

Almighty D 1171

Chapter 1171: 252: a large-scale face-smacking scene! 7

“An hour later, ye Zhuo and Cen Shaoqing walked out of the teahouse. ”

* *

Time passed very quickly.

“In the blink of an eye, the next day arrived. ”

Today was the third day of cooperation between Ye Zhuo and Shunxi Financial Group.

“Jiang Chao originally thought that after cooperating with Ye Zhuo, the Jiang Financial Group would definitely come back to life. ”

“However, he didn’t expect that after using ye Zhuo’s plan, not only would the financial group not come back to life, but they would also lose all the funds invested over the past few days! ”

The shares of the Jiang Consortium fell again and again.

Jiang Chao was extremely anxious.

“The shareholders of the Jiang Consortium couldn’t sit still any longer, and they all shouted that they wanted to withdraw their funds. ”

“Jiang Chao immediately contacted ye Zhuo and dialed her office landline. “Hello, is this President Ye?” ”

“President Ye isn’t here right now. I’m her secretary, Millet. If there’s anything, just tell me.” Millet’s voice came from the other end of the phone. ”

“Jiang Chao told Millet the whole story. “When President Ye comes back, ask her to give me a call.” ”

“Okay.” Millet said.

Millet had just hung up the phone when Ye Zhuo walked in from outside. Millet immediately reported the situation to Ye Zhuo.

“Hearing this, Ye Zhuo’s expression was indifferent as if he didn’t take this matter to heart. “Okay, I got it. You can go out first.” ”

“Alright.” Milai nodded.

“Ye Zhuo returned the call to Jiang Chao. “Uncle Jiang, is it?” ”

“Hearing Ye Zhuo’s voice, Jiang Chao seemed to have suddenly found his backbone. “President Ye!” ”

“I heard that some of the old shareholders are withdrawing their capital?” Ye Zhuo continued to ask.

“Yes.” Jiang Chao said, “President Ye, what should we do now?” ”

“Ask them to withdraw.”

Ask them to withdraw?

“Jiang Chao paused for a moment and said, “President Ye, are... Are You Sure?” Almost half of the shareholders wanted to withdraw their capital. The consortium was an empty shell to begin with, and this move would very likely affect the DAO Shunxi consortium. ”

“En.”

Jiang Chao asked again with some uncertainty.

“Ye Zhuo’s voice then came from the microphone, “Do as I say. If anything happens, I’ll take responsibility.” ”

“His tone was faint, but it had a penetrating power that was tinged with a biting cold. ”

“After saying that, Ye Zao hung up the phone. ”

“A moment later, ye Zao dialed the Secretary’s internal line again. “Ally, inform all the executives who are participating in the Jiang Financial Group’s plan to come to the 58th floor for a meeting in 10 minutes!” ”

““Yes, President Ye.” ”

Zhao Xueyin’s office.

“Miss Zhao!”

Annie hurriedly walked in from outside.

“What’s Wrong?”Zhao Xueyin looked up

“Annie continued, “Something big happened over at President Ye’s side!” ”

Zhao Xueyin narrowed her eyes. “What do you mean?”

“It’s about the Jiang Financial Group!” Annie said, “I heard from Millet that there’s a loophole in President Ye’s plan. He’s holding an emergency meeting right now! He’s calling all the higher-ups who participated in the Jiang Financial Group over!” ”

“Is that so?”

“Annie nodded, “Millet said that this matter is very troublesome. The Jiang Financial Group has already withdrawn a large number of old shareholders. President ye is currently thinking of a way to remedy it!” ”

“Just wait.” Zhao Xueyin looked up at the window. The corners of her mouth were full of ridicule. “The good show is yet to come!”

Remedy?

How?

How could someone like Ye Zhuo save the Jiang Financial Group?

It was simply impossible!

This was just the beginning.

“In the blink of an eye, another day had passed. ”

“The next morning, Zhao Xueyin had just arrived at her office when Annie rushed up to her. “Miss Zhao! President ye is waiting for you in the Office!” ”

Ye Zhuo was waiting for her in the office?

Zhao Xueyin’s lips curled up slightly.

She knew that ye Zhuo would definitely come and beg her personally.

But she did not expect that this day would come so quickly.

Chapter 1172: 253: a strong comeback. He was panicking. Ye Zao was just drinking lightly! 1

Zhao Xueyin really didn't expect this day to come so quickly.

"After all, it had only been one day since the old shareholders of the Jiang Financial Group withdrew their capital."

"It had only been one day, and Ye Zao couldn't hold on anymore?"

Zhao Xueyin thought that ye Zao could hold on for eight to ten days before coming to beg her again!

Was that all ye Zao could do?

"But thinking about it, it was normal. Ye Zao could have anything he wanted, except for relying on a man."

"Yesterday, when CEN Shaoqing was in the financial world, Cen Shaoqing could still help her. Now that Cen Shaoqing had just left the financial world, she was in a complete mess."

"Thinking About Ye Zao's miserable face when he begged her, Zhao Xueyin's eyes were filled with joy."

Ye Zao also had this day!

“Seeing that Zhao Xueyin stood there without moving for a long time, Annie reminded her, “Miss Zhao, president ye is waiting for you in the Office!” ”

“I got it.” Zhao Xueyin recollected her thoughts and walked into the office.

“When she pushed open the office door, Ye Zao was indeed inside. ”

Ye Zao’s back was facing the door as he stood in front of the French window. His waist was very straight.

“The golden morning sun shone through the glass from the outside, coating her body with a shallow halo. ”

“Although her face couldn’t be seen, a unique and powerful aura erupted from her body, making people unable to catch up to her. ”

Zhao Xueyin narrowed her eyes.

“No matter what, a disgusting person always emitted a disgusting smell. ”

“Zhao Xueyin snorted coldly, walked to the desk, sat down, opened the folder, and looked up at Ye Zao. “May I know why President Ye is looking for me?” ”

At the same time.

Zhao Xueyin counted down to three in her heart.

“Three, two, one! ”

Just you wait!

The next second.

Ye Zhuo would be begging her with tears streaming down his face.

She was looking forward to the next scene.

The corners of Zhao Xueyin's lips curled up.

"Hearing this, Ye Zhuo turned around slightly. His clear eyes and brows appeared in the air. He looked at Zhao Xueyin and said coldly, "Miss Zhao, it's already 9:10." "

Zhao Xueyin was stunned.

9:10 am?

This was a little different from what Zhao Xueyin had imagined.

Shouldn't Ye Zao be crying bitterly and begging me to help her?

"However, not only did ye Zao not cry bitterly, he even looked so high and mighty. "

Ye Zao was begging for help?

Did Ye Zao know that she was the only one who could save the Jiang Financial Group NOW!

"As long as she was unhappy, she could destroy ye Zao's reputation in the financial world and make him unable to establish himself! "

A Fool was a fool.

She didn't have the slightest discernment.

"So?" Zhao Xueyin looked up at Ye Zao.

She wanted to see what tricks Ye Zao was going to play.

"Ye Zao continued, "You start work at 9 am. Miss Zhao, you're already 10 minutes late." "

10 minutes late?

Could it be that Ye Zhuo still wanted to pursue the matter of her being late?

She was simply a dead pig that wasn't afraid of boiling water!

"Even at this time, Ye Zhuo still dared to use such an attitude to talk to her. "

"Zhao Xueyin narrowed her eyes. "Then President Ye, don't you know that when you beg someone, you should act like you're begging someone?" "

With Ye Zhuo acting like this?

Who would help her?

It was simply laughable!

"As she finished speaking, Zhao Xueyin leaned back on the chair and crossed her arms in front of her chest, she said with an aloof manner, "President Ye, we're all from the same financial group. You're also elder Ye's descendant. For the sake of elder Ye, I won't lower myself to your level regarding what happened just now. "If you kneel down and beg me now, perhaps I'll consider helping you." "

“Next, they just had to wait for ye Zao to kneel down.”

“Zhao Xueyin curled her lips, her eyes filled with pride.”

The anger that she had been holding back during this period of time had disappeared completely at this moment.

Ye Zao just looked at Zhao Xueyin without any expression on his face.

PA —

The next second.

A stack of documents was thrown in front of Zhao Xueyin.

The documents looked very light.

“However, they were thrown on the table with a lot of force.”

“Zhao Xueyin did not expect ye Zao to do this. She was stunned at first, then she frowned and looked up at Ye Zao.”

Throw the documents?

He actually dared to throw the documents in front of her?

Was she crazy?

These documents were definitely the consent forms for the Jiang Financial Group's proposal.

"If ye Zao wanted her help, he needed her to sign the consent forms."

"Since he wanted her to sign it, how dare he throw the document in front of her?"

Did Ye Zhuo really think that she could do whatever she wanted just because she was a descendant of the Ye Family?

That old man from the Ye family had long died!

What was the current ye Zhuo?

"In front of her, Ye Zhuo was not even a finger of hers."

"President Ye, what does this mean?" Zhao Xueyin asked despite knowing the answer."

"Ye Zhuo continued, "Did you sign all these documents?" "

Chapter 1173: 253: a strong comeback. She was panicking. Ye Zhuo was just drinking lightly! 2

It was a very simple sentence.

But it was loud and clear.

Words?

What Words?

Zhao Xueyin was stunned again.

Something didn't seem right.

"Didn't Ye, Ye Zhuo come over to ask for her help? "

Weren't these documents the Jiang Financial Group's consent forms?

Zhao Xueyin quickly picked up the documents that were thrown on the table.

"There were three documents in total, and they had nothing to do with the Jiang Financial Group. They were all signed with her name and her seal. "

The date was three days ago.

"I signed them. What's Wrong?" Zhao Xueyin raised her head.

She wanted to see what tricks Ye Zhuo was trying to pull.

"Ye Zhuo slowly said, "Think of a way to fix the funding loophole on them. Then, go to the board of directors and explain yourself." "

"After saying this, Ye Zhuo turned around and left. "

What?

Funding loophole?

Zhao Xueyin picked up the document again and looked at it carefully.

When she looked at it.

Her face turned pale.

“How, how could this be?”

How could there be so many loopholes in these three documents? Why didn't she notice it when she personally did it?

She lost a total of 30 million.

“Normally, 30 million was nothing to Zhao Xueyin.”

But it was different now.

The Day of the Jiang Financial Group's chief election was coming up.

She couldn't afford to make any mistakes.

“Once the people on the board of directors knew about this, she wouldn't even be qualified to run for the chief election.”

On purpose.

Ye Zao did it on purpose.

“She deliberately took out these things at this time, so that she wouldn’t run for the election.”

“After all, she was ye Zhuo’s only competitor.”

“If she could not participate in the election, then ye Zhuo would have nothing to worry about.”

“Ten minutes ago, Zhao Xueyin was very pleased with herself, but now, Zhao Xueyin was very anxious.”

What should she do now?

Zhao Xueyin’s body was covered in cold sweat as she tried to calm herself down.

“At this moment, Zhao Xueyin suddenly thought of the lawyer.”

Yes.

And Si Lui.

“Si lui liked her so much, he would definitely think of a way to help her.”

“Now, the only person who could help her was Si lui.”

“Zhao Xueyin took out her phone and dialed Si Lui’s number. Her voice trembled as she said, “Big Brother Si, can you come up now?” ”

“Hearing that Zhao Xueyin’s voice was not right, Si lui hurriedly said, “Xueyin, don’t worry, I’ll come up right away.” ”

“After hanging up, the lawyer threw away the things he was doing and took the elevator to the 58th floor. He jogged all the way to Zhao Xueyin’s office.”

“Chairman Si!”

“Before Annie could react, the lawyer had already pushed the door open and entered. ”

Annie scratched her hair.

“The lawyer came to the office and asked nervously, “Xueyin, what happened?” ”

“When she saw lawyer si, Zhao Xueyin calmed down a little. She stood up and handed the documents on the table to lawyer Si. “Brother Si, take a look at this.” ”

“Lawyer si reached out to take it. When he took a look, his expression changed. “Xueyin, did you sign all these?” ”

There was obviously something wrong with these documents.

“Under normal circumstances, Zhao Xueyin should not have made such an obvious mistake. ”

“Zhao Xueyin frowned. “I don’t know what’s going on either. I don’t remember signing these words, but the handwriting and seal are indeed mine...” ”

“At the end of her sentence, Zhao Xueyin’s eyes turned slightly red, but she still held back her tears to prevent them from falling. ”

““Xueyin, don’t worry.”The lawyer continued to ask, “Who brought these documents to you?” ”

“Zhao Xueyin said, “It was ye Zhuo who took them.” ”

“Ye Zhuo?”Si lui frowned. “It’s Ye Zhuo again.”

It was obvious.

Zhao Xueyin had been schemed against by Ye Zhuo.

Ye Zhuo must have gotten someone to imitate Zhao Xueyin's handwriting.

"At the moment, the signature had been signed, the seal had been stamped, and the plan had been carried out."

Zhao Xueyin had no choice but to accept this loss.

It seemed that he had underestimated ye Zhuo.

Si Lu did not expect ye Zhuo to make a move on Zhao Xueyin.

And he did it in such an unspeakable manner!

"Unfortunately, they did not have any evidence to prove that ye Zhuo was the one who had done this."

"Zhao Xueyin's face was full of worry. "Big Brother Si, it's going to be the day of the chief election soon. What do you think I should do?" "

"Xueyin, you've never signed these words before!" Si lui turned to look at Zhao Xueyin with a firm gaze.

"

"What?" Zhao Xueyin was stunned and couldn't react for a moment.

"Si lui continued, "These words were signed by me. It has nothing to do with you." Now was the crucial moment for Zhao Xueyin to advance to the chief. She couldn't make any mistakes."

“No matter what, he had to protect Zhao Xueyin!”

“Zhao Xueyin said, “Big Brother Si, I know you want to help me, but these are all my signatures. They have nothing to do with you...””

Chapter 1174: 253: a strong comeback. He was panicking. Ye Zhuo was just drinking lightly! 3

“Si lui placed his hands on Zhao Xueyin’s shoulders, “Xueyin, listen carefully! I signed all the words on this! I signed your name on your behalf. You have no idea about this at all! As for the board of directors, I will explain it to them!””

“As long as he could protect Zhao Xueyin, he was willing to do whatever it took.”

Hearing this.

Zhao Xueyin heaved a sigh of relief.

The lawyer’s backup plan was finally working.

She was really afraid that the lawyer would be indifferent.

“Although she thought so in her heart, Zhao Xueyin still pretended to reject him, “No, brother Si, this matter has nothing to do with you! I can’t be so selfish! You Can’t do this!””

Zhao Xueyin was still so kind.

“If it were anyone else, they would definitely be eager to make him take the blame.”

But Zhao Xueyin said that she couldn't be so selfish.

He knew that he had chosen the right person.

"Unfortunately, Yang Wenhao didn't see this scene."

"Thinking of how Yang Wenhao had slandered Zhao Xueyin yesterday, Si Lui's eyes showed some hostility."

"One day, Yang Wenhao would repent for his words and actions and personally apologize to Zhao Xueyin!"

"Zhao Xueyin looked at Si lui from the corner of her eyes, she said, "Big Brother Si, I will bear the consequences of my own actions! I know you want to help me, but I won't accept your help! I Can't let you pay for my mistake. The consequences of this matter are not as simple as you think.""

"Si lui turned to look at Zhao Xueyin and continued, "Xueyin, this matter has nothing to do with you. Ye Zhuo was the one who set you up. If it weren't for her, you wouldn't have signed this document!"Si lui knew Zhao Xueyin very well, she had never been such a careless person."

All of this was ye Zhuo's conspiracy!

"Ye Zhuo first took away what belonged to Zhao Xueyin, and now he used such an underhanded method."

"If he had not seen it with his own eyes, even the judge himself would not have believed that there was such a shameless person like ye Zao in this world."

"For fame and fortune, he simply had no bottom line!"

No one knew how Cen Shaoqing fell in love with Ye Zao.

“The outside world said that CEN fifth master was a dragon and Phoenix among men, resourceful and resourceful.”

He saw that Cen Shaoqing was only so-so.

“If Cen Shaoqing was really that powerful, then he would not have been kept in the dark by Ye Zao.”

“Zhao Xueyin sighed, “Although it was ye Zao who set me up, it’s my fault for being too stupid and not being able to see through Ye Zao’s scheme! “Brother Si, forget it. I admit defeat this time! “The Shunxi Financial Group was originally under Elder Ye’s control. It’s only normal for it to be returned to ye Zao!””

““If it wasn’t for uncle, would elder ye be able to do it by himself? Xueyin, you don’t owe ye Zao Anything! It was ye Zao who stole what originally belonged to you!”Speaking up to this point, the lawyer emphasized, “I’ve already said that these words were signed by me, it has nothing to do with you!””

“If it wasn’t for ye Zao, Zhao Xueyin wouldn’t even have to participate in the election.”

She was the rightful heir of the Shunxi Financial Group.

It was ye Zao who wanted to interfere.

“It was one thing for him to interfere, but now he was using such shameful methods!”

“Zhao Xueyin looked at the lawyer and continued, “But this has nothing to do with you! I Can’t let you bear the false accusation!””

““Xueyin, do you still treat me as your confidant?”The lawyer looked at Zhao Xueyin.”

““Of course!”Zhao xueyin nodded and said, “You will always be my confidant!””

“The lawyer continued, “If you still treat me as your confidant, then listen to me!””

“But...”Zhao Xueyin frowned.

““No buts! Do As I say.”After saying that, the lawyer picked up the documents on the table, “From now on, this matter has nothing to do with you. I will explain it to the board of Directors.””

““Big Brother Si!”Zhao Xueyin grabbed the lawyer’s hand, her eyes sparkling.”

“The lawyer smiled at Zhao Xueyin, “Xueyin, you’re different from me. You’ll be the chief of Shunxi Financial Group in the future, and I’ll be the chairman of the board. A financial group can have no chairman, but it can’t have no chief.”It was just like how a country couldn’t have no ruler for a day.”

“At this point, si lui paused, “Or, Xueyin, are you willing to let ye Zhuo take everything that belongs to you just like that? Don’t you want to prove to uncle that girls are not worse than boys?””

““Even if I want to prove myself, I can’t Drag You Down With Me! Big Brother Si... i... I Can’t do this. This is too selfish!”Zhao Xue Yin said.”

“Si lui looked at Zhao Xue yin and said, “I did all this for you willingly.””

Chapter 1175: 253: a strong comeback. Ye Zhuo was panicking! 4

““Brother Si,”Zhao Xueyin shook her head and said, “It’s not worth it! It’s really not worth it!” ”

Zhao Xueyin knew lawyer si very well.

“The more she refused, the more lawyer Si wanted to help her. ”

“If she did not say anything and just accepted lawyer Si’s help, lawyer Si would definitely be suspicious.”

“Therefore, this scene had to be acted out well!”

“As expected, the next sentence of the lawyer was, “It’s worth it! Xueyin, I feel that whatever I do for You is worth it! In this world, no one is more worth it than you!” ”

“”Brother Si, thank you.”Zhao Xueyin could not help but cry.”

“Silly Girl.”The lawyer walked over and hugged Zhao Xueyin.

Zhao Xueyin’s chin rested on Si Lui’s shoulder.

“From an angle that Si lui could not see, the corner of her mouth slowly curved up.”

Father Zhao was right.

“As expected, the more spare tires, the better.”

Especially for someone like Si lui who did not have a brain.

“After a while, Si lui released Zhao Xueyin. “Alright, Silly Girl, don’t Cry Anymore! Look at your makeup! It’s all ruined!” ”

“Zhao Xueyin wiped her face with her hand, and her tears turned into a smile. “So be it. You’re not an outsider anyway!” ”

The words ‘not an outsider’made si lui feel a surge of warmth in his heart.

It was precisely because they did not treat each other as outsiders that he was willing to do anything for Zhao Xueyin.

“After saying that, Zhao Xueyin continued, “No matter what, Big Brother Si, I have to thank you properly this time! Meeting You is the happiest thing in my life!” ”

““The same goes for me.”The lawyer looked at Zhao Xueyin and said, “Being able to meet you is also the greatest luck in my life!” ”

Zhao Xueyin felt a little disgusted.

These words should not have been said to the lawyer.

She had no choice now.

““Alright Xueyin, I Won’t talk to you anymore. I’ll go deal with this matter first.” ”

Zhao Xueyin personally sent the lawyer to the 57th floor.

“After Zhao Xueyin left, the lawyer went directly to the finance department to make up the remaining 30 million. Then, he wrote a review report and submitted it to the board of directors. ”

“The lawyer was demoted by five grades consecutively, from management to department manager. ”

The office moved from the 57th floor to the 30th floor.

“If not for this accident, the lawyer would have been promoted to vice president in the second half of the year. ”

Zhao Xueyin’s office.

“Although the matter had been resolved satisfactorily, the more Zhao Xueyin thought about it, the more unwilling she became. ”

“If it wasn’t for ye Zao, she wouldn’t have had to deal with the lawyer. ”

There was no need to say so many things that went against her heart.

“Zhao Xueyin turned on her computer, opened the stock market, and searched for the situation of the Jiang Corporation. ”

When she took a look.

Zhao Xueyin’s face was full of pride.

“She saw that ye Zao was so proud and had the time to find trouble with her, so she thought that the Jiang Corporation had already gotten out of trouble! ”

“Unexpectedly, not only did the Jiang Financial Group not get out of trouble, they even fell all the way to the bottom. ”

“Now, the Jiang Financial Group wanted to get up? ”

Difficult!

It was even harder than ascending to the heavens!

Just wait and see!

“How Arrogant Ye Zao was today, how regretful ye Zao would be in the future! ”

Zhao Xueyin narrowed her eyes.

“At that time, ye Zao wouldn’t be able to solve the problem just by kneeling down for her!”

The mistake made by Si Lu this time wasn’t a small matter.

“The next day, the official website of the Shunxi Financial Group released the latest notice.”

“Seeing the news of Si Lu being dealt with on the official website, the people of the Shunxi Financial Group couldn’t help but sigh.”

Who would have thought that the usually strict chairman si would make such a low-level mistake?

He was demoted four ranks in a row!

This was too ruthless!

“Chairman Si is too unlucky!”

““What chairman Si, I should be calling him CEO si now!” ”

““Sigh, I thought that by reaching the 57th floor as an assistant, I would be able to get in touch with chairman si more. I didn’t expect that in less than two days, chairman Si would be demoted!” ”

““Even if CEO Si isn’t demoted, there’s no hope for you!” ”

“What do you mean?”

“In the entire financial group, who doesn't know that Miss Zhao and CEO Si are the real couple!” ”

“Zhao Xueyin came to the 57th floor to look for the lawyer. When she finally remembered, the lawyer had already been transferred to the 30th floor. ”

“The lawyer was not found, but she heard these words. ”

She and the lawyer were a couple?

Who was the one who spread these words?

How could someone like the lawyer be worthy of her?

Zhao Xueyin returned to the office on the 58th floor and suppressed the anger in her heart. “Go and call the person-in-charge of the 57th floor up!”

“Okay.”Annie nodded.

“Not long after, Annie brought the person-in-charge up. ”

“Miss Zhao, you were looking for me.” ”

Zhao Xueyin handed him a list of names. “Tell the people on the list not to come to the consortium tomorrow.”This was to make an example of the others.

People's words were terrifying.

Chapter 1176: 253: a strong comeback. She was panicking. Ye Zhuo was just drinking lightly! 5

“If they were allowed to continue spreading the news like this, if nothing happened to her and Si Lu, it would become something!”

It was fine to let others hear it.

What if Master Five’s people heard it?

“Looking at the name list that Zhao Xueyin handed over, the person in charge was stunned. “Why, why?””

There was a reason for firing someone. It was definitely not appropriate to fire someone for no reason like Zhao Xueyin.

Zhao Xueyin glanced at Annie.

Annie immediately took out her tablet and brought up the cloud surveillance.

“On the surveillance, the people on the 57th floor were still gathered together and chatting.”

“Seeing this, the person-in-charge’s heart thumped.”

Not Good!

“Zhao Xueyin said with a cold face, “The consortium invited them over to chat? If I find out about this again in the future, your job as the person-in-charge will come to an end!””

“The person-in-charge was so scared that his face turned pale. He hurriedly nodded and said, “Okay, Miss Zhao, I’ll do it right away!””

Zhao Xueyin waved her hand.

The person-in-charge turned around and walked out.

“Looking at the back of the person-in-charge, the anger in Zhao Xueyin’s eyes dissipated a little.”

...

On the other side.

The lawyer moved to the 30th floor.

“Although he had lost a few levels in a row, to the lawyer, as long as he could protect Zhao Xueyin and not let her get hurt, this was nothing.”

“At this moment, his phone suddenly rang. Si lei swiped to pick it up. “Hello.””

“Brother Yu.” Yang Wenhao’s voice came from the other end of the screen. “I’ve already made an appointment for you with drink.”

“Really?” Si Lei’s eyes lit up.

“Yang Wenhao smiled and said, “Would I joke with you about something like this? Rebecca and I have an appointment to meet at three o’clock the day after tomorrow.””

“Where is the meeting place?” The lawyer asked.

“Yang Wenhao said, “In shallow drink’s studio.””

“Then.., yang Wenhao added, “By the way, brother Yu, Rebecca told me that shallow drink likes desserts. If you bring desserts with you, shallow drink will definitely agree. Remember to bring the limited edition desserts!””

“”Okay, Wenhao, thank you.””

“”There’s no need to say thank you between US Brothers.”Yang Wenhao paused for a moment before continuing, “Brother Yu, you were demoted in Shunxi Financial Group?””

Si Lu nodded.

“Yang Wenhao said, “Brother Yu, based on my understanding of you, you shouldn’t make such a low-level mistake. You... you’re doing this for Miss Zhao, right?””

“Yes.”Si Lu did not deny it.

“Yang Wenhao sighed. “Brother Yu, do you know that these files will follow you for the rest of your life! Is it really worth it for you to do this? If Miss Zhao really cares about you, do you think she would push you out to take the blame?””

Si lui could not be bothered to explain too much to an idiot like Yang Wenhao.

“One day, the truth would come out.”

“No matter how much he said now, it was just a waste of his breath.”

“”She did not push me to take the blame. I did everything willingly,”Si lui said concisely.”

“Yang Wenhao said, “I know that! Brother Yu, do you know what the highest realm of the White Lotus Flower Is?””

“Who are you calling the White Lotus Flower?” Si lui frowned.

“Since they were on the phone, Yang Wenhao was not afraid of Si lui, then, he said, “The highest realm of the white lotus flower is that no matter what she asks you to do, you feel honored. You are willing to pay for her! “In fact, in their eyes, you are just a spare tire, a scapegoat!””

“After returning yesterday, Old Master Jin found Yang Wenhao again.”

“Looking at the information given by Old Master Jin, Yang Wenhao was even more certain that Zhao Xueyin was a white lotus flower!”

What Si Lui did was not worth it at all!

Si lui directly cut off Yang Wenhao’s phone call.

“Looking at the phone that was hung up, Yang Wenhao sighed helplessly.”

““Big Brother Si, who are you so angry with?” Zhao Xueyin’s voice sounded from behind.”

“Si lui turned around and smiled, “Nothing.””

“Zhao Xueyin looked at the surrounding environment and said with some self-blame, “Big Brother Si, I’m really sorry, because I implicated you...””

“Before she could finish her sentence, she was interrupted by Si lui, “It’s too polite to say that I dragged you into this! Oh right, I have good news for you.””

“What Good News?” Zhao Xueyin raised her head and asked.

“Si lui continued, “My friend has already contacted shallow drink?””

“Really?” Zhao Xueyin’s eyes lit up.

“Yes.” Si lui nodded. “The appointment is at three o’clock in the afternoon the day after tomorrow. I’ll see you at shallow drink’s studio.”

“Okay!”

“The lawyer continued, “In addition, Rebecca, shallow drink’s assistant, said that shallow drink is a good dessert. When you go, it’s best to bring a limited edition dessert. That way, you’ll get twice the result with half the effort!””

Chapter 1177: 253: a strong comeback. He was panicking. Ye Zhuo was just drinking! 6

A good dessert?

“Zhao Xueyin narrowed her eyes. “Okay, I got it! Brother Si, when the matter is settled, I’ll treat you to a meal!” ”

“Okay.” Si lui nodded.

Ye Zhuo looked at the notice on the official website with a faint look in his eyes.

It seemed that Old Master Jin was right.

The lawyer was an infatuated child.

He would do anything for Zhao Xueyin.

“President Ye.” At this moment, there was a knock on the door. ”

“Come in.” Ye Zhuo looked up slightly.

“Milai pushed the door open and came in. “President Ye, Mr. Jiang is looking for you.” ”

Ye Zhuo stood up from the boss’s chair. “Uncle Jiang.”

“Jiang Chao walked in from outside and didn’t bother to say anything else. He went straight to the point.

“President Ye, half of the old shareholders have left. What should we do next?” Jiang Chao was really a little worried, the Jiang Financial Group itself was already on the verge of collapse. ”

“Now that more than half of the shareholders had left, if ye Zhuo still didn’t take any measures, it would really be over! ”

“There’s no rush.” Ye Zhuo asked Millet to pour a glass of water for Jiang Chao. “The time isn’t ripe yet.”

It was already on the verge of collapse!

There was no rush?

“Jiang Chao said, “President Ye, are you sure there’s no rush?” ”

Ye Zhuo bent down slightly and reached out to press the Enter key on the computer keyboard. “I’m sure.”

“Jiang Chao scratched his head. He had a bellyful of things to say, but he didn’t know how to say them. ”

“At this point, he didn’t know whether it was right or wrong to hand over the Jiang Financial Group to Ye Zhuo.”

“After a moment, Jiang Chao continued, “Miss Ye, then how much longer do we have to wait?” ”

““Tomorrow Morning.”Ye Zhuo raised his eyes slightly, his tone clear and shallow. ”

“Tomorrow Morning?”Jiang Chao’s face was filled with doubt.

“En.”Ye Zhuo nodded.

“Since ye Zhuo had already said that he would wait until tomorrow morning, then he would wait another day!”

“Jiang Chao stood up and said, “President Ye, then I’ll be leaving First!” ”

“En.”Ye Zhuo nodded slightly.

What happened here was reported to Annie word for word by millet.

Annie immediately reported this matter to Zhao Xueyin.

“Hearing this, Zhao Xueyin’s face was full of ridicule. ”

Tomorrow Morning?

“In just one night, what did ye Zhuo want to change? ”

Did she really think she was a god?

She wanted to see what would happen to the Jiang Financial Group Tomorrow Morning!

“In the blink of an eye, the next day arrived. ”

8:30 pm.

Zhao Xueyin arrived at the Shunxi Financial Group.

“When she felt the entrance, she realized that there was a large group of financial reporters gathered at the entrance of the Shunxi Financial Group. ”

Zhao Xueyin narrowed her eyes.

What was going on?

Why were there so many reporters gathered at the entrance of the Financial Group for no reason?

Zhao Xueyin took out her cell phone and called Annie.

Annie had already come to work. “I’m not too sure either. I heard that it’s because of the matter with the Jiang Financial Group!”

Jiang Financial Group?

“Could it be that the Jiang Financial Group had already declared bankruptcy, and that was why these reporters were rushing to interview ye Zhuo? ”

Yes!

That must be the case.

“Otherwise, these reporters wouldn’t have gathered at the entrance of the Jiang Financial Group.”

“Ye Zhuo was Old Ye’s descendant. With such a gimmick, she was actually unable to help the Jiang Financial Group out of their predicament. wasn’t this a huge joke?”

It seemed that it was time for her to turn the tide!

“The more Zhao Xueyin thought about it, the more excited she became. Her heart was beating faster and faster. She straightened her back and walked step by step towards the front door of the financial group.”

“When they saw Zhao Xueyin approaching, the reporters immediately swarmed over and surrounded Zhao Xueyin. “Are you the acting chief of the Shunxi Financial Group, Miss Zhao Xueyin?” ”

“It’s me.” Zhao Xueyin nodded generously.

“May I ask what you think about President Ye and the Jiang Financial Group?” The reporters immediately asked.

That’s right!

These reporters were really here for the Jiang Financial Group!

“Zhao Xueyin suppressed the excitement in her heart, but she didn’t show it on her face at all, she continued, “Actually, from the very beginning, I didn’t approve of President Ye’s plan. Although president ye is the descendant of Old Ye, she lacks some actual combat experience after all. Unfortunately, President Ye didn’t seem to listen to my words. I’m also very sorry that her willful actions caused such a result today!” ”

“Hearing this, the reporters’ expressions were somewhat complicated.”

“Right at this moment, Zhao Xueyin suddenly saw ye Zhuo walking over. ”

“She was wearing a black hoodie and was currently pulling the hat on the hoodie up to her head. After pulling the hat up, it immediately covered most of her face. ”

It looked like she wanted to avoid these reporters.

Ye Zao wanted to avoid them?

No Way!

She wanted to make ye Zao lose face in front of the entire financial world!

““Look, president ye is Here!”Zhao Xueyin pointed at ye Zao and said. ”

Chapter 1178: 253: a strong comeback. He was panicking. Ye Zao was just drinking! 7

“Hearing this, the reporters immediately turned around. ”

“Afraid that ye Zao had run away, everyone ran over quickly. ”

“In the blink of an eye, Ye Zao was surrounded by the reporters. ”

Zhao Xueyin curved her lips slightly.

Good!

This was really great!

She finally saw ye Zao's retribution!

“President Ye! May I ask how you managed to make the Jiang Financial Group rise again overnight, and the stock price rose by the daily limit?” ”

“President Ye! Do you have any experience to share with the financiers in front of the TV?”

“President Ye...”

Zhao Xueyin was stunned.

She almost thought she was hearing things.

Rise Again?

The daily limit?

What was going on?

Wasn't it the Jiang Financial Group that declared bankruptcy?

“Zhao Xueyin gulped with difficulty. Then, she took out her phone and opened the stock market.”

“When she saw it, her face immediately turned pale.”

Her blood flowed back.

The limit!

The Jiang Financial Group's stock price had indeed gone up by the limit!

"Then, she looked at the headlines of the financial news. The news was about the Jiang Financial Group."
"

If the Jiang Financial Group didn't go bankrupt...

Then what was going on with her?

"Thinking of her speech just now, Zhao Xueyin was so regretful that her intestines turned green."

Embarrassing!

It was really too embarrassing!

Zhao Xueyin's sense of superiority in front of the camera just now disappeared without a trace.

No.

Such a report must not be published.

Zhao Xueyin pinched her fingers.

"At this moment, ye Zhuo passed by her."

Ye Zhuo did not say anything.

But Zhao Xueyin's face was burning with pain.

"Before Zhao Xueyin could react, a microphone was handed to her. "Miss Zhao, did you not think well of President Ye's plan before? May I ask what your mood is now?" "

"To be able to help the Jiang Financial Group rise from the dead and Rise Again! Does this mean that President Ye's ability is stronger than yours as the acting chief?"

"Is your relationship with President Ye not good in private?"

The reporters' questions were getting sharper and sharper.

"Zhao Xueyin tried her best to maintain a smile. "I'm sorry, I have something to do!" "

"After saying this, Zhao Xueyin fled in a panic. "

"When she reached the office on the 58th floor, Zhao Xueyin called Annie over. "Call the Finance and economics television station and ask them to cut out the part where they interview me!" "

That video had to be cut out!

"But... it might be too late," Annie stammered. "

"Why?" Zhao Xueyin asked.

Annie pointed at the television hanging on the wall. "It's... It's already broadcasting live."

Zhao Xueyin raised her head and saw her own face.

“She stood in front of the camera, with a confident expression, she said, “Actually, from the very beginning, I didn’t agree with President Ye’s plan. Although President Ye is elder Ye’s descendant, he still lacks some actual combat experience. Unfortunately, President Ye didn’t seem to listen to my words. I’m also very regretful that her willful actions caused such a result today!” ”

Zhao Xueyin grabbed the teacup by the side and threw it over!

PA!

The Teacup directly smashed the television screen.

“Although the television screen was broken, the sound continued. ”

“”Actually, there’s nothing much to say. Be a good person first, then you can do good deeds...” ”

This was ye Zhuo’s voice.

“What a good sentence, be a good person first, then you can do good deeds. ”

Was Ye Zhuo mocking her?

She deserved it!

“Zhao Xueyin took a deep breath, picked up the vase on the table, and threw it at the television again. ”

RIP —

“This time, the television was completely smashed. ”

Annie stood at the side and swallowed with difficulty.

“Get lost!” Zhao Xueyin continued.

Annie immediately walked out.

Only when she reached the door did she let out a heavy breath.

No.

She must return the humiliation she suffered today to ye Zao a hundredfold.

Zhao Xueyin tried hard to calm herself down.

She couldn't panic now.

Please have a drink.

Invite a drink over first.

This time.

She must not lose to ye Zao.

She made an appointment with a drink tomorrow.

Zhao Xueyin sent a message to order desserts.

The next day at 3 pm.

Zhao Xueyin brought dessert and appeared punctually at the studio of shallow drink.

Shallow drink's studio was located in the most prosperous area in the financial world.

"Knowing that Zhao Xueyin was coming, Rebecca waited at the door early. "Hello, are you the Miss Zhao that Mr. Yang mentioned?" "

Zhao Xueyin nodded. "I am."

Rebecca made a 'please' gesture. "Follow me this way."

Zhao Xueyin followed Rebecca's footsteps.

"Soon, the two of them arrived at the third floor of the studio. "

"Rebecca said, "Please wait here for a moment. I'll go in and get some information." "

"Okay." Zhao Xueyin nodded.

Rebecca entered the office in the inner room.

Zhao Xueyin stood in place.

Tap Tap Tap —

"At this moment, footsteps appeared in the air. "

Could it be that Xiao Jiu had come?

“Zhao Xueyin smiled and turned around. When she saw who it was, her smile froze at the corner of her mouth.”

This was...

Ye Zhuo?

How did ye Zhuo appear in Qian Zhuo’s studio?

Zhao Xueyin’s gaze landed on the dessert in ye Zhuo’s hand and immediately had an answer in her heart.

Ye Zhuo was following her!

“If ye Zhuo wasn’t following her, how did ye Zhuo find this place?”

Ye Zao did not just follow her.

He even planted a spy by her side.

“Otherwise, how would ye Zao know that Qian Zhu liked desserts!”

“More importantly, the desserts in ye Zao’s hands were exactly the same as hers.”

Shameless!

He was simply Shameless.

Ye Zao wanted to snatch Qian Zhu away from her?

Dream On!

“At this moment, Rebecca walked out of the office. When she saw ye Zao, she was about to say something, but Zhao Xueyin spoke first, “Miss Rebecca, I heard that you have to make an appointment to see Master Qian Zhu, right?” ”

“Yes.”Rebecca nodded. “You have to make an appointment three days in advance.”

“Then how did she come in?”Zhao Xueyin pointed at ye Zao.

“Rebecca quickly said, “Miss Zhao, let me introduce you. This is the boss of our studio, Qian Zhu.” ”

Chapter 1179: 254: her face had turned pale. She had actually lost to someone she had never taken a fancy to! 1

Ye Zao was Qian Jiu?

How was that possible?

How could ye Zao Be Qian Jiu?

“Upon hearing this, Zhao Xueyin was immediately stunned. She thought that she had heard wrongly. ”

“After a long while, Zhao Xueyin finally reacted. She turned around and looked at Rebecca. The corners of her mouth curled up into a smile. “Miss, Miss Rebecca, don’t joke around!” ”

It Won’t happen!

Joke.

It must be a joke!

“For someone like ye Zao, she couldn’t even compare to a single strand of hair from siqian!”

She was siqian?

It was simply a fantasy!

Zhao Xueyin comforted herself in her heart.

“Joke?” Rebecca said very seriously, “Miss Ye, I’m not joking around with you. This is indeed the boss of our studio, Siqian.”

Not joking?

Zhao Xueyin’s face immediately turned pale.

She could not believe this fact.

“If ye Zhuo was drinking lightly, then what was she?”

A Clown?

“Zhao Xueyin bit her lip tightly, her entire body drenched in cold sweat. “No, no, she’s not drinking lightly, she’s Not!””

“Drinking lightly became famous a year ago, designing the national seal for Country P. ”

“As a result, she had appeared on international news and became famous in one fell swoop. ”

“Unfortunately, she had kept a low profile and had never revealed her true colors in front of the media. As a result, no one had ever seen what Qian Zhuo looked like. ”

How Old Was Ye Zhuo?

How could she have the ability to design the national seal?

Zhao Xueyin had previously investigated ye Zhuo.

Ye Zhuo’s greatest achievement was that he had obtained the world’s first place in last year’s science and technology competition. He was the scientific and Technological World’s Dr. YC.

“If ye Zao was Qian You, how could she not have found out? ”

“Therefore, Ye Zao was definitely not Qian You! ”

Rebecca did not know the reason for this. She only thought that Zhao Xueyin was surprised that ye Zao was too young.

“After all, when she first saw ye Zao, she did not dare to believe that ye Zao was Qian You. ”

“Qian you had achieved so much. Before she saw ye Zao, Rebecca had always thought that ye Zao was an elderly person. ”

“Rebecca said very seriously, “Miss Zhao, I’m really not joking with you!” ”

“After saying that, Rebecca turned to look at Ye Zhuo again and continued, “Boss, this is Miss Zhao who has an appointment with you at three in the afternoon.” ”

“”Miss Zhao?”Ye Zhuo frowned slightly and looked at the schedule, “Rebecca, what’s Going On?” ”

The schedule showed that the appointment this afternoon was made by Mr. Yang.

“Mr. Yang suddenly turned into Zhao Xueyin, and Ye Zhuo was also a little surprised. ”

“Rebecca quickly explained, “Boss, Mr. Yang helped to make the appointment for Miss Zhao. So the person who came to see you is Miss Zhao.” ”

“Make the appointment for you?”Ye Zhuo frowned slightly.

“Seeing ye Zhuo like this, Rebecca’s heart skipped a beat. ”

“In fact, there had been many cases of making appointments for her before, but this time, Ye Zhuo was obviously angry. ”

“”It can’t be...”Zhao Xueyin still couldn’t believe it. Her voice trembled as she said, “How is it possible! How can ye Zhuo Be Qian You? How can she match it?” ”

PA —

The dessert in her hand fell to the ground.

“Zhao Xueyin couldn’t care about anything else. She grabbed Rebecca’s hand directly. “Miss Rebecca! Tell me, you’re joking, right? ! She’s not Qian You! She’s Not!”Zhao Xueyin was on the verge of breaking down. She was really on the verge of breaking down. ”

She originally wanted to use the matter of gin to show off in front of the board of directors.

She wanted to let everyone know her strength.

She didn't expect...

She didn't expect reality to make such a joke with her.

“She's not our boss, could it be that you are?” Rebecca flung Zhao Xueyin's hand away with a cold face, “Miss Zhao, you're not welcome here. Please leave immediately!” ”

“Zhao Xueyin's face turned from white to pale white, and her entire body was drenched in cold sweat. ”

It really was!

Ye Zao was really drinking a little.

Only now did Zhao Xueyin dare to believe that ye Zao was drinking a little.

Zhao Xueyin's entire body was trembling slightly.

Why?

Why was ye Zao drinking a little?

“Ten minutes ago, she was still feeling honored to be able to make an appointment for drinking a little. ”

“She did not expect that ten minutes later, reality would give her such a heavy blow. ”

So what if she knew Qian Zhuo?

Ye Zhuo was Qian Zhuo himself!

This was a huge humiliation for Zhao Xueyin!

It was worse than killing her.

“Zhao Xueyin raised her head to look at Ye Zhuo, her lips trembling. “You, you did it on purpose! You deliberately humiliated me!” ”

Ye Zhuo knew that she had made an appointment with Qian Zhuo.

But he did not say a word.

He deliberately wanted to see her make a fool of herself!

Ye Zao Must Be Very Proud Now!

She’s like a fool!

A fool played by Ye Zao.

Disgusting.

Ye Zao is simply too disgusting!

Why would there still be such a disgusting person in the world?

Chapter 1180: 254: her face was pale. She had actually lost to someone she had never taken a fancy to before! 2

Zhao Xueyin was both angry and annoyed. Her heart was so uncomfortable that she could hardly breathe.

This was the first time in her life that she had lost so miserably.

“Moreover, she had lost to the same person!”

A person she had never taken a fancy to before.

“Rebecca said with a cold face, “Deliberately humiliating? Madam Zhao, a person should know their place! Someone like you still wants our boss to deliberately humiliate you? May I ask if you are qualified? If our boss wants to target you, he can just use a small finger! Is there a need to do this?” ”

“After saying that, Rebecca looked at Ye Zhuo. “Boss, I’m really sorry! It’s all my fault! I shouldn’t have brought such a person in front of you to dirty your eyes! Madam Zhao, please.” ”

“At the end of her sentence, Rebecca made a ‘please’ gesture. ”

Zhao Xueyin pinched her fingers.

Her entire body was trembling.

““Madam Zhao, can’t you save some face for yourself? Don’t tell me you want the security to come up and invite you?”Seeing that Zhao Xueyin did not move for a long time, Rebecca continued to speak. ”

“At this moment, Rebecca’s address to Zhao Xueyin had already changed from ‘Miss Zhao’ to ‘Madam Zhao’.”

Zhao Xueyin quickly reacted and turned around to walk out.

Every step she took was extremely heavy.

It was hard to breathe.

“Rebecca turned to look at Ye Zhuo. “Boss, I’m sorry! I promise that there won’t be any substitute appointments next time!” ”

“”Deduct half a month’s salary,”ye Zhuo continued, “If there’s a next time, go to the personnel department and resign.” ”

“Rebecca heaved a sigh of relief. “Thank you, Boss!” ”

“As long as she wasn’t fired, it would be fine.”

“The remuneration in the studio was very good. If she lost this job, she might not be able to find another job as good as this one.”

Ye Zhuo carried the desserts and walked towards the office.

Rebecca picked up the desserts on the ground and walked towards the rubbish bin.

“Wait.”Ye Zhuo suddenly looked back.

“Rebecca asked curiously, “Do you have any other instructions?” ”

“Do you want to throw it away?”Ye Zao asked.

“Yes.”Rebecca nodded.

“Ye Zao continued, “Send it to my office.” ”

“You mean this?”Rebecca raised the dessert in her hand.

“Yes.”Ye Zao nodded slightly.

Rebecca’s eyes were filled with surprise.

This dessert had fallen to the ground and was no longer formed. Could it be that ye Zao had stayed behind to eat it?

Besides.

The thing was brought by Zhao Xueyin. Could Ye Zao really eat it?

“After a moment, Rebecca finally reacted and sent the dessert to Ye Zao’s office.”

“Ye Zao opened the outer packaging. The dessert inside had been smashed into pieces, but it did not affect the consumption.”

“Seeing ye Zao eat up the desserts bit by bit, Rebecca was a little surprised.”

Ye Zao was probably the most frugal boss she had ever met.

He even ate the cake that fell to the ground.

“If this were to be told, no one would believe it!”

...

Zhao Xueyin did not know how she walked out of the studio.

“It was clearly sunny outside, but Zhao Xueyin felt so cold that she trembled.”

It was a world of ice and snow.

What should she do?

What should she do now?

She had boasted in front of the shareholders that she would be able to invite Shizhu.

But now...

Ye Zhuo was just shizhu. How was she going to explain this to the shareholders.

What else could she use to argue with Ye Zhuo?

Zhao Xueyin took a deep breath and tried her best to calm herself down.

“At this moment, her phone suddenly rang.”

Zhao Xueyin’s hands trembled as she picked up the call. “Hello.”

“Si Lui’s voice came from the other end of the phone screen. “Xueyin, are you here?” ”

“After a long while, Zhao Xueyin finally reacted.”... I’m here.” ”

“Si lui continued, “Then how did your conversation with Qian Ju Go?” ”

“1. . .”

“Si lui frowned. “Xueyin, did something happen? Why is there something wrong with your voice?” ”

“Zhao Xueyin opened her mouth, but the rest of her words were stuck in her throat and could not come out.”

How was she going to tell the lawyer that ye Zhuo was just Qian Zhuo.

She could not bring herself to say it.

She was not convinced.

She was really not convinced.

“Even now, she still did not understand why ye Zhuo was just Qian Zhuo?”

“In the world of technology, Ye Zhuo was Doctor YC.”

“In the world of design, Ye Zhuo was master Qian Zhuo.”

How many other unknown identities did ye Zao have?

How did she do it?

Zhao Xueyin thought that she was already very outstanding.

She had already obtained her doctorate at the age of 26.

How many people in the circle could obtain a doctorate at the age of 26?

But Ye Zao...

Ye Zao was only 20 years old.

Did she have three heads and six arms?

Zhao Xueyin really couldn't figure it out.

"Just as Zhao Xueyin was feeling uncomfortable, the lawyer's voice came from the other side again.

"Xueyin, is the cooperation not going well?" "
