“Chapter 1121: 245: When the banquet started, Zhao Xueyin’s face turned green! 5”

Hearing that.

Si lui looked up and was momentarily stunned.

Zhao Xueyin was dressed in a black gown. Her already beautiful figure was now even more graceful.

“With the standard make-up of an older sister, she was a completely different person from her usual self.”

“She was like a fish in water, like a swan in water.”

“Zhao xueyin smiled and said, “Big Brother Si, why is this? Don’t you recognize me?” ”

“Si lui finally reacted and his face was slightly red. “I really don’t recognize you anymore. Xueyin, this gown suits you very well.” ”

““Really?”Zhao Xueyin looked at herself from head to toe. “I was originally worried that it didn’t suit me! When I heard brother Si say this, I was relieved! However, Brother Zhao, are you consoling me?” ”

““No,”the lawyer immediately explained, “What I said is true. This gown really suits you.” ”

““Miss Zhao, your bag.”Annie jogged out of the dressing room and handed Zhao Xueyin an exquisite mini handbag.”

“Zhao Xueyin reached out to take the bag and looked up at the lawyer. “Brother Si, let’s go.” ”

“Okay.”The lawyer nodded.

“At this moment, his phone suddenly rang.”

“Si lui picked up the phone and answered, “Uncle.” ”

““Okay, I got it.” ”

“After hanging up the phone, Si lui looked at Zhao Xueyin and said in embarrassment, “Xueyin, uncle is looking for me for something. I might not be able to go with you.” ”

“Zhao Xueyin said understandingly, “It’s okay. I’ll get the driver to send me there. You Do Your Thing.” ”

The lawyer nodded. “I’ll look for you after I’m done.”

“Okay.”

“After saying that, the lawyer jogged away.”

“After all, Father Zhao was quite anxious on the other end of the phone. He couldn’t let Father Zhao wait any longer.”

“Looking at the lawyer’s back, Zhao Xueyin’s eyes were filled with ridicule.”

One should know one’s place.

“Unfortunately, the lawyer didn’t know his place at all.”

She didn't know where he got the confidence to think that she liked him.

He had no family background.

He had no power.

"Once the Zhao family fell, the lawyer would also be finished."

It was also because of Father Zhao's bad judgment that he always used the lawyer as a spare tire.

In her opinion.

The lawyer didn't even have the right to be her spare tire.

"Even if she couldn't marry master five, she wouldn't marry a phoenix like the lawyer."

It was Father Zhao's various actions that made Si Rui mistakenly think that she liked him too.

"Every time she thought of this, Zhao Xueyin felt extremely uncomfortable."

She was extremely repressed.

"However, she couldn't say such things to anyone else."

"After a long while, Zhao Xueyin stopped thinking and handed her bag to Annie. "Let's go." "

Annie nodded and followed Zhao Xueyin's footsteps.

Not long after.

The car stopped at the entrance of the top hotel in the financial center.

“That night, the entire hotel was contracted by elder Zhang, and everyone who came was attending the banquet.”

“Zhao Xueyin had deliberately come at the right time. At this moment, rows and rows of luxury cars were already parked outside the hotel. Ye Zhuo was, after all, a descendant of the Ye family, and everyone wanted to see the elegant demeanor of the Ye family’s descendant.”

“Standing at the entrance of the hotel, Zhao Xueyin straightened her back and maintained a decent smile on her face.”

“Step by step, she walked into the hotel.”

The originally noisy banquet hall became quiet as Zhao Xueyin walked in.

“Is that Miss Zhao?”

““As expected, Miss Zhao is still Miss Zhao! With such grace, temperament, and looks, I’m afraid there’s no other person in the entire financial circle!” ”

““I wonder who is better, the descendant of the Ye family, compared to Miss Zhao?” ”

““Miss Zhao is wearing the DL family’s high-end starry sky gown tonight. It’s said that even the princess of country Y can’t wear this gown!”! I didn’t expect Miss Zhao to wear it so well! Putting everything else aside, just this outfit alone, that so-called descendant of the Ye family is going to lose!” ”

“Listening to all the exclamations, Zhao Xueyin mouth arc more intense.”

“Dear guests, good evening. Thank you for taking time out of your busy schedule to attend the welcome banquet organized by Shunxi Financial Group for Miss Ye Sealing, the descendant of the Ye family. Next, I would like to introduce Miss Ye to you... .”

“At this time, the air suddenly appeared in the voice of Zhang Old, was still looking at Zhao Xueyin of the crowd, have turned back to look at the stage.”

“They didn’t introduce her earlier, and they didn’t introduce her later. They just had to introduce her when she was in the limelight.”

Zhao Xueyin frowned.

This old fellow!

Did he do it on purpose?

But this was also good.

“This way, everyone could see her and Ye Zhuo more directly.”

It wouldn’t be awkward if they were wearing the same clothes.

It would be awkward if they were ugly.

“After tonight, Ye Zhuo would lose just in terms of imposing manner.”

Chapter 1122: 245: the banquet begins. Zhao Xueyin’s face is turning green! 6

Zhao Xueyin's lips curled up. She found a seat and took out her phone to reply to Father Zhao's message.

"What do you think this miss ye looks like?"

"She's definitely not as good-looking as Miss Zhao!"

"Why isn't she coming out yet?"

"She's coming, she's Coming!" "

"It can't be! This is what Miss Ye looks like?"

"This looks too ugly! It's not quite what I imagined. Forget about competing with Miss Zhao, I'm afraid it can't even compare to miss Zhao's little fingernail." "

"Hearing this, the mocking look in Zhao Xueyin's eyes became even more obvious. "

"At this moment, another voice suddenly appeared in the air. "

"Wrong, wrong! That's not Miss Ye! That's the one!" "

"Holy shit! This is too good-looking!"

"My God! What kind of Celestial Beauty Is This?"

"Miss Ye has pierced through the starry sky and created the feeling of an entire Milky Way! My God, how can there be such a good-looking person in the world!" "

Zhao Xueyin immediately looked up.

With this look.

Her expression immediately changed.

How could it be...

How could it be like this.

How could ye Zhuo control the starry sky so well?

“Moreover, she had clearly told Annie to get Xiao Li to make ye Zhuo look ugly on purpose!”

Why was Ye Zhuo still so good-looking?

““Miss Zhao and Miss ye are wearing the same style, right?”Someone below the stage recognized that the two were wearing the same style.”

““It’s not the same style, right? Miss Ye’s gown is clearly several grades higher than Miss Zhao’s!” ”

““It’s the same style, it’s just that a certain someone can’t afford it.” ”

The people who were praising Zhao Xueyin just a second ago began to change their sides.

“She deliberately stepped on the time and even wore a starry night dress that’s exactly the same as Miss Ye’s. What do you think a certain someone is thinking?”

““Of course it’s the thought of stealing the spotlight! Unfortunately, a certain someone overestimated himself and miscalculated.” ”

“ ... ”

“Looking at Ye Zao on the stage, who was like the Moon surrounded by stars, and listening to the unbearable voices around her, Zhao Xueyin’s face alternated between green and white. She wished that she could find a hole in the ground to hide in. She was so uncomfortable that she could hardly breathe. ”

Ye Zao originally thought that this was just a very ordinary banquet. He would be able to eat dessert in peace after going through the formalities.

“Unexpectedly, after the self-introduction on the stage, elder Zhang pulled her to toast to the seniors. ”

“Looking at ye Zao walking in the crowd, Zhao Xueyin gritted her teeth. ”

Her face was full of unwillingness.

“When Si lui came in, he saw elder Zhang bringing ye Zao to toast to everyone. ”

“Seeing the evening gown on ye Zao, Si Lui’s eyes obviously flashed with surprise, but the next second, he frowned. ”

This gown...

Seemed a little familiar.

“Right at this moment, Si lui suddenly recalled that Zhao Xueyin was also wearing the exact same evening gown. ”

What did ye Zao Mean?

“Taking advantage of the fact that she was prettier than Zhao Xueyin, he deliberately wore the exact same evening gown to embarrass Zhao Xueyin? ”

“Even though Si lui was not a girl, he knew that it was not awkward to wear the same gown. Whoever was ugly would be embarrassed. ”

“When he thought of this, the lawyer’s eyes were filled with disgust. ”

He originally thought that ye Zao was just arrogant and conceited. He did not expect ye Zao to be so scheming!

“Other than that face, what else could she be compared to Zhao Xueyin? ”

The master was wandering while the clown was in the palace.

Such a person was really disgusting.

“At this moment, Zhao Xueyin suddenly saw the lawyer who was not far away. ”

“Looking at Si Lui’s gaze, was he attracted to ye Zao? ”

No.

No.

Si lui liked her.

He couldn’t let ye Zao succeed.

A scumbag like ye Zao was not worthy of Si Lui's affection.

No!

Zhao Xueyin's hands clenched into fists.

"In a moment, si lui retracted his gaze and looked for Zhao Xueyin's figure in the crowd."

"Finally, he found Zhao Xueyin. Si lui immediately jogged over. "Xueyin." "

"Zhao Xueyin maintained her smile and said gently, "Big Brother Si, you're here." "

"Si lui nodded. "Xueyin, are you alright?" "

Zhao Xueyin was stunned. "What could have happened to me?"

"Ye Zao, she..." "

"Zhao Xueyin sighed, "I didn't expect that I would choose the exact same gown as her. If I had known earlier, I would have worn that white gown!" However, ye Zhuo looked much better in this dress than me! "Tell me, how can there be such a beautiful person in this world?" "

Si lui frowned slightly. "Can't you tell that she did it on Purpose?"

"On Purpose?" Zhao Xueyin was stunned. "You're saying that ye Zhuo did it on purpose?"

"Si lui nodded. "She did it on purpose! She knew that you chose this dress, so she chose the exact same dress as you." "

Hearing that.

Zhao Xueyin curved her lips without a trace.

So that was what Si lui thought.

Good.

This was really great.

““She, she didn’t do it on purpose, right?” Zhao Xueyin glanced at Ye Zhuo who was not far away.
“Although we are competitors in the business world, she shouldn’t be like this.” ”

“Si lui sighed. “Xueyin, you’re too kind! You like to think of the good in everything! Ye Zhuo did it on purpose, deliberately making a fool of herself in front of everyone.” ”

““No,” Zhao Xue Yin shook her head, “Brother Si, you must have made a mistake. Ye Zhuo doesn’t seem like that kind of person.” ”

Si lui was a little anxious when he saw Zhao Xue Yin like this.

Even he could see through this trick. Why couldn’t Zhao Xue Yin see through it?

“After saying that, Zhao Xue Yin continued, “Brother Si, don’t think too much. Although I also want to chase Ye Zhuo out of the consortium, that’s one thing. In private, I still hope to be friends with Ye Zhuo.” ”

““Xueyin,” Si lui said somewhat helplessly, “With your character, you will suffer in the future!” ”

“Zhao xueyin smiled and said, “Am I that stupid in your eyes? Can’t even differentiate between good and bad?” ”

“At this moment, a commotion suddenly came from the crowd.”

Zhao Xueyin turned her head to look.

She saw a tall figure walking towards the door.

“The person was about 1.85 meters tall and wore a handmade suit. Although it was a man, he had a small braid on his head. However, he did not look feminine. Instead, he looked exceptionally handsome, this made the socialites present exclaim in surprise.”

“Oh my God! is that Li Ruo?”

It was really Li Ruo!

Zhao Xueyin narrowed her eyes.

Who Was Li Ruo?

“The Deputy Chief of DK Financial Group, who was ranked first on the international financial ranking.”

Why was Li Ruo here at this time?

“Just as everyone was puzzled, Duanmu Ruo walked up to Elder Zhang and cupped her hands. “Elder Zhang, I, Li, came uninvited. Please don’t mind me.” ”

Elder Zhang was also stunned. He remembered that he did not send an invitation to DK Consortium. Why was Li Ruo here at this time?

““What are you talking about, Mr. Li? It’s simply an honor to have you here!” ”

“Li Ruo continued, “Congratulations, elder Zhang, for finally finding Miss Ye. Shunxi consortium can be considered to have a successor! Oh right, this is a gift that our fifth master prepared for Miss Ye. Please accept it with a smile, Miss Ye!” ”

Fifth Master had prepared a gift for ye Zhuo?

“When these words were said, everyone began to discuss animatedly.”

Even Zhao Xueyin was somewhat puzzled.

Why would fifth master give a gift to Ye Zhuo?

Could it be because of her?

1

Zhao Xueyin’s thoughts sank into two months ago.

“Two months ago, at an international financial conference, she had performed very well. Although she had not seen fifth master in person, she was very sure that fifth master had noticed her. ”

“Because at that financial conference, she was the only Chinese woman who had entered the top five. ”

“So, it must be because of her! ”

“Master five did not know about the conflict between her and Ye Zhuo, so he had people send gifts to Ye Zhuo! To support ye Zhuo! ”

Chapter 1123: 246: Great Burning Online Education! 1

“Master five seemed to be supporting ye Zhuo, but in fact, he was supporting the entire Shunxi Financial Group.”

“After all, she was now the acting chief of the Shunxi Financial Group.”

“Otherwise, master five wouldn’t have sent gifts to Ye Zhuo for no reason.”

“It must be known that before this, DK Financial Group and Shunxi Financial Group didn’t have any contact.”

Not to mention Shunxi.

DK was ranked first in the global financial ranking.

It was always others who tried to curry favor with DK. When had DK ever tried to curry favor with any other financial group?

Shunxi was the first!

“At the International Financial Conference two months ago, Zhao Xueyin knew that master five would attend the conference, so she made ample preparations.”

She was several streets ahead of the other foreign participants.

She became the only Chinese woman among the top five participants.

She was unique.

It would be difficult for master five not to notice her.

It also corresponded to that saying.

“If you bloom, the butterfly will come. ”

So...

Master five had fallen in love with her?

“Otherwise, master five wouldn’t have lowered his status and sent Li Ruo to deliver the gift. ”

“Other than that, there was no other reasonable explanation. ”

“The more Zhao Xueyin thought about it, the more excited she became. Her heart was about to jump out of her chest. ”

Bang Bang Bang —

One after another.

Zhao Xueyin had never felt this kind of feeling before. It was as if she could touch the fifth master as long as she stretched out her hand.

“Close, very close. ”

It turned out that the distance between her and the fifth master had unknowingly become so close.

“Although she was very excited, Zhao Xueyin still tried very hard to control herself. ”

Steady.

She had to steady herself now.

Master five was not a simple person.

This was just the beginning.

She had to make master five marry someone else.

“Since master five had already seen her now, she had the ability to make master five marry someone else.”

“Zhao Xueyin’s beautiful eyes narrowed, and her eyes were full of determination. ”

“Hearing Li Ruo say that master five had prepared a gift for ye Zhuo, the surrounding people discussed animatedly. ”

“Oh my God! Don’t Tell Me Miss Ye and master five know each other?”

“A hero can not overcome a beauty. is master five courting Miss Ye?”

“Holy shit! It Can’t be!”

“”Think about it carefully. Did Shunxi Financial Group and DK Financial Group have any relationship in the past? Once Miss Ye returned, master five eagerly asked Vice Chief Li Ruo to bring a gift over. Isn’t it obvious?” ”

“What you said seems to make sense.”

“You guys are too good at imagining things! What if they’re just ordinary friends?”

Master five wooed ye Zhuo?

“Hearing this, Zhao Xueyin’s eyes were filled with mockery.”

It was so funny!

Did Ye Zhuo really think he was something?

Would master five take a fancy to someone like her?

It was simply a fantasy!

But this was also good.

“Now everyone had misunderstood that master five was pursuing ye Zao and was interested in ye Zao. When the truth was revealed, they would see how ye Zao would still have the face to establish himself in the financial world!”

“At that time, she would be the first lady of the financial world.”

What was ye Zao?

He was a rat that everyone wanted to beat!

“Thinking of this, Zhao Xueyin’s face was full of joy.”

“At this moment, two strong men carried a box covered with a red cloth and walked inside. ”

Li Ruo looked back slightly. “This is the gift that fifth master prepared for Miss Ye.”

“When she said this, everyone discussed animatedly. ”

“This gift looks so special.”

“Guess what’s inside?”

“Could it be a thousand roses?”

“”1,000 roses? I think you’ve watched too many idol dramas!” ”

“Oh my God! I’m so looking forward to it!”

Facing the gifts that were brought in.

Elder Zhang was also very puzzled.

“He had been in the financial world for so many years, but this was the first time he had seen Li Ruo So Humble. ”

“If it were any other time, he wouldn’t even be able to say a word to Li Ruo. ”

Not to mention talking.

He even had to make an appointment to meet her.

“After all, Li Ruo was the deputy chief of DK Financial Group.”

But today.

“Not only did Li Ruo come to the banquet, but she also brought a gift on behalf of master five.”

What was the purpose of DK Financial Group?

Or did ye Zhuo know master five of DK?

“Elder Zhang narrowed his eyes, then looked up at Li Ruo and said with a smile, “Master Five is really too courteous! We are already honored that you can come to miss ye’s welcoming banquet. We can’t accept such an expensive gift!” ”

“Li Ruo said with a smile, “It’s not expensive. It’s just a small token from fifth master. Where’s Miss Ye? Fifth Master said that Miss Ye has to personally unveil the red silk.” ”

Want Ye Zhuo to personally unveil it?

Could it be that ye Zhuo and fifth master really knew each other?

Elder Zhang lowered his head and looked at his assistant beside him. “Go and call miss ye over.”

“Okay.”

“It was not easy for ye Zhuo to get to know all the seniors in the financial world behind elder Zhang. At this moment, she was eating heartily in the dessert area. She did not expect that elder Zhang would send someone over to call her after she had only eaten three pieces of dessert.”

Chapter 1124: 246: Great Burning Online Education! 2

“Why did elder Zhang ask me to go over?”Ye Zhuo wiped his mouth with a tissue.

The assistant briefly told him what had happened.

“Hearing this, Ye Zhuo raised his eyebrows slightly. ”

DK Financial Group?

Master Five?

Who was that?

Were they close?

Ye Zhuo followed his assistant over. “Elder Zhang.”

“”Burning burning.”Seeing ye Zhuo come over, elder Zhang smiled, then, he said, “Zao Zao, this is DK Financial Group’s deputy chief Li Ruo. Deputy Chief Li, this is elder Ye’s great-granddaughter, Ye Zao. She is also the new president of our Shunxi Financial Group.” ”

“”Hello, Miss Ye.”Li Ruo extended her hand to ye Zao in a gentlemanly manner. ”

“Although the girl in front of him was young, she already had the ability to make people’s breathing become chaotic. ”

No wonder that person was so worried.

A smile flashed across Li Ruo's eyes.

It was fleeting.

"Hello." Ye Zao reached out and held his hand.

"Li Ruo quickly released ye Zao's hand and continued, "Miss Ye, this is the gift our fifth master prepared for you. Fifth Master hopes that you can personally open the red silk on it." "

Ye Zao nodded slightly and walked to the front of the red silk. He reached out slightly and pulled open the red silk just like that.

Hua —

"In an instant, the rays of light were boundless. Under the refraction of the crystal light, it was so piercing that one could hardly open their eyes. "

"After seeing clearly what it was, everyone sucked in a breath of cold air. "

A Phoenix.

This was a phoenix that roamed the sky and returned after bathing in flames!

The Phoenix was made of pure gold.

The tail of the Phoenix swayed as it spread its wings and soared. The entire sculpture of the Phoenix was lifelike.

It was breathtaking.

The Phoenix rose from the ashes and returned from the fire of Desire!

“It’s a Phoenix!”

“It’s so spectacular!”

“What does fifth master mean by this?”

“”Can’t you tell? Fifth Master is a dragon, Miss Ye, a Phoenix! What do you think it means?” ”

“It was already puzzling enough for fifth master to get someone to send a gift, and this gift was even a Phoenix...”

Not everything was worthy of a Phoenix!

“For a moment, there were all sorts of things to say.”

Ye Zhuo’s brows and eyes were still the same. No expression could be seen on his clear and handsome face. He turned to look at Li Ruo. “I’ll accept the gift. Help me thank your master five.”

Li Ruo nodded. “I’ll definitely bring Miss Ye’s words to you.”

“Thank you.”

“”Miss Ye is too polite.”After saying that, Li Ruo looked at elder Zhang and continued, “Since the gift has already been sent, I Won’t disturb you anymore. Elder Zhang, Farewell!” ”

Elder Zhang was still a little confused. “I’ll send you off.”

He looked at ye Zhuo who was standing beside the Phoenix.

Zhao Xueyin narrowed her eyes slightly.

She could roughly guess what this Phoenix of Lord Fifth's meant.

This phoenix had two meanings.

The first meaning was to mock ye Zhuo. A Little Sparrow wanted to fly up to the branches and become a Phoenix?

Difficult!

The second meaning was that only she was a true Phoenix.

A Golden Phoenix that roamed the skies!

"Compared to her, ye Zao could not even be considered a little sparrow."

"Master five seemed to be giving ye Zao a gift, but he was actually mocking ye Zao."

"To be able to give such a gift, master five was really thoughtful."

"If it was anyone else, they really would not be able to guess Master Five's true intentions!"

Perhaps this was an evenly matched match.

"She and master five were the same kind of person, so she could instantly understand what master five meant."

Ye Zhongeng?

“Not only did ye Zhongeng not understand, but he also looked quite happy.”

She did not know what she was so proud of.

She could not even see such an obvious irony.

Did she really think that Master Five’s Phoenix was a gift for her?

It was simply so stupid that it was cute.

“Zhao Xueyin curled the corners of her lips, and the corners of her mouth were full of ridicule.”

“After sending Li Ruo out of the door and returning to the hall again, elder Zhang was still confused. He walked to Ye Zhongeng’s side and said, “Zhongeng, do you know master five from DK Financial Group?” ”

Ye Zao raised his eyebrows slightly. “I guess so.” If her guess was correct.

Elder Zhang nodded. “No wonder! No wonder!”

Ye Zao was a very outstanding person. It was normal for him to know master five.

“Zhao Xueyin happened to pass by Ye Zao. When she heard this, the mocking look in her eyes became even more obvious.”

She did not expect ye Zao to boast shamelessly that he knew master five!

How Shameless!

“If it were anyone else, they would not be able to say that.”

Ye Zao’s face could be said to be the corner of the city wall.

“Thinking of this, Zhao Xueyin paused for a moment before turning around and walking directly to ye Zao’s side. “Sister Ye Zao.” ”

Ye Zao raised his eyes slightly. “What’s the matter?”

“Zhao xueyin said meaningfully, “Sister ye Zao, you look so good in this gown! It’s like the stars surrounding the Moon. If I knew you were wearing it, I wouldn’t have worn it!” ”

““You say it like you didn’t mean to wear the same gown as me.”Ye Zao leaned slightly and lowered his voice, “Zhao Xueyin, is it okay to make things worse?” ”

Chapter 1125: 246: Great Burning Online Education! 3

“One word after another, loud and clear. ”

“Zhao Xueyin was stunned, and her face instantly turned pale. ”

What did ye Zao Mean?

How did she know?

“Before Zhao Xueyin could react, ye Zao’s figure disappeared from the dessert area in front of her. ”

“Zhao Xueyin looked at ye Zao’s figure, and her expression was a little subtle. ”

He should be proud!

She wanted to see how long ye Zao could be proud!

Ye Zao must be so conceited that he thought master five was interested in her.

“After all, a scumbag like her felt that all the men in the world should like her. ”

“In fact, in the eyes of those men, she was just a clown. ”

A disgusting clown.

“Thinking of this, Zhao Xueyin heaved a sigh of relief. ”

She was waiting for the day when ye Zao would become a clown.

““Xueyin, are you alright?”At this moment, Si Lui’s voice suddenly appeared in the air. ”

“Zhao Xueyin raised her head slightly. The expression on her face instantly returned to normal. She said in a gentle tone, “I’m fine.” ”

Si lui turned to look at Ye Zao’s back. “What did ye Zao say to you just now? Did she bully you?”

Ye Zao was good at scheming.

It could be seen from the clash of clothes.

Zhao Xueyin was not a match for ye Zao at all.

It was not that Zhao Xueyin was not capable enough.

It was that Zhao Xueyin disdained scheming.

A person who disdained scheming would definitely be at a disadvantage in front of a person who was good at scheming.

“It’s nothing,” Zhao Xueyin said softly. “Actually, Ye Zao is a very easy person to get along with in private. If we were not competitors, perhaps we could become very good friends. Sigh! “What a pity!” At the end of her sentence., zhao Xueyin sighed. ”

“The more Zhao Xueyin said this, the more the lawyer was worried. A person like ye Zhuo would definitely use Zhao Xueyin’s kindness to deal with Zhao Xueyin. ”

“In this world, not everyone was as kind as Zhao Xueyin. ”

“The lawyer continued, “Xueyin, in the future, don’t interact with her in private. Leave the rest to me.” ”

He would help Zhao Xueyin get rid of all obstacles.

“Zhao xueyin nodded and smiled, “Big Brother Si, I know what to do.” ”

“Xueyin.” At this moment, a young woman in a wine-red gown walked over. ”

“Zhao Xueyin turned around and said in surprise, “Xiaoyu!” ”

“The person who came was called Jiang Xiaoyu, one of Zhao Xueyin’s good sisters. ”

Jiang Xiaoyu went abroad to study three years ago. Zhao Xueyin didn't expect to see her at Ye Zhuo's welcoming banquet tonight.

"Jiang Xiaoyu jogged over and hugged Zhao Xueyin. "Xueyin, long time no see." "

"Long time no see." Zhao Xueyin also hugged Zhao Xueyin tightly.

"After a while, the two of them let go of each other. "

Zhao Xueyin looked at Jiang Xiaoyu with slightly red eyes. "You're back. Why didn't you tell me? I thought I was hearing things!"

"Didn't I want to give you a surprise?" Jiang Xiaoyu smiled and said, "I went to your house to look for you. Uncle said you were attending a banquet, so I rushed here without stopping!" "

"How have you been these three years?" Zhao Xueyin continued to ask.

Jiang Xiaoyu nodded. "Good! Very good!"

"After the two of them finished their small talk, Jiang Xiaoyu realized that Si Lu was also standing there. She turned to greet him. "Brother Si, long time no see." "

"Other than smiling at Zhao Xueyin, Si Lu had always had the same expression towards other girls. "Long time no see." "

"Jiang Xiaoyu continued, "Three years ago, when I went abroad, you were still single. How is it? Have you found a girlfriend now?" "

"Zhao xueyin calmly replied, "Xiaoyu, don't joke around with brother Si. He's so thin that he can't help but tease you." "

“Jiang Xiaoyu’s gaze shifted between the two of them. With a wicked smile, she said, “Oh! I understand now! Did the two of you get together?” ”

“Hearing that, the lawyer glanced at Zhao Xueyin out of the corner of his eye. ”

Zhao Xueyin furrowed her brows without leaving a trace. This Jiang Xiaoyu was getting more and more inconsiderate when she spoke!

It was like this three years ago!

It was still like this three years later!

How did she know that she and lawyer Si had a lover?

“Zhao Xueyin maintained a smile on her face and turned to look at Jiang Xiaoyu. “It’s not like that. Xiaoyu, don’t talk nonsense!” ”

“Jiang Xiaoyu patted lawyer Si. “Brother Si, what’s going on? Isn’t your speed too slow? I thought that when I came back this time, the two of you would already have a child! I didn’t expect you to still be standing there!” ”

“In other aspects, the lawyer was very strong. ”

Chapter 1126: 246: Teach people online! 4

“However, when it came to personal matters, Si lui was extremely embarrassed and his face turned red. “Xiao Yu, you just returned to the country. You must have a lot to say to Xue Yin. You two have a good chat. I have other things to do.” ”

“After saying that, Si lui turned around and walked out of the door.”

“Looking at Si Lui’s flustered back, Jiang Xiao Yu covered her mouth and laughed. “I didn’t expect brother Si to be so innocent. Sister Xue Yin, it’s been so many years. has brother Si not confessed to you yet?” ”

Zhao Xueyin shook her head.

“Jiang Xiaoyu frowned, “Brother Si’s actions are too slow! It’s been so long!” Jiang Xiaoyu continued, “Sister Xueyin, why don’t you take the initiative to confess to brother Si? The two of you can’t keep delaying like this!” ”

Ask her to confess to Si Lui?

Was Jiang Xiaoyu’s brain filled with SH * t?

“Could it be that in Jiang Xiaoyu’s eyes, she was only worthy of someone like Si Lu? ”

“Jiang Xiaoyu didn’t find it disgusting, but she did! ”

“Zhao Xueyin maintained her smile. “This isn’t a matter of confessing or not confessing! Perhaps fate hasn’t arrived yet! Oh right, Xiaoyu, have you seen Miss Ye?” ”

“You mean ye Zao?”Jiang Xiaoyu’s attention was instantly diverted.

“Yes.”Zhao Xueyin nodded.

“Jiang Xiaoyu said, “I just arrived! I haven’t seen ye Zao yet! But I did see the Phoenix in the middle of the hall! I heard that it was given to ye Zao by Master Five of DK. Is It True?” ”

“It’s true.”

“Hearing that, Jiang Xiaoyu’s face was full of surprise. “They all say that ye Zao is very good-looking. Is that true?” ”

“It’s also true.”Zhao Xueyin nodded.

“How good-looking?”Jiang Xiaoyu was very curious.

“She had been traveling all over the world these years and had seen many beauties. However, there were very few people who could make Zhao Xueyin nod and admit that she was a beauty! ”

Could it be that this ye Zao was really that good-looking?

“Zhao Xueyin revealed a bitter smile. “Take the same gown for example. I look like a clown when I wear it, and she is as noble as a princess.” ”

“Hearing this, Jiang Xiaoyu frowned. “She wears the same gown as you?” ”

“Yes.”

The anger on Jiang Xiaoyu’s face became even more obvious. “She did it on purpose!”Who would choose to wear the same gown as a guest at a banquet?

It was obvious that she was deliberately causing trouble!

It seemed that ye Zhuo was not someone who would behave himself!

Zhao Xueyin shook her head. “I don’t think so. She and I are just competitors. There’s no need for her to outdress me.”

“Zhao Xueyin’s assistant immediately saw an opening and jumped in. “Miss Zhao, there are already two people saying that she did it on purpose. Please don’t defend her!” ”

“Two people?” Jiang Xiaoyu raised her head curiously. “Who else besides me?”

“The assistant continued, “And Mr. Si thinks so too.” ”

“Si Lui wasn’t someone who couldn’t differentiate between black and white. Since he said so, then ye Zhuo must have done it on purpose. ”

“Seeing the change in Jiang Xiaoyu’s expression, the assistant continued, “Miss Jiang, you don’t know! Ever since this miss ye returned, the Shunxi Financial Group has completely lost Miss Zhao’s position! Just yesterday, Miss ye actually made Miss Zhao...” ”

“Stop talking!” Zhao Xueyin interrupted the assistant in time.

“Speak! Continue Talking!” Jiang Xiaoyu looked at the assistant.

The assistant was in a bit of a dilemma.

“Jiang Xiaoyu said, “It’s fine if you continue talking! If Xueyin deducts your salary, I’ll make it up to you!” ”

“Zhao Xueyin immediately followed by saying, “Xiaoyu, don’t ask! It’s actually nothing! The Shunxi Financial Group was left to her by Miss Ye’s great-great-grandfather to begin with. It’s only right for her to make me do whatever she wants!” ”

“”Three years have passed, and you still look so easy to bully!” Jiang Xiaoyu was a little disappointed. She turned to her assistant and said, “Continue.” ”

“The assistant looked at Zhao Xueyin and then at Jiang Xiaoyu, not knowing how to speak. ”

“Jiang Xiaoyu frowned and said, “Tell me quickly!” ”

“The assistant couldn’t care about anything else. She took a deep breath, then, he said, “Miss Jiang, you’re right. Miss Zhao is just too kind, that’s why she was bullied!”! On the first day that Miss Ye returned to the consortium, she fired Miss Sun and Liu Neng, the director of the planning department. All of this was nothing. She even asked Miss Zhao to write a 3,000-word self-criticism report to her!” ”

“What?” Jiang Xiaoyu was in a bad mood. “This wild girl from who knows where is she so arrogant!”

She actually dared to ask Zhao Xueyin to write a self-reflection report!

How hateful!

The assistant sighed. “Everyone in the Financial Group is worried about their safety. They’re afraid that they’ll lose their jobs if they offend Miss Ye!”

Chapter 1127: 246: Teach People Online! 5

“Jiang Xiaoyu continued to ask, “The Miss Sun You mentioned just now is Sun Yiran?” ”

“The assistant nodded. “It’s Sun Yiran, Miss Sun!” ”

“Jiang Xiaoyu stood up and said, “She even dares to drive Sun Yiran? Xueyin, is this true?” Sun Yiran was elder Sun’s granddaughter. Before Jiang Xiaoyu went abroad, she had a good relationship with Sun Yiran.”

“Zhao xueyin nodded and said, “It’s true.” ”

“Too much! This is too much!” Jiang Xiaoyu was very angry. “Xueyin, just you wait! I’ll find a way to avenge you tonight!” ”

“Xiaoyu, don’t be too impulsive!” Zhao Xueyin immediately stood up and held Jiang Xiaoyu’s hand. ”

“Jiang Xiaoyu frowned helplessly. “You’re just too easy to talk to! You’re a pushover. If ye Zhuo doesn’t bully someone like you, who else would he bully?” ”

“She didn’t bully me.” Zhao xueyin smiled and said, “Actually, I quite understand her. After all, she and I are competitors. It’s normal for her to act like this! Just like how I also want to kick her out of the Shunxi Financial Group.” ”

“That’s different!” Jiang Xiaoyu said, “The Shunxi Financial Group originally belonged to you! Ye Zhuo stole your things, so of course you want to kick her out! But now, the person who stole your things is actually still bullying you!” ”

“In Jiang Xiaoyu’s opinion, it was ye Zao who took Zhao Xueyin’s things! ”

Because the Shunxi Financial Group was Zhao Xueyin’s to begin with.

“Ye Zao didn’t give anything, yet he wanted to take something for nothing?” ”

There was such a good thing in this world!

It would have been fine if ye Zao had kept a low profile.

“However, ye Zao didn’t even know that he had taken someone else’s things! ”

This worldview!

It was really crooked!

Jiang Xiaoyu hated people who stole other people's things the most!

It was simply disgusting!

"Zhao Xueyin sighed. "Actually, I don't blame anyone. If you want to blame someone, blame yourself for not having a good great-great-grandfather like ye Zao." "

"In the end, ye Zao still took advantage of the dead. "

"If it wasn't for elder Ye, would ye Zao be where he is now? "

"Seeing Zhao Xueyin like this, Jiang Xiaoyu felt a little uncomfortable. "

"In her impression, Zhao Xueyin was very confident! "

When had she ever been so wronged?

"Jiang Xiaoyu held Zhao Xueyin's hand. "Xueyin, what are you talking about! It's not your fault! Although you don't have a backer, you can rely on yourself! You're so outstanding, I think that ye Zao can't even compare to your little finger!" "

"Zhao xueyin smiled and said, "You're the only one who can comfort me." "

"I'm serious." Jiang Xiaoyu hugged Zhao Xueyin and continued, "Xueyin, in my heart, you've always been the most outstanding person!" "

"Thank you." Zhao Xueyin hugged Jiang Xiaoyu tightly, and a faint smile appeared on the corner of her mouth. "

“A moment later, Jiang Xiaoyu let go of Zhao Xueyin and said, “I suddenly remembered that I have other things to do. Xueyin, wait for me here for a while. I’ll be back soon.” ”

“In fact, she was going to find ye Zao.”

She wanted to see if ye Zao really had three heads and six arms!

Jiang Xiaoyu had never been afraid of anyone in her entire life.

“Zhao Xueyin naturally knew Jiang Xiaoyu’s real purpose, so she didn’t expose it. She smiled and said, “Okay, I’ll wait for you here.” ”

“Watching Jiang Xiaoyu’s back disappear into the crowd in front of her, Zhao Xueyin looked up at her assistant and said, “You did a good job. You’re good at Reading People’s expressions. Your salary this month will be doubled.” ”

““Thank you, Miss Zhao!”The assistant bowed and thanked her. “Don’t worry, Miss Zhao. I’ll keep up the good work!” ”

Zhao Xueyin nodded in satisfaction.

In the dessert area.

Ye Zhuo sat there and ate five desserts in a row.

This dessert master was worthy of being invited by the elders to visit the thatched cottage three times.

Her cooking skills were indeed very good.

It was one of the few desserts that ye Zhuo had eaten that were the most delicious.

She was very serious when she ate. Even the tiny bit of cream on her plate had to be scraped clean with a spoon. She would not waste any of it.

“Just as Ye Zhuo was eating happily, an old voice suddenly sounded in the air. “Miss Ye.” ”

“Ye Zhuo looked back slightly. When she saw who it was, she immediately stood up from her chair. “Granny Zhou.” ”

Granny Zhou and Old Ye were seniors of the same generation.

He was already in his eighties this year. He had a head full of gorgeous hair and looked very kind.

Perhaps it had something to do with his early experiences. Ye Zhuo really liked interacting with these old people.

“Granny Zhou chuckled and said, “It’s too quiet here. Why doesn’t Miss Ye spend more time with the young people?” ”

“Young people nowadays were afraid of being fat. In order to maintain their figure, there were very few who liked to eat desserts. ”

“Even if they like it, they have to endure it. ”

“So, most people come over just to take a picture, and then they leave. ”

Chapter 1128: 246: Teach people online! 6

There were only a handful of people in the entire dessert area.

“I like to get along with desserts.” Ye Zhuo passed a dessert to Granny Zhou. “Do you want to Try This?”

“Granny Zhou was so frightened that she hurriedly waved her hand. “I’ve had diabetes for many years, so I can’t Eat Sweet Things.” ”

“Then.., granny Zhou continued, “I used to be like you, and I also loved to eat desserts. Now, I haven’t eaten sweet things for more than 20 years. Usually, I even eat a small amount of rice. “Miss Ye, you should also eat less sweet food. Some illnesses can’t be seen when you’re young, but when you’re old, you’ll suffer! “I’m a good example!” ”

“Speaking of which, Granny Zhou was also very regretful. ”

“If she had known earlier, she would have restrained herself when she was young. ”

Diabetes?

“Hearing this, Ye Zhuo raised his hand slightly. ”

“Immediately, an attendant walked over. “Miss, do you have any instructions?” ”

“Ye Zhuo continued, “Please give me a piece of paper and a pen.” ”

“The attendant nodded. “Alright, Please Wait a moment.” ”

“Granny Zhou asked curiously, “Miss Ye, what do you need a pen for?” ”

“Ye Zhuo smiled and looked up. “Granny Zhou, you can just call me by my name.” ”

“Granny Zhou smiled and said, “I heard that everyone calls you searing hot, so I’ll call you searing hot too, right?” ”

“Sure.”Ye Zhuo nodded slightly.

“Granny Zhou continued, “Searing, you haven’t told me yet. Why do you need a pen and paper?” ”

Ye Zhuo remained mysterious. “You’ll know in a while.”

“Soon, the waiter came over with a pen and paper. “Miss, this is what you want.” ”

“Thank you.”Ye Zhuo took the pen and paper and lowered her head to write.

She wrote very quickly and finished writing.

“Before Granny Zhou could see what was written on the paper, she had already finished writing. She handed the paper to Granny Zhou and said, “Granny Zhou, this is a prescription that can treat diabetes. Please go back and try it.” ”

Prescription?

Treat Diabetes?

Granny Zhou was a little stunned.

“After a while, Granny Zhou finally reacted and said in disbelief, “This prescription can really treat diabetes?”In recent years, Granny Zhou had gone to many hospitals at home and abroad, but she had not been able to cure diabetes, fortunately, diabetes was not a life-threatening disease. She just had to pay attention to her diet. ”

“However, although diabetes was not a life-threatening disease, it was still a disease. It was different from a normal person. Granny Zhou was very uncomfortable with the fear of her mouth.”

People lived with their mouths open.

No one could empathize with the feeling of wanting to eat something but not being able to control it.

Ye Zao nodded slightly. “Of course.”

“Granny Zhou folded the prescription very seriously. “Alright, thank you, Zao Zao! I’ll definitely give it a try when I get back!” ”

“”Okay.”Ye Zao smiled and said, “After you’re done, you can eat these desserts as you please. You Don’t have to be afraid of your mouth anymore.” ”

“You really don’t have to be afraid of your mouth anymore?”Granny Zhou’s eyes lit up.

“Yes.”Ye Zao took a bite of the desserts. “I never lie.”

“Granny Zhou held ye Zao’s hand. “Zao Zao, if this prescription can really cure my diabetes, I will definitely thank you properly!”Granny Zhou had been afraid of her mouth for more than twenty years. She really wanted to eat and drink a lot in the following days, she ate and drank a lot. ”

“You’re welcome.”

“After chatting with ye Zao for a while, Granny Zhou looked at her watch and said, “Zao Zao, it’s getting late. I should go back now. Let’s chat again when we have time.” ”

“”Alright, take care.”Ye Zao stood up to send Granny Zhou off. ”

Granny Zhou smiled and waved her hand. “You don’t have to send me off.”

“After sending Granny Zhou off, ye Zao returned to the dessert area and continued eating dessert.”

“Ye Zao, right?”

“At this moment, an arrogant female voice appeared above his head.”

Ye Zao looked up slightly.

Jiang Xiaoyu was stunned.

Holy shit!

So Beautiful!

“Although she was already very beautiful from afar, looking at her face-to-face, it made people’s eyes light up and they were unable to extricate themselves from it.”

She was simply a beauty of the golden age!

“It’s me.”

“Ye Zhuo’s red lips parted slightly, and his tone was light.”

Jiang Xiaoyu also reacted from this light voice.

So what if she was beautiful?

Now it was all about inner beauty!

A person like Zhao Xueyin who was beautiful and kind-hearted was truly beautiful!

“It was truly a pity that she had such a good appearance. If this appearance had been on Zhao Xueyin’s face, she would have been able to lick it for the rest of her life.”

Such a pity.

Such a pity.

“Jiang Xiaoyu continued, “Come out with me for a moment.” ”

“This was the venue of the banquet and many people knew her. If the old man in her family knew about this, she would be in deep trouble!”

“Therefore, Jiang Xiaoyu decided to bring ye Zhuo out to teach him a lesson.”

Chapter 1129: 246: Great Burning Online Education! 7

““If you ask me to go out with you, I’ll go out with you. How embarrassing would that be for me?”Ye Zhuo said lazily.”

““I’ll tell you one more time. Go Out With Me!”Jiang Xiaoyu rested her hands on the table and said coldly, “Otherwise, you’ll regret it.” ”

“Since she gave him face and ye Zhuo didn’t want it, it wasn’t her fault for being rude.”

“Ye Zao took a sip of the milk tea and said, “Well, say it again.” ”

“Jiang Xiaoyu repeated, “I said, I’ll let you go out with me. Otherwise, you’ll regret it!” ”

“Say it again.”Ye Zao ate a chocolate bean. He looked so carefree and obviously didn’t put Jiang Xiaoyu in his eyes.

Jiang Xiaoyu was very angry and repeated what he had just said.

“If you have the ability...”ye Zhuo looked up at Jiang Xiaoyu. “Say it again.”

Say It Again!

He really thought that she was afraid of her!

“Jiang Xiaoyu’s face darkened. “I’m going to repeat it one last time. Now, go out with me immediately! Otherwise, don’t blame me for being rude!” ”

“Ye Zhuo raised his eyebrows slightly. “Tsk... my good son, you’re so obedient.” ”

Jiang Xiaoyu was stunned for a moment before she realized that ye Zao was trying to trick her!

Too Much!

Too Much!

He was so clever. No wonder he bullied Zhao Xueyin so badly.

““You usually bully Xueyin like this, right?” ”

Ye Zao couldn't be bothered with Jiang Xiaoyu and continued eating dessert.

“I'm Xueyin's best friend. As long as I'm here, you can't bully her!” ”

“Ye Zao! Don't force me to attack you in public! It Won't look good for everyone!”

“Seeing that ye Zao couldn't be bothered with her, Jiang Xiaoyu became even angrier. ”

PA —

Jiang Xiaoyu flipped over the dessert in front of ye Zao.

Two pink macaroons rolled to the ground.

“Ye Zao raised his eyes slightly, and a cold light flashed in his eyes. He looked at Jiang Xiaoyu and said,
“Pick it up.” ”

Pick it up?

What a joke!

“Ye Zao asked her to pick it up, and she picked it up? ”

Jiang Xiaoyu snorted coldly. “I won't pick it up. What can you do to me? !”

“Three, two, one! ”

“Before Jiang Xiaoyu could react, she was kicked by a gravitational force and fell to the ground. ”

It hurt!

It was very painful.

It was as if all the bones in her body were broken.

“Didn’t your mother teach you to conserve food? I’ll give you one last chance. Pick it up!”

A cold voice came from above.

“Jiang Xiaoyu tried to raise her head and saw that ye Zao was still sitting on the chair like before, looking down at her from above.”

One of them was sitting while the other was lying on the ground.

“If people who didn’t know saw this, they would think that Jiang Xiaoyu fell down by herself.”

An inexplicable fear struck Jiang Xiaoyu.

How did ye Zao make his move just now?

It was terrifying.

It was really too terrifying.

She had an intuition.

“If she didn’t pick up the two macarons today, Ye Zao might be able to do anything.”

“Jiang Xiaoyu used all her strength to pick up the macaron that was closest to her. The top layer of chocolate had already shattered due to the other macaron that fell to the ground. After picking up the two macarons., jiang Xiaoyu supported herself with the chair and stood up. She carefully put the macaroons back on the plate in front of ye Zao. ”

“”Apologize,”ye Zao enunciated each word. ”

Jiang Xiaoyu gulped. Her voice was trembling. “I’m... I’m sorry.”

“Apologize to it.”

It?

“Jiang Xiaoyu was stunned, although she just realized that the ‘it’that ye Zao mentioned was the two macaroons on the plate. ”

Asking her to apologize to a dessert?

What was ye Zao Thinking?

Was there something wrong with her brain?

How could a normal person say such a thing?

“”Is it glorious to waste food?”The light voice was accompanied by a biting cold, which made people tremble uncontrollably. ”

It was full of dominance.

This ye Zao was completely different from the ye Zao just now.

Jiang Xiaoyu was still a little stunned.

“So, Ye Zao was angry because she wasted food?”

“After all, Ye Zao didn’t make a move even after she said so many words.”

“When she flipped the macaron to the ground, ye Zao seemed to have changed into a different person.”

“After she reacted, Jiang Xiaoyu immediately bowed to the macaron and apologized, “I’m sorry, I’m Sorry!” ”

“Ye Zao opened his red lips slightly and said indifferently, “Get lost.” ”

Jiang Xiaoyu’s heart trembled and she ran forward with trembling legs.

“After she ran out of the danger zone, Jiang Xiaoyu turned around and looked back.”

This scene made Jiang Xiaoyu somewhat unable to believe it.

She saw ye Zao pick up the macarons that had just fallen to the ground and eat them just like that.

Didn’t she find them dirty?

It was also at this moment that Jiang Xiaoyu realized that ye Zao was really angry because she had wasted food and flipped the macarons to the ground!

“At this moment, Jiang Xiaoyu was a little confused.”

“A person who could even pick up food that had fallen on the ground and eat it, how bad could her character be?”

Jiang Xiaoyu grew up in the financial world.

She had never seen anyone who could pick up food that had fallen on the ground and eat it.

Not to mention falling on the ground.

Even the desserts from the previous night were not eaten.

Ye Zao was very different from the people she had met.

Perhaps.

She had a misunderstanding about ye Zao.

Jiang Xiaoyu thought as she walked forward.

This scene also fell into Si Lu’s eyes.

Si Lu was a little absent-minded.

Ye Zao’s action of picking up the things on the floor and eating reminded him of a past event many years ago.

“If it was not for his special experience, it would be difficult for a normal person to do what ye Zao did.”

Si Lu narrowed his eyes. The expression in his eyes was especially complicated.

“Young Master.” A sudden voice interrupted Si Lu’s thoughts.

“Si Lu lowered his head and said in a low voice, “Uncle Fu, why are you here?” ”

“Uncle Fu continued, “I called you but you didn’t pick up, so I could only come here to look for you!” ”

Si Lu frowned. “This is not a place to talk. Come with me.”

The lawyer only wanted to live a normal life.

He didn’t want to make the identity of the eldest young master of the Jin family known to everyone.

Uncle Fu followed the lawyer.

The two of them arrived at the conference room on the fifth floor of the hotel.

“The lawyer closed the door and said with an unsightly expression, “Uncle fu, didn’t I tell you not to come and look for me?” ”

“Uncle Fu Sighed. “Young master, I’m worried that you’ll be cheated! Every inch of time is worth an inch of gold. It’s hard to buy an inch of time. You’ve been delayed by the Shunxi Financial Group for so many years. Do you still want to be delayed by them?” ”

The reason why the lawyer was guarding the Shunxi Financial Group was because of Zhao Xueyin.

“However, Zhao Xueyin didn’t treat the lawyer sincerely. ”

“If the lawyer continued like this, it would only be a waste of time. ”

“The lawyer frowned and said, “Uncle Fu, I’m an adult. I know what I’m doing! You came here today because of that old man, right?” ”

“”No.”Uncle Fu quickly explained, “This matter has nothing to do with master. I came here on my own accord. Young Master, please believe me just this once. Zhao Xueyin is really not worth it for you to do this for her!” ”

“No one is more worth it than her!”

Chapter 1130: 247: Everyone in the Consortium: We All Support Miss Ye! 1

“In the eyes of the Si Lui, Zhao Xueyin was the person who could make him give up everything. ”

He was willing to do anything for Zhao Xueyin.

“Seeing the Si lui like this, uncle Fu sighed helplessly, “Young master, I know that you still hold a grudge against master, but Master is your biological father after all! He will not harm you. If Miss Zhao is really worth it for you to pay for her, Will Master Stop You?” ”

“Si lui snorted, “Biological father? In his eyes, am I his biological son?” ”

Si Lui would never forget the scene five years ago.

“Young Master!”

“”Uncle Fu, stop.”Si lui waved his hand, “I know what I am doing, I will never regret it!” ”

“Uncle fu frowned, “Young master, in fact, all these years, master was also in pain! He was also deceived by others... think about it from another perspective, if you were the master at that time, what would you do?” ”

The matter back then was too complicated.

“Now that five years had passed, uncle Fu thought that the lawyer would more or less let go. ”

He did not expect that the lawyer’s hatred for Master Jin was still so deep.

Think from another perspective?

“Hearing this, the lawyer’s eyes were full of ridicule. He looked up at Uncle Fu. “Think from another perspective? Would I be as stupid as him? To be deceived like that by a woman?” ”

1

“For the sake of a woman, Old Master Jin did not even care about his own son. ”

This kind of person was not fit to be a father!

“Uncle Fu sighed again. “Young master, have you ever thought that the current you is the old master from back then? You Can’t even see the current situation clearly. The old master is just an ordinary person!” ”

“Those who were in the middle of the situation were confused, while those who were watching from the sidelines were clear. ”

“In uncle Fu’s view, the current Si lui was the old master Jin from back then. ”

He was just as stubborn and unrepentant.

He wouldn't turn back until he hit the wall.

Si lui looked up at Uncle Fu. "I'm not him! I Won't be as stupid as him!"

"Uncle Fu continued, "Young master, if Zhao Xueyin really has you in her heart, would it have delayed you for so many years?" "

Si Lui's expression was very cold. "There's no need for others to comment on the matters between us!"

"Young Master!" Uncle Fu was very anxious when he saw the lawyer's reaction.

"The lawyer tried his best to calm himself down, "Uncle Fu, I don't want to quarrel with you. "You don't have to look for me anymore. Jin Ruyu died five years ago. The person standing in front of you is the lawyer. The lawyer is just the lawyer. He has nothing to do with the Jin family." "

He only wanted to live a good life as a lawyer.

"After saying this, the lawyer turned around and left. "

Uncle Fu looked at the lawyer's back and his eyes turned red.

Similar.

Too similar.

This determined back view was exactly the same as Old Master Jin's back then.

PA —

The door was closed.

Uncle Fu Sighed.

“After a long while, uncle Fu walked out of the conference room.”

On the balcony on the fifteenth floor.

Si Lu finished his last cigarette and went to the elevator. He pressed the button.

Ding —

The elevator door opened.

There were several people standing inside.

“Si Lu immediately saw ye Zhuo, who was standing at the innermost part of the elevator.”

“After the banquet, she had changed back into her usual clothes.”

It was a simple black coat and white pants.

“She wore a burgundy coat and a black hat on her head. The wide brim of the hat covered her facial features, and her whole body exuded an almost refreshing coldness.”

“Although her face could not be seen clearly, it gave people a strong feeling that she stood out from the crowd.”

Si Lu frowned slightly.

He could not help but think of the way ye Zhuo looked when she was eating macarons.

It was a kind of reverence for food.

The reverence that came from her bones.

It could not be faked.

Si Lu suddenly could not understand ye Zhuo.

Ding —

The elevator door closed.

Si Lu collected his thoughts.

The display screen of the elevator kept jumping.

“15,14,13 — ”

Bang!

“When the elevator reached the 10th floor, the entire elevator suddenly sank. ”

PA!

“In a split second, the lights in the elevator also exploded. ”

“Ah!”

“What happened?”

“Did the elevator malfunction?”

“Am I going to die?”

“What should I do? I don’t want to Die!”

“”Mommy, come and save me...” ”

“Grandma!”

“Daddy!”

“In just a blink of an eye, the elevator became a mess. ”

“Everyone was arguing, screaming, and crying. ”

In the darkness.

Si lui just stood there.

His entire body was trembling.

He had a severe phobia of claustrophobia.

“For a moment, Si Lui’s forehead was covered in layers of cold sweat. ”

“Don’t panic.” At this moment, a clear and shallow voice rang out in the crowd. “The elevator has just encountered an obstacle in its operation. Everyone, calm down and wait for rescue.” ”
