Chapter 1091: 240: How could she be worthy of her? She would become a joke in the entire financial world! 5

Zhao Xueyin nodded. "I know."

"Father Zhao lit a cigarette. "Take what I said to heart. Alright, it's getting late. You should go upstairs and rest first." "

"Then I'll go first." Zhao Xueyin tucked the hair on her forehead behind her ears. "You should rest early too."

On the other side.

Si lui drove the car slowly on the busy road.

"At this moment, his phone suddenly rang. "

"Si lui picked up the phone and answered, "Hello." "

"Eldest young master." A respectful voice came from the other end of the phone.

"Speak." Si lui put out the cigarette in the ashtray impatiently, his eyes filled with annoyance. "

"The other side continued, "Young Master, today is LABA Festival. The old master has been waiting for you at home for a long time..." "

“Waiting for me?” Si Lui’s lips curled into a mocking expression. “Isn’t he already in love with Jin Rujiu?”

“Young master, there is no overnight feud between father and son. Why are you doing this?” At the end of his sentence, the man sighed deeply. ”

“Si Lui’s expression didn’t change much. “Uncle Fu, is there anything else? If there’s nothing else, I’ll hang up first.” ”

“Don’t hang up, don’t Hang Up!” Uncle Fu hurriedly said, “Young master, don’t Hang Up First!” ”

“Is there anything else?” Si lui asked.

“Uncle Fu didn’t speak immediately. After a while, he said, “Young master, master has asked someone to investigate. Miss Zhao of the Shunxi Financial Group doesn’t have you in her heart! The person she wants to marry is the fifth master of the HK Financial Group. You Won’t be able to wait for the result. Come back! The old master is still waiting for you to take the lead. The Jin family needs you, and the financial group needs you even more!” ”

“You sent people to investigate her?” The lawyer’s voice instantly turned cold.

Zhao Xueyin was the lawyer’s bottom line.

He wouldn’t allow anyone to hurt Zhao Xueyin!

“Uncle Fu quickly explained, “Young master, don’t misunderstand. Master only sent someone to secretly visit her. He didn’t do anything to Miss Zhao!” ”

“Uncle Fu paused, then, he said, “There are plenty of fish in the sea! Why Do you love a single flower! There are many people in this world who are more outstanding than Miss Zhao. Since Miss Zhao doesn’t like you, it’s a waste of time for you to stay in the Shunxi Financial Group. It’s better for you to come back earlier... .. ”

Si lui tried his best to control the anger in his heart. "I know better than you what kind of person Xueyin is and who she has in her heart!"

Saying that Zhao Xueyin wanted to marry master five of HK?

It was impossible!

"He and Zhao Xueyin had been together for so many years, and no one knew Zhao Xueyin better than him. Zhao Xueyin had never been a vain person. "

There was also Zhao Zhenfei.

"He was not related to Zhao Zhenfei by blood, but Zhao Zhenfei treated him better than his biological father! "

He saw all of this.

""Eldest young master,"uncle Fu's voice was a little weak, "This is the result of Master's personal investigation. He is your biological father, and he will not harm you. Please believe him just this once..."

"Enough! Don't say anymore!"Si Lui's voice was close to an angry roar.

Uncle Fu on the other end of the phone immediately shut up.

"Si lui continued, "Uncle Fu, please tell the old man that I won't believe a single word he says now! It's even more impossible for him to sow discord in front of me! Didn't he not want me to be with Zhao Xueyin? Then I must be with Zhao Xueyin! Not only do I want to be with Zhao Xueyin, I also want to become the son-in-law of the Zhao family!" "

"After saying this, Si Lu hung up the phone. "

“After hanging up, Si Lu opened the car window and took a deep breath. He tried his best to calm himself down. Zhao Xueyin had told him to drive properly.”

He could not let his emotions affect his decision.

...

On the other end of the phone.

Uncle Fu looked at Old Master Jin who was standing at the side. He did not know how to speak. “Old...”

“Old Master Jin raised his hand and said calmly, “I heard everything.” ”

He wasn’t deaf. He heard everything that was said on the other end of the phone.

“Uncle fu comforted him, “Old Master, don’t worry too much. Maybe the eldest young master was just angry for a moment. He can’t really go to the Zhao family to become a son-in-law!” ”

Son-in-law!

It was impossible.

“Now, only the lawyer was left in the Jin family. Even if the lawyer wanted to go, Old Master Jin had a hundred ways to stop him. ”

Old Master Jin seemed to read Uncle Fu’s mind. “Do you think I have a way to stop him?”

Uncle Fu nodded.

“Old Master Jin laughed, “If he is determined to become a son-in-law, I really have no way! If I had a way, I wouldn’t be so passive like now!” ”

Chapter 1092: 240: How could he be worthy of her? He would become the laughingstock of the entire financial world! 6

“”Then, then what should we do?”Uncle Fu said anxiously, “We can’t really let the eldest young master become the son-in-law of the Zhao family, right?” ”

“Hearing this, Old Master Jin didn’t get angry. Instead, he laughed, “Son-in-law of the Zhao family? If he wants to become the son-in-law of the Zhao family, people might not even like him! Do you really think that the Zhao family is so easy to enter? He thinks too highly of himself!”Without the status of the eldest young master of the Jin family, the lawyer was just a worker who wanted nothing. ”

How could Zhao Xueyin take a fancy to him?

It was simply a fantasy!

“Uncle Fu was stunned. “But from what I see, Zhao Zhenfei seems to be quite satisfied with eldest young master... Miss Zhao treats eldest young master quite well too.” ”

“”Satisfied?”Old Master Jin sneered, “With that Old Fox Zhao zhenfei, how could I not understand him? He treats Ruyu like a chess piece that he can manipulate at will! And that Zhao Xueyin, her heart is as high as the sky, and her life is as thin as paper! In her heart, Ruyu is a worker for their Zhao family! Ruyu doesn’t even have the right to carry her shoes! It’s also because Ruyu can’t see her true face clearly!” ”

Old Master Jin saw all of this.

Unfortunately.

The lawyer didn't believe him.

"Y-you're telling the truth?" Uncle Fu gulped.

"Old Master Jin looked at Uncle Fu. "Why? Don't tell me you're like Ruyu, thinking that I'm trying to sow discord? Sow discord between him and Zhao Xueyin?" "

Uncle Fu didn't say anything.

"In fact, he really thought so. "

"All these years, Old Master Jin had thought of many ways to get the lawyer to come back. "

Uncle Fu thought that it was old master Jin's doing this time.

He didn't expect...

"Seeing uncle Fu like this, old master Jin sighed, "Ruyu is my son! A Tiger doesn't eat its own son, let alone a human? If he and Zhao Xueyin really love each other, I'll accept it even if it's the other way around!" "

"Seeing that old master Jin didn't seem like he was going against his words, uncle Fu quickly picked up his phone, "Then I'll call eldest young master again! I Can't let eldest young master waste his time in the Zhao family!" "

The Zhao family was obviously using the lawyer as a backup!

""Forget it, forget it," old master Jin continued, "He doesn't believe us. No matter how many times you call him, it's useless! "Ruyu, that child, has an extreme personality. She Won't turn back until she hits a wall! "However, this is also my fault. If I hadn't chilled his heart, he wouldn't have become like this!" "

“When he said the last sentence, Old Master Jin sighed deeply. ”

“In the past, he never knew what it felt like to regret what he had done. ”

Now.

He lived every day in regret.

Uncle Fu wanted to say something but hesitated. He didn't know how to comfort Old Master Jin.

After all.

It was indeed Old Master Jin's fault for what had happened in the past.

“After some thought, uncle fu continued, “It's better to call him! What if the young master listens this time?” ”

Old Master Jin nodded.

Uncle Fu dialed the number.

“One second, two seconds... .. until uncle Fu thought that Si lui was going to answer the call, but there was a busy tone on the other end of the line. ”

It was very obvious.

Si lui immediately cut off the call.

“Uncle Fu called again, but the line was cut off again. ”

Old Master Jin's eyes dimmed and he turned to look outside. "It's getting late. You should rest early."

"Uncle Fu looked at the phone that had been hung up and explained on Si lui's behalf, "Master, don't think too much. Perhaps eldest young master is busy right now." "

Old Master Jin waved his hand and turned around to leave. "Go and rest."

Uncle Fu bowed to Old Master Jin's back. "You should rest early too."

...

The next day arrived in the blink of an eye.

In the top-floor office of the Shunxi Financial Group.

"Zhao Xueyin sat behind her desk and looked up at Si lui. "Brother Si, Ye Zhuo is coming soon. Tell me, where do you want to arrange for her?" "

Si lui was a person with real talent.

"Every time he encountered a major event, Zhao Xueyin would ask for his opinion so that he would not take detours. "

"Si lui flipped through a page of the document in front of him, "Ye Zhuo is different from that Xi Weiyue. When it comes to people like Xi Weiyue, we can arrange for her to be at the lowest level, but not ye Zhuo. After all, Ye Zhuo is ye Langhua's granddaughter! Her job is passable on the surface!" "

""If she can't be at the lowest level, then can we only arrange for her to be at the higher level?"Zhao Xueyin asked. "

“Yes.”

“Zhao Xueyin frowned slightly, “You said it yourself, Ye Zhuo is ye Langhua’s granddaughter after all. We’re related by blood. In addition, there are many old man Ye’s subordinates in the consortium. If we arrange for ye Zhuo to be at the higher level, will it affect us?” ”

“Of course.” Si lui smiled.

““Since there is, why do you want me to arrange for her to be in a high position?” ”

“Si lui smiled and said, “It’s good to have an influence.” ”

“What do you mean?” Zhao Xueyin did not understand Si lui’s words.

“Si lui continued, “What do you think of Ye Zao’s ability?” ”

Zhao Xueyin did not say anything.

“Si lui said, “Ye Zao may have had very high achievements in the scientific and technological world! But this is the financial world. How much does a scientific researcher know about finance?” ”

The circle was different. How could they blend in?

Ye Zhuo was not omnipotent!

She could control technology with her left hand and understand finance with her right hand?

Zhao Xueyin instantly understood the meaning behind the lawyer's words. "Are you trying to make her back down?"

"Yes." The lawyer nodded, "Even if she backs down, those old shareholders are not fools. They are not stupid enough to support a person who has no business talent! "If we let ye Zhuo take the position of the chief operating officer, can our consortium still see the future? "Since we can't see the future, of course we should stop the losses in time!" "

"Businessmen only talked about money, not feelings. "

"The lawyer not only wanted ye Zhuo to retreat in the face of difficulties, but also wanted her to become a joke in the financial world. "

"Zhao Xueyin looked at the lawyer. "Listening to your words is better than studying for ten years. Brother Si, thank you." "

The lawyer closed the document and raised his eyebrows. "You still want to say thank you to me?"

"Zhao xueyin smiled and said, "If you don't say thank you, I'll treat you to a meal. Are You Going?" "

"Yes, I'm invited by a beauty. How can I not go?" The lawyer smiled. "

"Hearing this, Zhao Xueyin's eyes dimmed. "

She was very clear that she did not like the lawyer.

The lawyer was not worthy of her.

But she was afraid that she would hurt the lawyer's self-esteem by saying it out loud.

She couldn't bear to hurt the lawyer.

The two of them went to the basement parking garage.

The lawyer opened the car door.

“Zhao Xueyin’s gaze inadvertently swept across the lawyer’s hand. She frowned slightly and said, “Big Brother Si, I remember that you had a burn on your wrist earlier, right?” ”

A faint light flashed in the lawyer’s eyes. “I used the scar removal cream to remove it.”

Chapter 1093: 242: officially returning to the financial world

Scar Removal Cream?

What brand of scar removal cream was so effective that it could wipe away such a serious burn without leaving any trace?

“Zhao Xueyin was a little curious. She looked up at si lui and continued, “What brand of Scar Removal Cream did you buy?” ”

“Si lui slowly rolled up his sleeves and said, “I bought it from an old Chinese doctor. There’s no brand.” ”

“”OH.”Zhao Xue smiled and nodded. “If I get scalded in the future, you can introduce me to this old Chinese doctor.” ”

“What nonsense.”Si Lu tilted his head and looked at Zhao Xue Yin. His tone was a little heavy. “You won’t get hurt!”

He would always protect Zhao Xue Yin and not let her get hurt.

“Zhao Xue smiled and said, “I’m just saying. Why Are You So Serious? By the way, what do you want to Eat?” ”

“You decide.” Si Lui’s tone was a little heavy.

Zhao Xue Yin tilted her head and thought for a moment. “Then let’s eat Japanese food?”

“Sure.” Si lui nodded.

Japanese food was mostly raw food.

“In fact, he was not used to eating Japanese food. ”

“But Zhao Xue Yin liked it, so he liked it too. ”

Si lui started the engine and drove to the Japanese food shop that Zhao Xue Yin frequented.

“Looking at the familiar road conditions, Zhao Xueyin’s lips curled up slightly. ”

Regardless of other external conditions.

The lawyer was really a very good man.

He would remember every one of his preferences.

He would accommodate himself.

It was a pity.

It was just that being born was not very good.

“He had talent but had nowhere to display it. Once he left Shunxi Financial Group, he would be nothing.”

“Thinking of this, Zhao Xueyin sighed softly.”

The lawyer tilted his head slightly. “What’s Wrong?”

“Nothing.” Zhao Xueyin smiled and turned around. “I just feel a little tired.”

“”If you’re tired, then rest more.”The lawyer continued, “You don’t have to worry about ye Zhuo’s matter. Just leave it to me.” ”

“Big Brother Si...”

“Realizing what Zhao Xueyin wanted to say, the lawyer directly interrupted Zhao Xueyin’s words. “Don’t thank me.” ”

Zhao Xueyin smiled.

She felt that she couldn’t continue like this.

The lawyer was a good man.

She couldn’t delay the lawyer anymore.

“Zhao Xueyin opened her mouth, “Brother Si, actually, i... I...”She didn’t know how to continue.”

How could she not hurt the lawyer's Pride?

The lawyer was so good.

She really didn't want to hurt Si Lui.

And she didn't want to see Si lui sad and sad.

"What's Wrong?" Si lui turned to look at Zhao Xueyin.

"I..."

"Si lui controlled the steering wheel with one hand and patted Zhao Xueyin's head with the other. "If you have something to say, can't you say it to me?" "

"Zhao Xueyin was very conflicted. No matter what, she couldn't let Si lui get hurt. "

"As the words came to her mouth, Zhao Xueyin continued, "Brother Si, actually, I want to drink wowo milk tea, but you seem to have driven over." "

"Si lui smiled and said, "I thought it was something! It's okay, just turn around at the next intersection." "

"Zhao Xueyin quickly said, "No need, no need, it's too troublesome! Let's go directly to the Japanese restaurant." "

"It's not troublesome." At the next traffic light intersection, Si lui directly turned around and went to the milk tea shop. "

“Zhao Xueyin looked at the lawyer, her heart filled with warmth. ”

“Soon, the car stopped in front of Wowo milk tea shop. ”

“The lawyer turned to look at Zhao Xueyin. “It’s snowing outside, don’t get out.” ”

“Okay.”Zhao Xueyin nodded.

The lawyer got out of the car to buy milk tea.

“Looking at the man’s back disappearing into the snow, he narrowed his eyes slightly. ”

It was snowing.

There was a long line in the milk tea shop.

“She didn’t know what method the lawyer used, but not only did he not line up, but he quickly bought the milk tea and walked back. ”

Click —

The car door was pulled open from outside.

“The lawyer, who was covered in snow, walked in from outside and handed the milk tea to Zhao Xueyin.
”

“Thank you.”Zhao Xueyin reached out and took the milk tea.

It was her favorite barley round flavor.

This was the tacit understanding between her and the lawyer.

No matter when.

The lawyer knew what she wanted.

The boiling hot milk tea warmed her whole body after one sip.

“Do you want to have a sip?” Zhao Xueyin brought the milk tea to the lawyer’s mouth.

Zhao Xueyin and the lawyer had known each other for many years.

They had been inseparable for a long time.

Zhao Xueyin didn’t think much of it since they were just drinking a cup of milk tea together.

“However, Si Lui’s face was slightly red. He was stunned when he saw the milk tea being handed over. ”

“Zhao Xueyin looked at Si lui. “Brother Si, are you looking down on me?” ”

“”No, no!” Si lui hurriedly explained. “Xueyin, don’t misunderstand.” ”

Chapter 1094: 242: officially returning to the financial world

“Zhao Xue smiled and said, “If not, hurry up and take a sip. I can see that your hands are red from the cold.” ”

“Okay.” Si Lu lowered his head and took a sip.

“Is it good?” Zhao Xue Yin asked expectantly.

“It’s good.” Si Lu nodded slightly.

“Zhao Xue Yin continued, “Then drink another sip.” ”

Si lui took another big sip.

Only then did Zhao Xueyin put away the milk tea and continue drinking.

“Si lui watched Zhao Xueyin drinking the milk tea through the rearview mirror, and his face turned even redder. ”

The snow was falling heavily.

“Not long after, the car stopped at the entrance of the Japanese restaurant. ”

“Si lui opened the door and got out of the car. He went around to the other side, opened the door of the passenger seat, and extended his hand to Zhao Xueyin. “Xueyin, we’re here.” ”

Zhao Xueyin placed her hand on the lawyer’s hand and got out of the car.

“Although it was winter, there were quite a number of people eating Japanese food. Customers who did not have an appointment had to make an appointment in advance before they could enter the restaurant to eat. ”

“However, Zhao Xueyin was a high-level member of the restaurant, so there was no need to make an appointment in advance. ”

The two of them followed the salesperson to the private room.

“Zhao Xueyin took off her thick coat. The salesperson was about to take the coat and hang it up, but the lawyer took it one step ahead of her. ”

“Zhao Xueyin was already used to such things. She sat down, picked up the menu and ordered. She looked up at Si lui out of habit, “Brother Si, shall we eat the set meal recommended by the head chef? I think this sea urchin is quite fresh.” ”

“Sure.” Si lui nodded. He had no objections to Zhao Xueyin’s suggestion.

Zhao Xueyin closed the menu and looked up at the waiter. “Two sets of the set meal recommended by the head chef.”

“”Okay.”The waiter continued, “Do you need anything else?” ”

“I don’t need anything else.”

The waiter bowed. “Please wait for a moment.”

“After the waiter left, Zhao Xueyin looked up at Si Lu. “Brother Si, I’m going to the washroom.” ”

“Okay.” Si Lu nodded.

Zhao Xueyin turned around and walked towards the washroom.

“Just as she reached the door, she was suddenly hit by someone who walked out from inside. Zhao Xueyin quickly held onto the door frame by the side so that she did not fall. ”

“Otherwise, she would definitely be in a sorry state! ”

“The young woman who bumped into Zhao Xueyin quickly apologized, “Sorry! Sorry! I didn’t mean it!” ”

“Zhao xueyin frowned slightly, “Don’t you have eyes?” ”

“The young woman said apologetically, “It’s all my fault for being in such a hurry! But I really didn’t do it on purpose. Miss Zhao, please forgive me.” ”

Miss Zhao?

Could it be someone she knew?

Zhao Xueyin looked up and only then did she see the other party’s face clearly. A mocking look flashed across her eyes.

The person who came was called Chen Xuan.

The Chen family was famous in the financial world for having a poor household.

There had always been an unwritten rule in the financial world.

“If a family suddenly declined and could not rise again within 20 years, they would be expelled from the financial world. ”

“Ever since Old Master Chen left, the Chen family had been like a sunset. ”

“The Chen family did not have any men. They only had one daughter, Chen Xuan. Chen Xuan’s talent was mediocre and had no business talent. It was only a matter of time before the Chen family was expelled from the financial world. ”

Zhao Xueyin’s friends were all elites in the financial world. She did not have time to deal with people like Chen Xuan. “Consider me unlucky. You can go.”

“”Thank you, Miss Zhao.”Chen Xuan bowed to Zhao Xueyin. ”

“Zhao Xueyin entered the bathroom. Just as she closed the cubicle door, she heard the discussion outside. ”

“Was that Zhao Xueyin just now?”

“”Who else could it be but her? !”! If one were to say that Chen Xuan was really unlucky, she had to bump into someone else! “Miss Ye will be back soon. I want to see how long this fake Phoenix Zhao Xueyin can be complacent for!”Towards the end, that person snorted coldly. ”

“Although ye Zhuo had not returned yet, the news of grandfather Ye’s biological great-granddaughter returning to the financial world had spread throughout the financial world. ”

Grandfather Ye was a legend in the financial world.

“When ye Langhua was young, she was a famous talent in the capital. ”

“Therefore, everyone was very much looking forward to ye Zhuo’s return. ”

“Another person said in a low voice, “But I heard that Miss Ye is just like that! After all, with such a grandmother around, how good do you think she will be?” ”

“The younger generation surpasses the younger generation! This kind of thing can not be said for sure!”

“A fake Phoenix is a fake Phoenix after all. How can it compare to a real Phoenix? No matter what, Miss Ye is still grandfather Ye’s descendant! Cao Wei and the others are already arranging a welcoming banquet for Miss Ye. Just wait! Zhao Xueyin, this fake Phoenix, will fall off the altar sooner or later!”

PA!

“Right at this moment, the cubicle door behind them was suddenly pushed open.”

Chapter 1095: 242: officially returning to the financial world

The voices in the air suddenly stopped.

“Looking at Zhao Xueyin who was standing there, the girls looked a little embarrassed.”

No one expected Zhao Xueyin to suddenly appear.

“Zhao Xueyin said softly, “I wonder if you have heard of this saying? A plucked phoenix is worse than a chicken.””

So what if ye Zao was a real Phoenix?

She could still crush ye Zao!

She would let everyone know that she was the real Phoenix!

Ye Zao wanted to compete with her?

Difficult!

“After saying this, Zhao Xueyin turned around and left. ”

“Looking at Zhao Xueyin’s back, the girls looked at each other. “What did Zhao Xueyin mean by that sentence just now?” ”

“It means that she’s a chicken!” One of the short-haired girls said.

“”No Way.” Another girl said, “She should mean that even though she’s a fake Phoenix, she can still crush Miss Ye, that Real Phoenix!” ”

“I hope Miss Ye can give me some strength!”

“Zhao Xueyin returned to the dining room, her expression still not looking good. ”

The lawyer raised his head to look at her. “What’s wrong? Why do you look so bad?”

“”Nothing,” Zhao Xueyin said concisely. “I was accidentally knocked down by someone in the bathroom just now.” ”

“”Knocked down by someone?” Hearing that, the lawyer asked nervously, “Is it serious? Do you want to go to the hospital to have a look?” ”

“Zhao xueyin smiled and said, “How can I be so expensive? I just knocked down.” ”

“Who knocked down me?” The lawyer continued to ask.

“”Someone I don’t know.” Zhao Xueyin was a little speechless and said, “If I knew you were so long-winded, I wouldn’t have told you.” ”

Zhao Xueyin knew Si Lui's character very well.

She didn't want to target Chen Xuan.

"But after what happened tonight, she really couldn't swallow this resentment. "

"If Chen Xuan hadn't bumped into her, then nothing would have happened. "

"Zhao Xueyin wasn't someone who would throw a tantrum easily, unless the other party had gone too far. "

"Si lui frowned slightly, a thick haze flashed across his eyes. "

Zhao Xueyin was kind-hearted and didn't want to lower herself to the other party's level.

But he couldn't.

Zhao Xueyin saw the change in Si Lui's expression. It was just then that the waiter brought the dishes to the table.

"Zhao xueyin smiled and said, "I'm starving to death. Brother Si, let's eat quickly! Don't think about all that nonsense. I'm really fine!" "

"Si lui nodded, picked up his chopsticks and began to eat. "

"Halfway through the meal, Zhao Xueyin looked up at si lui and continued, "Brother Si, Cao Wei has been promoting ye Zao for the past few days. I heard that he's going to arrange a welcoming banquet." "

Si lui endured the churning in his stomach and ate a piece of sashimi. "When is the welcoming banquet scheduled?"

Zhao Xueyin shook her head. "I'm not too sure about that either. It should be because I haven't decided on a date yet."

"Si lui picked up his cup and drank a mouthful of water. "Since there is a welcoming banquet, we must prepare a big gift for Miss Ye." "

"Okay." Zhao Xueyin nodded.

"After eating, the lawyer sent Zhao Xueyin back before driving back to his own place. "

"After returning to his cold home, the lawyer tore off the tie on his neck and threw it onto the sofa. Then, he lit a cigarette and slowly exhaled a puff of smoke. After that, he made a call. "Help me investigate something." "

...

On the other side.

The Cen family base.

Ye Zao had been staying at the base almost every day for the past few days.

He got off work at night.

Ye Zao came to Dr. Warne's office.

"Dr. Warne was studying the aircraft carrier's data map when he heard a knock on the door. He looked up and said, "Come in." "

Ye Zao pushed the door open and entered. "Dr. Warne."

"Miss Ye." When he saw Dr. Warne, he immediately stood up from his office chair. "Take a seat."

"Ye Zhuo leaned over to sit opposite Dr. Warne and immediately said, "From Tomorrow onwards, I won't be able to come to the base every day. During this period of time, I'll have to trouble you to put in more effort! If there are any problems, you can just contact me directly."

Dr. Warne looked up in puzzlement. "Miss Ye is going on a long trip?"

"Sort of." Ye Zhuo nodded slightly.

"Dr. Warne continued, "Alright."

"Ye Zao said, "Then I'll be counting on you."

"Dr. Warne smiled and said, "Miss Ye, you're too kind. This is what I should do."

"Although Dr. Warne was older than ye Zao,."

He had become famous earlier than ye Zao.

"But these days, he had learned a lot from ye Zao."

He had benefited a lot.

Ye Zao's talent was far more than what the naked eye could see.

She was like a dusty pearl.

“The more she polished, the brighter she became.”

Dr. Warne had never admired a person so much.

Chapter 1096: 242: officially returning to the financial world

Ye Zao was the first and the last.

“Then, Dr. Warne asked, “By the way, Miss Ye, I have another question for you.” ”

“Go ahead.”

Dr. Warne turned on the computer. “Look here.”

“Ye Zao sat in front of the computer. In less than ten seconds, he solved the problem on the computer.”

Dr. Warne was stunned.

Ye Zao had moved too fast. He had just started to look at it and it was already over.

“Just as Dr. Warne was stunned, ye Zao continued, “Actually, this is very simple. It’s just that you think it’s too difficult. I’ll send the formula to your email later. You’ll understand after taking a look.” ”

““Okay.”Dr. Warne nodded. “Then I’ll have to trouble you, Miss Ye.” ”

Ye Zao stood up from his chair. “You’re welcome. I’ll be going back first.”

Dr. Warne stood up to send ye Zao off.

“Just as he pushed open the office door, he saw a jade-like figure standing outside. ”

She was tall and straight.

She was like an orchid and a jade tree.

“Her posture was casual, but her body exuded an unapproachable aura. ”

“Master Five.” Dr. Warne hurriedly walked forward to greet him.

Cen Shaoqing turned slightly. “Dr. Warne.”

Ye Zhuo walked to Cen Shaoqing’s side. “Let’s go back.”

“Is everything done?” Cen Shaoqing asked.

“Yes.” Ye Zhuo nodded slightly.

“Cen Shaoqing turned around to greet Dr. Warne, then left with Ye Zhuo. ”

Dr. Warne watched the two of them leave the base before turning around to return to his office.

In the underground garage.

“Cen Shaoqing left the car door as he looked back at Ye Zhuo. “Where are you going for dinner tonight, leader?” ”

“Ye Zhuo hesitated for a moment. “Let’s go to the little southern kingdom, shall we?” ”

“Sure.”Cen Shaoqing started the engine.

8 pm.

“It was the peak time for dinner, and the little southern kingdom was packed with people. ”

“Cen Shaoqing and Ye Zhuo had just stepped into the shop when they were noticed by the sharp-eyed lobby manager. He immediately went up to them and greeted, “Master five! Miss Ye!” ”

Cen Shaoqing nodded slightly.

“The lobby manager continued, “Are the two of you still in your usual seats?” ”

“Yes.”Cen Shaoqing twirled the Buddha beads.

“Please follow me.”The lobby manager led the way.

Ye Zao was a regular customer of this shop. He ordered the dishes without even looking at the menu.

“Not long after, the waiter came up with the dishes. Just as he was about to place them in front of ye Zao, ye Zao said, “Just place this plate of grass in front of him.” ”

“The waiter was stunned for a moment, but he quickly reacted and placed the salad in front of Cen Shaoqing. ”

“Ye Zao rested his chin on one hand and looked at Cen Shaoqing. “You eat grass every day. Can you keep up with your stamina?” Although Cen Shaoqing had no restrictions on meat and vegetables since he was with her, his daily staple food was still green leafy vegetables. ”

“”Don’t worry, my stamina is very good.” Cen Shaoqing picked up a tissue and slowly wiped his mouth. “Especially my waist.” ”

The last word was meaningful.

“Waist?” Ye Zao raised his eyebrows slightly. “Does having a good stamina have anything to do with your waist?”

“Do you know what is the root of a harmonious family?” Cen Shaoqing twirled the Buddhist beads and asked.

“What?”

Cen Shaoqing looked at ye Zao and opened his thin lips slightly. “Say less and do more.”

“If his waist was not good, how could he say less and do more? ”

“Ye Zhuo frowned slightly, feeling a little dizzy from Cen Shaoqing’s teasing. ”

Cen Shaoqing picked up a piece of chicken and placed it into ye Zhuo’s bowl. “Hurry up and eat.”

“Why is it that saying less and doing more is the foundation of a harmonious family? Say Less and do more?” There weren’t any difficult problems that could trouble ye Zhuo. This was the first time.

“She had never been in a relationship in her previous life, let alone been married. She was just a noob when it came to love. ”

Cen Shaoqing's tone was slightly somber. "You'll know in the future."

Practice makes perfect.

Ye Zao did not ask any more questions. He would find out one day anyway.

...

Ye Zao would return to the Financial World Tomorrow.

The happiest person was none other than elder Zhang.

He had been waiting for this day for too long.

"All these years, the Zhao family had always been the sole power of the Shunxi Financial Group. He thought that before he closed his eyes, he would not be able to see the Shunxi Financial Group on the right track."

The heavens did not disappoint those who had good intentions.

"Finally, he had waited for this day."

"In order to celebrate, elder Zhang specially went to the temple to burn incense and pray to the Buddha."
"

"At 9:30 pm, elder Zhang returned from the temple."

"Elder Zhang had disappeared in the morning and had not returned until now. Cao Wei was extremely anxious, afraid that something would happen to elder Zhang."

“At this moment, Cao Wei suddenly saw a figure walk in from outside the door. He hurriedly ran over. The dim yellow street lamp shone on elder Zhang’s face. Cao Wei’s eyes lit up and he said excitedly, “Elder Zhang! You’re finally back!” ”

Chapter 1097: 242: officially returning to the financial world

Elder Zhang looked up with a smile. “What’s the matter?”

“Cao Wei said, “I haven’t seen you all day. You didn’t pick up my calls. If you don’t come back soon, I’m going to call the police!” ”

“”I went to Lingyun Temple! Maybe there was no signal in the mountains, so I didn’t see you when I left, so I didn’t tell you.”Elder Zhang looked at Cao Wei, sweeping away the snow on his body, he asked, “By the way, how are the preparations for the welcoming banquet going?” ”

“Cao Wei continued, “Don’t worry, everything is ready.” ”

Elder Zhang nodded. “That’s good! When are the dates set?”

“Cao Wei continued, “I wanted to talk to you about this! I’ve looked for Lingyun Temple’s master and he said that the 26th and 28th days are more suitable for the welcoming banquet. Which Day do you think is suitable for these two days?” ”

The welcoming banquet was not a small matter. They had to arrange a good day.

People in the financial world believed in these things.

“However, the exact date was up to elder Zhang. ”

“Solar calendar?” Elder Zhang asked.

“Yes.” Cao Wei nodded.

“Elder Zhang continued, “Then let’s make it 26th. Today is the 23rd day of the solar calendar. There are still three days left. Can We make it in three days?” ”

““We can make it in time.” Cao Wei continued, “Then I’ll make the arrangements.” ”

“Okay.”

“After saying that, elder Zhang added, “Remember to hold this welcoming banquet in a grand manner! All the important figures in the financial world must send an invitation!” ”

““Then, should DK consortium send it?” Cao Wei hesitated and asked. ”

DK consortium was ranked first in the international financial rankings.

It was also the only Chinese consortium in the top three of the international rankings.

DK Consortium?

“Elder Zhang frowned. “Forget about DK. Even if we give them an invitation, they might not like us.” Why did he have to be so cold? ”

““Okay.” Cao Wei nodded. “It’s already so late. You must have not eaten yet, right? I asked the kitchen to save some food for you. Please go in and eat.” ”

Elder Zhang was indeed hungry after coming back so late. He quickened his pace and walked in.

Time passed quickly.

“In the blink of an eye, the next day arrived.”

Cen Shaoqing drove ye Zhuo to the financial world.

Elder Zhang had been waiting for the entrance of Shunxi Financial Group for a long time.

“At 10:10 am, Cen Shaoqing’s car stopped at the entrance of Shunxi Financial Group on time.”

Elder Zhang immediately went up to greet him. “Zhuozhuo! CEN fifth Master!”

On the 58th floor of Shunxi Financial Group.

“Zhao Xueyin stood in front of the French window, holding a telescope in her hand as she looked downstairs.”

Cen Shaoqing had actually come.

It looked like ye Zhuo had really fallen in love with Cen Shaoqing.

The corners of Zhao Xueyin’s lips curled up.

The lawyer put down the binoculars. “Who is the man standing next to Ye Zhuo?”

“”Cen Shaoqing,”Zhao Xueyin said slowly. “Ye Zhuo’s boyfriend.” ”

“Ye Zhuo has a boyfriend?”The lawyer was very surprised.

""Yes." Zhao Xueyin nodded slightly. "As you said, Ye Zhuo has followed in ye Langhua's footsteps." "

"Not only did she follow in ye Langhua's footsteps, she would be even more miserable than ye Langhua in the future. "

"Back then, ye Langhua was very infatuated with Xi Muwen. "

"However, she hadn't reached ye Zhuo's level yet. "

Si Lu picked up the binoculars and looked down again.

He didn't know why.

He still felt like he had seen Cen Shaoqing somewhere before. "This person is so familiar."

"Who?" Zhao Xueyin asked.

""Cen Shaoqing," the lawyer answered. "

"Zhao Xueyin said, "Cen Shaoqing has been on camera with Ye Zhuo. You might have seen him on television." "

"Maybe." The lawyer still felt that it was a little strange.

Cen Shaoqing?

The Bai Family?

Could it be that Cen Shaoqing was related to DK Financial Group?

“Although he thought so in his heart, he did not say it out loud.”

What if he was wrong?

“If Cen Shaoqing was really related to the Bai family, would he take a fancy to Ye Zhuo?”

“After saying that, Zhao Xueyin put down the binoculars and turned to look at Si lui. “Miss Ye has officially returned to XI Financial Group. Brother Si, please go to the door to welcome her on my behalf.”

“Okay.” Si lui nodded.

“Not long after, Si lui appeared downstairs. “Elder Zhang.” ”

“Chairman Si.” Elder Zhang nodded slightly.

“The lawyer looked at Ye Zhuo. “Elder Zhang, this must be Miss Ye, right?” ”

This was the first time the lawyer had seen Ye Zhuo in person.

She was very beautiful.

“She was more than three times brighter than on television, and her facial features were very recognizable.”

“Unfortunately, she was too impetuous.”

“Perhaps it was because she had become famous at a young age, coupled with the fact that she was grandfather Ye’s descendant, she could clearly see the shadow of arrogance in Ye Zhuo.”

Compared to Zhao Xueyin.

Ye Zao's difference was not just a little bit.

"The lawyer was most disgusted with Ye Zao, who was shamed by his ancestors and relied on his connections to get to the top."

Chapter 1098: 242: officially returning to the financial world

"If ye Zhuo wasn't grandfather Ye's descendant, would she have been able to enter the Shunxi Financial Group so easily?"

"Elder Zhang nodded. "Yes, this is elder Ye's great-granddaughter, Ye Zhuo. Zhuo Zhuo, this is the chairman of the Shunxi Financial Group, Si Lu." "

Ye Zhuo extended his hand to Si Lu. "Chairman Si."

"The Si Lu reached out to hold ye Zao's hand. "Miss Ye, we'll be working in the same place from now on. Please give us some guidance." "

"Sure." Ye Zao's tone was indifferent.

"The Si Lu's expression was the same as usual. He turned to look at elder Zhang. "Elder Zhang, it's windy outside. Why Don't we go up first? Miss Zhao is already waiting in the office." "

"Alright." Elder Zhang nodded.

The lawyer led the way.

“Elder Zhang and Ye Zhuo walked at the back. As they walked, they introduced the lawyer to Ye Zhuo in a low voice, “The lawyer is a capable and ambitious person. “Fortunately, he has a good character. Although he is close to the Zhao family, he is not like the Zhao family. If you encounter any difficulties in your work, you can consult him. “He is a trustworthy person.” ”

Trustworthy?

Si Lu?

She did not think so.

Ye Zhuo raised his eyebrows slightly. “You know him very well?”

“Elder Zhang smiled and said, “I watched this child grow up. I know his character the best.” ”

““People change,”ye Zhuo said faintly. ”

“Upon hearing this, elder Zhang turned to look at Ye Zhuo. ”

His eyes were filled with confusion.

Then...

Had Si Lu really changed?

“Not long after, the three of them arrived at the 58th floor. ”

The office door was closed.

Si Lu reached out and knocked on the door.

“Come in.”

Si Lu gently pushed the door open and gestured for elder Zhang and ye Zao to enter first.

Elder Zhang brought ye Zao in.

“Seeing the elder, Zhao Xueyin immediately stood up from her office chair. “Elder Zhang, you’re here.” ”

Elder Zhang nodded. He was just about to introduce ye Zhuo to Zhao Xueyin.

“Zhao Xueyin smiled at Ye Zhuo. “Ye Zhuo, long time no see.” ”

Ye Zhuo raised his eyes slightly. “I’ve said that there’s still time in the future.”

There’s still time in the future?

Was Ye Zhuo provoking her?

Was she worthy?

“Zhao Xueyin narrowed her eyes, concealing the expression in her eyes.”

“Elder Zhang asked curiously, “Zhuo Zhuo, have you met Xueyin before?” ”

“En.”Ye Zhuo nodded slightly.

""That's right. There's still plenty of time in the future."Zhao Xue Yin continued, "Right, elder Zhang, president Yu has just retired. What do you think about me arranging for ye Zhuo to temporarily replace President Yu?" "

Zhao Xue Yin was talking about temporarily replacing President Yu.

President Yu still had a pile of mess waiting for ye Zhuo to clean up.

She was elder Ye's descendant.

"If she didn't even have the slightest ability to manage and solve problems, how would she be able to convince the masses in the future? "

"If she stood high, she would fall miserably. "

"At that time, even if she didn't say anything, Ye Zhuo would still be thrown off the stage by the crowd. "

This was called flattery.

Elder Zhang was stunned.

He couldn't quite understand what kind of show Zhao Xueyin was singing.

The president was second only to Zhao Xueyin.

Would she be so good as to arrange for ye Zhuo to be the president?

"Seeing Old Zhang like this.., zhao Xueyin continued, "If you feel that it's not suitable, we can sit down and discuss it. However, Sister Ye Zao is Aunt Lang's granddaughter after all. If we arrange for other departments, I'm afraid it would be somewhat inappropriate." "

“Old Zhang reacted at this time and said with a smile, “Then that’s it! Xueyin, you’ve considered this matter very thoroughly! No matter what, Zao Zao is Old Ye’s descendant. Her starting point can not be too low.” ”

“”Then it’s decided.” After saying that, Zhao Xueyin looked at ye searing, her tone gentle, “Sister ye searing, although President Yu left behind some problems when he left, I believe that with your ability, these problems aren’t problems.” ”

The problems president Yu left behind were problems that couldn’t be solved.

Ye searing had no business talent at all.

Could she solve it?

It was simply impossible!

“Chapter 1099: 243: Master Technology, Control Finance! The all-powerful great burning! 1”

Ye Zao was only 20 years old.

Who would submit to a little girl under President Yu’s command when he had a high position?

It would have been fine if ye Zao had real talent.

“Unfortunately, ye Zao only had a body of skin and only knew a little about scientific research. ”

There were specialties in the field of technology.

This was not the world of technology.

“Even if this was the scientific and technological world, so what?”

Ye Zhuo had boasted that he would be able to build an aircraft carrier within two years.

Who in the scientific and technological world didn't despise ye Zhuo at the moment.

Just you wait.

The good show was still to come.

“Thinking of this, Zhao Xueyin slightly curved her lips. She turned around and took out a document from the file cabinet and handed it to Ye Zhuo. “Sister Ye Zhuo, this is the information left behind by President Yu. Take a look.” ”

Ye Zao took the document and quickly flipped through it.

Ten lines at a glance.

The problems left behind by President Yu were not as simple as what Zhao Xueyin had described.

Many problems had been delayed for more than ten years and had yet to be resolved.

“Actually, the position of president was a mess.”

“Actually, Zhao Xueyin's motive was very clear.”

She was waiting to see her make a fool of herself.

"Ye Zao's brows remained the same. His expression did not change. After a moment, he handed the document to Zhao Xueyin. "I've read it well." "

"So Fast?" Zhao Xueyin was taken aback.

"Mm." Ye Zhuo nodded slightly. There was no expression on his clear face.

"There were more than thirty pages of information in total. Even if one read every page for a minute, it would still take half an hour. "

How many minutes did ye Zhuo read it?

Not even five minutes.

"Even if you wanted to pretend to be thirteen, you shouldn't act like that, right? "

Don't you know how to act according to one's ability?

Did you really think that her grandmother had the title of a talented woman in the golden age and that she was also a talented woman?

This kind of person was actually quite disgusting.

"Zhao Xueyin smiled slightly, then she said, "Sister Ye Zao is indeed Aunt Lang's granddaughter. She really has the style of Aunt Lang back then! "She actually finished reading all the information in less than five minutes. If it were me, with so many things, it would take at least half an hour." "

"I'm used to it." Ye Zao's tone was indifferent.

“In Ye Zao’s previous world, Ye Zao had lived like this almost every day, so she didn’t think much of it. ”

“Seeing ye Zao like this, the mocking expression on Zhao Xueyin’s face became even more obvious. ”

Heh.

He’s quite confident?

Did she understand what was written on the information?

It had only been two to three minutes. She probably didn’t even know how many pages the information had.

On this document were all the various problems that President Yu had sorted out.

They were just waiting for the next president to deal with them.

“If ye Zao really understood it, his reaction wouldn’t be so calm! ”

Unless ye Zao really had the ability to solve problems.

But...

Did She?

Could she settle all these problems?

Just the transnational cooperation case was enough to give her a headache.

Not to mention two or three minutes.

“Even if ye Zhuo was given two hours, it would be difficult for ye Zhuo to understand what was written in those documents. ”

“Zhao Xueyin herself was a business genius. When she was ten years old, she helped Father Zhao read the documents together. ”

“When she was fifteen years old, she set up Project Z. ”

But even she could not read all the documents in such a short time.

Ye Zhuo could do it?

Why did ye Zhuo have to pretend like this?

Could it be... because of the lawyer?

“Thinking of this, Zhao Xueyin raised her head and looked at the lawyer beside her. ”

She had an answer in her heart.

“Ye Zhuo was trying to attract the lawyer’s attention, right? ”

1

What was this kind of behavior called?

Scum.

Sea King.

This kind of people were usually very narcissistic. They relied on their good looks to think that all the men in the world should like them.

They were attracted to them.

And then they used the men's likes to achieve their own goals!

Little did they know.

"In the eyes of others, they were not worth mentioning at all."

Would lawyer Si take a liking to a girl like Ye Zhuo?

Absolutely impossible!

Not to mention that lawyer Si had her in his heart now.

Even if lawyer Si did not have her in his heart.

He would not like a girl like ye Zhuo who was pretentious.

Not to mention liking her.

Si lui would not even take a second look at a person like ye Zao!

Ye Zao thought that he was very good at acting and no one would be able to see through him.

“But who was she, Zhao Xueyin?”

She saw through ye Zao’s true colors at a glance.

“Zhao Xueyin very well concealed the mocking look in her eyes. She looked at ye Zao and continued,
“Sister Ye Zao, you are really amazing! If I had half of your talent, I would not be like this.” ”

These words were full of praise and sarcasm.

“Ye Zao smiled slightly and took all of Zhao Xueyin’s praise. “Thank you, but talent is not something that you can be envious of.” ”

“Her tone was faint, but it was forceful. ”

“Chapter 1100: 243: Mastering Technology, controlling finance! The Almighty Burning! 2”

Zhao Xueyin choked.

“She thought that after she said these words, Ye Zao would be ashamed. ”

“After all, she was the acknowledged genius in the financial world. ”

“In front of her, Ye Zao couldn’t even be considered a pinky. ”

“She didn’t think that not only was ye Zao not ashamed, but he was also so arrogant. ”

I really don’t know where she got her confidence from!

A dead pig is not afraid of boiling water!

Hearing that.

Si lui glanced at ye Zao with a complicated look in his eyes.

He did not have a good impression of ye Zao to begin with.

“After listening to these words, his impression of ye Zao completely plummeted.”

What qualifications did ye Zao have to be like this in front of Zhao Xueyin?

It was said that the later waves of the Yangtze River surpassed the earlier waves.

“When ye Langhua was young, she was after all a gentleman and a talented woman. Although she did not meet a lady, it was still something that happened later.”

“However, not only did ye Zao not inherit ye Langhua’s talent, but he was even worse than ye Langhua, this younger generation.”

“Not only was ye Zao’s talent bad, he was also very conceited.”

Did she know who was standing in front of her.

Zhao Xueyin.

She was a publicly recognized financial talented woman in the financial world.

“If it was anyone else, they would definitely be very humble and uneasy in front of Zhao Xueyin.”

“However, not only was ye Zhuo not embarrassed, he even had an arrogant look on his face.”

This was a little repulsive.

“If ye Zhuo was not ye Langhua’s granddaughter, she would not even have the qualifications to step into the Shunxi Financial Group, let alone speak to Zhao Xueyin face to face.”

Zhao Xueyin was the bright moon in the sky.

1

Ye Zhuo could not even compare to the mud on the ground.

“Si lui frowned slightly, his heart aching for Zhao Xueyin.”

It was difficult for Zhao Xueyin.

She actually had to deal with a person like Ye Zhuo.

“Si lui raised his head and looked at ye Zhuo, “Miss Ye, let me bring you to your office to take a look first, okay?” ”

“Elder Zhang nodded and echoed, “Yes, yes, yes! Let’s go to the office first!” ”

“Zhao Xueyin reminded, “Big Brother Si, there’s a board meeting in half an hour. You should make good use of the time.” ”

Today was the day that ye Zao returned to the Shunxi Financial Group.

“No matter what, the superficial work still had to be done. ”

They had to introduce ye Zao in front of the board members.

“Putting aside ye Zao’s ability,. ”

She was still elder Ye’s descendant after all.

“Although elder ye was no longer in the Shunxi Financial Group, his influence on the financial group was still very great. ”

“Okay.” Si lui nodded.

The president’s office was also on the 58th floor.

But it was on the other side of the 58th floor.

“A few minutes later, Si lui brought ye Zhuo and elder Zhang to the office. ”

The office was very big.

It was more than 100 square meters in total.

Si lui introduced the internal environment of the office to Ye Zhuo.

““This is the lounge and this is the secretarial room. If Miss Ye is not satisfied with the renovation, you can ask someone to redecorate it.” ”

Ye Zhuo shook her head slightly. "No need. It's fine just like this."

She did not have high requirements for the external environment.

"As she spoke, Ye Zhuo walked to a calligraphy painting and stopped in front of it, deep in thought. "

"Elder Zhang walked over and said, "Zhuo Zhuo, what do you think of this calligraphy?" "

"It's alright."Ye Zhuo gave a very pertinent evaluation.

"Actually, the level of the calligraphy on the wall could not even be considered average. "

It was obvious that it was lacking in energy.

It was like drawing a tiger but not a dog.

"However, as the saying goes, a different profession is like a different mountain. This calligraphy wouldn't be a big problem to fool outsiders. "

"Elder Zhang stroked his beard and narrowed his eyes, carefully examining the calligraphy on the wall. "

Hearing that.

The Si lui frowned slightly.

The calligraphy on the wall was personally written by Zhao Xueyin.

"Someone offered 100,000 yuan, but Zhao Xueyin did not agree to sell it. "

“However, ye Zhuo actually used a light sentence of ‘not bad’ to deny the results of Zhao Xueyin’s labor.”

“If it was really not bad, would anyone be willing to offer 100,000 yuan to buy it?”

Si lui did not understand calligraphy.

But he could tell that Zhao Xueyin’s calligraphy piece was very good.

Even the average calligraphy master could not compare to her.

“After all, an average calligraphy master’s calligraphy could not be sold for 100,000 yuan a piece.”

But Zhao Xueyin’s calligraphy could!

This meant that Zhao Xueyin’s ability had long surpassed an average calligraphy master.

A person like ye Zhuo who did not even know how to hold a brush was not qualified to comment on Zhao Xueyin.

Ye Zhuo must have done it on purpose.

“She knew that this calligraphy was written by Zhao Xueyin, so she deliberately belittled Zhao Xueyin.”

It was human nature.

“The more there was nothing, the more she cared about something.”

“This was because ye Zhuo did not know calligraphy at all. When he saw that Zhao Xueyin’s calligraphy was so good, he became jealous and tried to comfort himself by belittling her.”

1

This kind of person was also disgusting.

“Fortunately, Zhao Xueyin did not hear what he said. The lawyer frowned.”
