

## **Almighty D 1181**

Chapter 1181: 254: her face was pale. She had actually lost to someone she had never taken a fancy to!

“After all, Qian Zhuo was a national player.”

It was normal for her to have a weird temper.

“...”Zhao Xueyin was still silent on the other end of the phone.

“Xueyin?”

“...”

“”Xueyin, it doesn’t matter if you can’t invite Qian Zhuo for a while. Back then, Liu Bei invited Zhuge Liang out of the mountain and even visited the cottage three times! At worst, we can also visit the thatched cottage three times! I believe that Qianzhu will definitely be moved by Your City Heart.””

Visit the thatched cottage three times?

Let her visit the thatched cottage three times to ye Zhuo?

What right did ye Zhuo have?

Ridiculous!

It was simply ridiculous.

“Ha!”

Zhao Xueyin sneered.

“This time, the lawyer was a little anxious.”

Things did not seem to be as simple as he thought.

“The lawyer knew Zhao Xueyin very well. If nothing particularly serious had happened, she would not be like this.”

Something must have happened!

“Thinking of this, Si Lui’s eyebrows jumped. He then asked, “Xueyin, where are you now?””

“Hearing this, Zhao Xueyin finally reacted. She looked at her surroundings and stammered, “I . . I’m at the Financial Center.””

“Si lui continued, “Then stand there and don’t move. I’ll come to pick you up right away.””

“... Okay.”

“Si lui soon arrived. The car didn’t even stop before he jogged over. “Xueyin, are you okay?””

“”Big Brother Si...”Zhao Xueyin looked up at Si Lui, her eyes red.”

“Seeing that Zhao Xueyin was about to cry, Si Lui was heartbroken. “What happened? Who bullied you?””

“No.”Zhao Xueyin shook her head.

Si Lu frowned and pulled Zhao Xueyin's hand. "Why is it so cold?"

Zhao Xueyin's hand was frighteningly cold.

"It's, it's nothing."

Si Lu looked at Zhao Xueyin. "Let's get into the car first."

Zhao Xueyin and Si Lu got into the car.

"After getting into the car, Si Lu continued, "Xueyin, what exactly happened? Did Qian Zhuo Bully You?"

Zhao Xueyin did not say anything.

"The lawyer continued, "For a national player like Qian Zhuo, his temper is definitely different from that of a normal person. Now that we have something to ask of him, why don't you bear with it?"

"Big Brother Si." Zhao Xueyin looked up at the lawyer. "Do you, do you know who Qian Zhuo is?"

"Who is Qian Zhuo?" The lawyer raised his head and asked.

Zhao Xueyin took a deep breath. "Ye Zhuo is Qian Zhuo."

"What?" Si Lu's expression changed. He thought he was hearing things.

Ye Zhuo was actually Qian Zhuo?

How was that possible!

“Zhao Xueyin’s eyes were red as she said, “Brother Si, you didn’t hear wrong! Qian Zhuo and ye Zhuo are the same person! Brother Si, Ye Zhuo is too outstanding. I Can’t defeat her... .. She’s still so young, but she has already achieved so much in both the technology and Design Worlds ... ..”

“”Not only in the technology and design worlds, but she also has a lot of business talent! Forget it! I’m completely convinced that I lost to someone like her!””

“At the end of her sentence, Zhao Xueyin almost burst into tears.”

The lawyer furrowed his brows tightly.

Never in his wildest dreams did he expect that ye Zhuo and Qian Zhuo were the same person.

Just hearing it like that made the lawyer find it hard to accept.

“Not to mention, Zhao Xueyin had experienced it herself.”

“Did ye Zhuo Bully You?”The lawyer asked.

“Zhao Xueyin shook her head, her eyes filled with self-mockery. “No, she didn’t bully me. I was asking for it!””

She didn’t?

How could she not!

It was clearly Zhao Xueyin who was kind and unwilling to say it out loud.

“Thinking of the grievances Zhao Xueyin had suffered in there, the lawyer felt very uncomfortable.”

He could not bear to see Zhao Xueyin suffer a little bit of grievance!

“After saying that, Zhao Xueyin continued, “Ye Zhuo is too amazing! I’m not her match at all. Big Brother Si, I might have to disappoint you all!””

“Si lui frowned tightly and continued, “Ye Zhuo is only 20 years old this year and has not even graduated from university yet. It’s impossible that she is just a shallow drinker! There must be a trick behind this!””

It was impossible for a normal person to achieve success in so many fields at the same time.

“Moreover, Ye Zhuo was a girl.”

Let alone a girl.

The identity of Ye Zhuo that had been exposed was something that many men could not achieve.

What right did ye Zhuo have?

With her face?

Therefore.

There must be a problem.

“Zhao Xueyin looked up at Si lui. “But if ye Zhuo isn’t Qian Zhuo, who is the real Qian Zhuo? Why can’t the real Qian Zhuo come out to see me?””

Si lui narrowed his eyes. “The real Qian Zhuo should be a man.”

Si Lui's intuition had always been very accurate.

Even though he had never seen Qian Zhuo before.

But he could feel that Qian Zhuo was definitely a man.

"After all, What Ye Zhuo was best at was to rely on men to get to the top."

"Although some men were very talented, they did not have much emotional intelligence. With just a few words from a woman, they could not even differentiate between north, south, east, and West!"

Chapter 1182: 254: her face was pale. She actually lost to someone she had never taken a fancy to! 4

It was very obvious.

It was ye Zhuo who used tricks to coax the real Qian Zhuo into willingly giving up her identity to her.

"By letting her use the name Qian Zhuo, she would be in the limelight outside! "

It had to be said that ye Zhuo was indeed the nemesis of men.

Yang Wenhao was a good example.

"Yang Wenhao had clearly never interacted with ye Zao before, but he always spoke up for ye Zao. "

"Not to mention, Qian Zhuo had even interacted with ye Zao up close. "

“If Yang Wenhao was Qian Zhuo, Yang Wenhao would willingly give his achievements to ye Zao.”

“To put it nicely, this kind of person had a low eq.”

“To put it bluntly, he licked dogs.”

“Under normal circumstances, licking the dog would not end well!”

“Thinking of this, the lawyer continued, “Shallow drink is ye Zhuo’s admirer, so she will naturally respond to ye Zhuo’s requests!” ”

“Is that really the case?” Zhao Xueyin raised her head to look at the lawyer.

“The lawyer nodded. “It must be the case! Otherwise, with just ye Zhuo alone, would she be able to design a national seal for Country P?” ”

It was impossible!

“Maybe.” Zhao Xueyin sighed. “Does she really have the ability? I can’t deny someone else’s ability just because I don’t have the ability!”

“Si Lui’s eyes flashed with disgust. “If ye Zao really had the ability, she wouldn’t be attracting bees and butterflies outside!” ”

It would be more appropriate to say that Zhao Xueyin could design a national seal.

Ye Zao?

“Other than seducing men and relying on men to get to the top, what else could ye Zao Do?”

Even he was almost fooled by Ye Zao and had an opinion about Zhao Xueyin!

“Fortunately, he woke up in time. ”

“After saying this, si lui added, “Xueyin, have you forgotten about Jiang Xiaoyu? Jiang Xiaoyu was your best friend in the past!”Ye Zao didn’t just please men, but also women. ”

“After hearing this, Zhao Xueyin felt much better. ”

Si lui was right.

The real Shizu must be someone else.

Ye Zao was a shameless imposter!

Just wait.

She must find a chance to let ye Zao show his true colors in front of everyone!

“She must return the humiliation she suffered today to ye Zao ten times, a hundred times, a thousand times, and ten thousand times! ”

“Although that was what she thought in her heart, Zhao Xueyin did not show it on her face. She continued with a kind and understanding look, “Even though Xiao Yu betrayed me, I Don’t blame her! A good bird chooses its habitat, let alone a human.” ”

““Xueyin,”the lawyer said somewhat helplessly, “You’re just too kind!” ”

“If it were not for Zhao Xueyin being too kind, things would not have developed to this stage. ”

Zhao Xueyin looked out of the car window. "Xiaoyu is my best friend after all!"

""But Jiang Xiaoyu doesn't treat you as her best friend at all." Si lui continued, "Xueyin, in order to survive in this society, you have to learn to be harder-hearted. A person like Jiang Xiaoyu doesn't deserve to be your friend at all!" "

""Big Brother Si, don't say that!" Zhao xueyin sighed and continued, "Things have already developed to this point. What can I change by being harder-hearted? I've also thought it through. Shunxi Financial Group, let's give it to Ye Zhuo!" "

Give it to ye Zao?

On what basis?

Si Lui didn't agree with Zhao Xueyin's words.

"After all, Shunxi Financial Group was originally Zhao Xueyin's. "

""Xueyin, at this time, you mustn't admit defeat." Si lui continued, "People like ye Zao who have no strength at all and only know how to rely on men will one day reveal their ugly side! "You're different. You have strength! "No matter when or where, you can be an existence that lights up a region!" "

Fake is fake after all.

Only Real Gold is not afraid of fire.

"People Like Ye Zao, one day when her looks are gone, will those men still care about her? "

"Once those men leave her, then ye Zao will be nothing! "

But Zhao Xueyin is different.

Zhao Xueyin had real talent.

She was not afraid of any test.

“Big Brother Si, you’re wrong! If ye Zao didn’t have some strength, would she be able to achieve what she did today?” Zhao Xueyin continued, “Even though ye Zao is relying on men! But a reliable man is also a kind of strength! Unlike me, who can’t even pass the test for a man!” ”

“That’s because you’re disdainful!” Si lui said, “Relying on a man can only depend on you for a while, but can you still rely on him for a Lifetime?” ”

“If Zhao Xueyin was willing to rely on a man to get to the top, things wouldn’t be like this now! ”

“Zhao Xueyin was pure and innocent, she didn’t want to do such a thing at all. ”

“Then.., si lui continued, “Xueyin, your wish is to put the Shunxi Financial Group on the right track and restore the glory of more than 30 years ago! If you really give the Shunxi Financial Group to Ye Zao, then the Financial Group will come to an end! Are you going to watch as the Xizhi Consortium is going to perish?” ”

Chapter 1183: 254: her face had turned pale. She had actually lost to someone she had never taken a fancy to! 5

Even though ye Zhuo had temporarily brought benefits to the consortium.

But those were all temporary.

Could Ye Zhuo still rely on a man for his entire life?

"Hearing that, Zhao Xueyin hurriedly shook her head, "No! I don't want to! Shunxi consortium is my father's life's work. I Can't let it go to ruin!"

"Then listen to me! Don't admit defeat! Once you lose, the Shunxi Financial Group will really be finished!"

"Zhao xueyin nodded very firmly, "En, Big Brother Si, I'll listen to you."

"Si lui smiled and said, "It's good that you can think it through."

He was just afraid that Zhao Xueyin wouldn't be able to get over this hurdle.

"Then I'll send you back now?" Si lui asked.

"Okay." Zhao Xueyin nodded.

The lawyer drove away.

"The car was very fast. Half an hour later, the car stopped in front of the Zhao family's villa."

"The lawyer opened the door and got out of the car. Out of habit, he reached out his hand to Zhao Xueyin."

Zhao Xueyin put her hand on the lawyer's hand.

The lawyer held Zhao Xueyin's hand and got out of the car.

"Seeing the two of them come in together, Father Zhao's originally gloomy face revealed a smile. "Ah Lui is here."

“Uncle.”

“Father Zhao asked the maid to make tea for Si Lui, then looked up at Zhao Xueyin. “Have you invited Qian Zhu?””

“Hearing the word Qian Zhu, Zhao Xueyin’s expression darkened.”

“Have you not invited her?” Father Zhao continued to ask.

Zhao Xueyin nodded. “Yes.”

“Si lui quickly explained for Zhao Xueyin, “Uncle, this is not Xue Yin’s fault. Qian Zhu and Ye Zhuo are in an improper relationship, so...””

The lawyer did not feel that there was anything wrong with this sentence.

Ye Zao had a boyfriend and was still fooling around outside. This was an improper relationship between a man and a woman.

It was also because society was different now.

“In the past, this kind of behavior would have been drowned in a pig cage!”

Ye Zao?

Why was it ye Zao again.

How many times had it been?

Father Zhao could not even remember how many times Zhao Xueyin had fallen at the hands of ye Zao!

“Every time she met ye Zao, Zhao Xueyin would change from a winning general to a defeated general.”

Ye Zao was like Zhao Xueyin’s nemesis!

“They were both girls, why was Zhao Xueyin inferior to ye Zao?”

“If ye Zao was a man, then forget it!”

Father Zhao was completely convinced that Zhao Xueyin had lost to a man!

But now.

Zhao Xueyin had actually lost to a little girl!

“Moreover, it was a little girl who was younger than Zhao Xueyin and had a lower education level than Zhao Xueyin.”

How could father Zhao Swallow this down?

“Father Zhao frowned and raised his head to look at Zhao Xueyin. With a cold face, he said, “I don’t understand! Does this ye Zhuo have three heads and six arms? Why do you always lose to her?””

“”Father, I’m sorry...””

“Father Zhao pinched his temples. After a moment, he let out a long sigh. “Forget it, forget it! It’s your fault for not being a man!””

“If Zhao Xueyin was a man, she definitely wouldn’t have lost so badly.”

“Hearing this, Zhao Xueyin felt very uncomfortable.”

“Could it be that just because she was a man, she could change the situation?”

She desperately wanted to prove in front of Father Zhao that she was not inferior to any other boy.

But she lost to Ye Zhuo.

She was unwilling.

Zhao Xueyin was truly unwilling.

She was waiting.

“One day, she would make ye Zhuo lose to her!”

She would let Father Zhao know.

She was not inferior to anyone.

“”Master! Master!” At this moment, the butler rushed in from outside.”

“What’s Wrong?” Father Zhao raised his head.

The butler glanced at si lui but did not say anything.

“Si Lui was a smart man and immediately said, “Uncle, I suddenly remembered that I have something to do, so I won’t Bother You Anymore!””

“Speaking up to this point, Si lui paused and then said, “Don’t blame Xue Yin for what happened to Qian You.””

“Yes.” Father Zhao nodded with a smile. “I was just saying. When have I ever really blamed her?”

“Hearing this, Si lui was slightly relieved and turned to walk out of the door.”

“Seeing si lui’s figure disappear outside the door, Father Zhao turned to look at the butler, “What’s Wrong?””

“The Butler looked a little excited, “Master, Master Five, Master Five’s assistant is here!””

“Father Zhao was a little incredulous, “Who did you say is here?””

“Master Five’s assistant!” The Butler repeated.

“Zhao Xueyin’s eyes lit up and quickly reacted, “You mean Master Five’s assistant? Master five of DK Financial Group?””

“Yes!” The Butler quickly nodded.

“Father Zhao also reacted at this time, “Then why don’t you quickly invite him in!””

That was Master Five’s assistant!

Master five of DK Financial Group.

Father Zhao was very excited now.

"It seemed that Zhao Xueyin was right, master five had indeed taken a fancy to her."

"Otherwise, his assistant wouldn't have suddenly come to the Zhao family."

Chapter 1184: 254: her face was pale. She actually lost to someone she had never taken a fancy to before! 6

"Okay! I'll Go Now!"The Butler immediately ran out.

Father Zhao turned to look at Zhao Xueyin again. "Go upstairs quickly."

"Okay."Zhao Xueyin nodded and walked upstairs.

"Soon, the butler came over with some people. "

The person was about thirty years old.

He was dressed in a suit and a pair of glasses.

"Although master five rarely appeared in public, his assistant, Lin Zhaoyang, often appeared in public. "

"That's right, this was Lin Zhaoyang! "

"Master Five's chief special assistant, Lin Zhaoyang! "

"Father Zhao immediately went up to welcome him. "Special Assistant Lin, you have graced my humble abode with your presence!"Although Lin Zhaoyang was only a special assistant, he was Master Five's

special assistant. In the entire financial world, there were countless people who wanted to curry favor with Lin Zhaoyang, there were countless of them. ”

“Lin Zhaoyang smiled and said, “Elder Zhao, I can’t accept your words!” ”

“”I can accept it! Special Assistant Lin is young and promising, how can I not accept it?”Father Zhao said as he asked a servant to pour tea. ”

The servant quickly made tea.

“Lin Zhaoyang took a sip of tea and looked up at Father Zhao. “Elder Zhao, is Miss Zhao at Home?” ”

He wanted to see Zhao Xueyin before he could finish his sentence.

It seemed that this fifth master was quite satisfied with Zhao Xueyin.

“”Yes.”Father Zhao nodded. “Special Assistant Lin, if you want to see her, I’ll get someone to call her over immediately.” ”

“Then I’ll have to trouble elder Zhao.”

Father Zhao turned to look at the maid. “Go and call Miss Zhao over.”

“Okay.”The maid turned and went upstairs to call for someone.

About five minutes later.

“Zhao Xueyin followed the servant downstairs. “Dad, you called for me?” ”

“Father Zhao stood up and said, “Let me introduce you. This is special assistant Lin. Special Assistant Lin, this is my daughter, Zhao Xueyin.” ”

“”Hello, Miss Zhao.” ”

Zhao Xueyin nodded. “Special Assistant Lin.”

Lin Zhaoyang then took out a crystal bracelet from his pocket. “Is this Miss Zhao’s?”

Zhao Xueyin narrowed her eyes. She did not know what Lin Zhaoyang was trying to say. “I do have an identical bracelet.”

“Lin Zhaoyang continued, “Did Miss Zhao go to Treasure Elephant Square three days ago?” ”

“Yes.”Zhao Xueyin nodded.

She did go to Treasure Elephant Square three days ago. Could it be that..? ... Fifth Master was also there?

“Thinking of this, Zhao Xueyin’s heart beat a little faster. ”

“Lin Zhaoyang smiled and said, “Then Miss Zhao’s bracelet must be gone. I found this bracelet three days ago in Treasure Elephant Square. Now it’s returned to its owner.” ”

“After saying that, Lin Zhaoyang placed the bracelet on the table. ”

The light purple bracelet reflected a faint light under the light.

“Zhao Xueyin said in surprise, “If it wasn’t for special assistant Lin personally making a trip, I wouldn’t have known that I lost my bracelet! Thank you, Special Assistant Lin.” ”

““You’re welcome. It’s my pleasure.” Lin Zhaoyang stood up from the chair. “Since the item has been delivered, I’ll be leaving first.” ”

“Father Zhao stood up as well. “Special Assistant Lin, do you want to sit for a while?” ”

Lin Zhaoyang looked at his watch. “Next time. I still have official business today.”

“Official business is more important!” Father Zhao nodded and stood up to send assistant Lin off. “Then I won’t keep you any longer.”

Zhao Xueyin followed behind Father Zhao to send Lin Zhaoyang off.

“Father and daughter sent Lin Zhaoyang out of the door. Seeing the black car disappear on the road, Father Zhao turned to look at Zhao Xueyin. “Xueyin, what does assistant LIN mean by this?” ”

The Honorable Chief Special Assistant of Master Five came all the way here just to give Zhao Xueyin a bracelet?

“What do you think?” Zhao Xueyin asked back.

“After that, Zhao Xueyin continued, “Dad, I don’t even have such a bracelet. What do you think master five means?” ”

Anyone with a discerning eye could see it.

“Master Five wanted to give her a gift, but he could not bring himself to say it out loud. He could only use the excuse of losing something to get his assistant to bring it over. ”

“After all, the fifth master was not an ordinary person. ”

His way of doing things was also not quite the same as an ordinary person.

“Father Zhao narrowed his eyes and said in a strange manner, “But Special Assistant Lin never mentioned the fifth master from the beginning to the end.” He had a feeling that this matter was not that simple. ”

“Zhao Xueyin walked into the house, picked up the bracelet, and slowly put it on her wrist. “Dad, just wait for the fifth master to call you Lord Tai Shan!” ”

“In the past, Zhao Xueyin was still a little nervous. Did master five really like her. ”

“Now, Zhao Xueyin was not nervous at all. ”

“If master five did not have her in his heart, would he ask someone to send the bracelet over? ”

Of course not!

\* \* \*

Jiang Financial Group.

The Jiang Financial Group was on the right track overnight. The happiest person was none other than Jiang Xiaoyu.

““Dad, didn’t you not believe in Great Scorch before? How is it? Are you satisfied now?” ”

“Just the day before yesterday, Jiang Chao was still scratching his head anxiously. He had even planned where the Jiang family would move to after the Jiang Financial Group declared bankruptcy. ”

Who would have thought.

“After waking up, the situation had completely changed! ”

It was only now that Jiang Chao understood why ye Scorch was not anxious in the beginning.

It wasn't a coincidence that the Jiang Financial Group was in such a situation.

It was because there were too many pests!

Ye Zao was also taking the opportunity to clean up the mess.

“I'm convinced! How can I not be convinced?” Jiang Chao nodded repeatedly. He was simply too convinced!

Ye Zao's methods were too clean and efficient.

It could be said that he killed without spilling any blood.

“Even Jiang Chao, an old veteran in the financial world, was full of admiration! ”

“Jiang Xiaoyu smiled and said, “I already said that burning scorch is very powerful, right?” ”

“What do you call President Ye?” Jiang Chao turned to look at Jiang Xiaoyu.

“Burning Scorch!” Jiang Xiaoyu answered.

Jiang Chao raised his hand and slapped Jiang Xiaoyu. “How can you be so rude! Can you just call President Ye by his name?”

Jiang Xiaoyu rubbed his head and felt a little wronged. "Burning Scorch made me call him that!"

"Stop calling me that!" Jiang Chao slapped Jiang Xiaoyu again.

Jiang Xiaoyu immediately changed his words. "It was President Ye who made me call you that."

"Jiang Chao said, "That was President Ye's polite words to you! Don't be so rude in the future!" Ye Zhuo saving the Jiang Financial Group was equivalent to saving the entire Jiang family! "

Ye Zhuo was now the savior of the entire Jiang family.

"Got it." Jiang Xiaoyu nodded.

"Jiang Chao sighed, "President Ye saved our family. If president ye encounters any difficulties in the future, Xiaoyu, you must be responsible and bear the brunt! You must know how to be grateful!" "

""Don't worry! Big," at this point, Jiang Xiaoyu immediately changed his words, "President Ye is so powerful. No matter what difficulties she encounters, she will be able to solve them easily!" In Jiang Xiaoyu's eyes, Ye Zao was simply omnipotent. There was no problem that Ye Zao couldn't solve. "

"Just remember what I said." Jiang Chao glanced at Jiang Xiaoyu.

"Jiang Xiaoyu nodded. "Okay, dad, I got it!" "

\* \*

On the other side.

At the Jin family home.

“Old Master Jin held his phone and stood in front of the window. “Special Assistant Lin, how is it? is everything going smoothly?” ”

Chapter 1185: 255: Zhao Xueyin has fallen into a trap. She has seen through his true colors. Si Lu was stunned! 1

Lin Zhaoyang’s voice came from the other end of the phone. “I have already gone to the Lin family. Zhao Xueyin has also taken the bracelet.”.

“Hearing this, Old Master Jin’s stern face finally revealed a smile. “Good! That’s great! Special Assistant Lin, it’s been hard on you.” ”

“Although he already knew what kind of person Zhao Xueyin was, Old Master Jin was still very happy to hear Lin Zhaoyang’s words. ”

“Zhao Xueyin kept the bracelet. Not only could it prove that his plan was sound, but it was also very feasible.”

“”It should be done.”Special Assistant Lin’s voice sounded again. “Old Master Jin, what should I do next?” ”

Old Master Jin narrowed his eyes. “There’s no hurry for the next thing. Take your time. Wait for me to send you a message.”

“Okay.”

“After saying this, Old Master Jin hung up the phone.”

“Uncle Fu stood by the side and said with a smile, “Master, Congratulations.” ”

Old Master Jin waved his hand. "It's just the beginning. Ruyu is too guarded against me. He has to see Zhao Xueyin's true side before he will believe the truth."

Uncle Fu nodded. "You're right."

"After a while, Old Master Jin looked out of the French window and sighed deeply, "I'm also responsible for the consequences! If I didn't hurt Ruyu back then, he wouldn't hate me to this day!" "

Old Master Jin regretted what happened back then.

It was a pity.

"There were all kinds of medicine in this world, but there was no medicine for regret. "

""Karma, this is my retribution!"Old Master Jin hammered his chest. "Retribution! It's retribution!" "

"The heavenly axiom was good for reincarnation, but Karma wasn't good! "

"Seeing Old Master Jin like this, uncle Fu sighed deeply. "Master, don't think like this! Things are over, let it be!" "

No one could tell if what happened back then was real or fake.

Old Master Jin was at fault.

Even Si lui was at fault.

Old Master Jin's face was filled with regret and guilt. "There are some things that I can't let go of just because I don't want to."

“Uncle Fu smiled. “Master, I believe that young master will come to his senses this time.” ”

“I hope so.” Old Master Jin sighed.

“”Definitely.” Uncle Fu’s gaze was very determined. After saying that, uncle fu continued, “Oh right, master, the Lotus Mist you ordered a few days ago has arrived. Do you want to go take a look?” ”

The Lotus Mist was a fruit from the tropical regions. It wasn’t available this season.

Master Jin’s Lotus Mist was ordered overseas.

“Let’s go take a look.” Master Jin nodded.

...

On the other side.

Si Lui had just arrived home.

He saw Yang Wenhao waiting for him at the door.

“”Brother Yu, you’re back!” Yang Wenhao continued, “How is it? How is the collaboration between you and Qian Zhuo?” ”

“At the mention of Qian Zhuo, Si Lui’s eyes were filled with malice. ”

If it wasn’t for Qian Zhuo...

Zhao Xueyin wouldn’t have been bullied by Ye Zhuo for nothing.

Si lui raised his head to look at Yang Wenhao. "Do you know?"

""Know?"Yang Wenhao asked with a puzzled expression, "Know what?" "

"Don't pretend."Si Lui's expression was a little cold. "Did you collude with Ye Zhuo?"

This matter definitely had something to do with Yang Wenhao.

"After all, from the very beginning, Yang Wenhao had been filled with hostility towards Zhao Xueyin. "

"He hated Zhao Xueyin so much, so why would he be so kind as to introduce her to Qian You? "

This was clearly a collusion between Yang Wenhao and ye Zhuo.

The two of them colluded and deliberately humiliated Zhao Xueyin!

"Yang Wenhao looked at Si lui with a dumbfounded expression. "Brother Yu, what are you talking about? Why Don't I understand? What do you mean by colluding with Miss Ye? What did I collude with her for? I don't even know Miss Ye, how can I collude with her?" "

"Stop talking."Si Lu's voice was very cold. "Just take it that I misjudged you. I Won't have a friend like you in the future!"

Break Up?

Did Si Lu mean to break up with him?

But he didn't do anything. Why would si lu break up with him for no reason?

What a joke.

Si Lu would definitely be joking with him.

“”Alright Brother Yu, stop joking! Quickly tell me, did you guys see Qian you today? What does Qian you look like? Is She Really Beautiful?”Although he had worked with Qian you before.., yang Wenhao had never seen her before. He had only heard Rebecca talk about her. ”

She said that she was a rare beauty.

“Hearing Yang Wenhao’s words, Si Lui’s eyes were filled with ridicule. ”

She was pretending.

She was still pretending.

“In fact, Yang Wenhao just wanted to express that not only was ye Zao talented, he was also beautiful? ”

Chapter 1186: 255: Zhao Xueyin fell into a trap and saw through her true colors. Si Lui was stunned! 2

Si lui and Yang Wenhao were friends for more than ten years.

“He never thought that one day, he would be schemed against by his good friend.”

It was his fault.

It was all his fault for trusting others too easily.

"If it wasn't for him, Zhao Xueyin wouldn't have suffered so much."

"Thinking of the scene of ye Zhuo being humiliated by Zhao Xueyin, Si lui almost couldn't breathe."

He would rather be the one being humiliated by Ye Zhuo.

He did not want Zhao Xueyin to suffer any grievance.

"Si lui raised his head and looked at Yang Wenhao, he enunciated each word clearly, "Don't you know what you've done in your heart? Is there any point in pretending to be dumb? Yang Wenhao, I've Been Your Friend for more than ten years. You took the lead and set me up like this? You Don't have to like Xue Yin, but why did you collude with Ye Zhuo to humiliate her?""

"Yang Wenhao did not understand a single word that si lui said. "Brother Yu, what's wrong with you? Why Can't I understand what you're saying? Yes! I admit that I don't like Zhao Xueyin, but when did I humiliate her?""

"You can leave." Si lui pointed at the exit. "From now on, we won't interfere with each other's business."

"Yang Wenhao was so aggrieved that he could not speak. Si lui did not explain the reason, so he could not even explain. "I'm even more wronged than Dou E! Brother Yu, what's wrong? Are you going to break up with me?""

"Stop pretending!" Si lui continued, "Is it interesting?"

"Yang Wenhao couldn't take it anymore, "Jin Ruyu! Are you sick? ! Ever since you got to know Zhao Xueyin, that green tea, your tone has turned tea-like! Can't you just tell me what the problem is? You have to let me guess! You said that I humiliated Zhao Xueyin. Why would I humiliate her? If I wanted to humiliate her intentionally, would I have introduced her to Qian Jiu?"

"Who did you say was green tea?" The lawyer asked calmly.

“Yang Wenhao said directly, “Zhao Xueyin!””

Bang —

The lawyer raised his fist and threw a punch.

“Yang Wenhao’s head was knocked to the side, and he fell heavily to the ground.”

“Before Yang Wenhao could react, the lawyer grabbed his collar. “Yang Wenhao! I’m warning you, don’t insult Xueyin again. Otherwise, don’t blame me for being rude to you!””

Yang Wenhao did not expect Si Lu to attack him.

It was a lie to say that he was not disappointed.

“He had been friends with Si Lu for more than ten years, but he did not expect that he would end up in the hands of a woman.”

“Bah —”

“Yang Wenhao spat out a mouthful of blood. “I won’t admit to things that I didn’t do! I didn’t humiliate Zhao Xueyin, which means I didn’t humiliate her! Not to mention that I won’t humiliate her, Miss Ye is also disdainful of doing such things!””

“Idiot!” Si lui spat out two words coldly.

Yang Wenhao was an idiot.

A huge idiot.

“He kept calling ye Zao Miss Ye, but little did he know that in Ye Zao’s eyes, he was just a chess piece.”

“Now that Yang Wenhao was used by Ye Zao, he kept saying that ye Zao was good.”

Wasn’t he an idiot?

“In fact, in Si Lui’s memory, Yang Wenhao had always been quite smart.”

He didn’t know when he had become like this.

“”Who is the real idiot?”Yang Wenhao looked at Si Lui, the expression in his eyes was unclear. “The real idiot is you! If you mistake the fish eye for a pearl, you will regret it one day!””

Regret?

The one who should regret was Yang Wenhao.

“When he saw ye Zhuo’s true face in the future, he would definitely regret it too late.”

“But at that time, it would be too late for Yang Wenhao to regret it.”

Some things were lost.

He would never forgive Yang Wenhao!

Si lui let go of Yang Wenhao. “Get lost! I don’t want to See You Again!”

Yang Wenhao stood up from the ground and turned around to walk towards the entrance of the unit building.

“Si Lui’s voice came from the air again. “In the future, I won’t have a friend like you. If you still have face, don’t come to me in the name of a friend.””

Yang Wenhao should never have colluded with ye Zhuo to humiliate Zhao Xueyin.

He should not have acted as if nothing had happened after he insulted Zhao Xueyin.

Si lui hated this kind of people the most in his life.

“Hearing Si Lui’s voice, Yang Wenhao stopped in his tracks.”

He knew.

The friendship between him and Si Lui had come to an end.

Yang Wenhao pinched his fingers and took a deep breath.

“All sorts of memories of the past surfaced in his mind, and he felt very uncomfortable.”

The lawyer took out the key and opened the door.

He lived alone.

There was no smell of fireworks in the three-bedroom room.

“After changing his slippers, the lawyer went to the kitchen and took out a can of beer from the refrigerator. He opened the can with one hand and deleted Yang Wenhao from wechat with his phone in his other hand.”

Chapter 1187: 255: Zhao Xueyin has fallen into a trap. He has seen through her true colors. The lawyer was stunned! 3

“Since they had already broken up, there was no need to keep wechat anymore. ”

It was just that he had let Zhao Xueyin down.

He should have dragged Yang Wenhao to apologize to Zhao Xueyin just now.

“Thinking of this, the lawyer drank another mouthful of beer. ”

...

Shunxi Financial Group.

“I want to see your President Ye.”

Father Zhao had just walked into the hall when he saw a tall figure standing at the reception desk. He was wearing a smoke-gray suit and had a straight posture. Father Zhao had noticed him because of what he had said.

He said that he wanted to see President Ye?

Who Was President Ye?

Ye Zhuo.

“Ye Zhuo had made Zhao Xueyin suffer so many silent losses. Hearing ye Zhuo’s name from the man’s mouth, Father Zhao frowned slightly. He subconsciously slowed down and looked in that direction. ”

He was very curious. What was the relationship between this man and Ye Zhuo?

Could it be that he was Cen Shaoqing?

“The lady at the front desk looked at the man and said politely, “Sir, do you have an appointment?” ”

““I’m President Ye’s uncle, Ye Sen.”the man smiled and said, “Uncle is here to see his niece. Do you need an appointment?” ”

Uncle?

Ye Zhuo’s uncle?

Father Zhao narrowed his eyes.

Could it be that ye Langhua had a son?

That old man ye Manshan actually had a grandson!

What was going on?

How come he had never heard that ye Langhua had a son?

How could ye Manshan have a grandson!

“For a moment, father Zhao felt very uncomfortable.”

“Humans were very strange animals. The more they couldn’t get something, the more they wanted it.”

Father Zhao placed great importance on the issue of children.

There were three people who founded the Shunxi Financial Group.

“Ye Manshan, Zhang Yifeng, and him.”

“Among these three people, Zhang Yifeng had never had a family and had no children.”

He and ye Manshan were the only ones left.

Ye Manshan had a daughter.

It was ye Langhua.

The eighteen-year-old ye Langhua was well-known in the capital. She was known as a talented woman in her prime.

Father Zhao once thought that he would never be able to compare to ye Manshan in his life.

“After all, although ye Manshan did not have a son, he had a good daughter.”

“Fortunately, the heavens had eyes.”

The twenty-year-old ye Langhua had shocked everyone. She had turned from a talented girl of the Golden Age into a crazy woman.

“In order to celebrate this matter, Father Zhao specially opened a bottle of champagne that night. ”

“In his life, he hated being trampled under the feet of others. ”

Even if it was a collaborator.

Later.

“When he reached middle age, Father Zhao finally had a daughter of his own. ”

“His daughter did not disappoint him, and she had been his pride since childhood. ”

“Ye Manshan’s daughter was a lunatic, and Zhang Yifeng did not have any children. Of these three people, Father Zhao was the winner in life. ”

“Therefore, in the last ten years of this year, although Father Zhao had always regretted that Zhao Xueyin was not a son, he was also full of superiority. ”

“Although he did not have a son, he had an excellent daughter! ”

“She was many times better than ye Manshan and Zhang Yifeng, who had no descendants. ”

Who knew.

Ye Langhua would suddenly find his biological daughter.

“Not only did ye Langhua find his biological daughter, but a granddaughter who was better than Zhao Xueyin in all aspects also appeared. ”

How could he tolerate this?

And now he had a son!

How could ye Langhua have a son?

A person who had no descendants actually had a son.

“This made father Zhao feel very unbalanced, and his breathing became rapid. ”

Over here.

“Hearing Ye Sen’s words, the front desk lady glanced at Ye Sen and still had a businesslike look on her face. “I’m sorry, sir. If you want to see President Ye, you have to make an appointment in advance.” ”

Everyone in Shunxi Financial Group knew that ye Langhua was elder Ye’s only daughter.

Ye Langhua only had one daughter.

Then where did ye Zhuo get his uncle from.

It was very obvious.

The Man in front of her was an imposter!

“The forest was really big, and there were all kinds of birds. ”

"After saying that, the lady at the front desk continued, "Sir, if you don't have an appointment, you can call President Ye. As long as president ye agrees, we will immediately get someone to take you to President Ye's office." "

"Ye Sen smiled and said, "If I can contact your President Ye, I will waste my words on you! Young Lady, don't worry, I am definitely not a liar. Why Don't You Help Me Contact Your President Ye?" "

"Xiao Gu." Father Zhao smiled and went forward.

""Elder Zhao!" Seeing Father Zhao, the lady at the front desk immediately said respectfully. "

"Father Zhao continued, "Xiao Gu, I can prove that this gentleman is President Ye's uncle. Let him go up." "

"Okay." Xiao Gu nodded.

"Ye Sen looked at Father Zhao and said gratefully, "Thank you, Old Sir." "

Chapter 1188: 255: Zhao Xueyin had fallen into a trap and had seen through his true colors. The lawyer was stunned! 4

""You're welcome. Your grandfather and I were very good partners when we were young." Father Zhao waved his hand, then, he said, "It just so happens that I want to go up too. Young Man, why don't you come up with me? I'll bring you to President Ye's office." "

Grandfather?

Did this old man misunderstand something?

“But Ye Sen didn’t think too much about it and followed Father Zhao’s footsteps. “Alright, I’ll have to trouble you.” ”

Father Zhao was sitting in the exclusive elevator of the upper level.

The sealed elevator was a little quiet.

“Just as Ye Sen was about to say something, Father Zhao spoke at this moment, “How is Your Mother’s health recently? Time has passed quickly. If I count it, we haven’t seen each other for 10 to 20 years!” ”

Ye Sen was stunned.

His mother?

Father Zhao was referring to Zhu Cuihua?

But Zhu Cuihua was just an ordinary rural woman.

She shouldn’t know anyone from the Shunxi Financial Group.

“Ye Sen continued, “My mother’s name is Zhu Cuihua. Are You sure you know her?” ”

Zhu Cuihua?

Father Zhao narrowed his eyes. “Isn’t your mother ye Langhua?”

Ye Sen immediately understood. “Ye Langhua is my godmother! My biological mother is just an ordinary person!”

Godmother?

Father Zhao reacted at this moment.

It turned out that Ye Sen was the child of Ye Shu's adoptive parents. He was not related to ye Langhua by blood.

""So it was a misunderstanding!"Father Zhao smiled and said, "Then how is Your Godmother's health recently?" "

"Ye Sen said, "She's in good health. You Don't have to worry about her." "

Father Zhao nodded. "Then I'm relieved."

"After saying that, father Zhao continued, "Young man, how old are you today?" "

"Ye Sen politely said, "Old Sir, my name is Ye Sen, from the forest. You Can Call Me Little Ye. I'm thirty-two years old this year." "

Thirty-two?

"Hearing this number, Father Zhao was stunned. "

"If his A Ye was still around, he would be thirty-two years old this year. "

Ding —

"At this moment, the elevator door opened. "

"Please."Ye Sen pressed the elevator door and let Father Zhao go out first.

Father Zhao looked at Ye Sen and then walked out.

Ye Sen followed him out.

“Father Zhao continued, “President Ye’s office is over here. Follow me.” ”

“Okay.”Ye Sen nodded and followed Father Zhao’s footsteps.

They took a turn.

“Father Zhao pointed at the red wooden door at the end of the corridor and said, “Xiao Ye, this is President Ye’s office.” ”

“Ye Sen said, “Thank you for bringing me up.” ”

“Father Zhao smiled and said, “We’re all on the same side. There’s no need to be so polite.” ”

“Then I’ll go in first.”

“Okay.”Father Zhao nodded.

Ye Sen turned around and walked inside.

“The moment ye Sen turned around, the smile on Father Zhao’s face disappeared completely and was replaced by a sinister look. ”

Although ye Sen was not ye Langhua’s biological son.

But his surname was ye after all.

“As long as his surname was ye, then he could pass down the ye family.”

Unlike him.

“Other than Zhao Xueyin, there was no other heir.”

He didn’t even have a nephew.

“Not only was Ye Sen’s surname Ye, he was also ye Langhua’s godson.”

“Although he was called a godson, he was actually no different from his biological son.”

“After all, Ye Sen and ye Shu had been siblings for so many years.”

More importantly...

“Through their short time together, he could see that Ye Sen was not a minor character.”

He was a person with a strong business background.

The future ye family would still be a high-class family.

And their Zhao family...

Was about to be destroyed in his hands.

The water splashed by the daughter that was married off.

Why?

Why did ye Manshan take all the good things for himself?

Father Zhao's face was full of unwillingness!

"His heart was filled with mixed feelings, so uncomfortable that he could hardly breathe. "

If only his A Ye was still here!

"Thinking of this, Father Zhao's face was full of pain. "

"This kind of pain of losing one's own flesh and blood, perhaps no one could understand. "

"If his A Ye was still here, then why would he be jealous of Ye Manshan? "

Why would god treat him like this?

Father Zhao took a deep breath.

He tried his best to calm himself down.

After a long while.

Father Zhao slowly moved his feet and turned around to leave.

On the other side.

Ye Sen stretched out his hand and knocked on the office door.

“Very soon, the door opened. ”

The person who opened the door was millet. “May I know who you are?”

“I’m President Ye’s uncle. is president ye inside?”Ye Sen said as he walked into the office.

“Millet stretched out her hand to stop ye Sen. “I’m sorry, no one else can enter President Ye’s office.” ”

“Ye Sen smiled and said, “I already said that I’m President Ye’s uncle.” ”

Uncle?

Chapter 1189: 255: Zhao Xueyin fell into the trap and saw through his true colors. The lawyer was stunned! 5

Ye Zhuo had an uncle?

Millet sized up ye Sen from head to toe.

Although ye Sen was dressed neatly.

There was not a single name tag on his entire body.

The shoes on his feet were even from Taobao.

They were the kind of shoes that cost 59 Yuan and nine packets of mail.

Could this kind of person be ye Zhuo's uncle?

"If he was really ye Zao's uncle, then he was Old Ye's grandson."

Old Ye could have such a LOW grandson?

"In this day and age, there were really all kinds of people!"

He actually dared to pretend to be a royal relative!

"He had seen shameless people, but he had never seen such a shameless person!"

He was probably here to steal something.

"You?" Millet sneered. "You still want to be our President Ye's uncle? Are You Worthy?"

Ye Sen frowned slightly.

"This little girl didn't have much ability, but her temper wasn't small."

How could there be such an employee by Ye Zao's side?

"Ye Sen didn't want to argue with a little girl. He continued, "I'm really President Ye's uncle. Quickly go and call president ye out! Otherwise, you can let me in!""

"Millet crossed her arms and looked at Ye Sen with a disgusted expression. "You can see our president ye whenever you want! You even stole things here! Hurry up and get lost! Otherwise, I'll call security!""

“Sear Sear!” Ye Sen tiptoed and took a look inside.

“”What are you shouting for! Do you really think that just by calling twice, our president ye is really your niece!” Millet pressed down the communicator on her chest. “Is the security team here?””

“Yes.” A voice came from the communicator. “I’m the head of the security team. Please speak your mind.”

“Millet continued, “There’s a thief at the door of President Ye’s office on the 58th floor! Please bring someone up!””

“Okay.”

“”Who are you calling a thief?” Ye Sen said angrily, “What’s wrong with you, little girl? I already said that I’m your President Ye’s uncle! Be careful or I’ll make my niece Fire You!””

“Fire me?” Millet looked at Ye Sen with disdain in her eyes. “With just you?”

“A clay bodhisattva crossing the river could not even protect himself, yet he was still in the mood to brag.”

The security came very quickly.

“Millet pointed at Ye Sen and said, “Team leader Zhu, this is the thief! Quickly bring him to the police station!””

“I’m not a thief!”

“The security forced Ye Sen to be taken away. In desperation, Ye Sen could only fight with the security guards.”

More and more security guards came to the 58th floor. The corridor was in a mess.

“At this moment, a clear voice sounded in the air, “What’s going on?””

“Seeing ye Zao, Millet immediately stood up and pointed at Ye Sen, who was lifting a security guard with one hand, “President Ye, this thief is pretending to be your uncle!””

“Ye Zao looked back slightly, “Uncle!””

““Eldest niece!”Ye Sen let go of the security guard’s collar, “Who are these people around you? They are all snobs!””

Millet was dumbfounded.

His face turned pale.

“He, he, he was really ye Zhuo’s uncle.”

What should they do?

The security guards were also dumbfounded.

“The head of the security team quickly stood up and explained, “President Ye, Millet was the one who informed us to come to your office to catch the Thief.””

“After saying that, the head of the security team said to the few security guards behind him, “Hurry up and apologize to Mr. Ye!””

“The few security guards bowed to Ye Sen in unison. “Mr. Ye, I’m sorry.””

""Forget it, forget it. This really isn't your fault."Ye Sen waved his hand. He wasn't the kind of person who would be unreasonable."

"Ye Zhuo continued, "You guys can go downstairs first.""

The security team leader brought a few security guards downstairs.

Ye Zhuo turned to look at Millet. "Hand over the work to Allie. You Don't have to come tomorrow."

"Millet was drenched in cold sweat. "President Ye, I'm Sorry! It was all my fault just now. I shouldn't have done that! Please Don't Fire Me!"

"After saying that, millet turned around and apologized to Ye Sen."

Ye Sen did not want to bother with her.

"If such a person really stayed, it would be a disaster."

"Seeing millet like this, Allie immediately walked to Millet's side. "Come with me.""

Millet was unwilling to accept this.

"She had not made a mistake, so what right did ye Zao Have to fire her?"

"According to the company's rules, those who did not have an appointment could not go up to the 58th floor!"

"Ye Sen did not have anything. With just his mouth, he claimed to be ye Zao's uncle. It was normal for her to mistake ye Sen for a thief."

“Even if she had made a mistake, ye Zao could take it as a demerit.”

Fire Her? No Way!

This was unreasonable.

“Millet directly shook off Allie’s hand. “President Ye wants to fire me, right? Sure! According to Article 19 of the third page of the labor contract, if you fire an employee without reason, you must pay half a year’s salary!””

Chapter 1190: 255: Zhao Xueyin fell into a trap and saw through her true colors. The lawyer was stunned! 6

“Milai’s current company was 25,000 yuan. ”

“Half a year’s salary was 150,000 yuan. ”

“If that was the case, she would not lose out. ”

“Thinking of the 150,000 yuan, Milai felt much better. ”

“Ye Zhuo turned his gaze slightly. “You want to settle the score? Then let’s settle the score properly, Ally.” ”

Allie nodded. She immediately took out a document and handed it to Millie. “Take a look for yourself.”

Millie stretched out her hand to receive the document.

She took a look.

“Her complexion, which had already improved, turned pale again. Her eyes were filled with disbelief. ”

She knew.

It turned out that ye Zhuo knew all of the little tricks she had done in private.

It was just that she did not say it out loud.

“At this moment, millet felt as if she was naked. ”

She had always thought that the things she had done were very clean.

She did not expect that ye Zao actually knew about it.

This feeling was not good at all.

“Millet’s legs went weak and she directly knelt on the ground, crying out, “I’m sorry! I was wrong! President Ye, I’m Leaving Now! Please let me off this time and don’t pursue my responsibility! I beg you!” ”

“Get lost!”Ye Zao’s red lips parted slightly.

Milai scrambled out of the office.

“Ye Zao turned to look at ye Sen. “Uncle, let’s go in.” ”

Ye Sen nodded and followed ye Zao in.

“Only when they reached the office did ye sen ask, “Niece, what’s with that Milai?” ”

“Just a second ago, she was still clamoring for ye Zao to pay for the compensation. ”

“But in the next second, she ran away dejectedly. ”

He did not know what ye Zao was showing her.

Ye Sen was very curious.

“Ye Zao poured ye Sen a cup of tea, “She is Zhao Xueyin’s spy. On that document, all her faults are recorded. Once those matters are recorded in her personal file, it will be difficult for her to find a decent job in the future.” ”

“Her tone was very indifferent, as if she was discussing with Ye Sen what to eat the next morning. ”

““Zhao Xueyin?”Ye Sen frowned, “Is she that Zhao family’s Daughter?” ”

Ye Sen also knew a little about the Shunxi Financial Group.

““Yes.”Ye zhuo nodded slightly, “It’s her.” ”

“Ye Sen narrowed his eyes, “This little girl is really bad! She actually planted spies by your side! She didn’t bring you any losses, right?” ”

“Ye Zao smiled and said, “Don’t worry, she didn’t.” ”

It was precisely because she didn’t bring any losses that ye Zao didn’t pursue Milai’s responsibility.

“It’s good that she didn’t.”

“Right at this moment, ye Sen seemed to have recalled something and continued to say, “The uncle who brought me to look for you just now couldn’t be Zhao Xueyin’s father, right?” ”

“What does he look like?”Ye Zao asked.

“Ye Sen said, “He’s thin and tall. He looks about 70 years old. There’s a black mole on the left side of his face.” ”

“”That’s right,”ye Zao continued, “He’s Zhao Zhenfei!” ”

“”Oh my God! I really couldn’t tell!”Ye Sen said in surprise, “He looks like a kind old man who likes to laugh!” ”

Who would have thought that such a person would actually do something like taking over a financial group after old ye left.

“”You can’t judge a book by its cover.”Ye Zhuo picked up the cup and drank a mouthful of water. “Oh right, uncle, how did you get here? Why didn’t you inform me in advance?” ”

“Ye Sen said, “I just happened to be here to do something and came by to see you. I called you, but your phone was turned off!” ”

“Turned off?”Ye Zhuo raised her eyebrows slightly and took out her phone from her pocket.

The screen was black!

Her phone was indeed turned off.

Xiao Bai must have secretly used her phone to use pesticide.

Ye Zao took the phone to charge it.

“Ye Sen walked around Ye Zao’s office. “Zao Zao, the scenery here is not bad! 58th floor, right?” ”

“”Yes.”Ye Zao continued, “If you like it, you can also move your office to the 58th floor.” ”

“”It’s too high for me. I’d better forget it.”Ye Sen walked over. “By the way, Zao Zao, I’ve been feeling dizzy and sleepy for the past few days. Can you take a look at it? What’s Wrong?” ”

“As Ye Sen spoke, he rolled up his sleeves and handed over his hand. ”

Ye Sen’s skin was very white.

“After rolling up his sleeves, a part of his fair skin was immediately revealed. The red birthmark on his arm was also very obvious. ”

“Ye Zhuo was stunned. “Uncle, what’s going on with your arm?” ”

“”Birthmark,”ye Sen’s tone was indifferent. ”

“”OH.”Ye Zhuo nodded slightly and reached out to touch ye Sen’s pulse. After a moment, she continued, “There’s nothing wrong with you. It’s just that you haven’t been sleeping enough recently. You just need to sleep more.” ”

“That’s good.”Ye Sen heaved a sigh of relief.
