“Chapter 1151: 249: face-smacking Zhao Xueyin, scorching hot and domineering! 7”

“Okay.” Father Zhao nodded. “Go do your work.”

Old Zhang turned around and walked out of the door.

In the house.

Father Zhao sighed again.

Bodhisattva bless.

Bless him that he must find Zhao Ziye.

Once he found his son.

“As long as he could find his son, he was willing to give up everything! ”

“After thinking for a while, Father Zhao walked towards the temple hall. After burning an incense stick, he sincerely kowtowed several times. ”

Zhou family.

Ma Jia Yue was still waiting for Zhao Xueyin to call her to tell her the good news.

“However, after waiting for a long time, she still didn’t receive a call from Zhao Xueyin. ”

What was going on?

“Could it be that after Zhao Xueyin sent ye Zhuo to prison, she had forgotten about her?”

That wouldn't do!

“With this in mind, Ma Jia Yue hurriedly dialed Zhao Xueyin's number.”

“Upon seeing Ma Jia Yue's call, Zhao Xueyin immediately cut it off without thinking.”

Ma Jiayue still had the cheek to call her!

“If it wasn't for Ma Jiayue, she wouldn't have lost so badly!”

“Looking at the phone that was hung up, Ma Jiayue became even more confused.”

“Logically speaking, Zhao Xueyin shouldn't have reacted like this.”

Something must have happened.

Ma Jiayue called a little sister.

The Little Sister's husband was the police station.

She must know something.

After hanging up the phone.

Ma Jianyue's face turned pale.

All right.

Wang Sao's lover was actually fine.

"Not only was he fine, but he also implicated Zhao Xueyin and almost got detained for ten days."

No Wonder Zhao Xueyin was so angry.

She didn't even pick up the phone.

"For a moment, Ma Jianyue was very anxious."

She was worried that her mother-in-law would scold her if she knew about this.

"If it wasn't for her, the person who had recovered now would be mother-in-law Zhou."

She was also afraid that Zhao Xueyin would hold a grudge against her.

"After a long while, Ma Jiayue finally calmed down and got someone to call the butler over."

"Madam, you were looking for me."

Ma Jiayue nodded. "Go to Aunt Wang's house right now and tell her that she doesn't have to come to work tomorrow."

This matter must not be known by mother-in-law.

“If she allowed mother-in-law ye Zao’s prescription to cure Aunt Wang’s lover, then she would be finished!”

“Even though Granny Zhou was old, she still had diabetes.”

“In fact, the life and death of the Zhou family was in her hands.”

The Butler was stunned.

“Ma Jiayue continued, “Don’t worry, I will compensate her three months’ salary.” ”

““Okay, I understand.” ”

“Ma Jiayue continued, “If the old lady asks about Auntie Zhang, you can say that the family has something to do and you have to resign.” ”

The butler nodded.

“After instructing the butler, Ma Jiayue personally made a trip to the Zhao family to apologize to Father Zhao and Zhao Xueyin.”

On the other side.

Jiang Corporation.

Jiang Corporation had suffered a lot recently and its shares had fallen by the daily limit for a week.

It was on the verge of declaring bankruptcy and withdrawing from the financial world.

“Under such circumstances, the Chief CEO of Jiang Corporation, Jiang Chao, could only seek help.”

“After running for an entire afternoon, Jiang Chao still couldn’t find anyone to lend a helping hand.”

“At this moment, Jiang Chao thought of someone.”

Zhao Xueyin.

“Although Shunxi Financial Group wasn’t ranked in the top ten in the international rankings, it was still an unshakable position in the financial world of China.”

Zhao Xueyin was also the acting chief of Shunxi Financial Group.

“As long as Zhao Xueyin was willing to help, the Jiang Corporation would definitely be able to come back to life.”

Furthermore.

This was a mutually beneficial cooperation.

There was no reason for Zhao Xueyin not to agree.

“Thinking of this, Jiang Chao called his secretary over. “Help me make an appointment with Miss Zhao from the Shunxi Financial Group.” ”

“The secretary said, “Alright.” ”

About ten minutes later.

“The secretary came to the office. “Director Jiang, Miss Zhao’s appointment has already been scheduled for two weeks later.” ”

Two weeks later?

Jiang Chao frowned slightly.

“Based on the current situation, the Jiang Financial Group would not be able to wait for a week.”

No.

He had to think of a way.

“At this moment, Jiang Chao suddenly thought that Jiang Xiaoyu and Zhao Xueyin were very good friends.”

He could use Jiang Xiaoyu to discuss the collaboration.

“Thinking of this, a smile finally appeared on Father Zhao’s face. He immediately called Jiang Xiaoyu.”

“When Jiang Xiaoyu received the call, she was completely dumbfounded.”

He wanted her to contact Zhao Xueyin?

But she had already cut off all ties with Zhao Xueyin!

“Xiaoyu! You and Miss Zhao are good friends. It’s most appropriate for you to tell her about this. Whether our family can continue to survive in the financial world will depend on you!”

“The words of rejection were on the tip of her tongue, but Jiang Xiaoyu could not say the amount of money.”

“If she refused, her family would be expelled from the financial world.”

No.

She couldn't do that.

“Jiang Xiaoyu took a deep breath and pretended to be very relaxed. “Okay, Dad. I got it. I'll go find Xue Yin now.” ”

“Chapter 1152: 249: face-smacking Zhao Xueyin, extremely domineering! 8”

“After hanging up the phone, Jiang Xiaoyu went to the Shunxi Financial Group.”

“What surprised Jiang Xiaoyu was that when Annie saw her, she didn't deliberately make things difficult for her. Instead, she smiled and was brought in by her. “It seems that Miss Zhao is right. Miss Jiang, you came as promised.” ”

Jiang Xiaoyu was stunned.

What did Zhao Xueyin mean by this?

Could it be that she didn't mind what happened a week ago at all?

“When she came to the office door, Annie reached out and knocked on the door. “Miss Zhao, Miss Jiang is here.” ”

“Come in.”

Jiang Xiaoyu pushed the door open and entered. She tried her best to smile. "Xueyin."

"Zhao Xueyin raised her head slightly. "Annie, make Miss Jiang some tea." "

"Okay."

"Jiang Xiaoyu hurriedly waved her hand. "No, there's no need." "

"What's the matter?" Zhao Xueyin asked.

"Jiang Xiaoyu couldn't care less about anything else. She cried and said, "Xueyin, please help our family! As long as you're willing to help our family, I'm willing to do anything!" "

"Really?" Zhao Xueyin asked.

"Really!" Jiang Xiaoyu hurriedly nodded.

"Zhao Xueyin took out the things that she had prepared earlier. "I heard that you've been fighting with Ye Zao recently. Have you seen this pill? Think of a way to make ye Zao eat it, and I'll help you!" "

Although she didn't know what the pill that Zhao Xueyin took was.

But Jiang Xiaoyu knew that it was definitely not something good.

"No." Jiang Xiaoyu shook her head. "Xueyin, other than this, I can promise you anything!" "

She couldn't betray her friends.

"Besides, ye Zao owed her a favor. "

Zhao Xueyin smiled. "Let me think about it. What else can you do?"

"Okay." Zhao Xueyin raised her head slightly. "Why don't you lie on the ground and bark like a dog? If you can do it, I'll Promise You!" "

Wasn't Jiang Xiaoyu proud of herself?

Then she would let Jiang Xiaoyu have a taste of regret!

"At the thought of this, a sinister look flashed across Zhao Xueyin's eyes. "

Bark like a dog?

Jiang Xiaoyu was stunned.

She couldn't react for a long time.

"Zhao Xueyin continued, "I'm going to count down from three. After three, even if you really bark like a dog, I won't agree to it. Three, two..." "

"When she counted to one, Jiang Xiaoyu 'plop'and knelt on the ground. "

"However, she couldn't open her mouth. "

"At this moment, all her dignity was trampled on the ground by Zhao Xueyin. "

Tears blurred Jiang Xiaoyu's vision.

“Scream, Miss Jiang. Miss Zhao is still waiting!” Annie said with a smile, “Let me remind you that Miss Zhao has an important meeting in three minutes. You Don’t have much time left.” ”

Three minutes.

She only had three minutes.

“For the Financial Group and the Jiang family, just scream! ”

“Jiang Xiaoyu closed her eyes and barked, “Woof!” ”

“Although her voice was very low, Zhao Xueyin still heard it. Her eyes were full of disgust. ”

Did she really bark like a dog?

Jiang Xiaoyu showed up just like that?

She thought Jiang Xiaoyu was very capable!

“Zhao Xueyin looked at Annie and asked, “Do you think Miss Jiang’s voice is similar?” ”

“Not really.” Annie shook her head. “Her voice is as soft as a mosquito! which guard dog would be so quiet?”

Zhao Xueyin looked at her phone. “I’ll give you another chance.”

Jiang Xiaoyu took a deep breath and barked again.

“Woof!”

“This time, it was very loud. ”

““Only barked once?” Annie continued, “Miss Jiang, your dog only barked once?” ”

Jiang Xiaoyu knew that Zhao Xueyin was deliberately humiliating her.

“But now, she had no other choice. She could only put down all her dignity and barked twice. ”

“Okay.”

Zhao Xueyin said lightly.

Jiang Xiaoyu quickly raised her head.

She agreed!

Zhao Xueyin finally agreed.

““Xueyin, thank you! Thank you, sir, for not holding a grudge against me!” ”

“Zhao Xueyin continued, “Annie, it’s time. Bring the documents and follow me to the conference room for a meeting.” ”

A meeting?

Jiang Xiaoyu was stunned.

Didn’t Zhao Xueyin agree to help?

“Annie took the documents and said, “Miss Zhao, please!” ”

Jiang Xiaoyu immediately stood up and followed Zhao Xueyin’s footsteps. “Xueyin! You Can’t do this! I’ve done as you said! You have to help our family!”

“Zhao Xueyin turned around. “That’s right. I promised you just now, but I’ve Changed My Mind Now!” ”

“How can you do this?”

“Zhao xueyin smiled and said, “The decision is in my hands. Why Can’t I do this? Jiang Xiaoyu, you’re the one who’s begging me now!” ”

“Zhao Xueyin!” Jiang Xiaoyu pinched his fingers.

“Zhao Xueyin continued, “If you really want me to help you, take that medicine. When Ye Zhuo takes that medicine, I’ll help your family get through this difficult time! “Otherwise, your family will just have to wait for the announcement of their withdrawal from the financial world!” ”

Jiang Xiaoyu’s face was full of self-mockery. “So you made me bark like a dog just now just to humiliate me?”

“That’s right.” Zhao Xueyin nodded. “I’m humiliating you!”

“After saying that, Zhao Xueyin turned around and left. ”

“Annie walked beside Zhao Xueyin and said with some worry, “Miss Zhao, aren’t we going too far by doing this? What if Miss Jiang doesn’t come tomorrow?” After all, people had a bottom line. ”

Barking like a dog...

This matter would probably become Jiang Xiaoyu's shadow for the rest of his life.

“Zhao Xueyin's lips curled into a disdainful smile. “Not coming? If she doesn't come to beg me, is she waiting for the Jiang Financial Group to declare bankruptcy?” ”

Therefore.

Jiang Xiaoyu had to come and beg her!

“Looking at Zhao Xueyin's back, Jiang Xiaoyu was so angry that his whole body was trembling. His tears seemed to burst like a dam, and he couldn't control them at all. ”

“Jiang Xiaoyu?”

“At this moment, a clear and shallow voice came from behind him. ”

“Chapter 1153: 250: with the great burning, he will walk towards the peak of the financial world! 1”

“His voice was very light, but it seemed to be tinged with a magical power that could calm people's hearts. ”

Jiang Xiaoyu raised his head slightly.

He saw a slender figure walking towards him.

“Against the light, his facial features could not be seen clearly. ”

“However, the powerful aura around him could not be ignored. ”

“Looking at the figure slowly walking towards him, Jiang Xiaoyu was stunned.”

This feeling was like being bullied by other children when they were young and suddenly seeing their parents.

“She felt wronged, but she was no longer afraid, because the parents would definitely seek justice for her.”

““Ye, Miss Ye...” ”

Ye Zhuo took out a tissue and handed it to Jiang Xiaoyu. “Who bullied you?”

“It was a very simple sentence, but it made Jiang Xiaoyu’s emotions break down instantly.”

Jiang Xiaoyu raised her head and burst into tears.

It was the kind of unrestrained crying.

Just like when she was young.

Ye Zao was a little flustered.

“She had seen many big scenes, but this was the first time she had seen such a scene.”

She had never been very good at comforting people.

“Don’t Cry!” Ye Zao raised his hand to wipe away Jiang Xiaoyu’s tears. “What’s going on?”

“Hearing ye Zao’s words, Jiang Xiaoyu cried even more miserably and hugged ye Zao. ”

“Wu Wu...”

This scene was seen by the passing lawyer.

The lawyer frowned slightly.

It seemed that Zhao Xueyin was right.

Ye Zao had always been scheming.

“He knew that Jiang Xiaoyu was Zhao Xueyin’s best friend, yet ye Zao deliberately got close to Jiang Xiaoyu and took advantage of the situation. ”

This kind of person was indeed not worth being close to.

In addition.

He also found out that the reason why Jiang Xiaoyu changed her opinion of ye Zao was because Old Madam Jiang was trapped in the elevator and was saved by Ye Zao.

He also changed his opinion of ye Zao because of the elevator incident.

Perhaps.

The elevator incident was ye Zao’s plan.

They were all in ye Zao’s pocket.

It seemed that.

Ye Zao was simply too terrifying.

Si Lu narrowed his eyes and turned around to walk towards the conference room.

Over here.

“After a long while, Jiang Xiaoyu’s emotions slowly calmed down.”

““Ye... Miss Ye, I’m sorry. I’ve... I’ve dirtied your clothes,”Jiang Xiaoyu sobbed.”

Ye Zao helped Jiang Xiaoyu sit down on a chair beside her. “It’s okay.”

“At this moment, Aili jogged over. “President Ye, the meeting is about to start!” ”

“Ye Zao raised his eyes slightly and said in a faint tone, “Postpone it for two hours.” ”

“Okay.”Aili nodded. “I’ll inform everyone right away.”

“Hearing that, Jiang Xiaoyu raised her head in surprise. “M-miss ye?” ”

She didn’t expect ye Zhuo to postpone the meeting for her.

“She felt a little guilty, a little surprised, and a little warm in her heart.”

“Actually, these few days, she was the one who had been thick-skinned enough to go to the Ye family mansion.”

“Most of the time, Ye Zhuo was busy with his own things.”

She had thought that ye Zhuo had never taken her to heart.

“But now, it seemed like that wasn’t the case.”

“Ye Zhuo didn’t say anything else. He held Jiang Xiaoyu’s hand and said, “Let’s go to my office.” ”

“Just like that, Jiang Xiaoyu was dragged into ye Zhuo’s office.”

Allie wasn’t around.

Ye Zhuo brewed a cup of coffee for Jiang Xiaoyu.

Jiang Xiaoyu reached out and took it. “Thank you.”

She lowered her head and took a sip. The taste of the condensed milk and sugar cubes was very good.

“Seeing that Jiang Xiaoyu’s emotions had calmed down a lot, ye Zhuo said calmly, “Why? Aren’t you going to tell me what’s going on?” ”

His voice was still very clear.

“1...”Jiang Xiaoyu took another sip of coffee and didn’t know how to speak.

It was quite uncomfortable.

Ye Zao had just returned to the Shunxi Financial Group and his foundation was still unstable.

She couldn't trouble ye Zao.

"Jiang Xiaoyu clenched her coffee cup. "I, I'm fine." "

"Why are you crying so miserably when you're fine?"Ye Zao asked.

"Jiang Xiaoyu took a deep breath. "Miss Ye, you're right. I'm just a pawn in Zhao Xueyin's hands. I'm too stupid. I've been deceived by her for so many years..."she had even been humiliated by Zhao Xueyin today. "

Jiang Xiaoyu couldn't breathe when she thought of that incident.

"She was also the apple of her parents'eye, the daughter of the Jiang Corporation. "

"Didn't you know about this long ago?"

"Ye Zao's red lips parted slightly, and his tone was a little flat. "If you treat me as a friend, tell me the truth." "

Friend.

"Hearing this, Jiang Xiaoyu raised her head and looked at ye Zao. "

Could she become friends with ye Zao?

"Can... can we really become friends?"Jiang Xiaoyu asked.

Ye Zao raised his eyebrows slightly. "Aren't we still friends now?"

“Jiang Xiaoyu was stunned at first, but then he realized, “Miss Ye, do you mean that we are friends now?” ”

Chapter 1154: 250: Great Scorch is going to be the pinnacle of the financial world! 2

“Of course.”Ye Zhuo nodded slightly.

“”Miss Ye, thank you.”Jiang Xiaoyu was very excited. ”

“Ye Zhuo continued, “Just like them, just call my name.” ”

“”Great, Great Scorch?”Jiang Xiaoyu asked tentatively. ”

“Yes.”

“At this moment, Jiang Xiaoyu forgot all her troubles. ”

“Ye Zhuo continued, “Since we’re friends, can you tell me the truth? Who bullied you? Tell me, I’ll help you bully them back.” ”

“Jiang Xiaoyu raised her head and looked at Ye Zhuo. Her eyes were full of light as she continued, “Actually, it wasn’t anyone who bullied me...” ”

“Then, Jiang Xiaoyu told him about the difficulties the Jiang Financial Group had encountered. She came to Zhao Xueyin for help. ”

“However, she didn’t tell her about the ‘barking like a dog’incident. ”

She only told her briefly that Zhao Xueyin didn't help her.

"Ye Zhuo raised his eyebrows slightly. According to her understanding of Jiang Xiaoyu, Jiang Xiaoyu wasn't a person who liked to cry."

"Even if the Jiang Financial Group was in trouble, she wouldn't cry to such an extent."

The way she looked just now clearly showed that she had been bullied.

"However, Ye Zhuo didn't say it out loud. He just looked at Jiang Xiaoyu and said, "I'll help you." "

"Hearing that, Jiang Xiaoyu looked up at Ye Zhuo with disbelief in her eyes."

She didn't expect ye Zhuo to say that.

"You just returned to the Shunxi Financial Group. Isn't this a little bad?" This was also the reason why Jiang Xiaoyu didn't look for ye Zhuo.

Ye Zao was different from Zhao Xueyin.

"Zhao Xueyin was the acting chief of the Shunxi Financial Group. The Zhao family had been in the financial world for many years, and she had the ability to do so."

"Meanwhile, ye Zao had just returned to the Shunxi Financial Group. His foundation wasn't stable, and his connections in the Shunxi Financial Group weren't as good as Zhao Xueyin's. If she rashly helped the Jiang Financial Group at this time, she would only drag herself down."

"There's nothing wrong with mutual benefits," ye Zao said faintly."

Mutual benefits?

The Jiang Financial Group was now an empty shell.

That was why everyone refused to cooperate with them.

“However, ye Zao said that it was mutually beneficial.”

This made Jiang Xiaoyu slightly stunned.

“At the same time, it also let Jiang Xiaoyu see a ray of hope.”

“However, one couldn’t be too selfish.”

One had to tell ye Zao the truth about the Jiang Financial Group.

One couldn’t let ye Zao get into trouble in order to help her.

“Jiang Xiaoyu continued, “Actually, the Jiang Financial Group is at the end of the road. Ye, Da Zao, I Know You Want to help me, but...” ”

“Ye Zao took a sip of tea and said, “Don’t worry, I never do business at a loss.” ”

Although she looked indifferent.

But her eyes were extremely determined.

It was a little cool.

“Somehow, Jiang Xiaoyu wasn’t afraid anymore. She had a feeling that ye Zao could definitely lead the Jiang Financial Group out of the difficult situation.”

“”Great Zao Zao, Thank You!”Jiang Xiaoyu bowed deeply. ”

“”You’re welcome.”Ye Zao put down the cup and continued, “Help me make an appointment with Uncle Jiang. Tomorrow Morning at 11 o’clock, I’ll see you at the coffee shop.” ”

“Okay!”

...

On the other side.

In the conference room.

After learning that the meeting had been delayed for two hours.

Zhao Xueyin’s face turned green.

“She was the acting head of the Shunxi Financial Group, so why should ye Zhuo extend the meeting? ”

“Even if he wanted to extend the meeting, he should have approved her! ”

“Zhao Xueyin opened the folder and said with a sullen face, “Since President Ye isn’t free, then let her not come. Let the meeting continue!” ”

Did Ye Zhuo really think she was something?

The meeting couldn’t continue without her?

Disgusting!

Continue?

A troubled look flashed across Ally's eyes.

She didn't expect Zhao Xueyin to directly throw a tantrum.

“Miss Zhao, I'm afraid we can't continue, right?” Manager Liu closed the folder, “This meeting was originally chaired by President Ye to discuss Plan C. Now that President Ye isn't here, how can we continue? Could it be that Miss Zhao can analyze plan C for us?” ”

Manager Liu was really good!

Ally looked in manager Liu's direction.

Her words made Zhao Xueyin feel a little embarrassed.

Plan C belonged to Ye Zhuo.

How could she analyze it?

It was the other way around!

It was all the other way around!

Even a small department manager dared to challenge her now.

“If she didn’t show her might today, these people would really think that she was made of paper!”

“Zhao Xueyin looked at manager Liu. “Liu Manshan, you don’t have to come tomorrow!” ”

Don’t have to come.

This sentence made manager Liu feel a little flustered.

“He was only a department manager, and Zhao Xueyin was indeed qualified to fire him.”

PA —

The conference room door was pushed open at this time.

A clear voice came from the outside and the inside.

Every word and sentence was loud and clear.

“Who did you ask not to come tomorrow?”

“Hearing this, everyone turned to look.”

“Chapter 1155: 250: great burning, moving towards the peak of the financial world! 3”

Ye Zhuo walked in just like that.

“His picturesque face seemed to be covered in a layer of snow, making people shudder.”

Seeing ye Zhuo.

Manager Liu instantly felt as if he had seen his backbone. "President Ye!"

Ye Zhuo nodded slightly.

Zhao Xueyin looked up at the door and was stunned.

She didn't Expect Ye Zao to appear at this time.

Putting on airs in front of her?

How Shameless!

"When she was the current head of Shunxi Financial Group, Ye Zao was still playing in the mud somewhere!"

Zhao Xueyin looked up. "I told Liu Manshan not to come. Why? Does president ye have a problem with it?"

Ye Zao Could Fire Sun Jiayi in front of her.

Why couldn't she fire Liu Manshan?

"Today, she was going to kill ye Zhuo's prestige!"

She was going to let ye Zhuo know who the real owner of the Shunxi Financial Group was.

“Tell manager Liu Not to come?” Ye Zhuo walked to the rostrum and looked down at Zhao Xueyin. His tone was so indifferent, “You? Are you qualified?” ”

This way.

He was a little arrogant.

Zhao Xueyin thought she was hearing things.

She was not qualified?

Why was she not qualified?

The person who was not qualified should be Ye Zhuo!

Zhao Xueyin narrowed her eyes and turned to look at Annie. “Inform the personnel department immediately and Fire Liu Manshan.”

“Okay.” Annie nodded.

Liu Manshan looked at Ye Zhuo.

He was a little worried.

“Ye Zhuo ignored Zhao Xueyin’s words and placed the document on the table. “Alright, the meeting will continue. Manager Liu, please tell us about Team A’s plan.” ”

“With Ye Zhuo’s words, manager Liu was relieved. He nodded and stood up to speak. ”

Ignoring her.

Ye Zhuo actually ignored her.

“Not only did ye Zhuo ignore her, the rest of the higher-ups also continued the meeting as if they had not heard Zhao Xueyin’s words. ”

Zhao Xueyin was so angry that her entire body was trembling.

Good!

Very good!

Now they could all ignore her.

“Ye Zhuo turned to look at Zhao Xueyin. “If Miss Zhao isn’t willing to participate in the meeting, the main door is over there.” ”

Zhao Xueyin turned around and left.

She wanted to see how ye Zhuo would continue the meeting without her!

“Without her as acting chief, who would sign the proposal? ”

Ye Zhuo thought that she wouldn’t dare to leave?

Just wait.

“In less than three steps, ye Zhuo would ask her to return. ”

One step.

Two Steps.

Three Steps.

“Even when Zhao Xueyin walked to the door, ye Zao did not speak.”

Zhao Xueyin narrowed her eyes slightly.

What did ye Zao Want to Do?

“At this moment, ye Zao’s voice sounded in the air.”

“Ellie.”

Zhao Xueyin curled her lips slightly.

She knew ye Zao would ask her to go back.

Ask Ellie to ask her to go back?

Did Ye Zao think that she was the kind of person who could just come and go as she pleased?

“Today, she had to make ye Zhuo personally beg her to come back and preside over the meeting!”

“Otherwise, ye Zhuo would really think that she was a soft persimmon.”

He could manipulate her at will.

“President Ye.” Ally walked to Ye Zhuo’s side.

“Ye Zhuo continued, “Close the door.” ”

Close the door?

Ye Zhuo called ally just to make her close the door?

Zhao Xueyin’s face turned pale.

PA —

The door was closed.

Zhao Xueyin’s figure was isolated outside.

The meeting continued inside.

How dare she?

“How dare she, this B * Tch, ye Zao! ? ”

“Zhao Xueyin took a deep breath, feeling as if her lungs were about to explode from anger. ”

The higher-ups in the meeting room also looked at each other.

None of them had expected that ye Zao would be so tough!

He dared to challenge Zhao Xueyin.

But it was also ye Zao who had the ability.

“If it was anyone else, they would not have dared to do so.”

He was indeed worthy of being elder Ye’s descendant.

He had elder ye’s boldness from back then!

The higher-ups looked at ye Zao and were instantly filled with energy!

Outside the door.

Zhao Xueyin was filled with anger as she walked towards the direction of the office.

“Xueyin!”

Si lui jogged over.

Zhao Xueyin smiled. “Big Brother Si.”

“Si lui continued, “Didn’t you go to a meeting just now? Did you finish it so quickly?” ”

“Yes.”Zhao Xueyin nodded. She didn’t want to say anything more and continued walking forward.

The lawyer frowned. He felt that something was wrong and reached out to stop Annie.

“After Zhao Xueyin left, the lawyer turned to look at Annie and asked, “What happened just now?” ”

Annie's expression was a little ugly.

"Speak."

"Annie continued, "Well, Miss Zhao was chased out of the meeting room by President Ye." "

What?

Ye Zao actually chased Annie Out!

Si Lui's expression immediately changed.

Too Much!

Ye Zao was simply too much!

Zhao Xueyin was the acting chief of the Shunxi Financial Group.

"Whether it was her position or strength, she was higher than ye Zao. "

But ye Zao actually chased Zhao Xueyin out of the meeting room.

"Si lui narrowed his eyes and continued, "Then what's going on with Jiang Xiaoyu?" "

"Chapter 1156: 250: the great burning hands, walking towards the peak of the financial world! 4"

“Of course, Annie would not tell the lawyer what happened in the office, “You Mean Miss Jiang!”! Miss Jiang came to the financial group to look for Miss Zhao. Miss Zhao thought that Miss Jiang was here to reconcile with her. She did not expect that Miss Jiang was here to break up with Miss Zhao. She even said a lot of nasty things! It was fine if she said nasty things, but she still pretended to be wronged! In fact, the one who was wronged was our Miss Zhao ”

“”It’s also because Miss Zhao has a kind heart that she let her in! If it were me, I wouldn’t even bother to talk to her!” ”

“With that said, the lawyer roughly knew what was going on. ”

Jiang Xiaoyu first went to look for ye Zhuo.

“After hearing a lot of bad things from ye Zao, he then went to look for Zhao Xueyin. ”

The lawyer had previously thought that ye Zao was not the kind of person who would gossip behind others’ backs.

Now it seemed that.

He had misjudged the person.

1

“Ye Zao not only knew how to gossip, but he was also very scheming. ”

“Otherwise, he would not have deceived Jiang Xiaoyu to such an extent. ”

“After all, Jiang Xiaoyu and Zhao Xueyin were best friends in the past! ”

“If it weren’t for ye Zao, the two of them wouldn’t have gotten to where they are today. ”

Jiang Xiaoyu was also an idiot.

She actually listened to ye Zao's words.

“Could it be that ye Zao, a person she had only known for a few days, was inferior to Zhao Xueyin, a good friend she had known for many years?”

“Annie paused at this point, then, she continued, “Originally, because of Miss Jiang's matter, Miss Zhao's mood was already very bad. In the meeting room, president ye even deliberately set Miss Zhao up! How could Miss Zhao not be angry? Haven't you noticed? Ever since President Ye came to the consortium, everything has changed!” ”

“Hearing this, Si Lu frowned. ”

It seemed that everything had started to change after ye Zhuo returned to the Shunxi Consortium.

Even he was almost fooled by Ye Zhuo.

“Annie looked at Si Lu's face and said, “President si, if there's nothing else, I'll go back first.” ”

“Go ahead.” Si lui nodded.

Annie walked forward.

Si lui looked in the direction of the meeting room with a very ugly expression.

...

On the other side.

Jiang Xiaoyu returned to the Jiang Corporation.

“When Jiang Chao saw Jiang Xiaoyu return, he said excitedly, “Xiaoyu, what did Miss Zhao Say? Did she agree to cooperate?” ”

Jiang Xiaoyu shook her head.

“Seeing this, the light on Jiang Chao’s face instantly disappeared. ”

It’s over.

It’s over now.

“Zhao Xueyin didn’t agree to cooperate, and her only hope was destroyed. ”

“”But don’t worry, Dad,” Jiang Xiaoyu continued, “Although Zhao Xueyin didn’t agree to cooperate, president ye of Shunxi Financial Group agreed to cooperate with us.” ”

President Ye?

Jiang Chao was stunned.

Who Was President Ye?

Was It Miss Ye who just came back?

“Elder Ye’s descendant?” Jiang Chao turned to look at Jiang Xiaoyu.

“Yes.” Jiang Xiaoyu nodded. “Miss Ye’s ability is extraordinary. She will definitely be able to help us get through this difficult time.”

“Jiang Chao frowned. “She just returned to the Shunxi Financial Group. She can’t even protect herself, and she still wants to help us? I’m afraid she has the heart but can’t do anything, right?” ”

The problem the Shunxi Financial Group encountered this time was not a small one.

“If Zhao Xueyin were to handle it, they might be able to tide over the difficulties. ”

Ye Zhuo...

Was not capable enough.

Was not experienced enough.

Had a shaky foundation.

“Jiang Xiaoyu said, “Dad, you have to believe me. Miss Ye is a very outstanding person! Since she promised me, she will definitely do it!” ”

“Jiang Chao asked curiously, “Xiaoyu, are you very familiar with Miss Ye?” ”

“Yes.” Jiang Xiaoyu nodded. “She is my best friend.”

“Jiang Chao said, “What about Miss Zhao? Didn’t you have the best relationship with Miss Zhao in the past? Why did you become Miss Ye Again?” ”

“”Zhao Xueyin?” Jiang Xiaoyu’s expression could not be described clearly. “In the past, I was blind to think of her as a good friend! From now on, I don’t know this person!” ”

Jiang Chao was stunned.

What was going on?

“Jiang Xiaoyu didn’t explain in detail what happened between her and Zhao Xueyin, then, she said, “Dad, just believe in Miss Ye this once! Miss Ye is Old Ye’s descendant. Didn’t you always talk about Old Ye in the past? Could it be that Old Ye’s descendant is not as good as Zhao Xueyin?” ”

The current Jiang Financial Group was isolated and helpless.

“Other than choosing to believe in Ye Zhuo, Jiang Chao had no other choice. ”

Jiang Chao sighed. “Forget it! Just believe in her this once!”

“Jiang Xiaoyu smiled and said, “I’ve made an appointment with Miss Ye to meet tomorrow at 11 am. Remember to make preparations.” ”

“En.”Jiang Chao nodded.

“At this moment, Jiang Xiaoyu’s phone rang. ”

“Chapter 1157: 250: with the great burning hands, she will walk towards the peak of the financial world!
5”

Jiang Xiaoyu picked up her phone.

It was a call from Si lui.

“Although she had gotten into a fight with Zhao Xueyin, she didn’t have any conflict with Si lui. After thinking for a while, Jiang Xiaoyu pressed the answer button. “Hello.” ”

Si Lui’s voice came from the other end of the screen. “I’m downstairs of Your Jiang Financial Group.”

“Jiang Xiaoyu said, “Okay, I’ll be right down.” ”

“After hanging up the phone, Jiang Xiaoyu went downstairs. ”

Si lui stood there.

“Big Brother Si.”Jiang Xiaoyu jogged over.

Si Lui’s face was a little cold. “You went to look for Xueyin?”

“Yes.”Jiang Xiaoyu nodded.

“Si lui continued, “You and Xueyin have been good friends for many years. You Should Know Xueyin. She is a very good, excellent, and kind girl. What kind of harsh words did you say in front of her to make her so angry! ?” ”

““I bullied Zhao Xueyin?”Jiang Xiaoyu raised her head to look at the lawyer, her eyes full of sarcasm. “Lawyer! Is it because you like Zhao Xueyin that you chose to be blind?” ”

Jiang Xiaoyu knew that the lawyer liked Zhao Xueyin very much.

“But if you liked someone, could you not distinguish right from wrong? ”

It was clearly Zhao Xueyin who was bullying her.

“But in the eyes of the lawyer, it was as if Zhao Xueyin had suffered a great grievance.”

Ridiculous!

It was simply ridiculous to the extreme.

““Jiang Xiaoyu! Wake Up!” Si lui frowned. “Ye Zao is not a good person! Is it really worth giving up Xueyin, a good friend for so many years, for ye Zao?” ”

“When he said the last sentence, Si lui grabbed Jiang Xiaoyu’s wrist and walked forward.”

“Jiang Xiaoyu said angrily, “What are you doing?” ”

“Si Lu said, “I’ll take you to apologize to Xueyin!” ”

“Since Zhao Xueyin had been wronged, Jiang Xiaoyu should apologize.”

“Si Lu!” Jiang Xiaoyu struggled to shake off Si Lu’s hand. “Are you crazy? !”

“Si Lu turned to look at Jiang Xiaoyu and tried his best to calm himself down. “Didn’t you realize that all of this was designed by ye Zao? If ye Zao didn’t sow discord between you and Xueyin, would you and Xueyin have gotten to where you are today?” ”

Jiang Xiaoyu was too irrational.

“In the end, she was still too innocent.”

“Otherwise, she wouldn’t have been deceived so miserably by ye Zao.”

“It was one thing for her to be deceived, but she had implicated Zhao Xueyin and made her so sad.”

“Otherwise, Si lui wouldn’t have bothered to meddle in such matters.”

“Therefore, Jiang Xiaoyu had to apologize to Zhao Xueyin today.”

“Thinking of this.., si lui continued, “Jiang Xiaoyu, you and Xueyin have been together for so many years. Do you really want to do this because of someone you’ve only known for a few days? Apologize to me! Xueyin is a very kind person. She Won’t hold it against you. As long as you apologize, she will definitely forgive you.” ”

“”Who is setting who up?”? Si Lui, you don’t know the whole story at all! Aren’t you helping Zhao Xueyin because you like her? Let me tell you, Zhao Xueyin is not as kind as you think. She is a disgusting person! So disgusting that I want to vomit!” ”

“Hearing that, Si Lui’s face turned black. He raised his hand and slapped Jiang Xiaoyu’s face.”

Si lui would not allow anyone to insult Zhao Xueyin.

Especially with such words.

Jiang Xiaoyu was so scared that she closed her eyes.

“However, the slap that she imagined did not come towards her face.”

Jiang Xiaoyu opened her eyes and saw a youth wearing a black hoodie appear in front of her. He reached out and grabbed si lui’s hand.

The youth wore a black mask on his face.

Only a pair of eyes that shone like obsidian could be seen.

It was very black.

Very Bright.

And very mysterious.

“Hitting a woman?” The youth said softly, his voice a little cold. ”

Si lui retracted his wrist. “Who are you?”

The youth did not answer si lui directly. He lowered his head to look at Jiang Xiaoyu. “Are You Alright?”

Jiang Xiaoyu shook her head. “I’m fine.”

The youth grabbed Jiang Xiaoyu’s wrist. “Let’s go.”

Jiang Xiaoyu was forced to follow the youth’s footsteps.

“When they reached the corner, the young man let go of Jiang Xiaoyu’s wrist and said, “It’s okay. You should go now!” ”

“Thank you.” Jiang Xiaoyu bowed and thanked him. Then, he said, “Little benefactor, what’s Your Name?” ”

“The young man didn’t answer Jiang Xiaoyu directly. Instead, he said, “Let’s go.” ”

“Realizing that his little benefactor might be a little cold, Jiang Xiaoyu didn’t ask any more questions and said, “Then I’ll go first.” ”

The youth watched Jiang Xiaoyu's figure disappear in front of him before he turned around and left.

...

Shunxi Financial Group.

"After the meeting ended, Ye Zao returned to his office and put down the documents. Ye Zao raised his hand to pinch his temples and turned to look at Milai. "Where's Miss Jiang?" "

Chapter 1158: 250: Great Burning has made his move and is walking towards the peak of the financial world! 6

"Milai said, "Miss Jiang has already left." "

Ye Zhuo nodded slightly.

"A moment later, she turned on her computer and clicked the mouse with her right hand. "

The screen of the Heavenly Eye system immediately appeared on the computer screen.

Ye Zhuo switched the page and the screen quickly turned to a surveillance screen.

The screen was somewhat familiar.

"If someone familiar was present, they would definitely notice that this was Zhao Xueyin's office. "

1 pm.

Zhao Xueyin was sitting at her desk and processing documents.

“A minute later, Annie walked in with Jiang Xiaoyu.”

The first scene was very normal.

Zhao Xueyin even poured Jiang Xiaoyu a cup of coffee.

“Then, just as Jiang Xiaoyu said, she opened her mouth to ask for Zhao Xueyin’s help.”

But Zhao Xueyin made an excessive request and gave Jiang Xiaoyu a pill.

Jiang Xiaoyu naturally refused.

“Then, Zhao Xueyin made another request.”

To make Jiang Xiaoyu bark like a dog.

“Seeing this, ye Zao frowned slightly.”

What surprised ye Zao even more was that Jiang Xiaoyu actually did it.

But.

Zhao Xueyin didn’t keep her promise!

No wonder Jiang Xiaoyu cried so miserably!

“A moment later, ye Zhuo turned off the surveillance footage and leaned against the back of the chair. There was no expression on his handsome face. ”

“Big Burning.”

Little White squeezed in from outside the door.

“”Doggie, why are you here?”Ye Zhuo looked up slightly. ”

“Little White said, “I brought the silly cat to see your duck!” ”

“Where’s the silly cat?”Ye Zhuo asked.

“Silly cat? The silly cat is in my pocket!”Little White looked down and saw that the pocket was empty. There was no sign of Brother Meow? It was so scared that its face turned pale. “Where’s the silly cat! F * ck! The silly cat is gone!”

“Ye Zhuo continued, “Are you sure you brought the silly cat with you?” ”

“Of course! I even chatted with it on the way!”Little White hurriedly walked out. “I’m not going to talk to you about spicy! I’m going to look for the silly cat first! The silly cat is so silly. What if someone sells it!”

“Go ahead.”Ye Zhuo nodded slightly.

Little White rushed out to look for brother Meow.

“When Zhao Xueyin came out of the office, she saw a fat cat in the corridor. ”

“Where did the cat come from?”

“When it heard the word ‘cat,’fat meow immediately ran over and rubbed Zhao Xueyin’s feet. ”

“The employee at the side replied, “It seems to be President Ye’s cat.” ”

Ye Zhuo’s Cat?

“Hearing this, Zhao Xueyin’s eyes were filled with disgust. She immediately kicked it away. “The B * stards raised by B * stards are all so B * stards! They pounce on people when they see them! They’re not disgusted at all!” ”

“Fat Meow was kicked a few meters away and hit the pillar. It cried out in pain, “Meow!”Then, it quickly raised one of its feet and ran to the side. ”

“The staff at the side could not bear it, but they could not say anything. ”

“When Whitey found brother Meow, Brother Meow was squatting in the corner, looking like he had been abandoned. ”

“Silly cat! I’ve finally found you! Where did you run off to!”Whitey picked up brother Meow and put it in its pocket.

“Meow!”

“Whitey continued, “Looks like I have to put a tracker on you! You’re so silly. What if you get lost one day?” ”

“Meow!”

...

On the other side.

Zhao family.

“Ever since yesterday, Father Zhao had a high fever. ”

It was 39 degrees.

“The two doctors took turns to look after Father Zhao, but they were unable to bring his fever down. ”

Zhao Xueyin came back from the financial group and immediately went to see Father Zhao.

“Father Zhao was lying on the bed. Because of the high fever, his face was very red. ”

““Doctor Wang, how is My Father Now?”Zhao Xueyin asked with concern. ”

“Doctor Wang said, “He just received a special anti-fever injection. His fever should subside in half an hour. He’ll be fine once his fever subsides.” ”

““Okay, thank you for your hard work.” ”

“Doctor Wang said a little embarrassedly, “This is what I should do. You’re too polite.” ”

“Zhao Xueyin continued, “You’ve been tired all day. Go and rest first. I’ll look after my father.” ”

“Doctor Wang nodded. “If there’s anything unusual, just let me know.” ”

“Okay.”

Zhao Xueyin sat beside Father Zhao’s bed.

“Actually, Father Zhao was doing quite well.”

“At the very least, she didn’t have to hear his voice anymore.”

“All these years, because she wasn’t a boy, Father Zhao had given her a lot of looks.”

“At this moment, Father Zhao, who was on the bed, suddenly said, “A Ye... a Ye...” ”

His voice was very soft.

It was close to a whisper.

“Zhao Xueyin was slightly unable to hear what he was saying, and she could only roughly hear the word ‘Ye’.”

““Father, what are you saying? Father, wake up!” ”

“Father Zhao acted as if he did not hear Zhao Xueyin’s call, and in the next second, tears flowed out from the corners of his eyes. “Father, father, father, I... I miss you...” ”

“This time, Zhao Xueyin heard it clearly.”

Father Misses You so much?

Could it be that Father Zhao missed his grandfather?

Her grandfather was Father Zhao’s father.

It was said that only people who were about to die would think of their parents who had died prematurely.

Father Zhao had a high fever for no reason...

Could it be...

“Thinking of this, Zhao Xue’s heart thumped. “Father, are you alright? Father! Wake up quickly!” ”

“Father Zhao’s eyes were tightly shut. This time, he did not speak again, but tears kept rolling down his face. ”

It was late at night when Father Zhao’s fever subsided.

He woke up from the dream.

“Father Zhao looked at the ceiling, his eyes filled with sadness. ”

“In the dream, he and a Ye were finally reunited. ”

Unfortunately.

He woke up very soon.

It was said that the dream was reversed.

Did this mean that he and a ye would never see each other again?

“At this moment, the sound of footsteps came from the room. ”

“Dad, you’re awake!” Seeing that Father Zhao had woken up, Zhao Xueyin was especially excited. ”

“Xueyin.”

“Zhao Xueyin helped Father Zhao sit up. “Dad, do you want some water?” ”

Father Zhao nodded.

Zhao Xueyin brought some water.

“After drinking the water, Zhao Xueyin put the cup back to its original place and continued, “Dad, I know that I’ve disappointed you these few days! But don’t worry, I’ll definitely lead our Zhao family to the peak of the financial world!” ”

Father Zhao nodded.

“Zhao Xueyin continued, “There’s something I forgot to tell you.” ”

“What is it?” Father Zhao turned to look at Zhao Xueyin.

“Zhao Xueyin continued, “Do you still remember the international financial conference two months ago?” ”

“Yes.” Father Zhao nodded.

“Zhao Xueyin said, “At the financial conference, I saw Master Five! To be precise, master five should have seen me. So, dad, please rest assured, I will definitely let master five marry me!” ”

“Hearing this, Father Zhao immediately sat up straight, and a light flashed in his eyes. “You didn’t lie to me?” ”

“”Dad, do you think I would use such a thing to lie to you?”Zhao Xueyin continued, “On the day that elder Zhang organized the welcoming banquet for Ye Zhuo, master five even sent people to send gifts. Do you think that under normal circumstances, master five would condescend to send people to send gifts?” ”

Of course not!

Who Was Master Five?

Everyone had always been fighting to give him a gift. When did he give a gift to others?

Father Zhao narrowed his eyes. “How can you be so sure that master five isn’t giving a gift to Ye Zhuo?”

“Giving a gift to ye Zhuo?”The corners of Zhao Xueyin’s mouth curled up in disdain. “Is she even worthy?”

“If Master Five’s surname was Cen, it would be fine. ”

But the fifth master’s surname was Bai.

It had nothing to do with Cen Shaoqing at all.

“Chapter 1159: 251: After learning the truth, Granny Zhou was filled with regret! 1”

Even Cen Shaoqing was not worthy to be compared to master five.

It was simply laughable.

Someone like ye Zhuo was not worthy of master five at all.

Father Zhao narrowed his eyes. "Are you so sure that master five is here because of you?"

It was said that heroes could not overcome beauties.

Father Zhao had seen ye Zhuo before.

"Disregarding everything else, ye Zhuo was indeed very beautiful. "

"Although Zhao Xueyin was his daughter and was very good-looking, he had to admit that in terms of looks, Zhao Xueyin was indeed inferior to ye Zao by a large margin. "

"After all, Ye Zao was the main character of the welcoming banquet. "

Master five had also given ye Zao a gift.

"Zhao Xueyin had forced master five to be on good terms with her. In the end, it was a little far-fetched. "

"Although Father Zhao was currently having a high fever, his mind was clear. "

"On the day of the financial conference, I entered the top five internationally." Zhao Xueyin continued, "I was also the only female Chinese who made it into the top five." "

This was also why Zhao Xueyin was so confident.

The only female Chinese who made it into the top five was enough to prove her strength.

“If it wasn’t for Ye Zhuo, Zhao Xueyin’s appearance in the financial world wouldn’t have existed. Moreover, she was so outstanding and cultivated both internally and externally. There was no reason for master five not to see her.”

Therefore.

Master five must have sent ye Zao a congratulatory gift on account of her.

“After saying that, Zhao Xueyin continued, “Ye Zao has only been back for a few days? She doesn’t have a chance to get close to master five! Most importantly, she already has a boyfriend! Do you think Master Five will fall for a second-hand thing?” With ye Zao being such a scumbag, she wasn’t worthy of master five at all!”

“For someone like her, master five probably did not even want to look at her.”

Because she was too disgusting.

Already had a boyfriend?

Father Zhao was stunned and turned to look at Zhao Xueyin. “Who is ye Zao’s boyfriend?”

““Cen Shaoqing,” Zhao Xueyin answered.”

Cen Shaoqing.

“As the number one family in China, Father Zhao naturally knew of Cen Shaoqing.”

“Moreover, according to what he knew, CEN Shaoqing was known as Master Cen Fifth!”

Could it be that these two people were the same person?

“Thinking of this, Father Zhao’s brows jumped and his face turned slightly pale. ”

“Father and daughter were united. Zhao Xueyin immediately saw through Father Zhao’s thoughts and said with a smile, “Father, don’t worry, they are not the same person! I’ve gotten someone to investigate. The founder of DK Financial Group is surnamed Bai.” ”

Surnamed Bai!

“Hearing this, father Zhao heaved a sigh of relief. ”

“Fortunately, they were not the same person. ”

“If they were the same person, then Zhao Xueyin would really not be able to defeat ye Zao. ”

“Zhao Xueyin continued, “Father, I know that it’s useless to say anything to you now. Just you wait! One day, I will let master five call you father-in-law!”At the end of her sentence., zhao Xueyin’s eyes were filled with confidence. ”

“Because she had the capital, she was confident! ”

“After saying that, Zhao Xueyin continued, “So, don’t try to set me up with the lawyer in the future! We are not from the same world!” ”

Zhao Xueyin would feel disgusted whenever she saw the lawyer’s affectionate gaze.

Because she did not like the lawyer at all.

“Unfortunately, the lawyer did not have the slightest self-awareness.”

Father Zhao looked at Zhao Xueyin. “It’s not a bad thing to have another spare tire.”

Plans could not keep up with changes.

“Even if master five really liked Zhao Xueyin now, what if there were changes in the future?”

“Dad, do you not trust me that much?” Zhao Xueyin frowned.

“She was so outstanding, why would she be afraid that master five would change his heart?”

That was impossible!

“She would definitely make master five completely fall in love with her, and it had to be her!”

Didn’t father Zhao always think that girls were inferior to boys?

She would let him know that girls could also conquer men who were hundreds of times better than her!

Master five would be hers sooner or later!

“It’s not that I don’t trust you, but it’s just that there’s an extra way out and an extra choice,” father Zhao continued, “Compared to the lawyer, I also hope that you can marry Master Five!”

“If Zhao Xueyin could really marry master five, then his life would be complete!”

“Although Si lui was outstanding, his family background was still a little lacking.”

“After saying that, father Zhao continued, “It’s getting late. You should go back and rest.” ”

Zhao Xueyin nodded. “Then I’ll go back and rest first. You should rest early too.”

“Okay.”

Zhao Xueyin walked out.

Father Zhao looked at Zhao Xueyin’s back and his expression became sorrowful again.

If only his a Ye was still around.

That would be great.

Father Zhao took a deep breath and closed his eyes in pain.

...

“Time passed very quickly. In the blink of an eye, it was already the next day. ”

Even though he had agreed to meet ye Zhuo at eleven o’clock.

“However, at ten in the morning, Jiang Xiaoyu brought Jiang Chao to the coffee shop that they had agreed to meet at. ”

“Chapter 1160: 251: After learning the truth, Granny Zhou was filled with regret! 2”

“Time ticked by. It was almost 11 o’clock and ye Zhuo was still not here. Jiang Chao looked at his phone and asked, “Xiaoyu, does this miss ye not want to come?” ”

“”No,”Jiang Xiaoyu said, “She’s not that kind of person.” ”

“Jiang Chao said, “But it’s almost 11 o’clock in five minutes. Why isn’t she here yet?” ”

“Jiang Xiaoyu looked outside and said, “It’s probably because of the delay on the road! Dad, don’t be anxious! Isn’t it not 11 o’clock yet?” ”

Jiang Chao took a sip of his coffee.

“At this moment, Jiang Xiaoyu’s eyes lit up. “She’s Here! She’s Here!” ”

“Jiang Chao put down his cup and said somewhat excitedly, “Miss Ye is here?” ”

“Yes!”Jiang Xiaoyu nodded.

Jiang Chao also looked outside. “Which one is Miss Ye?”

“Jiang Xiaoyu said, “The one in the Black Windbreaker!” ”

“Black Windbreaker?”Jiang Chao frowned. “There are quite a few people in black windbreakers outside. Which one is the Miss Ye You’re talking about?”

“Jiang Xiaoyu continued, “The most beautiful one!” ”

The most beautiful one?

Jiang Chao’s gaze immediately shifted to a slender figure.

The girl was wearing a black windbreaker and a black hat on her head.

“The wide brim of the hat covered her eyes, and only a part of her fair chin could be seen. ”

Her aura was so strong that it was difficult to ignore her!

“That person wearing the hat is Miss Ye?” Jiang Chao asked with some uncertainty.

“Yes.” Jiang Xiaoyu nodded.

“Seeing that the figure had already walked into the coffee shop, Jiang Xiaoyu waved her hand and said, “Great Burning! This way!” ”

“Ye Zhuoluo walked over and took off his hat, revealing a face that was as beautiful as a painting. ”

Devastatingly beautiful.

Cold and aloof.

It was just that... he was a little young.

He looked like he was at most 18 or 19 years old.

Could such a young girl really bring the Jiang Corporation out of their predicament?

Jiang Chao was a little worried.

“At this moment, Ye Zhuoluo walked to the table and said, “Xiaoyu.” ”

“Jiang Xiaoyu stood up and said, “Da Zhuozhuo, this is my dad! Dad, this is president ye of the Shunxi Financial Group!” ”

“Jiang Chao stood up and extended his hand to Ye Zhuo. “Hello, President Ye. I’m Jiang Chao.” ”

“Uncle Jiang.”Ye Zhuo extended his hand to hold Jiang Chao’s hand.

“”President Ye, please take a seat.” ”

Ye Zhuo leaned over and sat down.

“Jiang Xiaoyu handed the menu to Ye Zhuo. “Da Zhuozhuo, what would you like to drink?” ”

Ye Zao took the menu. “A half-sugar cappuccino.”

Jiang Xiaoyu called the waiter over.

“Apart from the cappuccino, he also ordered some desserts. ”

“Over the past few days, Jiang Xiaoyu had already figured out ye Zao’s taste. ”

“The Cappuccino was served very quickly. Ye Zao picked up the cup and took a sip. Then, he took out a document and went straight to the point. “Uncle Jiang, this is my customized plan for the problems that the Jiang Financial Group has encountered. Please take a look.” ”

Plan?

Ye Zhuo made it himself?

Could a teenager really come up with a plan?

“Jiang Chao was stunned at first, then he took the document with both hands.”

“Jiang Chao didn’t have any confidence in this document at first, but he was shocked when he opened it.”

“The more he read, the more shocked he was.”

“If he hadn’t seen it with his own eyes, who would believe that such a sophisticated plan was made by an eighteen or nineteen-year-old girl?”

Ye Zhuo was indeed a descendant of the Ye family!

“At the end of the document, Jiang Chao’s eyes were only filled with amazement.”

“At this moment, Ye Zhuo took out another document. “If uncle Jiang doesn’t think it’s a problem, then sign this contract.” ”

“Jiang Chao looked up at Ye Zhuo. “President Ye, can I take a look at the contents of the contract first?” ”

“Of course.”

The contract was very thick. There were more than fifty pages in total.

Jiang Chao read page by page.

Ye Zhuo wasn’t in a hurry. He picked up a dessert and slowly tasted it.

“It wasn’t until ye Zhuo finished his third dessert that Jiang Chao finished reading the contract. He raised his head to look at Ye Zhuo. “President Ye, you’ve seen the current situation of our Jiang Financial Group. Aren’t you afraid of making a loss?” ”

The current Jiang Financial Group was completely an empty shell.

It wasn’t enough to just have a plan. They had to invest a huge amount of money.

If it failed...

It would be a huge loss.

“Jiang Chao didn’t understand where Ye Zhuo, a teenage girl, got the courage to make such a deal! ”

“Ye Zhuo smiled slightly and said, “Don’t worry. I’m a person who eats everything. I Won’t lose anything.” ”

Jiang Chao was stunned.

Confidence.

She was too confident.

This kind of confidence was different from conceit.

Her confidence was completely emitted from her bones.

“It couldn’t be replicated, nor could it be imitated. ”
