“Chapter 1111: 244: ruthless methods, face slapping like the speed of light! 1”

Liu Neng was very flustered now.

Very flustered.

Wasn't it said that ye Zao had no business talent?

Then how did ye Zao see that there was a problem with this proposal?

What to do?

“Layers of cold sweat appeared on Liu Neng's forehead, and he tried hard to calm himself down. What if ye Zao was bombing him?”

Yes.

It was definitely blowing him up.

Ye Zao was only 20 years old this year.

How could a 20-year-old girl achieve success in both the technological and financial fields at the same time? Could she understand the proposal that was full of professional terms?

“Moreover, this proposal was written by Zhao Xueyin.”

Not to mention ye Zao.

Even those who understood finance would not be able to see anything unusual in a short period of time.

What could ye Zhuo tell in such a short period of time?

It was definitely an act.

Ye Zhuo had been in the entertainment industry before.

It was normal for people who had been in the entertainment industry to know how to act.

“Thinking of this, Liu Neng heaved a sigh of relief and said with a smile, “President Ye, are you mistaken? I have carefully checked the three places you mentioned. There is no mission problem! You just need to be responsible for signing it.” ”

“Once ye Zhuo signed it, it would bring losses to the consortium. ”

Could she still stay in the consortium?

All of this was planned in advance by the Zhao family.

They were just waiting for Ye Zhuo to sign it.

“Ye Zhuo slightly raised his eyes and looked at Liu Neng. There was clearly no expression on his handsome face, but it made Liu Neng feel extremely pressured. ”

“Liu Neng subconsciously swallowed his throat, as if a ray of light was on his back. ”

It was the first time.

“In front of a 20-year-old little girl, Liu Neng was so nervous.”

This kind of feeling was something he had never felt before in front of Zhao Xueyin.

Who Was Zhao Xueyin?

She was a famous genius in the financial world.

Could it be that Zhao Xueyin could not compare to ye Zao?

An illusion!

It must be an illusion!

“Liu Neng tried his best to make himself look at ease and cleared his throat, then, he said, “President Ye, if you feel that there’s something wrong with this proposal, then you should carefully study it again. If there’s nothing else, I’ll take my leave first. If there’s anything else, you can call me. I’m still busy downstairs.” ”

“Go ahead.”Ye Zao’s tone was indifferent as he flipped another page of the proposal.

“Hearing this, Liu Neng heaved a sigh of relief.”

He knew that ye Zao was acting.

“If ye Zao wasn’t acting, would he let him go so easily?”

“It was just a little girl, and she still wanted to fight with him?”

She really overestimated herself.

Liu Neng walked easily to the cubicle on the 33rd floor.

Allie was still standing there.

“Seeing Liu Neng come over, she asked curiously, “How is it? Did president ye deliberately make things difficult for you?” ”

“Liu Neng smiled disdainfully, “Just that little girl? When I was writing the proposal in Shunxi Financial Group, she was still playing with mud! She wanted to make things difficult for me, but she didn’t even consider how much weight she weighed!” ”

Ali narrowed her eyes.

“Yesterday, when ye Zao fired Sun Yiran in public, Ali was beside him. However, she still felt that ye Zao was worthy of being a descendant of the ye family, having the imposing manner of old ye back then. ”

She didn’t expect that he wouldn’t be able to do it today.

He couldn’t even deal with people like Liu Neng.

It seemed that she had overestimated ye Zao.

She originally thought that ye Zao was a person who couldn’t be underestimated.

She did not expect ye Zao to be so mediocre.

He was just a paper tiger.

“Yesterday, he had relied on old Zhang’s support to strut around in the financial group. Today, old Zhang’s true colors were immediately revealed when he was not around. ”

“Liu Neng looked at Allie and continued, “Are you free tonight? Big Brother will treat you to dinner.” ”

At this moment.

“Allie’s gaze passed Liu Neng and looked forward. She said with a smile, “Director Zhou.” ”

Director Zhou was the head of the human resources department.

“Hearing that, Liu Neng immediately turned back and asked with a flattering smile, “Why is director Zhou free to come to the 33rd floor today?” ”

Yes.

Liu Neng was asking the obvious.

What else could director Zhou be doing here?

It must be because of his promotion.

“Zhao Xueyin had promised him that as long as ye Zhuo successfully signed, he would be promoted to the 34th floor. ”

In the Shunxi Financial Group.

“The higher the position, the higher the floor. ”

He didn't expect director Zhou to come so quickly. Zhao Xueyin's efficiency was too high.

"The more Liu Neng thought about it, the happier he became."

Director Zhou handed Liu Neng an envelope with an inexplicable expression. "See for yourself."

Promotion notice!

This envelope was definitely a promotion notice!

Liu Neng's eyes lit up. He took the envelope with both hands and was so excited that he wanted to sing a song.

Ally looked over curiously. "What's This?"

"Liu Neng smiled and said, "A promotion letter." "

"You're going to be promoted?" Ally said in surprise.

"Chapter 1112: 244: ruthless methods, face slapping as fast as the speed of light! 2"

"He didn't expect Liu Neng to make a trip to the 58th floor. Not only was he safe and sound, he even got promoted."

Liu Neng nodded. "Yes."

"What position?" Ally asked.

Liu Neng remained mysterious. "You'll know in a while!"

"When he heard that, director Zhou looked at Liu Neng with a complicated expression. "

Liu Neng excitedly opened the promotion letter.

"When he saw it, he was completely dumbfounded. "

Could it be that he was seeing things?

"Liu Neng rubbed his eyes, widened his eyes, and looked again. "

But the scene in front of him didn't change.

"T-director Zhou! There must be a mistake, right?" Liu Neng raised his head to look at director Zhou. "

It was clearly a promotion letter.

How did it become a resignation letter?

There must be a mistake!

There must be a mistake!

"Chief Zhou said, "There's no mistake. It's a resignation letter. Liu Neng, you've already been fired by President Ye! Pack up and leave quickly!" "

“When she heard the resignation letter, the smile on Ally’s face instantly disappeared, and her eyes were filled with disbelief.”

Fired?

Liu Neng had actually been fired by Ye Zhuo!

What happened on the 58th floor just now?

“From the way Liu Neng went downstairs, it didn’t seem like anything had happened.”

“Liu Neng lost control of his emotions and said, “I didn’t do anything wrong, nor did I violate the rules of the consortium. What right does ye Zhuo have to fire me?” ”

“Director Zhou glanced at Liu Neng and said in a cold tone, “Go to the official website for the specific reason.” ”

Ali immediately turned on the computer next to her.

She saw that a new notice had just been posted on the internal website of the Shunxi Financial Group.

The notice detailed the details of Liu Neng’s dismissal.

“Moreover, not only was Liu Neng fired, but he was also given a big demerit. After deducting his year-end bonus, he was fined 200,000 yuan and held legally responsible.”

The demerit of dismissal was not a small matter.

These experiences would be recorded in his resume.

“In the future, it would be difficult for him to look for listed consortia again.”

This was worse than killing Liu Neng.

“In addition, the official website also listed Liu Neng’s plan a with three loopholes.”

As a warning to others!

“Seeing this scene, Liu Neng’s face instantly turned pale and his blood flowed backwards.”

Never in his wildest dreams did he expect that ye Zao really understood the plan.

“Not only did ye Zao understand it, but his methods were also so fast, ruthless, and accurate!”

“From the time he went downstairs until now, it had not even been ten minutes.”

The notice was already posted on the official website.

“This meant that when ye Zao asked him to go upstairs, he had already been preparing for all of this.”

She looked indifferent.

“In reality, killing was invisible!”

“Liu Neng, who was feeling smug just a second ago, was now like a deflated rubber ball, lying limply on the ground with a defeated look on his face.”

What should he do?

What should he do now?

“At this moment, Liu Neng suddenly hugged director Zhou’s leg. “Director! Please save me! I Can’t leave the consortium! I Can’t be fired!” ”

“Director Zhou shook his head. “If you knew this would happen, why did you do it in the first place?” ”

“Liu Neng continued, “Please help me plead with Miss Ye! I beg you!” ”

“It’s no use.”Director Zhou shook Liu Neng off.

“Liu Neng fell to the ground, feeling extremely uncomfortable. There was no light in his eyes. ”

“At this moment, Liu Neng seemed to have suddenly thought of something. ”

That’s right.

There was also Zhao Xueyin.

Zhao Xueyin had asked him to do this.

Zhao Xueyin had to protect him.

“Thinking of this, Liu Neng heaved a sigh of relief. He forced himself to get up from the ground and went to his office desk to pack his things. ”

“Half an hour later, Liu Neng walked out of the Shunxi Financial Group with his things. ”

“After learning about Liu Neng’s matter, the Financial Group’s internal department was also in a heated discussion. Everyone was worried about their safety and was afraid that trouble would arise. ”

Ye Zhuo had only been in office for one day.

He had already fired two people.

“If it were anyone else, would they have such means?”

“It looks like the Ye family is still the Ye family! This president ye is really too amazing!”

“A new official takes on a new post. Let’s Keep a low profile for the time being.”

“President ye even dared to fire Sun Yiran. What Can Liu Be?”

“You Say President Ye and Miss Zhao. Who is more amazing compared to these two people?” Someone in the cubicle asked.

“There was a moment of silence in the air, “I think President Ye is more powerful. You Didn’t see it yesterday! Miss Zhao couldn’t even see her shadow in front of Miss Ye! Moreover, President Ye is the largest shareholder of our consortium! Whether it’s status, position, or ability, president ye is slightly better!” ”

“”At least Miss Zhao relied on her own hard work to have her status today. If President Ye isn’t a descendant of the Ye family, who would know her?” ”

“Chapter 1113: 244: ruthless methods, face slapping as fast as the speed of light! 3”

“As soon as these words were said, someone was immediately unhappy and immediately retorted, “You say that as if Miss Zhao has nothing to do with elder Zhao!” ”

“Although Zhao Xueyin was powerful, if it wasn’t for Zhao Zhenfei, Zhao Xueyin wouldn’t have been able to develop so smoothly in Shunxi Financial Group.”

“”Anyway, I just think that Miss Zhao is more powerful!” ”

“”Stop arguing!”! I can’t tell who’s more powerful between the two of them at the moment! But it’s true that president ye is more beautiful than Miss Zhao! In the past, I thought that Miss Zhao was beautiful, just like a fairy! After meeting Miss Ye, I finally knew what a true fairy is!” ”

“”Right, right, right! I also want to say! President ye is simply too beautiful!” ”

“Beside the cubicle, a figure in a suit passed by. Hearing these words, his handsome features seemed to be covered by a layer of dark clouds.”

Good-looking?

Could it be that ye Zhuo wanted to use that face to win over People’s hearts?

He was really daydreaming!

“Did he really think that just because he was good-looking, he could run amok in the world?”

He was at his wit’s end!

On the 58th floor.

Zhao Xueyin sat in front of her desk and looked at the latest information posted on the official website. Her brows were tightly knitted.

“In the past, if the public relations department wanted to issue a notice, they had to obtain her approval.”

But today.

Ye Zhuo actually let the public relations department issue it directly.

Those people from the public relations department were also brainless!

Didn't they know who was the Real Master of the consortium?

1

Zhao Xueyin's eyes were filled with anger.

And that Liu Neng!

He was simply a waste!

He couldn't even handle a small matter well!

She originally wanted to make Liu Neng hand in the flawed plan while elder Zhang wasn't around. Ye Zao would definitely sign it.

As long as ye Zao signed it.

She could smoothly chase ye Zao out.

Unexpectedly.

Ye Zao actually saw through the loophole.

How did ye Zao See Through It?

“If yesterday’s Ye Zao was because elder Zhang was guiding him from behind, then what about today?”

Who was guiding ye Zao from behind today?

“At this moment, there was a knock on the door.”

“Come in.” Zhao Xueyin raised her head and looked in the direction of the door.

“A moment later, the door was pushed open and a tall figure walked in from outside.”

““Big Brother Si, I was just about to look for you.” Seeing the person who came, Zhao Xueyin immediately stood up from the boss’s chair.”

“Si lui said, “I already know about Liu Neng.””

“Zhao Xueyin continued, “It seems that I underestimated ye Zao.””

Underestimated ye Zao?

Did Ye Zao underestimate him?

She was an incompetent person!

“Si Lui’s eyes glazed over and he continued, “Other than you and Liu Neng, who else has read the proposal?””

“Zhao Xueyin shook her head and continued, “You suspect that someone read the proposal in advance?”

“Yes.”The lawyer nodded.

He had gone to the official website to read the proposal.

“Zhao Xueyin was a very strict person, and the proposal was flawless. ”

“If one was not a professional financial expert, one would not be able to see any loopholes. ”

Ye Zhuoxing?

“If Ye Zhuoxing was really good, then there was no need for his face to be widely publicized within the consortium! ”

Did he really think that the consortium was the entertainment industry?

Therefore.

Someone must have read the plan in advance and told ye Zao about the loopholes.

“Then what should we do next?”Zhao Xueyin followed up with a question.

“”There’s no rush. This is just the beginning.”Si lui said unhurriedly, “President Yu has left so many questions. Let’s see when our new president can handle it properly!” ”

President Yu was also an old fox.

“He knew that he was going to retire, so he piled up all the questions and waited for the new president to take over the mess.”

There were some problems.

“Not to mention elder Zhang, even if Zhao Xueyin came personally to handle it, it would still be a little troublesome.”

Zhao Xueyin nodded.

Right.

She couldn't be anxious now.

“After all, the days were still long!”

“If she couldn't handle the problem, even if elder Zhang took action, he might not be able to handle it.”

On the other side of the 58th floor.

“Ye Zhuo was standing in front of the French window, looking down at the scenery below him. At this moment, a video call sounded in the air.”

Ye Zhuo picked up his phone and swiped to answer it.

“Hello, Great Burning!” Little White's face appeared on the other end of the screen.”

“Doggy, What's Wrong?” Ye Zao raised his eyebrows slightly.”

“Whitey took a few steps forward and looked a little aggrieved. “Da Zao, where have you been? Silly cat and I have missed you!” ”

“”Meow!”As if he had cooperated well, brother Meow jumped on Whitey’s head and meowed. ”

He tilted his head and stared at ye Zao with his big eyes.

Little expression is a little cute.

“Chapter 1114: 244: Ruthless, face slapping as fast as the speed of light! 4”

“Ye Zao raised his eyebrows slightly and said in disdain, “How did the silly cat get fat again? Did you feed it canned food again?” ”

“Perhaps it was because he had wandered around before, but brother Meow did not feel full. He usually ate as much as he was given, and he ate like a pig before ye Zao came to Shunxi Financial Group. ”

“For the sake of brother Meow’s health, ye Zao specially ordered a set of healthy cat meals. ”

“However, Little White was afraid of starving brother Meow, so it often secretly fed brother Meow canned food. ”

It never changed.

“Hearing this, little white quickly shook its head and said, “No! I didn’t! Don’t talk nonsense!” ”

“Ye Zao continued, “Don’t feed the silly cat any more food! If I find out again, I’ll ask the butler to cut off the electricity for you.” ”

“Don’t!” Xiao Bai immediately acted coquettishly, “Da Zao Zao, you are the best da Zao in the world, the most beautiful da Zao in the Universe...” ”

“Ye Zao stretched out a white finger and shook it gently, “I’m not Grandma Cen. This trick is useless!” ”

Only Old Lady Cen would be coaxed by Xiao Bai until she couldn’t find her bearings.

“As long as Xiao Bai said ‘the best Grandma in the Universe’, Old Lady Cen could even tell Xiao Bai the password to her bank card. ”

“Xiao Bai continued, “Alright, Alright! Just don’t feed her in the future! Great Burning, you go ahead! I’m Hanging Up!” ”

“Okay.” Ye Zhuo nodded slightly.

Xiao Bai cut off the video.

“After hanging up the video, Xiao Bai turned on the search engine. ”

“Ten seconds later, Xiao Bai said excitedly, “Ah! I found it!” ”

“Meow!” Brother Meow responded very cooperatively.

“In the next second, little white slid into ye Langhua’s room and said sweetly, “Grandma!” ”

“Who is it?” Ye Langhua’s voice came from inside.

“It’s the universe’s most powerful little white!”

“Come in.”

Little White pushed the door open and entered.

“Ye langhua smiled and said, “Little White, is there something you need from me?” ”

“Little White said, “Grandma, I want a piece of clothing. Can you help me place an order?” ”

“What kind of clothing?”Ye Langhua asked curiously.

“Although Little White was a robot, ye Langhua had never thought of it as a robot because it had a super intelligent brain. ”

“Little White immediately switched the display screen on its head to the online shopping page. “Well, it’s the first one in the shopping cart.” ”

It was a very cute piece of clothing.

“There was a huge pocket on its chest. According to the shop’s introduction, this pocket could fit a cat. ”

Little White had also searched for a long time before finding this piece of clothing.

“”Grandma, Can you help me buy it?”Little White walked to ye Langhua’s side and rubbed her leg. “Dear beautiful grandma, you’re the Best!” ”

“Ye langhua smiled and said, “Sure, I’ll help you buy it. Isn’t it just a piece of clothing?” ”

“Yay! Long live Grandma!”

“Ye Langhua clicked on the order, and little white continued, “Grandma, remember to pick the fastest delivery method!” ”

“Okay.”Ye Langhua chose the delivery method today.

“Seeing that the order was successfully placed, Little White was so happy that it was about to cheer. “Thank you, Grandma! Grandma, you’re simply the best, most beautiful, and kindest good grandma in the world!” ”

“Ye langhua smiled and said, “If I buy you things, I will be the best grandma in the world. What if I don’t Buy You Things?” ”

“”Of course, I will be the best Grandma!” ”

It was the smartest robot in the world.

Want to trick it?

Impossible!

“Under Little White’s anticipation, the express delivery delivered the clothes at three in the afternoon. ”

“Little White opened the express delivery and impatiently put the clothes on its body. It opened the pocket on its chest and said, “Come, silly cat, jump in quickly.” ”

“Meow!”Brother Meow jumped in very cooperatively.

“Although brother Meow was very fat, it could barely fit in the big pocket. It just looked a little funny. ”

“”Meow, Meow, Meow!”Brother Meow looked up at Whitey and meowed a few times. ”

“Whitey said excitedly, “I know! I know! Let’s Go Right Now!” ”

“Meow!” Brother Meow was also very excited!

Little White’s operating system quickly slid out.

It was very fast.

It was so fast that only an afterimage was left.

“After dozens of seconds, it slid back backwards. “I almost forgot!” ”

“Meow?” Brother Meow raised his head with a face full of question marks.

“Little White quickly slid into the house, took a few cat cans and stuffed them into its pocket. “I almost forgot about the cat cans!” ”

“Seeing the cat cans that Little White was holding, brother Meow silently retracted his paw that was about to scratch someone. ”

“After putting the cans away, little white continued, “Silly cat, we have to set off now!” ”

“Chapter 1115: 244: Ruthless, face slapping as fast as the speed of light! 5”

“Meow.”

“Let’s Go!” Whitey increased its power and rushed forward quickly.

“Whitey’s equipment was very high. When it was fully charged, running 80-90 kilometers was no problem at all. ”

“Not long after, Whitey rushed out of the manor area and came to the busy downtown area. ”

“When it reached the front, little white suddenly stopped. ”

“”Meow?” Brother Meow called out in puzzlement, as if asking why it had stopped. ”

“Little White said, “Are you an idiot! Can’t you see that there’s a red light ahead?” ”

“Hearing this, a child who wanted to run a red light was so scared that he immediately retracted his foot and turned to look at little white. ”

“He widened his eyes in curiosity and tugged at the hands of the adults beside him. “Mommy, Mommy! What is this thing?” ”

“Coincidentally, the red light turned green. ”

Whoosh —

Whitey immediately rushed out.

The young mother turned around and looked lonely. “What is it?”

“It was there just now! It was still talking!”

The mother bent down and carried the child. “You saw wrongly.”

“I didn’t see wrongly! It really was there!”

“The mother smiled helplessly. “Alright, Alright, Alright! It was there just like you said.” ”

““It’s not like that.”The child felt a little wronged. “There really was a cat just now! Its head was round, and it had a big belly. On its belly grew a super big fat cat!” ”

A Cat on its belly?

This child must have watched too many cartoons.

“His mother continued to smile perfunctorily. “Alright, Alright. I understand.” ”

The child was about to cry.

He really saw it!

But why didn’t his mother believe him?

...

Shunxi Financial Group.

Ye Zhuo dialed his secretary’s internal line. “Allie?”

““The President is me.”Hearing ye Zhuo’s voice, Allie immediately straightened her back and sat upright.  
”

“Ye Zhuo continued, “Tidy up the financial statements of the Financial Group for the past ten years and bring them over.” ”

What was the lifeline of a financial group?

Wealth.

“If a consortium could not even manage the most basic word ‘wealth’, then it would not be far from going bankrupt.”

“If one wanted to do a good job, one must first sharpen their tools.”

“If ye Zhuo wanted to take control of the Shunxi consortium in a short period of time, he had to figure out the financial situation of the Shunxi Consortium for the past ten years.”

“After experiencing the incident with Liu Neng, Allie did not dare to neglect ye Zhuo anymore.”

She didn’t want to become the second Liu Neng.

“Not only was she fired from the financial group, but she also added a black mark on her resume.”

It would be difficult for Liu Neng to join a large financial group in the future.

Unless in her next life.

““Okay, right away.” ”

“After hanging up the phone, Allie immediately went to the finance department to organize the financial statements.”

“Ten years of financial statements, a whole basket. ”

One person couldn't carry it at all.

Ali could only find another secretary from the Secretary team to help her.

The two of them carried the basket and walked out.

“Just as they reached the waiting area of the elevator, they bumped into Si Lu, who was walking towards them. ”

“Chairman Si.” Ali and Lai Si greeted him respectfully.

Si Lu looked at the basket that the two of them were carrying and frowned slightly. “What are you guys going to do?”

“Allie explained, “Send the financial statements to the President.” ”

“So Many?” Si lui continued to ask.

“Yes.” Allie nodded. “The president asked me to send her the financial statements of the Financial Group for the past ten years.”

The financial statements for the past ten years?

What did ye Zhuo want to do?

“With her brain, how could she understand the financial statements of the financial world? ”

“Moreover, with so many financial statements, when was she going to see them? ”

Was she putting on an Act?

Ding —

“At this moment, the elevator door opened.”

“Allie turned to look at Si Lu. “Chairman Si, we’ll be going up first.” ”

Si Lu nodded.

“Allie and Lai Si carried the basket to ye Zhuo’s office and knocked on the door. “Miss Ye, we’re here.” ”

“Come in.”Ye Zhuo’s voice came from inside the room.

Allie pushed the door open and entered.

““President, these are the financial statements you requested.” ”

“Ten years old?”Ye Zhuo raised his eyebrows slightly.

“Yes.”

Ye Zhuo stood up from the boss’s chair and walked to the front. He placed the basket on the office desk with one hand.

“At this moment, Allie and Lai Si thought that they were hallucinating. ”

This basket weighed at least 50 to 60 pounds.

Both of them felt that it was too heavy to carry.

But Ye Zao...

He actually picked it up with one hand.

“And it was light, as if it was not heavy at all.”

Allie and Lai Si looked at each other and saw the disbelief in each other’s eyes.

“Ye Zao picked up the report in the basket. After a moment, he looked up slightly. “It’s missing 18 and 11 years.” ”

“I don’t think so! I remember I’ve found all of them!” Allie was stunned.

Ye Zhuo didn’t say anything more and put all the documents on the desk. “Read them yourself.”

“Chapter 1116: 244: ruthless methods, face slapping as fast as the speed of light! 6”

“At this glance, Allie was stunned.”

“Indeed, 18 and 11 years of reports were missing.”

Ye Zhuo was too amazing.

“With just a few glances, he could tell that two years were missing.”

“President Ye, you’re really amazing!” Allie continued, “I’ll go to the finance department to look for 18 and 11 years of reports.” ”

“Les looked at Ye Zhuo. “President, can I go with sister Allie?” ”

Ye Zhuo nodded slightly.

Les immediately followed Allie’s footsteps.

“Just as they walked out of the door, Les couldn’t help but say, “Sister Allie, did you see that just now? President ye is really amazing!” ”

Allie nodded. “He is indeed amazing.”

Twenty minutes later.

Allie and Les brought the reports to ye Zhuo’s office.

“In just thirty minutes, half of the reports had already been put back into the basket.”

Allie and Lai Si looked at each other and saw the confusion in each other’s eyes.

“It had only been thirty minutes, and Ye Zhuo had already finished reading so many reports?”

Even a senior accountant wouldn’t be able to do this!

Ye Zhuo was exaggerating too much.

“Allie placed the reports on the desk and continued, “Miss Ye, if there’s nothing else, we’ll be leaving first.” ”

“Okay.”Ye Zhuo nodded slightly.

Allie and Lai Si returned to the secretary’s office.

Not long after.

Allie appeared in Zhao Xueyin’s office.

“Zhao xueyin smiled and said, “Allie, I heard that President Ye has been looking for the financial statements of our consortium for the past ten years?” ”

“Yes.”Allie nodded.

“Zhao Xueyin continued, “Did she say anything after she read it?” ”

Allie shook her head. “No.”

Zhao Xueyin narrowed her eyes.

“Allie continued, “I think President Ye was just putting on an act.” ”

Zhao Xueyin raised her eyebrows. “What do you mean?”

“Allie said, “A whole decade of financial statements, and Miss Ye actually finished reading them in less than an hour.” ”

She had searched for nearly an hour for these statements.

But ye Zao actually finished reading them in an hour.

This was too heaven-defying!

Unless she just wanted to go through the motions.

“Zhao Xueyin nodded and had a plan in her heart. “Okay, I got it.” ”

“”Miss Zhao, if there’s nothing else, I’ll take my leave first,”Allie said. ”

“Go.”

Allie turned around and left.

“Zhao Xueyin seemed to have thought of something and then said, “Wait!” ”

“Do you have any other orders?”Allie turned around in confusion.

“Zhao Xueyin smiled and walked over. She held Allie’s hand and gave her a shopping card, “Allie, I remember that you’ve been in our Shunxi Financial Group for three to four years. You’ve performed very well during this period of time. This is your reward.” ”

“Allie quickly declined, “Miss Zhao, I can’t accept this.” ”

“”Keep it.”Zhao Xue smiled and said, “Aili, your future will definitely be bright and bright.” ”

These words contained infinite meaning.

“Then thank you, Miss Zhao.” Aili wasn’t a fool and naturally knew the meaning of these words. ”

“Looking at Aili’s back view as she left, Zhao Xueyin narrowed her eyes. ”

Want to fight with her?

Ye Zhuo...

He was still too young.

“Just as Allie left, the door to Zhao Xueyin’s office was pushed open again. ”

“This time, it was Zhao Xueyin’s personal wardrobe designer, Annie. ”

“Miss Zhao.”

Zhao Xueyin raised her head slightly. “Speak.”

“Annie said, “I’ve already matched your gown and jewelry for tonight’s banquet. Please take a look.” ”

Today was the 26th.

Zhao Xueyin was going to attend elder Zhang’s welcoming banquet for ye Zhuo tonight.

Zhao Xueyin definitely couldn’t lose to ye Zhuo in terms of dress and accessories.

“Let me have a look.”

Annie clapped her hands.

The two assistants immediately pushed a mannequin into the room.

Zhao Xueyin looked up. "I'll take this one."

Annie nodded. "Okay."

...

On the other side.

In Ye Zhuo's office.

"After looking through all the financial statements, Ye Zhuo began to summarize the questions."

Knock Knock Knock —

There was a knock on the door.

"Come in."

The next second.

Pa..

The door was pushed open from the outside.

""Surprise!"Little White descended from the sky with brother Meow. "Beautiful big burning, your most adorable little white has brought a silly cat!" "

“Ye Zhuo was stunned and stood up from his chair. “Doggy, how did you get here?” ”

“Meow!”

Brother Meow jumped out of Little White’s pocket and jumped onto ye Zhuo’s body.

Ye Zhuo reached out and caught brother Meow.

“Little White ran over. “Big Scorch, I want to Hug You Too!” ”

Ye Zhuo reached out a hand and held Little White’s head. “You haven’t told me how you got here.”

“Little White said, “After they found your location, they came looking for you! It’s mainly because the silly cat said that it missed you. Otherwise, I wouldn’t have come!” ”

“You came here by yourself?”Ye Zao asked.

““Of course!”Little White said proudly, “I’m so powerful now that I can even look at traffic lights!” ”

“Although the Shunxi Financial Group had a security system, under normal circumstances, outsiders wouldn’t be able to enter. ”

But who was little white?

This kind of security system couldn’t stop it at all.

““Big Burning, when are you getting off work?”Little White asked. ”

Ye Zao looked at the clock on the wall. "Wait a little longer."

"Little White continued, "Then I'll wait for You! Silly Cat, come over! Don't disturb big burning's work." "

"Brother Meow crawled into Ye Zao's arms, unwilling to go over. "

"I have your favorite canned fish here!"

Hearing that.

Whoosh!

"Before ye Zao could react, brother Meow rushed into Whitey's pocket. "

"Seeing that brother Meow was eating so happily from the canned fish, ye Zao did not say anything more. "

A cat only had one life.

"Since brother Meow liked it, then let it eat. "

Ye Zao continued with the work that he had not finished. Whitey was waiting for her with brother Meow by the side.

"A human, a cat, and a robot. "

The scene was surprisingly harmonious.

...

They got off work at night.

Ye Zhuo went back with Whitey.

Brother Meow sat obediently in Whitey's pocket.

"Along the way, everyone turned to look at the prime minister. "

"That cat is so cute!"

"Oh my God! That robot is so cute! I want to buy one too!"

"I wonder where President ye bought it from."

"I heard that President Ye is a professor in the science and Technology field. This robot should be her own work, right?" "

"President Ye is too awesome."

"..."

"Little White followed ye Zhuo out of the consortium. Just as they walked out of the door, little white said, "Do you hear that, great burning?" "

"Hear what?" Ye Zhuo raised his eyebrows slightly.

Little White's eyes sparkled. "Someone just praised me for being cute!"

Ye Zao:” ...”

Not long after.

The car stopped in front of the top hotel in the financial center.

“Little White said in shock, “Da Zao, is this where you’re staying now? It’s so luxurious!” ”

“Ye Zao said, “No, I have a banquet to attend tonight.” ”

“OH.” Little White nodded.

“Ye Zao continued, “Follow me closely later. Don’t run around.” ”

“Got it.” Xiao Bai nodded and obediently followed behind ye Zao.

Ye Zao had just stepped into the hotel when a waiter came up to him. “May I ask if you are Miss Ye?”

“Yes.”

“The waiter continued, “Miss Ye, please follow me this way.” ”

Chapter 1117: 245: The Banquet has begun. Zhao Xueyin’s face has turned green! 1

Ye Zhuo followed the waiter’s footsteps.

They walked into the hall together.

“Little white asked curiously, “Where are we going?” ”

“Hearing this, the waiter turned around slightly and was about to explain when the ‘person’ who spoke was actually little white. His face was full of surprise. “It... It can talk?” ”

“When she first entered the door, she saw Whitey following behind ye Zao and thought that Whitey was just a very ordinary robot. She did not expect it to actually be able to talk. ”

“Whitey politely waved at the waiter, “Hello, Little Sister! Not only can it talk, it also knows how to clean, wash dishes, and wash dishes. Only you would not have thought that it is the smartest and cutest robot in the universe, ye Whitey!” ”

The waiter was stunned.

“This robot was a little different from what she had imagined. Not only could it speak, but it also had its own thoughts. This was too intelligent! ”

“After a moment, the waiter came to his senses and said with a smile, “Hello, Hello!” ”

“You haven’t answered me. Where are we going now!”Xiao Baibai continued to say.

“The waiter said, “Elder Zhang has prepared a dress for Miss Ye to wear at the banquet. We are going to the changing room now.” ”

“OH.”

“”Meow,”brother Meow answered. ”

The waiter then noticed that there was a cat in Whitey’s pocket.

Oh My God!

This is so cute!

“After a while, they arrived at the changing room.”

“A young woman wearing a uniform stood outside the changing room. The waiter came forward and said, “Sister Amy, this is Miss Ye.” ”

“Amy immediately walked forward. “Hello, Miss Ye! I’m Amy, your costume designer for tonight. This way, please.” ”

“Okay.”Ye Zhuo nodded slightly and turned his head to look at Whitey. “Wait outside. Don’t cause any trouble.”

“Okay.”

The waiter looked up at Ye Zhuo and mustered up his courage. “Miss... Miss Ye.”

“What’s Wrong?”Ye Zhuo looked back slightly.

“The waiter continued, “Can... can I take a photo with it?” ”

“Sure.”

““Thank you, Miss Ye!”The waiter was very excited. ”

“You’re welcome.”Ye Zao’s eyebrows remained the same.

“After getting ye Zao’s approval, the attendant immediately took out his phone from his pocket, adjusted it to selfie mode, and started taking photos. ”

“Xiao Bai said, “Miss Ye, remember to give me a pretty face!” ”

“Meow.” Brother Meow expressed his agreement.

The attendant looked at Xiao Bai in surprise. “You even know about pretty faces?”

“Of course!” Whitey placed its hands on its waist and said proudly, “Not only do I know about beauty, I know a lot! I’m the most powerful robot in the world!” ”

“Oh my God! It’s so cute!” The waiter’s heart was about to melt from cuteness. He adjusted the camera mode to the video mode.

“Whitey continued to ask, “Little sister, do you think I’m cute or this silly cat is cute?” ”

“Meow!” Brother Meow stuck his head out of his pocket and stared at the waiter with his Big Kazilan Eyes.

“You two are so cute!”

“Perfunctory!” Whitey grunted. “I’m obviously cuter than this silly cat!”

“Meow!” Brother Meow stretched out his paw and slapped Whitey in the face.

The waiter was amused by this scene.

...

In the changing room.

“Since she hadn’t seen ye Zao before, Amy didn’t know what style ye Zao would be suitable for, so she chose three different gowns.”

The first one was white.

White was the least picky color.

Those with yellowish skin could brighten up their skin by wearing white. Those with fair skin could make their skin as white as snow by wearing white.

“In addition, White also had the meaning of not being stained by mud. Therefore, many people would choose white evening dresses at the banquet.”

The second set was a pink princess dress.

“Compared to white, pink was a little picky about skin color.”

“Those with slightly darker skin color would not stay in pink. Fortunately, the design of this evening dress was more playful. When it was really worn, it was not as ugly as imagined.”

The third set was black.

“It was a simple strapless design. The black skirt was inlaid with tiny diamonds. When one looked at it, it was sparkling like a dazzling starry sky.”

It was mysterious and elegant.

“Compared to white and pink, Black was the most picky color.”

“Black was not only picky about the skin, but also about the facial features and temperament, especially this starry sky design. ”

“Skin color, facial features, temperament, as long as one of these three could not keep up, it would be suppressed by the rich black, overwhelming the host. ”

“”Miss Ye, look at these three gowns, which one would you like to try?” ”

Chapter 1118: 245: Zhao Xueyin’s face turned green when the party started! 2

“I’ll take this one.”Ye Zao preferred black.

Amy was stunned.

She hadn’t expected ye Zao to choose this Black Starry Night Gown.

“Although ye Zao was very beautiful, she was too young. ”

“She was too young, and her temperament couldn’t keep up. She couldn’t use this black starry night gown at all. It might be self-defeating. ”

“According to her years of experience as a costume designer, Ye Zhuo was more suitable for the white dress. ”

Choosing the white dress would bring out the advantages of Ye Zhuo.

“With the idea of being responsible for her job, Amy reminded her, “Compared to black, I still think white suits you better. This white design can bring out your temperament better.” ”

“”Thank you, but I prefer the black dress.”Perhaps it had something to do with her job, but ye Zhuo really liked the starry night. ”

“Especially when she was traveling in a spaceship, she could sit in the cockpit and watch for an hour without moving. ”

“Therefore, as soon as she came in, her eyes were attracted by the black dress. ”

“Hearing this, Amy frowned without a trace. Anyway, she had already reminded ye Zao that he didn’t believe her. No matter how much she said, Ye Zao wouldn’t listen to her. Amy didn’t say anything more, picked up the black gift and handed it to Ye Zao, she smiled and said, “Miss Ye, come in with me.” ”

“Ye Zao said, “I’ll go in and change myself.” ”

She didn’t like having a second person there when she was changing or taking a shower.

“Amy explained, “It might be inconvenient for one person to wear this gown.” ”

“”It’s okay,”ye Zao said. “I can do it myself.” ”

“Amy nodded and handed the dress to Ye Zao. “If you run into any trouble during the fitting, just let me know.” ”

“Okay.”Ye Zao nodded slightly.

Ye Zao went in to change.

Amy stood outside the door.

“Just then, her phone rang.”

“Amy picked up the phone. It was a message from her colleague, Annie.”

[ which dress did Miss ye choose? ]

Amy replied: [ the black one. ]

“Seeing Amy’s reply, Annie sent a voice message. “Black? The black one isn’t easy to control, is it?” ”

“Afraid that ye Zhuo might hear something, Amy didn’t send a voice message. She continued to edit the text. [ I don’t think she can control it either, but she won’t listen to me. What can I Do? ] ”

“”Anyway, you’ve already reminded her. If she insists on wearing that dress, then it’s her own problem!” ”

“After chatting with Amy, Annie knocked on the door of the fitting room. “Miss Zhao.” ”

“What’s Wrong?”Zhao Xueyin asked.

“Annie continued, “Amy replied that she wants Miss ye to choose the black starry sky dress.” ”

“Black?”Zhao Xueyin narrowed her eyes.

“Yes.”

Zhao Xueyin had seen the black starry sky gown before. Anyone who did not have a certain age and experience would not be able to control it.

Ye Zhuo was going to wear that?

“Zhao Xueyin looked at herself in the mirror. The beauty in the mirror was extremely beautiful. She had a standard oval face, almond eyes, and willow-like eyebrows. Her skin was as white as snow, and she was as beautiful as a flower.”

“In recent years, the number of people who pursued Zhao Xueyin could be ranked from the financial world to the International Financial Center.”

Although ye Zao was good-looking.

In terms of experience and temperament.

She really could not compare to herself.

She was inferior to ye Zao.

“If she wore the same style of dress as ye Zao, would others be able to see ye Zao?”

The people who came tonight were all powerful people in the financial world. They could take this opportunity to completely crush ye Zao and stomp him under their feet.

A real Phoenix was not something a small sparrow could compare to.

“Zhao xueyin smiled and said, “Annie.” ”

““I’m here, Miss Zhao.” ”

“Zhao Xueyin continued, “What do you think of me wearing that black starry sky gown?” ”

“If you were to wear that black starry sky gown, you would definitely surpass Miss Ye by a few streets,” Annie replied. ”

These words were not flattery.

“Zhao Xueyin wanted experience and experience, she wanted temperament and temperament, she wanted face and face. Her age was also there. She was very good in all aspects. If she were to wear the same gown as ye Zao.., the others at the banquet might not be able to see ye Zao! ”

“Hearing this, a glimmer flashed across Zhao Xueyin’s eyes. She turned around and walked out of the changing room. She picked up her phone and made a call. “Hello, is this David?” ”

“I’m in urgent need of the DL family’s black starry sky gown.”

“Not knowing what was said on the other end, Zhao Xueyin continued, “It’s best to bring it over within an hour.” ”

“A moment later, Zhao Xueyin hung up the phone and turned to look at Annie. “Who’s Ye Zao’s Makeup Artist Tonight?” ”

“Chapter 1119: 245: When the banquet started, Zhao Xueyin’s face turned green! 3”

There was no such thing as a natural beauty. Real Beauties were all made up by makeup.

“Even if ye Zhuo had a good foundation, she still needed makeup. ”

“Annie thought for a moment and said, “It seems to be Xiao Li.” ”

Xiao Li?

“Ms. Liu’s disciple?” Zhao Xueyin asked.

“Yes, it’s her.” Annie nodded. ”

“Hearing this, Zhao Xueyin heaved a sigh of relief. ”

It was Ms. Liu who had put makeup on her.

A master and a disciple.

Who was superior and who was inferior.

A discerning person could tell at a glance.

A good makeup artist could turn an ugly woman into a beautiful woman.

A makeup artist with poor skills could turn a beautiful woman into a scene of a horror movie.

“In addition, Ye Zao had chosen the wrong costume. ”

“Tonight, ye Zao was destined to be her foil. ”

“After a while, Zhao Xueyin continued, “Annie, are you close to Xiao Li?” ”

“To be safe, she had to do something. ”

“Otherwise, she would feel uneasy. ”

“Close! Of course!” Annie nodded. “We often eat together!”

“Zhao Xueyin continued, “Then go and help me do something.” ”

“What is it?” Annie asked.

“Come here.” Zhao Xueyin waved at Annie.

“Annie bent down slightly, and Zhao Xueyin whispered something into Annie’s ear. ”

“After a while, Zhao Xueyin looked up. “Do you understand?” ”

“I understand.”

“Zhao Xueyin continued, “Go and do it.” ”

Annie picked up her phone. “Then I’ll go now.”

“Looking at Annie’s back, Zhao Xueyin’s lips curled up. ”

“Tonight, she would definitely win. ”

On the other side.

“Amy waited outside the door for about ten minutes, but ye Zao still didn’t come out. ”

“She was worried that ye Zao wouldn’t wear it, but she was too embarrassed to ask. “Miss Ye, do you need help?” ”

“Thank you. No, I’m almost done,” ye Zao’s voice came from inside. ”

“Amy said, “If you need help, just let me know.” ”

“Okay.”

“After knowing that ye Zhuo didn’t need help, Amy continued to play with her phone. ”

“Where’s Miss Ye?”The makeup artist came in from outside.

“Xiao Li, you’re here!”Amy put away her phone. “Miss Ye is still changing inside.” ”

“The makeup artist nodded. “Which gown did you choose, Miss Ye?” ”

She had to choose the right makeup based on the style of the gown.

“Although she had received money from Zhao Xueyin, she still had to do the superficial work. ”

“Amy said, “The black one.” ”

“Black?”Obviously, the makeup artist also felt that the black gown was not suitable for ye Zao. “Can she handle it?” ”

The black starry night gown needed pure beauty.

The temperament was suitable.

“It wasn’t that ye Zao wasn’t good-looking. It was just that ye Zao’s current aura and experience hadn’t reached that level yet, so she couldn’t bear it. ”

“Amy shrugged. “I couldn’t help it. I told her that White was suitable for her, but she wouldn’t listen.” ”

“The makeup artist smiled. “Young girls nowadays are all like this. If they think they’re good-looking, they can wear whatever they want. It’s fine if they don’t listen, but we can do whatever we want with whatever money we get! “As long as we can live up to our profession.” ”

“Amy nodded. “Yes, you’re right.” ”

“Ye Zao would be the one making a fool of himself, not her. ”

Creak —

At that moment.

The door of the fitting room was pushed open.

Amy looked up.

When she saw it.

She was stunned.

This... This was ye Zao?

The makeup artist was so shocked that she couldn’t close her mouth. Her eyes were filled with surprise.  
“My God! This is too good-looking!”

A slender figure was standing there.

“She was wearing a black starry night gown. Under the illumination of the lights, the diamonds in front of the gown reflected a dazzling light.”

This evening gown had another name.

The Moon was surrounded by the stars.

The bright stars surrounded the moon. Even people who were slightly lacking in beauty and temperament would be eclipsed by this evening gown.

“However, ye Zao perfectly interpreted the words ‘all the stars are supporting the Moon’ without any reservations.”

There was a sense of coldness in the beauty.

The mountain was raised high.

It was beyond the reach of others.

“Xiao Li, the makeup artist, had put makeup on many socialites, daughters, and celebrities. She had seen countless beautiful women with good looks and temperament, but this was the first time she had seen someone wearing this starry evening gown like this.”

It could no longer be described as simply beautiful.

This kind of beauty made people jealous.

No wonder even Zhao Xueyin was so afraid that she had to put in so much effort into ye Zhuo’s makeup.

Xiao Li narrowed his eyes.

“Chapter 1120: 245: the party started, and Zhao Xueyin’s face turned green! 4”

“After a long while, Amy finally reacted. “Miss Ye, can I take a photo with you?” ”

“Sure.”Ye Zhuo nodded slightly.

“Amy handed the phone to Xiao Li. “Amy, take a photo with us.” ”

Xiao Li took the phone and nodded with a smile. “Okay.”

“After the photo, Amy continued, “By the way, Miss Ye, elder Zhang and the others are already waiting for you in the back hall. You should hurry over!” ”

“Okay.”Ye Zao nodded slightly.

“Hearing this, Xiao Li immediately became anxious and said, “I haven’t put on makeup yet!” ”

“Amy shook her head. “Miss Ye is naturally beautiful. If you put on makeup, you’ll look too white. If you put on makeup, you’ll look too red. This is just right! You Don’t need to put on makeup anymore!”The costume designer’s eyes were very sharp, amy had never seen a girl so stunning without makeup. It was as if she had her own beauty. ”

It was said that ten beauties had ten make-up.

“Obviously, this sentence could not be used on Ye Zao. ”

Xiao Li’s smile froze.

“Of course, she knew that ye Zao was just right.”

But how could she make ye Zao Ugly without makeup?

“Soon, Xiao Li’s expression returned to normal. He smiled and said, “Miss Ye looks very good like this. If you put makeup on, you’ll look even better!” ”

“As he said that, he opened the makeup case. “Miss Ye, I’ve put makeup on many celebrities and socialites. Don’t worry, I’ll definitely let you see the most beautiful version of yourself.” ”

““Thank you, but there’s no need,”ye Zao rejected flatly. “I also feel that this is just right. If the makeup is too thick, it will backfire.” ”

Xiao Li tried his best to keep a smile on his face.

Ye Zao turned around and walked outside.

“He was wearing a pair of crystal high heels. When he walked, his footsteps were thudding, and he looked extremely imposing.”

He looked extremely like a queen who had returned from lust.

Just his back view alone was enough to make people scream.

““Doggie, let’s go.” ”

“Xiao Bai was chatting with the attendant outside the door when he suddenly heard ye Zao’s voice. He looked up and instantly, his eyes turned into stars. “Wow! Big Zao! You look too, too, too good looking like this!” ”

The waiter was also stunned.

“Black was a dull color. The slightest carelessness would cause one’s skin to be darkened by the black. However, when ye Zao wore it, it only made people think of four words. ”

Ice Skin and jade bones.

Ye Zao patted Little White’s head. “You mean that Daddy doesn’t usually look good?”

“”No! That’s not what I mean!”Little White continued, “You usually look good too, but now you look even better! Otherwise, how can you be the most beautiful in the universe!” ”

“Ye Zhuo took out the small mirror that he carried with him and admired himself for a while. After a while, he sighed, “Why am I so good-looking!” ”

“Little white replied habitually, “What should I do if I’m so good-looking?” ”

The attendant was stunned.

“It was the first time she had seen a girl as good-looking as ye Zhuo, and it was also the first time she had seen a girl as narcissistic as ye Zhuo. ”

“However, even though she said narcissistic words, no one felt that she was out of place. ”

It was as if...

She was born this way.

“After a moment, the waiter reacted. “Miss Ye, elder Zhang is waiting for you in the back hall. Follow me.” ”

“Okay.”Ye Zhuo nodded slightly and followed the waiter’s footsteps.

“Ye Zhuo and the others walked out of the corridor, but there was no one else. ”

Only the sound of footsteps could be heard.

...

On the other side.

Zhao Xueyin had successfully obtained the exact same starry night gown.

“She had a good foundation, and the makeup artist had a pair of skillful hands. After putting on this evening gown, she was so beautiful that she could not be described with words. ”

“Just as she finished putting on her lipstick, someone knocked on the door. ”

Annie jogged over to open the door. “Mr. Si.”

“The lawyer looked inside. “Miss Zhao, are you ready?” ”

“Hearing the lawyer’s voice, Zhao Xueyin frowned slightly. ”

She did not like to appear in public with the lawyer.

She was afraid of being misunderstood.

“In addition, the lawyer thought that she liked him, so every time she attended a banquet with the lawyer, Zhao Xueyin felt especially pressured.”

“Annie continued, “Not yet, why don’t you wait a little longer?” ”

“Okay.” Si lui nodded slightly.

“Annie closed the door and came to Zhao Xueyin’s side. “Miss Zhao, Mr. Si is here.” ”

“Got it.” Zhao Xueyin’s expression was a little ugly.

“A moment later, Zhao Xueyin stood up from the chair. “I’m going to the washroom.” ”

“When she came to the washroom, Zhao Xueyin made a call. ”

“Dad.”

“A few minutes later, Zhao Xueyin came out of the washroom and walked straight to the door. “Big Brother Si.” ”
