Chapter 1131: 247: Everyone in the Consortium: We All Support Miss Ye! 2

“The voice was very faint, but it was loud and powerful. It was as if it was tainted with a layer of magic power and could calm people’s hearts. ”

Everyone looked back one by one.

They saw that a ray of light suddenly lit up in the originally dark sealed space.

It was as if the dawn had shone into the darkness.

“”Miss Ye, it’s Miss Ye!” ”

“”That’s great! Miss Ye, we’ll Be Fine, right?” ”

“Yes.”Ye Zhuo nodded slightly.

The snow-white light seemed to coat her face with a faint halo.

“In an instant, everyone seemed to have found their backbone. ”

“Seeing this light, Si Lu slowly calmed down. Leaning against the elevator, he took a deep breath, as if he was exhausted. ”

“”Everyone, calm down. Listen to Miss Ye. Soon, a rescue team will come to save us!” ”

“A slightly chubby man squatted down and hugged his head with both hands. A sobbing voice sounded, “It’s no use. I just pressed the rescue button. This button is broken! There’s no signal in the elevator either. This is the tenth floor. If the elevator loses control and falls to the second floor, then we’re Dead!” ”

“”How can this be? Such a high-end hotel, and the button is actually a decoration. I want to complain to them!” ”

“Then what do we do now?”

“Once these words were said, the people who had already calmed down instantly became restless again. ”

“”It’s okay. My phone has a signal. Soon, someone will come over.”Ye Zhuo’s tone was light. He was not scared by the sudden change at all. ”

He was so calm that he did not look like a 20-year-old girl.

“”Miss Ye, are you serious? Your phone really has a signal?” ”

“Yes.”Ye Zao nodded slightly.

“Ye Zao’s phone looked ordinary, but it had been modified. No matter where it was, it would not lose its signal. ”

Creak —

“At this moment, a heavy sound came from the elevator box. ”

“This sudden sound, in the tense atmosphere of the elevator box, was particularly strange. ”

“It was as if the next second, the elevator would not be able to withstand it and fall down violently. ”

“At the same time, the elevator also began to shake. ”

It was like swinging on a swing.

“Everyone looked up at the top of the elevator, their eyes filled with fear. ”

“”What should we do? What should we do? Is it, is it going to fall down?” ”

“I don’t want to Die! I really don’t want to die!”

“Mom! Come and save me!”

“Dad! My Son is unfilial. I Can’t take one last look at you!”

The people they knew and didn’t know hugged each other and cried uncontrollably.

Ye Zao’s voice sounded again. “This is just the self-protection mode of the elevator when it malfunctioned. It Won’t fall.”

Creak —

“At this moment, the elevator door that was originally tightly shut suddenly opened. ”

Chi —

“It’s Open! It’s Open!”

“That’s great! We can get out!”

“Looking at the elevator door that was slowly opening, everyone was elated and broke into smiles. ”

But in the next second.

The smiles on everyone’s faces froze at the corners of their mouths.

“This was because after the elevator door opened, there wasn’t an exit outside, but a wall that faced everyone. ”

“After experiencing great sorrow, everyone became overjoyed because of the opening of the elevator doors. With great difficulty, they finally saw Hope, and the elation turned into great sorrow! ”

“How could this be?”

“Ah!”Someone could not help but burst into tears.

Chi —

The elevator sank down again.

The elevator doors dropped down a section.

“Coincidentally, this section revealed half of the exit. It was just enough to accommodate a person and climb out from inside. ”

“Shall we climb out?”

“This elevator is very spooky. What if the elevator door drops down again when we climb out?”

“I don’t dare to climb!”

“Neither do I!”

He was born a human.

Who Wasn’t afraid of Death?

“Some people were eager to try, but they withdrew their feet at the critical moment.”

“If something happened to the elevator while they were climbing, the consequences would be unimaginable.”

Si Lu pinched his fingers.

No.

He couldn’t just sit here and wait for death.

Si Lu walked out and climbed up.

“At this moment, someone grabbed his wrist. “Be careful!” ”

Si Lu was pulled down by a huge force.

At this moment.

Boom!

The elevator sank again.

There was another wall facing everyone.

“Seeing the lawyer being pulled down by ye Zao, everyone gulped. ”

Close call!

It was too close!

“If ye Zao had been a step slower, the lawyer would have been cut in half by the elevator. ”

The lawyer looked at the closed elevator door and took a deep breath.

After a long while.

The lawyer turned to look at Ye Zao. “Thank you.”

Chapter 1132: 247: Everyone in the Consortium: We All Support Miss Ye! 3

A very sincere thank you.

“You’re welcome.”Ye Zao’s expression was indifferent.

“He looked extremely calm, as if nothing had happened just now. ”

At this moment.

Ye Zao's phone rang from outside.

"Hello." Ye Zao picked up the phone.

"He didn't know what was said on the other end, but ye zao continued, "Well... We're now on the eighth floor." "

The eighth floor?

Nothing could be seen in the elevator.

How did ye Zao figure out that it was the eighth floor?

Could it be that she had x-ray vision?

"After hanging up the phone, someone asked, "Miss Ye, are you sure this is the eighth floor?" "

"It's the eighth floor," ye Zao said. "

"How are you sure this is the eighth floor?"

"I feel it." Ye Zao pressed the brim of his hat.

Feeling?

Everyone thought that ye Zhuo had some secret move!

So it was just a feeling!

“Hearing this, everyone was shocked. ”

“What if your feeling is wrong?”

“A woman in pink said, “I still feel that this is the ninth floor! Do you think that the eighth floor is the eighth floor? If you make a mistake, who will bear the consequences?” ”

“”That’s right, that’s right! A person’s life is at stake, how can you use feeling to mess around!” ”

“Faced with everyone’s doubts, Ye Zhuo did not say anything else. His calm face seemed to be covered in a layer of snow. ”

“At this moment, the sound of knocking on the door came from outside. “Miss Ye! We’re from the rescue team. Miss Ye, are you inside?” ”

“Hearing this, everyone looked at each other in dismay. They could see the shock in each other’s eyes. ”

It was the eighth floor.

It was really the eighth floor!

Ye Zao’s feeling was not wrong!

The woman in the Windbreaker narrowed her eyes unwillingly.

Ye Zao would be in the limelight!

“Here.”Ye Zao raised his eyes slightly.

“Hearing ye Zao’s voice, the rescue team heaved a sigh of relief. “Miss Ye, no one is injured inside, right?” ”

“No.”Ye Zao’s Red Lips parted slightly.

“”It’s good that you don’t recognize that you’re injured.”The rescue team outside continued, “Miss Ye, don’t be anxious. We’ll pry open the door immediately.” ”

“Hurry up.”Ye Zao’s eyes were still as sharp as ever. “The speed limiter and safety pliers can only hold on for five minutes.”

“Once the speed limiter and safety pliers were completely ineffective, the elevator would fall rapidly. ”

From the eighth floor to the second underground floor.

A total of ten floors high!

One floor was 2.8 meters tall. Ten floors was 28 meters!

“Falling from 28 meters high, even if they did not die, they would be crushed into pieces! ”

“When they heard this, everyone was scared out of their wits. ”

“”Miss Ye, don’t worry. The speed limiter and safety forceps will not fail! We have already activated the emergency brake!” ”

“”Only five minutes, hurry up!” ”

Ye Zao’s voice suddenly turned cold.

“The rescue team leader was so scared that his face turned pale. He hurriedly said to the rescue workers beside him, “Hurry Up!” ”

“Roger.”

Creak —

“At this moment, the elevator door was finally forced open a crack. ”

The crack was not big.

It could only accommodate one person.

“Because there was a problem with the landing location, there were still a few steps between the elevator and the ground. ”

“When they saw the rescue workers, everyone heaved a sigh of relief. Their faces were filled with the ecstasy of having escaped death. ”

“The rescue team captain smiled and said, “Everyone, hold on a little longer. We will be able to open all the elevator doors soon.” ”

“Okay.”

“Ye Zao looked up at the top of the elevator. A soft sound traveled through the air. Ye Zao’s ears twitched slightly. “There’s no time! Everyone, quickly get out! Let the old man walk in front!” ”

“Hearing this, everyone tried their best to squeeze forward. There was no time to care about the old man. ”

An old man with gray hair was pushed to the back.

““I said let the old man walk first. Didn’t you hear me?”Ye Zao grabbed the man’s arm and forcefully pulled him back. “Old Man, quickly go.” ”

“The old man was moved. He did not even have time to thank him. He was old, and his movements were not as agile as the young man’s. The Old Man climbed up several times but still could not get out. ”

“At this moment, Si lui supported the old man’s body and lifted her up. ”

Someone on the ground immediately caught the old man.

““Young man, you and that little girl should come up as well!” ”

Si lui took the opportunity to jump up.

He stretched out his hand pretty well and easily jumped up.

There were still ten seconds left.

Ye Zhuo narrowed his eyes.

There were two people in front of her.

“If nothing unexpected happened, there should be no problem. ”

“This is great! We are finally out! I almost thought I would die in the elevator!”

“The Girl in Pink folded her arms across her chest and glanced at the elevator with a mocking look in her eyes, “Didn’t miss ye just say that there wasn’t enough time? Why is the elevator still fine even though we’ve been out for half a day? I think she’s just grandstanding!” ”

Chapter 1133: 247: Everyone in the Consortium: We All Support Miss Ye! 4

“Hearing this, everyone looked at each other. ”

“Actually, what the woman in Pink said was quite reasonable. ”

“Ye Zhuo was deliberately mystifying inside, scaring them half to death, but in the end, nothing happened. It was indeed quite infuriating. ”

“Where’s Miss Ye? Let her come out and explain to us all!”

“A slightly chubby man crawled out from the gap in the elevator door and said breathlessly, “She’s still... still inside...” ”

Si lui hurriedly walked over and pulled him up. “Are You Alright?”

“I’m... I’m fine.”

“Then, a fair hand appeared on the ground, its fingers clasped tightly together. ”

It was a very beautiful hand.

“Its joints were distinct, and it was as white as jade. ”

“Before everyone could react, a figure jumped out from the elevator gap. ”

PA —

It landed easily.

It was a little cool.

“The Lady in Pink looked at Ye Zao, she said in a strange tone, “Yo, Our Savior is coming up! Savior, you scared us so badly in the elevator just now. You said it was too late. Can you explain to us why the elevator hasn’t Fallen Yet?” ”

Ye Zao patted the dust off his body.

It was as if he didn’t want to explain.

The Lady in Pink got even angrier. “Ye...”

“At this moment, the old man standing next to the lady in Pink suddenly looked at the elevator door in shock. He pointed at the elevator door with his finger, and his entire body was trembling.”

His expression was even uglier than seeing a ghost.

Everyone looked in the direction of the elevator door in confusion.

They saw that the elevator that was originally parked there had now become empty.

There was nothing left.

Bang!

“A violent sound came from under their feet, and even the ground shook. ”

This was the sound of the elevator falling.

“In other words, if they had slowed down even a little, they would have been crushed into pieces. ”

At this moment.

No one could tell what expression they had on their faces.

“Wu...”

A young girl could not hold it in anymore. She lost control of her emotions and burst into tears.

The other people around were affected as well. Their eyes turned red one after another.

“If it was not for ye Zao, they would have turned into meat pies by now. ”

“”Miss Ye! Miss Ye! Thank you, Miss Ye!” ”

“Where’s Miss Ye?”

“Wasn’t she here just now?”

“When everyone went to look for ye Zao, Ye Zao’s figure had already disappeared from the air. ”

“Miss ye is really a good person!”

“”Miss Wang, you went too far just now! How can you say that about our Savior?” ”

""You're a villain yourself, so you think that Miss Ye is the same person as you! I think you're jealous of Miss Ye! Jealous that Miss Ye is better than you!" "

""Wang Feiqian, you're so disgusting!" "

"For a moment, everyone pointed at the pink-dressed girl, Wang Feiqian. "

"Wang Feiqian bit her lip unwillingly and wanted to retort, but those who could appear in the banquet hall were either rich or noble. She could not afford to offend any of them, so she could only tuck her tail between her legs and run away dejectedly. "

The lawyer looked at everyone with a complicated look in his eyes.

It had to be said that ye Zao today made him see a completely different ye Zao.

At the same time.

On the other side.

Jiang Xiaoyu stood in the hall downstairs and waited for old Madam Jiang.

It was a little boring to wait for them.

Jiang Xiaoyu picked up her phone and started playing games.

""Xiaoyu! Xiaoyu!" At this moment, her hand was suddenly grabbed by someone. "

Jiang Xiaoyu looked down and saw that the person holding her hand was old madam Jiang.

“Old Madam Jiang’s face was full of tears, and Jiang Xiaoyu was shocked. “Grandma, what happened to you?” ”

“”Xiaoyu, Xiaoyu! I almost didn’t see you just now!”Old Madam Jiang hugged Jiang Xiaoyu. ”

“”What’s wrong, Grandma? Don’t worry, Tell Me!”Jiang Xiaoyu helped old madam Jiang to a chair beside her and sat down. ”

“Old Madam Jiang was the only old woman in the elevator. Her thoughts were quite clear, and she told Jiang Xiaoyu everything that happened in the elevator. ”

Jiang Xiaoyu was terrified when she heard that.

“After hearing that it was ye Zao who saved them, Jiang Xiaoyu’s expression changed. “Grandma, are you sure you’re talking about the descendant of the Ye family, ye Zao?” ”

“”Of course!”Old Madam Jiang nodded with certainty. “Other than this miss ye, who else could it be? Miss ye is so beautiful. I wouldn’t mistake her for someone else! It’s her!” ”

“With that, old madam Jiang grabbed Jiang Xiaoyu’s hand. “Xiaoyu, we can’t be ungrateful. We have to thank miss ye properly.” ”

Chapter 1134: 247: Everyone in the Consortium: We All Support Miss Ye! 5

“”Yes, Grandma, I know.””

It seemed that ye Zao was not quite what she had imagined.

On the other side.

Zhou family.

“After mother-in-law Zhou went back, she showed the prescription given by ye Zao to her daughter-in-law, Ma Jianyue.”

“Ma Jianyue’s father was an old Chinese medicine practitioner. Since she was young, she had learned a lot from him. She was much more professional than a graduate student from a proper Chinese Medicine Academy.”

“Jia Yue, let me take a look. Can this prescription really treat diabetes?”

“Ma Jia Yue took the prescription curiously. “Mom, who gave it to you?””

“Didn’t I attend elder Zhang’s welcoming banquet for the great-granddaughter of the Old Ye family today? She was the one who gave me this prescription!”

Ye Zhuo?

Ma Jia Yue frowned unhappily.

It wasn’t that ye Zhuo had offended her.

It was because Zhao Xueyin was her niece.

“If it wasn’t for Ye Zao, the Shunxi Financial Group would have been Zhao Xueyin’s world.”

“Zhao Xueyin was her niece. If Zhao Xueyin successfully accepted the Shunxi Financial Group and allowed the Zhao family to advance into an aristocratic family, she would also be able to benefit from it, wouldn’t she?”

But all of this was broken by ye Zao!

Could she have a good impression of ye Zao?

“Ma Jia Yue looked at the herbs on the prescription. “Ginseng, raw ground, cooked ground, astragalus, sealwort... Strange...””

““Strange? What’s Strange?”Granny Zhou hurriedly asked, “Is there something wrong with the prescription?””

Ma Jia Yue shook her head. “There’s nothing wrong with the prescription! I just feel that this prescription is quite familiar!”

“At this moment, Ma Jia Yue seemed to have suddenly remembered something and continued, “I remember now! You took this prescription last year! Didn’t my father prescribe it to you? But you took it for more than three months, and it didn’t have any effect!””

Ma Jia Yue wasn’t lying. Her father had indeed prescribed this prescription for Granny Zhou last summer.

“When she heard this, Granny Zhou was very disappointed.”

She was also thinking too much.

How could a child in his twenties possibly have the confidence to cure diabetes?

“When she thought of this, Granny Zhou shook her head with a bitter smile. “Is it exactly the same as what your father prescribed for me last year?””

“Ma Jianyue scratched her head, “It’s not exactly the same. There are two herbs in here that my father didn’t use, but these two herbs don’t have the effect of treating diabetes at all. They only have the

effect of invigorating qi and activating blood circulation. Chinese medicine pays attention to the right prescription, but these two herbs don't have the right symptoms at all. What can they do?"

"Obviously, this was a prescription that had no effect at all."

"Not only was it useless, it might even have side effects."

"Looking at Granny Zhou's disappointed face, Ma Jiayue continued, "Mom, if you don't mind the pain, I have another prescription. Do you want to try it?" Even though her prescription couldn't cure diabetes, it could at least give the old lady some spiritual comfort."

It was better than this unknown prescription!

"Forget it, forget it." Granny Zhou waved her hand."

"She had been suffering from diabetes for a long time, and the thing she was most afraid of was drinking Chinese medicine."

It was very bitter.

"If this folk prescription given by Ma Jiayue could really cure diabetes, she would be able to endure it. However, it was useless now, so why did she have to suffer this pain?"

"All these years, she had taken many folk prescriptions?"

Folk prescriptions were not as good as proper prescriptions.

Folk prescriptions were much more bitter than prescriptions.

"Jia Yue, I'm going upstairs to rest. You should rest early too." Granny Zhou stood up from her chair and walked upstairs."

Ma Jia Yue nodded.

“The servant next to her said hesitantly, “Old, Old Lady.””

“What’s Wrong?”Granny Zhou turned around.

“The servant decided to give it a go and continued, “Old Madam, my husband has also suffered from diabetes for many years. If you don’t want to use this prescription, can you let me take it back and try it out?””

“Although Ma Jiayue had already said that this prescription was useless, the servant still wanted to try it out.”

What if it worked?

The Zhou family was famous in the financial world. That Miss Ye would definitely not use a fake prescription to fool Granny Zhou.

“The Zhou family was too lazy to ask for this prescription. In the servants’eyes, this was something that ordinary people couldn’t ask for.”

“Take it.”Mother-in-law Zhou waved her hand.

“”Thank you, Old Lady!”The servant immediately put away the prescription.”

“”Wait!”At this moment, Ma Jianyue suddenly spoke.”

“The servant stopped in her tracks. “Madam, is there anything else?””

Mother-in-law Zhou also looked at Ma Jianyue with a face full of question marks.

“Ma Jianyue continued, “Sister-in-law Wang, if you really want to use this prescription, then use it! But I have to say something first. After all, it’s a matter of life and Death!””

Chapter 1135: 247: Everyone in the Consortium: We All Support Miss Ye! 6

“Go ahead.” Auntie Wang looked at Ma Jianyue.

“Ma Jianyue continued, “This prescription was given to us by the President of the Shunxi Consortium, Ye Zhuo. You wanted to take it and eat it yourself. If anything happens after you eat it, you’ll have to pay for it. You Can’t throw dirty water on us!” ”

“Auntie Wang nodded, “Don’t worry, Madam. I know this point.” ”

“”As long as it’s clear.” Ma Jianyue continued, “You can leave first.” ”

Auntie Wang turned around and walked out.

“After Auntie Wang left., granny Zhou said with some worry, “Jianyue, is there something wrong with that prescription? Why did you say that all of a sudden? If there’s a problem, we can’t let Auntie Wang take it back! What if it really eats people up?” ”

“Ma Jianyue smiled and said, “There’s nothing wrong with the prescription, but mom, you should have heard of this saying! Every medicine has a third of its poison! What if Auntie Wang’s husband is unlucky and eats something bad? I said that to prevent any future trouble!” ”

No problem?

No problem at all!

All living things in the world mutually reinforce and counter each other.

“The two medicinal herbs in the prescription given by ye Zhuo were not only useless, but also counter to one of the medicinal herbs in it! ”

“If ye Zao dared to use such a fake prescription to deceive others, he would be waiting to receive the court’s Flyer! ”

“At the thought of this, Ma Jia Yue felt very happy. ”

“If this person was lucky, even the heavens would help him! ”

She did not expect that she would be able to help Zhao Xueyin so much just by staying at home.

“When she heard Ma Jia Yue say that the prescription was fine, Granny Zhou heaved a sigh of relief. “It’s good that it’s fine!” ”

In the banquet hall.

“After ye Zhuo and elder Zhang sent everyone back, they drove back to the Ye residence. ”

In the car.

“Little White said anxiously, “Great Burning, can you hurry up?” ”

“Why are you in such a hurry?”Ye Zhuo looked back.

“Little White said, “I’m running out of electricity!” ”

“Ye Zhuo raised his eyebrows slightly, stepped on the accelerator, and sped up.”

The sudden acceleration made little white lean backward.

“Little White sat down and complained, “Big Zao! Why didn’t you tell me that you were suddenly speeding up! You scared me to death!” ”

“Ye Zao held the steering wheel with both hands. “Didn’t you run out of battery? If you run out of battery, why didn’t you turn on the Power Saver Mode?” ”

“”Right!” Little White finally remembered that it was running out of battery. “I’m going to turn on the power saver, the power saver...” before it could finish its sentence, little white stopped talking.”

“Meow!” Brother Meow immediately crawled out of Whitey’s pocket and used his claws to slap Whitey’s face without any restraint.

He shouted as he slapped.

“It happened to be a red light in front of them. Ye Zao stepped on the brakes and held the steering wheel with one hand while grabbing brother Meow with the other. “Alright, Whitey is fine. It’s just that the battery is out.” ”

Brother Meow seemed to have understood what ye Zao said. He found a comfortable place to snuggle in ye Zao’s arms and immediately stopped barking.

“Twenty minutes later, the car stopped in front of the mansion.”

Ye Zao opened the door and got out of the car. He turned on Whitey’s spare battery at the same time.

The screen above Whitey's head instantly lit up. "Big Zao!"

Ye Zao's tone was clear and shallow. "I've turned on the spare battery for you. Cut the crap and go home quickly to charge it."

"Got it!" Whitey jumped out of the car.

Brother Meow also jumped into Xiaobai's pocket at this time.

"Miss Ye!"

"At this moment, a female voice suddenly came from behind. "

Ye Zao looked back slightly and saw that it was Jiang Xiaoyu.

"Seeing ye Zao again, Jiang Xiaoyu's face was full of guilt, "Miss Ye, my name is Jiang Xiaoyu! "I'm sorry, I may have misunderstood you. I think you're a bad girl who steals other people's things. That's why I treated you like that in the banquet hall. Please forgive me, I really didn't do it on purpose!" Jiang Xiaoyu bowed to ye Zao. "

"Ye Zao stood in front of Jiang Xiaoyu and said calmly, "If I'm not wrong, you called me out at the banquet tonight to avenge Zhao Xueyin, right?" "

Jiang Xiaoyu was stunned.

She didn't mention Zhao Xueyin at all because she was afraid that ye Zao would hold a grudge against Zhao Xueyin.

Then how did ye Zao Know About It?

Ye Zhuo curled his lips slightly. "I'm curious how I know?"

Jiang Xiaoyu nodded.

""Because you're a chess piece in Zhao Xueyin's hands,"ye Zhuo continued, "Help me tell Zhao Xueyin to face her head-on if she has the guts. Don't use those shady tricks behind her back." "

Chess piece?

Ye Zhuo said that she was a chess piece in ye Zhuo's hands.

Was this chess piece what she imagined it to be?

Chapter 1136: 247: Everyone in the Consortium: We All Support Miss Ye! 7

"Jiang Xiaoyu grew up together with Zhao Xueyin. Although they were separated for three years, they kept in touch and were as close as sisters. "

Zhao Xueyin used her.

Did she treat her as a chess piece?

Jiang Xiaoyu's expression became very ugly.

"After a long while, Jiang Xiaoyu finally reacted. She looked at ye Zhuo's back and said, "Miss Ye! Wait!" "

"Is there anything else?"Ye Zao looked back slightly.

“Jiang Xiaoyu continued, “I haven’t thanked you for saving my Grandma Yet! “My Grandma is very grateful to you and specially asked me to come and look for you! “She saw that you liked desserts at the banquet, so I asked me to buy this for you. Please accept it!” ”

“Ye Zao naturally wouldn’t refuse the kindness of an old man in his seventies. He took the box from Jiang Xiaoyu with both hands and said, “Say thank you to Grandma for me.” ”

“We should be the ones thanking you.”

“”Big Zao Zao, my battery is about to run out!”Xiao Bai suddenly said at this moment. ”

Jiang Xiaoyu was stunned and her eyes were filled with curiosity.

“Ye Zao said, “Go back and charge it yourself.” ”

“Okay.”

“Jiang Xiaoyu said in surprise, “Which one is the robot?” ”

“Hearing that, Xiao Bai immediately turned around and acted cute. “Right, right! I’m the smartest and cutest robot in the universe, ye Bai! But my battery is out now! I Won’t talk to you anymore! Bye!” ”

Jiang Xiaoyu’s face was full of surprise.

“She was usually quite interested in robots, so when she went abroad to study, she specially chose Z country. ”

“However, in the technologically advanced Z country, she had never seen such an intelligent robot. She didn’t expect to see one in China! ”

“At this moment, Jiang Xiaoyu only had one thought! ”

That was!

To immediately have an identical robot!

“Jiang Xiaoyu turned to look at ye Zao. “Miss Ye, I’m sorry. I really like that robot of yours. May I ask where it was bought?” ”

“Ye Zao continued, “I assembled it myself.” ”

Assembled it himself?

The look in Jiang Xiaoyu’s eyes almost turned into stars!

Ye Zao was too amazing!

He could actually assemble such an intelligent robot!

Jiang Xiaoyu covered her mouth. “Miss Ye! You’re really amazing! No wonder the television said that you could build an aircraft carrier!”

“Thank you.”Ye Zao looked up at the sky. “Do you want to come in and have a cup of tea?”

“”Yes, yes! Thank you, Miss Ye! You’re Too Kind, Miss Ye!” ”

Ye Zao:” ...”she was really just being polite. She didn’t expect Jiang Xiaoyu to treat her like an outsider.

She came into the house.

She saw that Whitey was charging in the corner.

“Jiang Xiaoyu came into the house and looked at Whitey from left to right, up and down, left and right, as if she had discovered a new world.”

“At this moment, brother Meow, who was in Whitey’s pocket, suddenly stuck his head out.”

“Meow!”

“Facing the sudden big head, Jiang Xiaoyu was so scared that she took a few steps back. She patted her heart and said, “F * ck! F * ck! There’s a cat on the robot!” ”

“At this moment, ye Zao walked over with a cup in his hand. “I can’t sleep with tea tonight. Have a cup of Coke.” ”

“Thank you.”Jiang Xiaoyu took the cup from ye Zao with both hands.

“After taking a sip of the coke, Jiang Xiaoyu continued, “Miss Ye, is that Cat Real?” ”

“”Yes, it’s real.”Ye Zao nodded slightly.”

“”Then, then can I pet it?”Jiang Xiaoyu asked.”

“Yes.”

“With Ye Zao’s permission, Jiang Xiaoyu carefully stretched out a finger and poked brother Meow’s head.”

“Meow!”

Brother Meow rubbed Jiang Xiaoyu's hand.

"Jiang Xiaoyu said excitedly, "It's real! This cat is really real!" "

Ye Zao sat on the sofa and drank coke while opening the dessert that Jiang Xiaoyu brought.

It was a very exquisite mousse ice cream cake.

There was also a layer of cocoa powder on it.

It looked very delicious.

"Ye Zao took a knife and cut a piece of cake. "Miss Jiang, do you want to eat a piece of dessert?" "

"Jiang Xiaoyu ran over with a snort. "Miss Ye, you can just call me by my name! My name is Jiang Xiaoyu!" "

"Ye Zao nodded slightly. "Then, do you want to eat dessert?" "

"It's too late." Jiang Xiaoyu waved her hand and refused. "It's easy to get fat if you eat at night!"

"Since Jiang Xiaoyu didn't eat, ye Zao could only enjoy the delicious food alone. "

"Seeing ye Zao eat so well, Jiang Xiaoyu swallowed her saliva. "

She would eat like ye Zao Tomorrow in the daytime!

She would eat two big pieces!

No!

Three big pieces!

Yes!

It was three big pieces.

“In order to stop her stomach from being tortured, Jiang Xiaoyu continued, “Miss Ye, you’re busy. I’ll go back First!” ”

“Okay.”Ye Zhuo nodded slightly.

“Before he left, Jiang Xiaoyu even ran over to give brother Meow a hug. Then, she patted Whitey’s shoulder. “I’m leaving. Goodbye.” ”

The next day arrived in the blink of an eye.

Ye Zhuo went to work at the consortium as usual.

There was an early morning meeting in the morning.

Ye Zhuo entered the office at a certain time.

“Zhao Xueyin glanced at Ye Zhuo. “Since everyone is here, let’s start the early meeting. Let me say a few words first...” ”

Ye Zao sat in his chair.

His posture was a little casual.

There was no expression on his face.

“From the lawyer’s perspective, he could just see the side of her face. ”

The lawyer’s gaze was very heavy.

Zhao Xueyin just happened to catch this scene.

The lawyer was actually looking at ye Zao!

Why was he looking at ye Zao?

“Zhao Xueyin was burning with anger, but she still looked calm as she looked at ye Zao, “President Ye, I heard that you read the financial statements for the entire afternoon yesterday. Do you have anything to tell us? Or, have you come up with a solution to the financial problem?” ”

“According to Aili, Ye Zhuo finished reading in less than an hour. ”

What could she see!

A summary and a solution?

It was more like a disgrace.

“I was about to tell everyone about this.”Ye Zhuo stood up slightly and walked to Zhao Xueyin’s side.
“Let me use the computer.”

“Use it.”Zhao Xueyin smiled slightly. She wanted to see what ye Zhuo could say.

Ye Zhuo inserted the USB drive that he had prepared into the USB port and opened the powerpoint.

“In the next second, the contents of the computer were all displayed on the big screen behind him. ”

““Everyone, please look at the big screen.”Ye Zhuo controlled the mouse. “Here, here, these are all the questions that I have concluded from looking at the financial statements. Why did our financial group’s stock fall so much in just a short ten years...” ”

“Every word that ye Zhuo said was deeply rooted in the hearts of the people. It was clear and orderly, so no one could find any mistakes. ”

“After he finished speaking, everyone looked at each other and saw the shock in each other’s eyes. ”

Amazing!

Really Too Amazing!

“If they hadn’t seen it with their own eyes, no one would believe that this plan and conclusion were made by Ye Zhuo. ”

Such a comparison.

Zhao Xueyin wasn’t just slightly inferior to Ye Zhuo.

“President Ye is right. We really should do it.”

““President Ye, I Support Your Plan!” ”

“I support it too!”

“In the blink of an eye, two-thirds of the people in the meeting room raised their hands.”

Zhao Xueyin was stunned.

She was going to watch ye Zhuo make a fool of himself.

She didn’t expect ye Zhuo to be so well-prepared.

Who was the one who made this plan for her?

Elder Zhang?

“Zhao Xueyin pinched her fingers, feeling very uncomfortable.”

“After a moment, Zhao Xueyin calmed down and continued, “Everyone, this plan does look good, but in the end, it’s just talk on paper...” ”

“I don’t think it’s talk on paper!”

“I don’t think so either!”

“”Miss Zhao, this is clearly a feasible plan. Please don’t bring your personal feelings into the work.” ”

“Zhao Xueyin took a deep breath and turned to look at the lawyer. “Chairman of the company, what do you think?” ”

“The lawyer was young and promising, and he had a lot of prestige in the financial group.”

“As long as the lawyer said no, everyone would definitely support the lawyer. ”

“And the lawyer liked her so much, he would definitely support her. ”

Chapter 1137: 248: see Zhao Xueyin’s true face and cut it in half! 1

Zhao Xueyin looked at the lawyer.

The rest of the higher-ups also looked at the lawyer.

The hard work of the lawyer over the years was seen by everyone.

“If he didn’t have some ability, how could he be the chairman? ”

The lawyer raised his head slowly.

“For a moment, he didn’t know how to speak. ”

“If it was in the past, he would definitely support Zhao Xueyin without hesitation. ”

But now...

“On one hand, it was because ye Zhuo had done him a favor. ”

“On the other hand, he also felt that ye Zhuo’s plan was very excellent. ”

“If it was carried out according to Ye Zhuo’s plan, it would definitely bring considerable benefits to Shunxi Financial Group. ”

“After a moment of hesitation, Si lui raised his head and looked at Zhao Xueyin. “I... I also support President Ye’s plan.” ”

Support Ye Zhuo?

Zhao Xueyin was stunned. Her face turned slightly pale.

She even thought that she was hearing things.

Why would the lawyer support Ye Zhuo?

The lawyer clearly hated ye Zhuo that much.

What was going on?

Could it be...

Even the lawyer had been tricked by Ye Zhuo?

Scumbag!

Ye Zhuo was a scumbag!

““Since chairman Si also agrees with President Ye’s proposal, the majority will follow the minority. This matter is settled then!” ”

“I agree with manager Liu’s words!”

"I agree too!"

"Hearing everyone's words, Zhao Xueyin almost couldn't react in time. "

Her questioning gaze swept past the lawyer.

"Meeting Zhao Xueyin's gaze, the lawyer guiltily lowered his eyelids. "

Zhao Xueyin must be very disappointed in him right now...

"After a moment, Zhao Xueyin retracted her gaze and said with a smile, "Since that's the case, then we'll carry out President Ye's Plan!" "

"Hearing this, all the higher-ups nodded in satisfaction. "

"Zhao Xueyin continued, "If there's nothing else, the meeting is adjourned." "

"After saying this, Zhao Xueyin sorted out the documents before turning around and walking out the door. "

The Si lawyer looked at Zhao Xueyin's back and felt extremely uncomfortable.

It wasn't enough for now.

"After Zhao Xueyin calmed down a little, he would explain to Zhao Xueyin. "

Zhao Xueyin came to the office and was so angry that she had a headache.

There was a buzzing sound in front of her eyes.

Ye Zao had only returned to the Consortium for a few days?

She had already convinced everyone.

She had even made the lawyer change sides!

What would happen if this went on for a long time?

No.

She could not let ye Zao continue to be so arrogant!

“At this moment, there was a knock on the door.”

“Her assistant, Annie, turned around. “It’s Miss Jiang.” ”

“Normally, Annie would have let Jiang Xiaoyu in directly. ”

But today was different.

Zhao Xueyin was in a rage.

“When she heard the words ‘Miss Jiang’, Zhao Xueyin’s eyes lit up. “Let her in.” ”

“”Okay.” Annie nodded. “Miss Jiang, Miss Zhao will let you in.” ”

Jiang Xiaoyu walked in.

“Xueyin.”

“Zhao Xueyin stood up. “Xiaoyu, you’re here.” ”

“Jiang Xiaoyu said, “Are you busy now? If you’re not busy, why don’t we go shopping together?” ”

Zhao Xueyin shook her head. “I don’t think so.”

Jiang Xiaoyu looked at Zhao Xueyin. “Why do you look so sad?”

“I’m fine.”

Annie took the opportunity to interrupt. “You’re still mad at President Ye!”

“Miss Ye?” Jiang Xiaoyu was a little puzzled.

“At the same time, she also remembered what ye Zao said. ”

She said that she was just a pawn in Zhao Xueyin’s hands.

Jiang Xiaoyu’s expression didn’t change.

Miss Ye?

Zhao Xueyin furrowed her brows without leaving a trace.

“Just last night, Jiang Xiaoyu was still calling ye Zao and calling him shameless... ”

Why did it change today?

Could it be that even Jiang Xiaoyu changed sides?

“Thinking of this, Zhao Xueyin was extremely flustered. ”

How could this be?

“What happened to Miss Ye?” Jiang Xiaoyu asked.

“Annie continued, “When the morning meeting just started, I don’t know what method president ye used to actually get all the higher-ups of the consortium to support her! Even the chairman of the company was on her side... Miss Kang, what do you think this is It’s our fault that Miss Zhao is too kind to argue with her . . .” ”

Is this an attempt to fan the flames?

Jiang Xiaoyu bit his lip.

It seems to have been the same last night.

“Under Anne’s fanning the flames, she indiscriminately went to find ye Zhuo’s trouble. ”

I ended up embarrassing myself.

What was this move called?

Killing without spilling blood?

Jiang Xiaoyu’s thoughts went back to many years ago.

“She remembered that when they went to school together, Zhao Xueyin was also like this. She would fan the flames by the ears of people she could not stand. ”

“Jiang Xiaoyu was also someone who could not stand to see her good friend being bullied. Every time, she would stand up for Zhao Xueyin. ”

“In the end, Zhao Xueyin forgave the other party on her behalf with a gentle and generous look. ”

“Chapter 1138: 248: When I see Zhao Xueyin’s true face, I’ll cut her in half! 2”

“In the end, she ended up in a mess. ”

Jiang Xiaoyu had never thought that Zhao Xueyin was so scheming before.

Combined with what ye Zao said last night and Zhao Xueyin’s reaction today...

She felt that ye Zao was quite right.

Perhaps.

She had always been a chess piece in Zhao Xueyin’s hands.

“Jiang Xiaoyu raised her head and looked at Zhao Xueyin. “Xueyin, is what Annie said true?” ”

“Yes.” Zhao Xueyin nodded.

“In the next second, Jiang Xiaoyu would definitely be filled with righteous indignation and want to avenge her.”

“Jiang Xiaoyu continued, “Xueyin, is there a misunderstanding between you and Miss Ye?” ”

A misunderstanding?

Shouldn't Jiang Xiaoyu Scold ye Zao first before avenging her?

Saying that there was a misunderstanding didn't seem like Jiang Xiaoyu's style!

““It's not a misunderstanding.”Zhao Xueyin sighed. “The higher-ups of the company, including Big Brother Si, have all been bribed by Ye Zhuo. Xiaoyu, I'm very likely to be chased out of the financial group by Ye Zhuo soon...” ”

“Jiang Xiaoyu held Zhao Xueyin's hand and said, “Xueyin, it must be a misunderstanding! “Actually, Miss Ye is a very outstanding and kind-hearted girl. Besides, didn't you say that last night? “If you and her are not competitors, you really hope to become friends with her.” ”

Outstanding?

Kind-hearted?

These two keywords have something to do with ye Zao?

What the Hell Is Jiang Xiaoyu thinking?

““Xiaoyu, you've changed.”Zhao Xueyin looked at Jiang Xiaoyu in disbelief.”

He had become so unfamiliar.

Jiang Xiaoyu wasn't like this in the past.

The Jiang Xiaoyu in the past was very loyal.

He fought wherever he pointed!

"But now, Jiang Xiaoyu had learned to resist. "

Would a good friend be like Jiang Xiaoyu?

It turned out that time could really change a person.

Zhao Xueyin looked at Jiang Xiaoyu with disappointment.

""I haven't changed." Jiang Xiaoyu looked at Zhao Xueyin. "You're the one who changed? Zhao Xueyin, let me ask you, am I a chess piece in your heart? A chess piece that can be controlled by anyone?" "

Chess piece?

"Hearing this, Zhao Xueyin's eyes were filled with shock. "

How could she treat Jiang Xiaoyu as a chess piece?

She had always treated Jiang Xiaoyu as her best friend.

A good friend should be willing to do anything.

“Now that she had encountered a stumbling block in her life, what was Jiang Xiaoyu’s role in clearing the obstacles and paving the way for her? ”

She did not ask Jiang Xiaoyu to do anything overboard.

Zhao Xueyin did not expect Jiang Xiaoyu to be such a calculative person!

“Unless, Jiang Xiaoyu did not treat her as a friend at all! ”

She could only blame herself for seeing the wrong person.

She had made the wrong friend!

“Zhao Xueyin looked at Jiang Xiaoyu and said bitterly, “No! Xiaoyu, in My Heart, you are my best friend! Why would you think that way! You said that I treat you as a chess piece? How is that possible!” ”

“Jiang Xiaoyu said, “Since I was young, I have always been a bad person in front of you. You have always been the good person standing in front of me! This has caused everyone to think that there is something wrong with my character!” ”

“”But we’re best friends, aren’t we?”Zhao Xueyin’s eyes were red. “I never thought that you would care about these things!” ”

Zhao Xueyin really didn’t take these things to heart.

She felt that these were things that good friends should do.

She looked at Zhao Xueyin who was standing in front of her.

Jiang Xiaoyu couldn’t tell what expression she had on her face.

It had been more than 20 years.

Jiang Xiaoyu had never thought that he was so stupid.

So stupid that he was cute.

“Good friend?” Jiang Xiaoyu looked at Zhao Xueyin with a self-deprecating smile on his face. “Should a good friend block a knife for you? Forget it, it’s my fault for being so stupid! I didn’t recognize you!” ”

Zhao Xueyin was very anxious. “Xiaoyu! Why do you think so? I really treat you as a good friend!”

“Jiang Xiaoyu stood up from the chair and said, “Zhao Xueyin, let’s end this once and for all. You take your sunny path, and I’ll take mine.” ”

Her words were not sloppy at all.

Then.

She turned around and left.

“Seeing Jiang Xiaoyu turn around and leave, Zhao Xueyin also stood up from the chair and said, “Xiaoyu!” ”

Jiang Xiaoyu ignored Zhao Xueyin and walked forward without looking back.

Things were getting out of her control.

Zhao Xueyin had never thought that Jiang Xiaoyu would break with her one day.

“However, Zhao Xueyin wasn’t worried. ”

“Because soon, Jiang Xiaoyu would come back crying and apologize to her. ”

“All these years, the Jiang Corporation had been in a state of loss. ”

“Without her help, the Jiang Corporation would only go bankrupt. ”

“Chapter 1139: 248: When I see Zhao Xueyin’s true face, I’ll cut her in half! 3”

In the past.

She could have helped the Jiang Corporation for Jiang Xiaoyu’s sake.

But now.

It was impossible!

Since Jiang Xiaoyu didn’t know what was good for her.

Then don’t blame her for being impolite.

“When the time came, even if Jiang Xiaoyu knelt down for her, she wouldn’t forgive Jiang Xiaoyu! ”

“Zhao Xueyin narrowed her eyes and dialed the secretary’s internal line. “Linda, come up for a moment.” ”

“Soon, secretary-general Linda came up. ”

“”Miss Zhao, you were looking for me,”Linda said respectfully. ”

Zhao Xueyin pressed her temples. “Check if anything happened at the Imperial Court Hotel Last Night.”

“Although Zhao Xueyin did not personally experience it, she still felt that something must have happened last night. ”

“Otherwise, the lawyer would not have been conquered by Ye Zhuo so quickly! ”

And Jiang Xiaoyu.

Jiang Xiaoyu’s sudden defection must have happened last night as well.

“Okay.”Linda nodded.

“What Happened Last Night at the Imperial Court Hotel was not a secret. The people trapped in the elevator were all important figures in the financial world. Even if the hotel wanted to suppress the matter, it was impossible to do so. ”

“Half an hour later, Linda had investigated the matter clearly. ”

Linda handed the information she found to Zhao Xueyin. “The name of Old Lady Jiang was on the list of people who were trapped last night.”

Zhao Xueyin took the document Linda handed over and actually saw the name of the lawyer in the information.

“Zhao Xueyin looked up at Linda. “So, the lawyer was also at the scene.” ”

Linda nodded. "Yes."

Zhao Xueyin's lips curled up.

So that was how it was.

No wonder the lawyer treated ye Zhuo so well overnight.

An elevator accident?

Perhaps the elevator incident was done by Ye Zhuo himself.

"Otherwise, how could it be so coincidental that ye Zhuo and the lawyer were locked up inside?"

The Sea King was the Sea King.

"Indeed, there were many tricks up his sleeve."

It was unexpected.

He could even cause an elevator accident.

How could an ordinary person think of an elevator accident?

It was also the lawyer's fault for being stupid.

He couldn't even see through such tricks!

How could such a person be qualified to be her backup?

“Thinking of this, Zhao Xueyin’s eyes were filled with disgust. ”

It was worse than eating a fly.

“After a while, Zhao Xueyin waved her hand. “I got it. You can leave now.” ”

Linda bent down slightly and turned to walk out of the door.

““Wait a minute,”Zhao Xueyin said immediately. ”

““Miss Zhao, do you have any other instructions?”Linda stopped and turned to look at Zhao Xueyin. ”

“Zhao Xueyin said, “Don’t mention to anyone about the matter I asked you to investigate.” ”

“I know.”Linda nodded.

It was past four in the afternoon.

“After much hesitation, the lawyer finally knocked on Zhao Xueyin’s office door. ”

“It was Zhao Xueyin’s assistant who opened the door. “I’m sorry, director Si, it’s not convenient for Miss Zhao to see guests now.” ”

“Alright.”Disappointment flashed in the lawyer’s eyes.

It seemed that Zhao Xueyin was really angry.

“Just as she was about to turn around and leave, Zhao Xueyin’s voice came from inside. “Let chairman si come in.” ”

Only then did the assistant make a ‘please’ gesture.

Si Lui’s heart was filled with joy as he quickly walked inside. “Xueyin.”

“Big Brother Zhao.” Zhao Xueyin raised her head and smiled at Si Lui.

“Si lui continued, “Xueyin, I’m sorry about what happened this morning. I know that you’re feeling very uncomfortable now, but I’m not targeting you. I just think that Miss Ye’s plan is feasible. The consortium has been going downhill for five consecutive years. What if Miss Ye really has the ability to turn the tide? This is also a good thing for you... “...”. “...” ”

“To Si Lui, he only approved of ye Zhuo’s plan. He did not recognize ye Zhuo as a person. ”

“After saying that, Si lui paused and continued, “Xueyin, don’t worry. I’ll still support you as before.” ”

““Don’t say anymore. I know.” A bitter smile appeared on Zhao Xueyin’s lips. “Just like last night’s clash, Ye Zhuo has always been an existence that everyone admires. I can only act as a foil to her!” ”

This sentence made Si Lui’s heart ache.

“He had only cared about ye Zao saving him. If Zhao Xueyin did not say anything, Si lui would have forgotten about the clash of clothing incident. ”

Si lui frowned slightly.

“Zhao Xueyin continued, “Brother Si, if ye Zao’s proposal was really made by herself, do you think I would object? “I am the Acting Chief of the consortium. I hope that the consortium can regain its former glory more than anyone else!” ”

“That plan was obviously masterminded by Elder Zhang. I did this to force elder Zhang out from behind ye Zao.”

“Chapter 1140: 248: When I see Zhao Xueyin’s true face, I’ll cut her in half! 4”

“At this point, Zhao Xueyin’s eyes were filled with disappointment. She looked at si lui and said, “Big Brother Si, I originally thought that we had a tacit understanding. No matter what I do, you will support me unconditionally.” ”

“Now it seems that I’m thinking too much.”

The corners of Zhao Xueyin’s mouth were filled with a self-deprecating smile.

After hearing these words.

Si Lui’s heart was about to break.

It was his fault.

He had misunderstood Zhao Xueyin.

Si lui was very regretful now.

He regretted why he had said those words in support of ye Zao just now.

He should not have supported ye Zao.

He should not have made Zhao Xueyin Sad and sad.

“But now, it was useless to regret. ”

“Zhao Xueyin continued, “Actually, it’s not strange that you would stand on Ye Zao’s side. I should have thought of it long ago. Ye Zao is so outstanding and so good-looking. If it were me, I would have made the same choice as you guys.” ”

You guys?

Why you guys?

Could it be that other than him...

Was there anyone else?

“Si lui was very puzzled, but at this moment, he could not care about that anymore, he quickly explained, “It’s not like that! Xueyin, you’ve misunderstood me! I’m not standing on Ye Zhuo’s side. I was muddle-headed in the morning! I’m sorry, I apologize to you...” ”

“Zhao Xueyin interrupted the lawyer, “Brother Si, you can go out first! I’m a little tired!” ”

“Xueyin!”The lawyer didn’t want to go out.

“”Annie, send chairman si out.”Zhao Xueyin’s back was facing the lawyer. She held back her tears and her voice was trembling. ”

“Annie walked to the lawyer’s side, “Chairman si, Miss Zhao has already encountered enough trouble today. Please let her calm down.” ”

The lawyer had no choice but to follow Annie’s footsteps.

“Outside, the lawyer looked at Annie. “What exactly happened?” ”

“Annie looked at the lawyer. “You, you shouldn’t ask.” ”

“Speak.”

“Annie hesitated for a moment before saying, “Miss Jiang came in the morning.” ”

“Jiang Xiaoyu?”

Annie nodded.

“Jiang Xiaoyu bullied Xueyin?”The lawyer asked.

“”Not really.”Annie shook her head, then, she said, “Miss Jiang was the same as you. Because of President Ye’s matter, she had a dispute with Miss Zhao. In the end, because of president ye breaking up with Miss Zhao, she said something ruthless about severing ties.” ”

The lawyer did not expect things to turn out this way.

No Wonder Zhao Xueyin would say something like that back in the office.

The ‘You’Zhao Xueyin was referring to was him and Jiang Xiaoyu.

Jiang Xiaoyu and Zhao Xueyin were good friends for many years.

Why did Jiang Xiaoyu break up with Zhao Xueyin.

Moreover.

“At this moment, the lawyer suddenly remembered something. ”

“If she remembered correctly, the person who was trapped in the elevator last night was also Old Madam Jiang. ”

Could it be that Jiang Xiaoyu broke up with Zhao Xueyin because of this.

He also had a good impression of ye Zhuo because of the elevator incident.

Could it be that...

The elevator incident was not a coincidence?

“The lawyer furrowed his brows tightly, but no expression could be seen on his face. ”

“Annie continued, “Initially, Miss Zhao’s mood was already very bad because of Miss Jiang’s matter. I didn’t expect you to... sigh...”at the end of her sentence, Annie sighed deeply. ”

“The lawyer was feeling very guilty. His face was filled with guilt. “I, I didn’t know...” ”

“If he had known earlier, he would not have supported ye Zhuo in the meeting. ”

“Annie sighed and continued, “Now that the matter has already happened, it’s useless to say anything! Chairman si, now not only Miss Zhao is very disappointed in you, I’m also very disappointed in You!” ”

The lawyer did not say anything.

Annie did not say anything more. She looked at the lawyer and turned to leave.

On the other side.

“After sister-in-law Wang brought the prescription back, she used the rest time the next morning to go with her daughter to buy the Chinese medicine on the prescription. According to the instructions on the prescription, she began to brew the medicine in the kitchen. ”

Chinese medicine was different from Western medicine.

“At this time, the room with two bedrooms and one living room was filled with the strong smell of medicine. ”

““What are you two doing in the kitchen? Why is there such a strong smell?”Her husband, Su Qiang, walked in from the living room. ”

“Su Xiaoqing smiled and said, “My mother is brewing the medicine for you!” ”

“What medicine?”Su Qiang asked.

““The medicine to treat diabetes.”Wang Sao smiled and said, “I brought this prescription back from the Zhou family! The Zhou family is a big family. It’s said that president ye of the Shunxi Financial Group wrote this prescription! “I believe that this prescription will definitely cure your disease!” ”

“Whether it was the Zhou family or president ye of the Shunxi Financial Group, they were both existences that ordinary people could only dream of. ”
