“Chapter 1161: 251: After learning the truth, Granny Zhou was filled with regret! 3”

“Ye Zhuo continued, “Regarding the contract, do you think there are any problems?” ”

“”No!”Jiang Chao said straightforwardly, “This contract is the most equal contract I’ve seen in My 40 plus years of Practice!” ”

Under normal circumstances.

There were more or less some unreasonable aspects in a contract.

Party A’s father would always be in an advantageous position.

“However, Jiang Chao had studied the contract very carefully just now. ”

There wasn’t the slightest illogical aspect to this contract.

It was fair and just!

Party B was no longer the disadvantaged party.

“Jiang Chao had been in the financial world for so many years, but he had never come across such a contract. ”

“That’s good.”Ye Zhuo nodded slightly.

Jiang Chao picked up a pen and began to sign the contract.

“In a flash, the contract was signed. “President Ye, please take a look.” ”

Perhaps Jiang Chao himself didn’t realize that he had unconsciously used honorifics during his conversation with Ye Zhuo.

“Ye Zhuo took the contract with both hands and continued, “Alright. That’s all for now. There will be people going to the Jiang Financial Group to work on the docking tomorrow. Please make the arrangements.” ”

““Okay.”Jiang Chao nodded. “President Ye, don’t worry.” ”

“Ye Zhuo picked up the hat on the table and put it on his head. “Uncle Jiang, Xiaoyu, I still have something to do. I’ll be leaving first.” ”

“Jiang Xiaoyu said, “It’s almost time for dinner. Let’s Find a place and eat before we leave.” ”

“Jiang Chao said, “Xiaoyu is right.” ”

Ye Zhuo looked back slightly. “I’m full from the dessert just now.”

Jiang Chao and Jiang Xiaoyu sent ye Zhuo out of the cafe.

“Looking at Ye Zhuo’s back, Jiang Xiaoyu said, “Dad, what do you think of Miss Ye?” ”

“Jiang Chao said, “She has the bearing of a member of the Ye family!” ”

“What about compared to Zhao Xueyin?”Jiang Xiaoyu continued to ask.

“Jiang Chao narrowed his eyes and said, “They are not on the same level.” ”

“Although Zhao Xueyin was also famous, compared to Ye Zhuo, Zhao Xueyin was still a little petty.”

“Whether it was her image, temperament, or business talent, ye Zao was above Zhao Xueyin.”

“After a while, Jiang Chao turned to look at Jiang Xiaoyu. “Xiaoyu, you didn’t make the wrong friend! Miss Ye’s future actions will definitely dazzle everyone!” ”

For the first time.

“For the first time in her life, Jiang Xiaoyu was affirmed by her father. She smiled and said, “I think so too!” ”

On the other side.

Shunxi Financial Group.

Zhao Xueyin had been waiting for Jiang Xiaoyu to come and apologize to her.

“However, there was no news from Jiang Xiaoyu’s side the whole day.”

Zhao Xueyin frowned slightly.

Something didn’t seem right

“Logically speaking, Jiang Xiaoyu should have arrived a long time ago.”

She still needed to borrow Jiang Xiaoyu’s hand to feed ye Zao the medicine.

“Thinking of that pill, a vicious light flashed in Zhao Xueyin’s eyes. ”

Wait for it.

“This time, she must let ye Zhuo get the retribution he deserves! ”

“When the time comes, Ye Zhuo just wait for the fame to spread! ”

“Annie looked at Zhao Xueyin, “Miss Zhao, do you think Miss Jiang is angry?” ”

“Zhao Xueyin eyes are all cynical look,”angry? What right does a dog have to be angry?” ”

Annie frowned. “Did she find someone else to help?”

“Impossible!”

Although there were many large financial groups in the financial world.

“But now, the Jiang Financial Group was no longer of any use, and everyone avoided it! ”

“Other than her, there was no one else who could bring the Jiang Financial Group back to life! ”

“Other than her, who else could Jiang Xiaoyu find? ”

Who else could help the Jiang Financial Group?

She was the only savior of the Jiang Financial Group!

“If the Jiang family wanted to continue to survive in the financial world, they had to come and beg her! ”

“Annie continued, “Miss Zhao, why don’t I go and check it out?” ”

“”Let’s Wait a little longer.”Zhao Xueyin narrowed her eyes. “Tomorrow, she’ll definitely come tomorrow!” ”

Zhao Xueyin had a feeling that Jiang Xiaoyu would definitely come and beg her tomorrow!

Annie nodded. “Alright.”

...

On the other side.

At the Zhou family residence.

“Auntie Wang had not come to work all this while, which made Granny Zhou a little puzzled. “Jiayue, why haven’t I seen Auntie Wang these past few days?” ”

“Ma Jiayue said with a natural expression, “I forgot to tell you that Auntie Wang had some matters at home a few days ago and resigned from the housekeeper’s side! She Won’t be coming to work at our house in the future.” ”

“”Resigned?”Granny Zhou said, “If there’s anything, why don’t you just take two days off? Why did you have to resign?” ”

“Auntie Wang usually worked very seriously and was a very nice person. When she suddenly heard that Auntie Wang had resigned, Granny Zhou was quite surprised. ”

“Besides, her salary was usually not low, so there was no reason for Auntie Wang to resign. ”

“Ma Jiayue said, “Maybe it’s something big with Auntie Wang!” ”

“Granny Zhou frowned. “Even if there’s something big to resign, you should have told me. I’ve always been kind to her! What she did was really unfair!” Granny Zhou really wasn’t bad to Auntie Wang, usually, she would ask Auntie Wang to bring back a portion of any delicious food. Occasionally, Auntie Wang would take a leave of absence, and Granny Zhou would not deduct her salary! ”

“Chapter 1162: 251: After learning the truth, mother-in-law Zhou was filled with regret! 4”

A normal person wouldn’t do such a thing.

“Ma jianyue smiled and said, “Mom, why are you arguing with a servant! If she knew the ways of the world, she wouldn’t have to be a servant!” ”

“”That’s true.” Mother-in-law Zhou nodded and continued, “After so many days, I wonder how Aunt Wang’s lover is doing?” ”

“Hearing this, Ma Jiayue’s face turned pale, “Mom, I think it’s probably because of her lover that Aunt Wang resigned! Think about it, Ye Zhuo, who hasn’t even graduated from university, doesn’t know any medical skills! Aunt Wang’s lover must have taken her medicine and her condition worsened, so she had to resign to take care of her lover!” ”

That was the only thing she could say at the moment.

“Otherwise, Granny Zhou would definitely go all out to get to the bottom of it. ”

Granny Zhou frowned. “Is that so?”

“Ma Jiayue nodded, “That must be the case! “Otherwise, why would auntie Wang resign when she’s fine? “I heard from the butler that Auntie Wang’s expression was extremely ugly when she resigned! “Not only did she want to resign, but I also heard from the housekeeper that Aunt Wang wants to move!” ”

“Move? Is it that serious?”Granny Zhou frowned deeply.

““Yes, it is quite serious.”Ma jianyue continued, “Otherwise, Aunt Wang wouldn’t have resigned.” ”

“Hearing that, Granny Zhou said with a face full of fear, “Jianyue! Fortunately, I listened to you and didn’t take the prescription given by ye Zao. Otherwise, I would be the one whose condition worsened!” ”

Granny Zhou felt extremely lucky just thinking about it.

“She was already old. If her condition worsened because of this incident, she might die. ”

“Born as a person, who wasn’t afraid of death. ”

Although it was very uncomfortable to have diabetes.

But it was better to be alive than dead.

““Thank you, Jiayue! Our Zhou family has a daughter-in-law like you. It’s simply a blessing from our past life.”Granny Zhou turned her head to look at Ma Jiayue. ”

“Ma Jianyue was so frightened by Granny Zhou’s words of thanks that she broke out in a cold sweat. “Mom, what are you talking about? We are a family, there’s no need to thank us!” ”

“Fortunately, she was smart enough to dismiss Auntie Wang in advance. ”

“Otherwise, this matter would not be able to be resolved!”

“Granny Zhou sighed, “It’s just a pity that Auntie Wang’s lover is only 45 years old! “He’s already in poor health. Now that his condition has worsened, how will he be able to live the rest of his life?”?”

“Previously, I saw that little girl, Ye Zhuo, was quite sensible. I didn’t think that she would use a fake prescription to harm others!” “You really can’t judge a book by its cover!” ”

“Originally, Granny Zhou was quite fond of Ye Zhuo. She felt that the descendants of the Ye family were definitely not that bad.”

“Now, it seemed that ye Zhuo was far inferior to Zhao Xueyin!”

“It was also fortunate that Ma Jiayue had explained everything to Auntie Wang at that time. She told Auntie Wang to look for ye Zao if she had any problems with the food. Otherwise, there would still be a lot of nonsense to talk about.”

“Thinking about how ye Zao almost made their family carry a human life, Granny Wang was even more displeased with ye Zao!”

“Ma Jiayue said, “The culture of Chinese medicine is extensive and profound. She is only 20 years old. It is normal that she doesn’t know any medical skills! The little girl doesn’t have the ability and wants to be in the limelight, so she could only use a fake prescription to fool people! “Maybe she didn’t expect that this prescription would aggravate her condition!” ”

“Granny Zhou frowned. “If she wants to be in the limelight, she shouldn’t be in the limelight like this! She’s clearly taking people’s lives lightly! It’s just that it’s hard on Auntie Wang’s family.” ”

Granny Zhou was a kind-hearted person.

She couldn’t bear to see others suffer.

“Ma jiayue smiled and said, “Perhaps this is the life of Auntie Wang’s lover! “I already said that this prescription was useless. She was the one who insisted on using it! “She brought this upon herself. Who

can she blame now? “As the saying goes, one learns from one’s mistakes. This may not be a bad thing for Auntie Wang. At the very least, after this incident, she won’t dare to randomly take other people’s prescriptions anymore!” ”

“Granny Zhou agreed with what Ma Jianyue said. “Jianyue, you’re right! Everything is fate. It’s not up to anyone!” ”

“These words made Ma Jianyue feel a little guilty. She immediately changed the topic. “Mom, I heard that you have an appointment with the old lady of the Wang family to watch the drama tomorrow, Right?” ”

“Yes.”Granny Zhou nodded.

“Ma jianyue continued, “Then have you chosen the clothes to wear for the drama? If you haven’t, I’ll help you choose.” ”

“Speaking of the clothes for the next day, Granny Zhou’s attention was immediately drawn away and she started to discuss with Ma Jiayue which clothes would look good. ”

“Seeing Granny Zhou like this, Ma Jiayue finally heaved a sigh of relief. ”

The next day.

Granny Zhou and her three older sisters made an appointment to go to the play together.

“Chapter 1163: 251: After learning the truth, Granny Zhou was filled with regret! 5”

“Just as she walked to the entrance of the theater, she saw a familiar figure. ”

It was ye Zhuo.

“Beside ye Zhuo stood a man in plain clothes, holding a string of bright red Buddhist beads in his hand. When two people like this stood together, it was obvious that they were dragons and phoenixes among men, and they could not be underestimated.”

“She did not know if ye Zhuo saw Granny Zhou, but she did not take the initiative to greet her.”

Granny Zhou frowned slightly.

“If it were any other time, ye Zao would definitely greet her.”

The reason why he did not greet her today was definitely because he was guilty.

After all.

Ye Zao had almost caused her death!

This was a human life!

“Ye Zao had a big heart. He actually dared to go shopping and watch a drama. Even if she had not caused anyone’s death, Auntie Wang’s lover’s condition had worsened because of her!”

Did she not feel guilty at all?

She had no conscience at all.

It had to be said that this descendant of the Ye family had really disappointed her!

“She had originally thought that ye Zhuo was a talent that could be molded. She did not expect that in the end, she was still blind to see the wrong person.”

“Yuan Cui, did you see an acquaintance?” Old Lady Wang turned to look at Granny Zhou.

Granny Zhou reacted and smiled. “No.”

“Old Lady Wang continued, “Then let’s go in quickly.” ”

Granny Zhou nodded and followed everyone inside.

“Halfway through the drama, Granny Zhou got up and went to the bathroom.”

“Coincidentally, she bumped into ye Zhuo in the bathroom.”

“Granny Zhou.” Ye Zhuo greeted her politely when he saw someone he knew.

“A hint of displeasure flashed across Granny Zhou’s face, but she still nodded and said, “Miss Ye, you’re here to watch the drama too?” ”

“Yes.” Ye Zhuo nodded slightly.

“Granny Zhou continued, “Miss Ye, why don’t You Ask Me How I’m doing now that I took the prescription you gave me last time?” ”

Ye Zhuo was stunned. “Didn’t you not take it?”

“How do you know that I didn’t take it?” Granny Zhou asked.

“Ye Zhuo explained, “Aunt Wang told me.” ”

“Granny Zhou looked at Ye Zhuo. “So, you know about Aunt Wang?” ”

“Yes.”Ye Zhuo nodded slightly.

“Granny Zhou continued, “Since you already know about it, how do you plan to compensate Auntie Wang and the rest? “One can have nothing but a conscience. After all, Auntie Wang’s lover took the medicine you gave her to aggravate her condition!” ”

“You might have misunderstood...”

“Before ye Zhuo could finish his sentence, Granny Zhou had already planned it. “Misunderstood? What misunderstanding? Do you know that Auntie Wang has already resigned because her lover’s condition has worsened? Miss Ye, do you still want to Quibble?” ”

“”Auntie Wang’s lover has already recovered. As for why she resigned, I’m not too sure either. You’ve really misunderstood me!”Ye Zhuo’s face did not show any expression as he continued to explain patiently. ”

Quibble!

“Ye Zhuo even made Su Qiang’s condition worsen. Not only did he not feel guilty at all, he was even quibbling now. ”

“Granny Zhou was so angry that her face changed. “Miss Ye, do you think you can live up to the conscience of the world with Your Words? How can the Ye family have a descendant like you! You’re simply embarrassing yourself!” ”

“Ye Zhuo could not be bothered to argue with an old man. “Granny Zhou, facts speak louder than words. If you don’t believe me, you can go to Auntie Wang’s house to have a look.” ”

“The old man did not believe her now. No matter what she said, she would not believe it. ”

“After saying this, Ye Zhuo turned around and walked out of the door.”

Granny Zhou looked at Ye Zhuo’s back and was so angry that her temples were throbbing. It took her a long time to react.

Should I go to sister-in-law Wang’s house to take a look?

It was all thanks to ye Zao that he could say such a thing!

“Ye Zao knew that sister-in-law Wang had already moved away, but he still said it on purpose.”

“After being so angry by Ye Zao, Granny Zhou couldn’t be bothered to watch the play anymore. She sent a message to Old Lady Wang and walked out of the theater.”

She planned to go outside to get some fresh air.

In the theater.

Ye Zao walked to Cen Shaoqing’s side and sat down.

“Coming.”Cen Shaoqing looked back slightly and gently held her hand as if he was counting Buddhist beads. He stroked it carefully.

Her hand was very soft.

It was as if she had no bones.

It was as white as jade.

Ye Zhuo leaned on his shoulder and continued to watch the play.

Every breath he took was filled with each other's breath.

...

On the other side.

The Jin family.

Old Master Jin held the information that his assistant had found and the corners of his mouth were full of ridicule. "You want to marry Fifth Master? You're simply Daydreaming!"

"Uncle Fu said, "Why don't you send this information to young master?" "

"Old Master Jin shook his head. "It's useless. Even if he sees it, he'll think that it's my doing." "

The lawyer did not have the slightest trust in him.

This move would not work.

"Uncle Fu frowned. "Then what should we do? Looking at the way Zhao Zhenfei and Zhao Xueyin are behaving, it's clear that they want to treat young master as a spare tire." Father Zhao's goal was very simple, if master five did not like Zhao Xueyin, then find a sensible and obedient son-in-law who could come to visit. "

"Chapter 1164: 251: After learning the truth, Granny Zhou was filled with regret! 6"

Old Master Jin pinched his temples. "I heard that fifth master is back?"

Uncle Fu nodded. "I think so."

Old Master Jin narrowed his eyes as he came up with a plan.

Shunxi Financial Group.

Annie ran quickly to the office. "Miss Zhao!"

"What's Wrong?" Zhao Xueyin looked up.

"Annie continued, "Jiang Xiaoyu is here!" "

Jiang Xiaoyu.

Zhao Xueyin narrowed her eyes. Her eyes were full of sarcasm.

She knew Jiang Xiaoyu would definitely come.

Jiang Xiaoyu did not disappoint her.

Zhao Xueyin took out the box of medicine from the drawer.

"At this moment, there was a knock on the door. "

It must be Jiang Xiaoyu!

Annie immediately ran to open the door.

“Zhao Xueyin said, “Wait a moment.” ”

Annie turned around in confusion.

“Let her wait first.”

She should act like she was begging someone.

Annie nodded.

The knocking on the door continued.

It was not until three minutes later that Zhao Xueyin asked Annie to open the door.

“Is Miss Zhao busy?”The R & D Manager asked while holding the documents.

Annie was stunned.

It wasn't Jiang Xiaoyu?

Annie quickly reacted. “Miss Zhao is inside. Come in quickly.”

The R & D Manager walked in with the documents.

“When she saw the R & D manager, Zhao Xueyin frowned. ”

““Miss Zhao, these documents need your signature.” ”

Zhao Xueyin lowered her head and signed the documents.

“After the R & D Manager left, Zhao Xueyin looked at Annie. “Didn’t you say Jiang Xiaoyu was here?” ”

Annie was also very curious. “I clearly saw her go up to the 58th floor just now.”

“Go and check it out.”

“Okay.” Annie nodded.

“About ten minutes later, Annie returned with a complicated expression on her face.”

“What happened?” Zhao Xueyin asked.

“Annie said, “Miss, Miss Zhao, the Jiang Financial Group has found a new backer.” ”

“What?” Zhao Xueyin stood up from her chair.

“Who is it?” Zhao Xueyin continued to ask.

“Other than her, who else would dare to take over the Jiang Corporation’s mess? ”

“Annie hesitated for a moment and then said, “Yes, yes, it’s President Ye.” ”

Ye Zhuo?

“With just ye Zhuo alone, she still wanted to bring the Jiang Corporation out of its predicament? ”

In her dreams!

“Hearing these words, Zhao Xueyin’s eyes were filled with ridicule. ”

Did Ye Zao really think that she was someone important?

She didn’t even consider how much she weighed!

“However, this action just happened to fulfill her wish. ”

Ye Zao was currently very popular in the Shunxi Financial Group. She was worried that she wouldn’t be able to catch ye Zao.

“The Jiang Financial Group’s losses were too great. They were no different from an empty shell now. If she wasn’t careful, she would be dragged into this mess. ”

“At that time, Jiang Xiaoyu would not be the only one who begged her. ”

Ye Zhuo would also have to kneel on the ground and beg her obediently!

“Thinking of this, Zhao Xueyin’s face was full of joy, and her tone was still gentle. “Then I want to see how ye Zhuo will turn the tide and pull the Jiang Financial Group out of the mud.” ”

At most one week.

“At that time, Ye Zhuo would definitely come and beg her. ”

...

On the other side.

“After watching the drama, Granny Zhou went shopping with a few older sisters.”

““Old Madam Zhou!” At this moment, a familiar voice suddenly sounded behind her.”

Granny Zhou turned around and saw that it was Auntie Wang.

“Auntie Wang!” Granny Zhou said in surprise.

“Auntie Wang smiled and said, “Old Madam, I really didn’t expect to see you here!” ”

““I didn’t expect it either.” Grandma Zhou continued, “Didn’t you say that you moved?” ”

““No! Who told you that?” Auntie Wang said, “I’ve always lived here.” ”

“Grandma Zhou was stunned for a moment. “Then maybe Jiayue made a mistake! By the way, how was the matter with your lover resolved last time? Did Ye Zhuo compensate you? If she doesn’t compensate you, tell me, and I’ll make the decision for you!” ”

“It was said that the people could not win against the officials, and the poor could not win against the rich.”

Granny Zhou was not afraid of Ye Zhuo!

“With her backing for Auntie Wang, she would definitely be able to get justice for Auntie Wang.”

“Granny Zhou thought that after she said these words, Auntie Wang would definitely be very grateful to her, but she did not expect.., auntie Wang actually said with a puzzled look, “Compensate? Compensate for what? Old Madam, you might have made a mistake! President ye is our family’s great benefactor, we can’t even thank her in time!” ”

Great benefactor?

Mother-in-law Zhou frowned.

Could it be that ye Zhuo had already given money to sister-in-law Wang?

“Sister-in-law Wang continued, “Old Madam, you still don’t know, right! It was all because of President Ye’s prescription that my wife recovered so quickly! We went to the hospital for a check-up. The Doctor said that my wife’s body has completely recovered and she will be like a normal person in the future.” ”

What?

Recovered?

Just like normal.

Auntie Wang’s wife actually recovered?

How was that possible!

She heard it wrong.

She must have heard it wrong.

Ma Jiayue had clearly told her that Auntie Wang had resigned because her husband’s condition had worsened. How could he possibly recover?

“”By the way, Old Madam, this is my wife, Su Qiang. This is my daughter, Su Xiaoqing.”Auntie Wang then introduced Su Qiang and Su Xiaoqing to Granny Zhou. ”

“Su Qiang said, “Hello, Old Lady.” ”

Su Xiaoqing also followed behind to say hello.

Granny Zhou was stunned.

“Looking at Su Qiang’s appearance, he really did not look like a diabetic. ”

Which diabetic could carry so many things?

What on Earth was going on?

“Granny Zhou could not react for a moment. She looked at Auntie Wang and said, “Since your wife has already recovered, why did you resign?” ”

“Resign? I didn’t resign! Old Madam, when I was working at Your House, you were so good to me. Why would I resign! Even if I wanted to resign, I would have told you in advance! How could you leave without saying anything?” Auntie Wang continued, “It was madam who said that there were too many servants in the house, so she didn’t allow me to come over! I wanted to go and say hello to You, but the housekeeper said that you weren’t at home during this period of time, so I didn’t go.” ”

“Granny Zhou stood rooted to the ground, her face alternating between green and white. ”

“At this point, she already understood what was going on. ”

There was no problem with ye Zhuo’s prescription.

The problem was Ma Jiayue.

“Thinking of her words and actions towards ye Zhuo in the theater, Granny Zhou’s face burned with pain, as if she had been slapped a few times. ”

It was her fault.

It was all her fault!

“If it wasn’t for her distrust of Ye Zhuo, she would be the one who had recovered!”

Chapter 1165: 252: a large-scale face-smacking scene! 1

“Granny Zhou stood rooted to the ground, unable to react for a long time.”

Her expression was also very ugly.

“Regret, discomfort, and all sorts of emotions were mixed together, and she could hardly breathe.”

She had been sick for decades.

“In her dreams, she wanted to be like a normal person and be able to cure diabetes.”

“However, she had personally given up this chance to cure diabetes!”

How could she not feel uncomfortable?

“Seeing her like this, auntie Wang asked, “Old Madam, Are You Alright?””

Granny Zhou did not say anything.

“Old Madam?” Auntie Wang waved her hand in front of Granny Zhou’s eyes.

“Only then did Granny Zhou React. The smile on her face was a little forced. “I’m fine, I’m fine.” ”

“After saying that, Granny Zhou continued, “Oh right, Auntie Wang, do you still have the prescription that Miss Ye gave you previously?” ”

“Of course, the prescription was there, but Auntie Wang could not give it to Granny Zhou. ”

What was the most important thing for a doctor?

“Of course, it was trust! ”

“However, Granny Zhou did not even have the most basic trust in ye Zhuo. She could not give the prescription to Granny Zhou on her own. ”

This was a form of disrespect to ye Zhuo!

“If it was not for Granny Zhou not trusting Ye Zhuo, she would have long recovered just like Su Qiang. ”

“Auntie Wang said, “I’m really sorry, Old Lady. After my wife recovered, Miss Ye took the prescription back. We don’t have the prescription in our hands now.” ”

“Granny Zhou wasn’t a fool. Of course, she could understand the hidden meaning behind Auntie Wang’s words. ”

It wasn’t Auntie Wang’s fault.

This wasn’t Auntie Wang’s fault at all.

She deserved it!

“If she were Auntie Wang, she would be the same as Auntie Wang.”

““It’s fine, it’s fine.”Grandma Zhou shook her head.”

“Auntie Wang continued, “Old Lady, we still have some matters to attend to, so we’ll be leaving first. Since we’ve already met you today, I won’t be going to your house.” ”

Auntie Wang was originally thinking of going to the Zhou family when she had time to greet Grandma Zhou.

“After all, when she was working in the Zhou family, Grandma Zhou had indeed treated her very well.”

One thing led to another.

One could not be ungrateful as a person.

Granny Zhou nodded. “Then you two can go back to your work first.”

Auntie Wang and Su Qiang left with their children.

“Granny Zhou looked at the backs of Auntie Wang and her family of three, unable to put on any expression.”

“After a moment, she let out a deep sigh.”

Over here.

“Su Qiang raised his head to look at Auntie Wang. “Her mother, isn’t that prescription at our house? Why did you say that Miss Ye took the prescription back?” ”

Auntie Wang told Su Qiang the whole story.

“Hearing that, Su Qiang nodded. “So that’s how it is! Then this old lady shouldn’t have. No wonder miss ye said that they don’t have any medical affinity.” ”

“After meeting Auntie Wang’s family of three, Granny Zhou didn’t even want to go shopping anymore and went straight home. ”

“The Butler noticed that her expression wasn’t right and asked carefully, “Old lady, are you feeling unwell? Do you want to invite Doctor Qian over to take a look?” ”

“Granny Zhou looked at the butler. “Let me ask you, did Aunt Wang really resign on her own?” ”

“She did not expect Granny Zhou to suddenly ask this. A layer of cold sweat appeared on the butler’s forehead. “Yes, it is said that her lover is not feeling well and wants to resign to take care of her lover.” ”

““If she is not feeling well, how many people who are not feeling well can go shopping?”Granny Zhou turned to look at the butler. ”

The Butler’s heart skipped a beat.

Not Good!

Look at the old lady. Did she see Auntie Wang?

““Butler Sun, tell me honestly. What’s going on?”Granny Zhou’s voice suddenly became stern. ”

“Butler Sun was so scared that his face turned pale. He quickly told her everything. “Old Lady, you really can’t blame me for this. It was madam who asked me to do this! I didn’t have a choice!” ”

“Although he was a butler, he still worked for someone else. ”

“When Ma Jia Yue asked him to do this, he didn’t dare to disobey.”

But now...

He was no longer human.

“As expected, it was Ma Jia Yue’s doing.”

Granny Zhou was so angry that her whole body was trembling.

“You can go down first.”

The butler bent down and walked out.

Granny Zhou went upstairs.

“Ma Jia Yue was lying on the rattan chair on the third floor’s balcony, applying a facial mask. “Mom, you’re back! Please help me get the essence, it’s the one on the cabinet next to me.” ”

“Ma Jia Yue had caused her to be in such a state, yet she was still in the mood to apply a facial mask!”

“Granny Zhou was already very angry, but when she saw this scene, she was so angry that her face turned pale.”

She grabbed the essence beside her and directly threw it on the ground.

PA —

The fragments scattered in all directions.

“The sudden sound of shattering shocked Ma Jia Yue. “Mom, what are you doing?” ”

“Granny Zhou pointed at Ma Jia Yue and said, “Ma Jia Yue, let me ask you, why did sister-in-law Wang resign?” ”

Chapter 1166: 252: a large-scale face-smacking scene! 2

Ma Jia Yue frowned.

Why did this old woman suddenly ask this?

Could it be that she had discovered something?

It shouldn't be!

She had clearly gone to the market with her last night...

“Ma Jia Yue continued, “Mom, didn't I tell you! It was because sister-in-law Wang's wife's illness worsened that she resigned and went home!” ”

“Hearing that, Granny Zhou couldn't contain her anger. She walked over and slapped Ma Jiayue's face. ”

“”Ma Jiayue! It's already so late, and you still don't know how to repent!” ”

Ma Jiayue covered her face. “Mom! What are you doing!”

“What Am I doing? It should be what you want to do!” Granny Zhou pointed at Ma Jiayue. “Is my mother-in-law’s life so worthless in your eyes? Do You Wish For me to die as soon as possible so that you can give up your position!”

“All these years, she had always treated Ma Jiayue as her own daughter. She didn’t expect that Ma Jiayue would harm her so much! ”

“Even though she knew that ye Zao’s prescription was effective, she still kept it from her! ”

Not even a slap could relieve her anger. Granny Zhou waved her hand and gave Ma Jiayue another slap.

“” Mom! What are you doing!” Zhou Yisheng walked in from outside and said angrily, “How could you hit Jiayue!” ”

“Seeing Zhou Yisheng, Ma Jianyue immediately cried, “Yisheng!” ”

“It’s okay.” Zhou Yisheng Protected Ma Jianyue.

“Mother-in-law Zhou pointed at Ma Jianyue and said angrily, “Ask her. Ask your good wife what she has done!” ”

“Ma Jianyue covered her face and said aggrievedly, “What have I Done? What have I done to make you hit me like this! When I was at home, my parents never hit me like this!” ”

“Zhou Ye Sheng frowned. “Mom! No matter what Jia Yue did, it’s wrong to hit her! How can you do this!” ”

Zhou Ye Sheng was a cultured person and hated people who hit others.

“Granny Zhou took a deep breath, then she said, “Ye Sheng, let me ask you, how many years have I had diabetes? All these years, I can’t eat or drink. I really want to become a normal person, but what about Ma Jia Yue! Ask Ma Jia Yue what she did.” ”

“Hearing this, Ma Jia Yue’s heart skipped a beat. ”

Not good.

Could it be that the old woman knew something!

“Zhou Yesheng sighed. “Mom, I know that you’re sick and uncomfortable, but your illness wasn’t caused by Jia Yue. What’s the use of hitting her?” ”

““If it wasn’t for her, I would have recovered long ago! All these years, I treated her like my own daughter, but what about her! She Can’t Wait for me to Die! How could our old Zhou family have such a vicious daughter-in-law...” ”

“At the end, Granny Zhou cried out bitterly. ”

Granny Zhou felt bad that her sincerity couldn’t be exchanged.

Zhou Yisheng frowned and turned to look at Ma Jianyue. “What’s going on?”

“Ma Jianyue felt a little guilty. “I, I don’t know either...” ”

“Granny Zhou said, “If she doesn’t say it, I’ll say it...” ”

““You were afraid that there was something wrong with Miss Ye’s prescription, so I won’t blame you if you don’t let me take it! After all, you were truly thinking of me! But you knew that Auntie Wang’s lover had already recovered, yet you still dismissed her behind my back! Let me ask you, what kind of heart do you have? Do you wish for my early death?” ”

“If it wasn’t for Ma Jianyue, she wouldn’t have offended ye Zhuo so much today at the theater!”

“The more Granny Zhou thought about it, the angrier she got.”

“After hearing the whole story, Zhou Yisheng was also extremely angry. Ignoring the injury on Ma Jiayue’s face, he raised his hand and gave Ma Jiayue a slap.”

“Ma Jiayue! You’ve gone too far!”

“Ma Jiayue was slapped to the ground, her face full of disbelief.”

“They had been married for so many years, but Zhou Yisheng had never hit her.”

This was the first time.

The Zhou family was in a mess because of this matter.

...

On the other side.

Shunxi Financial Group.

This year was the 50th anniversary of the Shunxi Financial Group.

“After the board meeting, everyone came to a consensus and decided to change the Shunxi Financial Group’s LOGO.”

“Elder Feng, who was sitting on the right, said, “I think it’s most appropriate for you to design the logo for Our Financial Group.” ”

“It’s naturally the best if we can invite shallow drink. I just don’t know if shallow drink is willing to take the job.”

Not to mention taking the job.

They were afraid that it would be very difficult to even see shallow drink.

Who was shallow drink?

She was an internationally renowned designer.

Shallow drink was the one who designed country P’s national seal.

“If they could invite shallow drink to design the consortium’s LOGO for them, it would be a supreme honor!”

““President Ye, what do you think?”Elder Qian looked at Ye Zao. ”

“At first, everyone thought that ye Zao was too small to hold up the front. ”

A month passed.

Chapter 1167: 252: a large-scale face-smacking scene! 3

Everyone was filled with confidence in ye Zhuo.

“On the other hand, Zhao Xueyin, the acting first seat, had unknowingly been neglected by everyone.”

Ye Zhuo raised his eyebrows slightly. “I...”

“Before she could finish her sentence, she was interrupted by Zhao Xueyin. “Elder Feng is right. Indeed, we should let Qian Zhuo design the logo for us. Please don’t worry about this matter. Leave it to me.” ”

“You?”Ye Zhuo raised his eyes slightly.

“Zhao Xueyin looked at Ye Zhuo. “Why? President Ye, are you afraid that I won’t be able to invite Qian Zhuo?” ”

“Are you sure you can invite her?”Ye Zhuo asked back.

“Zhao Xueyin put on a fake smile. “President Ye, you should worry about the Jiang Financial Group first before you worry about me!”After saying that, Zhao Xueyin looked at the board of directors, “Uncles, please rest assured. I have some friendship with Qian Zhuo. I will definitely be able to invite Qian Zhuo to design the LOGO for us.” ”

“Hearing that, everyone discussed animatedly. ”

They did not expect Zhao Xueyin to actually know shallow drinking!

That was shallow drinking.

The big shot who designed the national seal!

“”Xueyin, you’re the same. Why didn’t you tell us earlier that you knew shallow drinking! You Made US worried!” ”

Zhao Xueyin curled her lips slightly. “It’s not anything worth showing off.”

“Then I’ll leave this matter to you!”

“After the meeting ended, Ye Zhuo returned to his office and started to get busy. ”

“Ever since she agreed to cooperate with the Jiang Corporation, Ye Zhuo had become busier. When she got busy, she was practically deaf to everything outside the window. She didn’t even know when Cen Shaoqing had entered. ”

“Ye Zhuo just sat in front of his desk and lowered his head slightly. His eyes were serious. As long as he raised his head, he would be able to see her profile. Her slender eyelashes left a faint silhouette on the bridge of her nose. ”

She was as beautiful as jade.

“It was said that when a person was focused on doing something, he would attract the most attention and also be the most charming. ”

This sentence was most suitable for ye Zao.

“Cen Shaoqing raised his eyes slightly. “Leader, do you need help?” ”

“When did you come?”Ye Zao raised his eyes slightly.

Cen Shaoqing connected the Buddha beads. “Just now.”

“Ye Zao continued, “Pour me a glass of water.” ”

“Right away.”Cen Shaoqing placed the Buddha beads on the table and got up to pour ye Zao some water.

“A moment later, Cen Shaoqing’s voice came from the inside. “Leader, do you want to add lemon slices?” ”

“”Yes.”Ye Zao continued, “Remember to add more honey.” ”

“Okay.”

Cen Shaoqing transformed into a small assistant and made ye Zao a cup of Lemon Honey Water.

“After a while, Cen Shaoqing placed the cup on the table. “Leader, drink some water.” ”

“Ye Zhuo picked up the cup and took a sip of water. “Also, take this to print out a copy.” ”

“Okay.”Cen Shaoqing picked up the document without any complaints.

The printing room was on the first floor.

Cen Shaoqing’s appearance caused everyone to discuss animatedly.

“”Oh my God, he’s so handsome! When did our consortium get such a top-notch product?” ”

“The uniform is so tempting!”

“Who wants a Wechat?”

“”Rock, paper, scissors, whoever wins will go!” ”

“At this moment, a long-haired woman came over with a document. “Save it! You’re still thinking about wechat! Do you know who he is?” ”

“Who is it?”

“Isn’t he an employee of our consortium?”

“The long-haired woman continued, “He’s President Ye’s boyfriend, Cen Fifth Master.” ”

““F * ck! Cen Wuye! The Cen family, the number one family in China?” ”

““That’s right, it’s that Cen Family!” ”

“Oh my God! These two people are too compatible!”

“I heard that Cen Wuye doesn’t marry and is a vegetarian. It seems that rumors can not even be believed in punctuation!”

“You’re not alone! I also heard that Cen Wuye doesn’t marry.”

““President Ye is so beautiful. Not to mention Cen Wuye doesn’t marry, even if Cen Wuye is a real monk, he would still be tempted, right?” ”

““That’s right! If I were a man, I would also chase after Miss Ye!” ”

““Oh right, if he’s Cen Wuye, why would he appear in the printing room?” ”

“What’s so bad about being in the printing room? I just saw him go to the finance department! It looks like he’s doing odd jobs for President Ye!”

Odd Jobs?

Cen Wuye was actually doing odd jobs for Shunxi Financial Group!

“Damn, what kind of godly love is this?”

“How doting!”

“The tyrannical president turned into an odd jobs assistant? I want to have such a boyfriend too.”

“I’m so envious of President Ye!”

“Everyone spoke one after another, and their words were filled with envy for Ye Zhuo.”

That was Cen Wuye!

It had always been others who did odd jobs for Cen Wuye. When had Cen Wuye ever been so willing to do odd jobs for others?

Chapter 1168: 252: a large-scale face-smacking scene! 4

Zhao Xueyin happened to pass by.

“Hearing these words, her eyes were full of sarcasm.”

Ye Zhuo was only worthy of such a person!

A real man would disdain to bend down and do chores for a woman.

An imposter was an imposter.

“After all, he was not the real master five.”

“A man like Cen Shaoqing, who had no manliness at all, was not worthy of calling himself master five.”

“Although the Cen family was the number one family in China, compared to master five of DK Consortium, the gap was not small.”

DK consortium was number one in the international rankings.

The Cen family was only the number one family in China.

These two people were incomparable!

“Xueyin.” At this moment, Si Lui’s voice sounded from behind. ”

“Zhao Xueyin looked back slightly, “Big Brother Si.” ”

“The lawyer continued, “Why did you come to the first floor?” ”

“I heard from your Linda that you were on the first floor, so I came,” Zhao Xueyin said. ”

“Hearing that Zhao Xueyin had come to look for him, the lawyer was a little excited. “Then let’s go up and talk?” ”

“Yes.” Zhao Xueyin nodded and followed the lawyer to the elevator.

“Before the two of them turned around, there was a discussion behind them. ”

It was probably something about how Miss Zhao and chairman Si were a good match.

Zhao Xueyin furrowed her brows without a trace.

A match?

Were they blind?

How could the lawyer be a good match for her!

The lawyer's lips curled up slightly. His eyes were filled with joy as he looked at Zhao Xueyin from the corner of his eyes.

"It was likely that girls were more reserved, so there was no obvious change in Zhao Xueyin's expression."
"

Ding —

The elevator door opened.

The two of them walked in.

The lawyer's office was on the 57th floor.

"Soon, the elevator stopped on the 57th floor. "

The lawyer pressed the elevator door with his hand.

“After Zhao Xueyin walked out of the elevator, the lawyer walked out.”

He came to the lawyer’s office.

The lawyer personally made a cup of tea for Zhao Xueyin.

“Zhao Xueyin took a sip of tea and said, “Brother Si, I came to look for you because I want to ask you for a favor.” ”

“Go ahead.”

“Zhao Xueyin continued, “I heard that you know shallow drink, right?” ”

How would she know shallow drink.

The person who really knew shallow drink was Si lui.

““I don’t know shallow drink, but a friend of mine has worked with him before.” Although si lui didn’t attend the board meeting, he could see what Zhao Xueyin was thinking. “You want to ask shallow drink to design our LOGO?” ”

““Yes.” Zhao Xueyin nodded. “Brother Si, can you help me?” ”

“If Zhao Xueyin wanted to work with Qian you, she had to find a connection. ”

The lawyer was the only connection she could think of.

“Although the lawyer didn’t know Qian You, he could at least help contact Qian you. ”

“The lawyer smiled and said, “Sure.” ”

“Really?” Zhao Xueyin said excitedly.

“Of course!” Si lui nodded.

“As long as it was Zhao Xueyin who suggested it, he would not hesitate.”

“With Si Lui’s words, Zhao Xueyin was relieved. She stood up and said, “Big Brother Si, I’ll leave it to you.” ”

“Si lui smiled and said, “It’s my pleasure.” ”

“After Zhao Xueyin left, Si lui sent a message.”

“An hour later, Si lui appeared in a teahouse.”

““Brother Yu! Over Here!” When he saw the lawyer, a young man sitting by the window waved at him excitedly.”

The young man sitting by the window looked to be about 23 or 24 years old. He had dyed yellow hair and had earrings of the same color on his ears. He looked a little sloppy.

The lawyer walked over. “Wenhao.”

“Yang Wenhao smiled and said, “Brother Yu, why are you in such a hurry to call me out? Is there something urgent?” ”

“The lawyer said, “It’s just a small matter.” ”

Yang Wenhao reached out and poured a cup of tea for the lawyer. “Go ahead.”

The lawyer did not beat around the bush and went straight to the point. "I want to ask you for a favor."

A favor?

That was really rare!

"All his life, he had always been the one asking for the lawyer's help. The lawyer had never asked for his help before. "

"Yang Wenhao continued, "Brother Yu, don't joke with me! If you can't even solve the problem, how can I solve it?" "

"Only you can solve this problem!"The lawyer said.

"Tell me about it."Yang Wenhao took a sip of tea.

"The lawyer looked at Yang Wenhao and said, "I heard that you've worked with Qian you before, right?" "

"En."Yang Wenhao nodded.

"I want you to help me introduce Qian You,"the lawyer said. "

Introduce Qian You?

"Yang Wenhao seemed to suddenly remember something, "Did Zhao Xueyin ask you to come?" "

Qian Zhu was a designer.

“Soon, it would be the 50th anniversary of the Shunxi Financial Group. Zhao Xueyin wanted to ask Qian Zhu to design a new LOGO, but she didn’t have any connections, so she could only find a lawyer. ”

Chapter 1169: 252: a large-scale face-smacking scene! 5

“In the past few years, whenever the lawyer wanted to look for him, it was mostly because of Zhao Xueyin. ”

This time was definitely no exception.

The lawyer did not hide anything and nodded. “Yes.”

“Yang Wenhao frowned. “Brother Yu, actually, if you didn’t come looking for me, I would have wanted to talk to you too. I’ve met Uncle.” ”

“Hearing the word ‘uncle’, Si Lui’s expression turned ugly. ”

Si lui was very clear about what old master Jin had said to Yang Wenhao.

“Yang Wenhao continued, “Brother Yu, let bygones be bygones. I can tell that uncle is very regretful now. He doesn’t feel good either! “It’s been three years. Let’s go back! “Don’t let Uncle Worry.”What had happened that year.., yang Wenhao did not know. ”

“But he saw how Old Master Jin, an old man in his seventies, said that his eyes were red in front of him. It was really not easy. ”

Si lui looked up slightly. “You want to be his lobbyist?”

“Seeing si lui like this, Yang Wenhao sighed. “Brother Yu, he is your father after all.” ”

“Si Lui’s eyes were already filled with impatience. “Wenhao, you are not me. You will never know what I have experienced.” ”

Don’t try to persuade others to be kind without going through the hardships of others.

“If Yang Wenhao had experienced what he had been through, would he still say these words? ”

“Yang Wenhao continued, “Brother Yu, let’s talk about Zhao Xueyin.” ”

Si lui did not say anything.

Yang Wenhao deliberated over the words in his heart. “I feel that you’re not suitable for her. She’s not worthy of your liking.”

““You’re wrong.”Si lui looked up at Yang Wenhao. “If I’m not worthy, it’s because I’m not worthy of her.” ”

He had always been the one who was not good enough for Zhao Xueyin.

He was very glad that Zhao Xueyin had him in her heart.

“Although neither of them had broken through that layer of window paper, the lawyer knew that the feelings that he and Zhao Xueyin had for each other were mutual. ”

They both had each other in their hearts.

“Sometimes, even if they liked each other, they did not have to say it out loud. ”

“This way, the lawyer was a little too humble. ”

“Yang Wenhao frowned, “Brother Yu, wake up. The person Zhao Xueyin likes is not you. No matter how much you help her, she won’t look at you anymore. She is using you, your talents, and your connections!” ”

It was said that the IQ of a person who was in love was 0.

“Yang Wenhao did not believe this sentence in the past, but he believed it now. ”

That was because Si lui had always been a smart person.

Only in this matter did he make a mistake.

His cleverness was mistaken by his cleverness.

He thought that Zhao Xueyin was like him and loved him deeply.

“In fact, Zhao Xueyin was using him. ”

“Si Lui’s expression did not change, but there was a layer of dark clouds in his eyes. He raised his head and looked at Yang Wenhao. “Are you done?” ”

Yang Wenhao was stunned.

“Si lui continued, “If you’re not willing to help, I can find someone else.” ”

“In Si Lui’s network, Yang Wenhao was not the only one who had worked with Qian You. ”

“Yang Wenhao quickly said, “Brother Yu, don’t be angry! We’ve been brothers for so many years. Don’t tell me we have to fall out over a woman?” ”

“In my heart, Xueyin is not as simple as a woman.” Si Lui’s expression was serious. ”

She was still his confidant.

Zhao Xueyin’s position in his heart was something that no one could replace.

He would not allow anyone to insult Zhao Xueyin.

“Seeing that he was so serious, Yang Wenhao continued, “Brother Yu, I have already said that no matter what you do, I will support you unconditionally! I hope that you will not regret it in the future.” ”

Regret?

It did not exist!

Zhao Xueyin would make her regret it?

That was impossible!

“Hearing that, Si Lui’s expression softened, “Thank you. “Please believe me as well. Xueyin is not the kind of person you think she is. She is the kindest girl I have ever met. If you don’t believe her, it is useless for me to say anything more! “Time will tell. You will understand in the future.” ”

Time will prove everything.

“One day, those who misunderstood Zhao Xueyin would personally apologize to Zhao Xueyin for their previous actions. ”

“Yang Wenhao smiled and said, “If there really is such a day, I’m looking forward to it.” ”

Zhao Xueyin would really not disappoint the lawyer?

The lawyer's expression was firm. "There will definitely be."

"Yang Wenhao did not continue this topic. "Alright, let's not talk about this anymore. Brother Yu, you just asked me to organize a recommendation for you, right?" "

"Yes." Si Lu nodded.

"Yang Wenhao continued, "To tell you the truth, I have never met drink a little." "

Si Lu frowned slightly. "Didn't you two work together before?"

"Yang Wenhao said, "We did work together before, but it was all done by drink a little's assistant, Rebecca. Rebecca and I are very familiar with each other. I can try to contact Rebecca." "

Chapter 1170: 252: a large-scale face-smacking scene! 6

"Sure."

"At this moment, the waiter brought in two more guests."

A man and a woman.

The man was wearing a long robe with a string of Buddhist beads in his hand.

The woman was wearing a beige coat and a pair of black Martin boots. She looked very imposing.

“Yang Wenhao asked curiously, “Brother Yu, this is president ye who just came from your consortium, right?””

Si lui looked up.

Ye Zhuo?

Why did ye Zhuo come?

And he came to the same teahouse as him.

Was it really like what Zhao Xueyin said...

That Ye Zhuo was a sea king?

“It’s her.” Si lui nodded.

Yang Wenhao clicked his tongue. “She’s really pretty. I heard that she’s also pretty. Even Zhao Xueyin was defeated by her.”

Although ye Zhuo had only returned to the Shunxi Consortium for a month.

“However, the rumors about her had already spread to several financial groups.”

“The more beautiful something is, the more deadly it is.” Si lui took a sip of tea and said, “If it weren’t for men, Ye Zhuo wouldn’t be where she is today.””

Ye Zhuo’s Perfect Plan C wasn’t created by Ye Zhuo himself at all.

“She had Cen Shaoqing as her backer, so why would she do it herself?”

Ye Zhuo and Zhao Xueyin were different.

Zhao Xueyin had gotten to where she was today by relying on her own strength.

“Previously, Ye Zhuo had wanted to use the elevator incident to rope him in.”

“Fortunately, he had seen ye Zhuo’s true colors in time, so he did not make a huge mistake.”

“Otherwise, if he hurt Zhao Xueyin because of this, he would never forgive himself for the rest of his life.”

“After the elevator incident, Ye Zhuo did not give up on continuing to rope him in.”

The meeting at the Teahouse Today was definitely not a coincidence.

“Thinking of this, Si Lui’s eyes were filled with disgust.”

“Thinking of how Zhao Xueyin was actually being suppressed by such a person, Si Lui’s heart felt even more uncomfortable.”

“Yang Wenhao raised his head to look at ye Zao who was sitting in front and said in disbelief, “Relying on a man to get to the top? Are you sure?””

He did not see ye Zao as the kind of person who relied on a man to get to the top.

Although she was a little young.

Her aura was not small at all.

“In the crowd, she stood out like a phoenix among a flock of chickens.”

She had a very pure beauty about her.

This kind of beauty was something that ordinary people did not have.

It was brought out from her bones and could not be replicated by others.

“Si lu frowned, “Why do you prefer to believe that ye Zhuo is not that kind of person than to believe Xue Yin?””

Could it be that Zhao Xueyin was worse than ye Zao?

“Yang Wenhao wasn’t afraid of Si Lu’s anger and said directly, “It’s obvious that President Ye and Zhao Xueyin aren’t the same type of person. They can’t be compared! Brother Yu, do you have some misunderstanding about President Ye?””

“Do you know ye Zao? is that what you’re saying?”Si Lu asked back.

Yang Wenhao scratched his head. “I just feel that she doesn’t seem like the type of person who relies on men to get to the top.”

““You’re too young.”Young, inexperienced, and inexperienced. That was why he couldn’t see through people’s hearts.”

“If Yang Wenhao was in his shoes, he would have been deceived by ye Zao long ago.”

““No, brother Yu.”Yang Wenhao continued, “I don’t think ye Zao is that kind of person.””

The lawyer couldn't be bothered to say anything more to an idiot like Yang Wenhao.

This kind of person deserved to be deceived!

"Lawyer si stood up and said, "I'll have to trouble you with the matter of Qian Zhuo. I still have something to do, so I'll be leaving first.""

"Yang Wenhao nodded. "Leave it to me. Based on my relationship with Rebecca, it shouldn't be anything difficult.""

""Okay." Lawyer si continued, "Remember to call me if you have any news.""

"Okay."

"Looking at lawyer Si's back view, Yang Wenhao's eyes were filled with worry."

The lawyer liked Zhao Xueyin too much.

"As the saying goes, the greater the hope, the greater the disappointment."

Yang Wenhao was worried that one day the lawyer would see Zhao Xueyin's true colors and would not be able to accept reality.

"Thinking of this, Yang Wenhao laughed at himself."

"Zhao Xueyin's acting was so good, whether the lawyer could see the truth or not was still a question."

On the other side of the teahouse.

“Cen Shaoqing and Ye Zhuo had just left the private seat of the teahouse when Old Master Jin stood up from his chair. “Fifth master, Miss Ye.””

“Old Master Jin.”Cen Shaoqing twirled the Buddhist beads and nodded slightly.

Ye Zhuo also greeted them from behind.

“Old Master Jin continued, “Fifth Master, Miss Ye, please take a seat.””

The two of them sat down opposite Old Master Jin.

“Old Master Jin had someone serve tea before he slowly said, “Fifth master, Miss Ye, I’ve invited the two of you here today because I have something to ask of you.””

“Please speak.”Cen Shaoqing opened his thin lips.

Old Master Jin sighed. “I’m not afraid that you two will laugh at me! It’s all my fault for raising such a disappointing son...”
