“Chapter 1141: 248: Once I see Zhao Xueyin’s true face, I’ll cut her in half! 5”

The prescription that they took from the upper class society was definitely not a problem.

Auntie Wang trusted this prescription very much.

“Otherwise, she wouldn’t have bought the prescription back so quickly.”

“Can it really cure my illness?” Su Qiang’s eyes lit up.

“He had been suffering from diabetes for a very long time. Because it was too serious, not only did he have to refrain from talking, but his body was also very weak and couldn’t do heavy work.”

“He did not have much education, so he could only do some physical work. Ever since he got sick, he had been resting at home. Fortunately, his wife was virtuous. All these years, she had been working as a servant in the Zhao family to supplement her life and had never complained!”

Su Qiang dreamed of curing his own diabetes. He wanted to contribute to the family and take on the responsibility of a husband and a father!

“Unfortunately, there was no specific medicine that could cure diabetes at the moment.”

“Now that he heard that this prescription could cure diabetes, Su Qiang was extremely excited.”

It was as if someone who was terminally ill suddenly saw hope.

“It’s true!” Auntie Wang nodded. “I think on this prescription, if you drink it three times a day for seven consecutive days, you can see the effect!” ”

“Okay, then I want to try it. I must try it!” ”

“Auntie Wang poured the medicine into the bowl. “Drink it while it’s hot. Xiao Qing, go get a candy for your dad.” ”

“Okay.” Su Xiaoqing ran outside to get the candy.

“Su Qiang took the bowl. “Actually, there’s no need for sugar. I can drink it.” The bitterness he had experienced over the years was much more bitter than this bowl of Chinese medicine.” ”

“Auntie Wang could hear the hidden meaning in Su Qiang’s words. She smiled and said, “Eat a candy! In the future, our life will definitely be like candy, sweet and sweet.” ”

“Okay.” Su Qiang nodded.

In the coffee shop.

“Zhao Xueyin walked into the coffee shop and went to the reserved seat. “Second aunt, why did you call me over in such a hurry?” ”

Who was sitting opposite Zhao Xueyin other than Ma Jiayue?

“Ma Jiayue smiled and said, “Xueyin, you have to treat me to this cup of coffee today! Otherwise, I won’t be able to help you!” ”

“Zhao Xue Yin narrowed her eyes. “Second aunt, your niece is stupid. If you have anything to say, just say it. Don’t beat around the bush with me.” ”

“You’re Stupid?” Ma Jia Yue glanced at Zhao Xue Yin. “If you’re stupid, there won’t be any smart people in the financial world!” ”

“If Zhao Xue Yin was stupid, she wouldn’t have achieved what she did today.”

“Second aunt,” Zhao Xue Yin smiled and said, “Don’t beat around the bush with me!” ”

“Okay, okay, okay! I Won’t beat around the bush with you!” Ma Jia Yue then told Zhao Xue Yin about what happened last night, “Ye Zao is in big trouble this time! I just called her, and sister-in-law Wang has already started to let her husband take medicine! Just wait! Something will happen sooner or later!” ”

“Are you so sure that something will happen?” If something happened to Ye Zao, she couldn’t ask for more. ”

She was just afraid that something unexpected would happen again.

“Ma Jia Yue was a little speechless and said, “You still don’t believe in your second aunt’s medical skills? Even if you don’t believe in your second aunt’s medical skills, you should believe in your grandfather!” ”

Ma Jia Yue’s father was called Ma Da bin.

“When he was still alive, everyone called him Sai Bian Que. He was a famous godly doctor in the financial world.”

“Although Ma Jia Yue didn’t practice medicine, her medical skills were not inferior to that of a proper traditional Chinese medicine doctor.”

“Zhao Xue smiled and said, “It’s not that I don’t trust you. I just feel that based on ye Zhuo’s character, she shouldn’t be able to do such an unreliable thing.” To let a patient take a problematic medicine.., wasn’t this like shooting herself in the foot? ”

Ye Zhuo wasn’t stupid!

Would she do such a self-destructive thing?

“Ma Jia Yue narrowed her eyes. “If she was reliable, she wouldn’t be able to boast about building a space mothership! Who does she think she is? Is she that Miracle Doctor Ye who cures cancer? I think she just likes to be in the limelight!” ”

How could ye Zhuo compare to Miracle Doctor Ye?

There was no comparison at all!

“Hearing this, Zhao Xueyin felt that what Ma Jianyue said made sense.”

Ye Zhuo must have done this to gain a foothold.

She had just returned to the financial world and her foundation was still shallow.

She needed the support of others.

“At present, she had already received the support of the lawyer and Jiang Xiaoyu.”

“If it wasn’t for Ma Jianyue who was well-versed in medical science, the Zhou family would probably have been deceived by Ye Zhuo.”

Right!

That must be the case.

“Zhao Xueyin picked up the cup and took a sip of coffee before asking, “Second aunt, will ye Zao’s prescription aggravate the patient’s condition?” ”

“Ma Jiayue replied, “Aggravating the patient’s condition is still considered light! If it’s more serious, it could kill a person!” ”

Ma Jiayue really didn’t spout nonsense.

The two herbs that Ye Zao had added to the prescription might not even dare to try so easily while Old Master Ma was still alive.

“Chapter 1142: 248: Once I see Zhao Xueyin’s true face, I’ll cut her in half! 6”

Did Ye Zao think that he was conducting an experiment?

Using a human life as an experiment?

Zhao Xueyin immediately put down her cup. “Is it that serious?”

“Of course.” Ma Jiayue nodded. “Otherwise, I wouldn’t have come all the way here just for this!”

Ma Jiayue was a cautious person and never said anything that she wasn’t sure of.

“By saying this, she must be completely confident”

“Thinking of this, the corners of Zhao Xueyin’s lips curled up.”

Great!

This was really great!

“The heavenly axiom had a cycle of reincarnation, and retribution wasn’t pleasant.”

Even the heavens couldn’t stand a scumbag like ye Zhuo!

A human life was at stake.

And Ye Zhuo was practicing medicine without a license!

“With these few incriminating evidence added together, Ye Zhuo was prepared to spend the rest of his life in prison!”

“Zhao Xueyin looked at Ma Jia Yue and asked, “Then when will the patient’s condition worsen?””

“Ma Jia Yue said, “It depends on the individual’s physical condition. Under normal circumstances, it will take about 7-10 days.””

7-10 days?

“Hearing that, Zhao Xueyin had an idea.”

She was waiting for Ye Zhuo’s retribution.

“After a moment, Zhao Xueyin raised her head to look at Ma Jia Yue. “Second aunt, thank you so much.””

“Ma Jia Yue smiled and said, “We’re all family, what are you thanking me for! If you weren’t my niece, would I have helped you?””

“Zhao Xueyin took out two cards from her bag. “Second aunt, I have nothing to thank you for! Take these two shopping cards.””

These two cards were from high-end luxury brands.

“If it were in the past, Ma Jia Yue would definitely have taken them”

“But now, things were different from before.”

Ma Jia Yue stood up with a smile. “It’s as if second aunt really wants these two cards of yours! Keep them and don’t forget second aunt when the time comes.”

Everything was easy to repay.

Only a debt of gratitude was hard to repay.

“Zhao Xue Yin kept the cards and said with a smile, “Look at what second aunt said. Even if I forget someone, I can’t forget you.””

““Okay, second aunt will be relieved with your words.” Ma Jiayue continued, “Alright, let’s not talk about it anymore. I have something to do, so I’ll leave first.””

“Take care. I’ll go pay the bill.”

“Go ahead.” Ma Jiayue nodded.

“Looking at Ma Jiayue’s disappearing figure, Zhao Xueyin’s eyes were full of pride.”

On the other side.

“After Jiang Xiaoyu came out from the Shunxi Financial Group, he was very depressed.”

It would be a lie to say that she didn't care about her relationship with Zhao Xueyin for more than twenty years.

She was a human being.

A human being with flesh and blood!

She returned to the Jiang family like a walking corpse.

“Madam Jiang was shocked when she saw Jiang Xiaoyu like this. “Xiaoyu, who bullied you?””

““No one bullied me,” Jiang Xiaoyu said weakly. “I'm just in a bad mood.””

“Madam Jiang continued, “Why are you in a bad mood? Tell me quickly!””

“I want to sleep.” Jiang Xiaoyu walked upstairs.

“Madam Jiang was very anxious when she saw Jiang Xiaoyu like this. She knew that old madam Jiang said, “Mom, do you think our Xiaoyu has broken up with someone? Why do I feel that something is wrong with that child?””

“Old Madam Jiang was still a little conservative. She was not very happy when she heard Madam Jiang say that Jiang Xiaoyu had broken up with someone, “What nonsense are you talking about? Our Xiaoyu just returned to the country. Where did she get a boyfriend? I guess she's just in a bad mood! The child hasn't been back for three years. It's inevitable that she won't be used to her sudden return!””

“You're right.” Madam Jiang nodded.

Jiang Xiaoyu slept until eight o'clock at night.

“Looking at the dark sky outside the window, Jiang Xiaoyu was already extremely depressed. Now, she was even more depressed.”

She had been abroad for three years.

“Other than Zhao Xueyin, she had lost contact with everyone else. At this moment, even if she wanted to find someone to talk to, she couldn’t find anyone.”

Her life was really a failure!

How about...

Go find ye Zao?

“Thinking of this, Jiang Xiaoyu’s eyes lit up.”

I’ll do it!

Jiang Xiaoyu immediately got up from the bed and walked to the fitting room.

“In a moment, Jiang Xiaoyu walked out of the fitting room.”

She liked to dress in a neutral style since she was young.

Jiang Xiaoyu was wearing a black t-shirt. She didn’t have any makeup on her face. She had a plain face and a pair of ripped jeans on her lower body.

Her short hair that reached her ears was dyed maroon.

“Looking at her like this, it was really hard to tell if she was male or female.”

“After studying abroad, she let herself go even more.”

“However, Zhao Xueyin didn’t like it.”

“She felt that it was neither a man nor a woman. Yesterday, in order to take into account Zhao Xueyin’s feelings, she specially put on a wig and a skirt.”

“From now on, she wouldn’t cater to anyone!”

“Jiang Xiaoyu came downstairs. When Madam Jiang saw her, her expression changed, “Xiaoyu! How did you become like this again? Isn’t it good to be like that during the day? Girls should be like girls! With you like this, who would dare to marry you in the future?””

“Chapter 1143: 248: Once I see Zhao Xueyin’s true face, I’ll cut her in half! 7”

“It’s good that no one is marrying me.”Jiang Xiaoyu snorted. “I don’t want to marry anyway!”

“You Little Girl!”Madam Jiang poked Jiang Xiaoyu’s head. “I asked the kitchen to save some food for you. Go and eat some.”

“I’m not hungry.”Jiang Xiaoyu walked to the entrance and began to change his shoes.

“You still want to go out at this time of Night?”Madam Jiang asked curiously.

Jiang Xiaoyu nodded. “I’ll go out for a walk first.”

“It’s too late. Why Don’t You Go Out Tomorrow?” Madam Jiang was a little worried.

“It’s fine.” Jiang Xiaoyu didn’t care at all. “I often do this abroad. Is the security in the country worse than abroad?”

Madam Jiang sighed helplessly. “Then you have to be careful.”

“Got it.” Jiang Xiaoyu waved her hand and walked out.

“As soon as she walked out of the door, Jiang Xiaoyu immediately regained her dejected look.”

She was a little worried now. What if Ye Zhuo ignored her?

“After all, she had treated Ye Zhuo like that before...”

““Miss, are you going out?” The driver came up to her and asked.”

“Yes.” Jiang Xiaoyu nodded. “I’m going to No. 526 Haicheng Road.”

““Okay, get in the car.” ”

Jiang Xiaoyu got in the car in a daze.

“The driver saw that she seemed to have something on her mind, so he took the initiative to talk to her. “Miss, did you encounter something unhappy?” ”

““No.” Jiang Xiaoyu shook her head. At this moment, she suddenly saw a dessert house that was open for business. “Uncle Liu, please pull over. I’m going to buy some dessert.” ”

“Do you want to eat desserts?” Uncle Liu asked.

“Yes.” Jiang Xiaoyu nodded.

“Uncle Liu smiled and said, “If you want to eat blow-up desserts, I know a very good dessert shop! Although it’s not a big brand, the taste definitely made you eat the first time and want to eat the second time. Do you want to try it?” ”

“”Okay, let’s go to the place you mentioned, Uncle Liu.” ”

“”Okay!” At the next intersection, Uncle Liu turned the steering wheel to the left. ”

This dessert shop was located in a very remote alley.

The owner was a young couple.

All the desserts in the shop were handmade.

The prices were not expensive.

“But once they entered, they could smell a fragrance that could not be stopped. ”

Jiang Xiaoyu took a deep breath. “It smells so good.”

“”Miss, what would you like to eat?” ”

“Jiang Xiaoyu said, “Would you like to have one serving of every dessert in your store?” ”

“”Can you eat all of them? Our store doesn’t add any additives to our desserts, so the shelf life is very short.” ”

“Hearing that, Jiang Xiaoyu thought about it seriously. ”

“From Ye Zhuo’s actions, it could be seen that she was a very frugal person. ”

“If she caused a waste, it would be the opposite! ”

“After a while, Jiang Xiaoyu continued, “Then, then give me one serving of every dessert that you think is delicious! Two servings to go!” ”

“Okay.”The beautiful lady boss nodded.

“Adding on the delay in buying the dessert, Jiang Xiaoyu didn’t arrive at the Ye residence until nine o’clock. ”

“Standing in front of the Ye residence, Jiang Xiaoyu was very nervous. ”

“After hesitating for ten minutes, she finally mustered up her courage and rang the doorbell. ”

“Soon, the door opened! ”

““Dear guest, Hello Duck!” ”

““Xiaobai!” Jiang Xiaoyu said in surprise, “You know me?” ”

“Of course I know you! Didn’t you come here last night?”Xiaobai looked like an idiot.

““It’s me, it’s me!”Xiaobai continued, “But next time, before you call me, you must add the words ‘cute’to my name!” ”

“Jiang Xiaoyu smiled and said, “The cute Xiao Baibai!” ”

“Come in quickly!”

Jiang Xiaoyu followed behind Xiao Baibai.

“That? Isn’t miss ye at Home?”

“”Miss Ye? Who’s Miss Ye?”Xiao Baibai scratched his head in puzzlement. It took him a moment to react. “Oh! You’re talking about Great Scorch, aren’t you?” ”

“Yes!”Jiang Xiaoyu nodded.

“Xiao Baibai continued, “The Great Scorch is taking a shower! Take a seat for a while.” ”

“Okay.”Jiang Xiaoyu didn’t sit down even though she said it was okay.

She had come here without permission. It was better to wait for ye Zao to come out.

Xiao Baibai was busy pouring water for Jiang Xiaoyu.

“At this moment, the sound of footsteps came from the room. ”

Ye Zao Came.

Jiang Xiaoyu immediately stood up straight like a primary school student who had made a mistake.

“The next second, Ye Zhuo walked into the living room. ”

She had just taken a shower and was still wrapped in a white towel.

Her legs were long and white.

Her legs were so perfect that it was amazing.

“Even Jiang Xiaoyu, this woman, felt that they were perfect.”

“Chapter 1144: 248: When I see Zhao Xueyin’s true face, I’ll cut her in half! 8”

“Jiang Xiaoyu quickly reacted, then, he said, “Miss Ye, I’m sorry to bother you so late at night! “This is the dessert I brought for you. Our chauffeur said that although this dessert is located in a remote area and not expensive, the taste is definitely top-notch! “I guarantee that you’ll want to eat it again after the first time!” ”

Ye Zhuo’s gaze fell on the food bag in Jiang Xiaoyu’s hand. “Have a seat first. I’ll go and change my clothes.”

“Upon receiving ye Zhuo’s instructions, Jiang Xiaoyu immediately sat down on the sofa.”

“A moment later, ye Zhuo changed his clothes and walked out of the house.”

“”Doggie, pour some water for the guest.” ”

Xiaobai’s voice came from inside. “I’m making tea!”

“Make me a cup too.”

“Got it!”

“Jiang Xiaoyu said a little embarrassedly, “I’m not thirsty. I don’t need to pour water. Miss Ye, I’m here to thank you. Thank you for reminding me so that I can see Zhao Xueyin’s true face clearly...” ”

““It’s good that you can see it clearly. Everyone makes mistakes sometimes. The most important thing is not to make them again in the future,”ye Zao’s tone was indifferent. ”

Even though Jiang Xiaoyu had not known ye Zao for long.

“However, in Jiang Xiaoyu’s eyes, ye Zao seemed to have always been this indifferent. ”

““Miss Ye, don’t worry. I’ll definitely make them again!” ”

“Okay.”Ye Zao nodded slightly.

“The air seemed to have fallen into an awkward and strange atmosphere. Jiang Xiaoyu immediately took out the dessert. “Miss Ye, quickly try the taste of the dessert I bought.” ”

Ye Zhuo picked up a piece of thousand layer cake.

He took a small sip.

It melted in his mouth.

It left a pleasant taste in his mouth.

“The taste was indeed not bad. Ye Zhuo turned to look at Jiang Xiaoyu and asked, “Which dessert shop did you buy this from?” ”

“Jiang Xiaoyu smiled and said, “I just returned to China yesterday. I don’t know the exact address, but my chauffeur knows. I’ll help you ask our chauffeur tomorrow! Then I’ll send you a wechat message!
“Oh right, I don’t think I have your wechat. Why don’t we add each other on wechat?” ”

She said the last sentence very carefully.

“Okay.”Ye Zhuo took out his phone.

She agreed!

Ye Zhuo agreed!

Oh My God!

She actually added ye Zhuo’s wechat.

“Jiang Xiaoyu was even happier than winning the five million yuan prize. She immediately took out her phone and said, “Miss Ye, I’ll scan you!” ”

Ye Zhuo took out the QR code.

Beep!

She had successfully added him as a friend.

Jiang Xiaoyu typed the word “Goddess” in her wechat comment.

“Just as Jiang Xiaoyu was commenting, Ye Zhuo had already finished three desserts. ”

“Aren’t you going to eat?”Ye Zhuo asked.

“I’m... I’m not hungry.” Jiang Xiaoyu was a little embarrassed.

“Gulp.”

“At this moment, the sound of her stomach was heard in the air.”

Jiang Xiaoyu: “...”

“At this moment, Xiao Bai served the tea that had been brewed.”

“Ye Zao said, “I’m a little hungry. Go make two bowls of beef noodles.” ”

“Okay.”

Jiang Xiaoyu looked at ye Zao in surprise.

Ye Zao had bought a lot of semi-finished beef noodles and placed them in the refrigerator. He only needed to heat them up and add some spicy seeds and coriander.

“Soon, Xiao Bai came over with the cooked beef noodles.”

The fragrant question went straight into Jiang Xiaoyu’s nose.

It made Jiang Xiaoyu swallow her saliva.

Fragrant.

It was too fragrant!

Ye Zhuo picked up his chopsticks and ate the beef noodles.

Jiang Xiaoyu was a little embarrassed.

Ye Zhuo looked up slightly. "Hurry up and eat. It Won't taste good when it gets cold."

"Hearing this, Jiang Xiaoyu put down all her persistence and picked up her chopsticks to eat the noodles."
"

Slurp slurp.

"In the end, she even drank the noodle soup. "

""Miss Ye, your noodles are really delicious!" "

""If you're not full, you can ask Xiaobai to cook another bowl." "

""No need, no need."Jiang Xiaoyu could not help but Burp. "I'm already full!" "

"After that night, Jiang Xiaoyu returned to the Ye residence for a few days. "

"If ye Zhuo was busy, she would talk to Xiao Bai or play with the cat. "

"In the blink of an eye, a week had passed. "

Su Qiang had been taking traditional Chinese medicine for a week.

"These days, he could clearly feel that his body was much better. "

“In the past, he would pant when he took two steps.”

“Now, he could even jog when he walked.”

His strength had also recovered a lot.

“Seeing that Su Qiang was getting better and better day by day, Auntie Wang said, “Why don’t I ask for leave today and bring you to the hospital to have a look?” ”

“Su Qiang smiled and said, “There’s no need to ask for leave. I can go by myself.” ”

“”How can you go by yourself!” As she said that, Auntie Wang called to ask for leave. ”

“Because Ma Jia Yue had previously instructed them, the butler immediately informed Ma Jia Yue after receiving Auntie Wang’s call for leave. ”

“When she received the call, Ma Jianyue was shopping with Zhao Xueyin. “Really? Wang Sao really took leave to go to the hospital?” ”

“”Absolutely. Wang Sao personally called me to tell me. From her tone, she should be quite anxious! Oh right, she also asked me for President Ye’s address.” ”

“Ma Jianyue asked, “Did you tell her?” ”

“”I don’t know where President Ye lives either, so I gave her the address of Shunxi Financial Group!” ”

“”Okay, I got it!” ”

“After hanging up the phone, Ma Jianyue’s face was still full of joy. She turned to Zhao Xueyin and said, “Xueyin! Ye Zao is finished now!” ”

“What’s Wrong?”

“Ma Jianyue told her about sister-in-law Wang asking for leave to go to the hospital, “If it’s not serious, what’s the point of going to the hospital? Moreover, the Butler said that sister-in-law also asked for Ye Zhuo’s address! She must be looking for ye Zhuo to demand an explanation!” ”

“After all, Ma Jianyue had made it clear at that time. ”

“If anything happened, Ye Zhuo would take full responsibility. ”

“Hearing that, Zhao Xueyin’s face was full of joy that could not be concealed. ”

“Ma Jianyue continued, “Call the police! Let’s quickly call the police! Let’s wait for a rabbit in the consortium! In case sister-in-law is bribed by Ye Zhuo!” ”

“In a poor family, a life was nothing? ”

“When Ye Zhuo gave sister-in-law Wang a few million, perhaps sister-in-law Wang would not pursue the matter! ”

“Zhao Xueyin also thought of this and immediately said, “I’ll immediately contact officer Wang!” ”

“Chapter 1145: 249: face-smacking Zhao Xueyin, extremely domineering! 1”

Ma Jiayao nodded. “Then contact her quickly.”

Zhao Xueyin took out her phone and contacted officer Wang.

This officer Wang had some friendship with Zhao Xueyin.

“When she heard that the matter was so serious that someone had died, she immediately said, “Alright, I’ll be there right away.” ”

“Zhao Xueyin continued, “Try to be as quiet as possible. Don’t alert the enemy.” ”

“If the commotion was too big, ye Zao would definitely notice. ”

“This time, she had to make sure that ye Zao could not escape! ”

“When she thought of this, Zhao Xueyin’s eyes were filled with viciousness. ”

“After thinking for a while, officer Wang continued, “Miss Zhao, are you sure that the situation is true? It would be bad if something goes wrong.” ”

The police always paid attention to real evidence when handling a case.

They couldn’t just randomly accuse innocent people.

“Zhao Xueyin said, “Officer Wang, don’t worry. I’m sure that the situation is true.” ”

Zhao Xueyin wasn’t a small fry.

“Since she was so sure, it was definitely not a lie. ”

“Okay, I got it.” ”

“After hanging up the phone, Zhao Xueyin turned to look at Ma Jiayue. “Second aunt, I’ll go back first.” ”

“You go ahead.” Ma Jiayue looked at Zhao Xueyin and said, “When the time comes, just don’t forget second aunt’s well-being.” ”

“Zhao Xueyin said, “Don’t worry. I Won’t forget anyone, and I Won’t forget second aunt.” ”

Ma Jiayue nodded with satisfaction. “Go back quickly.”

Zhao Xueyin picked up her bag and turned to leave.

“Looking at Zhao Xueyin’s back, Ma Jiayue’s eyes were filled with relief. ”

“Although her third sister was a short-lived ghost, the daughter she gave birth to was an outstanding one. ”

Zhao Xueyin didn’t lose out to other boys at all.

“Sooner or later, the Shunxi Financial Group would belong to Zhao Xueyin. ”

Zhao Xueyin drove all the way back to the Shunxi Financial Group.

“Because of the traffic jam, it was already 40 minutes later when she returned. ”

“Because the police station was quite far from the financial group, officer Wang hadn’t arrived when she arrived. ”

“Zhao Xueyin sat in the driver’s seat, took out a makeup mirror, and tidied her hair before getting out of the car.”

“After getting out of the car, Zhao Xueyin went straight to the 58th floor.”

“Just as she got off the elevator, she saw Ye Zhuo and the company’s senior manager, manager Wang, talking as they walked forward.”

A cold smile appeared on the corner of Zhao Xueyin’s mouth.

She was proud.

She wanted to see how long ye Zhuo could be proud for.

“”President Ye, manager Wang.”Zhao Xueyin walked over to greet him.”

Ye Zhuo nodded slightly.

“Manager Wang said, “Hello, Miss Zhao.” ”

“Although manager Wang was greeting her, Zhao Xueyin could feel that his attitude had changed.”

“If it was in the past, manager Wang would have been extremely respectful to her.”

“But now, after following behind ye Zhuo, the respect on manager Wang’s face had long disappeared.”

All that was left was perfunctory.

A dog that relied on its power!

She wanted to see how long ye Zhuo could protect him.

“President Ye!” Secretary Aili ran over from the elevator.

“What’s Wrong?” Ye Zhuo raised his eyes slightly.

“Aili said, “There’s an aunt surnamed Wang downstairs looking for you. But she doesn’t have an appointment. Would you like to see her?” ”

“Surnamed Wang?” Ye Zhuo raised his eyebrows slightly.

She didn’t seem to know this person.

“Did she say what happened?” Ye Zhuo continued to ask.

“Allie shook her head. “She didn’t say that, but she seemed to be in a hurry. She even cried.” ”

Cried?

“Ye Zhuo knitted his brows without leaving a trace and continued, “Then let her in.” ”

“Okay.” Allie nodded.

She cried.

She must have died.

“Otherwise, why would auntie Wang Cry? ”

Zhao Xueyin's lips curled up.

They were here.

They were finally here.

Zhao Xueyin picked up her phone and sent a message to officer Wang.

Officer Wang just happened to be downstairs of the Shunxi Financial Group.

"In order to let officer Wang go upstairs earlier, Zhao Xueyin specially had Annie go downstairs to pick up officer Wang and the others."

On the other side.

Allie brought Auntie Wang into Ye Zhuo's office.

"Auntie, this is our President Ye."

"Auntie Wang's eyes lit up when she saw ye Zhuo. Then, she said excitedly, "President Ye, thank you!" "

She did not expect that the president ye that Granny Zhou mentioned was so young.

He looked like he was not even 20 years old.

He was also so good-looking.

It was just like a painting.

“After seeing her, the person who used to be very beautiful in Auntie Wang’s eyes instantly became a very ordinary person. ”

“Ye Zhuo walked to Wang Sao’s side. “Auntie, do we know each other?” ”

““You don’t know me, but I know you. It was you who prescribed the prescription to cure my wife. I came here today especially to thank you.” ”

“After the Doctor’s diagnosis, Su Qiang’s diabetes was almost cured. ”

“However, because it was too good to be true, Liu Yuan had to observe it. ”

“Chapter 1146: 249: face-smacking Zhao Xueyin, extremely domineering! 2”

Ye Zhuo raised his eyebrows slightly.

“Auntie Wang took out the prescription from her pocket. “President Ye, may I ask if this was written by You?” ”

“Ye Zhuo took the prescription. “Yes, this was written by me.” ”

“However, she had written it for Granny Zhou. How did it end up in Auntie Wang’s hands? ”

“Auntie Wang continued, “This prescription was given to me by Old Madam Zhou!” ”

“Because Ma Jiayue had said that this prescription was written by Ye Zhuo, it had nothing to do with the Zhou family. ”

“Therefore, Aunt Wang came to thank ye Zhuo.”

“If it weren’t for ye Zhuo’s prescription, Su Qiang wouldn’t have recovered so quickly.”

“I see.” Ye Zhuo smiled and said, “Since Your Lover is fine, then Granny Zhou must be fine too, right?”

“Hearing this, Aunt Wang’s expression was a little complicated.”

She might have to disappoint ye Zao.

Because Granny Zhou didn’t believe ye Zao and didn’t take the medicine at all.

“After a moment, Aunt Wang raised her eyes to look at ye Zao and said tactfully, “Old Lady Zhou has been taking other medicine during this period of time and hasn’t had the time to take your medicine.”

Ye Zao understood what was going on the moment he heard it.

At this moment.

Bang —

The door was pushed open from outside.

“Zhao Xueyin pointed at ye Zao and said, “Officer Wang! She’s Ye Zao!”

“This is the victim’s family member!”

“Ye Zao, Right! Please come with me!” A few policemen walked over to ye Zao’s side.”

“Ye Zao raised his eyebrows slightly, but there was no expression on his face. “Do you have an arrest warrant?” ”

“Officer Wang, who was in the lead, was stunned for a moment. “Although there isn’t an arrest warrant yet, someone reported that you were suspected of practicing medicine without a license and injuring a person’s life. Now that the evidence and evidence are missing, please come with us!” ”

Ye Zhuo raised his eyes slightly. “May I ask where the evidence and evidence are?”

“Officer Wang said, “Miss Zhao is the witness, and this prescription is the evidence!” ”

“Zhao Xueyin walked to sister-in-law Wang’s side. “Sister-in-law Wang, right? Don’t worry, officer Wang will definitely return justice to you and make ye Zhuo, the murderer, pay with his life!” ”

“Sister-in-law Wang was a little confused. “What justice? What do you mean by pay with his life? Miss Zhao, what are you talking about? I don’t understand!” ”

“Although Zhao Xueyin didn’t know Auntie Wang, Auntie Wang knew Zhao Xueyin. ”

“After all, Zhao Xueyin often went to the Zhou family. ”

“When she heard the words ‘murderer’, Auntie Wang was extremely anxious. ”

“She quickly looked up at officer Wang, “Police comrades, you must have made a mistake! Miss ye is our family’s greatest benefactor! If it wasn’t for her, my wife’s diabetes wouldn’t have healed! She’s not a murderer!” ”

What?

Zhao Xueyin was stunned.

Auntie Wang's wife had recovered?

How could that be!

They must have been a step too late. Auntie Wang had been bribed.

Ma Jiayue had already said that there was something wrong with the prescription.

How could auntie Wang's wife have recovered?

“Zhao Xueyin looked at Auntie Wang. “Auntie Wang, you must have been bribed by Ye Zhuo, right? If no one died, why are you crying? You're covering up for her. You're an accomplice! You're going to jail!” ”

“Sister-in-law Wang was on the verge of tears. “I wasn't bribed! My wife is fine, she's in the hospital right now! If you don't believe me, you can go and take a look!” ”

“Hearing that, officer Wang looked at the police officer beside him and narrowed his eyes slightly. ”

In the hospital?

Could it be in the morgue?

“Zhao Xueyin continued, “Then we'll go to the hospital right now. Do you dare to go?” ”

“Yes! We'll go now!”Sister-in-law Wang said.

““President Ye, What About You?”Zhao Xueyin looked at ye Zao. ”

Ye Zao leaned against the office desk with his arms crossed over his chest. His posture was casual. "Why do I have to go?"

"I think you have a guilty conscience, right?" Zhao Xueyin narrowed her eyes. "

Guilty Conscience.

Definitely guilty conscience.

It was not a big deal if someone died. Ye Zao definitely wanted to take advantage of them to go to the hospital and escape!

"Ye Zhuo turned to look at officer Wang. "Officer, comrade, if this Auntie's lover is fine after I go, then does Miss Zhao's behavior constitute slander?" "

"Yes." Officer Wang nodded, "

"the corners of Ye Zhuo's mouth curled up slightly. "Then from a legal point of view, how will the crime of slander be dealt with?" "

"Officer Wang continued, "According to Miss Zhao's behavior, if it really constitutes a crime of slander, she will be detained for less than 10 days and fined 5,000 yuan. She will also apologize to you." "

"Okay." Ye Zhuo snapped his fingers and stood up straight. "I'll go with you."

"Then, please." "

"Ye Zhuo was about to raise his foot when he seemed to remember something. He continued, "Let me take something." "

Take Something?

Take what?

Could it be something that could run away?

Zhao Xueyin narrowed her eyes.

Ye Zhuo picked up a black backpack.

Chapter 1147: 249: face-smacking Zhao Xueyin

“That’s enough. Let’s go.”

“Looking at ye Zhuo’s back, Zhao Xueyin suddenly felt a little flustered. ”

Could it be...

She really made a mistake?

Was this just a farce?

No.

It couldn’t be.

Ye Zhuo was definitely acting.

Ma Jiayue wouldn't make a mistake.

Zhao Xueyin tried her best to calm herself down.

The few of them got into the police car together and arrived at the hospital.

Auntie Wang led the few of them to the inpatient department.

“Zhao Xueyin said, “Auntie Wang, you're going the wrong way!” ”

Shouldn't they be going to the morgue?

“Auntie Wang said, “They're not going the wrong way. My wife lives in this building.” ”

Zhao Xueyin's heart was getting more and more flustered.

They arrived at the third floor of the inpatient department.

There were a total of three people living in the ward.

“At this moment, the other two patients were not there.”

Only Su Qiang was sitting on the bed alone.

“When he saw that Auntie Wang had brought so many people over, including the police, Su Qiang thought that something had happened. He stood up a little nervously. “Her mother, What's Wrong?” ”

“Auntie Wang did not know how to explain herself. She pointed at Su Qiang and said, “Comrade police officer, this is my wife, Su Qiang. Look, I've already said it. Is He Alright?” ”

Zhao Xueyin's face instantly turned red.

He's not dead!

He's really not dead!

How could this be!

"Zhao xueyin continued, "Even if he's not dead, Ye Zhuo is also to blame! She's practicing medicine without a license, which aggravates the patient's condition. Officer, this kind of behavior also constitutes a crime, right?" "

Officer Wang nodded.

This kind of behavior really does constitute a crime!

PA —

"At this moment, the Doctor pushed the door open and walked in. "Which one of You is Su Qiang's family member?" "

"I am." Auntie Wang immediately walked over.

"The doctor looked at Auntie Wang and continued, "After our careful examination, Su Qiang's diabetes has indeed been cured. You can get ready and be discharged today!" "

"At the end of his sentence, the doctor sighed, "This is simply a miracle in medicine!" "

Boom!

Zhao Xueyin felt as if she had been struck by lightning.

How could this be?

She had recovered.

She had really recovered.

“Ye Zhuo turned to look at officer Wang. “Officer, comrade, what should you do now?” ”

“Officer Wang looked at Zhao Xueyin. “Miss Zhao, please apologize to miss ye immediately and come with us.” ”

Apologize?

Make Her apologize to Ye Zhuo?

No!

Impossible.

What right did she have to apologize to Ye Zhuo?

“Zhao Xueyin raised her head to look at Ye Zhuo, “Even if your prescription is fine, it’s still a crime for you to practice medicine without a license! What right do I have to apologize to you? You were lucky this time and accidentally cured diabetes. If someone were to die from the treatment, who would be responsible? Officer Wang, do you think it’s my fault or ye Zhuo’s fault?” ”

“Of course, it was practicing medicine without a license! ”

Officer Wang looked at Ye Zhuo. "Do you have a medical license?"

Zhao Xueyin's eyes flashed with sarcasm.

Ye Zhuo studied chemistry. How could she have a medical license.

"Even if ye Zhuo studied medicine, she still had not graduated. "

She had not graduated yet.

Did she really think that it was so easy to get a medical license?

Ye Zhuo unzipped his backpack unhurriedly and handed officer Wang a document.

Officer Wang took the document with both hands and read it carefully before returning it to Ye Zhuo.

"Miss Zhao, Miss Ye has three certificates and is not practicing medicine without a license! You'd better hurry up and apologize to her! Everyone is quite busy!" "

Officer Wang was already a little impatient.

"If Zhao Xueyin had not been fooling around, she would not have made such a big mistake. "

Zhao Xueyin's face was very pale.

She had a certificate!

Ye Zhuo actually had a certificate.

And he had all three certificates.

Where did ye Zhuo get his certificate?

““It’s fake!”Zhao Xueyin said, “Her certificate must be fake!” ”

“Officer Wang said, “Don’t tell me I can’t tell if it’s fake or not? Hurry up and apologize!” ”

“Zhao Xueyin bit her lip, feeling very indignant. ”

“She had thought that ye Zao was dead for sure this time, but who would have thought that ye Zao would actually be able to survive. ”

Cure Diabetes?

How could ye Zao’s medical skills be so good!

What exactly was going on?

“Under the current situation, Zhao Xueyin could only bite the bullet and apologize. ”

““Miss Ye, I’m sorry. I misunderstood you.” ”

“Ye Zhuo looked at her and said, “Trash!” ”

She rarely swore.

This was the first time.

Zhao Xueyin really disgusted her.

She remembered that the last time she met such a disgusting person was Zhou Chenyu.

It was also the first time Zhao Xueyin was so blatantly called trash.

Her face was full of humiliation.

Just wait.

She would definitely take revenge for today.

Make Ye Zhuo regret his actions today!

“After Zhao Xueyin apologized, officer Wang and a few other officers also apologized to Ye Zhuo. They also apologized to Wang Sao and Su Qiang before leaving.”

“Chapter 1148: 249: face-smacking Zhao Xueyin, extremely domineering! 4”

“After officer Wang and the others left, only ye Zhuo and the others were left in the ward.”

“Auntie Wang hurriedly introduced them to Su Qiang. “Her father, this is President Ye.” ”

““President Ye, thank you!”Su Qiang stood up and bowed to ye Zhuo. ”

“Traditional Chinese medicine emphasizes the importance of medical affinity. It’s also our fate to be able to cure your illness by chance. You Don’t have to be so polite.”

“For example, Granny Zhou did not have any medical fate with her. ”

...

“When he learned that Zhao Xueyin had been taken away by the police, Father Zhao was furious. ”

Idiot!

What an idiot.

Father Zhao did not expect that Zhao Xueyin would fall into ye Zao’s hands again and again.

“After finding many connections and paying a fine, father Zhao finally brought Zhao Xueyin out of the detention center ”

Zhao Xueyin followed behind Father Zhao without saying a word.

“Father Zhao was a person who cared a lot about his reputation. Outside, he would not easily lose his temper. ”

“When he returned home, he would face a storm in front of Zhao Xueyin. ”

Zhao Xueyin did not want to see this result either.

How could she have thought that Ma Jiayue would make a mistake.

She also did not think that ye Zao had such superb medical skills.

All of this was something that she did not expect.

PA —

The door was slammed shut.

The atmosphere in the car was heavy and depressing.

It was almost impossible to breathe.

Father Zhao sat in the front seat.

Zhao Xueyin sat in the back seat.

They did not speak the whole way.

The car was very fast.

“After about half an hour, they arrived at the Zhao family’s villa.”

Zhao Xueyin followed Father Zhao just like that.

They had just entered the house.

PA —

A complete vase fell in front of Zhao Xueyin just like that.

Fragments scattered all over the ground.

The vase almost brushed past Zhao Xueyin's forehead.

Almost.

Almost!

"Father Zhao's grumpy voice came from the air, "Tell me! How many times has this been?" "

"Zhao Xueyin's lips paused, but she did not say anything. Her face was deathly pale. "

This was the third time since ye Zao returned.

"First, he fired Sun Yiran. "

"Then, he set up plan C to embarrass Zhao Xueyin in public. "

"And now, he set Zhao Xueyin up to enter the detention center! "

"Dad, I'm sorry." After a long while, Zhao Xueyin finally squeezed out these words from between her teeth. "

"Sorry? Did I come to hear you say sorry? If sorry was useful, would you still need to enter the detention center today?" Speaking up to this point., father Zhao pointed at his face and said, "Do you know that my old face is almost ruined by you!" "

The most important thing in a wealthy family was face.

"But today, Zhao Xueyin was actually locked up in the detention center! "

“In order to find connections to bail Zhao Xueyin out, father Zhao begged his grandfather and grandmother to make it known to everyone. ”

Zhao Xueyin was also very upset.

“If she had known that things would turn out like this, she definitely wouldn’t have believed Ma Jiayue’s words. ”

“But now, it was useless to say anything! ”

“”Dad, I also didn’t know that things would turn out like this.”Zhao Xueyin raised her head to look at Father Zhao. “It was second aunt who told me that Doctor Ye Zao had died. She asked me to call the police and bring them over...” ”

“Father Zhao continued, “What exactly are you thinking? Do you have a brain? If you had a brain at all, you wouldn’t have thrown yourself into the detention center!” ”

“If Zhao Xueyin had a brain at all, she wouldn’t have taken her surname just like Ma Jiayue said. ”

A dead doctor?

“If ye Zao really had a dead doctor, would she still be so calm? ”

Father Zhao was very worried now.

“He was worried that if ye Zao sat firmly in the position of president, he would compete with Zhao Xueyin for the position of first seat. ”

“Originally, Father Zhao didn’t think much of this little girl, Ye Zao. ”

“In his opinion, what kind of achievements could a little girl achieve?”

“However, according to the current situation.”

Ye Zhuo was much more outstanding than Zhao Xueyin.

“Otherwise, Zhao Xueyin would not have been cheated by ye Zhuo again and again.”

Zhao Xueyin was only the acting chief of the Shunxi Financial Group.

The financial group was about to re-elect the chief.

“If this situation continued,.”

Zhao Xueyin would definitely be pushed out by Ye Zhuo.

“At that time, the Shunxi Financial Group would have a change of heart.”

“Thinking of this, Father Zhao’s eyes were filled with worry.”

Zhao Xueyin lowered her head.

She was indeed too rash in this matter

She should have investigated it clearly.

“However, the situation at that time was not in a hurry for her to investigate it clearly...”

Because she was afraid that ye Zhuo would use the money to bribe sister-in-law Wang.

But wasn't she doing this for the sake of the financial group?

She also wanted to drive ye Zhuo away.

She did not expect to be set up by Ye Zhuo instead.

Ye Zhuo did it on purpose!

1

Father Zhao did not understand the situation at all and only knew to scold her. Was it because she was not a boy?

"She had already suffered a bellyful of anger in the detention center today. Now that she was back, she had to suffer father Zhao's anger!"

"Chapter 1149: 249: face-smacking Zhao Xueyin, burning and domineering! 5"

"Zhao Xueyin pinched her fingers and raised her head to look at Father Zhao, "The onlooker sees clearly, but the person in the middle is confused. If you were me, what you did might not be as good as mine!" "

"What did you say?" Father Zhao was so angry that his face was red.

Zhao Xueyin repeated what she had just said.

“Vile daughter!” Father Zhao clutched his chest and coughed heavily twice, “Would I be inferior to a little girl like you? If you were my son today, I would simply beat you to death! Just treat it as if I have never raised such a useless thing like you!” ”

“Although Father Zhao had no taste, he was determined not to lay a hand on a woman. ”

“Although he was very strict with Zhao Xueyin, he had never laid a hand on her. ”

“When she was young, at most, he would hire a family teacher to discipline her. ”

Son.

It was a son again.

“Zhao Xueyin’s eyes flashed with a strong sense of unwillingness, and the anger in her heart was ignited in an instant. ”

She felt that her life was a joke.

Her mother was gone when she was born.

“Then, she was rejected by her biological father as not a son. ”

“If her mother was still around, her life would definitely not have become like this. ”

“Son! You only know about sons! Have you ever had a daughter like me in your eyes? You like your son so much, what else do you want me to do? If you have the ability, go and give birth to a son!” She did not know how to give birth, yet she still blamed her! ”

How could she have such a father!

Father Zhao did not expect Zhao Xueyin to say such a thing.

People with physical defects abhorred such words the most.

“As the saying goes, one should not expose one’s shortcomings when scolding others.”

It was fine if others said so.

But Zhao Xueyin was her biological daughter!

“He was still holding the power of the consortium, yet Zhao Xueyin dared to treat him like this.”

“When he was old and could not move, wouldn’t Zhao Xueyin be even more outrageous?”

“Father Zhao looked at Zhao Xueyin in disbelief. “What, what did you say?” ”

“Zhao Xueyin also realized that these words might be a little harsh. “Dad, I’m sorry, I didn’t mean to...” ”

“Father Zhao didn’t speak for a long time, his eyes filled with disappointment.”

“Seeing Father Zhao like this, Zhao Xueyin panicked and directly cried out,”... I just miss my mom too much. I really didn’t mean to. Dad, don’t be angry...” ”

“Hearing these words, Father Zhao’s heart softened a little.”

That’s right.

This child didn’t have a mother.

It was the child's fault for not teaching her father.

"Now that Zhao Xueyin had become like this, he was also responsible. Father Zhao waved his hand. "You're tired too. Go upstairs and rest first." "

"Dad..."

Father Zhao ignored Zhao Xueyin and walked towards the study.

Zhao Xueyin sighed and also walked upstairs.

"By the time the lawyer found out about this, it was already afternoon. "

"The lawyer came to the Zhao family and saw Zhao Xueyin whose eyes were as swollen as walnuts. His heart ached. "Xueyin, what exactly is going on?" "

The lawyer really couldn't figure out why Zhao Xueyin had entered the detention center all of a sudden.

"It was ye Zao who framed me!"

"Ye Zao?"The lawyer continued, "Is this related to ye Zao?" "

"Yes."Zhao Xueyin nodded, "From the beginning to the end, it was ye Zao who set me up! She clearly knew that Grandma Zhou would not use the prescription she gave her, but she still gave the prescription to Grandma Zhou! Then, she bribed Grandma Zhou to get the prescription, and finally used Auntie Wang to set me up! This was actually not her fault! If you want to blame someone, blame me for being too gullible! Foolishly deceived by her!" "

"From Zhao Xueyin's point of view, ye Zao had done it on purpose. "

“If ye Zao had not done it on purpose, could she have been tricked so miserably?”

Sister-in-law Wang was in cahoots with ye Zao!

The people in the entertainment industry were indeed different!

They were too good at acting!

Zhao Xueyin had never been tricked so miserably by anyone before.

Ye Zao was the first.

“Zhao Xueyin continued, “Ever since ye Zao came to the consortium, you’ve changed, and so has Xiao Yu! Anyway, all of you will leave me in the end, so it’s better for you to leave me now!” ”

The lawyer frowned.

He did not expect things to be so complicated.

He did not expect ye Zao to be the mastermind of this matter.

He had misjudged ye Zao!

“The lawyer hugged Zhao Xueyin tightly. “Xueyin, don’t worry, I will never leave you.” ”

Zhao Xueyin could not care about anything else. She hugged the lawyer and cried loudly.

Heartbreaking.

The lawyer was in unbearable pain.

He hated himself for not protecting Zhao Xueyin well.

“After comforting Zhao Xueyin, Si lui went downstairs quietly.”

“Ah Lui is here.” Father Zhao’s voice suddenly appeared in the living room.

Si lui turned around. “Uncle.”

“Sit down.” Father Zhao’s voice sounded a little tired.

Si lui sat down on the sofa.

“Father Zhao continued, “Ah Lui, you and Xueyin have underestimated ye Zhuo from the start.” ”

Chapter 1150: 249: face-smacking Zhao Xueyin

“Yes.” Si Lu nodded.

He had indeed underestimated ye Zao.

He felt that ye Zao was arrogant and conceited.

“From the looks of it, Ye Zao was more scheming than anyone else.”

“Then what do you plan to do next?” Father Zhao lit a cigarette. “I heard that ye Zao has already activated her plan c.”

“The lawyer said, “Her plan can indeed bring benefits to the consortium.” ”

Father Zhao narrowed his eyes and exhaled a puff of smoke. “Yes! I’ve seen it too!”

“The lawyer knew what Father Zhao was worried about and continued, “Uncle, don’t worry. No matter how well ye Zao is doing now, when the time comes, he can only make a wedding dress for Xueyin!” ”

This was also the reason why the lawyer chose to support ye Zao at that time.

Since there was no problem with Ye Zhuo’s plan.

Then he would use it!

“In the end, the one who would benefit was still Zhao Xueyin. ”

“No matter how much ye Zhuo did, everything would be in vain! ”

“Father Zhao looked at the lawyer. “Ah Lui, I believe that you have such ability!” ”

“Speaking up to this point, Father Zhao took a deep breath, he continued, “The biggest regret in my life is that I can’t have a son. Now that I’m so old, I can’t have another child! From now on, the Zhao family’s business will be yours and Xue Yin’s!” Until now.., father Zhao was quite satisfied with the lawyer. ”

“The lawyer was sensible, capable, and respected him. ”

“If Zhao Xueyin was unable to attract the fifth master’s attention, then her best choice would be the lawyer. ”

As for Jin Ruyu.

According to the information he had.

Jin Ruyu was most likely dead.

“Otherwise, there wouldn’t have been so little activity up until now. ”

“Hearing this, the lawyer was very touched and couldn’t bear it. “Thank you, uncle, for your love.” ”

“Father Zhao continued, “Good child, you are worth it.” ”

Si lui accompanied Father Zhao to say a few more words before leaving the Zhao family home.

Father Zhao looked at the empty living room.

He felt very uncomfortable.

“Thinking back to what Zhao Xueyin had said, he felt even more uncomfortable. ”

“Old Zhang.”

“A moment later, Father Zhao spoke. ”

“The Butler, Old Zhang, walked in from outside. “Master.” ”

“Have there been any results recently?” Father Zhao asked.

Old Zhang shook his head. "No."

Father Zhao sighed. "It's been more than 30 years. I wonder if a ye is still alive."

"The Butler, Old Zhang, did not know how to console father Zhao."

"Father Zhao continued, "I'm afraid that this child, Xueyin, is no longer reliable." "

"Old Zhang hurriedly said, "Master, Miss is so outstanding and sensible. She definitely won't let you down." "

"You don't understand." Father Zhao shook his head.

"Ever since he heard Zhao Xueyin's words today, Father Zhao's heart had turned cold. "

He had mixed feelings.

"After his wife left, he had raised Zhao Xueyin by himself. "

Only his wife knew that she had a physical defect.

He didn't know where Zhao Xueyin had heard these ridiculous words!

"Old Zhang continued, "Miss is still young. Sometimes when children talk, they don't think too much. Just say what you have to say. Don't be calculative with her." "

"Young?" Father Zhao's eyes revealed a self-deprecating look.

"If Zhao Xueyin was really young, then so be it. "

But Zhao Xueyin was already 26 years old this year!

Was she still young?

“Father Zhao raised his head to look at the butler. “Old Zhang, do you think a ye is still alive?” ”

1

This question was really difficult for old Zhang to answer.

It had already been 31 years.

Who knew if that child was still in the world!

“Even in the world, China was so big that Father Zhao could still find it. ”

“If he could find it, he wouldn’t have waited until now. ”

“”He’s alive, the young master is definitely still alive!”Under the current situation, the housekeeper could only comfort Father Zhao. “Master, you have to be well. Don’t think too much. Just wait for the young master to come back at home.” ”

That’s right.

Father Zhao had another child.

That was the child he had with his fiancée.

“After that, too many things happened. ”

His fiancée was gone.

The child was also gone.

“At that time, the child was only one year old. ”

“Later on, Father Zhao married Ma Jiaxin, the daughter of a wealthy family. ”

Unfortunately.

Ma Jiaxin was a short-lived person.

“The child was only born a few days ago, but he was already gone. ”

“Whenever father Zhao thought about that child, he would feel extremely uncomfortable. ”

He could not breathe.

Perhaps he was destined to be childless!

“Father Zhao continued, “Old Zhang, help me keep an eye on that area during this period of time. If there’s any situation, follow up immediately.” ”

Situation?

What situation could there be?

“It had already been so many years. If there was any situation, why would he have to wait until now?”

Father Zhao had done so much just for the sake of psychological comfort.

“Although that was what he thought, Old Zhang did not say it directly. “Don’t worry, master. I will definitely follow up in time.” ”
