then, she smiled and pushed the door open. As usual, she said, “Pingting, we’re here to see you!” ”

“Zao Zao, Lizi!”

“Seeing ye Zhuo and an Lizi, Zhao Pingting’s eyes, which were originally dim, were now full of light.”

Ye Zhuo placed the sky full of stars in the vase on the cabinet and then opened the window to ventilate.

An Lizi handed the Gladiolus in her hand to Zhao Pingting. “Do You Smell Good?”

Zhao Pingting took a sniff and nodded with a smile. “Yes.”

“An lizi continued, “By the way, what did the Doctor Say? Are You Okay?”

“I’m fine, don’t worry.”

Ye Zhuo looked back slightly. “Shall we start blackmailing him?”

“Sure!” Zhao pingting nodded with a smile. At this moment, the three of them seemed to have returned to the past.

The past where nothing had happened!

“In a short while, the three of them had entered a heated game.”

“Pingting, hit him! Hit that short leg!”

“F \* ck! is that Milady Crazy?”

“The other side seems to know how to play this game! F \* ck! I’m Dead Again!”

“I’m Dead Too!”

“Ye Zao was controlling his phone with one hand, and he took a sip of water with the other. “Don’t panic, Daddy will avenge you.” ”

““Go, go, Go! Kill that Li Bai on the other side! He actually turned my blue just now!” ”

Ye Zao controlled the new hero Origin song and arrived at the opposite wild zone alone.

Li Bai was farming the wild zone.

Ye Zao directly used a skill to cut across. Li Bai did not have the time to use his ultimate skill before he was terminated just like that!

“Then, ye Zao came to the middle of the road and Yue ta killed the opponent’s Angela. ”

He killed both of them in a minute!

““F \* CK, Zao Zao, you’re Amazing!” ”

“The opponent must be furious!”

The three of them played a total of ten rounds of the ranking competition. An Lizi and Zhao Pingting followed behind ye Zhuoyou and won all the way.

“In the blink of an eye, it was evening. ”

Ye Zhuoyou looked at Zhao Pingting and an Lizi. “What do the two of you want to eat? I’ll go downstairs and buy some.”

“An Lizi said bluntly, “I want to eat the food from Yueyang restaurant.” ”

“Ye Zhuoyou nodded and continued, “What About You, Pingting?” ”

“Zhao pingting said, “I’ll do the same as Lizi.” ”

““Okay, I’ll go buy the food then. You two wait for me to come back.” ”

““Go on, Go On!”An Lizi waved her hand. ”

Ye Zhuo turned around and walked out of the door.

“At this moment, an Lizi seemed to have suddenly remembered something. “Zhuozhuo, wait a moment!” ”

“What’s Wrong?”Ye Zhuo looked back slightly.

“An lizi continued, “I still want to eat the fan pot next to Yueyang restaurant. Can you wrap a portion for me while you’re at it?” ”

“I’ll give it to you if you call me Daddy.”Ye Zao raised his eyebrows slightly.

“An Lizi hesitated for a moment, but in the end, she lost to the delicacies. “Daddy!” ”

“Wait.”

“Zhao pingting, who was at the side, laughed softly. “Zao Zao is really getting worse and worse!” ”

An Lizi nodded in agreement. "Who said so! He actually wants to be my daddy!"

"About an hour later, ye Zao walked in with the takeaway."

"Zao Zao, you're finally back. Ping Ting and I are starving to death!" "

Ye Zao placed the meal on the table. "I was delayed for a while when I packed the vermicelli pot. The business there was so good that I waited in line for 20 minutes."

"Chapter 1063: 234: the black-bellied Big Burn, who set who up? 6"

An Lizi couldn't wait to open the takeout and place it on the table. "Pingting! Come over and eat!"

"Coming!"

The three of them gathered around the table and ate.

The aroma of the food filled the entire room.

"After eating, an lizi cleaned up the rubbish and was about to send it downstairs. Just as she was about to leave, she saw Mother Zhao and Zhao Yingjun hurriedly walking towards the ward."

"Auntie! Brother Yingjun!"

"Lizi!" Mother Zhao jogged over when she saw an Lizi. "Lizi! Where's Pingting? Is Pingting Alright?"

"She's fine, she's fine. Don't worry, Auntie! Pingting is fine. Follow me quickly!" "

Mother Zhao and Zhao Yingjun heaved a sigh of relief when they heard that Zhao Pingting was fine.

“An Lizi brought the two of them to the ward. “Pingting, Look Who’s Here!” ”

“Zhao Pingting raised her head and saw two familiar voices. Her eyes instantly turned red. “Mom, Brother!”When she was locked in the basement, Zhao Pingting had thought that she wouldn’t be able to live, she would never see her parents and family again. Now that she saw Mother Zhao and Zhao Yingjun again, Zhao Pingting felt a sense of sadness. ”

“She was so close, so close that she wouldn’t be able to see them. ”

“Pingting!”Mother Zhao and Yingjun ran over and hugged her.

“When she heard the police say that Zhao Pingting’s disappearance might be related to the two recent serial murders in Beijing, mother Zhao felt as if she had died. She was really afraid that she would never see Zhao Pingting again. ”

“To be able to hug the living Zhao pingting like this, mother Zhao felt as if she was dreaming. ”

“”Mom, Brother!”Zhao Pingting cried bitterly. “I thought I would never see you guys again...” ”

“”Silly child, what nonsense are you talking about!” ”

The scene was especially moving. An Lizi couldn’t help but tear up when she saw this scene.

“After a while, the three of them gradually calmed down. Zhao pingting continued, “Mom, Where’s Dad?” ”

“Zhao Yingjun said, “Dad’s heart has been bad recently. Mom and I didn’t dare to tell him about this! He’s still in the Dark!” ”

“Hearing this, Zhao Pingting asked nervously, “Is dad okay?” ”

Zhao wiped her tears. “Your dad is fine. You Don’t have to worry!”

“After saying that, Zhao walked to ye Zao’s side and held his hands, she said with a stiff voice, “Zao Zao, I heard from the police that you were the first to notice Pingting’s disappearance. You were also the first to call the police. You were also the one who found the murderer’s hiding place. Zao Zao, Thank You!  
“You saved Pingting twice. I have no way to repay you. I will kneel down for You!” ”

“The murderer had already killed two people. If it wasn’t for Ye Zhuozhuo, she wouldn’t have been able to see such a complete an Lizi. ”

Not to mention kneeling down.

“Even if mother Zhao had to give her life to Ye Zhuozhuo, she would still be willing. ”

“Ye Zhuozhuo quickly helped mother Zhao up. “Aunt, you’re exaggerating! Not to mention that Pingting is my best friend, even if Pingting isn’t my friend, I won’t stand idly by when I see such a thing!” ”

“Mother Zhao hugged ye Zhuoyin and said in a raspy voice, “Zhuoyin, thank you! You Didn’t save Pingting alone, but our entire family!” ”

...

On the other side.

Zhao Xueyin had already stayed in the capital for more than a week.

“During this period of time, Zhao Xueyin had pretty much figured out ye Zhuoyin’s situation. ”

The most important thing now was to get close to Ye Zhuoyin.

Yes.

“She had to get close to Ye Zao, Gain Ye Zao’s Trust, and become his best friend. ”

She had to make ye Zao admit his defeat wholeheartedly!

Zhao Xueyin narrowed her eyes and had a plan in her heart.

“The next day, ye Zao went to the hospital to see Zhao Pingting as usual. ”

“Today was Sunday, and there were many patients in the hospital. In a hurry, Ye Zao was bumped by someone. ”

“”I’m sorry, I’m sorry. Are you okay? I didn’t do it on purpose!”The person who bumped into ye Zao quickly apologized to Ye Zao. ”

Ye Zao looked down and saw that the person who bumped into her was about twenty-five or twenty-six years old. She was pretty and had an extraordinary temperament. It was obvious that she came from an extraordinary background.

“While she was sizing up the other person, the other person was also sizing her up. ”

“Zhao Xueyin looked at ye Zao, and there was an obvious flash of surprise in her eyes. ”

“Most of the time, the image of a celebrity on television was much more beautiful than in real life. After all, the television had filters and beautiful faces. However, she did not expect that the person in front of her was actually more beautiful than on television! ”

Zhao Xueyin was a rare beauty to begin with. There were very few girls who would be amazed after seeing her.

Ye Zao was the first.

“Not only was she beautiful, but she was also full of talent. She was only twenty years old and already had a phd in science and technology.”

“Unfortunately, she was a girl.”

“If she were a man, she would definitely have great achievements!”

“Thinking of this, a regretful look flashed across Zhao Xueyin’s eyes.”

“Zhao Xueyin concealed the expression in her eyes and continued, “I really didn’t do it on purpose! Are You Alright?” Her attitude was very sincere, making it impossible for anyone to find anything wrong with her.”

“Ye Zao smiled slightly. “I’m fine.” After saying that, he turned around and left.”

Zhao Xueyin looked at ye Zao’s back and narrowed her eyes slightly. Ye Zao was much closer to her than she had imagined.

It seemed that it was only a matter of time before she became good friends with Ye Zao.

“At this moment, Zhao Xueyin’s phone rang.”

Zhao Xueyin picked up her phone and went to the inpatient department.

“In the evening, ye Zao went downstairs to buy food.”

Zhao Xueyin followed ye Zao neither too far nor too close.

She followed him all the way to Yueyang Building.

“Seeing ye Zao’s figure disappear into Yueyang building, Zhao Xueyin’s lips curled up.”

“She had followed ye Zhuo for such a long distance, yet ye Zhuo had not even noticed her. It was obvious how stupid ye Zhuo was!”

“If it was someone who was slightly more vigilant, they would have probably discovered her just by walking.”

Zhao Xueyin raised her hand to tidy her hair and also walked into Yueyang building. She deliberately walked to ye Zhuo’s side and pretended to be very surprised. “Aren’t you the young lady from this morning? You also came here to buy food?”

“Ye Zhuo did not seem to recognize her. “I’m sorry, but you are?” ”

“Zhao Xueyin continued, “I’m the girl who accidentally stepped on your shoes in the hospital lobby this morning! Do you still remember her?” ”

“Ye Zhuo nodded slightly and said with a smile, “So it’s you.” ”

““Yes, yes, yes, it’s me!”Zhao Xueyin continued, “Young Lady, do you have a friend who lives in the hospital too?” ”

“Yes.”

“Zhao Xueyin said, “I have a friend staying in the hospital too! I’m here to buy food for her. She loves to eat the food at Yueyang restaurant the most!” ”

Ye Zao's eyebrows remained the same. "My friend also likes the food at Yueyang restaurant."

"Really?" Zhao Xueyin said in surprise, "Then we are really fated! Little Sister, let's add each other on wechat?" "

"Sure." Ye Zhuo nodded slightly and took out his phone. "Shall I scan you?"

Zhao Xueyin did not expect to be able to add ye Zhuo's wechat so smoothly. She immediately adjusted the phone page to the QR code page. "Sure!"

Di!

Ye Zhuo put away his phone. "I added it. Take a look."

Zhao Xueyin accepted the friend request. "My surname is Zhao. My name is Zhao Xueyin. I'm Zhao Zilong's Zhao. I'm Snowflake's snow. I'm singing. What About You?"

"Ye Zao smiled and said, "Your name is very nice. I Am Ye Zao." "

"Run away and burn the flower. Your name is also nice," Zhao Xueyin said. "

::

Chapter 1064: 235: the descendants of the Ye family are back! 1

The young peach blossom was burning with splendor.

“Her name was just like this poem, stunning people.”

“Even Zhao Xueyin, the publicly recognized beauty of the financial world, felt inferior in front of ye Zao.”

Ye Zao smiled slightly and looked down at Zhao Xueyin. “Thank you.”

““You’re welcome. Your name is very nice to hear.” Zhao Xueyin continued, “By the way, are you a native of the capital city?” ”

“Sort of.” Ye Zhuo nodded slightly. “What About You?”

“Zhao Xueyin said, “I’m also a native of the capital. However, I don’t live here. I live at the capital’s Prosperity Center.” ”

The capital’s prosperity center belonged to the financial world.

Most of the people who lived there were financial families.

“Zhao Xueyin originally thought that when ye Zhuo heard about the capital’s prosperity center, his expression would more or less change. ”

“However, ye Zhuo’s expression remained indifferent. ”

Could it be that ye Langhua had not told ye Zhuo about the heir?

Zhao Xueyin creased her brows without leaving a trace.

“At this moment, the waiter’s voice sounded in the air. “Customer 0816, please come to the front desk to order.” ”

“Ye Zhuo lowered his eyes to look at the number plate in his hand, then looked at Zhao Xueyin. “I’ll go and order first.” ”

Zhao Xueyin nodded. “Go ahead. I’m number 0817. It should be my turn soon.”

Ye Zhuo went in to order. Zhao Xueyin looked at her back and narrowed her eyes. There was a glimmer in her eyes.

“About twenty minutes later, ye Zhuo walked out. Zhao Xueyin was already waiting outside the door with a packed lunch box. ”

“Ye Zao.” Zhao Xueyin immediately came over to greet him.

Ye Zao was a little surprised. “You haven’t left yet?”

“Zhao xueyin smiled and said, “I don’t have many friends here. It’s boring to walk alone. I just want to wait for you. Let’s chat while we walk.” ”

““Okay.” Ye Zao’s eyes remained the same. His tone was clear and shallow. “My Friend is in the inpatient department, Building B. What About You?” ”

“Zhao Xueyin followed ye Zao’s footsteps and said with a smile, “What a coincidence! My Friend is also in Ward B! Ye Zao, we are really fated!” ”

“We are indeed fated.” Ye Zao nodded slightly.

“The two of them walked side by side. Zhao Xueyin was slightly shorter than ye Zao. From her angle, she could just see her snow-white lower jaw, scarlet lips, and the gentle breeze.., zhao Xueyin could even smell the faint fragrance coming from her body. ”

Zhao Xueyin was a perfume lover. She had many top-tier collections of perfume in her house.

“However, this was the first time she smelled this fragrance.”

It was a very nice fragrance.

It was faintly discernible. It was a bit like the refreshing scent of snow water mixed with the faint fragrance of green bamboo. It made people feel relaxed and relaxed. They could not help but approach her.

“Zhao Xueyin could not help but raise her head and ask, “Ye Zao, what brand of perfume do you use?” ”

““I don’t use perfume,”ye Zao said.”

Don’t use perfume?

Zhao Xueyin’s expression changed slightly.

Where did the fragrance come from without perfume?

“She did not expect ye Zao to be so hypocritical, even though he looked quite calm and collected.”

“Without perfume, could it be that she could bring her own body fragrance?”

“However, Zhao Xueyin did not expose ye Zao. She continued, “Then it’s body fragrance! Ye Zao, you’re Amazing! Not only are you beautiful, but you also bring your own body fragrance! There must be a lot of people chasing after you, right?” ”

Which little girl did not like flattery?

“Ye Zao nodded slightly. “Holding hands, we can probably go around the earth three times.” ”

Zhao Xueyin was stunned. She did not understand what ye Zao meant. "What do you mean by go around the Earth three times?"

"The person who is chasing me," ye Zao said in a shallow tone. "

Zhao Xueyin:" ..."

He was really not modest!

He was indeed a little girl!

Who would be so narcissistic in a normal person?

"A moment later, Zhao Xueyin came back to her senses. She smiled and said, "You are so beautiful. Not to mention going around the earth three times, even going around the earth thirty times is normal!" "

"After saying that, Zhao Xueyin continued to ask, "Ye Zao, are you the only child in your family?" "

She was trying to see if ye Zao would lie to her.

"I have an older brother," ye Zao said. "

He was not lying.

Ye Zao answered practically all of her questions truthfully.

She had only known ye Zao for less than two hours.

Yet Ye Zao was so honest with her.

“This meant that although ye Zao had his own achievements in the technology industry, she was just an idiot in life!”

Who would be smart enough to treat a stranger like this?

“Thinking of this, Zhao Xueyin’s eyes were full of sarcasm.”

“Zhao Xue smiled and said, “You’re so good-looking. Your brother must be very handsome, right?””

Chapter 1065: 235: the descendants of the Ye family are back! 2

“Yes.”Ye Zhuo nodded slightly.

“Ye Zhuo continued to ask, “What about you? Do you have a brother?””

“Zhao Xueyin shook her head slightly, “I’m an only child, so I hope that I can have a brother or sister!””

“Ten minutes later, the two of them arrived at the inpatient department. Zhao Xueyin stopped in her tracks, “Ye Zhuo, my friend’s ward is over there. I’ll go over first! I’ll treat you to tea when I have time.””

“Okay.”Ye Zao nodded slightly.

“After parting ways with Zhao Xueyin, ye Zao brought some food to the ward.”

“An Lizi immediately came up to him and gossiped, “Zao Zao, who was that girl who went upstairs with you just now?””

“Ye Zao placed the food on the table. “We met when we were buying food. She has a friend who lives on the third floor, so we came up together.” ”

“OH.” An Lizi nodded. “I think she’s quite pretty.”

“She’s really not bad.” Ye Zao agreed.

“Zhao pingting came out of the bathroom. “Zao Zao, what are we having for lunch?” With Ye Zao and an Lizi accompanying her for the past few days, Zhao Pingting was in a much better mood. ”

“Ye Zao said, “We ordered a blood curd, then a silver fish soup, steamed eggs with clams, sour and spicy tofu, and a super hot pot pork with rice.” Actually, there was also an after-dinner dessert, however, an Lizi and Zhao Pingting were afraid of gaining weight, so they hardly ate desserts. Therefore, ye Zao always took care of all the after-dinner desserts. ”

“Zhao Pingting had already drunk a bowl of porridge in the morning. When she heard that there were so many delicious dishes, she couldn’t help but swallow her throat. “Then let’s eat quickly!” ”

“Ye Zao smiled and said, “You and Lizi eat first. I’m going to wash my hands.” ”

““Hurry up,” Zhao pingting continued, “We’ll wait for you to eat together.” ”

In another ward.

“Zhao Xueyin sat on the sofa and turned on her phone. Her phone screen displayed a wechat page. She had just added ye Zao as well. At this moment, Zhao Xueyin clicked on ye Zao’s profile page. ”

“Zhao Xueyin had originally thought that she could learn more about ye Zao through her moments. After all, young girls nowadays were especially sentimental. They moaned and moaned without any illness. No matter what happened, they liked to post on moments to attract the attention of others, ye Zao was certainly no exception. ”

“However, ye Zao’s wechat moments were actually empty. Not only was there not a single photo, but there was also no text content.”

Zhao Xueyin frowned slightly. It seemed that there was still some difference between ye Zao and an ordinary girl.

“However, it was normal when she thought about it.”

“If ye Zao was no different from an ordinary girl, how could she have such amazing achievements in the scientific and technological world?”

This was the so-called high IQ and low eq.

“After spending some time with ye Zhuo, in Zhao Xueyin’s eyes, Ye Zhuo was no different from a fool.”

“With her IQ, it would be too easy for others to lie to her.”

“Just as Zhao Xueyin was thinking, the door of the ward was pushed open.”

Creak —

The crisp sound of the door opening interrupted Zhao Xueyin’s train of thought. Zhao Xueyin turned around and saw a tall and long-legged lawyer walking in from outside.

“Xueyin.”

Zhao Xueyin hurriedly stood up from the sofa. “Big Brother Si! Why are you here?”

“The lawyer smiled and said, “Uncle is very worried about you, so he asked me to come over to take a look.” ”

Father Zhao would ask the lawyer to come over to see her?

“Zhao Xue smiled gently, but her smile did not reach her eyes. “My father probably doesn’t know that you’re here, right?” ”

“Although she was her father’s only daughter, the father-daughter relationship between them was not that strong.”

“Zhao Xueyin’s mother, Liu Qin, died during childbirth. Zhao Zhendong’s father, Zhao Zhendong, was unable to have children due to an error in surgery in his early years. This was also the real reason why Zhao Zhendong regretted that she was a girl but did not find someone to remarry and have children with.”

“People outside said that Zhao Zhendong was an infatuated child. After his late wife passed away, he did not find anyone else.”

Famous scholars in the academic world even wrote a poem to praise Zhao Zhendong.

“In fact, only Zhao Xueyin herself knew that it was not because Zhao Zhendong was very affectionate. He was very eager to remarry and have a son, but unfortunately... .. Zhao Zhendong was also powerless.”

“If Zhao Zhendong could have a son, she would definitely not be Zhao Zhendong’s only child, nor would she be groomed by Zhao Zhendong to be his successor.”

“To Zhao Zhendong’s biological father, she was just better than nothing!”

“Thinking of this, Zhao Xueyin’s eyes were filled with self-mockery.”

“Hearing this, an awkward expression flashed across Si Lui’s face, he continued, “You can see it! Actually, uncle still cares about you a lot. It’s just that uncle isn’t good at expressing himself. Don’t think

too much about it."As a bystander., and Zhao Xueyin's admirer, Si lui naturally hoped that the father and daughter could be well. "

Chapter 1066: 235: the descendants of the Ye family are back! 3

The lawyer knew about Zhao Zhendong's hidden illness. Zhao Zhendong would never have a child of his own in this lifetime. Zhao Xueyin was his only child. They should have kept each other warm in the past. There should not be any estrangement between them.

"Zhao Xueyin looked out of the window. There was no expression in her eyes. Her tone was somewhat sorrowful. "Big Brother Si, why do you think I'm not a boy?"She was deeply influenced by Father Zhao, this was not the first time Zhao Xueyin hated her own background. "

"The lawyer knew Zhao Xueyin's heart knot. He patted her shoulder. "Xueyin, don't think like that, and don't underestimate yourself! In My Eyes, you're a very outstanding girl. You Don't lose to any man." "

"Zhao Xueyin smiled and turned to look at the lawyer. She regained her shrewd and capable look. "Alright, let's not talk about this anymore! How's The Consortium? Did Anything Happen?"Zhao Xueyin trusted the lawyer very much, after leaving the consortium, other than the necessary video conference, she left everything else to Si Lu. "

"Everything is fine with the consortium. You Don't have to worry."Si Lu said.

""That's good."Zhao xueyin nodded and continued, "By the way, Big Brother Si, I've already met ye Zao." "

"How is it?"Si Lu asked.

Si Lu had only sent people to investigate ye Zao's information. He had never really interacted with ye Zao.

“Zhao Xueyin narrowed her eyes. “Ye Zhuo isn’t as smart as I thought. Perhaps... you’re right, I overestimated her.” ”

“Si lui smiled. “I’ve already said it. You Don’t have to take her to heart. If she’s intelligent, she’ll definitely be hurt. Her fate will only be worse than ye Langhua’s!” Ye Zhuo, this granddaughter of his, would definitely surpass her! ”

This was also the reason why si lui had never taken ye Zhuo seriously.

“Zhao Xueyin nodded. “Brother Si, you’re right.” ”

“”Now that we’ve met her, when do you plan to go back?”Si lui continued to ask. ”

“”Let’s Wait a little longer.”Zhao Xueyin thought for a while, “I still want to know more about ye Zao. No matter what happens to ye Zao, she’s still ye Langhua’s granddaughter. Also, I’m a little worried that ye Langhua will suddenly change her mind and let Lin Ze take over the consortium.” ”

“Zhao Zhendong had a very serious preference for sons over daughters. If ye Langhua really let Lin Ze take over the Shunxi Consortium, Zhao Zhendong would lose a lot of momentum. ”

“Thinking of this, Zhao Xueyin was regretting why she wasn’t a man! ”

“If she was a man, she wouldn’t have to care about these problems, and she wouldn’t have to worry about who she would lose to! ”

Why?

Why was this so?

“Every time she thought of this question, Zhao Xueyin felt so uncomfortable that she couldn’t breathe. ”

Zhao Xueyin tried her best to calm herself down.

“Seeing Zhao Xueyin like this, the lawyer poured Zhao Xueyin a glass of water, he comforted her gently, “Xueyin, don’t put too much pressure on yourself!” Putting aside whether ye Langhua would let Lin Ze take over the position of grandfather Ye, even if Lin Ze did take over the position of grandfather Ye, what could he do? Everyone was aware of your talent. Moreover, you grew up under the watchful eyes of the partners. would everyone support a young boy who didn’t know anything? “Lin Ze is only 20 years old. Other than ye Zao’s small achievements in the technology industry, Lin Ze isn’t even worth mentioning! “He’s not even a hair in front of you!” ”

“At this point, Si lui paused and continued, “If ye Langhua really lets Lin ze take over the position of Old Master Ye, it might be a good thing for you.” ”

“What do you mean?”Zhao Xueyin raised her head to look at Si lui.

“Si lui continued, “Didn’t uncle always think that you’re not as good as boys? Then you can prove to uncle that you’re better than Lin Ze! Even if there were ten Lin Ze, they wouldn’t be as good as you! Even if ye Langhua has a pair of granddaughters, they wouldn’t be as good as you alone!” ”

Si Lui and Zhao Xueyin had known each other for many years.

“In his eyes, Zhao Xueyin was a very outstanding person. ”

“However, Zhao Xueyin often felt inferior and suspicious because of her gender. ”

Si lui really felt sorry for her.

“Hearing this, Zhao Xueyin seemed to find some comfort. She looked up at si lui and said, “Brother Si, thank you for comforting me.” ”

““I’m not comforting you. I’m telling the truth,”Si lui continued, “The times have changed long ago. Men and women have long been equal. Xueyin, I hope you can face yourself and see your own strengths.” ”

Chapter 1067: 235: the descendants of the Ye family are back! 4

Zhao Xueyin looked at the lawyer and nodded seriously.

...

Three days passed in the blink of an eye.

Zhao Pingting was officially discharged from the hospital.

Ye Zhuo and an Lizi came to fetch Zhao pingting out of the hospital.

“Ye Zhuo handed the flowers in his hand to Zhao Pingting. “Pingting, Congratulations on being discharged!” ”

“”Thank you!”Zhao Pingting took the flowers and hugged ye Zhuo. She whispered in her ear, “Zhuozhuo, thank you. You gave me two chances to be reborn.” ”

“If it wasn’t for ye Zao, she would probably be a pile of ashes by now. ”

“Whenever she saw ye Zao, her life would be filled with light and brightness! ”

“Unknowingly, Ye Zao had become the guiding light in her life. ”

“Ye Zao patted Zhao Pingting’s back. “The three of us are friends, best friends.”In her previous life, Ye Zao was busy with scientific research and had never made a true friend. While Zhao Pingting thanked her, she also thanked Zhao Pingting, she was also very grateful to Zhao Pingting. ”

“Okay.”Zhao pingting nodded.

“A moment later, Zhao Pingting let go of Ye Zao and hugged an Lizi. ”

“An lizi smiled and said, “Okay, okay, stop being so pretentious! Have you packed your things?” ”

Zhao Pingting sniffled. “My mom and the others were almost done packing last night.”

“An lizi continued to ask, “Are you really going back to Yunjing? Aren’t you going to stay in the capital for a few more days?” ”

“As the winter vacation was about to begin, Zhao Pingting decided to apply for leave from school and study at home. She would come back to school after the winter vacation. She could take advantage of this period of time to get along with her family. ”

“Zhao Pingting shook her head, “I’ve already talked to the school counselor and bought the plane tickets! We’ll see each other again when school starts! Don’t worry, when we get to yunjing, I’ll send out more home videos and photos to ease your homesickness.” ”

“”Okay!” An lizi continued, “We might go back to Yunjing for the New Year this year, and we’ll visit you at Your House!” ”

“Mother Zhao and Zhao Yingjun walked in from outside. “The formalities have been settled. Pingting, let’s go.” ”

“Okay.”Zhao pingting nodded.

Mother Zhao and Zhao Yingjun carried their things and walked out.

Ye Zhuo went to the parking lot in advance to drive.

“Because there were quite a lot of people in the past few days, ye Zao drove the Lincoln Limousine.”

“Lin Jincheng originally wanted the driver to follow them, but ye Zao felt that the driver was troublesome, so he didn’t let the driver follow them.”

“When Zhao Pingting and the others arrived at the hospital, the car was already parked in front of them.”

“Mother Zhao said very embarrassedly, “Zao Zao, Pingting has already troubled you and Lizi for the past few days. Why would she trouble you to send us to the airport?” ”

“”Aunty, Ping Ting and we are best friends. You are being too polite!”Ye Zha said. ”

“An Lizi nodded with a smile. “Aunty, Zha Zha Zha is right! Hurry up and get on the car! The traffic in the capital is heavy. Don’t miss your flight later!” ”

Zhao Yingjun’s mother then got into the car.

“It was Zhao Yingjun’s first time sitting in such a luxurious car. He felt that it was very novel. He looked at Ye Zha and said in embarrassment, “Zha Zha Zha, can I take a few photos?” ”

All men liked cars.

Zhao Yingjun was no exception.

“”Yes,”ye Zao continued, “By the way, there is a switch next to the left seat. That is the switch for the car refrigerator. There are fruits and drinks in the refrigerator.” ”

An Lizi immediately demonstrated to Zhao Yingjun.

Zhao Yingjun was very surprised. He had never known about the car refrigerator before. It seemed that luxury cars were different. He immediately took photos with his phone.

“Oh right, brother Yingjun, there’s a blanket over here.” An Lizi opened the locker in the middle.”

“Within a few minutes, Zhao Yingjun had a rough idea of the interior structure of the car.”

“However, what surprised Zhao Yingjun even more was ye Zao’s driving skills.”

“It was common knowledge that super-long cars were difficult to control, so they would slow down when turning and overtaking.”

“But on the way, not only did ye Zao not slow down, he was speeding instead. He was extremely agile!”

“If they had not seen it with their own eyes, who would believe that a little girl would have such good driving skills?”

She could actually drive the extended Lincoln so well!

Even an experienced driver like Zhao Yingjun would not be able to do it.

“Half an hour later, the car stopped at the parking garage at the bottom of the airport.”

Ye Zhuo and an Lizi got out of the car and sent Zhao Pingting and the others to the boarding gate.

“Ye Zhuo said, “Auntie, brother Yingjun, Pingting, I wish you a safe journey! Pingting, don’t forget to send a message to Lizi and me to tell us that you’re safe when you get home!” ”

“Zhao pingting smiled and said, “Don’t worry! I Won’t forget.” ”

Chapter 1068: 235: the descendants of the Ye family are back! 5

“After sending Zhao Pingting off, Ye Zhuo received a wechat message as soon as he walked out of the airport lobby.”

It was from Zhao Xueyin.

[ are you free to have a meal together tomorrow? ]

“Ye Zhuo pondered for a moment before replying, [ sure. ] ”

“On the other end of the screen, Zhao Xueyin’s lips curled up. [ then let’s meet tomorrow at 11:30 a.m. at Hibiscus Moonlight Restaurant, shall we? ] ”

[ yes. ]

“Seeing Zhao Xueyin’s face full of joy, the lawyer asked, “How was it? Did Ye Zhuo agree?” ”

““Yes.”Zhao xueyin nodded and continued, “Tell Little Zhang to prepare well.” ”

““Don’t worry, I know.” ”

“Zhao Xueyin was still a little worried and continued, “Big Brother Si, can I trouble you to call Little Zhang over?” ”

“Sure.”Si lui nodded.

On the other side.

Ye Zhuo sent an Lizi to the villa and went home.

“When she went back, Ye Langhua was watering the flowers in the yard.”

“Grandma.” Ye Zhuo walked over and called out.

Ye Langhua turned her head slightly. “Zhuo Zhuo is back.”

“Mm.” Ye Zhuo nodded slightly.

“Ye Langhua put down the kettle and continued, “Zhuo Zhuo, I have something to tell you. Do you have time?” ”

“Yes.” Ye Zha followed ye Langhua’s footsteps.

The grandfather and grandson arrived at the study on the second floor.

“Ye Langhua found a yellowed book on the bookshelf and handed it to Ye Zha. “Zha Zha, open it and have a look.” ”

Ye Zha flipped to the first page.

“At the bottom right of the first page, there was a beautiful line of line-by-line book written on the back of the paper!”

How could it be perfect? I just want to have a clear conscience.

“From this, it could be seen that the owner of the book was also a straightforward person with a clear conscience.”

“Ye Zhuo flipped to another page, and on the second page, there was a photo.”

“The old man in the photo had already turned white, and in his arms was a girl with two braids.”

“Ye Langhua slowly opened her mouth, “The person in the photo is my father, also known as your great-grandfather. The Girl in his arms is your mother! “That day was your mother’s second birthday. Your mother was my only daughter and your grandfather liked her very much. He held her in his hands for fear that she would fall, so he kept her in his mouth for fear that she would melt... “Unfortunately, it’s hard to guard against thieves. No one would have thought that Xi Muwen, his biological father, would lay his hands on your mother “... “...” ”

Ye Langhua sank into painful memories again.

““Your great-grandfather was a very strong man. He spent his whole life and effort to establish the Shunxi Financial Group. But his hard work was now taken by others! If he was still here, the Shunxi Financial Group wouldn’t have become like this... “... ...” ”

“At this point, ye Langhua slowly got to the main topic. She turned to look at ye Zhuo and said, “Zhuozhuo, if Grandma said that she wants you to become your grandfather’s successor and join the Shunxi Financial Group, would you agree to it?” ”

“Ye Zao raised his eyebrows and continued, “You said that other than Grandpa, the three founders of the Shunxi Financial Group are the Zhang family and the Zhao family, right?” ”

““Yes.”Ye Langhua nodded, “Elder Zhang followed your great-grandfather all the way here. He is a trustworthy person!”! “Now, the Zhao family is the one who has a change of heart. Currently, the Zhao family is the sole leader of the Shunxi Financial Group. Not only does Zhao Zhendong want to drive the Zhang and ye families out of the financial group, but he also wants to promote to an aristocratic family!” ”

Ye Zhuo’s expression was indifferent.

“Ye langhua continued, “So, Zhuozhuo, can you promise Grandma?” ”

“If it was a week ago, Ye Zhuo would definitely reject ye Langhua without hesitation. After all, she was quite busy right now, and there was still the aerospace undertaking waiting for her to complete. ”

“But now, she wouldn’t. ”

“After all, some people were already impatient to find her. ”

Ye Zao was afraid of everything.

He was not afraid of trouble!

“”Okay, I promise you.”Ye Zao nodded slightly. ”

“Really?”Ye Langhua did not expect ye Zao to agree so quickly.

“Yes.”

“Ye Langhua held ye Zao’s hand excitedly. “Zao, Thank You! Thank you! I thank you on behalf of your great-grandfather! and thank you on behalf of elder Zhang!” ”

“Ye Zao continued, “But you have to give me a few days. I have other things to take care of.” ”

“”No Problem!”Ye langhua continued, “Take as much time as you want.” ”

“”Don’t worry, it won’t take too long.” ”

“After chatting with Ye Zao, Ye Langhua quickly told the good news to elder Zhang. ”

“When elder Zhang heard the news, he was also very happy. He immediately called Cao Feng, “Cao Feng! Zhuozhuo has agreed to join the Shunxi Consortium. Quickly arrange it. I want to arrange the grandest welcoming banquet for Zhuozhuo! Let everyone know that the descendants of the old ye family have returned!” ”

Chapter 1069: 235: the descendants of the Ye family are back! 6

“Is it really elder Zhang?”Cao Wei was also very incredulous.

“It’s true!”

“Then I’ll make the arrangements right away.”

On the other side.

Zhao Xueyin was sitting in front of the computer desk looking at the stock market situation.

“At this moment, there was a knock on the door. ”

“Come in.”

“The next second, the person outside pushed open the door. Zhao Xueyin looked up and saw Si lui walking in from the outside. Behind him was a handsome young hunk who walked to the middle school campus, the kind that could make all the students scream. ”

“Big Brother Si.”Zhao Xueyin stood up from her chair. “Little Zhang.”

“Little Zhang smiled and greeted, “Sister Xueyin, I heard from Big Brother Si that you have something to tell me personally.” ”

“Yes.” Zhao Xueyin nodded slightly. “You guys take a seat first. I’ll go pour some tea.”

“Si lui was about to say that there was no need to trouble her, but Zhao Xueyin had already walked over to make tea.”

“In a flash, Zhao Xueyin brought the tea over to the two of them.”

“Little Zhang took a sip of the tea. “Sister Xueyin, I’ve already drunk this tea. Now, you can at least tell me why you called me over, right?” ”

“It’s a good thing.” Zhao Xueyin smiled.

“What Good Thing?” Little Zhang asked.

“Zhao Xueyin continued, “I’ll introduce you to a girlfriend first.” ”

“Little Zhang said, “Sister Xueyin, I appreciate your kindness, but I already have a girlfriend now.” ”

“”Are you sure you don’t want it?” Zhao Xueyin continued, “The girlfriend I’m introducing you to is very beautiful. She can be said to be peerless in the world.” ”

“”Really?” Zhang Peng was born well. When he was in school, there were already a lot of girls lining up to chase after him. He could be considered to have seen countless women. What kind of beauty had he not seen before? ”

But he had never seen a beauty in the human world.

Especially when the word “Beauty in the human world” came out of Zhao Xueyin’s mouth.

“After all, Zhao Xueyin was a great beauty herself. ”

How beautiful was a person who could make Zhao Xueyin say that she was a beauty in the human world?

“Zhao xueyin smiled and said, “Little Zhang, when did I lie to You?” ”

““Sister Xueyin, are you serious?”Zhang Peng was in disbelief. ”

“Zhao Xueyin nodded. “If I wasn’t serious, I wouldn’t have asked Big Brother Si to call you here! If you don’t believe me, Big Brother Si can also testify that he knows that girl.” ”

“Zhang Peng turned to look at Si Lui, who nodded seriously. “Your sister Xueyin didn’t lie to you! The other party is indeed extremely beautiful, but I can’t guarantee that you’ll be able to woo her!” ”

“As soon as he said that, Zhang Peng immediately patted his chest and said, “Big Brother Si, look at what you’re saying. When have I, Zhang Peng, ever failed to get a girl? Not only did I not fail, but I could even make the other party chase me!” ”

“Really?”Si Lu pretended to not believe him.

““Of course it’s true!”Zhang Peng continued, “But the premise is that the other party is really as beautiful as you say, or else it won’t work!” ”

“Don’t worry.”Si lui patted Zhang Peng’s shoulder.

Si Lui and Zhao Xueyin chose Zhang Peng because Zhang Peng had an exquisite face.

“Back then, ye Langhua was trapped by love and didn’t hesitate to chase after Mu Wen. ”

The current ye Zhuo would definitely not be better than the ye Langhua of the past!

“In the blink of an eye, it was the second day.”

Ye Zhuo arrived at Hibiscus moonlight as promised.

“She had always been a punctual person. She would not arrive early or late. At 11:30 am, she appeared at the door of Hibiscus moonlight on time.”

Zhao Xueyin looked at the door and immediately sat up straight. “She’s Here!”

“Which one is ye Zhuo?” Zhang Peng narrowed his eyes. “The one wearing white clothes?”

“Zhao Xueyin nodded. “Yes, that’s her.” ”

“Zhang Peng’s eyes were filled with disgust. “No Way, Sister Xueyin! How can she be called a peerless beauty just like that?” He even wondered if Zhao Xueyin was blind! ”

“Not only was the girl they were walking towards right now extremely tanned, she was also fat and ugly, and she was big and burly! ”

How could she be considered a peerless beauty in the world?

““Ye Zao, this way.” Zhao Xueyin waved at ye Zao. ”

“At this moment, a slender figure walked out from behind the girl in front of her. ”

“If one had to describe her in a poem, it would be: ”

“Only the peony was truly a national beauty. When the flowers bloomed, they would move the capital. ”

“After seeing her appearance clearly, Zhang Peng was stunned.”

“Chapter 1070: 236: great burning hands to educate Zhao Xueyin, this woman is too fierce! 1”

Zhang Peng originally thought that the five big and three fat man walking in front of Ye Zhuo was ye Zhuo.

“Unexpectedly, the real ye Zhuo was completely concealed by the Fat Man’s body.”

“She just walked there. The white light of the restaurant was on her body. At this time, it was floating outside. A snowflake landed mischievously on her hair. At this time, it had not melted yet, adding a bit of luxury to her national color face.”

“Beautiful, beautiful, beautiful. Such ordinary words could not describe her beauty.”

“Zhang Peng had seen many beautiful women, but this was the first time Zhang Peng had seen someone like Ye Zhuo.”

“Zhao Xueyin pushed Zhang Peng without leaving a trace. Then, she looked at Ye Zhuo. “Ye Zhuo, you’re here.” ”

Ye Zhuo nodded slightly. Zhang Peng also reacted at this moment. He immediately retracted his gaze and sat up straight.

“Zhao Xueyin continued, “Ye Zao, let me introduce you. This is my good friend, Zhang Peng. He just happened to be free today, so he came with me. You Don’t mind, right?” ”

“I don’t mind.”Ye Zao’s tone was indifferent.

“Zhao Xueyin smiled and looked at Zhang Peng. “Zhang Peng, this is Ye Zao. The leaves of the leaves burn brightly.” ”

“Zhang Peng immediately stretched out his hand towards ye Zao. “Hello, Miss Ye. I’m Zhang Peng.” ”

Ye Zhuo extended his hand to shake his hand.

“Zhao Xueyin’s gaze silently moved between Ye Zhuo and Zhang Peng. “Alright, let’s quickly sit down! Zhuozhuo, what do you like to eat? You order the dishes.” ”

“Thank you.”Ye Zhuo took the menu and ordered a few dishes.

Zhang Peng sat opposite ye Zhuo and appeared particularly nervous. His hands were crossed and he completely lost his usual calmness as he loitered among the flowers.

“Zhao Xueyin looked at Zhang Peng and narrowed her eyes. She smiled and said, “Ye Zao, last time I heard you say that you are a student of Beijing University.” ”

The reason she invited Zhang Peng over was because she liked Zhang Peng’s flirting skills and his looks.

She did not expect Zhang Peng to be as nervous as a quail in front of ye Zao. He did not even have the courage to raise his head to look at Ye Zao.

Trash!

Zhao Xueyin’s eyes were filled with disappointment.

“Yes.”Ye Zao nodded slightly.

“Zhao Xueyin turned to look at Zhang Peng and said with a smile, “What a coincidence! I remember that Zhang Peng also studied at a university in the capital for a period of time as an exchange student?” ”

““Yes, yes, yes!”Zhang Peng also reacted at this time. “In that case, Miss Ye and I are schoolmates! What year is Miss Ye in this year?” ”

“Sophomore year.”Ye Zao’s tone was indifferent.

““OH.”Facing ye Zao, the usually eloquent Zhang Peng actually couldn’t say a single dirty word. ”

“Actually, this wasn’t Zhang Peng’s fault at all. It was only ye Zao’s aura that was too strong. ”

Zhao Xueyin creased her brows without leaving a trace.

“In a short while, the dishes were served. ”

Zhao Xueyin and Zhang Peng were like chewing wax. Only ye Zao was eating very happily.

“In her life, only food and time could not be let down. ”

“Zhao Xueyin stood up and said, “Ye Zhuo, you eat first. I’m going to the washroom.” ”

“Go ahead.”Ye Zhuo’s voice was shallow.

“Knowing that Zhao Xueyin had something to say to him, Zhang Peng stood up as well. “Miss Ye, I’m going to the washroom too.” ”

“Okay.”

“Sure enough, just as Zhang Peng walked to the door of the washroom, he saw Zhao Xueyin standing there waiting for him. ”

“Sister Xueyin.”

“Zhao Xueyin’s expression was a little ugly. “Little Zhang, what’s wrong with you? I see that you’re usually quite smart. Why are you always dropping the ball today?” ”

“Zhang Peng scratched his head. “Sister Xueyin, that Ye Zhuo’s aura is too strong. I Can’t hold it in at all!”Not only could he not hold it in, Zhang Pengyu was also a little afraid. When he saw ye Zhuo’s eyes, he could not help but feel inferior... ”

“Zhao Xueyin said, “Isn’t she just a little girl? What can’t you hold it in?” ”

Zhang Peng Sighed.

“Zhao Xueyin looked at Zhang Peng and continued, “Do you know ye Langhua?” ”

“Zhang Peng first shook his head, then quickly nodded. “I know!” ”

“Zhao Xueyin said, “Ye Zhuo is ye Langhua’s granddaughter!” ”

“When he heard this, Zhang Peng looked at Zhao Xueyin in surprise. ”

“Zhao Xueyin narrowed her eyes. “Xi Muwen is just a poor kid from the countryside. He can even handle the daughter of a rich family, ye Langhua. Are you afraid that you won’t be able to handle Ye Zhuo?”Zhao Xueyin paused, then, she continued, “I was kind enough to introduce ye Zhuo to you. If you think that you can’t handle her, then I’ll have to find someone else!” ”

“Back then, Xi Muwen was still no match for the current Zhang Peng! ”
